

WAC 246-825-130 Auditing for compliance. Licensed genetic counselors must comply with auditing and documentation requirements under chapter 246-12 WAC, Part 7. If audited, the licensee will be required to submit documentation of completed continuing education activities.

(1) Acceptable documentation of continuing education includes:

(a) Certificates indicating the date, number of contact hours awarded, program title, and participant's name; or

(b) An original letter on official stationery from the continuing education program's sponsor indicating the date, number of contact hours awarded, program title, and participant's name.

(2) The secretary may require additional information as needed to assess compliance.

[Statutory Authority: RCW 18.290.020. WSR 10-22-090, § 246-825-130, filed 11/1/10, effective 11/1/10.]
