

WAC 352-65-060 What criteria will be used to evaluate continuation of approval of a boating safety program? The following criteria will be used to evaluate continuation of program approval:

(1) Assessment. State parks will conduct an assessment of the activities and expenditures of each approved boating safety program. The assessment will be based on approved program requirements as specified in this chapter and in the approved program agreement.

(2) Continuation of approval. Counties and local jurisdictions meeting the minimum program approval requirements will maintain approval.

(3) Revocation of approval. Those counties or local jurisdictions unable to demonstrate compliance with minimum approval requirements will have forty-five days to submit a plan satisfactory to state parks to remedy the deficiencies. If, after forty-five days, a county or local jurisdiction is unable to demonstrate its ability to meet minimum requirements, state parks may revoke the program approval after the county or local jurisdiction has had an opportunity for a hearing under chapter 34.05 RCW, the Administrative Procedure Act.

(4) Program changes. When state parks boating safety program approval requirements change, state parks may require a revised program description be submitted as specified in this chapter.
