

**WAC 296-150I-0120 Manufactured home installation permit and inspections—Obligation of the dealer and certified installer.** (1) A certified installer must assure that a placement permit for the manufactured home installation has been purchased from the local enforcement agency. The certified installer shall ensure that all required installation inspections, relative to the work performed by the certified installer, are completed.

(2) Installer certification does not eliminate any contractor registration requirements of chapter 18.27 RCW.

(3) An out-of-state manufactured/mobile home dealer who performs installation work must comply with the contractor registration requirements of chapter 18.27 RCW. The manufactured/mobile home dealer must employ at least one certified installer to supervise the installation.
