(a) Except as provided in this subsection (4)(a)(i), (ii), and (iii), after licensure the licensee must continue to disclose the source of all funds to be invested in the licensed business, including all funds obtained from financiers, prior to investing the funds into the licensed business.

(i) Revenues of the licensed cannabis business that are reinvested in the business do not require notification or vetting by the board.

(ii) Proceeds of a revolving loan where such loan has been approved by the board within the three previous years do not need to be vetted by the board, unless the source of the funds has changed or the approved loan amount has increased.

(iii) If the source of funds is an identified true party of interest on the license, or a previously approved financier associated with the license, or a previously approved revolving loan, the board will allow these funds to be used upon receipt of an application to use such funds. The board will then investigate the source of funds. If the board cannot verify the source of funds after reasonable inquiry, or the board determines that the funds were obtained in a manner in violation of the law, the board may take actions consistent with the provisions of this chapter.
