

WAC 246-926-095 Diagnostic radiologic, therapeutic radiologic, and nuclear medicine technologists—Certification. (1) To obtain certification as a diagnostic radiologic technologist, an applicant must submit:

- (a) A completed application on forms provided by the secretary;
- (b) Proof of successfully passing an examination in radiography listed in WAC 246-926-135;
- (c) Proof of completed education in one of the following:
 - (i) A course of instruction from a school that has received accreditation by the Joint Review Committee on Education in Radiologic Technology or the former American Medical Association Committee on Allied Health Education and Accreditation;
 - (ii) Military education, training, and experience listed in WAC 246-926-155; or
 - (iii) Alternative training listed in WAC 246-926-100 and 246-926-110;
- (d) Written verification of any licenses held, submitted directly from that licensing entity;
- (e) Applicable fees defined in WAC 246-926-990; and
- (f) Any other information determined by the secretary.

(2) To obtain certification as a therapeutic radiologic technologist, an applicant must submit:

- (a) A completed application on forms provided by the secretary;
- (b) Proof of successfully passing an examination in radiation therapy technology listed in WAC 246-926-135;
- (c) Proof of completed education in one of the following:
 - (i) A course of instruction from a school that has received accreditation by the Joint Review Committee on Education in Radiologic Technology or the former American Medical Association Committee on Allied Health Education and Accreditation;
 - (ii) Military education, training, and experience listed in WAC 246-926-155; or
 - (iii) Alternative training listed in WAC 246-926-100 and 246-926-120;
- (d) Written verification of any licenses held, submitted directly from that licensing entity;
- (e) Applicable fees defined in WAC 246-926-990; and
- (f) Any other information determined by the secretary.

(3) To obtain certification as a nuclear medicine technologist, an applicant must submit:

- (a) A completed application on forms provided by the secretary;
- (b) Proof of successfully passing an examination in nuclear medicine listed in WAC 246-926-135 or by the NMTCB;
- (c) Proof of completed education in one of the following:
 - (i) A course of instruction from a school that has received accreditation by the Joint Review Committee for Educational Programs in Nuclear Medicine Technology or the former American Medical Association Committee on Allied Health Education and Accreditation; or
 - (ii) Military education, training, and experience listed in WAC 246-926-155; or
 - (iii) Alternative training listed in WAC 246-926-100 and 246-926-130;
- (d) Written verification of any licenses held, submitted directly from that licensing entity;
- (e) Applicable fees defined in WAC 246-926-990; and
- (f) Any other information determined by the secretary.
