

WAC 296-54-51510 Safety and health meetings. (1) You must hold safety and health meetings at least monthly.

(2) A safety and health meeting must be held each time you move logging or timber felling operations to a new job site.

Note: When moving to a new job site, site specific hazards should be identified and discussed during the prejob safety meeting.

(3) Safety and health meetings may be conducted individually, in crew meetings, in larger groups, or as part of other staff meetings.

(4) Attendance and subject(s) must be documented.
