

WAC 504-14-560 Other parking permits—Availability and use. (1)

Visitor permits. Visitor permits may be used only by bona fide visitors as defined by this chapter. Use by any other individual constitutes illegal use of a parking permit. Visitor permits are valid in any zone and parking spaces signed for visitor permits only. Visitor permits are not valid at meters or restricted spaces.

(2) Permits honored by reciprocal agreement. Permits from other universities, including other WSU campuses, may be used only if detailed in and allowed by a fully executed reciprocal agreement with WSU Health Sciences Spokane.

(3) Golden cougar permits. Golden cougar permits are special visitor permits that are issued to retired staff in recognition of their service without additional cost. They are issued on an annual basis and are valid in any zone. Staff who are employed by the university or by other entities located on campus after formal retirement are not eligible to use a golden cougar permit in lieu of a regular paid zone permit.

(4) President's associates decals. President's associates decals are issued to eligible members of the Washington State University foundation. Use of these decals for parking must be in accordance with a separate agreement between WSU and the WSU foundation. However, university faculty, staff, and students may not use a president's associates decal or any other parking benefit instrument in lieu of a paid zone permit.

(5) Event/conference permits. Event/conference permits are available to visitors who participate in events and/or conferences held on the WSUS campus. They are available on a daily basis only. Event/conference permits may be assigned to a specific zone.

(6) Construction permits. A construction permit is issued to personnel who are working on a construction site on campus. Construction permits are available on an annual, semester, quarter, or daily basis and may be assigned to a specific parking area.

(7) Carpool. Upon application, a bona fide carpool as defined by the campus policies and procedures may be given preference in the assignment of parking zones, and issued a permit that facilitates the carpool. Carpool permits, virtual or otherwise, may not use more than one registered motor vehicle on campus at the same time. Obtaining or using a carpool permit under false pretenses constitutes the illegal use of a permit.
