CITATION

Cite all material in the Washington State Register by its issue number and sequence within that issue, preceded by the acronym WSR. Example: the 37th item in the August 5, 1981, Register would be cited as WSR 81-15-037.

PUBLIC INSPECTION OF DOCUMENTS

A copy of each document filed with the code reviser's office, pursuant to chapter 34.05 RCW, is available for public inspection during normal office hours. The code reviser's office is located on the ground floor of the Legislative Building in Olympia. Office hours are from 8 a.m. to 5 p.m., Monday through Friday, except legal holidays. Telephone inquiries concerning material in the Register or the Washington Administrative Code (WAC) may be made by calling (360) 786-6697.

REPUBLICATION OF OFFICIAL DOCUMENTS

All documents appearing in the Washington State Register are prepared and printed at public expense. There are no restrictions on the republication of official documents appearing in the Washington State Register. All news services are especially encouraged to give wide publicity to all documents printed in the Washington State Register.

STYLE AND FORMAT OF THE WASHINGTON STATE REGISTER

1. ARRANGEMENT OF THE REGISTER

The Register is arranged in the following six sections:

- (a) **PREPROPOSAL**-includes the Preproposal Statement of Inquiry that will be used to solicit public comments on a general area of proposed rule making before the agency files a formal notice.
- (b) **PROPOSED**-includes the full text of formal proposals, continuances, supplemental notices, and withdrawals.
- (c) **PERMANENT**-includes the full text of permanently adopted rules.
- (d) **EMERGENCY**-includes the full text of emergency rules and rescissions.
- (e) **MISCELLANEOUS**-includes notice of public meetings of state agencies, rules coordinator notifications, summaries of attorney general opinions, executive orders and emergency declarations of the governor, rules of the state Supreme Court, and other miscellaneous documents filed with the code reviser's office under RCW 34.08.020 and 42.30.075.
- (f) **TABLE**-includes a cumulative table of the WAC sections that are affected in the current year.
- (g) **INDEX**-includes a combined subject matter and agency index.

Documents are arranged within each section of the Register according to the order in which they are filed in the code reviser's office during the pertinent filing period. The three part number in the heading distinctively identifies each document, and the last part of the number indicates the filing sequence with a section's material.

2. PRINTING STYLE—INDICATION OF NEW OR DELETED MATERIAL

RCW 34.05.395 requires the use of certain marks to indicate amendments to existing agency rules. This style quickly and graphically portrays the current changes to existing rules as follows:

- (a) In amendatory sections—
 - (i) underlined material is new material;
 - (ii) deleted material is (~~lined out between double parentheses~~);
- (b) Complete new sections are prefaced by the heading **NEW SECTION**;
- (c) The repeal of an entire section is shown by listing its WAC section number and caption under the heading **REPEALER**.

3. MISCELLANEOUS MATERIAL NOT FILED UNDER THE ADMINISTRATIVE PROCEDURE ACT

Material contained in the Register other than rule-making actions taken under the APA (chapter 34.05 RCW) does not necessarily conform to the style and format conventions described above. The headings of these other types of material have been edited for uniformity of style; otherwise the items are shown as nearly as possible in the form submitted to the code reviser's office.

4. EFFECTIVE DATE OF RULES

- (a) Permanently adopted agency rules normally take effect thirty-one days after the rules and the agency order adopting them are filed with the code reviser's office. This effective date may be delayed or advanced and such an effective date will be noted in the promulgation statement preceding the text of the rule.
- (b) Emergency rules take effect upon filing with the code reviser's office unless a later date is provided by the agency. They remain effective for a maximum of one hundred twenty days from the date of filing.
- (c) Rules of the state Supreme Court generally contain an effective date clause in the order adopting the rules.

5. EDITORIAL CORRECTIONS

Material inserted by the code reviser's office for purposes of clarification or correction or to show the source or history of a document is enclosed in [brackets].

²A filing of any length will be accepted on the closing dates of this column if it has been prepared and completed by the order typing service (OTS) of the code reviser's office; see WAC 1-21-040. Agency-typed material is subject to a ten page limit for these dates; longer agency-typed material is subject to the earlier non-OTS dates.

³At least twenty days before the rule-making hearing, the agency shall cause notice of the hearing to be published in the Register; see RCW 34.05.320(1). These dates represent the twentieth day after the distribution date of the applicable Register.

⁴A minimum of forty-five days is required between the distribution date of the Register giving notice of the expedited adoption and the agency adoption date. No hearing is required, but the public may file written objections. See RCW 34.05.230, as amended by section 202, chapter 409, Laws of 1997.

REGULATORY FAIRNESS ACT

The Regulatory Fairness Act, chapter 19.85 RCW, was enacted in 1982 to minimize the impact of state regulations on small business. Amended in 1994, the act requires a small business economic impact analysis of proposed rules that impose more than a minor cost on twenty percent of the businesses in all industries, or ten percent of the businesses in any one industry. The Regulatory Fairness Act defines industry as businesses within a four digit SIC classification, and for the purpose of this act, small business is defined by RCW 19.85.020 as "any business entity, including a sole proprietorship, corporation, partnership, or other legal entity, that is owned and operated independently from all other businesses, that has the purpose of making a profit, and that has fifty or fewer employees."

Small Business Economic Impact Statements (SBEIS)

A small business economic impact statement (SBEIS) must be prepared by state agencies when a proposed rule meets the above criteria. Chapter 19.85 RCW requires the Washington State Business Assistance Center (BAC) to develop guidelines for agencies to use in determining whether the impact of a rule is more than minor and to provide technical assistance to agencies in developing a SBEIS. All permanent rules adopted under the Administrative Procedure Act, chapter 34.05 RCW, must be reviewed to determine if the requirements of the Regulatory Fairness Act apply; if an SBEIS is required it must be completed before permanent rules are filed with the Office of the Code Reviser.

Mitigation

In addition to completing the economic impact analysis for proposed rules, state agencies must take reasonable, legal, and feasible steps to reduce or mitigate the impact of rules on small businesses when there is a disproportionate impact on small versus large business. State agencies are encouraged to reduce the economic impact of rules on small businesses when possible and when such steps are in keeping with the stated intent of the statute(s) being implemented by proposed rules. Since 1994, small business economic impact statements must contain a list of the mitigation steps taken, or reasonable justification for not taking steps to reduce the impact of rules on small businesses.

When is an SBEIS Required?

When:

The proposed rule has more than a minor (as defined by the BAC) economic impact on businesses in more than twenty percent of all industries or more than ten percent of any one industry.

When is an SBEIS Not Required?

When:

The rule is proposed only to comply or conform with a federal law or regulation, and the state has no discretion in how the rule is implemented;

There is less than minor economic impact on business;

The rule **REDUCES** costs to business (although an SBEIS may be a useful tool for demonstrating this reduced impact);

The rule is adopted as an emergency rule, although an SBEIS may be required when an emergency rule is proposed for adoption as a permanent rule; or

The rule is pure restatement of state statute.

Subject of Possible Rule Making: Revision of existing address confidentiality program administrative rules to implement the changes required in chapter 138, Laws of 1998 (SHB 2351).

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 40.24.090.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The rules are needed to implement recent legislation and to reflect administrative changes necessary to administer the address confidentiality program. The original administrative rules were written before the program existed.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: No other state or federal agencies regulate the address confidentiality program.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication. Interested parties are encouraged to contact Margaret McKinney, Program Manager, Address Confidentiality Program, P.O. Box 69, Olympia, WA 98507-0069, (360) 586-4386 or toll-free inside Washington (800) 662-1085/(800) 664-9677 TTY.

Subject of Possible Rule Making: Revisions to chapter 16-86 WAC, Brucellosis, tuberculosis and scrapie in sheep and goats, pilot rule.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 16.36.040.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: A pilot rule project to allow veterinarians to vaccinate female cattle older than twelve months of age (mature) with RB-51 brucella vaccine. This will be of economic benefit to cattle producers and will maintain the brucellosis immunity level of the collective state herd.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: United States Department of Agriculture biologics license all biologics. Present labeling allows adult vaccination with permission of state authorities.

Process for Developing New Rule: Pilot rule making, a pilot project with volunteer veterinarians will be instituted by June 1, 1998, and end November 1, 1998, to evaluate changing vaccination rules in chapter 16-86 WAC to allow mature brucellosis vaccination.

Briefing Memo - Brucellosis Vaccine Pilot Rules

Attached to this memo is a copy of proposed changes to Washington Administrative Code (WAC) 16-86 which will constitute pilot rules for a pilot rule-making project which will begin June 1, 1998 and end November 30, 1998. Additional changes to chapter 16-86 WAC which are not part of the pilot rule project will be submitted to the register at the end of the project. Volunteer veterinarians and public livestock markets are needed to participate in a pilot rule project pertaining to RB-51 brucellosis vaccination for the duration of the project. At that time the pilot project will be evaluated with regards to whether the rules should be made permanent rules.

Pilot rule making is the development of methods for measuring and testing the feasibility of complying with or administering new rules or amendments through the use of volunteer groups. In this case volunteer veterinarians and livestock markets may comply with the pilot project rules between the designated dates of the pilot project rather than the present vaccination rules as presented in chapter 16-86 WAC. Such veterinarians or livestock markets must submit the attached agreement on their clinic letterhead agreeing to the instructions for vaccinating female cattle older than twelve months of age and submitting the required reports and surveys.

The following criteria for mature vaccination by volunteer veterinarians and livestock markets will be in place during the pilot project:

a. Nonpregnant female cattle may be vaccinated at ages exceeding the calfhooed vaccination ages of 4 to 12 months with RB-51 brucellosis vaccine.

b. The mature dosage is a 2cc dose containing approximately 1 billion organisms. This is 1/10 of the calfhooed dose. The calfhooed 2cc dose contains 10 to 34 billion organisms. Special vials of diluent for making the final dilution must be obtained from the manufacturer. 18 cc of diluent added to 2 cc of calfhooed concentration will give ten doses (2cc per dose) of mature dose vaccine. Calfhooed doses must not be given to mature animals.

c. For the duration of the pilot project we are asking that a blood sample for brucellosis testing be submitted for each mature vaccinate. Veterinarians may vaccinate the animal prior to getting laboratory results but we need to try to identify animals which may have lost their identity as a vaccinate (tattoo has faded and orange eartag lost).

d. Identify pregnant animals and do not vaccinate such animals until after they calve. We are suggesting within 45 days of calving. There is no milk withhold time for the vaccine but the withhold from slaughter is still three weeks so [to] be sure animals on their way to slaughter within that time are not vaccinated with RB-51 vaccine.

e. Tattoo in the right ear with M, V shield, and 8 for the duration of the pilot project. The eight stands for the last digit of 1998.

f. Place the regular orange vaccination tag and a plain (silver color) identification tag in the right ear. The double tagging in the right ear will help to visually identify mature

vaccinates without reading ear tattoos. Enter both tag numbers on the vaccination report.

g. Submit vaccination reports within ten days to the office of the state veterinarian. Attach a copy of part 4 or pink copy of the Brucellosis Test Record to show that blood was drawn for brucellosis testing. However, be sure to send the rest of the test record and blood to the laboratory, *not* to the state veterinarian's office.

h. Report monthly any unusual or untoward occurrences with the use of RB-51 vaccine on mature animals.

i. Complete a critique survey at the end of the pilot project.

IMPLEMENTATION PLAN FOR PILOT RULES

Chapter 16-86 WAC

1. When and how may affected veterinary practices volunteer to be part of the pilot project? Veterinarians or veterinary practices may volunteer by filling out application information on their letterhead and forwarding the information to the office of the state veterinarian any time after the distribution of the information packets. Volunteers will be accepted into the project any time from the time the application information is distributed until the end of the project.

2. How may volunteer veterinarians or veterinary practices terminate from the project? Any volunteer may terminate from the pilot project by sending a letter of resignation to the office of the state veterinarian.

3. When and how will affected parties be notified?

a. A packet of information will be sent to all large animal practices during the last week of April 1998.

b. All known cattle practices will be visited personally by area veterinarians in the month of May 1998.

c. A news release will be issued in the first week of May 1998.

d. A CR-101 and briefing memo including the pilot rules and implementation plan will be entered for publication in the Washington State Register.

4. What are the estimated dates and locations of informational meetings with volunteers? Initial meetings will be setup by the area veterinarians during the month of May 1998 to brief local groups of veterinarians in their areas on the details of the program.

During the months of June and July 1998, the state veterinarian and assistant state veterinarian will arrange local Veterinary Medical Association meetings to answer questions on the progress of the pilot program in its initial stages.

5. What is the beginning date of the pilot rules? June 1, 1998.

6. What are the reporting dates by volunteers?

a. Vaccination reports must be filed with the office of the state veterinarian within 10 days of vaccinating mature female bovines. A copy of the brucellosis test submission record, VS 4-33, should be submitted with the vaccination record. The vaccination record should show that a pregnancy examination was performed prior to vaccination.

b. Unusual or untoward occurrences encountered with the use of the vaccine to vaccinate mature bovine females

must be filed with the office of the state veterinarian for each month by the 10th of the following month.

c. Final critique forms must be filed by December 15, 1998, following the end of the pilot program on November 30, 1998.

d. Any abortions of mature vaccinates must be reported to the office of the state veterinarian the next working day after the veterinarian has knowledge of the abortion.

7. What is the completion date of the pilot rules? November 30, 1998.

8. What is the final report date on the collected information and evaluation of the feasibility of the rule? December 31, 1998.

9. When will volunteers and affected parties be notified on the results of the final report? As soon as possible after December 31, 1998, and before the hearing date on January 18, 1999.

10. What is the anticipated filing date of the CR-102 proposed rules? If preliminary review of the collected information and the final report warrants, the CR-102 will be filed on December 16, 1998.

PILOT RULE MAKING - CHAPTER 16-86 WAC BRUCELLOSIS, TUBERCULOSIS, AND SCRAPIE IN CATTLE, GOATS AND SHEEP

- I. Stakeholders
Cattle and Mixed Practice Large Animal Veterinarians
Dairy Farmers
Beef Farmers
Livestock Markets
Livestock Dealers
Organizations representing the listed groups.

Input from the stakeholder groups has been nearly unanimous in asking for the proposed rule changes since brucellosis vaccine RB-51 was conditionally licensed by USDA effective March 1, 1996.

II. Report on other state and federal jurisdictions (Document A)

There are no other Washington state or local entities that regulate brucellosis vaccination activities.

The federal rules on vaccination do not require brucellosis vaccination in brucellosis free states. Washington has held free status since 1988. The Washington cattle industries wish to maintain a high level of immunity within their herds regardless of the status of the rest of the country. Brucellosis in the Yellowstone bison and elk herd will be a threat to Washington cattle long after the country is free of the disease in cattle herds. Chapter 16.36 WAC as amended in 1998 allows animal health rules to be more restrictive than federal rules.

The proposal by Washington state to allow vaccination above 12 months of age with the adult dose of RB-51 brucellosis vaccine was presented to most of the state veterinarians from the western states at the Western States Livestock Health Association in March 1998 at Denver, Colorado. Response to the proposal presented to them by both Washington and Oregon state veterinarians was primarily positive. South Dakota did have reservations based on the fact that the

country's livestock will soon be free. Why then extend the amount of vaccination, which is being done. Should we not rather reduce the vaccination level rather than facilitating it? The northwest states of Oregon, Idaho and Washington all agreed that the industries of those states would not reduce the level of vaccination for many years after the country is shown to be free of the disease. In the mean time we need to reduce the waste of good nonvaccinated animals being sent to slaughter just because they cannot be vaccinated.

PLAN FOR MEASURING AND TESTING PILOT RULE
Chapter 16-86 WAC - Brucellosis Vaccination Sections

Methods for measuring and testing feasibility of complying with or administering the rule:

1. **When will the pilot rules be implemented?** June 1, 1998, to continue to November 30, 1998.
2. **What will be measured to determine the effectiveness of the rule?**
 - a. The number of mature vaccinations administered during the pilot program.
 - b. The number of abnormal reactions reported in vaccinated animals.
 - c. The number of mature vaccinates sold or resold at public livestock markets.
 - d. Comments from neighboring states concerning the acceptance of such vaccinates into their states.
3. **How will the effectiveness or feasibility of rule be measured?** By the number of anticipated or unanticipated problems with the mature vaccination and the exemption of pregnant animals until 45 days post parturition. Problems should decrease with each succeeding month of the project. Some shake down problems are expected early on in the pilot program until all veterinarian volunteers thoroughly understand the procedures.
4. **Volunteers will be required to make the following timely reports:**
 - a. File with the state veterinarian's office VS Form 4-26 "Brucellosis Vaccination Record" within ten days of vaccinating mature animals.
 - b. File monthly with the state veterinarian's office a written report of any unusual or untoward occurrences encountered with use of RB-51 mature vaccine on uninfected mature cattle.
 - c. Submit a final critique form at the end of the pilot program evaluating the use of RB-51 vaccine in this manner.
 - d. Any abortions reported in animals inadvertently vaccinated when pregnant must be reported immediately to the state veterinarian and will be handled as a possible case of human exposure to a virulent brucellosis organism.
5. **How will the small business requirements for pilot rule making (RCW 34.05.313(4)) be met?** It is anticipated that approximately 100 small businesses could be affected by the pilot rule. It is a good assumption that the majority of those businesses will volunteer to participate in the pilot program. It is anticipated that there will be only one business affected that would have over fifty employees (the WSU, School of Veterinary Medicine). Very few would have up to

twenty-six employees. The majority of the volunteers will be in the category of zero to ten employees.

6. When will the final report be prepared and written? The final report will be prepared and written by December 31, 1998.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Dr. Robert W.  [Filed May 12, 1998, 9:09 a.m.]

Subject of Possible Rule Making: Adoption of notice filing procedures pursuant to section 12 of SB 6202 (chapter 15, Laws of 1998).

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 21.20.450; section 12 of SB 6202 (chapter 15, Laws of 1998).

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Section 12 of SB 6202 (chapter 15, Laws of 1998) grants to the director the power to adopt rules governing the filing requirements for federal covered securities pursuant to the National Securities Markets Improvement Act of 1996 (NSMIA).

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: Securities are regulated by the federal Securities and Exchange Commission (SEC) and most states. The division proposes using existing federal and other uniform forms where appropriate to satisfy Washington's filing requirements.

Process for Developing New Rule: Proposed rules would codify existing practices that are well accepted.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting William M. Beatty, Securities Division, Department of Financial Institutions, P.O. TRADE AND ECONOMIC DEVELOPMENT**

[Filed May 12, 1998, 4:02 p.m.]

Subject of Possible Rule Making: To adopt CTED rules governing the long-term care ombudsman program (LTCOP) which will be consistent with applicable changes in federal and state statutes. The new rules will replace chapter 388-18 WAC, the current governing rules under the administrative jurisdiction of the state's Department of Social and Health Services (DSHS).

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 43.190.030, as amended by chapter 194, Laws of 1997. The amended statute is entitled: "Office of state long-term care ombudsman created—Powers and duties—Rules."

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish:

1. Current rules were adopted when the LTCOP was still within DSHS and therefore do not reflect the legislature's direction that the program be privatized, nor do they provide for CTED's need to contract for the LTCOP.

2. The Federal Older Americans' Act (OAA) provisions have changed and current rules do not allow for the LTCOP to exercise all of the authority provided by the Reauthorized OAA. For example, the reauthorized OAA allows ombudsman access to records to be granted without consent when all three of the following conditions exist: (1) The resident does not have the capacity to make their own decisions, (2) there is an allegation that the surrogate decision-maker is not acting in the best/expressed interests of the resident, and (3) the surrogate decision-maker will not give consent to review records. The current WAC does not grant that access authority.

3. Current rules do not reflect the legislature's intent that volunteers work in facilities only when there is a local, paid supervising ombudsman.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: The Federal Administration on Aging supervises the national LTCOP through each state's federally-required "State Unit on Aging" (SUA). SUAs are mandated to assure their LTCOP's compliance with federal requirements. The SUA for Washington state is housed in DSHS. CTED has an interagency agreement with DSHS to ensure the coordination of program compliance issues, and to provide federal funds for state-wide program operation. SUA staff have been and will continue to be included in all phases of the rule-making process. SUA staff were given the earliest opportunity to provide input on the first preliminary draft of the proposed rules, will be kept apprised of ongoing developments, and will be included in all stakeholder group discussions.

Process for Developing New Rule: This is a correction to the original CR-101 filed under WSR 98-09-081. Although the process used will not be negotiated rule making, CTED plans to have multiple meetings with program stakeholders (see below) to ensure the most inclusive process possible.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Steven Springer, LTCOP Program Manager, Department of Community, Trade and Economic Development, 906 Columbia Street S.W., P.O. Box 48300, Olympia, WA 98504-8300 phone (360) 586-1364, FAX (360) 586-0489, Internet e-mail address steves@cted.wa.gov.

Information Exchanges: A stakeholder's meeting to discuss draft rules has been rescheduled for June 3, 1998 (formerly on May 13), from 10:00 a.m. to noon in the first floor conference room at CTED's Davis-Williams Building in Olympia (corner of Ninth and Columbia). Two official public hearings will be scheduled for August, one in eastern Washington and one in western Washington. Other information exchanges will be scheduled as needed.

DEPARTMENT OF LICENSING**

(Board of Registration for Professional Engineers and Land Surveyors)

[Filed May 13, 1998, 11:45 a.m.]

Subject of Possible Rule Making: Repeal of chapter 196-04 WAC, Organization and Jurisdiction.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 18.43.035.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The repeal of this chapter is proposed for the following reasons:

1. WAC 196-04-010 Marine surveyor and 196-04-020 Branch of marine surveyor discontinued, deal with the elimination of the branch of Marine Surveyor. This branch was discontinued as of the end of calendar year 1965. The provisions in these two rules were filed in 1963 and have long since become unnecessary to the board operations.

