

WAC 246-70-040 Marijuana products compliant with this chapter.

To be classified as a compliant marijuana product, the product must meet all requirements of this chapter. Compliant marijuana products must fall into one of the following classifications:

(1) General use.

(a) "General use compliant product" means any marijuana product approved by the WSLCB and meeting the requirements of this chapter including edible marijuana-infused products and marijuana products with CBD/THC ratios that do not qualify as "high CBD compliant products" under subsection (3) of this section.

(b) General use marijuana-infused compliant products may be packaged in servings or applications containing up to ten milligrams of active THC. A unit must not contain more than ten servings or applications and must not exceed one hundred total milligrams of active THC.

(c) General use compliant products must be labeled "Chapter 246-70 WAC, Compliant - General Use" and must use the logo found in WAC 246-70-090 to indicate compliance with this chapter.

(d) General use compliant products may be purchased by any adult age twenty-one or older, and qualifying patients between the ages of eighteen and twenty who are entered into the database and hold a valid recognition card.

(e) General use compliant products may be sold at retail outlets and retail outlets with a medical marijuana endorsement.

(2) High THC.

(a) "High THC compliant product" means a marijuana product containing more than ten but no more than fifty milligrams of THC per serving or application and meeting the requirements of this chapter.

(b) The following is an exclusive list of marijuana products that may qualify for classification as a high THC compliant product:

(i) Capsules and tablets;

(ii) Tinctures;

(iii) Transdermal patches; and

(iv) Suppositories.

(c) No other marijuana products can be classified as a high THC compliant product or contain more than ten milligrams of active THC per serving or application.

(d) High THC compliant products may be packaged in servings or applications containing up to fifty milligrams of active THC. A unit must not contain more than ten servings or applications and must not exceed five hundred total milligrams of active THC.

(e) High THC compliant products must be labeled "Chapter 246-70 WAC Compliant - High THC" and must use the logo found in WAC 246-70-090 to indicate compliance with this chapter.

(f) High THC compliant products may be purchased only by qualifying patients age eighteen and older and designated providers who are entered into the database and hold a valid recognition card.

(g) High THC compliant products may be sold only at retail outlets with a medical marijuana endorsement.

(3) High CBD.

(a) "High CBD compliant product" means any marijuana product, except usable marijuana or other plant material intended for smoking, allowed by the WSLCB, including edibles, meeting the requirements of this chapter and containing the following ratios:

(i) Marijuana extracts containing not more than two percent THC concentration and at least twenty-five times more CBD concentration by weight.

(ii) Marijuana-infused edible products containing not more than two milligrams of active THC and at least five times more CBD per serving by weight for solids or volume for liquids.

(iii) Marijuana-infused topical products containing at least five times more CBD concentration than THC concentration.

(b) High CBD compliant products must be labeled "Chapter 246-70 WAC Compliant - High CBD" and must use the logo found in WAC 246-70-090 to indicate compliance with this chapter.

(c) High CBD compliant products may be purchased by any adult age twenty-one or older, and qualifying patients between the ages of eighteen and twenty who are entered into the database and hold a valid recognition card.

(d) High CBD compliant products may be sold at retail outlets and retail outlets with a medical marijuana endorsement.
