They are considered to be students for the purpose of these rules.

PART II: ENFORCEMENT

WAC 504-14-200 Enforcement authority. The university parking office staff and security officers are charged with the impartial en-

forcement of these regulations and have authority to issue parking tickets, to impound vehicles, and to control access to areas.

[Statutory Authority: RCW 28B.30.150. WSR 20-24-091, § 504-14-200, filed 11/25/20, effective 12/26/20; WSR 19-09-080, § 504-14-200, filed 4/17/19, effective 5/18/19; WSR 08-08-048, § 504-14-200, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-200, filed 8/24/01, effective 9/24/01.]

WAC 504-14-210 Times of enforcement. Parking regulations are subject to enforcement at all times.

(1) Parking permit areas. All parking permit zones are limited to authorized permit holders during all hours of the day. These hours are posted in each parking area at the entrance.

(2) Restricted spaces. These spaces are restricted for their designated purpose at all times unless signed otherwise:

- (a) Disability zones.
- (b) Load/unload.
- (c) Service.
- (d) Reserved.
- (e) Reserved (bagged) parking meters.
- (f) Pedestrian mall.

(g) Areas which are specially signed or physically set apart by barricades, traffic cones, tape, or other traffic devices.

(3) Parking metered spaces. Parking meters are in effect during the times posted on each meter. During these times the meter must be paid the posted amount. Additional time cannot be purchased beyond the meter's posted maximum time limit (e.g., a thirty-minute meter allows a maximum of thirty minutes to be purchased at one time). A motor vehicle which is parked at an expired parking meter is considered in violation initially, and after each period equal to the maximum time posted for the meter. In such case a parking ticket may be issued for each violation. For example, a vehicle parked at a meter with a two-hour maximum time limit for six hours and five minutes of continuous unpaid parking at the same meter would be eligible for up to three parking tickets.

(4) Pay parking facilities. Some parking areas provide parking on an hourly basis. Hours of operation and a schedule of fees are posted at the facility entrance and at the point of payment. Parking tickets are issued to vehicles that are parked over the duration of time that was paid and for nonpayment. Parking areas with parking meters are not considered pay parking facilities.

[Statutory Authority: RCW 28B.30.150. WSR 19-09-080, § 504-14-210, filed 4/17/19, effective 5/18/19; WSR 08-08-048, § 504-14-210, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-210, filed 8/24/01, effective 9/24/01.]

WAC 504-14-220 Signed and marked areas. (1) Parking on campus is allowed only in the marked and/or signed spaces in parking facilities. All other areas outside these designated areas are "no parking zones." Each parking facility has signs or markings to indicate the type of permit or payment required and the times they are required.

(2) Individual parking spaces are marked, and no vehicle may be parked so as to occupy any portion of more than one parking space. The fact that other vehicles were parked in a manner requiring a vehicle to occupy a portion of more than one space does not constitute an excuse for a violation of this regulation.

(3) Should there be a conflict between these regulations, map designation, and on-site signs regarding parking instructions, the on-site sign takes precedence.

(4) Permit areas and restricted spaces are not always signed individually.

(5) Standing (the stopping of a vehicle with the driver remaining in it) is allowed in marked parking spaces, except metered spaces and restricted spaces, even though the vehicle does not have a valid parking permit. Double parking while "standing" is not allowed.

[Statutory Authority: RCW 28B.30.150. WSR 19-09-080, § 504-14-220, filed 4/17/19, effective 5/18/19; WSR 08-08-048, § 504-14-220, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-220, filed 8/24/01, effective 9/24/01.]

WAC 504-14-250 Motorcycles and mopeds. (1) The general traffic regulations applicable to motor vehicles apply to motorcycles and mopeds. Motorcycles or mopeds may not be driven on sidewalks or in pedestrian mall areas. Owners of motorcycles and mopeds are responsible for all violations issued.

(2) The university classifies mopeds and motorcycles in accordance with the definitions established by the state of Washington for licensing purposes. See RCW 46.04.304 and 46.04.330.

(3) Mopeds. Mopeds may park in any parking area with a valid parking permit or at any bicycle rack unless the rack is signed to exclude mopeds.

