

WAC 284-84-110 Filing requirements. (1) The actuarial memorandum which accompanies the policy filing shall list, among other things, the basis or modification of each table of maximum mortality charge to be used by the company; for example, male, female, and non-smoker, smoker, etc. It shall also include sufficient numerical data and other information employed by the company to identify the standard and substandard classes of insureds.

(2) For substandard issues, the commissioner must be supplied with a sample of the appropriate policy pages completed through each type of rating used by the company; for example, percentage of standard class premium, extra premium, temporary or permanent flat charge per thousand.
