(2) **Definitions.** The following definitions apply to this rule:

(a) **"Affiliated,"** for purposes of (e) of this subsection and subsection (3)(c) of this rule, means a person that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with another person.

(b) **"Consolidated financial institution group"** means all financial institutions that are affiliated with each other, as that term is defined in RCW 82.04.29004.

(c) **"Consolidated financial statement"** means a consolidated financial institution group's consolidated reports of condition and income filed with the Federal Financial Institutions Examination Council, or successor agency.

(d) **"Control"** means the possession, directly or indirectly, of more than 50 percent of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting shares, by contract, or otherwise.

(e) **"Financial institution"** has, for purposes of subsection (3)(c) of this rule, the same meaning as "financial institution" in RCW 82.04.29004:

(i) Any business entity chartered under Titles 30A, 30B, 31, 32, and 33 RCW, or registered under the Federal Bank Holding Company Act of 1956, as amended, or registered as a savings and loan holding company under the Federal National Housing Act, as amended;

(ii) A national bank organized and existing as a national bank association pursuant to the provisions of the National Bank Act, 12 U.S.C. Sec. 21 et seq.;

(iii) A savings association or federal savings bank as defined in the Federal Deposit Insurance Act, 12 U.S.C. Sec. 1813(b)(1);

(iv) Any bank or thrift institution incorporated or organized under the laws of any state;

(v) Any corporation organized under the provisions of 12 U.S.C. Sec. 611 through 631;

(vi) Any agency or branch of a foreign depository as defined in 12 U.S.C. Sec. 3101 that is not exempt under RCW 82.04.315;

(vii) A production credit association organized under the Federal Farm Credit Act of 1933, all of whose stock held by the Federal Production Credit Corporation has been retired;

(viii) Any business entity that receives gross income taxable under RCW 82.04.290, the voting interests in which are more than 50 percent owned, directly or indirectly, by any person or business entity described in (e)(i) through (vii) of this subsection other than a company taxable under chapter 48.14 RCW;

(ix)(A) A business entity that receives more than 50 percent of its total gross income for federal income tax purposes from finance leases. For purposes of this subsection, a "finance lease" means a lease that meets two requirements:

(I) It is the type of lease permitted to be made by national banks (see 12 U.S.C. Sec. 24(7) and (10), Comptroller of the Currency regulations, Part 23, leasing (added by 56 C.F.R. Sec. 28314, June 20, 1991, effective July 22, 1991), and Regulation Y of the Federal Reserve System 12 C.F.R. Part 225.25, as amended; and

(II) It is the economic equivalent of an extension of credit, i.e., the lease is treated by the lessor as a loan for federal income tax purposes. In no event does a lease qualify as an extension of credit where the lessor takes depreciation on such property for federal income tax purposes.

(B) For the definition in (e)(ix) of this subsection to apply, the average of the gross income in the current tax year and immediately preceding two tax years must satisfy the more than 50 percent requirement.

(x) Any other person, other than an insurance general agent taxable under RCW 82.04.280 (1)(e), an insurance business exempt from the business and occupation tax under RCW 82.04.320, a real estate broker taxable under RCW 82.04.255, a securities dealer or international investment management company taxable under RCW 82.04.290(2), that receives more than 50 percent of its gross receipts from activities that a person described in (e)(ii) through (vii) and (ix) of this subsection is authorized to transact.

(f) "**Gross income**" has the same meaning as "gross income of the business" in RCW 82.04.080 and generally includes gross proceeds of sales, compensation for services, gains realized from trading in stocks, bonds, or other evidences of indebtedness, interest, discount, rents, royalties, fees, commissions, dividends, and other emoluments however designated, all without any deduction for expenses or losses.

(g) "**Specified financial institution**" means a financial institution that is a member of a consolidated financial institution group that reported on its consolidated financial statement for the previous calendar year annual net income of at least \$1,000,000,000, not including net income attributable to noncontrolling interests, as the terms "net income" and "noncontrolling interest" are used in the consolidated financial statement. See RCW 82.04.29004.