(4) Motorcycles. Motorcycles must display a valid university parking permit at all times.

[Statutory Authority: RCW 28B.30.150. WSR 19-09-080, § 504-14-250, filed 4/17/19, effective 5/18/19; WSR 08-08-048, § 504-14-250, filed 3/27/08, effective 7/1/08. WAC 504-14-300 Financial responsibility for parking tickets.

(1) Each registered parking permit holder is financially responsible for parking tickets on vehicles:

(a) Registered with the parking office; and/or

(b) Displaying the registered parking permit holder's permit.

(2) Owners of vehicles are ultimately held financially responsible for parking tickets issued to their vehicle.

[Statutory Authority: RCW 28B.30.150. WSR 19-09-080, § 504-14-300, filed 4/17/19, effective 5/18/19; WSR 08-08-048, § 504-14-300, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-300, filed 8/24/01, effective 9/24/01.]

WAC 504-14-350 Use of areas for emergency, maintenance, events, construction, or special needs. WSUS reserves the right to close and/or restrict access to any campus parking area, roadway, and/or sidewalk at any time it is deemed necessary for maintenance, safety, events, construction, or to meet special needs. The parking office provides notice to users when possible.

Public safety, security, and maintenance personnel performing official duties may deviate from these regulations as required to conduct emergency procedures.

WAC 504-14-360 Liability. The university assumes no responsibility for the care and protection of any vehicle or its contents at any time the vehicle is on university property.

PART III: PARKING PERMITS

WAC 504-14-410 Issuance, use, and term of parking permits. Parking permits are issued by the parking office for available areas upon application and payment of the appropriate fees. The applicant may receive a parking permit and/or indicator which specifies parking area(s) where the vehicle may be parked. Permits are valid up to and including the expiration date on the permit.

[Statutory Authority: RCW 28B.30.150. WSR 19-09-080, § 504-14-410, filed 4/17/19, effective 5/18/19; WSR 08-08-048, § 504-14-410, filed 3/27/08, effective 7/1/08. WAC 504-14-420 Withholding of fines and fees. All parking permit applications must provide that the university may withhold unpaid fines and fees, when permitted by law, from any sums owed the permit holder and to treat the same as a debt.

[Statutory Authority: RCW 28B.30.150. WSR 19-09-080, § 504-14-420, filed 4/17/19, effective 5/18/19; WSR 08-08-048, § 504-14-420, filed 3/27/08, effective 7/1/08. WAC 504-14-440 Transfer of parking permit. A parking permit is generally not transferable, but exceptions can be made by parking operations as follows:

(1) An individual relinquishing ownership and the eligible purchaser appear in person at the parking office when requesting such a transfer;

(2) The former owner relinquishes all ownership or claim to the permit and pays all outstanding fines; and

(3) The new owner completes a new application form for the permit.

WAC 504-14-450 Replacement parking permits and indicators. (1) Sold or traded vehicles. Failure to advise the parking office of a sale or trade for registration purposes may result in continued responsibility to the permit holder for parking tickets received on vehicles.

The permit holder has responsibility for removing parking permits prior to selling or trading a vehicle. The identifiable remnants of the original permit must be presented to the parking office to receive a free replacement. Individuals failing to comply with this requirement must pay the cost of a new permit.

(2) Lost/stolen permits. Permit holders are responsible for the security of their permits. The theft or loss of a parking permit should be reported to the parking office immediately upon discovery. A lost or stolen permit may be replaced upon payment to the parking office of the cost of replacing the permit, according to a schedule adopted by the parking office. Lost or stolen permits must be returned to the parking office immediately if recovered.

(3) Access-control/gate card replacement. A lost, stolen, or damaged access-control/gate card is replaced upon payment to the parking office of the cost of replacing the access-control/gate card, according to a schedule adopted by the parking office.

WAC 504-14-460 False information. No individual may obtain, attempt to obtain, or use in a manner contrary to these regulations, a

modified or counterfeit parking permit or a permit issued upon false information. A violation of this section includes giving a false name, address, and/or other information known to be false. It also includes the use of a visitor, conference, and commercial permit by staff or students. Violation of this provision constitutes the illegal use of a parking permit and is subject to issuance of a parking ticket.