2. WAC 196-04-025 Board of registration for professional engineers and land surveyors—Powers and duties, is a rule adopted in 1988 when a question was raised about the role of the board. At present this rule is not in full agreement with established hiring practices and the agreement between the Department of Licensing and the board. The rule also refers to the position of "registrar" that is no longer used.

3. WAC 196-04-030 Chief executive of the board of registration for professional engineers and land surveyors—Duties, qualification and 196-04-040 Assistant registrar for board of registration for professional engineers and land surveyors—Duties, qualifications, provisions of these rules have been in effect since 1985 and have not been updated to reflect the qualifications that are now needed to administer the board program. These rules are out-of-date and are not consistent with the board's desired requirements for the positions. The qualifications and job responsibilities for the management positions of board staff would better serve the board at an

internal policy level than codified in the Washington Administrative Code. This would give the board the ability to update qualifications for the positions in a more timely manner as the job responsibilities change.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: Agency study.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by sending written comments to George A. [Filed May 13, 1998, 3:50 p.m.]

Subject of Possible Rule Making: RCW 42.52.390 Hearing and subpoena authority, 42.52.410 Filing complaint, 42.52.420 Investigation, 42.52.430 Public hearing—Findings, 42.52.470 Referral for enforcement, 42.52.500 Optional hearings by administrative law judge.

Statutes Authorizing the Agency to Adopt Rules on this Subject: Chapter 42.52 RCW, RCW 42.52.360(3).

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: This rule will amend chapter 292-100 WAC, Executive Ethics Board procedural rules.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: The board will accept written comments via letter, facsimile, or e-mail from any persons who may be interested. All comments received will be considered by the board before a proposed rule is published pursuant to a formal notice.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Executive Secretary, Executive Ethics Board, 1125 Washington Street S.W., P.O. PREPROPOSAL STATEMENT OF INQUIRY DEPARTMENT OF FISH AND WILDLIFE

[Filed May 14, 1998, 1:12 p.m.]

Subject of Possible Rule Making: Classification review to consider listing as endangered, threatened, or sensitive: Margined sculpin, pygmy whitefish, fisher, Olympic mudminnow, common murre, common loon, chinquapin hairstreak butterfly, northern leopard frog, western pocket gopher, mardon skipper butterfly, Puget blue butterfly, valley silverspot butterfly and whulge checkerspot butterfly.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 77.12.020.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Listing and delisting of species affords protection or reduces unnecessary management duties. The department is seeking biological information for status reports which will assist in this process. Information is sought regarding life history, habitat requirements and status, population distribution, status and trends, population demographics and management activities.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: USFWS and NMFS are involved with federal listing and protection. They will be consulted with at rule promulgation.

Process for Developing New Rule: Agency study.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Mike Kuttel, Assistant Director, Wildlife Management, 600 Capitol Way North, Olympia, WA 98501-1091, (360) 902-2504. Please provide biological information in writing, and, for the margined sculpin, pygmy whitefish and fisher by August 31, 1998, and for all other species by December 31, 1998.

dures, and 388-15-890 Medicaid personal care—Program limitations.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 74.39A.030, 74.09.035, 74.09.520, 74.09.530, and section 206(3), chapter 346, Laws of 1998.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Developing a waiting list or a methodology for limiting the number of COPEs clients served by region; amending payment procedures for COPEs service providers, and specifying conditions under which COPEs services may be provided by informal supports or volunteers. Limiting circumstances under which relatives can be paid providers. The regulations will be reviewed to consider when COPEs services could be reasonably and appropriately provided through available informal supports as required by section 206(3), chapter 346, Laws of 1998.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: Health Care Financing Administration (HCFA). The Department of Social and Health Services will notify HCFA of required amendments to the state Medicaid plan or home and community-based waiver (i.e. COPEs).

Process for Developing New Rule: Interested parties may submit verbal or written comments, concerns, and recommendations to Aging and Adult Services Administration at any time prior to filing the notice of proposed rule making. Public meetings will be widely publicized in advance in order to promote maximum attendance and participation in the rule development process by interested parties. Interested parties will be invited to attend informal meetings, and/or provide oral or written suggestions to the department. At the time the notice of proposed rule making is filed, interested parties will be notified of the scheduled hearing to adopt rules and how to submit comments.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication. SOCIAL AND HEALTH SERVICES
(Aging and Adult Services Administration)**

[Filed May 14, 1998, 2:42 p.m.]

Subject of Possible Rule Making: Adjusting functional eligibility standards for the Chore, COPEs, and MPC service programs. This action requires amendments to WAC 388-15-201 Long-term care functional eligibility, 388-15-209

Chore services—Eligibility, 388-15-222 Chore services—Employed disabled—Incentive income and resource exemption, 388-15-610 COPEs—Eligibility, 388-15-830 MPC services—Eligibility, 388-15-890 MPC services—Program limitations, and 388-15-895 MPC services—Termination of services. Also, repeal of WAC 388-15-216 Chore services—Grandfathered clients.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 74.09.520, 74.09.530, 74.39A.110, 74.39A.120, and 74.39A.030.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The 1998 supplemental budget contains sufficient funding for fiscal year 1998 to negate recent rule changes to program eligibility for the Chore, COPEs, and MPC programs which were adjusted to reduce expenditures. The department finds that these rules are necessary to amend eligibility requirements so as to preclude 4000 clients from having their Chore, COPEs, and MPC services terminated.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: Health Care Financing Administration (HCFA). The Department of Social and Health Services will notify HCFA of required amendments to the state Medicaid plan or home and community-based waiver (i.e., COPEs) regarding eligibility or service levels. Aging and Adult Services will be coordinating this proposal on behalf of the department and will coordinate with the Medical Assistance, Health and Rehabilitation Administration and other affected administrations.

Process for Developing New Rule: Interested parties may submit verbal or written comments, concerns and recommendations to Aging and Adult Services Administration at any time prior to filing the notice of proposed rule making. Public meetings will be widely publicized in advance in order to promote maximum opportunity for attendance and participation in the rule development.

Subject of Possible Rule Making: Amend WAC 204-24-050 Use of tire chains or other traction devices.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 46.37.005.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: This amendment will improve public safety by requiring chain use, when needed, to both the north and south side of the pass on SR 20. The current WAC requires chain use on only one side of the pass.

Process for Developing New Rule: Law enforcement agencies and the Washington State Department of Transportation recommend amending this WAC based on public safety concerns.

Subject of Possible Rule Making: Establish new licensing fees and civil fines for temporary worker housing.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 43.70.340.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Legislation passed during the 1998 session (chapter 37, Laws of 1998) amended RCW 43.70.340. The amendment requires the Department of Health to conduct a fee study and have new fees in place no later than December 31, 1998.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: The State Board of Health (SBOH) and Department of Labor and Industries (L&I) also regulate temporary worker housing. [Filed May 19, 1998, 10:59 a.m.]

Subject of Possible Rule Making: WAC 246-834-060, 246-834-070 and 246-834-080, these rules describe the current processes for application for licensure examination, release of examination results and failures. The department

is considering revising these rules to allow the adoption of a national examination.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 18.50.060.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The current state midwifery licensure examination was developed by the Midwifery Advisory Committee and is currently in need of revision. This revision would involve a large amount of time and resources. It has come to the department's attention that a national organization has developed an examination specifically for direct entry midwives. This exam was based upon an intensive job analysis of the profession and has been deemed psychometrically sound. It was also reviewed by an independent organization who found that this examination sets out to test and measure the same topics as the state examination and the examinations should be considered comparable measures of competency. If the rules allowed for the adoption of the national examination, the department may be able to offer a quality examination without expending considerable resources. In addition, it has come to the department's attention that other states have already adopted this examination and more are considering adopting it. If the department does adopt the examination, it may allow for easier endorsement of licensees who are licensed in other states.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: Collaborative rule making, the department intends to hold an open forum on June 5, 1998, at the Midwifery Advisory Committee meeting in Olympia, Washington to elicit input from interested parties. An interested parties list has been developed and all licensed midwives and interested parties will be informed. In addition, the midwifery program will review the rules of other professions for content.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication. A public meeting will be held to obtain public input on June 5, 1998, at the Department of Health, 1101 Quince Street, Olympia, WA 98504. Subject of Possible Rule Making: WAC 246-869-220 Patient information required.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 18.64.005.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Pharmacists are not consistently providing patients with the information necessary to assure that patients know how to correctly take their medication. Inappropriate drug therapy is a major national problem which adds greatly to health care costs. Cost associated with the waste of misused drugs and the results of not receiving intended therapy have been estimated to account for as much as \$100 billion per year. The board is considering amending its rule on patient medication to clarify when the pharmacist must provide patient counseling and what information needs to be communicated to the patient.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None, federal government requires patient counseling on prescriptions covered by Medicare.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 49.17.010, [49.17].040, [49.17].050.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Occupational Safety and Health Administration (OSHA) letter dated December 9, 1997, notified the department that Washington's safety rules for fire fighters were "not-at-least-as-effective-as" OSHA safety rules. Because the department is required to maintain rules that are at-least-as-effective-as those enforced by OSHA, amendments will be proposed to make the state standards at-least-as-effective-as OSHA standards.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: Federal OSHA also regulates this subject.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 66.08.030, chapter 133, Laws of 1998.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The current rule states employers holding a cigarette retailer license may allow employees of any age to sell tobacco products. This rule needs to be revised in order to comply with chapter 133, Laws of 1998, which made minor possession of tobacco a class 3 civil infraction.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: Per chapter 133, Laws of 1998. The agency will work with stakeholders during one or more public hearing(s).

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Teresa Berntsen, Rules Coordinator,

P.O. Box 43080, Olympia, WA 98504-3080, phone (360) 586-1641, FAX (360) 704-4920, e-mail rules@liq.wa.gov.

**PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF REVENUE**

[Filed May 19, 1998, 1:24 p.m.]

Subject of Possible Rule Making: WAC 458-20-216 Successors, quitting business.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 82.32.300.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: This rule explains the circumstances under which a person is considered a successor to a person quitting business. The rule is being amended to reflect changes in the law since it was last amended in 1970. One change is the definition of successor. Another change is the elimination of the requirement to report bulk transfers to the Department of Revenue. The rule is also being amended to reflect the decision in a Court of Appeals case, *Palmer v. Washington*, 82 Wn. App. 367 (1996), regarding the successor liability of secured creditors who repossess property and then operate the business.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: No other agencies are directly affected by this rule.

Process for Developing New Rule: Modified negotiated rule making.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication. Written comments may be submitted by mail, FAX, or at the public meeting. Oral comments will be accepted at the public meeting. A preliminary draft of the proposed changes is available upon request. Written comments on and/or requests for copies of the rule may be directed to Greg Potegal, Legislation and Policy, P.O. Box 47467, Olympia, WA 98504-7467, phone (360) 753-1971, FAX (360) 664-0693, e-mail gregp@dor.wa.gov.

Location and Date of Public Meeting: June 24, 1998, 10:00 a.m., Evergreen Plaza Building, 711 Capitol Way, Second Floor Conference Room, Olympia, WA.

Assistance for Persons with Disabilities: Contact Janet Schilter by June 14, 1998, TDD 1-800-451-7985, or (360) 753-7790.

**PREPROPOSAL STATEMENT OF INQUIRY
OFFICE OF MINORITY AND
WOMEN'S BUSINESS ENTERPRISES**

[Filed May 20, 1998, 9:45 a.m.]

Subject of Possible Rule Making: WAC 326-30-041 Annual goals.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 39.19.131(7).

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: State agencies and educational institutions have a statutory responsibility to maximize opportunities for minority and women's business enterprises in state contracting and procurement. The Office of Minority and Women's Business Enterprises sets goals to provide benchmarks for measuring the state's performance in compliance with the statute. Later this fiscal year, the state will initiate a new rule making to set goals based on the results of the state's disparity study.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: Comments from the affected business community and state organizations will be solicited directly.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Juan Huey-Ray, Rules Coordinator, phone (360) 704-1188, FAX (360) 586-7079, Office of Minority and Women's Business Enterprises, P.O. PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF AGRICULTURE

[Filed May 20, 1998, 11:17 a.m.]

Subject of Possible Rule Making: To establish purple nutsedge quarantine rules.

Statutes Authorizing the Agency to Adopt Rules on this Subject: Chapter 17.24 RCW.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Purple nutsedge is an extremely invasive, economically significant noxious weed not known to occur in this state at this time. This quarantine is intended to prevent the introduction of purple nutsedge in this state.

Process for Developing New Rule: The Washington State Noxious Weed Control Board has requested the changes to this rule. Representatives of the Washington State Department of Agriculture discuss options for specific provisions of the proposal with the board and then publish the rule proposal.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Mary Toohey, Assistant Director, Washington State Department of Agriculture, Laboratory Services Division, P.O. Box 42560, Olympia, WA 98504-2560, phone (360) 902-1907, FAX (360) 902-2094, e-mail mtoohey@agr.wa.gov; and Lisa Lantz, Executive Secretary, Washington State Noxious Weed Control Board, 1851 South Central Place, Suite 211, Kent, WA 98031-7507, phone (253) 872-2972, FAX (253) 872-6320, e-mail waweeds@wolfenet.com.

PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
LABOR AND INDUSTRIES

[Filed May 20, 1998, 11:32 a.m.]

Subject of Possible Rule Making: Agency is in the process of rewriting existing retrospective rating rules contained in chapter 296-17 WAC into the clear rule-writing format. The agency is also considering the establishment of new rules that deal with group plan homogeneity, how and when classification are assigned to groups, one-time reapplication for classifications for all group plans, classification authorization to be at the subclass level, clarification of good standing for

enrollment into a retro plan, and an "all or nothing" provision for commonly owned businesses.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 51.16.035 and 51.04.020(1).

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Currently many of the decisions affecting employers enrolled in the retrospective rating program are driven by formal and informal policy. The agency believes that these policies should be replaced by formal rules on the subjects. The balance of the proposal is to rewrite existing rules so that all businesses that participate in this voluntary program are clear on the expectations and requirements to participate in the retrospective rating program. The overall goal of retro and the purpose of any rule on this subject is to encourage work place safety and effective claims management programs so that the overall effect is reduced premium rates for employers.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: The agency initiated this process by soliciting input from customers that use this program asking them to identify rules or policies which were vague, difficult to understand or no longer needed and/or other areas that could be improved. This information as well as other ideas that originated with department staff were presented at two separate meetings of the Retrospective Rating Advisory Committee in December 1997 and February 1998. This was followed up with four informal public meetings around the state from March 9-14, 1998, to share ideas on possible changes and to encourage retro employers to participate in the rule development process to share their ideas. The results of the four pre-rule development meetings and a proposal being developed by business, was shared with the Retro Advisory Committee and the public at the committee's regular April meeting. The committee requested a special work session to further address all of the ideas and put forth a comprehensive rule proposal. This meeting has been tentatively scheduled for mid-May. We will present the results of the May meeting to retro employers at our regular June 1998 Retrospective Rating Advisory Committee meeting. Four additional informal meetings will be held around the state in late June to obtain additional input for retro employers.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication. A letter will be mailed to employers and groups that participate in the retro program in late May disclosing the date, time and location of these meetings. These four informal meetings will not be scheduled until after the work session of the committee has taken place. Retro employers and other interested parties can call the department at (360) 902-4835 to obtain information on participation.

(ii) ~~Transfer of responsibility for the child to a more permanent arrangement.~~

(4) ~~The emergency payee is not included in the AFDC assistance unit.~~

(5) ~~The department shall provide the client with written notice of the protective payment as described under WAC 388-265-1550)) An emergency protective payee is assigned when a caretaker relative is not available to take care of and supervise a child due to an emergency.~~

AMENDATORY SECTION (Amending WSR 97-02-047, filed 12/30/96, effective 1/30/97)

WAC 388-265-1250 Protective payee or vendor payment due to mismanagement of ((~~grant~~) money. (1) ~~The ((rules in this section do not apply)) decision to assign a person to a protective ((payment for the caretaker relative sane-~~

tioned by the department due to the refusal or failure of the caretaker relative to cooperate with:

(a) ~~The job and opportunities and basic skills training program (JOBS); or~~

(b) ~~The office of support enforcement.~~

(2) ~~The department may use protective or vendor payment for cases in which the client:~~

(a) ~~Has demonstrated severe difficulty in managing money; and~~

(b) ~~For AFDC, has the capacity to learn, in a relatively short time, to manage assistance funds to assure the proper care of the child.~~

(3) ~~The department may authorize protective payment to help improve management and use of money for the best interest of the client.~~

(4) ~~The department shall base a decision to establish a protective payment plan due to the mismanagement of funds on the evidence contained in the case record. The evidence must be specific and clearly establish the fact that the way in which the funds are used by the client threatens the well-being of the child for AFDC or the GAU/SSI client.~~

(5) ~~Evidence of mismanagement includes, but is not limited to:~~

(a) ~~Continued inability to plan and spread necessary expenditures over the usual payment period;~~

(b) ~~Continued evidence that the child or GAU/SSI client is not properly fed and clothed;~~

(c) ~~For AFDC, that expenditures are made in such a way as to threaten the chances for healthy growth and development of the child;~~

(d) ~~Medical or psychological evaluations;~~

(e) ~~An alcohol/drug assessment which establishes incapacity due to alcoholism or drug addiction;~~

(f) ~~Observation of gross physical conditions such as extensive paralysis, serious mental retardation, continued disorientation, or severe memory loss;~~

(h) ~~Repeated evictions or compiling of debts against current income.~~

(6) ~~The department shall provide social services assistance to accomplish the educational and constructive purposes of the protective payment plan.~~

(7) ~~The department shall not use protective or vendor payment when:~~

(a) ~~The basic problem is insufficient funds rather than management of money; or~~

(b) ~~A financial problem is due only to an emergent situation.~~

(8) ~~The department shall provide the client with written notice of the protective payment as described under WAC 388-265-1550.~~

(9) ~~The department may request the attorney general file a petition in the superior court for the appointment of a guardian for a child eligible for AFDC when the caretaker relative is not using the grant adequately for the needs of the child. Such guardianship, as provided under RCW 74.12.250, shall be:~~

(a) ~~Special and limited solely for the purpose of safeguarding the assistance grant made for the needs of a child; and~~

(b) ~~Terminated by the department on termination of the assistance grant, or sooner, upon order of the court)) payee because of mismanagement of funds must be based in law, such as teen parents (RCW 74.04.0052) or on documented evidence in the case file. The documentation must be current and show that the mismanagement threatens the well being of a child on TANF/SFA or of the client. Examples of evidence are:~~

(a) ~~Department employees or others observe the client or client's children are hungry, ill, or not adequately clothed.~~

(b) ~~Repeated requests for more money, for example emergency additional requirements, or for basic essentials such as food, utilities, clothing, and housing.~~

(c) ~~A series of evictions or utility shut offs.~~

(d) ~~Medical or psychological evaluations.~~

(e) ~~An ADATSA alcohol/drug assessment which establishes incapacity due to alcoholism or drug addiction.~~

(f) ~~Nonpayment of an in home child care provider when payment has been issued by the department for that purpose.~~

(g) ~~Complaints from vendors showing a pattern of failure to pay bills or rent.~~

(2) ~~A lack of money or a temporary shortage of money because of an emergency does not constitute mismanagement.~~

(3) ~~When a client has a history of mismanaging money, benefits can be paid directly to vendors or through a protective payee.~~

AMENDATORY SECTION (Amending WSR 97-20-128, filed 10/1/97, effective 11/1/97)

WAC 388-265-1275 (~~Protective payment~~) Assigning TANF/SFA or GA pregnant or parenting (~~or pregnant~~) minors to protective payee. ((Refer to RCW 74.04.0052)) Clients are assigned to protective payees if the clients are:

(1) Under age 18; and

(2) Unmarried; and

(e) Pregnant or have a dependent child.

Reviser's note: The typographical error in the above section occurred in the copy filed by the agency and appears in the Register pursuant to the requirements of RCW 34.08.040.

AMENDATORY SECTION (Amending WSR 94-10-065, filed 5/3/94, effective 6/3/94)

WAC 388-265-1300 Assigning TANF/SFA clients sanctioned for noncooperation or nonparticipation with WorkFirst activities to protective (~~payment AFDC clients sanctioned for failure, or refusal to cooperate with the job opportunities and basic skills training program (JOBS))~~) payees. (1) ((The department shall determine if a client certified to the JOBS program has refused, or failed to participate in the JOBS program without good cause.

(2) The department shall require protective payment for a client determined by the department to not have good cause for refusing, or failing to cooperate with the JOBS program.

~~(3) The department shall make direct payment to the sanctioned client if the department, after making a reasonable effort, is unable to locate a protective payee.~~

~~(4) The department shall select a protective payee following the criteria under WAC 388-265-1500.~~

~~(5) The department shall notify the client in writing of protective payment as described under WAC 388-265-1550.~~

~~(6) The department shall resume direct payment to the caretaker relative when the department determines that the caretaker relative:~~

~~(a) Is participating in JOBS as required by the department; or~~

~~(b) Has good cause for refusal to participate in JOBS. Clients in their second month of sanction for noncooperation or nonparticipation in WorkFirst work activities must be assigned to protective payees.~~

~~(2) Clients under sanction remain in protective payee status until they cooperate with WorkFirst and the sanction is removed, as long as they are receiving assistance.~~

Reviser's note: The typographical error in the above section occurred in the copy filed by the agency and appears in the Register pursuant to the requirements of RCW 34.08.040.

NEW SECTION

WAC 388-265-1375 Transfer from protective payees to limited guardianship. (1) In emergency cases where a person is physically or mentally unable to manage their own funds, the client is referred to other divisions of the department for full care, including full legal guardianship or other legal representation.

