

WAC 504-13-600 Parking permits for persons with disability. (1)

The provisions of this chapter cover the purchase and display of parking permits and the payment of fees and fines associated with parking for persons with disability.

(2) For the purpose of this chapter, persons with disability shall refer to a person or persons with disability who qualify for a state-issued persons with disability parking identification and permit.

(3) The university uses the state persons with disability parking permit system to determine eligibility for a university persons with disability parking permit. Persons desiring to purchase a university persons with disability parking permit must present a valid state-issued persons with disability parking identification and permit.

(4) Unless otherwise authorized, parking in spaces designated for persons with disability requires a valid university persons with disability parking permit to park on campus. University parking permits for persons with disability are available at the green zone rate.

(5) Persons with a university persons with disability parking permit may park in a persons with disability parking space and any other, nonrestricted permit space within a parking permit zone.

(6) Persons with a university persons with disability parking permit may not park in restricted spaces with the exception of persons with disability parking spaces.

(7) Unless otherwise posted, any university parking permit to include a persons with disability parking permit is not valid in lieu of payment of regular posted fees in pay parking facilities.

(8) A state-issued persons with disability license plate, placard, or permit is valid in lieu of a university persons with disability parking permit in parking zones during times when a university permit is not required.

(9) The university intends to retain control of access to the pedestrian malls on campus. For that reason a university persons with disability parking permit is required in lieu of a state-issued persons with disability license plate, placard, or permit as authorization to use a pedestrian mall to access marked persons with disability parking spaces within the confines of a pedestrian mall.