WAC 504-14-470 Recall or suspension of parking permits. Parking permits are the property of WSUS and may be recalled or suspended for violations of any of the following by the parking administrator when:

- (1) The purpose for which the permit was issued changes or no longer exists;
- (2) A permit is used on an unauthorized vehicle or by an unauthorized person;
- (3) A parking permit application is falsified;
- (4) A counterfeit, modified, or lost/stolen permit is used; or
- (5) The parking permit fee is unpaid.

WAC 504-14-510 Parking permits—General. (1) The university issues parking permits for designated areas of the campus. Any vehicle parked on the campus must clearly display a valid university parking permit in accordance with this chapter during the posted hours when and where permits are required. University staff and students may not use any other permit in lieu of a valid university parking permit.

(2) Inoperable vehicles. It is the owner's responsibility to immediately contact the parking office or campus security in the event that the owner's vehicle becomes inoperable when the vehicle is parked on campus.

WAC 504-14-520 Parking permits—Form and display. All parking permits must be displayed in the approved position on the vehicle with permit numbers and relevant dates visible. Vehicles with permits which are not displayed in accordance with the provisions of this section are subject to parking tickets for the violation of improperly displaying a permit.

(1) Autos and trucks. Permits must be displayed as instructed on the permit and/or by the parking office.

(2) Motorcycles must always prominently display a valid permit.

(3) Virtual permits. Certain parking permissions do not require that a permit be displayed. In those instances, the virtual permit is associated with the vehicle license plate registered.

(a) Vehicles must be parked so that the license plate is visible from the driving aisle.

(b) No covers may be placed over the license plate that would inhibit the reflectivity of the plate.

(c) The alphanumeric characters of the license plate must be visible and unobstructed by license plate frames and/or other accessories.

(d) Individuals with virtual permits must ensure their current vehicle is registered and associated with their virtual permit. This process can be accomplished at the parking office.

(e) A virtual permit with multiple registered vehicles on the same virtual permit does not allow for more than one motor vehicle to be parked on campus at the same time.

WAC 504-14-540 Zone parking permits—Availability and use.

Parking space is not guaranteed. The management and assignment of parking zones is designed to provide a parking space to each permit holder. However, uncontrolled access to parking areas and unexpected parking demand make it impossible to guarantee a parking space in a permit holder's purchased zone. Every effort is made via surveys and limits on permit sales, to ensure that permit holders are not displaced from their purchased zones. Parking zones are color-coded with respect to their price. Permit holders must park in their color-coded zone as described below.

(1) Orange permits. Orange permit holders may park in either orange or green zones.

(2) Green permits. Green permit holders must park in green zones only.

[Statutory Authority: RCW 28B.30.150. WSR 19-09-080, § 504-14-540, filed 4/17/19, effective 5/18/19; WSR 08-08-048, § 504-14-540, filed 3/27/08, effective 7/1/08. WAC 504-14-560 Other parking permits—Availability and use. (1)

Visitor permits. Visitor permits may be used only by bona fide visitors as defined by this chapter. Use by any other individual constitutes illegal use of a parking permit. Visitor permits are valid in any zone and parking spaces signed for visitor permits only. Visitor permits are not valid at meters or restricted spaces.

(2) Permits honored by reciprocal agreement. Permits from other universities, including other WSU campuses, may be used only if detailed in and allowed by a fully executed reciprocal agreement with WSU Health Sciences Spokane.

(3) Golden cougar permits. Golden cougar permits are special visitor permits that are issued to retired staff in recognition of their service without additional cost. They are issued on an annual basis and are valid in any zone. Staff who are employed by the university or by other entities located on campus after formal retirement are not eligible to use a golden cougar permit in lieu of a regular paid zone permit.

(4) President's associates decals. President's associates decals are issued to eligible members of the Washington State University foundation. Use of these decals for parking must be in accordance with a separate agreement between WSU and the WSU foundation. However, university faculty, staff, and students may not use a president's associates decal or any other parking benefit instrument in lieu of a paid zone permit.

(5) Event/conference permits. Event/conference permits are available to visitors who participate in events and/or conferences held on the WSUS campus. They are available on a daily basis only. Event/conference permits may be assigned to a specific zone.

