

WAC 182-31-110 What options are available if a school employee is approved for the federal Family and Medical Leave Act (FMLA) or the paid family and medical leave program?

(1) A school employee on approved leave under the federal Family and Medical Leave Act (FMLA) may continue to receive the employer contribution toward school employees benefits board (SEBB) benefits in accordance with the federal FMLA. The school employee may also continue current supplemental life, supplemental accidental death and dismemberment (AD&D), and employee-paid long-term disability (LTD) insurance. The school employee's SEBB organization is responsible for determining if the school employee is eligible for leave under FMLA and the duration of such leave.

(2) A school employee on approved leave under the paid family and medical leave program under chapter 50A.05 RCW may continue to receive the employer contribution toward SEBB benefits in accordance with RCW 50A.35.020. The school employee may also continue current supplemental life, supplemental AD&D, and employee-paid LTD insurance. The employment security department is responsible for determining if the school employee is eligible for the paid family and medical leave program.

(3) If a school employee exhausts the period of leave approved under FMLA or paid family and medical leave, SEBB benefits may be continued by self-paying the premium and applicable premium surcharges set by the health care authority (HCA), with no contribution from the SEBB organization, as described in WAC 182-31-100(1).
