

WAC 365-80-130 Eligible municipalities. Section 4, chapter 117, Laws of 1992, provides that when a municipality has one or more state agencies located within its city limits, the municipality and the agency or agencies may enter into fire protection contracts. Section 6, chapter 117, Laws of 1992, provides that in cities or towns where the estimated value of state facilities, as determined by the department, equals ten percent or more of the municipality's total assessed valuation, the state agency shall enter into a compulsory fire protection contract to provide the municipality with an equitable share of its fire protection services costs. An exception is provided where fire protection services are performed by state staff and equipment or by a fire protection district pursuant to RCW 52.30.020.