(2) In cases where a child is eligible for TANF/SFA and the caretaker relative does not use the benefits for adequate care of the child, the case can be referred to the attorney general to establish a limited guardianship.

(3) This process is used only if it appears there is a need for services to go beyond two years.

(4) These guardianships are limited to management of DSHS benefits.

(5) The protective payee plan is changed if a guardian is appointed. The guardian is designated as the protective payee.

PROPOSED RULES
OLYMPIC AIR POLLUTION
CONTROL AUTHORITY
 [Filed May 19, 1998, 12:44 p.m.]

Original Notice.
 Exempt from preproposal statement of inquiry under RCW 34.05.310(4).

Title of Rule: Amending OAPCA's Regulation 1 Section 15.09 "Vapor Recovery Stage II."

Purpose: To amend OAPCA Regulation 1 to reflect the changes to WAC 173-491-040(5) as adopted by the Washington State Department of Ecology on January 14, 1997.

Statutory Authority for Adoption: RCW 70.94.141.
 Statute Being Implemented: Chapter 70.94 RCW.

Summary: Amending OAPCA Regulation 1 Section 15.09 to conform with changes in WAC 173-491-040(5).

Reasons Supporting Proposal: WAC 173-491-040 changes the requirements for Stage II vapor recovery at gasoline stations. These changes need to be reflected in OAPCA Regulation 1.

Name of Agency Personnel Responsible for Drafting: Robert Moody, 909 Sleater Kinney Road, 438-8768; Implementation and Enforcement: Chris Drechsel, 909 Sleater Kinney Road, 438-8768.

Name of Proponent: Olympic Air Pollution Control Authority, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: Department of Ecology determined that retaining Stage II vapor recovery in Thurston County is important to maintaining the National Ambient Air Quality Standard for Ozone in the Seattle-Tacoma maintenance area, Stage II vapor recovery will be retained in Thurston County for larger, higher volume gas stations. The purpose of the rule is to retain vapor controls for larger stations.

Proposal Changes the Following Existing Rules: The new rule will require Stage II vapor recovery only at new or existing gasoline stations that pump more than 1,200,000 gallons of gasoline annually. The existing rule also requires Stage II controls on stations pumping 840,000 gallons by December 31, 1998. This later requirement will no longer apply with this new rule.

No small business economic impact statement has been prepared under chapter 19.85 RCW. This amendment is exempt from RCW 19.85.025.

RCW 34.05.328 does not apply to this rule adoption. This amendment is exempt from RCW 34.05.328 because the rule reflects the changes made in WAC 173-491-040(5). This exemption is specified in RCW 34.05.328 (5)(b)(iii).

Hearing Location: Olympic Air Pollution Control Authority Office, 909 Sleater Kinney Road S.E. #1, Lacey, WA 98503, on July 8, 1998, at 10:00 a.m.

Assistance for Persons with Disabilities: Contact Craig Weckesser by July 3, 1998, TDD (360) 407-6006, or (360) 438-8768 ext. 111.

Submit Written Comments to: Robert Moody, Olympic Air Pollution Control Authority Office, FAX (360) 491-6308, by July 7, 1998.

Date of Intended Adoption: August 9, 1998.

AMENDATORY SECTION

SECTION 15.09 VAPOR RECOVERY STAGE II

PROPOSED

~~(a) ((For purposes of attainment or maintenance of the National Ambient Air Quality Standard for ozone s)) Stage II vapor recovery ((may only be)) is required at a ((service station, or any other)) gasoline dispensing facility supplying fuel to the general public((, in any of)) under the following circumstances:~~

~~((a)) (1) ((The)) Any facility that ((sells)) dispenses in excess of ((six)) one million two hundred thousand gallons ((600,000)) (1,200,000) of gasoline per year and is located in ((a e)) Thurston County, ((, any part of which is designated as nonattainment for ozone under the federal clean air act, 42 USC Section 7407, or)) This requirement will end on December 31, 2002, unless the department of ecology determines that Stage II is important to achieving or maintaining the National Ambient Air Quality Standard for Ozone in a nonattainment or maintenance plan county.~~

~~((b) The facility sells in excess of six hundred thousand gallons of gasoline per year and is located in a county where a maintenance plan has been adopted by a local air pollution control authority or the department of ecology that includes gasoline vapor recovery devices as a control strategy; or))~~

~~((c) From the effective date of this section until December 31, 1998, in any facility that sells in excess of one million two hundred thousand gallons (1,200,000) of gasoline per year and is located in an ozone-contributing county. For purposes of this section, an ozone-contributing county means a county in which the emissions have contributed to the formation of ozone in any county where violations of federal ozone standards have been measured, and includes Thurston County; or~~

~~(d) After December 31, 1998, in any facility that sells in excess of eight hundred forty thousand (840,000) gallons of gasoline per year and is located in any county, no part of which is designated as nonattainment for ozone under the federal clean air act, 42 USC Section 7407, provided that the department of ecology determines by December 31, 1997, that the use of gasoline vapor control devices in the county is important to achieving or maintaining attainment status in any other county.))~~

OLYMPIC AIR POLLUTION CONTROL AUTHORITY

[Filed May 19, 1998, 12:45 p.m.]

Original Notice.

RCW 70.94.141.

Title of Rule: Amending OAPCA Regulation 1 Article 1, Section 1.07; Article 8, Section 8.03, Solid Fuel Burning Device.

Purpose: Amend these Articles and definitions to conform with changes to chapter 70.94 RCW imposed by SHB 1354 as passed by the legislature in 1998.

Other Identifying Information: Adoption changes to chapter 70.94 RCW in SHB 1354 as approved by the governor.

Statutory Authority for Adoption: Chapter 70.94 RCW.

Statute Being Implemented: RCW 70.94.141.

Summary: Amending OAPCA Regulation 1, Section 1.07 (definitions) and Section 8.03 to conform with changes to chapter 70.94 RCW under SHB 1354.

Reasons Supporting Proposal: The 1998 legislature passed and the governor signed SHB 1354 to make changes to the definition of "impaired air quality stage 1."

Name of Agency Personnel Responsible for Drafting: Jean-Paul Huys, 909 Sleater Kinney Road S.E. #1, 438-8768; Implementation and Enforcement: John Kelly, 909 Sleater Kinney Road, 438-8768.

Name of Proponent: Olympic Air Pollution Control Authority (OAPCA), governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: Amending OAPCA's Regulation 1, Sections 1.07 (definitions) and 8.03 to conform with changes to chapter 70.94 RCW under SHB 1354. May increase frequency of declarations of impaired air quality curtailments (burn bans) to protect public health.

Proposal Changes the Following Existing Rules: It will change the definition of "impaired air quality stage 1."

AMENDATORY SECTION

SECTION 5.05 ANNUAL REGISTRATION FEES

(a) The Authority shall charge Initial and ((a))Annual registration fees pursuant to RCW 70.94.151. Annual registration fees shall be assessed according to the annual fee schedules set forth in section 5.05(b) below. Initial registration fees shall be assessed upon initial registration of a source and shall equal the annual registration fee based on projected emissions and prorated for the remaining months in the fiscal year. Initial and Annual registration fees ((collected by the Authority)) shall provide revenue to fund the Authority's ongoing Registration Program.

(b) All sources requiring annual registration shall be assessed an annual registration fee consisting of the sum of a "facility fee", "generating equipment fee", "stack fee", "class fee", "emissions fee", and "source specific monitoring fee" according to items (1) through ~~((1))~~2 of this subsection and amounts as specified in Table 5.3. Sources assessed annual operating permit fees under Article 6 of Regulation 1 shall not be assessed annual fees under this section.

(1) FACILITY FEE - All sources requiring registration shall pay an annual "facility fee" of an amount as indicated in Table 5.3; and

(2) A GENERATING EQUIPMENT FEE of an amount as indicated in Table 5.3 for each item of air contaminant generating equipment located at the source; and

(3) A STACK FEE of an amount as indicated in Table 5.3 for each stack located at the source; and

(4) An EMISSIONS FEE of an amount as indicated in Table 5.3 per ton of each air contaminant listed in Table 5.1 emitted by the source in excess of 10 tons, evaluated on a pollutant by pollutant basis, during the previous calendar year, or as contained in the file or permit; and

(5) A CLASS FEE of an amount as specified in Table 5.3; and

(6) A SOURCE SPECIFIC MONITORING FEE of an amount as specified in Table 5.3 if ambient monitoring is a requirement for the source;

(7) The authority shall assess the emissions fee based on actual emissions from the source for the last calendar year when available;

(8) The annual registration fees required by this section shall be based on process rates, equipment specifications, and emissions data from the previous calendar year on file with the Authority. For purposes of assessing annual registration fees, the Authority shall consider updates and revisions to any source's file, received prior to August 1 of the current year. If process rates, equipment specifications, and emissions data from the previous calendar year is not on file with the Authority, the Authority may base the annual fee on the enforceable emissions limitations for the source and maximum capacities and production rates.

(9) For purposes of assessing annual registration fees, definitions for air contaminant generating equipment and stacks shall be consistent with the definitions in section 5.00, and air contaminant generating equipment and stacks which are identical in size, capacity, function, and emissions may be counted as one unit as approved by the Authority.

(c) The Authority shall assess annual registration fees after August 1 of each year to cover the cost of administering the program for the current fiscal year commencing on July 1 and ending on June 30. The Authority shall assess annual registration fees based on the most recent information on file with the Authority including any updates to the source's file received prior to August 1 of that year.

(d) Upon assessment by the Authority, annual registration fees are due and payable and shall be deemed delinquent if not fully paid within thirty (30) days. However,

~~((e))~~sources classified as RC1 or RC2 shall be given the option to pay their annual fee in quarterly installments. RC1 and RC2 sources may choose to pay their annual fees in quarterly installments by indicating so on the first invoice received and remitting payment of the first installment ~~((back))~~ to the Authority along with the duplicate copy of the invoice. Quarterly installments shall be equal to 25% of the total annual registration fee ~~((-Installments))~~ and shall be due within 30 days of each quarter following initial ((from)) assessment by the Authority.

~~((f))~~ Any source which does not pay their annual registration fee or annual registration fee installment within

thirty (30) days of the due date, shall be assessed a late penalty in the amount of 25% of their annual registration fee. This late penalty shall be in addition to the annual registration fee.

((g)) Annual registration fees may be appealed according to the procedure specified in section 3.17

((h)) On an annual basis, starting with calendar year 1994, the Authority shall conduct a workload analysis to determine the adequacy and fairness of the annual registration fee schedule. The workload analysis shall be based on the Authority's historical record of time and resource expenditures associated with the registration program. The workload analysis shall be made available if ((upon)) a request is made to the Authority. Any proposed revisions to the annual registration fee schedule shall be presented to the Board for adoption after public noticing pursuant to Regulation 1 public noticing requirements and opportunity for a public hearing.

AMENDATORY SECTION

SECTION 5.06 NOTICE OF INTENT TO OPERATE

(a) For portable air contaminant sources which locate temporarily at particular sites and move within the OAPCA region a Notice of Intent to Operate must be filed with the Authority pursuant to Article 7, section 7.01(a). The Authority shall not commence processing of a Notice of Intent to Operate until it has received fees as shown in Table 5.4.

(b) For portable air contaminant sources which come from outside the OAPCA region a Notice of Construction and Application for Approval must be filed pursuant to Article 7, section 7.01.

PROPOSED RULES

UTILITIES AND TRANSPORTATION
COMMISSION

[Docket No. UT-970325—Filed May 19, 1998, 1:15 p.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 97-21-153.

Title of Rule: Intrastate carrier access charge reform.

Purpose: To conform Washington's access charge system with state and federal laws encouraging competition.

Statutory Authority for Adoption: RCW 80.01.040, 80.04.160, and 80.36.140.

Statute Being Implemented: RCW 80.36.160.

Summary: The proposal would require that each local exchange telecommunications company must charge no more for terminating access than it does for comparable local interconnection service (LIS); or if no LIS, then no more than the actual cost (as defined in the rule) of the terminating access being provided.

Reasons Supporting Proposal: This proposal begins the process of identifying and removing implicit subsidies. It also corrects the current discrimination between "local" and "toll" termination charges. By prescribing a terminating access charge rate, the rule concentrates on the access rate element which is least susceptible to customer choice. Market forces are relied on for other access charge rate elements (i.e. originating and transport). This allows the marketplace to function while protecting captive customers. It is competitively neutral, in that it will apply to all local exchange telecommunications carriers (incumbent and new entrant alike). This proposal will also create opportunities for fair and efficient competition, allow for innovative new products and services, and greatly simplify the access charge system within the state of Washington.

Name of Proponent: Washington Utilities and Transportation Commission, governmental.

Rule is not necessitated by federal law, federal or state court decision. While no federal or state law mandates the adoption of this rule, state and federal laws and policies encouraging competition in the local telecommunications market direct the Utilities and Transportation Commission to take actions to foster such competition. This proposed rule is intended to comply with those legislative and policy directives.

Explanation of Rule, its Purpose, and Anticipated Effects: The rule would require each local exchange telecommunications company to file and/or revise its intrastate carrier access charge tariffs in order to price terminating access at cost. The proposal would require that each company must charge no more for terminating access than it does for comparable local interconnection service (LIS); or if no

LIS is offered, then no more than the actual cost (as defined in the rule) of the terminating access being provided.

This proposal begins the process of identifying and removing implicit subsidies. It also corrects the current discrimination between "local" and "toll" termination charges. By prescribing a terminating access charge rate, the rule concentrates on the access rate element which is least susceptible to customer choice. Market forces are relied on for other access charge rate elements (i.e. originating and transport). This allows the marketplace to function while protecting captive customers. It is competitively neutral, in that it will apply to all local exchange telecommunications carriers (incumbent and new entrant alike). This proposal will also create opportunities for fair and efficient competition, allow for innovative new products and services, and greatly simplify the access charge system within the state of Washington.

Proposal Changes the Following Existing Rules: Rule would replace existing rule governing access charges.

A small business economic impact statement has been prepared under chapter 19.85 RCW.

Small Business Economic Impact Statement

Washington Utilities and Transportation Commission Docket UT-970325 re: Intrastate Access Charge Reform. Proposal of a new section to be added to chapter 480-120 WAC, under the title of Terminating access charges, WAC 480-120-540, applicable to all local exchange telecommunications companies.

Background: The Washington Utilities and Transportation Commission (WUTC) is proposing changes to the current intrastate carrier access charge regime applicable to all local exchange telecommunications companies (a subset of SIC 4813; see Appendix 1 for list) operating in the state of Washington.

The need for these changes is demonstrated by the Telecommunications Act of 1996 (TCA '96), the Federal Communications Commission's (FCC) rules and policies, and the general procompetitive deregulatory policy framework which is now redefining the telecommunications industry.

Essentially, the goal of the proposed rule is to make Washington's intrastate access charge rate structure more compatible with competition.

For more explanation see the January 13, 1998, version of the "WUTC Staff Report on Access Charge Reform Options." A copy can be obtained by calling (360) 664-1234 and referencing UT-970325, or by accessing the commission's website for this topic at: <http://www.wutc.wa.gov/telecom/access_reform>.

Summary of the Amendments Proposed: Addition of new rules which relate to the general structure of intrastate access charges. Essentially, terminating access charges must be based on cost. This simple step will: Remove implicit subsidies, correct the current discrimination among "local" and "toll" termination charges (which has been one of the factors causing toll rates to greatly exceed costs), create opportunities for fair and efficient competition, allow for innovative new products and services, and greatly simplify the access charge system within the state of Washington.

PROPOSED

Committee Process: This statement has been developed in consultation with a Small Business Economic Impact Statement (SBEIS) Committee. This committee was comprised of a group of volunteer representatives from the telecommunications industry, Public Counsel of the Attorney General's Office, and various other general business-related associations.

The analyses and conclusions reached are not the result of a consensus, but rather are based upon consideration and judgement of the issues presented by the various committee members and industry responses to a related questionnaire.

Professional Services Possibly Needed: In order to comply with these new requirements a local exchange telecommunications provider may require the following professional services: Cost Consultant to perform a cost study if one has not already been prepared, Tariff Consultant to prepare and file the required tariff changes, Legal Counsel to defend the cost study and tariff filing in anticipation of opposition, Billing Systems Update to implement the required tariff changes, and other Administrative functions as may be necessary.

Costs of Compliance: In order to comply with the new requirements a local exchange telecommunications company may need to incur the following estimated one-time expenses:

	Small	Large
Cost Study:	\$10,000	\$5,000
Tariff Filing:	2,000	3,000
Notification:	1,000	30,000
Billing Changes:	2,000	15,000
Administrative:	2,000	-0-
Total Costs:	\$17,000	\$53,000
Lost Access Revenue:	-0- *	16.5 Million
Total Impact:	\$17,000	\$16.553 Million

* Range without mitigation is that 20% - 30% of revenues would be at risk. An example could be anywhere from \$500,000 to \$2 Million, depending on the size of the company.

RCW 19.85.020 defines small companies as those local exchange telecommunications companies which have 50 or fewer employees. RCW 19.85.040 requires comparison with the largest companies, or those which comprise the top ten percent of the local exchange telecommunications industry.

The estimates above were derived through the committee process and through the analysis of the April 20, 1998, responses to an industry-wide questionnaire (see Appendix 2 for range of responses). Representative and reasonable costs were selected from the responses for use in quantifying the impact of the proposed rule and proposed mitigations. Not all responses were taken at face value because the rule does not require company specific cost studies or rate case proceedings. Cost models are currently publicly available information through the FCC and most are open to variable inputs. Each company's switch vendor also likely has the information readily available. Therefore, the cost study estimates have been adjusted to a more reasonable level. This level is also reinforced by some competitive local exchange carriers'

estimates which are not driven by the obvious ("cost plus") incentives of rate-base rate-of-return regulated incumbents. Nonetheless, the availability of the proposed mitigations also brings into question the necessity of excessive outside legal and economic advice.

Comparison of Costs: Almost all of the costs of implementing this rule will be administrative in nature (with the exception of lost revenue). Local exchange telecommunications companies are familiar with these costs, as they are an ongoing expense of running a business in the regulated telecommunications industry. Because these administrative costs are ongoing, small employers already experience disproportionate administrative costs per employee as compared to large employers, in general. This fact is also recognized in the economies of scope and scale inherent in the distinction between small and large employers within the telecommunications industry. Smaller employers usually have smaller operations and typically serve in the less dense and/or rural areas of the state (historically). Therefore, due to the capital intensive nature of the telecommunications industry smaller employers have become accustomed to disproportionately higher costs. There are currently in effect support mechanisms through federal and state universal service programs which help defray these distinctions between urban and rural (e.g. large and small) companies.

Other newer companies, which may also be relatively small employers but most likely are not rural, are known as competitive local exchange companies or "CLECs." They are not as entrenched as the incumbent monopolies (both small and large). These CLECs are incurring initial start-up costs at this time, and therefore the costs likely to be caused by implementing this rule will incrementally be fairly minor. The rule should also remove (economic) barriers to entry which will benefit all competitors, including the new entrants.

As can be seen from the "cost of compliance" chart above, the total costs and total impacts are estimated to be lower for small businesses. This fact can also be reinforced and illustrated by using the average cost per employee analysis (see below). It remains apparent that the disproportionate effects of the proposed rule on small local exchange telecommunications companies have been addressed.

The estimated costs per employee are provided below:

	Small		Large
Employees:	13	40	6,000
Total Cost/Employee:	\$1,308	\$425	\$ 8.83
Total Lost Rev/Employee:	\$-0-	\$-0-	\$2,750
Total Impact/Employee:	\$1,308	\$425	\$2,759

Although these costs per employee appear fairly high, one must compare to the other costs incurred and revenues realized in the telecommunications industry. In this context, an example of revenues per employee follows:

	Small		Large
Employees:	13	40	6,000
Total Revenue:	\$2 Million	\$7 Million	\$1.3 Billion

PROPOSED

Total Revenue/ Employee:	\$155,000	\$175,000	\$217,000
Total Sales/100:	\$20,000	\$70,000	\$13 Mil- lion
Total Cost/Sales/100:	\$0.8500	\$0.2429	\$0.0041
Total Lost Rev/Sales/ 100:	\$-0-	\$-0-	\$1.2692
Total Impact/Sales/ 100:	\$0.8500	\$0.2429	\$1.2733

As can be seen from each of these analyses, the proportionate total impact of implementing this rule will not be materially disproportionate for small businesses in the local telecommunications industry. This outcome, in large part, is the result of the mitigation efforts proposed by the Washington Utilities and Transportation Commission under subsections (4) and (5) of the proposed new rule language.

(It should be noted that the outcome above is conservative given the fact that "Cost Study" costs have been included, even though the mitigation under subsection (4) of the rule alleviates the absolute need to perform a cost study. However, this cost remains in the analysis to recognize that a small local exchange telecommunications company may, as a matter of its management's discretion, wish to perform its own cost study if it feels the proposed mitigation in this area is not appropriate for its use. However, the most material mitigation effort is, under subsection (5) of the rule, the allowance for small local exchange telecommunications companies to offset the revenues lost from the lower terminating access rate by increasing (or adding to through restructuring) its originating access rate(s), hence producing a revenue neutral effect (i.e. zero lost revenues for small employers).

Mitigation of Disproportionate Costs to Small Employers: As explained above (in the italics), the proposed mitigation efforts provided for under subsections (4) and (5) of the proposed new rule will greatly mitigate any disproportionate cost attributed to small employers through the implementation of this rule.

This section will explain each proposed mitigation effort, and illustrate how these accommodations may be implemented in order to reduce the costs incurred by small local exchange telecommunications companies:

Cost study avoidance (4) - A small business may concur in the terminating rate of any local exchange company that is not a small business and has filed a terminating rate that complies with the actual cost requirement of subsection (1) of the proposed rule. This provision will enable the small company to avoid the expense of performing a "cost study," which may be perceived as burdensome for a small company.

