

WAC 16-310-150 Interim accreditation. (1) The department may grant interim accreditation if the laboratory is unable to complete an audit for accreditation for a specific parameter, but all other requirements of accreditation have been satisfied.

(2) The department may also require the laboratory to submit analytical data packages as evidence of analytical capability to grant interim accreditation.

[Statutory Authority: RCW 69.50.348. WSR 24-13-102, § 16-310-150, filed 6/18/24, effective 7/1/24.]
