(b) The stop placement order is terminated by a final agency order following appeal conducted in accordance with chapter 34.05 RCW.

(i) The deficiencies that necessitated the stop placement action have been corrected; and

(ii) The nursing home exhibits the capacity to maintain adequate care and services and correction of deficiencies.

(6) After lifting the stop placement, the department may continue to perform on site monitoring to verify that the nursing home has maintained correction of deficiencies.

(7) While a stop placement order is in effect, the department may approve a readmission to the nursing home from the hospital in accordance with RCW 18.51.060 (5)(b) and department guidelines for readmission decisions.