(6) Construction permits. A construction permit is issued to personnel who are working on a construction site on campus. Construction permits are available on an annual, semester, quarter, or daily basis and may be assigned to a specific parking area.

(7) Carpool. Upon application, a bona fide carpool as defined by the campus policies and procedures may be given preference in the assignment of parking zones, and issued a permit that facilitates the carpool. Carpool permits, virtual or otherwise, may not use more than one registered motor vehicle on campus at the same time. Obtaining or using a carpool permit under false pretenses constitutes the illegal use of a permit.

WAC 504-14-580 Special indicator decals and hangers. Special indicator decals or hangers may be issued to staff and student permit holders who have otherwise valid parking permits in the following cases:

(1) A "service" virtual designation, indicator decal, or hanger is valid typically for a maximum of fifteen minutes in a marked service zone.

(2) A "mall service" virtual designation or indicator is valid typically for a maximum of fifteen minute parking in the pedestrian malls. These are available to staff or students who must use a private vehicle for university business. Mall service designations or indicators are typically issued on an annual or daily basis upon the approval of the parking administrator or their designee.

(3) A reserved parking virtual designation, indicator decal, or hanger is valid in parking spaces that are signed for the corresponding permit and indicator.

WAC 504-14-600 Parking permits for individuals with disability.

(1) The provisions of this chapter cover the purchase and display of parking permits and payment of fees and fines associated with parking for individuals with disability.

(2) For the purpose of this chapter, individuals with disability shall refer to individuals with disability who qualify for a state-issued individual with disabilities parking identification and permit as provided in chapter 308-96B WAC.

(3) The university uses the state individual with disabilities parking permit system to determine eligibility for disability parking.

(4) Unless otherwise authorized, parking in spaces designated for individuals with disability requires a WSU disability permit to park on campus.

(5) Individuals with disability desiring to purchase a university parking permit must present a valid state-issued individual with disabilities parking identification.

(6) Individuals with a WSU disability permit may park in an individual with disability parking space and any other, nonrestricted permit space within a parking permit zone.

(7) Individuals with a WSU disability permit may not park in restricted spaces with the exception of individuals with disability parking spaces.

(8) Unless otherwise posted, any university parking permit which includes a WSU disability permit is not valid in lieu of payment of regular posted fees in pay parking facilities.

(9) A state-issued individual with disabilities license plate, placard, or permit is valid in lieu of a WSU disability permit in parking zones during times when a university permit is not required.

(10) An individual with disability is eligible to purchase an orange permit at the green permit zone price.

WAC 504-14-650 Parking fees and fines. (1) Schedules for parking fees, parking administrative fees, late payment fees, parking fines and sanctions, parking meter rates, prorated and refund schedules, and the effective date thereof are submitted to the president or their designee and to the board of regents for approval by motion; provided, however, that increases in fees and fines do not exceed limits established by the board of regents. Increases in fees and fines that do not exceed limits established by the board of regents are not

submitted to the board of regents so long as the board of regents has delegated authority to the president or their designee to approve all such fees and fines. The schedules for all parking fees and fines described above for all parking fees and fines are thereafter posted in the public area of the parking office and posted on the university's parking website.

(2) Payments. Parking fees and fines may be paid at the parking office by cash, check, approved payment card, or money order. A payroll deduction plan is available for eligible university employees and eligible graduate students.

(3) The proper fee must be paid for all vehicles parking in parking meter spaces unless otherwise authorized.

(4) Refunds. Annual physical permits being relinquished must be returned to the parking office in person for a pro rata refund (if any is available) in accordance with university policy. Identifiable remnants of physical permits must be returned. In the case of annual virtual permits, the permit purchaser must notify the parking office in person or in writing that they want to relinquish the permit permissions for a pro rata refund (if any is available) in accordance with university policy. The balance of any fees and fines owed the parking office is deducted from any available refund due. Refunds for temporary permits are not granted. Refunds for pretax payroll deductions cannot be granted pursuant to federal tax laws.