The impact of this proposed small company mitigation can be illustrated by removing the cost of performing a cost study (and related legal expenses) from the total cost and comparing these to the analyses above, as follows:

	Small	Large
Costs per employee:		
Total Cost/Employee:	\$538	\$175
Total Lost Rev/ Employee:	\$-0-	\$-0-
Total Impact/ Employee:	\$538	\$175
Cost per 100 dollars of sales revenue:		
Total Cost/Sales/100:	\$0.3500	\$0.1000
Total Lost Rev/Sales/ 100:	\$-0-	\$-0-
Total Impact/Sales/ 100:	\$0.3500	\$0.1000

Revenue neutrality (5) - A small business that is required to lower its terminating access rate to comply with the proposed rule may file an increase in its originating access rate to offset the possibility of lost revenue. The commission will approve the increased originating access rate(s) as long as the net effect of the two filings is not an overall increase in revenues. This provision will likely have the greatest positive impact on small businesses (most are rural), due to the current practice of collecting higher margins on terminating access services. This mitigation in coordination with subsection (2) of the proposed rule will have the effect of continuing to ensure adequate and affordable service to rural and high cost areas, while at the same time ensuring that access charges become more compatible with competition.

Most responses to the questionnaire reflected a speculation that shifting terminating access revenues to originating access rates could cause lost revenues due to "bypass." This concern is well taken; however, the proposed rule allows for universal service support to be collected explicitly on the terminating access service, so the likelihood of uneconomic overly priced originating access is not as great as the companies might fear. To the extent that competitive forces apply pressure to the originating rates, companies will be expected to react through normal competitive responses. In fact, as the industry reprices terminating access charges, companies will be empowered to respond to market demands and provide more flexible and reasonably priced calling plans.

The concern of "bypass" has also been described as an opportunity for customers to order special access (i.e. dedicated facilities) in place of the switched originating access (i.e. shared facilities). In this case the local exchange telecommunications companies will continue to have the opportunity to serve the customers and should realize revenues left unquantified in response to the questionnaire.

Effect on Other Small Businesses Which are not Telephone Companies: The overall purpose of this rule is to increase competition in local and long-distance telephone markets. At present, substantially above-cost terminating access charges increase the price many customers pay for long-distance services and often make larger local calling areas cost prohibitive.

A reduction of terminating access charges to a price approaching economic cost of the service will permit reduc-

PROPOSED

tions in long-distance rates and the possibility of innovative new products and services which customers demand in today's telecommunications market.

Small businesses which use telecommunications services in their business may take advantage of reduced toll prices and greater availability of wider and more diverse local calling areas, among other innovative products yet to be discovered.

The increase in originating access in some locations will offset the potential for long-distance savings by keeping prices to customers at about the same level as they are today. However, small businesses that want to make an effort to find lower cost long-distance alternatives will be able to locate them in a more competitive market. The shift from terminating to originating access should result in long-distance competition even greater than that presently available and this would continue to be a benefit to small business long-distance users.

NEW SECTION

WAC 480-120-540 Terminating access charges. (1)

Except for any universal service rate allowed pursuant to subsection (2) of this section, the rates charged by a local exchange company for terminating access shall not exceed the lowest rate charged by the local exchange company for the comparable local interconnection service, such as end office switching or tandem switching. If a local exchange company does not provide local interconnection service (or does so under a bill and keep arrangement), the rates charged for terminating access shall not exceed the cost of the terminating access service being provided. The cost of the terminating access shall be determined based on the total service long-run incremental cost of terminating access service plus a reasonable contribution to common or overhead costs.

(2) If a local exchange company is authorized by the commission to recover costs for support of universal access

to basic telecommunications service through access charges, it shall recover such costs as an additional, explicit universal service rate element applied to terminating access service.

(3) Definitions.

(a) "Access charge" means a rate charged by a local exchange carrier to an interexchange carrier for the origination, transport, or termination of a call to or from a customer of the local exchange carrier. Such origination, transport, and termination may be accomplished either through switched access service or through special or dedicated access service.

(b) "Terminating access service" includes transport only to the extent that the transport service is bundled to the end office or tandem switching service. Dedicated transport unbundled from switching services is not subject to subsection (1) of this section.

(c) "Bill and keep" (also known as "mutual traffic exchange" or "payment in kind") is a compensation mechanism where traffic is exchanged among companies on a reciprocal basis. Each company terminates the traffic originating from other companies in exchange for the right to terminate its traffic on that company's network.

(4) The requirement of subsection (1) of this section that any terminating rate be based on cost shall not apply to any local exchange company that is a small business if it concurs in the terminating rate of any local exchange company that is not a small business and has filed a terminating rate that complies with the requirements of subsection (1) of this section. For the purposes of this subsection, "small business" has the same meaning as it does in RCW 19.85.020.

(5) Any local exchange company that is a small business and that is required to lower its terminating access rates to comply with this rule may file tariffs to increase or restructure its originating access charges. The commission will approve the revision as long as it is in the public interest and the net effect of the two filings is not an increase in revenues. For the purposes of this subsection, "small business" has the same meaning as it does in RCW 19.85.020.

NEW CHAPTERS:	
Title of rule:	Summary:
CHAPTER 388-400 WAC PROGRAM SUMMARY	Summarizes assistance eligibility requirements by program.
CHAPTER 388-404 WAC AGE REQUIREMENTS	Describes age requirements that apply to DSHS assistance programs.
CHAPTER 388-406 WAC APPLICATIONS	Explains how the department accepts and processes an application for assistance.
CHAPTER 388-408 WAC ASSISTANCE UNITS	Explains how different public assistance programs determine who makes up a single household.
CHAPTER 388-410 WAC BENEFIT ERROR	Explains how program overpayments are determined and the methods used for collection.
CHAPTER 388-412 WAC BENEFIT ISSUANCES	Explains how the department issues benefits for public assistance.
CHAPTER 388-414 WAC CATEGORICAL ELIGIBILITY FOR FOOD ASSISTANCE	Explains that when a client is already eligible for certain programs, they are automatically eligible for food assistance.
CHAPTER 388-416 WAC CERTIFICATION PERIODS	Explains how long an eligible client can receive assistance before the department rechecks eligibility.
CHAPTER 388-418 WAC CHANGE OF CIRCUMSTANCE	Explains which changes in circumstance clients must report to the department.
CHAPTER 388-420 WAC CHEMICAL DEPENDENCY FOOD ASSISTANCE	Describes when clients are eligible for food assistance while receiving alcohol or drug treatment.
CHAPTER 388-422 WAC CHILD SUPPORT	Explains child support requirements that clients must meet in order to be eligible for assistance.
CHAPTER 388-424 WAC CITIZENSHIP/ALIEN STATUS	Explains citizenship requirements for public assistance.
CHAPTER 388-426 WAC CLIENT COMPLAINTS	Provides for a complaint procedure for clients of assistance programs.
CHAPTER 388-428 WAC CONFIDENTIALITY	Explains which client information the department can disclose for assistance programs and which is confidential.
CHAPTER 388-430 WAC DEPRIVATION	Describes the factors which are considered when determining if a child is deprived of parental support.
CHAPTER 388-434 WAC ELIGIBILITY REVIEWS AND RECERTIFICATIONS	Describes how the department reviews eligibility for cash and medical assistance benefits and how they recertify food assistance eligibility periodically.
CHAPTER 388-436 WAC EMERGENCY ASSISTANCE FOR CASH	Defines criteria for programs to provide cash assistance to clients under special or emergency circumstances.
CHAPTER 388-437 WAC EMERGENCY ASSISTANCE FOR FOOD STAMPS	Explains the conditions under which food stamps are available in a disaster.
CHAPTER 388-438 WAC MEDICALLY INDIGENT	Explains who can receive services under special emergency medical assistance programs.
CHAPTER 388-440 WAC EXCEPTIONS TO RULE	Explains circumstances under which the secretary of DSHS may grant an exception to policy requirements for an individual client.

NEW CHAPTERS:	
Title of rule:	Summary:
CHAPTER 388-442 WAC FELONS	Explains under what circumstances a felon is eligible for public assistance.
CHAPTER 388-444 WAC FOOD STAMP EMPLOY- MENT AND TRAINING	Tells which clients have to participate in employment or training in order to receive assistance. Explains how these mandates relate to food assistance eligibility.
CHAPTER 388-446 WAC FRAUD	Describes what happens to clients suspected or convicted of committing fraud to receive assistance benefits.
CHAPTER 388-448 WAC INCAPACITY	Describes which clients meet definitions for general assistance-unemployable benefits and which children are considered deprived of parental support due to capacity.
CHAPTER 388-450 WAC INCOME	Describes what is considered as income and how income affects a client's eligibility for cash, medical and food assistance.
CHAPTER 388-452 WAC INTERVIEW REQUIRE- MENTS	Sets minimum criteria for client interviews for assistance programs.
CHAPTER 388-454 WAC LIVING WITH A RELATIVE	Explain which relatives a child must live with to be eligible for assistance.
CHAPTER 388-456 WAC MONTHLY REPORTING	Explains when clients have to file monthly reports to remain eligible for assistance.
CHAPTER 388-458 WAC NOTICES TO CLIENTS	Sets criteria for when and how DSHS has to provide formal notice to a client before taking action.
CHAPTER 388-460 WAC PAYEES ON WARRANTS	Explains how the department decides whose name to issue an assistance payment to in a household.
CHAPTER 388-462 WAC PREGNANCY	Explains the assistance programs available to women when they are pregnant.
CHAPTER 388-464 WAC QUALITY ASSURANCE	Requires certain clients to cooperate with the quality assurance review process in Economic Services Administration.
CHAPTER 388-466 WAC REFUGEE PROGRAM	Explains eligibility requirements for refugee assistance.
CHAPTER 388-468 WAC RESIDENCY	Sets residency rules for public assistance eligibility.
CHAPTER 388-470 WAC RESOURCES	Explains how many assets a person may have and still be eligible for assistance benefits.
CHAPTER 388-472 WAC RIGHTS AND RESPONSI- BILITIES	Sets out mandated rights and responsibilities for clients.
CHAPTER 388-474 WAC SUPPLEMENTAL SECU- RITY INCOME	Describes who may qualify for SSI benefits, what coverage is available, under what conditions they can be terminated and what happens for overpayments or duplicate payments.
CHAPTER 388-476 WAC SOCIAL SECURITY NUM- BER	Tells when a social security number is a requirement and describes requirements when a social security number is not available for assistance programs.
CHAPTER 388-478 WAC STANDARDS FOR PAY- MENTS	Defines maximum and minimum payment standards for assistance programs.
CHAPTER 388-480 WAC STRIKERS	Describes assistance eligibility provisions that apply when a person is on strike.
CHAPTER 388-482 WAC STUDENT STATUS	Explains which students are eligible for food assistance.

The rules being repealed have been consolidated, shortened and simplified by a special task team with members from Economic Services and Medical Assistance Administrations to comply with criteria in the Governor's Executive Order 97-02. No program policy has been changed. These current rules are being repealed and the revised version of the rules proposed for adoption as part of new chapter 388-400 WAC.	

Purpose: To consolidate and simplify program and eligibility requirements for cash, food, and medical assistance to comply with criteria in the Governor's Executive Order 97-02.

Statutory Authority for Adoption: RCW 74.04.050, 74.04.055, 74.04.057, 74.04.090.

Statute Being Implemented: RCW 74.04.050, 74.04.055, 74.04.057, 74.04.090.

Summary: See Title of Rule above.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Roxie Schalliol, 14th and Jefferson, Mailstop 4-5070, Olympia, 98504, (360) 902-7791.

Name of Proponent: Department of Social and Health Services, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: See Title of Rule above.

Proposal Changes the Following Existing Rules: Current rules (see Title of Rule above for the complete list by number) are being amended or repealed, and new rules proposed under new chapter 388-400 WAC.

No small business economic impact statement has been prepared under chapter 19.85 RCW. These rules do not affect businesses.

RCW 34.05.328 does not apply to this rule adoption. These rules are not considered significant rules because they do not change existing policy.

Hearing Location: There will be two hearings held on July 21, 1998, one in Olympia and one in Spokane. Maps and/or directions are available for both locations. Olympia Hearing: Lacey Government Center (behind Tokyo Bento Restaurant), 1009 College Street S.E., Room 104-B, Lacey, WA 98503, at 10:00 a.m. Spokane Hearing: DSHS/DDD-Field Services, West 1611 Indiana, Training Room, Spokane, WA 99205, at 1:00 p.m.

WSR 98-11-086
PROPOSED RULES
DEPARTMENT OF
FISH AND WILDLIFE
[Filed May 19, 1998, 3:57 p.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 98-08-058 [98-06-058].

Title of Rule: Recreational and commercial fishing rules.

Purpose: Amend recreational and commercial fishing rules to reflect 1998 North of Falcon decisions.

Statutory Authority for Adoption: RCW 75.08.080, 77.12.040.

Statute Being Implemented: RCW 75.08.080, 77.12.040.

Summary: WAC 220-16-002, defines adult salmon as this term is used in catch limits.

WAC 220-16-005, defines authorized when the term is used in conjunction with a person. The term is used for inspections and other department activities.

WAC 220-16-550, correct typographical error in conservation area definition.

WAC 220-20-010, require a float with the name of the fisher on all gill nets. Will allow return of lost gear.

Chapter 220-36 WAC, set 1998 Grays Harbor salmon net seasons per preseason forecast.

Chapter 220-40 WAC, set 1998 Willapa Bay salmon net season per preseason forecast.

Chapter 220-47 WAC, set 1998 Puget Sound salmon net seasons per preseason forecast. Amend 1998 beach seine rule to correct dates. Repeat purse seine logbook requirements in favor of other methods of sampling. Amend closed areas to provide additional protection for chinook salmon.

WAC 220-56-124, amend Hoodspout Hatchery fishery to provide chinook protection.

WAC 220-56-126, reduce Westport Boat Basin NBL restriction to expand fishing opportunity.

WAC 220-56-128, correct reference Budd Inlet closed area. Add Agate Pass closure to provide winter protection.

WAC 220-56-190 and 220-56-191, set coastal and Puget Sound seasons per preseason forecast.

WAC 220-56-195, add Whidby Island and Rosario Strait closures to protect chinook salmon.

WAC 220-56-199, add East San Juan Island and Duwamish Waterway chinook closures to protect chinook salmon.

WAC 220-56-205, amend NBL areas and dates to reflect needs for 1998 salmon protection.

Chapter 220-57 WAC, set 1998 river seasons and gear requirements to allow harvest per preseason forecast while providing salmon and steelhead protection.

WAC 232-28-619, set 1998 river and lake seasons, together with gear requirements, to allow harvest per preseason forecast while providing salmon and steelhead protection.

Reasons Supporting Proposal: See Summary above.

Name of Agency Personnel Responsible for Drafting: Evan Jacoby, 1111 Washington Street, Olympia, 902-2930; Implementation: Bruce Crawford, 1111 Washington Street, Olympia, 902-2325; and Enforcement: Ron Swatfigure, 1111 Washington Street, Olympia, 902-2927.

Name of Proponent: Washington State Department of Fish and Wildlife, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: See Summary above.

Proposal Changes the Following Existing Rules: See Summary above.

A small business economic impact statement has been prepared under chapter 19.85 RCW.

Small Business Economic Impact Statement for chapters 220-36 and 220-40 WAC

Description of Reporting, Recordkeeping and Other Compliance Measures Required by Proposed Rule: None.

Professional Services Required by Rule: None.

Costs of Compliance, Including Costs of Equipment, Supplies, Labor and Increased Administrative Costs: Unable to determine. There is a net mesh requirement in WAC 220-40-027, but it is believed most fishers currently use or have access to 6-1/2 inch mesh nets.

Will Compliance Cost Businesses to Lose Sales or Revenue? Yes. This is a reduction in total fishing time, which will cause an overall reduction in income from fishing activities. On an individual basis, however, revenue may increase if less persons participate in the fisheries, increasing the market share per fisher.

Comparison of Costs for the 10% of Businesses that are the Largest Businesses Required to Comply with the Proposed Rule: No additional costs.

Steps Taken by Agency to Reduce the Costs of the Rule on Small Businesses: No additional costs.

Description of How the Agency Will Involve Small Businesses in Rule Development: These rules are the result of negotiated rule making through the Pacific Fisheries Management Council North of Falcon process, and industry was fully involved in shaping these seasons. This rule is being filed in the normal rule process merely because it is quicker than expedited rule adoption.

List of Industries Required to Comply with this Rule: Grays Harbor and Willapa Bay gill net fishers.

Small Business Economic Impact Statement for (1) Marking gill net gear, WAC 220-20-010(5). (2) Puget Sound commercial salmon rules, chapter 220-47 WAC. (3) Definition of "authorized" representative of department, WAC 220-16-005.

Description of the Proposed Rules:

(1) Require marking of all gill net gear along the cork line with the name and gill net license number of the fisher.

(2) Establish commercial salmon fisheries for the 1998 season in Puget Sound according to agreements reached at the Pacific Fishery Management Council/North-of-Falcon public process.

(3) Clarifies who is defined as authorized employee or representative of the department.

Purpose for the Proposed Rules:

(1) This measure is necessary to assist in effective enforcement of the fishery, and to provide accountability when nets are lost.

(2) Establish commercial salmon fisheries for the 1998 season in Puget Sound according to agreements reached at the Pacific Fishery Management Council/North-of-Falcon public process.

(3) Clarifies definition, relative to provisions of WAC 220-20-015 requiring the inspection and sampling of fish and gear by the department.

Effect of the Proposed Rules on Small Businesses:

(1) Marking of the corks or floats at either end of a gill net has minimal effect on the fisher or the operation of the gear.

(2) Provides opportunity for salmon fisheries, targeting harvestable numbers of salmon while reducing impacts on stocks of concern.

(3) None.

Small Business Economic Impact Statement:

Industry (SIC Code) Affected by These Proposed Rules: 0912, Finfish fisheries.

Number of Businesses in that Industry: Only 349 businesses filed taxes with the Washington State Department of Revenue from this SIC code in 1995, the most recent year for which data are available. This contrasts with approximately 3,756 Washington state licenses sold to commercial harvesters of finfish in 1995.

Number of Employees in that Industry: Unknown.

Number of Small Businesses in that Industry: Unknown.

Number of Businesses in that Industry that are Affected by These Proposed Rules:

(1) Gill nets make up 41.0% of the 3,070 1996 finfish licenses and 41.2% of the 3,011 1997 finfish licenses. Number of licenses in this business category are shown in the table below:

Washington Department of Fish and Wildlife
License Statistics

	<u>1997</u>	<u>1996</u>
All Gillnet licenses	1,239	1,258
All other finfish licenses	1,772	1,812
Total Finfish Licenses	3,011	3,070

(2) Puget Sound salmon licenses issued in 1997 included 871 gill net, 290 purse seine, 48 reef net, and 5 experimental drag seine, for a total 1,214.

Description of Reporting, Recordkeeping, and Other Compliance Measures Required by the Proposal: Compliance with the proposed rules includes minor gear modifications. Removal of requirement for maintaining a purse seine log book will reduce reporting and recordkeeping requirements.

Costs of Compliance: Professional services required for compliance: None.

Costs of Compliance, Including Costs of Equipment, Supplies, and Labor, and Loss of Sales or Revenue:

(1) Minor cost to gill net operators to mark corks or floats at each end of net. Estimated cost of waterproof marker is less than \$5. Time involved approximately 1/2 hour.

(2,3) No costs are calculated for compliance with setting of seasons, open periods, or open areas. Repeal of purse seine log book requirement will reduce costs to seine operators.

Comparison of Costs for Small Businesses Against the Cost to the Largest 10% of Businesses Within the Industry Required to Comply with the Proposed Rule: Neither costs per employee, costs per hour of labor, nor costs per \$100 of sale are different between small businesses and the largest 10% of businesses affected.

Steps Taken by the Agency to Reduce the Costs of the Rule on Small Businesses: None.

Description of How the Agency Involved Small Businesses in the Development of the Rule: The rules were discussed at length throughout a five-week public meeting process at the Pacific Fishery Management Council/North-of-Falcon process. These meetings included representatives of the several fishery management agencies, treaty Indian tribes, the troll, gill net, purse seine, and reef net associations, and representatives of the recreational fishing industry. The rules package reflects agreements reached among the parties during this public process.

List of Industries Required to Comply with this Rule:

- (1) Gill net fishers licensed by the state of Washington.
- (2) All Puget Sound commercial salmon fishers and wholesale fish dealers.
- (3) Commercial fishers and wholesale fish dealers licensed by the state of Washington.

Section 201, chapter 403, Laws of 1995, does not apply to this rule adoption. Not hydraulics rules.

Hearing Location: OB2 Auditorium, 14th and Jefferson, Olympia, on June 24, 1998, at 10:00 a.m.

Assistance for Persons with Disabilities: Contact Robin Ayers by June 10, 1998, TDD (360) 902-2295, or (902) [(360)] 902-2933.

Submit Written Comments to: Evan Jacoby, 600 Capitol Way North, Olympia, WA 98501, FAX (360) 902-2940, by June 23, 1998.

Date of Intended Adoption: June 24, 1998.

NEW SECTION

WAC 220-16-002 Definition—Adult salmon. "Adult salmon" is defined as a chinook salmon greater than 24 inches in length, a coho salmon greater than 20 inches in length, or a chum, pink or sockeye salmon greater than 12 inches in length.

NEW SECTION

WAC 220-16-005 Definitions—Authorized. "Authorized" when used in the context of authorized employee, authorized department personnel, authorized representative of the department, and terms of similar character, shall be defined as any person employed by the department and performing department activities, or any other person under the direct supervision of an employee and who is performing department activities.

