

WAC 132F-116-061 Parking fees. Seattle College District VI board of trustees shall adopt parking fees, specifying the charge per time period, day, quarter, and year. The fee structure shall be on file at individual college business offices and the district purchasing office.

Commuter services shall sell quarterly and yearly permits to the districts' employees and students. Students who are registered for six or more credits shall purchase parking at the student rate, even if the student is working as an employee of the college or district.

Commuter services may also sell hourly, daily, quarterly, and yearly permits at their discretion to regular visitors. A person who parks a vehicle in a metered parking space must pay for time used during posted times of operation.

Fees collected from the sale of parking permits shall be used to help offset the expenses of the district's commute trip reduction program, to help maintain the parking facilities at each campus, and to assist with funding of the positions necessary to enforce these parking rules and regulations, and other purposes deemed appropriate.
