

**WAC 388-828-9260 How does DDA determine your employment acuity score for completing tasks with acceptable quality?** DDA determines your employment acuity score for completing tasks with acceptable quality by using your "type of support" score for question "D6" in WAC 388-828-4260 and multiplying it by 0.05418.

Example: A "type of support" score of 2 (verbal/gestural prompting) is multiplied by 0.05418 resulting in an employment acuity score for completing tasks with acceptable quality of 0.10836.
