

WAC 495D-300-015 Policy statement on disabilities. Students with documented disabilities as defined in PL 101-336 who meet admission qualifications will be provided reasonable accommodation. Accommodations may be made in the style of instructional delivery, method of evaluation, or curricular aides. The college will not lower the standard measurement of competency for the certificate of merit or the standards for a degree.

Specific support services and auxiliary aids will be determined prior to registration. State vocational rehabilitation agencies or common school districts charged with providing support to handicapped students will retain primacy of responsibility for necessary auxiliary aids.

Lake Washington Institute of Technology encourages all students to achieve the highest level of skill development possible, as well as to achieve the ability to function independently in the workplace. Therefore, accommodations will be provided on a decreasing basis to the extent that the student's reasonable requirements diminish as the student becomes increasingly successful in training and nears job placement.
