

WAC 392-172A-05145 Authority of school personnel. (1) School personnel may consider any unique circumstances on a case-by-case basis when determining whether a change in placement, consistent with the other requirements of this section, is appropriate for a student eligible for special education services, who violates a code of student conduct.

(2) (a) School personnel may remove a student eligible for special education services who violates a code of student conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than ten consecutive school days to the extent those alternatives are applied to students without disabilities under this section, and for additional removals of not more than ten consecutive school days in that same school year for separate incidents of misconduct as long as those removals do not constitute a change of placement under WAC 392-172A-05155.

(b) A school district is only required to provide services during periods of removal to a student eligible for special education services who has been removed from his or her current placement for ten school days or less in that school year, if it provides services to a student without disabilities who is similarly removed. The services may be provided in an interim alternative educational setting.

(3) After a student eligible for special education services has been removed from his or her current placement for ten school days in the same school year, and the removal is a change of placement under WAC 392-172A-05155, during any subsequent days of removal the student must continue to receive educational services, that provide a FAPE, so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's IEP. The student's IEP team determines appropriate services. The services may be provided in an interim alternative educational setting.

(4) After a student eligible for special education services has been removed from his or her current placement for ten school days in the same school year, if the current removal is for not more than ten consecutive school days and is not a change of placement under WAC 392-172A-05155, during any subsequent days of removals, school personnel, in consultation with at least one of the student's teachers, determine the extent to which services are needed, to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's IEP. The services may be provided in an interim alternative educational setting.
