Individuals will only be allowed a stay of a suspension under this subsection once in a five-year period. If during the period of the stay a licensee or applicant violates the provisions of chapter 260-34 WAC, the violation for which the stay of suspension was entered will be considered as a prior violation for penalty purposes. Before being granted a stay of the suspension, the licensee or applicant must also agree to comply with the following conditions during the duration of the treatment program:

(i) Remain in compliance with the rehabilitation and/or treatment program as reported by a certified substance abuse counselor.

(ii) Submit to random drug or alcohol testing at the discretion of the board of stewards or commission investigators.

Upon completion of the rehabilitation or treatment program, the licensee or applicant must provide documentation of completion to the board of stewards. Upon making a determination that the licensee or applicant successfully completed the rehabilitation or treatment program, the board of stewards may direct that the final disposition of the violation will be that the licensee or applicant completed a treatment program in lieu of suspension.

(b) If the board of stewards finds that the licensee or applicant failed to comply with the conditions required in (a)(iii) of this subsection, the board of stewards may impose the original suspension. If the failure to comply with the conditions of the stay is a violation of chapter 260-34 WAC, the board of stewards may also hold a ruling conference for that rule violation and impose such penalty as is provided for that violation.