AMENDATORY SECTION (Amending WSR 98-06-031, filed 2/26/98, effective 5/1/98)

WAC 220-16-550 Octopus Hole Conservation Area. "Octopus Hole Conservation Area" is defined as those waters and bedlands of Hood Canal within a line projected due east from the western shore of Hood Canal on latitude 47°27'01"N for 200 yards, thence southerly 628 yards parallel to the high water mark to latitude ((46°26'66")) 47°26'66", thence due west to shore, but excluding those tidelands, bedlands and waters within 100 feet of the high water mark.

AMENDATORY SECTION (Amending WSR 98-06-031, filed 2/26/98, effective 5/1/98)

WAC 220-20-010 General provisions—Lawful and unlawful acts—Salmon, other food fish and shellfish. (1) It shall be unlawful to take, fish for, possess or transport for any purpose food fish, shellfish or parts thereof, in or from any of the waters or land over which the state of Washington has jurisdiction, or from the waters of the Pacific Ocean, except at the times, places and in the manners and for the species, quantities, sizes or sexes provided for in the regulations of the department of fisheries.

(2) It shall be unlawful for any person to have in possession or under control or custody any food fish or shellfish within the land or water boundaries of the state of Washing-

PROPOSED

ton, except in those areas which are open to commercial fishing or wherein the possession, control or custody of salmon or other food fish or shellfish for commercial purposes is made lawful under a statute of the state of Washington or the rules and regulations of the director of fisheries, unless otherwise provided.

(3) It shall be lawful to fish for, possess, process and otherwise deal in food fish and fish offal or scrap for any purpose, provided; that it shall be unlawful to use any of the following listed species for purposes other than human consumption or fishing bait:

Pacific halibut	(<i>Hippoglossus stenolepis</i>)
Pacific herring (except as prescribed in WAC 220-49-020)	(<i>Clupea harengus pallasi</i>)
Salmon	
Chinook	(<i>Oncorhynchus tshawytscha</i>)
Coho	(<i>Oncorhynchus kisutch</i>)
Chum	(<i>Oncorhynchus keta</i>)
Pink	(<i>Oncorhynchus gorbuscha</i>)
Sockeye	(<i>Oncorhynchus nerka</i>)
Masu	(<i>Oncorhynchus masu</i>)

(4) It shall be unlawful for any person to fish for food fish or shellfish while in possession in the field of food fish or shellfish that are in violation of the harvest regulations for the area being fished. This regulation does not apply to vessels in transit.

(5) It shall be unlawful for the owner or operator of any commercial food fish or shellfish gear to leave such gear unattended in waters of the state or offshore waters unless said gear is marked,

(a) Shellfish pot, bottom fish pot, set line and set net gear must be marked with a buoy to which shall be affixed in a visible and legible manner the department of fisheries approved and registered buoy brand issued to the license, provided that:

~~((a))~~ (i) Buoys affixed to unattended gear must be visible on the surface of the water except during strong tidal flow or extreme weather conditions.

~~((b))~~ (ii) When two or more shellfish pots are attached to a common ground line the number of pots so attached must be clearly labeled on the required buoy.

(b) It is unlawful to operate any gill net, attended or unattended, unless there is affixed, within five feet of each end of the net, a buoy, float, or some other form of marker, visible on the corkline of the net, on which shall be marked in a visible, legible and permanent manner the name and gill net license number of the fisher.

(c) It shall be unlawful at any time to leave a gill net unattended in the commercial salmon fishery.

(6) It shall be unlawful to place any commercial food fish or shellfish gear in any waters closed to commercial fishing, provided; that this provision shall not apply to reef nets or brush weirs or to gear being tested under supervision of the department of fisheries, provided further that it shall be unlawful to take, fish for or possess food fish with any type of

commercial fishing gear in the waters of Carr Inlet north of north latitude 47° 20' from August 15 through November 30 except as provided in chapter 220-47 WAC.

(7) It shall be unlawful for the owner or operator of any fishing gear to refuse to submit such gear to inspection in any manner specified by authorized representatives of the department of fisheries.

(8) It shall be unlawful for any person taking or possessing food fish or shellfish taken from any of the waters or beaches of the Columbia River, the state of Washington or the Pacific Ocean for any purpose to fail to submit such food fish or shellfish for inspection by authorized representatives of the department of fisheries.

(9) It shall be unlawful for any person licensed under the fisheries code of Washington to fail to make or return any report required by the department of fisheries relative to the taking, selling, possessing, transporting, processing, freezing and storing of food fish or shellfish whether taken within the jurisdiction of the state of Washington or beyond or on Indian reservations or usual and accustomed Indian fishing grounds.

(10) It shall be unlawful to take, fish for or possess or to injure, kill or molest fish in any fishway, fish ladder, fish screen, holding pond, rearing pond, or other fish protective device, or to interfere in any manner with the proper operation of such fish protective devices.

(11) It shall be unlawful to club, gaff, shoot, snag, snare, dip net, harass, spear, stone or otherwise molest, injure, kill or destroy any food fish or shellfish or parts thereof, or for any person to attempt to commit such acts, or to have any fish, shellfish or parts thereof so taken in possession, except as provided for in this subsection:

(a) It shall be lawful to use a dip net or club in the landing of food fish taken by personal-use angling unless otherwise provided and it shall be lawful to use a gaff in the landing of tuna, halibut and dogfish in all catch record card areas.

(b) It shall be lawful to use a dip net, gaff, or club in the landing of food fish or shellfish taken for commercial purposes, except that it is unlawful to use a fish pew, pitchfork, or any other instrument that will penetrate the body of the food fish or shellfish while sorting commercial catches during the act of discarding those fish that are not going to be retained.

(c) It shall be lawful to use a spear in underwater spear fishing as provided for in WAC 220-56-160.

(d) It shall be lawful to use a spear to take carp as provided for in WAC 220-56-280.

(e) It shall be lawful to snag herring, smelt, anchovies, pilchard, sand lance, and squid when using forage fish jigger gear or squid jigs.

(f) It shall be lawful to shoot halibut when landing them with a dip net or gaff.

(12) It shall be unlawful to take or possess for any purpose any food fish or shellfish smaller than the lawful minimum size limits. Any such fish either snagged, hooked, netted or gilled must be immediately returned to the water with the least possible injury to the fish or shellfish and it shall be unlawful to allow undersized salmon entangled in commercial nets to pass through a power block or onto a power reel or drum.

(13) It shall be unlawful to possess aboard any vessel engaged in commercial fishing or having commercially caught fish aboard, any food fish or shellfish in such condition that its species, length, weight or sex cannot be determined if a species, length, weight, or sex limit is prescribed for said species and it is unlawful to possess food fish or shellfish mutilated in any manner such that the natural length or weight cannot be determined if a length or weight limit is prescribed for said species.

(14) It shall be unlawful in any area to use, operate or carry aboard a commercial fishing vessel a licensed net or combination of such nets, whether fished singly or separately, in excess of the maximum lawful size or length prescribed for a single net in that area, except as otherwise provided for in the rules and regulations of the department of fisheries.

(15) It shall be unlawful for any permit holder to fail to comply with all provisions of any special permit or letter of approval issued to him under the authority of the director of fisheries, or to perform any act not specifically authorized in said document or in the regulations of the director of fisheries.

(16) It shall be unlawful to use, place or cause to be placed in the waters or on the beaches or tidelands of the state any substance or chemical used for control of predators or pests affecting food fish or shellfish or other aquatic marine organisms, without first having obtained a special permit to do so from the director of fisheries.

(17) It shall be unlawful to test commercial fishing gear except as follows:

(a) Bellingham Bay - inside and northerly of a line from Governor's Point to the south tip of Eliza Island to Point Frances in waters 10 fathoms and deeper.

(b) Boundary Bay - north of a line from Birch Point to Point Roberts and south of the international boundary in waters 10 fathoms and deeper during times not under IPSFC control.

(c) San Juan Channel - within a 1 mile radius of Point Caution during times not under IPSFC control.

(d) Port Angeles - inside and westerly of a line projected from the east tip of Ediz Hook through buoy C "1" to the mainland.

(e) Port Gardner - within a 2 mile radius of the entrance to Everett breakwater in waters 10 fathoms and deeper.

(f) Central Puget Sound - between lines from Meadow Point to Point Monroe and Skiff Point to West Point in waters 50 fathoms and deeper.

(g) East Pass - between lines from Point Robinson true east to the mainland and from Dash Point to Point Piner in waters 50 fathoms and deeper.

(h) Port Townsend - westerly of a line from the Coast Guard station in Port Townsend to Walan Point to Kala Point in waters 10 fathoms and deeper.

(i) All tows or sets are limited to 20 minutes exclusive of setting and retrieving time.

(j) All testing is to be accomplished between 8:00 a.m. and 4:00 p.m.

(k) Codends of trawl nets must be left open, all hooks of set line gear must be unbaited, and no lures or baited hooks shall be used with jig or troll gear.

(l) Any and all incidentally caught fish and shellfish must be returned to the waters immediately, and no fish or shellfish are to be retained aboard the vessel at any time during a gear test operation.

(m) It shall be unlawful for any person conducting such gear testing operations to fail to notify the fisheries patrol office in Olympia prior to testing.

(18) It is unlawful for any person or corporation either licensed by the department of fisheries or bringing food fish or shellfish into the state to fail to comply with the directions of authorized department personnel related to the collection of sampling data or material from food fish or shellfish. It is also unlawful for any such person or corporation to fail to relinquish to the department, upon request, any part of a salmon or other food fish containing coded-wire tags, including but not limited to, the snouts of those salmon that are marked by having clipped adipose fins.

REPEALER

The following section of the Washington Administrative Code is repealed:

WAC 220-47-326	Puget Sound commercial salmon—Assessment of impacts on released fish.
----------------	---

AMENDATORY SECTION (Amending Order 97-124, filed 7/29/97, effective 8/29/97)

WAC 220-47-307 Closed areas—Puget Sound salmon. It is unlawful at any time, unless otherwise provided, to take, fish for, or possess salmon taken for commercial purposes with any type of gear from the following portions of Puget Sound Salmon Management and Catch Reporting Areas, except that closures listed in this section shall not apply to reef net fishing areas listed in RCW 75.12.140:

AMENDATORY SECTION (Amending Order 97-124, filed 7/29/97, effective 8/29/97)

WAC 220-47-427 Puget Sound—Beach seine—Emerging commercial fishery—Eligibility—Lawful gear.

(1) The Puget Sound beach seine salmon fishery is designated as an emerging commercial fishery for which a vessel is required. An emerging commercial fishery license and an experimental fishery permit are required to participate in this fishery.

(2) The department will issue five Quilcene Bay salmon beach seine experimental fishery permits (Quilcene permits).

(3) The following is the selection process the department will use to offer a Quilcene permit.

(a) Persons who held a Quilcene Bay salmon beach seine experimental fishery permit in ((1996)) 1997 will be eligible for a permit in ((1997)) 1998.

(b) The department established a pool of applicants by drawing on September 9, 1996. The pool established by this drawing will be maintained to replace any permit(s) which may be voided.

(4) Permit holders are required to participate in the Quilcene Bay salmon beach seine experimental fishery.

(a) For purposes of this section, "participation" means the holder of the Quilcene permit being aboard the designated vessel in the open fishery area four days each week during the open fishing period, except that during the Fraser sockeye and pink salmon species season in Areas 7 and 7A "participation" means the holder of the Quilcene permit being aboard the designated vessel in the open fishery area two days each week during the open fishing period.

(b) If the Quilcene permit holder fails to participate, the Quilcene permit issued to that fisher will be void and a new Quilcene permit will be ((reissued)) issued through a random drawing from the applicant pool established in 1996.

(c) The department may require proof of participation by registering with state, federal or tribal officials each day the Quilcene permit holder participates.

(d) Persons who participate, but violate conditions of a Quilcene permit, will have the permit voided and a new Quilcene permit will be reissued through a random drawing from the pool of the voided permit holder. Chum salmon may not be retained by a Quilcene permit holder. Chum salmon

(3) Specific marine water exceptions to state-wide rules:

(a) Marine water area codes and boundaries:

(i) Area 1 (Ilwaco): Waters west of the Buoy 10 Line and north to Leadbetter Point.

(ii) Area 2 (Westport-Ocean Shores): From Leadbetter Point north to the Queets River. Area 2 excludes waters of Willapa Bay and Grays Harbor.

(iii) Area 2-1: Willapa Bay east of a line from Leadbetter Point to Willapa Channel Marker 8 (Buoy 8) then to the westerly most landfall on Cape Shoalwater.

(iv) Area 2-2: Grays Harbor east of a line from the outermost end of the north jetty to the outermost exposed end of the south jetty.

(v) Area 3 (La Push): From the Queets River north to Cape Alava.

(vi) Area 4 (Neah Bay): From Cape Alava north and inside Juan de Fuca Strait to the Sekiu River.

(vii) Area 5 (Sekiu and Pillar Point): From mouth of Sekiu River east to Low Point, mouth of the Lyre River.

(viii) Area 6 (East Juan de Fuca Strait): From Low Point east to the Partridge Point-Point Wilson line north to the line from Trial Island (near Victoria, B.C.) - Navigation Buoy BW "R" - Smith Island - the most northeasterly of the Lawson Reef lighted buoys (RB1 QK Fl Bell) - Northwest Island - the Initiative 77 marker on Fidalgo Island.

(ix) Area 7 (San Juan Islands): All marine waters north of the line described under Area 6 to the United States-Canadian boundary.

(x) Area 8 (Deception Pass, Hope and Camano Islands): Line projected from West Point on Whidbey Island to Reservation Head on Fidalgo Island east through Deception Pass, including all waters east of Whidbey Island to the Possession Point - Shipwreck Line.

(xi) Area 8-1 (Deception Pass and Hope Island): East of a line projected from West Point on Whidbey Island to Reservation Head on Fidalgo Island, south of the Burlington Northern Railroad Bridge at the north end of Swinomish Slough, north of the Highway 532 Bridge between Camano Island and the mainland, and westerly of a line from the East Point Light on Whidbey Island to the Saratoga Pass Light # 2 on Camano Island (F1 red 4 sec.).

(xii) Area 8-2 (Port Susan and Port Gardner): East of a line from the East Point Light on Whidbey Island to the Saratoga Pass Light # 2 on Camano Island (F1 red 4 sec.) and north of a line from the south tip of Possession Point 110 degrees true to a shipwreck on the opposite shore.

(xiii) Area 9 (Admiralty Inlet): All waters inside and south of the Partridge Point-Point Wilson Line and a line projected from the southerly tip of Possession Point 110 degrees true to a shipwreck on the opposite shore and northerly of the Hood Canal Bridge and the Apple Cove Point-Edwards Point Line.

(xiv) Area 10 (Seattle-Bremerton): From the Apple Cove Point-Edwards Point Line to a line projected true east-west through the northern tip of Vashon Island.

(xv) Area 11 (Tacoma-Vashon Island): From the northern tip of Vashon Island to the Tacoma Narrows Bridge.

(xvi) Area 12 (Hood Canal): All contiguous waters south of the Hood Canal Bridge and adjacent waters north of the Hood Canal Bridge when fishing from the pontoon beneath the bridge.

(xvii) Area 13 (South Puget Sound): All contiguous waters south of the Tacoma Narrows Bridge.

(b) Marine waters regulations: These regulations apply to all marine waters contained within the boundaries of Washington state, within Puget Sound, Hood Canal, the Strait of Juan de Fuca, the San Juan Islands, the Strait of Georgia, and the Pacific Ocean, including estuaries (river mouths) from salt water upstream to a line between the outermost headlands measured at the highest high tide (usually the debris line furthest inshore on surrounding beaches), unless otherwise described under area regulations (see individual areas, below):

(i) Fishing hours: Twenty-four hours per day year around, except those waters of Area 10 west of the Lake Washington Ship Canal to a north-south line 175 feet west of the Burlington-Northern Railroad Bridge are closed waters.

(ii) License requirements: A valid current Washington state department of fish and wildlife game fish license, and, if appropriate, a steelhead license, is required to fish for game fish including steelhead in marine waters. All steelhead taken from marine areas shall be entered on the steelhead catch record card using the words Marine Area and followed by the appropriate marine area code number.

(iii) Gear restrictions: Angling gear only, and in those waters of Area 10 downstream of the First Avenue South Bridge to an east-west line through southwest Hanford Street on Harbor Island and parallel to southwest Spokane Street where it crosses Harbor Island, nonbuoyant lure restriction July 1 through November 30. In all areas, underwater spearfishing, spearing, gaffing, clubbing, netting, or trapping game fish is unlawful.

(iv) Trout: Daily limit two fish, minimum length fourteen inches, except release Dolly Varden/Bull Trout in all areas, release wild cutthroat in Marine Areas 12 and 13, and release all trout November 1 through May 31 in Chambers Bay and that portion of Marine Area 13 inside a line from Gordan Point to the dock at Pioneer gravel pit (second gravel pit approximately 1.2 miles north of Chambers Bay).

REVIEW BOARD

[Filed May 19, 1998, 11:17 a.m.]

Please be advised that we are withdrawing WSR 98-09-047 at this time.

We will be resubmitting our proposals for expedited adoption of WAC 381-10-120, 381-10-170, 381-20-050, 381-20-090, and 381-20-100 with minor corrections.

REVIEW BOARD

[Filed May 19, 1998, 11:20 a.m.]

Title of Rule: Chapter 381-10 WAC, General administrative policies and chapter 381-20 WAC, Public records and disclosure.

Purpose: These chapters describe the board's general organization and policies as well as procedures relating to public disclosure.

Statutory Authority for Adoption: RCW 34.05.220 [(1)](b), 42.17.250.

Statute Being Implemented: RCW 34.05.220 [(1)](b), 42.17.250.

Summary: These proposals clarify existing rules.

Reasons Supporting Proposal: The changes clarify language relating to conflicts of interest, expands victim's options, and clarifies rules relating to access of records.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Dennis Marsh, 4317 6th Avenue S.E., Lacey, WA, (360) 493-9266.

Name of Proponent: Indeterminate Sentence Review Board, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: WAC 381-10-120 outlines the board's policy regarding conflicts of interest, WAC 381-10-170 outlines the board's policy regarding victim's rights, WAC 381-20-050, 381-20-090, and 381-20-100 outlines the board's policy for requesting public disclosure, disclosure procedures, and the appeal process.

Proposal Changes the Following Existing Rules: The changes are minor and are intended to either clarify or enhance existing rules. The change relating to conflicts of interest clarifies who may object to potential conflicts of interest. The change relating to victim's rights is intended to enhance access to the board and eliminates time restraints currently imposed. The changes relating to public records/disclosure clarifies who processes public disclosure requests.

Expedited adoption under RCW 34.05.230 (1)(c) is appropriate for WAC 381-10-120, 381-20-050, 381-20-090 and 381-20-100 because the proposed changes clarify existing rules without changing their effect.

Expedited adoption under RCW 34.05.230 (1)(e) is appropriate for WAC 381-10-170. This change is proposed after receiving feedback from victims via the Office of Crime Victims Advocacy. In some cases, victims did not feel comfortable addressing the full board and would prefer to meet privately with the chair. In addition, the time constraints imposed were felt to be too restrictive. The Office of Crime Victims Advocacy was involved in, and is supportive of, the proposed change.

NOTICE

THIS RULE IS BEING PROPOSED TO BE ADOPTED USING AN EXPEDITED RULE-MAKING PROCESS THAT WILL ELIMINATE THE NEED FOR THE AGENCY TO HOLD PUBLIC HEARINGS, PREPARE A SMALL BUSINESS ECONOMIC IMPACT STATEMENT, OR PROVIDE RESPONSES TO THE CRITERIA FOR A SIGNIFICANT LEGISLATIVE RULE. IF YOU OBJECT TO THIS RULE BEING ADOPTED USING THE EXPEDITED RULE-MAKING PROCESS, YOU MUST EXPRESS YOUR OBJECTIONS IN WRITING AND THEY MUST BE SENT TO Dennis Marsh, Indeterminate Sentence Review Board, P.O. Box 40907, Olympia, WA 98504-0907, AND RECEIVED BY August 1, 1998.

AMENDATORY SECTION (Amending WSR 91-14-028, filed 6/26/91, effective 7/27/91)

WAC 381-10-120 Conflict of interest. It is the policy of the board that whenever a member or hearing officer has personal knowledge of a case, or a personal interest, or personal acquaintance of the subject person, any of which factors might reasonably be construed as having an influence on the outcome, the member or hearing officer shall withdraw completely from the decision-making process on that case if requested by any party to the proceeding.

AMENDATORY SECTION (Amending WSR 91-14-028, filed 6/26/91, effective 7/27/91)

WAC 381-10-170 Victim's rights. This rule is provided to ensure the orderly presentation of victim statements so that victims or their representatives may freely exercise their constitutional rights.

(1) Written statements. Consistent with prior board practices, the board will continue to ~~((allow))~~ encourage victims or their representatives to submit written statements to the board. Prior notification is not required for the submission of written statements.

(2) In-person statements. Upon notification either through the prosecuting attorney to the board, or directly to the board that an in-person statement is requested by the victims or their representatives, such person shall be ~~((allowed))~~ invited to make an in-person statement to the board as a

~~whole at a regularly scheduled board meeting, or through a meeting with the chair prior to a final decision allowing an offender to be released on parole. ((Such statement will be limited to fifteen minutes and may only be made at a regularly scheduled board meeting. After notifying the board of intent to make an in-person statement, the victim or victim's representative will be advised of the time and place of the next board meeting where an in-person statement will be scheduled.))~~

(3) Other statements. The board ~~((will))~~ also ~~((allow))~~ encourages victims or their representatives to submit audio cassette or video (VHS) tape statements. The statement will be presented at a regularly scheduled meeting before the offender's final parole release decision is made. ~~((Tape statements are limited to fifteen minutes in length.))~~

AMENDATORY SECTION (Amending WSR 91-14-028, filed 6/26/91, effective 7/27/91)

WAC 381-20-050 Requests for public records. (1) All requests for the disclosure of a public record must be in writing identifying the record sought with reasonable certainty. The written request should include:

- (a) The name of the person requesting the record.
- (b) The calendar date the request was made.
- (c) The nature of the request.