(5) The parking office makes a wide array of options available in advance to university departments for use by their visitors, guests, and employees for the purpose of conducting departmental business. However, when necessary, university departments that can establish in writing that a parking ticket issued by the parking office was received as a result of parking any vehicle for the purpose of conducting official state business, or while conducting official business with the university or any entity located at the university are assessed a parking fee assessment (PFA) in lieu of the parking fine. Such requests for PFAs are signed by a department fiscal custodian. A PFA consists of the maximum daily parking fee plus an additional administrative fee for failing to purchase and provide the necessary parking permit or fee in advance or at the time of parking. University departments are encouraged to avoid additional administrative fees associated with PFAs by purchasing and storing prepaid parking permits and by making them available as the department deems necessary. Nothing in this regulation allows a university employee to receive, or attempt to receive, any benefit associated with their personal expenses in violation of the State Ethics Act. All questionable employee conduct regarding the application of this section is reported to, and investigated by, the university internal auditor. This section applies only to parking tickets issued pursuant to this chapter.

WAC 504-14-750 Reciprocal parking agreements. (1) Purpose. The university can enter into reciprocal parking agreements with other universities and Washington State University campuses for the purpose

of enhancing the accessibility to various campuses for faculty, staff, and students participating in various courses and programs.

(2) The university faculty, staff, and students assigned to, enrolled at, or who pay fees to the WSUS campus or employees of other entities located on the WSUS campus must legally display and/or possess a valid university parking permit when parking at the university. Any attempt by the above personnel to use a parking permit from another university campus in lieu of a valid WSUS permit may result in a fine for illegal use of a parking permit.

PART IV: FINES, SANCTIONS, AND APPEALS

WAC 504-14-810 Violations, fines, and sanctions. (1) Violations and fines. Parking violations are processed by the university. Fines must be paid at the parking office or at other authorized locations by mail, or from the university's parking website. Schedules for parking violations, fines, and sanctions are posted in the public area of the parking office and on the university's parking website.

(2) Reduction of fines. Internal policies regarding disposition of parking tickets may be established on approval of the chancellor or designee whose responsibilities include supervision of the parking office.

(3) Inoperable vehicles. It is the owner's responsibility to immediately contact the parking office in the event that the owner's vehicle becomes inoperable when the vehicle is present on campus.

(4) Payment of parking fines.

(a) All parking fines are due upon issuance of a parking ticket. Thirty days after date of issuance of a parking ticket, a late fee is added to all unpaid parking fines. For example, a parking ticket issued on May 1st is assessed a late fee on May 31st.

(b) Failure to pay the fine and fee assessed for any violation results in referral to the university controller's office for internal collection.

(c) Account balances not paid to the university voluntarily may be forwarded to an external collections agency and are subject to additional collection fees of up to fifty percent, attorney's fees, and court costs when necessary.

(d) Where collection efforts are unsuccessful, the controller or designee may notify the registrar to refrain from issuing student transcripts or to withhold permission to reenroll for a subsequent term until outstanding fines and fees are paid.

(e) The procedures discussed above are not exclusive, however, and failure by anyone to pay fines and fees may also lead to towing or use of the vehicle immobilization device described in these regulations. Nor are the procedures discussed above a precondition to towing or use of the vehicle immobilization device.

(5) Failure to pay fines. Failure to pay a fine or comply with other penalties assessed pursuant to these regulations, and exhausting or failing to exercise appeals provided for in these regulations, may result in the inability to renew a vehicle license through the state pursuant to RCW 46.16.216.

WAC 504-14-860 Appeal procedures. The parking ticket represents a determination that a parking violation has been committed and the determination is final unless otherwise provided for or appealed as provided in this chapter.

(1) Purpose. The parking appeals process serves three primary functions:

(a) To hear parking ticket appeals;

(b) To hear appeals of vehicle immobilization eligibility determination; and

(c) To hear appeals of impoundments.

(2) Procedure. Any individual who has received a parking ticket may appeal the alleged parking violation. Appeal of vehicle immobilization eligibility determinations and impoundments are described in WAC 504-14-865 and 504-14-870.

