

WAC 182-533-0730 Substance-using pregnant people (SUPP) program

—Covered services. (1) The agency pays for the following covered services for a pregnant client and their fetus under the substance-using pregnant people (SUPP) program:

(a) Primary acute withdrawal management and medical stabilization;

(b) Secondary subacute withdrawal management and medical stabilization; and

(c) Rehabilitation treatment and services as determined by the provider.

(2) The maximum length of treatment per inpatient stay that the agency will pay for is 26 days, unless additional days have been pre-authorized by the agency (SUPP) program manager.

(3) If a client's pregnancy ends before inpatient treatment is completed, a provider may continue treatment through the 26th day.
