

WAC 174-116-242 Parking permits—Issuance and display. (1) All vehicles, attended or unattended, must be associated with a valid parking permit. Vehicles that are not associated with a valid permit may be cited for violation of a no paid permit.

(2) Ownership of permits is not transferable except when approved by parking services. If a registered vehicle is sold, the selling party should notify parking services so the vehicle can be disassociated with the permit holder. The permit holder may associate a different vehicle to the permit upon disassociation of the sold vehicle.

(3) Persons not residing on campus may apply for a second vehicle permit for a second car either personally, family, or employer owned. Proof of ownership or appropriate authorization must be presented prior to issuance of a second permit. Two vehicles using the same permit may not be parked on campus at the same time unless one is also associated with a valid daily permit.

(4) Vehicles with a valid permit may be parked in any designated campus parking lot authorized by the permit.

(5) Permit holders may obtain a complimentary temporary daily permit for a vehicle being used as a temporary replacement.

(6) No vehicle may be parked on campus for the purpose of using such vehicle as a living unit. Any exception must be approved by the director of police services or their designee.
