

WAC 388-818-0160 How do clients renew their application for telecommunications equipment? When renewing an application for telecommunications equipment, a client must:

- (1) Complete a new application, including recent information on total annual family income and family size; and
- (2) Go through the same procedures as first-time applicants (outlined in WAC 388-818-0090 through 388-818-0130).

[Statutory Authority: RCW 43.20A.725, 43.20A.720, 2001 c 210. WSR 03-05-100, § 388-818-0160, filed 2/19/03, effective 3/22/03.]