(2) A request for disclosure shall be made during the customary business hours or by mail. Persons who appear at the board's office for the purpose of inspection and copying of the board files are requested to make an appointment ~~((with the public disclosure coordinator))~~ at least ten working days in advance in order to allow sufficient time for the removal and deletion of exempted record information.

(3) This chapter shall not be construed as giving authority to any agency to give, sell, or provide access to lists of individuals for any purpose, and the board shall not do so unless specifically authorized or directed by law.

(4) If the public record contains material exempt from disclosure pursuant to law, including those laws cited in WAC 381-20-010, the board must provide the person requesting disclosure with a written explanation for the non-disclosure, pursuant to WAC 381-20-090.

(5) Any person continuing to seek disclosure, after having received a written explanation for the nondisclosure, pursuant to WAC 381-20-090, may request a review under the provisions of WAC 381-20-100.

(6) When a person's identity is relevant to an exemption, that person may be required to provide personal identification.

(7) Nothing in this chapter, shall be construed to require the board to compile statistics or other information from material contained in public records, where doing so would unduly interfere with other essential functions of the board and is not required for litigation by rules of pretrial discovery.

(8) If public records or information contained in a board file are in the field for purposes of a hearing, and are thus not available, ~~((the public disclosure coordinator or his designee))~~ board staff shall promptly inform the person requesting disclosure that there will be a delay in responding to the disclosure request due to the unavailability of the public record.

(9) All requests from the press or media shall be referred to the chair or designee for response.

AMENDATORY SECTION (Amending WSR 91-14-028, filed 6/26/91, effective 7/27/91)

WAC 381-20-090 Disclosure procedure. ~~((The public records officer))~~ board staff shall review file material prior to disclosure.

If the file does not contain materials exempt from disclosure, ~~((the public records officer))~~ board staff shall ensure full disclosure.

If the file does contain materials exempt from disclosure, ~~((the public records officer))~~ board staff shall exempt those portions of the file and shall, at the time of the denial, in writing, clearly specify the reasons for the denial of disclosure, including a statement of the specific exemptions or reasons authorizing the withholding of the record and a brief explanation of how the exemption applies. The remaining nonexempt materials shall be fully disclosed pursuant to this chapter.

AMENDATORY SECTION (Amending WSR 91-14-028, filed 6/26/91, effective 7/27/91)

WAC 381-20-100 Remedy for review of denial of disclosure. (1) If the person requesting disclosure disagrees with the decision of ~~((a public disclosure reviewer))~~ board staff denying disclosure of a public record, this person may, at any time, petition the board's ~~((public records))~~ executive officer for review of the decision denying disclosure. The form used by ~~((the public disclosure reviewer))~~ board staff to deny disclosure of a public record shall clearly indicate this right of review.

(2) The ~~((public records))~~ executive officer shall review decisions denying disclosure in the most prompt fashion possible, and such review shall be deemed completed at the end of the second business day following receipt by the board of the petition for review. This shall constitute final agency action for the purposes of judicial review, pursuant to RCW 42.17.320.

AMENDATORY SECTION (Amending Order 92-37, filed 10/7/92, effective 11/7/92)

WAC 173-03-040 ((Public records available.)) **How do I get access to the public records of the department of ecology?** (1) All public records of the department are available for public inspection and copying ((pursuant to)) under these rules subject to subsections (2), (3), (4), and (5) of this section.

(2) Availability of public records is subject to the exemptions and prohibitions against disclosure contained in RCW 42.17.310, 42.17.130, 42.17.255, 42.17.260, and 90.52.020. In addition, individuals may ((seek)) request, and ecology

may grant, confidentiality of documents from disclosure under RCW 43.21A.160 and 70.105.170.

(3) When a public record includes information ((the disclosure of)) which, if disclosed, would lead to an unreasonable invasion of personal privacy, and the department becomes aware of this fact, the department shall delete such information before making the record available.

(4) Public records requested may not be readily available for immediate inspection. If the requested records are not readily available, the department shall notify the requester when and where ((such)) those records will be available.

(5) Public records of the department are kept by the department or state archives until scheduled for destruction by the records retention schedule ((pursuant to)) in accordance with chapter 40.14 RCW. Public records ((which are)) subject to a request for disclosure when scheduled for destruction shall be retained by the department and ((shall)) may not be erased or destroyed until the request is resolved.

AMENDATORY SECTION (Amending Order 90-37, filed 10/23/90, effective 11/23/90)

WAC 173-03-050 ((Records index-)) What records are retained and how are they indexed? The records retention schedule established by the division of state archives of the office of the secretary of state serves as an index for the identification and location of the following records:

- (1) All records issued before July 1, 1990, for which the department has maintained an index;
- (2) Final orders entered after June 30, 1990, that are issued in adjudicative proceedings as defined in RCW 34.05.010(1) and that contain an analysis or decision of substantial importance to the department in carrying out its duties;
- (3) Declaratory orders entered after June 30, 1990, that are issued pursuant to RCW 34.05.240 and that contain an analysis or decision of substantial importance to the department in carrying out its duties; and
- (4) Interpretive statements as defined in RCW 34.05.010(8) that were entered after June 30, 1990.

The records retention schedule indexes records according to the originating program or section, and then the record series title. Each title is further identified by a statement of function or purpose, and the retention period. The records retention schedule is available to the public for inspection and copying. With the assistance of the public records officer or designee, any person can obtain access to public records of the department using the records retention schedule.

A separate index of policy statements as defined in RCW 34.05.010(4) entered after June 30, 1990, shall be maintained by the department's policy manual coordinator or designees.

AMENDATORY SECTION (Amending Order 92-37, filed 10/7/92, effective 11/7/92)

WAC 173-03-060 ((Requests for public records,)) How do I request a public record? (1) All requests for inspection or copying made in person at a department office shall be made on a form substantially as follows:

REQUEST FOR PUBLIC RECORDS

(2) ((All requests made in person may be made at a department)) You may request records in person at a department of ecology office between the hours of 8:00 a.m. to 12:00 noon and 1:00 p.m. to 4:30 p.m., Monday through Friday, excluding legal holidays.

(3) ((A request for inspection or copying of public records may be made by mail in a letter containing)) If you make your request by mail, your request must contain the following information:

- (a) The name and address of the person making the request and the organization the person represents;
- (b) The time of day and calendar date on which the person wishes to inspect the public records;
- (c) A description of the public records requested;
- (d) A statement whether access to copying equipment is desired;
- (e) A phone number where the person can be reached in case the public records officer or designate needs to contact the person for further description of the material or any other reason.
- (f) A statement that the record will not be used for commercial purposes.

EXPEDITED ADOPTION

(4) ~~The department must receive all requests ((by mail must be received by the department))~~ at least five business days before the requested date of inspection to allow the public records officer or designee to make certain the requested records are available and not exempt and, if necessary, to contact the person requesting inspection. The department will process all requests ((will be handled)) in a timely manner. However, large requests or requests for public records maintained off-site may require more than five business days to prepare. The department will respond to your request within five business days of receiving ((a public record request, the department will respond)) it, by either:

- (a) Providing the record;
- (b) Acknowledging that the department has received the request and providing a reasonable estimate of the time the department will require to respond to the request; or
- (c) Denying the public record request.

Additional time required to respond to a request may be based upon the need to clarify the intent of the request, to locate and assemble the information requested, to notify third persons or agencies affected by the request, or to determine whether any of the information requested is exempt and that a denial should be made as to all or part of the request. In acknowledging receipt of a public record request that is unclear, the department may ask the requestor to clarify what information the requestor is seeking. If the requestor fails to clarify the request, the agency need not respond to it.

(5) The department may in its discretion fill requests made by telephone or facsimile copy (fax).

AMENDATORY SECTION (Amending Order 92-37, filed 10/7/92, effective 11/7/92)

WAC 173-03-070 ((Fees)) How much will it cost me to view a public record? ((No fee shall be charged)) The department does not charge a fee for the inspection of public records. The department will charge an amount necessary to reimburse its costs for providing copies of records. This amount shall be ~~((determined))~~ reviewed from time to time by the department, and shall represent the costs of providing copies of public records and for use of the department's copy equipment, including staff time spent copying records, preparing records for copying, and restoring files. This charge is the amount necessary to reimburse the department for its actual costs ~~((incident to such))~~ for copying and ~~((shall be))~~ is payable at the time copies are furnished. The charge for special copy work of nonstandard public records shall reflect the total cost, including the staff time necessary to safeguard the integrity of these records.

AMENDATORY SECTION (Amending Order DE 77-35, filed 1/17/78)

WAC 173-03-080 ((Statement of reason for denial of public records request)) What happens when the department denies a public records request? When the department refuses, in whole or part, a ~~((written))~~ request for inspection of any public record, it ~~((shall))~~ must include a statement of the specific exemption authorizing the refusal

and a brief explanation of how the exemption applies to the record withheld.

AMENDATORY SECTION (Amending Order DE 77-35, filed 1/17/78)

WAC 173-03-090 ((Reviews of denial of public records request)) What do I do if I object to the department's denial to review a public record? (1) Any person who objects to the refusal of a ~~((written))~~ request for a public record may petition for prompt review of ~~((such))~~ that decision by ~~((tendering))~~ submitting a written request for review. The written request shall specifically refer to the written statement by the public records officer or designee which constituted or accompanied the refusal.

(2) Immediately after receiving a written request for review of a decision denying a public record, the public records officer or other staff member denying the request shall refer it to the director or ~~((his))~~ the director's delegate. The director or ~~((his))~~ delegate shall immediately consider the matter and either affirm or reverse ~~((such))~~ the refusal. The final decision shall be sent to the objecting person within two business days following receipt of the petition for review.

AMENDATORY SECTION (Amending Order 92-37, filed 10/7/92, effective 11/7/92)

WAC 173-03-100 ((Protection of public records)) How does the department protect public records? In order to adequately protect the public records of the department, you must comply with the following guidelines ((shall be adhered to by any person inspecting such)) while inspecting public records:

(1) ~~((No))~~ You may not remove any public record((s shall be removed)) from the department's premises.

(2) ~~((Inspection of any public record shall be conducted in the presence of))~~ You must have a designated department employee present while you are inspecting a public record.

(3) ~~((No public records may be marked or defaced))~~ You may not mark or deface a public record in any manner during inspection.

(4) You may not dismantle public records which are maintained in a file or jacket, or in chronological or other filing order, or those records which, ((the loss or destruction of which)) if lost or destroyed, would constitute excessive interference with the department's essential functions~~((; may not be dismantled except for purposes of copying and then only by the public records officer or designee)).~~

(5) Access to file cabinets, shelves, vaults, or other storage areas is restricted to department personnel, unless other arrangements are made with the public records officer or designee.

((SOLICITATION REGULATION)) LIFE INSURANCE DISCLOSURE

AMENDATORY SECTION (Amending Order R 79-2, filed 6/25/79, effective 1/1/80)

WAC 284-23-200 Purpose. (1) The purpose of this regulation is to require insurers to deliver to purchasers of life insurance, information which will improve the buyer's ability to select the most appropriate plan of life insurance for ~~((his))~~ the buyer's needs, improve the buyer's understanding of the basic features of the policy which has been purchased or which is under consideration and improve the ability of the

buyer to evaluate the relative costs of similar plans of life insurance.

(2) This regulation does not prohibit the use of additional material which is not in violation of this regulation or any other Washington statute or regulation.

AMENDATORY SECTION (Amending Order R 79-2, filed 6/25/79, effective 1/1/80)

WAC 284-23-210 Scope. (1) Except ~~((as hereafter exempted))~~ for the exemptions specified in subsection (2) of this section, this regulation shall apply to any solicitation, negotiation or procurement of life insurance occurring within this state. This regulation shall apply to any issuer of life insurance contracts including fraternal ~~((mutual life insurers))~~ benefit societies.

(2) Unless ~~((otherwise))~~ specifically included, this regulation shall not apply to:

(a) Annuities.

(b) Credit life insurance.

(c) Group life insurance whose cost is borne in whole or in part by the individual insured's employer or by an association of which the individual insured is a member.

(d) Life insurance policies issued in connection with pension and welfare plans as defined by and which are subject to the federal Employee Retirement Income Security Act of 1974 (ERISA).

(e) Variable life insurance under which the death benefits and cash values vary in accordance with unit values of investments held in a separate account.

AMENDATORY SECTION (Amending Order R 79-2, filed 6/25/79, effective 1/1/80)

WAC 284-23-220 Definitions. For the purposes of this regulation, the following definitions shall apply:

(1) ~~((("Buyer's guide." A buyer's guide is a document which contains, and is limited to, the language contained in WAC 284-23-270 or language approved by the commissioner.~~

~~((2) "Cash dividend." A cash dividend is the current illustrated dividend which can be applied toward payment of the gross premium.~~

~~((3) "Equivalent level annual dividend." The equivalent level annual dividend is calculated by applying the following steps:~~

~~((a) Accumulate the annual cash dividends at five percent interest compounded annually to the end of the tenth and twentieth policy years.~~

~~((b) Divide each accumulation of step (a))~~ "Buyer's Guide" is a document that contains, and is limited to, the current buyer's guide, which has been recommended for use by the National Association of Insurance Commissioners. A company must use the current Buyer's Guide no later than six months after approval by the National Association of Insurance Commissioners.

~~((2) Cost comparison indexes:~~

~~((a) "Surrender cost comparison index—Guaranteed basis" is calculated by applying the following steps:~~

(i) Step one: Determine the guaranteed cash surrender value, if any, available at the end of the tenth and twentieth policy years.

(ii) Step two: Divide the result of step one by an interest factor that converts it into one equivalent level annual amount that, if paid at the beginning of each year, would accrue to the values in step ((a)) one over the respective periods stipulated in step ((a)) one. If the period is ten years, the factor is 13.207 and if the period is twenty years, the factor is 34.719.

~~(((c) Divide the results of step (b) by the number of thousands of the equivalent level death benefit to arrive at the equivalent level annual dividend.~~

~~(4) "Equivalent level death benefit."—The equivalent level death benefit of a policy or term life insurance rider is an amount calculated as follows:~~

~~(a) Accumulate the guaranteed amount payable upon death, regardless of the cause of death, at the beginning of each policy year for ten and twenty years at five percent interest compounded annually to the end of the tenth and twentieth policy years respectively.~~

~~(b) Divide each accumulation of step (a) by an interest factor that converts it into one equivalent level annual amount that, if paid at the beginning of each year, would accrue to the value in step (a) over the respective periods stipulated in step (a). If the period is ten years, the factor is 13.207 and if the period is twenty years, the factor is 34.719.~~

~~(5) "Generic name."—Generic name means) (iii) Step three: Determine the equivalent guaranteed level premium by accumulating each guaranteed annual premium payable for the basic policy or rider at five percent interest compounded annually to the end of the period stipulated in step one and dividing the result by the respective factors stated in step two. (This amount is the guaranteed annual premium payable for a level premium plan.)~~

~~(iv) Step four: Subtract the result of step two from step three.~~

~~(v) Step five: Divide the result of step four by the number of thousands of the equivalent guaranteed level death benefit, using the company's guaranteed rate schedule to determine the amount payable upon death for purposes of subsection (3) of this section, to arrive at the "surrender cost comparison index—Guaranteed basis."~~

~~(b) "Net payment cost comparison index—Guaranteed basis" is calculated in the same manner as the comparable "surrender cost comparison index—Guaranteed basis" except that the cash surrender value is set at zero.~~

~~(3) "Equivalent guaranteed level death benefit" of a policy or term life insurance rider is an amount calculated as follows:~~

~~(a) Step six: Accumulate the amount payable upon death, regardless of the cause of death, at the beginning of each policy year for ten and twenty years at five percent interest compounded annually to the end of the tenth and twentieth policy years respectively.~~

~~(b) Step seven: Divide each accumulation of step six by an interest factor that converts the accumulation into one equivalent level annual amount that, if paid at the beginning of each year, would accrue to the value in step six over the respective periods stipulated in step six. If the period is ten~~

~~years, the factor is 13.207 and if the period is twenty years, the factor is 34.719.~~

~~(4) "Generic name" is a short title ((which)) that is descriptive of the premium and benefit patterns of a policy or a rider.~~

~~(((6) "Life insurance surrender cost index."—The life insurance surrender cost index is calculated by applying the following steps:~~

~~(a) Determine the guaranteed cash surrender value, if any, available at the end of the tenth and twentieth policy years.~~

~~(b) For participating policies, add the terminal dividend payable upon surrender, if any, to the accumulation of the annual cash dividends at five percent interest compounded annually to the end of the period selected and add this sum to the amount determined in step (a).~~

~~(c) Divide the result of step (b) (step a. for guaranteed cost policies) by an interest factor that converts it into an equivalent level annual amount that, if paid at the beginning of each year, would accrue to the value in step (b) (step a. for guaranteed cost policies) over the respective periods stipulated in step (a). If the period is ten years, the factor is 13.207 and if the period is twenty years, the factor is 34.719.~~

~~(d) Determine the equivalent level premium by accumulating each annual premium payable for the basic policy or rider at five percent interest compounded annually to the end of the period stipulated in step (a) and dividing the result by the respective factors stated in step (c). (This amount is the annual premium payable for a level premium plan.)~~

~~(e) Subtract the result of step (e) from step (d).~~

~~(f) Divide the result of step (e) by the number of thousands of the equivalent level death benefit to arrive at the life insurance surrender cost index.~~

~~(7) "Life insurance net payment cost index."—The life insurance net payment cost index is calculated in the same manner as the comparable life insurance cost index except that the cash surrender value and any terminal dividend are set at zero.~~

~~(8) "Policy summary."—For the purposes of this regulation, policy summary means) (5) "Policy data" is a display or schedule of guaranteed numerical values for each policy year or a series of designated policy years of the following information: Premiums; death benefits; cash surrender values and endowment benefits.~~

~~(6) "Policy summary" is a written statement describing the elements of the policy including but not limited to:~~

~~(a) A prominently placed title as follows: Statement of policy cost and benefit information.~~

~~(b) The name and address of the insurance agent, or, if no agent is involved, a statement of the procedure to be followed in order to receive responses to inquiries regarding the policy summary.~~

~~(c) The full name and home office or administrative office address of the company in which the life insurance policy is to be or has been written.~~

~~(d) The generic name of the basic policy and each rider.~~

~~(e) The following amounts, where applicable, for the first five policy years and representative policy years thereafter sufficient to clearly illustrate the premium and benefit patterns, including, but not necessarily limited to, the years for~~

which life insurance cost indexes are displayed and at least one age from sixty through sixty-five or maturity whichever is earlier:

(i) The guaranteed annual premium for the basic policy.

(ii) The guaranteed annual premium for each optional rider.

(iii) The guaranteed amount payable upon death, at the beginning of the policy year regardless of the cause of death other than suicide, or other specifically enumerated exclusions, which is provided by the basic policy and each optional rider, with benefits provided under the basic policy and each rider shown separately.

(iv) ~~((Total))~~ The guaranteed total cash surrender values at the end of the year with values shown separately for the basic policy and each rider.

~~(v) (Cash dividends payable at the end of the year with values shown separately for the basic policy and each rider. (Dividends need not be displayed beyond the twentieth policy year.))~~

~~(vi))~~ Any guaranteed endowment amounts payable under the policy which are not included under guaranteed cash surrender values above.

(f) The effective policy loan annual percentage interest rate, if the policy contains this provision, specifying whether this rate is applied in advance or in arrears. ~~((f))~~ If the policy loan interest rate is ~~((variable))~~ adjustable, the policy summary shall ~~((include the maximum annual percentage rate.))~~ also indicate that the annual percentage rate will be determined by the company in accordance with the provisions of the policy and the applicable law.

(g) ~~((Life insurance surrender cost and life insurance net payment))~~ Cost comparison indexes for ten and twenty years but in no case beyond the premium paying period. Separate indexes are displayed for the basic policy and for each optional term life insurance rider. ~~((Such))~~ The indexes need not be included for optional riders which are limited to benefits such as accidental death benefits, disability waiver of premium, preliminary term life insurance coverage of less than 12 months and guaranteed insurability benefits nor basic policies or optional riders covering more than one life.

(h) ~~((The equivalent level annual dividend, in the case of participating policies and participating optional term life insurance riders, under the same circumstances and for the same durations at which life insurance cost indexes are displayed.))~~

~~(i) A policy summary which includes dividends shall also include a statement that dividends are based on the company's current dividend scale and are not guaranteed in addition to a statement in close proximity to the equivalent level annual dividend as follows: An explanation of the intended use of the equivalent level annual dividend is included in the life insurance buyer's guide.~~

~~(j))~~ A statement in close proximity to the life insurance cost indexes as follows: An explanation of the intended use of these indexes is provided in the ~~((life insurance))~~ Buyer's Guide.

~~((k))~~ (i) The date on which the policy summary is prepared.

The policy summary must consist of a separate document. All information required to be disclosed must be set out in such a

manner as to not minimize or render any portion ~~((thereof))~~ obscure. Any amounts which remain level for two or more years of the policy may be represented by a single number if it is clearly indicated what amounts are applicable for each policy year. Amounts in item (e) of this section shall be listed in total, not on a per thousand nor per unit basis. If more than one insured is covered under one policy or rider, guaranteed death benefits shall be displayed separately for each insured or for each class of insureds if death benefits do not differ within the class. Zero amounts shall be displayed as zero and shall not be displayed as a blank space.

