

**WAC 194-28-040 Assessment data.** For purposes of assessing and reporting use of electricity and biofuels, the department will use data collected and compiled annually by ecology on agency GHG emissions as directed by RCW 70.235.050. In the event that mandatory reporting of agency GHG emissions is repealed, the department will work with stakeholders to identify an efficient and effective alternate means of obtaining and reporting information needed to monitor compliance.

Given the findings of the underlying legislation and associated policies guiding agency use of alternative fuels and vehicles, the department intends to continue to monitor agency compliance beyond June 1, 2015.
