

WAC 357-28-070 Can an employer adjust the timing and amount of increment increases? Employers may adjust the timing and/or amount of regularly scheduled increment increases stated in WAC 357-28-060 by resetting the periodic increment date based on the nature of the work or training requirements. This may apply to all employees, employees in specific positions, all employees allocated to a class, or all employees in an organizational unit. This may happen as long as employees receive minimally an increase of two steps annually until their salary reaches step L of the salary range.
