

WAC 463-47-060 Additional timing considerations. (1) The council will determine when it receives an application whether the proposal is an "action" and, if so, whether it is "categorically exempt" from SEPA. If the proposal is an action and is not exempt, the council will request the applicant to complete an environmental checklist. A checklist is not needed if the council and applicant agree an EIS is required, SEPA compliance has been completed, SEPA compliance has been initiated by another agency, or a checklist is included with the application. The applicant should also complete an environmental checklist if the council is unsure whether the proposal is exempt.

(2) The council may initiate an adjudicative proceeding required by RCW 80.50.090 prior to completion of the draft EIS.
