

WAC 173-495-080 Permittee's report of operations—Requirement.

The permittee is required to maintain reports on all operations on a daily basis, and submit them twice a month (1st day and 15th day) to ecology. The semi-monthly reports must include the following information:

- (1) Number of days under contract;
- (2) Number of days of operation and number of hours of each day, for all stations operated;
- (3) The consumption rate and name of seeding agent used;
- (4) A brief summary statement evaluating the past fifteen day period in regard to the seeding potential and experience;
- (5) Location of operations;
- (6) Name and mailing address of each individual, other than the licensee, participating or assisting in the operation;
- (7) A brief statement of projected plans for the upcoming fifteen-day period;
- (8) The permittee shall, in the event operations are unexpectedly terminated, submit a special report covering the portion of the half-month period of operation. All reports must be post-marked not later than one day after due date;
- (9) All semi-monthly reports are public records, which are open to public inspection.
