

WAC 314-55-106 Cannabis warning symbol requirement. The following requirements are in addition to the packaging and labeling requirements provided in WAC 314-55-105.

(1) Cannabis-infused products for oral ingestion sold at retail must be labeled on the principal display panel or front of the product package with the "not for kids" warning symbol ("warning symbol") created and made available in digital form to licensees without cost by the Washington poison center (WPC). The warning symbol may be found on the WPC's website.

(a) The warning symbol must be of a size so as to be legible, readily visible by the consumer, and effective to alert consumers and children that the product is not for kids, but must not be smaller than three-quarters of an inch in height by one-half of an inch in width; and

(b) The warning symbol must not be altered or cropped in any way other than to adjust the sizing for placement on the principal display panel or front of the product package, except that a licensee must use a black border around the edges of the white background of the warning symbol image when the label or packaging is also white to ensure visibility of the warning symbol.

(c) Licensees may download the digital warning symbol from the WPC and print stickers, or purchase and use a sticker made available by the WPC, in lieu of incorporating the warning symbol on the label or packaging as required under subsection (1) of this section. If a licensee elects to use a warning symbol sticker, the sticker:

(i) Must meet all requirements of (a) and (b) of this subsection; and

(ii) Must not cover or obscure in any way labeling or information required on cannabis products by WAC 314-55-105.

(2) All cannabis products sold at retail must be labeled on the principal display panel or front of the product package with the cannabis universal symbol ("universal symbol") created and made available in digital form to licensees without cost by the WSLCB. The digital file for the universal symbol is available on the WSLCB's website.

(a) The universal symbol must be of a size so as to be legible, readily visible by the consumer, and effective to alert consumers that the product is or contains cannabis, but must not be smaller than three-quarters of an inch in height by three-quarters of an inch in width;

(b) The universal symbol must not be altered or cropped in any way other than to adjust the sizing for placement on the principal display panel or front of the product package; and

(c) Licensees may download the digital universal symbol from the WSLCB's website and print stickers in lieu of incorporating the universal symbol on the label or packaging as required under (a) and (b) of this subsection. If a licensee elects to use a universal symbol sticker, the sticker:

(i) Must meet all requirements of this section; and

(ii) Must not cover or obscure in any way labeling or information required on cannabis products by WAC 314-55-105.

(3) For the purposes of this section, "principal display panel" means the portion(s) of the surface of the immediate container, or of any outer container or wrapping, which bear(s) the labeling designed to be most prominently displayed, shown, presented, or examined under conditions of retail sale. "Immediate container" means the external container holding the cannabis product.
