

WAC 132W-112-103 Statement of purpose. Wenatchee Valley College District is an educational institution provided and maintained by the people of the state of Washington. College facilities are reserved primarily for educational use including, but not limited to, instruction, research, public assembly of college groups, student activities and other activities directly related to the educational mission of the college. The public character of the college does not grant to individuals an unlimited license to engage in activity which limits, interferes with, or otherwise disrupts the normal activities to which the college's facilities and grounds are dedicated. Accordingly, the college designates the common areas of the college as a limited public forum dedicated to the use of college groups, subject to the time, place, and manner limitations and restrictions set forth in this policy. Groups or individuals who are invited or permitted to engage in first amendment activities at the college do not represent an endorsement by Wenatchee Valley College or the board of trustees.

The purpose of the time, place, and manner regulations set forth in this policy is to establish procedures and reasonable controls for the use of college facilities. It is intended to balance the college's responsibility to fulfill its mission as a state educational institution of Washington with the interests of college groups seeking to assemble in common areas of the campus for expressive activity. The college recognizes that college groups should be accorded the opportunity to utilize the facilities and grounds of the college to the fullest extent possible. The college has designated certain sites as public use areas open to noncollege groups as set forth herein.
