**WAC**

456-11-015      Record evidence.

**WAC 456-11-015 Record evidence.** The board may decline to review the record of a county board of equalization that is unduly large or disorganized, including a record that is not sufficiently numbered to allow for identification.

The board may issue an order requiring a party relying on evidence in a BOE record to resubmit that evidence numbered in a specific format.
