

WAC 296-870-40010 Emergency action plan. (1) You must make sure a written emergency action plan is developed and implemented for each kind of working platform operation that contains at least both of the following:

(a) An explanation of the emergency procedures to be followed in the event of any of the following situations:

- (i) Power failure;
- (ii) Equipment failure;
- (iii) Other emergencies which may be encountered.

(b) That employees are informed about the building emergency escape routes, procedures and alarm systems.

(2) You must review with each employee those parts of the plan they need to know to protect themselves in the event of an emergency:

- (a) Upon initial assignment; and
- (b) Whenever the plan is changed.