AMENDATORY SECTION (Amending Order R 79-2, filed 6/25/79, effective 1/1/80)

WAC 284-23-230 ((Disclosure requirements))
Duties of insurers. (1) The insurer shall provide a Buyer's Guide and a policy summary to any prospective purchaser upon request.

~~(2) The insurer shall provide, to all prospective purchasers, a Buyer's Guide ((and a policy summary)) prior to accepting the applicant's initial application, premium, or premium deposit ((unless the policy for which application is made contains an unconditional refund provision of at least ten days or unless the policy summary contains such an unconditional refund offer, in which event the buyer's guide and policy summary must be delivered with the policy or prior to delivery of the policy. (RCW 48.23.380, requiring a 10-day free examination of policy, must be complied with.))~~

~~(2) The insurer shall provide a buyer's guide and a policy summary to any prospective purchaser upon request).~~

~~(3) ((In the case of policies whose equivalent level death benefit does not exceed \$5,000, the requirement for providing a policy summary will be satisfied by delivery of a written statement containing the information described in WAC 284-23-220 (8)(b), (e), (d), (e)(i), (ii) and (iii), (f), (g), (j) and (k))~~ A policy summary must be delivered with or prior to delivery of a policy provided, however, that:

(a) If an illustration, subject to the requirements of chapter 48.23A RCW (Life insurance policy illustrations), is used in the sale of a policy, a policy summary does not have to be provided. Only guarantees may be shown in the policy summary for policies written with an application date on or after the effective date of chapter 48.23A RCW (Life insurance policy illustrations).

(b) If the policy for which application is made or its policy summary does not contain an unconditional refund provision of at least ten days, the policy summary must be delivered prior to delivery of the policy.

(c) If the equivalent guaranteed level death benefit of the policy for which application is made does not exceed five thousand dollars, the requirement for providing a policy summary will be satisfied by delivery of a written statement containing the information described in WAC 284-23-220 (6)(b), (c), (d), (e)(i), (ii), (iii), (iv), (f), (g), (h), and (i).

NEW SECTION

WAC 284-23-235 Special plans and solicitation by direct response. (1) In the case of a solicitation by direct

response methods, the insurer shall provide a *Buyer's Guide* and a policy summary prior to accepting the application. However, if the policy contains an unconditional refund provision of at least ten days, the *Buyer's Guide* and a policy summary may be delivered with the policy.

(2) Special plans. This subsection modifies the application of this rule as indicated for certain special plans of life insurance:

(a) "Flexible premium and benefit policies." For policies sold without illustrations which:

(i) Permit the policyowner to vary the amount and timing of premium payments, or the amount payable on death, all indexes and other data shall be displayed assuming specific schedules of anticipated premiums and death benefits at issue.

(ii) Provide for a cash value that is based on separately identified interest credits and mortality and expense charges applied to the policy, then the policy summary shall indicate when the policy will expire based on the interest rates and mortality and other charges guaranteed in the policy and the anticipated or assumed annual premiums shown in the policy summary.

(b) "Multitrack policies." For policies which allow a policyowner to change or convert the policy from one plan or amount to another, the policy summary:

(i) Shall display all indexes and other data assuming that the option is not exercised; and

(ii) May display all indexes and other data using a stated assumption about the exercise of the option.

(c) "Policies with any rate subject to continued insurability." For policies which allow a policyowner a reduced premium rate if the insured periodically submits evidence of continued insurability, the policy summary:

(i) Shall display cost indexes and other data assuming that the insured always qualifies for the lowest premium;

(ii) Shall display cost indexes and other data assuming that the insured fails to qualify for the lowest premium and the company always charges the highest premiums allowable; and

(iii) Shall indicate the conditions that must be fulfilled for an insured to qualify periodically for the reduced rate.

AMENDATORY SECTION (Amending Order R 79-2, filed 6/25/79, effective 1/1/80)

WAC 284-23-240 General rules. (1) Each insurer shall maintain at its home office or principal office, a complete file containing one copy of each document authorized by the insurer for use ~~((pursuant to))~~ under this regulation. ~~((Such))~~ The file shall contain one copy of each authorized form for a period of three years following the date of its last authorized use unless otherwise provided by this regulation.

(2) An agent shall inform the prospective purchaser, prior to commencing ~~((a life insurance sales))~~ any presentation that may lead to the sale of life insurance, that ~~((he))~~ the agent is acting as a life insurance agent ~~((and inform the prospective purchaser of the full name of the insurance company which he is representing to the buyer))~~. In sales situations in which an agent is not involved, the insurer shall identify its full name.

(3) Terms such as financial planner, investment advisor, financial consultant or financial ~~((counseling))~~ counselor shall not be used by an agent unless ~~((he))~~ the agent is generally engaged in an advisory business ~~((and receives a material part of his compensation from that source unrelated to the sale of insurance))~~.

(4) ~~((Any reference to policy dividends must include a statement that dividends are not guaranteed.))~~ There shall be no reference to a dividend or nonguaranteed element in the policy summary. Any reference to a dividend or a nonguaranteed element in the sales process must comply with the provisions of chapter 48.23A RCW.

(5) ~~((A system or presentation which does not recognize the time value of money through the use of appropriate interest adjustments shall not be used for comparing the cost of two or more life insurance policies. Such a system may be used for the purpose of demonstrating the cash flow pattern of a policy if such presentation is accompanied by a statement disclosing that the presentation does not recognize that, because of interest, a dollar in the future has less value than a dollar today.~~

(6) A presentation of benefits shall not display guaranteed and nonguaranteed benefits as a single sum unless they are shown separately in close proximity thereto.

~~((7-A))~~ Any statement regarding the use of the life insurance cost comparison indexes shall include an explanation to the effect that the indexes are useful only for the comparison of the relative costs of two or more similar policies.

~~((8))~~ A life insurance cost index which reflects dividends or an equivalent level annual dividend shall be accompanied by a statement that it is based on the company's current dividend scale and is not guaranteed.

(9) For the purposes of this regulation, the annual premium for a basic policy or rider, for which the company reserves the right to change the premium, shall be the maximum annual premium:))

AMENDATORY SECTION (Amending Order R 79-2, filed 6/25/79, effective 1/1/80)

WAC 284-23-250 Failure to comply. Failure of an insurer or an agent to provide or deliver a *Buyer's Guide*, ~~((or))~~ a policy summary, or policy data as provided ~~((in))~~ under WAC 284-23-230 and 284-23-235 shall constitute an unfair method of competition and an unfair act or practice, ~~((pursuant to))~~ under RCW 48.30.010.

REPEALER

The following sections of the Washington Administrative Code are repealed:

- (1) General facility maintenance, routine repairs, consumable supplies, operating expenses, salaries, or programs.
- (2) Equipment not directly related to the project.
- (3) Leasing of equipment of automotive vehicles.
- (4) Indirect cost reimbursement for administrative functions. The fund also does not allow indirect cost rates to be used as part of a cost-share.
- (5) Fund-raising expenses
- (6) Projects completed prior to the start of the biennium for which funding is made.
- (7) Retirement of operational debts nor for construction, facility improvement, or purchase loans that are incurred prior to award date of grant or date of legislative approval..

Reviser's note: The typographical error in the above section occurred in the copy filed by the agency and appears in the Register pursuant to the requirements of RCW 34.08.040.

NEW SECTION

WAC 255-02-070 Application form. Application forms shall be available from the agency. Applications shall be sent by direct mail to those who have requested placement on the Capital Projects Fund mail list or to those who request an application. All applications must be completed and submitted in the format prescribed by the agency and must be submitted by the deadline established by the agency.

NEW SECTION

WAC 255-02-080 Application review process. The evaluation and review of applications shall be based on the written response and support materials provided in the application. Applications are reviewed initially by the staff of the Heritage Resource Center for eligibility. Once eligibility is determined, applications are then reviewed by a panel that makes funding recommendations.

NEW SECTION

WAC 255-02-090 Contracting. Applicants who have been approved for funding will be issued contracts based on a fiscal biennium beginning July 1 and ending June 30.

NEW SECTION

WAC 255-02-100 Disbursement of funds. Applicants should be prepared to finance their projects until reimbursed by the agency. Requests for payment shall be made on invoice vouchers provided by the agency.

NEW SECTION

WAC 255-02-110 Appeal procedure. There shall be a procedure for applicants to appeal the panel's decisions when there is evidence that information available at the time of the panel's action was, in the opinion of the appellant, either not included in the review or was not clearly understood.

- (1) Appeals may not be made based on new information not available at the time of the original decision.
- (2) Appeals must be presented in writing to the director of the Heritage Resource Center, outlining the nature of the appeal.
- (3) The director, in consultation with the director of the Washington State Historical Society and the chairperson of the panel, shall reject or accept the appeal.
- (4) Upon acceptance of the appeal the director shall notify the panel and arrange a special meeting. The appeal may be presented by the applicant at that time. The appeal must be presented in its entirety at that time and shall be considered final.
- (5) The panel shall have 5 business work days to make a decision on the appeal.
- (6) After final panel action on the appeal, the director shall notify the applicant of the decision in writing, within five working days after the date of the decision.

AMENDATORY SECTION

REGULATION I SECTION 6.13 GENERAL SURFACE COATING

SECTION 6.13 GENERAL SURFACE COATING

ADOPTED: November 3, 1994

EFFECTIVE: ~~June 7, 1998~~ ((~~December 18, 1994~~ (Sections 6.13.A., B., C., G.3, G.4, G.5, H., I., and J.))

EFFECTIVE: ~~November 3, 1995~~ (Sections 6.13.D., E., F., G.1, and G.2))

REVISED: May 7, 1998

A. Purpose. This Section establishes controls on surface coating operations in Spokane County in order to:

1. Reduce particulate emissions from coating overspray;
2. Reduce public exposure to Toxic Air Pollutants as listed in Chapter 173-460 WAC;
3. Reduce emissions of precursors to the formation of tropospheric ozone and other photochemical oxidants; and
4. Encourage pollution prevention.

B. Applicability. This Section applies to all surface preparation, surface coating, cleanup, and disposal associated

with general surface coating in Spokane County, unless specifically exempted. ((Sections 6.13.A., B., C., G.3, G.4, G.5, H., I., and J. become effective 45 days after the date of adoption. Sections 6.13.D., E., F., G.1, and G.2 become effective 12 months after the date of adoption.))

C. Definitions. Unless a different meaning is clearly required by context, words and phrases used in this Section shall have the following meaning:

1. Airless Spray means a spraying system that uses hydraulic atomization instead of air atomization. The coating is supplied to the gun under high fluid pressure between 1000 and 3000 psig and the coating is forced through a small orifice.

2. Air-Assisted Airless Spray means a spraying system that combines air and airless features. An airless type fluid tip atomizes the paint and shapes the fan pattern at fluid pressures between 300 and 1000 psig. Lower pressure air from 10 to 30 psig combines at the spray cap to adjust the fan shape to eliminate heavy edges (tails).

3. Automated means the technique, method, or system of operating or controlling a process by mechanical, electrical, hydraulic, or electronic means independent of human intervention.

4. ((1-)) Brush Coat Application means manual application of coatings by use of a paint brush.

5. ((2-)) Coating means a material or formulation of materials that is applied to or impregnated into a surface in order to beautify, protect, enhance the function, or otherwise cover the surface.

6. ((3-)) Dip Coat Application means application of coatings in which the surface to be coated is immersed in a solution (or dispersion) containing the coating material and withdrawn

7. ((4-)) Electrostatic Application means application of coatings where an electrostatic potential is created between the part to be coated and the paint particles.

8. ((5-)) Exempt Solvent means a solvent, or solvent component, which is not a volatile organic compound (VOC).

9. ((6-)) Flow Coat Application means application of coatings by flowing the coating over the surface to be coated and draining the excess coating to a collection system.

10. ((7-)) High Volume, Low Pressure (HVLP) or Low Volume, Low Pressure (LVLP) coating system means equipment used to apply coatings by means of a spray gun which operates between 0.1 and 10.0 pounds per square inch gauge air pressure measured at the nozzle.

11. ((8-)) Light Duty Vehicle means a passenger car, truck, van, or other motor vehicle which has a gross vehicle weight of 8500 pounds or less, or components thereof.

12. ((9-)) Metallic/Iridescent Topcoat means any coating that contains more than 5 grams per liter (0.042 lb/gal) of metal or iridescent particles, as applied to the surface, where such particles are visible in dried film.

13. ((10-)) Multi-Coat System means a coating system where more than one product or coat is sequentially applied to the same surface and generally consists of a pigmented base coat, one or more semi-transparent mid-coats, and a transparent clear coat. The VOC content for a multi-coat system shall be calculated as follows:

$$VOC_{TM} = \frac{VOC_{BC} + VOC_{X1} + VOC_{X2} + \dots + VOC_{Xn} + 2VOC_{CC}}{n+3}$$

where: VOC_{TM} is the average sum of the VOC content, as applied to the surface, in a multi-coat system; and VOC_{BC} is the VOC content, as applied to the surface, of the base coat; and VOC_X is the VOC content, as applied to the surface, of each sequentially applied mid-coat; and VOC_{CC} is the VOC content, as applied to the surface, of the clear coat (Two coats are applied); and n is the total number of coats applied to the primer coat(s) surface.

14. ~~((11.))~~ Precoat means any coating that is applied to bare metal, primarily to deactivate the metal surface for corrosion resistance to a subsequently applied water-based primer.

15. ~~((12.))~~ Pre-packaged Aerosol Can Application means application of coatings from cans which are sold by the coating supplier as nonreusable, hand-held pressurized containers. The coating is expelled as a finely divided spray when a valve on the container is depressed.

16. ~~((13.))~~ Pretreatment Wash Primer means any coating which contains a minimum of 0.5% acid by weight that is applied directly to bare metal to etch the metal surface to enhance corrosion resistance and adhesion of subsequently applied coatings.

17. ~~((14.))~~ Primer means any coating that is applied to a surface to enhance corrosion resistance, protection from the environment, functional fluid resistance, and adhesion of subsequently applied coatings.

18. ~~((15.))~~ Primer Sealer means any coating that is applied prior to the application of a topcoat to enhance corrosion resistance, adhesion of the topcoat, color uniformity, and the ability of an undercoat to resist penetration by the topcoat.

19. ~~((16.))~~ Primer Surfacer means any coating that is applied prior to the application of a topcoat to enhance corrosion resistance, adhesion of the topcoat, and a uniform surface by filling in surface imperfections.

20. ~~((17.))~~ Reducer means any solvent added to a coating which has the effect of reducing the viscosity of the coating or shortening the drying time.

21. ~~((18.))~~ Refinishing means reapplying coating to a surface to repair, restore, or alter the finish.

22. ~~((19.))~~ Roll Coat Application means manual application of coatings by the use of a paint roller.

23. ~~((20.))~~ Solvent Consumption means the volume of solvent purchased or otherwise procured, less the volume recycled or disposed. In the absence of records which document the transfer of solvent to an authorized recycler or waste hauler, solvent consumption means the volume of solvent purchased or otherwise procured.

24. ~~((21.))~~ Specialty Coating means any coating that is necessary due to unusual job performance requirements, including but not limited to uniform finish blenders, elasto-

meric materials for coating of flexible plastic parts, coatings for non-metallic parts, (~~jambing clear coatings~~) gloss flateners, and anti-glare/safety coatings.

25. Standard engineering practices means that accepted, peer reviewed sets of criteria are used in designing equipment (i.e. Uniform Building, Electrical, and Fire Codes, recommendations of the American Conference of Governmental Industrial Hygienists, guidelines of the Department of Labor and Industry, etc.).

26. ~~((22.))~~ Surface Coating means the application of coating to a surface.

27. ~~((23.))~~ Topcoat means any coating that is applied over a primer or directly to a surface, primarily to enhance appearance. For the purposes of this rule, either a base coat/clear coat shall be considered jointly and individually as a topcoat.

~~((24.))~~ Touchup means that portion of the coating operation, involving nine square feet (9 ft²) or less or 10% or less, which ever is smaller, of total surface, which is incidental to the main coating process but necessary to cover minor imperfections.)

28. ~~((25.))~~ Volatile Organic Compound (VOC) ((has the same meaning as the definition in 40 CFR 51.100(s))) means any compound of carbon which participates in atmospheric photochemical reactions as defined in 40 CFR part 51, § 51.100(s), other than those organic compounds that the Administrator has excluded in 40 CFR part 51, § 51.100 from this definition.

29. ~~((26.))~~ VOC Content means pounds of VOC per gallon of coating (Lb/Gal) or grams of VOC per liter of coating (G/L), minus water and exempt solvents. The VOC content is calculated as follows:

$$VOC_{CT} = \frac{W_V}{V_M - V_W - V_{ES}}$$

where: VOC_{CT} is the VOC content of the coating, as applied to the surface; and

W_V is the weight of VOC per unit volume of coating, as applied to the surface; and

V_M is the unit volume of coating, as applied to the surface; and

V_W is the volume of water per unit volume of coating, as applied to the surface; and

V_{ES} is the volume of exempt solvents per unit volume of coating, as applied to the surface.

30. ~~((27.))~~ Wash Solvent means any solution, solvent, suspension, compound, or other material, excluding water, that is used to clean spray equipment, spray equipment lines, containers, and any other equipment associated with the application of coatings.

31. ~~((28.))~~ Wipe-Down Agent means any solution, solvent, suspension, compound, or other material that is applied to a surface exclusively for cleaning the surface or preparing the surface for coating.

~~D. Light duty vehicle refinishing—prohibitions on VOC content. Except as provided in Section 6.13.I., no person shall cause or allow the application of any coating or other~~

~~E ((G)). ((Enclosure and control -)) Requirements. ((Except as provided in Section 6.13.I., a)) All persons subject to the requirements of Section 6.13 shall comply with all of the following, ((enclosure and control requirements)) unless exempted under Section 6.13.F:~~

1. Enclosure and Controls - Spray application shall be ((is)) conducted in a booth or area which is vented to an operating particulate control system. The particulate control system, including filtration, ducting, and fan shall be installed and sized according to standard engineering practices. Acceptable filtration methods may include:

a. Filter banks supplied with filter media designed for spray booth applications.

b. Water baths where the inlet air flow to the water bath is submerged.

c. Water wall systems that form a continuous water curtain through which the particulate flow stream must pass.

d. Other filtration methods that have received the prior written approval of the Control Officer.

The control system shall be equipped with a fan which is capable of capturing all visible overspray. ~~((and vented to the atmosphere through a vertical stack which is at least 1.2 times the height (as measured from ground level) of the tallest building within 200 feet of the stack and which does not impede the upward vertical flow of the exhausted air. Visible emissions from the stack shall not exceed 10% opacity for an aggregate of more than three (3) minutes in any one hour period, as determined by EPA Method 9.))~~ Emissions from the booth/area shall be vented to the atmosphere through a vertical stack. The top of the exhaust stack/vent shall be at least 6 feet above the penetration point of the roof, or if the exhaust stack/vent exits horizontally out the side of the building, then the exhaust stack/vent shall vent vertically at least 6 feet above the eave of the roof. A higher stack/vent may be required if the authority determines that it is necessary for compliance with Section 6.04 or 6.06 of this regulation. There shall be no flow obstructions (elbows, tees, or stack caps) inside of or at the top of the stack that will impede upward vertical flow of the exhausted air.

It shall be the owner/operator's responsibility to comply with other applicable federal, state, and local regulations for the stack/vent.

2. Visible Emissions - Visible emissions from the stack shall not exceed 10% opacity averaged over any six minute period, as determined by EPA Method 9.

3. Application methods - Except as provided in Section 6.13.F., no person shall cause or allow the application of any coating or other agent containing VOC unless the coating or agent is applied by one of the following methods:

- a. High Volume, Low Pressure coating system;

PERMANENT

- b. Low Volume, Low Pressure coating system;
- c. Wet or Dry electrostatic application;
- d. Flow coat application;
- e. Dip coat application;
- f. Brush coat application;
- g. Pre-packaged aerosol can application;
- h. Roll coat application;
- i. A spraying technique that when tested, using the methodology presented in ASTM Standard D 5327-92, or when test documentation, provided to and approved by the authority, exhibits a transfer efficiency of at least 65%;
- j. Alternate application methods that have received the written approval of the Control Officer. Such alternate methods may be used, provided that the owner or operator makes a written request to use an alternate method and the control officer grants approval. These methods include but are not limited to the following application methods and circumstances:

(1) Airless and Air-Assisted Airless Spray systems may be used under any of the following circumstances:

(a) when the volatile organic compound (VOC) emissions are determined by the Control Officer to be no more than VOC emissions that would be generated by a spray application with a transfer efficiency of 65%;

(b) when the spraying operation is automated;

(c) when spray painting structural steel members where the coating, as formulated by the coating manufacturer, does not require addition of reducers to spray, and is delivered under high pressure (> 1,000 psig for airless, or > 300 psig for air-assisted airless) to the application system; or

(d) where the Control Officer has determined that the coating cannot be feasibly applied with a method that has a minimum transfer efficiency of 65%.

4. ~~((2))~~ Equipment Cleanup - Equipment cleanup and any other use of wash solvent shall be ~~((is))~~ totally enclosed during washing, rinsing, and draining; or wash solvent, after making contact with the equipment being cleaned, shall be ~~((is))~~ immediately drained to a closed sump which is an integral part of the cleaning system.

5. General Clean-up

a. ~~((3))~~ All unused or partially used containers of coatings, wipe-down agents, wash solvents, reducers, and waste materials containing VOC shall be ~~((are))~~ closed, except when in use, ~~((or))~~ when being filled or emptied.

b. ~~((4))~~ Spills ~~((of coatings, wipe-down agents, wash solvents, reducers, and waste materials containing VOC are))~~ must be cleaned up upon discovery and the clean up materials and collected waste ~~((is))~~ shall be stored in closed metal containers.

c. ~~((5))~~ All disposable materials which contain VOCs associated with wipe-down or ~~((with))~~ application of coatings and other agents ~~((are))~~ shall be stored in closed metal containers for disposal.

