

WAC 136-167-020 Withdrawal of approved project before RATA reimbursement. At any time after the submittal of a final prospectus and prior to the time the first RATA reimbursement has been sent to the county, a county may withdraw a RATA funded project. Withdrawal may occur either before or after the county road administration board has allocated RATA funds to the project. The statement of withdrawal must be in writing and signed by the chair of the board of county commissioners or the county executive, as appropriate. The withdrawal shall be effective upon receipt by the county road administration board. If RATA funds have been allocated to the project and a CRAB/county contract has been executed, the contract will be voided and the RATA funds will be allocated to other projects within the region.
