

WAC 246-924-330 Continuing education—Exemptions. (1) Extension. A licensed psychologist may use the extension request form to request additional time to meet their continuing education (CE) requirements in order to renew their license and in other extenuating circumstances. Based on the circumstances, the board may grant a time extension and, if appropriate, limit in part or in whole the provision of consumer psychological services until the CE requirements are met.

(2) Waiver. A licensed psychologist may use the waiver request form to request the board waive their CE requirements indefinitely due to illness.

(a) The board may grant indefinite waiver of CE as a requirement for relicensure, provided the waiver request form indicates the psychologist is not providing consumer psychological services.

(b) If the psychologist's illness status changes or the psychologist resumes providing consumer psychological services, the psychologist must immediately notify the board and resume meeting CE requirements for relicensure. CE credit hours will be prorated for the portion of that three year period involving resumption of services.
