

WAC 220-415-030 2023 Deer special permits. It is unlawful to fail to comply with the bag, possession, and season limits described below. A violation of this section is punishable under RCW 77.15.410 Unlawful hunting of big game—Penalty.

Deer Special Permit Hunting Seasons (Open to Permit Holders Only)

Hunters must purchase a deer hunting license prior to purchasing a permit application. Hunters may only apply for permits consistent with the tag required for the hunt choice; however, Multiple Season Permit holders may apply for archery, muzzleloader, or modern firearm permit hunts. Hunters drawn for a special permit hunt must comply with weapon restrictions, dates, and other conditions listed for the hunt. Hunters drawn for a special permit designated "Any tag" under the "Weapon/Tag" restriction must use equipment consistent with the requirements of their transport tag and license.

Bag Limit: One (1) deer per hunter during the license year except where otherwise permitted by department rule, even if permits are drawn for more than one deer hunt category.

^{HC} This is a damage hunt administered by a WDFW designated hunt coordinator. Successful applicants will be contacted on an as-needed basis to help with specific sites of elk damage on designated landowner's property. Not all successful applicants will be contacted in any given year, depending on elk damage activity for that year.

Hunter Education Instructor Incentive Permits				
<ul style="list-style-type: none"> - Special deer permits will be allocated through a random drawing to those hunter education instructors who qualify. - Permit hunters must use archery equipment during archery seasons, muzzleloader equipment or archery equipment during muzzleloader seasons, and any legal weapon during modern firearm seasons. Hunter orange and/or hunter pink is required during modern firearm seasons. - Except for online class incentive permits and chief instructor incentive permits, qualifying hunter education instructors must be certified and have been in active status for a minimum of three consecutive years, inclusive of the year prior to the permit drawing. - Permittees may purchase a second license for use with the permit hunt only. 				
Qualified hunter education instructors may only receive one incentive permit each year.
