

WAC 246-847-370 Participation in approved substance abuse monitoring program. (1) In lieu of disciplinary action, the occupational therapist or occupational therapy assistant may accept board referral into the approved substance abuse monitoring program.

(a) The occupational therapist or occupational therapy assistant shall undergo a complete physical and psychosocial evaluation before entering the approved monitoring program. This evaluation will be performed by health care professional(s) with expertise in chemical dependency. The person(s) performing the evaluation shall not also be the provider of the recommended treatment.

(b) The occupational therapist or occupational therapy assistant shall enter into a contract with the board and the approved substance abuse monitoring program to comply with the requirements of the program which shall include, but not be limited to:

(i) The occupational therapist or occupational therapy assistant will undergo intensive substance abuse treatment in an approved treatment facility.

(ii) The occupational therapist or occupational therapy assistant will agree to remain free of all mind-altering substances including alcohol except for medications prescribed by an authorized prescriber, as defined in RCW 69.41.030 and 69.50.101.

(iii) The occupational therapist or occupational therapy assistant must complete the prescribed aftercare program of the intensive treatment facility, which may include individual and/or group psychotherapy.

(iv) The occupational therapist or occupational therapy assistant must cause the treatment counselor(s) to provide reports to the approved monitoring program at specified intervals. Reports shall include treatment, prognosis and goals.

(v) The occupational therapist or occupational therapy assistant will submit to random drug screening as specified by the approved monitoring program.

(vi) The occupational therapist or occupational therapy assistant will attend support groups facilitated by a health care professional and/or twelve step group meetings as specified by the contract.

(vii) The occupational therapist or occupational therapy assistant will comply with specified employment conditions and restrictions as defined by the contract.

(viii) The occupational therapist or occupational therapy assistant shall sign a waiver allowing the approved monitoring program to release information to the board if the occupational therapist or occupational therapy assistant does not comply with the requirements of this contract.

(c) The occupational therapist or occupational therapy assistant is responsible for paying the costs of the physical and psychosocial evaluation, substance abuse treatment, and random drug screens.

(d) The occupational therapist or occupational therapy assistant may be subject to disciplinary action under RCW 18.130.160 if the occupational therapist or occupational therapy assistant does not consent to be referred to the approved monitoring program, does not comply with specified employment restrictions, or does not successfully complete the program.

(2) An occupational therapist or occupational therapy assistant who is not being investigated by the board or subject to current disciplinary action or currently being monitored by the board for substance abuse may voluntarily participate in the approved substance abuse monitoring program without being referred by the board. Such

voluntary participants shall not be subject to disciplinary action under RCW 18.130.160 for their substance abuse, and shall not have their participation made known to the board if they meet the requirements of the approved monitoring program:

(a) The occupational therapist or occupational therapy assistant shall undergo a complete physical and psychosocial evaluation before entering the approved monitoring program. This evaluation will be performed by health care professional(s) with expertise in chemical dependency. The person(s) performing the evaluation shall not also be the provider of the recommended treatment.

(b) The occupational therapist or occupational therapy assistant shall enter into a contract with the approved substance abuse monitoring program to comply with the requirements of the program which shall include, but not be limited to:

(i) The occupational therapist or occupational therapy assistant will undergo intensive substance abuse treatment in an approved treatment facility.

(ii) The occupational therapist or occupational therapy assistant will agree to remain free of all mind-altering substances including alcohol except for medications prescribed by an authorized prescriber, as defined in RCW 69.41.030 and 69.50.101.