(3) Written parking ticket appeals. The appeal must be in writing and received at the parking office within ten calendar days of issuance of the parking ticket. Online forms for this purpose are available from the parking office. The parking appeals committee makes an initial decision regarding the appeal within twenty calendar days during the academic year and within thirty calendar days during the summer months after receipt of the appeal. The committee provides a brief statement of the reason for its decision to the appellant within ten calendar days of the decision.

(4) Review hearing of initial decision. If the appellant is dissatisfied with the initial decision, the appellant may request a hearing before a hearing officer or the parking appeals committee. Such a request must be made within ten calendar days of the date of the initial parking appeals committee decision. If no such request is received, the initial decision is final. During the hearing the appellant and representatives of the parking office may present and cross-examine witnesses. The hearing officer or appeals committee must render a decision in writing and provide appellant with the decision within ten calendar days after the hearing.

(5) Appeal to district court. RCW 28B.10.560 provides that an individual who is not satisfied with the final decision of the university may appeal to district court. The application for appeal to district court must be in writing and must be filed at the parking office within ten calendar days after the date of the review hearing. The parking office forwards the documents relating to the appeal to the district court.

PART V: IMPOUNDMENT OF VEHICLES

WAC 504-14-865 General. (1) Pursuant to the provisions of this chapter, an officer must cause a vehicle to be vehicle immobilized, or towed, or both, if:

(a) The vehicle is on the vehicle immobilization-eligible list;
or

(b) The vehicle displays a lost, stolen, or counterfeit parking permit.

(2) Any vehicle may be towed away at owner's/operator's expense if the vehicle:

(a) Has been immobilized by a vehicle immobilization device for more than twenty-four hours; or

(b) Is illegally parked in a marked tow-away zone; or

(c) Is a hazard or obstruction to vehicular or pedestrian traffic (including, but not limited to, vehicles parked at curbs or rails painted yellow or red or in crosswalks); or

(d) Cannot be immobilized with a vehicle immobilization device;
or

(e) Is illegally parked in a disability space; or

(f) Is parked in an area designated to be used for emergencies, maintenance, events, or construction; or

(g) Is otherwise illegally parked based on the executive authority of the parking office or university security.

(3) The driver and/or owner of a towed vehicle must pay towing and storage expenses.

(4) Any vehicle immobilized by use of a vehicle immobilization device in excess of twenty-four hours is assessed a storage fee for each calendar day or portion thereof, beyond the first twenty-four hours.

(5) The university assumes no responsibility in the event of damages resulting from towing, use of vehicle immobilization devices, storage, or attempts to move a vehicle with a vehicle immobilization device installed.

(6) No vehicle impounded by towing or vehicle immobilization devices is released until the following fines are paid in cash or with an approved payment card:

(a) All unpaid parking ticket fines and late fees against said vehicle and any other vehicle registered to the violator and/or owner;

(b) A vehicle immobilization fee; and

(c) All towing and storage fees.

(7) An individual wishing to challenge the validity of any fines or fees imposed under this chapter may appeal such fines or fees as provided in WAC 504-14-860. However, in order to secure release of the vehicle, such individual must pay the amount of such fines or fees as a bond which is refunded to the extent the appeal is successful.

(8) An accumulation of six unpaid violations during any twelve-month period, exclusive of overtime at parking meter violations, and overtime in time zone violations, subjects the violator to revocation or denial of parking privileges. WAC 504-14-870 Vehicle immobilization-eligible list. (1) The parking administrator is responsible for creating and maintaining the vehicle immobilization-eligible list. See definition of "vehicle immobilization-eligible vehicle" under WAC 504-14-100(48).

(2) A vehicle immobilization-eligible vehicle is placed on the vehicle immobilization-eligible list after notice has been issued as provided in subsection (3) of this section and an appeal of the vehicle immobilization eligibility determination, if requested, under subsection (4) of this section.

(3) At least ten days prior to placing a vehicle on the vehicle immobilization-eligible list, the parking administrator must mail a notice to the owner. The parking administrator mails the notice to the address stated on the most current registration records available to the university from a state, or any more current address of which the parking administrator has actual written notice. The notice is sent by first class United States mail, postage prepaid. The notice must set forth:

(a) The make and license plate number of the alleged vehicle immobilization-eligible vehicle.