(3) **B&O tax - Service and other activities.**

(a) **Gross income.** Generally, all gross income earned or received by a financial institution is subject to B&O tax under the service and other activities classification. By way of example, the following types of income are taxable under the service and other activities classification when earned or received by a financial institution: Interest; commissions; dividends; fees and carrying charges; charges for bookkeeping or data processing; safety deposit box rentals.

(b) **Deductions and exemptions.** The law allows certain deductions and exemptions from gross income to arrive at the taxable amount (the

amount upon which the B&O tax is computed). Deductions that may apply to financial institutions include the following:

(i) Dividends received by a parent from its subsidiary corporations. See RCW 82.04.4281.

(ii) Interest received on investments or loans primarily secured by first mortgages or trust deeds on nontransient residential properties. See RCW 82.04.4292.

(iii) Interest received on obligations of the state of Washington, its political subdivisions, and municipal corporations organized pursuant to the laws thereof. See RCW 82.04.4293. A deduction may also be taken for interest received on direct obligations of the federal government, but not for interest attributable to loans or other financial obligations on which the federal government is merely a guarantor or insurer.

(iv) Gross proceeds from sales or rentals of real estate.

(v) Amounts received by a cooperative finance organization where the amounts are derived from loans to rural electric cooperatives or other nonprofit or governmental providers of utility services organized under the laws of this state. For this purpose, "cooperative finance organization" means a nonprofit organization with the primary purpose of providing, securing, or otherwise arranging financing for rural electric cooperatives; and "rural electric cooperative" means a nonprofit, customer-owned organization that provides utility services to rural areas. This deduction takes effect July 1, 2023, and expires January 1, 2034. See RCW 82.04.4276.

(c) **Additional tax.** Beginning January 1, 2020, in addition to other taxes imposed under chapter 82.04 RCW, an additional tax is imposed on specified financial institutions. The additional tax is equal to the gross income of the business taxable under the service and other B&O tax classification, multiplied by a rate of 1.2 percent. See RCW 82.04.29004.

(i) The department may require a person believed to be a specified financial institution to disclose whether it is a member of a consolidated financial institution group and, if so, to identify all other members of its consolidated financial institution group.

(ii) The legislature has mandated that a person failing to comply with the department's authority to require disclosure as described in (c)(i) of this subsection is deemed to have intended to evade tax payable to the state and is subject to the penalty in RCW 82.32.090(7) on any tax due under RCW 82.04.29004. For additional information, see RCW 82.04.29004(4).

(4) **B&O tax - Retailing activities.**

(a) **In general.** Sales of tangible personal property and certain services are defined as "retail sales" and are subject to B&O tax under the retailing classification. Such sales are also subject to the retail sales tax, which the seller must collect and remit to the department. Transactions taxable as sales at retail are not subject to B&O tax under the service and other activities classification.

(b) **Examples.** Following are examples of transactions subject to the retailing classification of the B&O tax and to the retail sales tax:

- (i) Sales of meals or confections;
- (ii) Sales of repossessed merchandise;
- (iii) Sales of promotional material;
- (iv) Leases of tangible personal property;
- (v) Sales of check registers;
- (vi) Sales of coin banks;

(vii) Sales of personalized checks;

(viii) Escrow fees; and

(ix) Casual sales (occasional sales of depreciated assets such as used furniture and office equipment, subject to retail sales tax but deductible from the business and occupation tax, see WAC 458-20-106).

(c) **Sales for resale.** When a financial institution buys tangible personal property for resale to its customers without intervening use, the sales tax is not applicable. In this case the financial institution should give the vendor a reseller permit to document the whole-sale nature of any sale as provided in WAC 458-20-102 (Reseller permits).

(5) **Use tax.** The use tax complements the retail sales tax by imposing a tax of like amount on the use of tangible personal property purchased or acquired without payment of the retail sales tax. Thus, when office equipment or supplies are purchased or leased from an unregistered out-of-state vendor who does not collect the Washington state retail sales tax, the use tax must be paid directly to the department. Space for the reporting of this tax will be found on the excise tax return. For more information, see WAC 458-20-178.
