

**WAC 246-915-200 Physical therapy records.** In order to maintain the integrity of physical therapy practice, the physical therapist is responsible for obtaining all necessary information, such as medical history, contraindications, or any special instructions from an authorized health care practitioner. The evaluation and treatment plan must be written according to acceptable physical therapy practice consistent with the delegated health care task. Records must be maintained and include date of treatment, treatment record, and signature of person responsible for the treatment.
