

WAC 504-19-520 Parking permits—Form and display. All parking permits must be displayed in the approved position on the vehicle with permit numbers and relevant dates visible. Vehicles with permits which are not displayed in accordance with the provisions of this section are subject to parking tickets for the violation of improperly displaying a permit, or for the violation of no parking permit if a valid permit cannot be verified from the exterior of the vehicle.

(1) Autos and trucks:

(a) Daily permits must be displayed as instructed on the permit.

(b) Annual and semester permits must be displayed on the left side (driver's side) of the windshield. Permits must be mounted completely by means of their own design. No additional substances may be used to adhere the permit to the windshield unless approved by the parking department.

(2) Motorcycles and mopeds: Motorcycle and moped permits must be mounted completely by means of their own adhesive and prominently displayed on the left rear side of the vehicle or on top of the rear tail light.
