

**WAC 480-70-066 Accounting requirements.** (1) The commission publishes a uniform system of accounts (USOA) for solid waste collection companies. The commission supplies copies of the USOA on request.

(a) The USOA defines accounting, financial, and other procedures the commission uses to determine if rates are fair, just, reasonable, and sufficient.

(b) The USOA contains accounting definitions, listings, and explanations of balance sheet and income statement accounts.

(2) The commission recommends companies maintain their financial and accounting records in concurrence with the USOA. Regardless of what accounting system a company uses, the company must maintain its books and records in a manner sufficient to complete the commission-issued annual report form, using figures that reconcile with the USOA.
