

WAC 296-17A-7002 Classification 7002.

7002-00 Department of Energy contract

Applies to establishments that have contracted with the department of energy at DOE's nuclear facilities within the state of Washington to operate, construct or service the nuclear site. At present, the only site covered by this contract is at Richland. These contractors can be identified by the assignment of account number 000,100-xx with each contractor given a separate subaccount. The coverage provided by this classification is usually for the possibility of workers being exposed to nuclear radiation although the coverage applies to any type of on-the-job injury. Benefits for injured workers covered under this contract are paid from a special fund which DOE pays into to cover all industrial insurance and medical aid payments made to or in behalf of the injured workers and/or their beneficiaries. The premium paid by the contractors to labor and industries is limited to the supplemental pension premium assessment.

Special note: This classification is used to administer the DOE contract and collect supplemental pension fund premiums.
