(2) Family home providers must apply to the department in writing to request waivers to serve more than 12 children. To apply in writing, family home providers must use the process prescribed by the department.

(3) The department will consider the following criteria to determine whether to grant, continue, or rescind waivers to family home providers' total capacity of 12 children:

(a) **The licensee's years' of experience providing early learning services.** A family home provider must have at least three years' of experience to be eligible for a waiver under this section. To satisfy the three years' experience requirement, the family home provider must have served for a total of three years or more in one or more of the following child care roles: Center director, program supervisor, family home licensee, or other similar role in a child care setting.

(b) **Available square footage:**

(i) There must be at least 35 square feet of licensed, accessible indoor space for each child included in the total capacity.

(ii) There must be an additional 15 square feet of licensed, accessible indoor space for each infant or toddler included in the total capacity.

(iii) There must be at least 75 square feet of licensed, accessible outdoor space for each child included in the total capacity. Alternatively, a family home provider may develop a plan to rotate groups of children to play outdoors or a department-approved plan to use an off-site play area.

(c) **Staffing qualifications:**

(i) The licensee must have an ECE short certificate or equivalent when operating with 13 or more children. When the licensee is not on-site, they must designate a person on-site who meets the requirements of this subsection to manage the early learning program.

(d) **Staff-to-child ratios and age group limits:**

(i) A family home provider licensed to care for children ages two years old and above must not exceed a maximum staff-to-child ratio of 1:8 when operating with 13 or more children.

(ii) A family home provider licensed to care for children under two years of age must not exceed a maximum staff-to-child ratio of 1:6 when operating with 13 or more children.

(iii) A family home provider licensed to care for children under two years of age may have up to six children under two years of age attend at any one time under the following conditions:

(A) Five children under two years of age may attend at any one time if at least one of those children can walk independently;

(B) Six children under two years of age may attend at any one time if at least two of those children can walk independently.

(iv) A family home provider licensed to care for children under two years of age must not have more than six children under two years of age attend at any one time;

(A) A child in diapers does not count for purposes of toilet calculations until the child begins toilet training.

(B) Staff persons and household members may use toilets and handwashing sinks located outside of licensed space on the premises.

(ii) A family home provider whose facility relies on a private septic system must provide to the department verification from the local health jurisdiction the system can accommodate the total number of household members, staff, and requested capacity of children.

(j) **The total capacity the provider is requesting.**

(4) A waiver granted under this section may be time specific or may remain in effect for as long as the family home provider continues to comply with the waiver's conditions. If the waiver is time limited, the provider must not exceed the time frame established by the department.

(5) Before the family home provider implements a waiver under this section, the waiver must be approved in writing by the department secretary or the secretary's designee.

(6) A denial of a waiver request is not an enforcement action as described in RCW 43.216.010 and is not subject to an appeal by a provider.

(7) The department may rescind a waiver granted under this section at any time including, but not limited to, the following reasons:

(a) The provider no longer meets the criteria described in this section;

(b) The department issues an enforcement action against the provider;

(c) The department and the provider enter into a facility licensing compliance agreement;

(f) A license is transferred pursuant to RCW 43.216.305 and WAC 110-300-0011 and the conditions of the waiver can no longer be met.

(8) A family home provider granted a waiver under this section must inform the parents and guardians of enrolled children of the approved waiver:
