

WAC 296-150F-0460 What information must a manufacturer provide when a professional or firm does the design plan approval? You must provide the following information with your approved design plan:

- (1) A completed departmental design plan approval request form;
- (2) Two or more sets of the design plans plus elevation drawings, specifications, engineering analysis, and test results and procedures necessary for a complete evaluation of the design. These design plans must have an original wet stamp, be signed, and dated by the approving professional(s) (see WAC 296-150F-0340 and 296-150F-0350);
- (3) A cover sheet on the design plan noting which professional approved each portion of the design plan;
- (4) A copy of the authorization letter from us;
- (5) The design plan fee for design plans approved by professionals or firms (see WAC 296-150F-3000);
- (6) A professional who designs and certifies that the factory-built home or commercial structure design meets state requirements cannot also approve the design plan in the plan approval process;
- (7) A professional cannot approve those electrical designs listed in WAC 296-150F-0310(2); and
- (8) A professional cannot approve plans submitted under a reciprocal agreement.
