

WAC 400-04-680 Appeals. There shall be no administrative appeals of partnership SEPA determinations. Any person may informally request, either orally or in writing, the responsible official to reconsider a determination. The official shall reconsider the determination and provide a response, but as this is not a formal appeal as described by RCW 43.21C.075 and WAC 197-11-680, the official is not required to make a record or furnish reasons for the decision. Any informal request to reconsider a partnership SEPA determination shall be made within thirty days of the determination.