(b) A specified date on which the vehicle immobilization-eligible vehicle is subject to placement on the vehicle immobilization-eligible list.

(c) A list of the three or more alleged unpaid parking tickets, including the parking ticket number, date, time, place of the violation, and the nature of the violation. This list must include all unpaid parking tickets issued to a particular vehicle to include the payment of fines and fees related to parking tickets not yet eligible for late fees.

(d) That the owner may avoid the placement of the vehicle on the vehicle immobilization-eligible list by making payment in full of fines and late fees on all unpaid parking tickets to include the payment of fines and fees related to parking tickets not yet eligible for late fees by the specified date on which the vehicle is subject to placement on the vehicle immobilization-eligible list.

(e) The name, mailing address (and street address if different), and telephone number of the parking office that may be contacted to appeal the vehicle immobilization eligibility determination. Such an appeal only considers whether an individual vehicle was properly placed on the vehicle immobilization-eligible list and not the merits of an individual parking ticket, which may be addressed pursuant to a separate appeals process described in WAC 504-14-860.

(f) That the vehicle is subject to vehicle immobilization, towing, or both once it is placed on the vehicle immobilization-eligible list.

(g) That all late fees, vehicle immobilization fees, towing, and storage fees are payable in full to obtain the release of a vehicle immobilized or towed pursuant to this chapter in addition to payment of any and all unpaid parking tickets on this vehicle or other vehicles owned by the registered owner to include the payment of fines and fees related to parking tickets not yet eligible for late fees.

(4) If a request for an appeal of a vehicle immobilization eligibility determination is received by the parking administrator before the specified date in the notice for placement of the vehicle on the vehicle immobilization-eligible list, then the parking administrator must afford the owner an opportunity to appeal the vehicle immobilization eligibility determination prior to the placing of a vehicle on the vehicle immobilization-eligible list. Although the parking administrator does not have the authority to adjudicate the merits of any parking ticket, they must, however, receive evidence and other input from the owner appealing the vehicle immobilization eligibility determination that the notice given under subsection (3) of this section was erroneous or based on erroneous information.

(5) If an owner timely participates in the appeal as scheduled by the parking administrator, the administrator must furnish the owner written notice of their decision prior to placing the vehicle on the vehicle immobilization-eligible list.

(6) After the specified date provided in the notice issued under subsection (3) of this section, the parking administrator must review the records to ensure that the alleged unpaid parking tickets have not been paid or otherwise resolved, and that no information has been received indicating that the notice was erroneous.

(7) Once a vehicle has been placed on the vehicle immobilization-eligible list, it must not be removed from the list unless and until:

(a) The fines and fees on all unpaid parking tickets issued during the time it has been registered to or otherwise held by the owner are paid or otherwise resolved to include the payment of fines and fees related to parking tickets not yet eligible for late fees;

(b) The parking administrator receives reliable information that title to the vehicle has been transferred; or

(c) The parking administrator determines that the placement of the vehicle on the vehicle immobilization-eligible list was erroneous.

(8) If a vehicle is not properly registered in any state or no registration information is available to the university and the vehicle is vehicle immobilization eligible, then notice is provided by posting on the vehicle a conspicuous notice, which must set forth:

(a) A description of the alleged vehicle immobilization-eligible vehicle;

(b) A specified date on which the vehicle immobilization-eligible vehicle is subject to placement on the vehicle immobilization-eligible list;

(c) That the owner may avoid placement of the vehicle on the vehicle immobilization-eligible list by making payment in full of fines and late fees on all unpaid parking tickets to include the payment of fines and fees related to parking tickets not yet eligible for late fees by the specified date certain on which the vehicle is subject to placement on the vehicle immobilization-eligible list; and

(d) That the vehicle is subject to vehicle immobilization, towing, or both once it is placed on the vehicle immobilization-eligible list.

(9) An officer must attempt to provide vehicle immobilization on any vehicle which appears on the vehicle immobilization-eligible list when parked, lawfully or unlawfully, on campus.

(10) The parking administrator must ensure officers are on duty or services are available to remove vehicle immobilization devices from vehicles Monday through Friday between 8:00 a.m. and 5:00 p.m.; except during recognized holidays.
