

WAC 110-148-1380 What training must I complete after I am licensed? (1) You and your licensor must develop an individual in-service training plan pursuant to the department's foster home training policy. The training plan will be based on the type of children in your care and your previous training and experience.

(2) If you fail to complete your training requirements, we may take corrective action by:

(a) Delaying your foster care renewal license until the requirements are met;

(b) No longer placing children in your home; or

(c) Issuing a probationary license, suspending, or revoking your license.

(3) We may modify training plans at any time and we may require specific training given the needs of the foster children placed in your home.
