

WAC 130-30-010 Purpose. (1) The department of commerce may designate certain private sector investments as projects of statewide significance to expedite the permitting and environmental review process. These projects will bolster the economy at both the local and state levels.

(2) The purpose of this chapter is to prescribe the form and manner of the application to be used in requesting designation as a project of statewide significance.

[Statutory Authority: RCW 43.157.030. WSR 13-20-064, § 130-30-010, filed 9/26/13, effective 10/27/13.]
