

WAC 296-823-16025 Provide information to the health care professional evaluating the employee. You must provide ALL of the following information to the health care professional evaluating an employee after an exposure incident:

- (1) A copy of WAC 296-823-160;
- (2) A description of the job duties the exposed employee was performing when exposed;
- (3) Documentation of the routes of exposure and circumstances under which exposure occurred;
- (4) Results of the source person's blood testing, if available;
- (5) All medical records that you are responsible to maintain, including vaccination status, relevant to the appropriate treatment of the employee.

Reference: Requirements for the health care professional's written opinion for hepatitis B vaccinations can be found in WAC 296-823-13010.

Note: You may meet the requirement to provide a copy of WAC 296-823-160 to the health care professional by giving them the <http://www.lni.wa.gov/rules/>, as long as their office has a computer and access to the labor and industries' website.