6. ~~((H))~~ Recordkeeping ~~((requirements)).~~ ~~((Except as provided in Section 6.13.I, a))~~ All persons subject to Section 6.13 shall maintain the following records for ~~((all coatings, coating additives, wipe-down agents, wash solvents, and reducers for))~~ the previous 24-month period at the place of business where surface coating is performed:

a. ~~((1))~~ The most current material safety data sheets (MSDS) or other data sheets which clearly indicate the VOC content of the product and of any multi-coat system.

b. ~~((2))~~ Records of purchases and usage, including unused materials returned to the supplier.

(1) Light duty vehicle refinishing. Annual purchases and usage of total primers, total top coats, total clear coats, and total gun cleaner. Usage shall be reported "as applied", i.e. after reducing and catalyzing, if applicable.

(2) Other surface coating facilities. Annual purchases and usage of individual coatings, coating additives, wipe-down agents, wash solvents, reducers, and other materials containing volatile organic compounds or volatile toxic air pollutants.

c. ~~((3))~~ ~~((Records of disposal of w))~~ Waste materials disposal records, including volumes of waste solvents and coatings transferred in sealed containers to authorized waste haulers.

~~((4. Records of the volume of reducers added to light duty vehicle refinishing coatings, with sufficient detail to determine whether the coatings, as applied, comply with Section 6.13.D.))~~

E. ~~((F))~~ Exceptions. Exceptions to Section 6.13 shall be made as follows:

1. Noncommercial exemption. Nothing in Section 6.13 shall apply to surface coating operations conducted solely for personal, noncommercial purposes if, on a facility-wide basis, less than 5 gallons of surface coatings are applied per year.

2. ~~((Architectural—e))~~ Coating process exemptions. Nothing in Section 6.13 shall apply to the ~~((application of architectural coatings to stationary structures and their appurtenances, to mobile homes, to pavements, or to curbs.))~~ following coating processes:

a. The application of architectural coatings to stationary structures and their appurtenances, to mobile homes, to pavements, or to curbs;

b. Fiberglass resin application operations;

c. Gel coating operations;

d. The application of asphaltic or plastic liners. This includes undercoating, sound deadening coating, and spray on bed lining for trucks; or

e. Spray plasma plating operations.

3. Low usage exemption. Nothing in Sections 6.13.E.3 & 4 ~~((F. or 6.13G.1&2))~~ shall apply to surface coating operations which, on a facility-wide basis, apply less than 10 gallons per year of surface coatings.

~~((4. Exemption for touchup. Nothing in Section 6.13.F or Subsection 6.13.G.1. shall apply to touchup operations.))~~

4. ~~((5.))~~ Exemption for large objects. Nothing in Subsection 6.13.E.~~((G)).~~1. shall apply to the infrequent outdoor surface coating of large objects where the ~~((e))~~ Control Officer determines that it is impractical to totally enclose the object inside a booth or vented area. The request for this exemption must be made in writing to the Control Officer and the approval must be in writing. Infrequent means outdoor spray surface coating that amounts to 10% or less of the total annual gallons of paint applied at the facility in the previous 12 months. Annual records must be kept of the number of gallons of paint that are sprayed outdoors. In such case, a

temporary enclosure (tarps) shall be maintained around the object during the surface coating operation, sufficient at all times to prevent overspray from remaining airborne beyond the property line of the facility.

5. ~~((6-))~~ Wash solvent exemption. Nothing in Subsection 6.13.E.4(~~(G-2))~~). shall apply to:

a. The use of wash solvents with composite vapor pressure of organic compounds less than 45 mm Hg at 20°C as determined by ASTM Method D-2306-81; or

b. Wash solvent operations if total wash solvent consumption does not exceed (~~(120)~~) 10 gallons per year.

6. ~~((7-))~~ Stack (~~(height)~~) exemption. The stack/~~(height)~~ requirements in Subsection 6.13.E(~~(G))~~.1. shall not apply to surface coating operations where the owner or operator can demonstrate to the satisfaction of the ~~((e))~~ Control ~~((o))~~ Officer that emissions of toxic air pollutants will not exceed the Acceptable Source Impact Levels as defined in WAC 173-460-150 & 160 and emissions will not create a nuisance.

7. ~~((8-))~~ Non-spray and ((A*)) aerosol can application exemption. Nothing in Subsection 6.13.E(~~(G))~~.1 shall apply to the application of any coating or other agent from pre-packaged aerosol cans, flow coat, dip coat, brush coat, or roll coat applications.

8. ~~((9-))~~ Low VOC content exemption. Nothing in Subsection 6.13.E.3(~~(F))~~ shall apply to the application of coatings where the VOC content does not exceed 2.1 Lb/Gal or 250 G/L.

9. ~~((10- Toxic air pollutant))~~ Lead or Hexavalent Chrome exemption. The prohibition in Subsection 6.13.D(~~(E))~~.1 shall not apply to a surface coating operation where the control officer determines that no practical alternative coating is available.

10. Enclosure and/or particulate control exemption. The enclosure and/or particulate control requirements of Subsection 6.13.E.1. shall not apply to a surface coating operation where the control officer determines that such requirements would be ineffective, or unreasonable in capturing or controlling particulate or volatile organic compounds emissions from the facility.

11. Inside exhaust exemption. If the Department of Labor & Industries or another agency of jurisdiction determines that the emissions from a surface coating operation to an inside work area are below the threshold where an exhaust system is required and the Fire Department or District of jurisdiction has no objection, then the Control Officer may grant an exemption to Subsection 6.13.E.1.

G. ((J)) Compliance with other laws and regulations. Compliance with Section 6.13 or qualifying for an exemption in Section 6.13.F(~~(I))~~. does not necessarily mean that the surface coating operation complies with fire protection, waste disposal, or other federal, state, or local applicable laws or regulations.

H. ~~((K))~~ Compliance schedule. All persons subject to the requirements of Section 6.13(~~(G-1))~~ and not already in compliance (~~(on the date of adoption shall comply with the following schedule:~~

~~1. No later than 6 months prior to the effective date, apply for a Notice of Construction and Order of Approval,~~

~~pursuant to Article V of this Regulation, to install the required equipment; and~~

~~2. No later than 30 days after the date of the Order of Approval, order the required equipment; and~~

~~3. No later than 1 month prior to the effective date, commence installation of the required equipment; and~~

~~4. No later than the effective date, be in full compliance with Section 6.13.G-))~~

shall be in full compliance with Section 6.13 by October 7, 1998, unless an extension is applied for by the owner or operator and is granted in writing by the Authority.

Reviser's note: The typographical errors in the above section occurred in the copy filed by the agency and appear in the Register pursuant to the requirements of RCW 34.08.040.

PERMANENT RULES
DEPARTMENT OF
FINANCIAL INSTITUTIONS
(Securities Division)

[Filed May 12, 1998, 9:07 a.m.]

Date of Adoption: May 12, 1998.

Purpose: Conform WAC 460-44A-506 and related provisions to the National Securities Markets Improvement Act of 1996 (NSMIA). NSMIA preempted state laws pertaining to registration or qualification of certain securities transactions, including securities issued pursuant to SEC Rule 506 and its Washington counterpart, WAC 460-44A-506. NSMIA preserved the ability of the states to collect notice filing and notice fees for such transactions. The proposed amendments are intended to revise WAC 460-44A-506 and related provisions consistent with NSMIA and to accommodate notice filings and fees.

Citation of Existing Rules Affected by this Order: Amending WAC 460-44A-500, 460-44A-501, 460-44A-502, 460-44A-503, 460-44A-504, 460-44A-506, and 460-44A-508.

AMENDATORY SECTION (Amending WSR 94-03-061, filed 1/14/94, effective 2/14/94)

WAC 460-44A-500 Preliminary notes. (1) The rules of WAC 460-44A-501 through 460-44A-508 relate to transactions exempted or preempted from the registration requirements of the Federal Securities Act of 1933 and RCW 21.20.140. WAC 460-44A-504 is an exemption from registration for offerings exempted under Securities and Exchange Commission Rule 504 or Rule 147. WAC 460-44A-505 is an exemption from registration for offerings exempted under Securities and Exchange Commission Rule 505. WAC 460-44A-506 ~~((is an exemption from registration))~~ establishes certain conditions for offerings exempted under Securities and Exchange Commission Rule 506. Such transactions are not exempt from ~~((the))~~ anti-fraud, civil liability, or other provisions of the federal and state securities laws. Issuers are reminded of their obligation to provide such further material information, if any, as may be necessary to make the information required under these rules, in light of the circumstances under which it is furnished, not misleading.

(2) Attempted compliance with the exemption of WAC 460-44A-504, 460-44A-505, or 460-44A-506 does not act as an exclusive election; the issuer can also claim the availability of any other applicable exemption.

(3) These rules are available only to the issuer of the securities and not to any affiliate of that issuer or to any other person for resale of the issuer's securities. The rules provide an exemption only for the transactions in which the securities are offered or sold by the issuer, not for the securities themselves.

(4) In any proceeding involving the rules in WAC 460-44A-501 through 460-44A-508, the burden of proving the exemption ~~((or)),~~ an exception from a definition or condition, or preemption, is upon the person claiming it.

(5) ~~((The effective date of the adoption of rules WAC 460-44A-501, 460-44A-502, 460-44A-503, and 460-44A-506 is May 25, 1982. Existing rules WAC 460-44A-010 through 460-44A-045 will be repealed on the adoption and effectiveness of the permanent rules WAC 460-44A-501, 460-44A-502, 460-44A-503, and 460-44A-506; no filings for exemption under rules WAC 460-44A-010 through 460-44A-045 will be accepted after repeal. For those offerings made in compliance with WAC 460-44A-010 through 460-44A-045 which commence or commenced prior to the date of repeal and which continue past the date of repeal, no registra-~~

~~tion is required if the offering terminates before June 30, 1983.~~

~~((6))~~ For offerings commenced but not completed prior to the amendment of WAC 460-44A-501 through 460-44A-508, issuers may opt to follow the rules in effect at the date of filing notice of the offering.

~~((7))~~ (6) Securities offered and sold outside the United States in accordance with Securities and Exchange Commission Regulation S need not be registered under chapter 21.20 RCW. Regulation S may be relied upon for such offers and sales even if coincident offers and sales are made in accordance with Regulation D and WAC 460-44A-501 through 460-44A-508 inside the United States. Thus, for example, persons who are offered and sold securities in accordance with Regulation S would not be counted in the calculation of the number of purchasers under Regulation D and WAC 460-44A-501 through 460-44A-508. Similarly proceeds from such sales would not be included in the aggregate offering price. The provisions of this subsection, however, do not apply if the issuer elects to rely solely on Regulation D for offers or sales to persons made outside the United States.

AMENDATORY SECTION (Amending WSR 94-03-061, filed 1/14/94, effective 2/14/94)

WAC 460-44A-501 Definitions and terms. As used in rules WAC 460-44A-501 through 460-44A-508, the following terms shall have the meaning indicated:

(1) "Accredited investor" shall mean any person who comes within any of the following categories, or who the issuer reasonably believes comes within any of the following categories, at the time of the sale of the securities to that person:

(a) Any bank as defined in section 3 (a)(2) of the Securities Act of 1933, or any savings and loan association or other institution as defined in section 3 (a)(5)(A) of the Securities Act of 1933 whether acting in its individual or fiduciary capacity; any broker or dealer registered pursuant to section 15 of the Securities Exchange Act of 1934; any insurance company as defined in section 2(13) of the Securities Act of 1933; any investment company registered under the Investment Company Act of 1940 or a business development company as defined in section 2 (a)(48) of that act; any small business investment company licensed by the U.S. Small Business Administration under section 301 (c) or (d) of the Small Business Investment Act of 1958; any plan established and maintained by a state, its political subdivisions, or any agency or instrumentality of a state or its political subdivisions, for the benefit of its employees, if such plan has total assets in excess of \$5,000,000; any employee benefit plan within the meaning of the Employee Retirement Income Security Act of 1974 if the investment decision is made by a plan fiduciary, as defined in section 3(21) of such act, which is either a bank, savings and loan association, insurance company, or registered investment adviser, or if the employee benefit plan has total assets in excess of \$5,000,000 or, if a self-directed plan, with investment decisions made solely by persons that are accredited investors;

(b) Any private business development company as defined in section 202 (a)(22) of the Investment Advisers Act of 1940;

(c) Any organization described in section 501 (c)(3) of the Internal Revenue Code, corporation, Massachusetts or similar business trust, or partnership, not formed for the specific purpose of acquiring the securities offered, with total assets in excess of \$5,000,000;

(d) Any director, executive officer, or general partner of the issuer of the securities being offered or sold, or any director, executive officer, or general partner of a general partner of that issuer;

(e) Any natural person whose individual net worth, or joint net worth with that person's spouse, at the time of his purchase exceeds \$1,000,000;

(f) Any natural person who had an individual income in excess of \$200,000 in each of the two most recent years or joint income with that person's spouse in excess of \$300,000 in each of those years and has a reasonable expectation of reaching the same income level in the current year;

(g) Any trust, with total assets in excess of \$5,000,000, not formed for the specific purpose of acquiring the securities offered, whose purchase is directed by a sophisticated person as described in 17 CFR Sec. 230.506 (b)(2)(ii); and

(h) Any entity in which all of the equity owners are accredited investors.

(2) "Affiliate" an "affiliate" of, or person "affiliated" with, a specified person shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the person specified;

(3) "Aggregate offering price" shall mean the sum of all cash, services, property, notes, cancellation of debt, or other consideration to be received by an issuer for issuance of its securities. Where securities are being offered for both cash and noncash consideration, the aggregate offering price shall be based on the price at which the securities are offered for cash. Any portion of the aggregate offering price attributable to cash received in a foreign currency shall be translated into United States currency at the currency exchange rate in effect at a reasonable time prior to or on the date of the sale of the securities. If securities are not offered for cash, the aggregate offering price shall be based on the value of the consideration as established by bona fide sales of that consideration made within a reasonable time, or, in the absence of sales, on the fair value as determined by an accepted standard. Such valuations of noncash consideration must be reasonable at the time made;

(4) "Business combination" shall mean any transaction of the type specified in paragraph (a) of Rule 145 under the Securities Act of 1933 and any transaction involving the acquisition by one issuer, in exchange for all or a part of its own or its parent's stock, of stock of another issuer if, immediately after the acquisition, the acquiring issuer has control of the other issuer (whether or not it had control before the acquisition);

(5) "Calculation of number of purchasers." For purposes of calculating the number of purchasers under WAC 460-44A-504(3) and 460-44A-505(, and ~~460-44A-506~~) the following shall apply:

(a) The following purchasers shall be excluded:

(i) Any relative, spouse or relative of the spouse of a purchaser who has the same principal residence as the purchaser;

(ii) Any trust or estate in which a purchaser and any of the persons related to him as specified in WAC 460-44A-501 (5)(a)(i) or (iii) collectively have more than 50 percent of the beneficial interest (excluding contingent interests);

(iii) Any corporation or other organization of which a purchaser and any of the persons related to him as specified in WAC 460-44A-501 (5)(a)(i) or (ii) collectively are beneficial owners of more than 50 percent of the equity securities (excluding directors' qualifying shares) or equity interests; and

(iv) Any accredited investor.

(b) A corporation, partnership or other entity shall be counted as one purchaser. If, however, that entity is organized for the specific purpose of acquiring the securities offered and is not an accredited investor under WAC 460-44A-501 (1)(h), then each beneficial owner of equity securities or equity interests in the entity shall count as a separate purchaser for all provisions of WAC 460-44A-501 through 460-44A-508, except to the extent provided in (a) of this subsection.

(c) A noncontributory employee benefit plan within the meaning of Title I of the Employee Retirement Income Security Act of 1974 shall be counted as one purchaser where the trustee makes all investment decisions for the plan.

Note: The issuer must satisfy all the other provisions of WAC 460-44A-501 through ~~((460-44A-506)) 460-44A-505~~ for all purchasers whether or not they are included in calculating the number of purchasers. Clients of an investment adviser or customers of a broker-dealer shall be considered the "purchasers" under WAC 460-44A-501 through ~~((460-44A-506)) 460-44A-505~~ regardless of the amount of discretion given to the investment adviser or broker-dealer to act on behalf of the client or customer.

(6) "Executive officer" shall mean the president, any vice president in charge of a principal business unit, division or function (such as sales, administration or finance), or any other officer who performs a policy making function, or any other person who performs similar policy making functions for the issuer. Executive officers of subsidiaries may be deemed executive officers of the issuer if they perform such policy making functions for the issuer.

(7) "Issuer" as defined in Section 2(4) of the Securities Act of 1933 or RCW 21.20.005(7) shall apply, except that in the case of a proceeding under the Federal Bankruptcy Code (11 U.S.C. 101 et seq.), the trustee or debtor in possession shall be considered the issuer in an offering under a plan or reorganization, if the securities are to be issued under the plan.

(8) "Purchaser representative" shall mean any person who satisfies all of the following conditions or who the issuer reasonably believes satisfies all of the following conditions:

(a) Is not an affiliate, director, officer or other employee of the issuer, or beneficial owner of 10 percent or more of any class of the equity securities or 10 percent or more of the equity interest in the issuer, except where the purchaser is:

(i) A relative of the purchaser representative by blood, marriage or adoption and not more remote than a first cousin;

(ii) A trust or estate in which the purchaser representative and any person related to him as specified in WAC 460-44A-501 (8)(a)(i) or (iii) collectively have more than 50 percent of the beneficial interest (excluding contingent interest) or of which the purchaser representative serves as trustee, executor, or in any similar capacity; or

(iii) A corporation or other organization of which the purchaser representative and any persons related to him as specified in WAC 460-44A-501 (8)(a)(i) or (ii) collectively are the beneficial owners of more than 50 percent of the equity securities (excluding directors' qualifying shares) or equity interests;

(b) Has such knowledge and experience in financial and business matters that he is capable of evaluating, alone, or together with other purchaser representatives of the purchaser, or together with the purchaser, the merits and risks of the prospective investment;

(c) Is acknowledged by the purchaser in writing, during the course of the transaction, to be his purchaser representative in connection with evaluating the merits and risks of the prospective investment; and

(d) Discloses to the purchaser in writing a reasonable time prior to the sale of securities to that purchaser any material relationship between himself or his affiliates and the issuer or its affiliates that then exists, that is mutually understood to be contemplated, or that has existed at any time during the previous two years, and any compensation received or to be received as a result of such relationship.

Note 1: A person acting as a purchaser representative should consider the applicability of the registration and anti-fraud provisions relating to broker-dealers under chapter 21.20 RCW and the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq., as amended) and relating to investment advisers under chapter 21.20 RCW and the Investment Advisers Act of 1940.

Note 2: The acknowledgment required by paragraph (8)(c) and the disclosure required by paragraph (8)(d) of this WAC 460-44A-501 must be made with specific reference to each prospective investment. Advance blanket acknowledgment, such as for "all securities transactions" or "all private placements," is not sufficient.

Note 3: Disclosure of any material relationships between the purchaser representative or his affiliates and the issuer or its affiliates does not relieve the purchaser representative of his obligation to act in the best interest of the purchaser.

AMENDATORY SECTION (Amending WSR 94-03-061, filed 1/14/94, effective 2/14/94)

WAC 460-44A-502 General conditions to be met. The following conditions shall be applicable to offers and sales made under WAC 460-44A-504(;) ~~or~~ 460-44A-505(;-~~or~~ 460-44A-506):

(1) "Integration." All sales that are part of the same offering under these rules must meet all of the terms and conditions of these rules. Offers and sales that are made more than six months before the start of an offering or are made more than six months after completion of an offering, will not be considered part of that offering, so long as during those six month periods there are no offers or sales of securities by or for the issuer that are of the same or a similar class as those

offered or sold under these rules, other than those offers or sales of securities under an employee benefit plan.

Note: The term "offering" is not defined in the securities acts. If the issuer offers or sells securities for which the safe harbor rule in WAC 460-44A-502(1) is unavailable, the determination as to whether separate sales of securities are part of the same offering (i.e. are considered "integrated") depends on the particular facts and circumstances. Generally, transactions otherwise meeting the requirements of an exemption will not be integrated with simultaneous offerings being made outside the United States in compliance with Securities and Exchange Commission Regulation S.

The following factors should be considered in determining whether offers and sales should be integrated for purposes of the exemptions under these rules:

(a) Whether the sales are part of a single plan of financing;

(b) Whether the sales involve issuance of the same class of securities;

(c) Whether the sales have been made at or about the same time;

(d) Whether the same type of consideration is received; and

(e) Whether the sales are made for the same general purpose.

See Securities and Exchange Commission Release No. 33-4552 (November 6, 1962).

(2) Information requirements.

(a) When information must be furnished.

If the issuer sells securities under WAC 460-44A-505 (~~or 460-44A-506~~) to any purchaser that is not an accredited investor, the issuer shall furnish the information specified in WAC 460-44A-502 (2)(b) to such purchaser a reasonable time prior to sale. The issuer is not required to furnish the specified information when it sells securities under WAC 460-44A-504, or to any accredited investor.

Note: When an issuer provides information to investors pursuant to WAC 460-44A-502 (2)(a), it should consider providing such information to accredited investors as well, in view of the anti-fraud provisions of the federal and state securities laws.

(b) Type of information to be furnished.

(i) If the issuer is not subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934, at a reasonable time prior to the sale of securities the issuer shall furnish to the purchaser the following information, to the extent material to an understanding of the issuer, its business, and the securities being offered:

(A) Nonfinancial statement information. If the issuer is eligible to use Regulation A, the same kind of information as would be required in Part II of Form 1-A, 17 CFR Sec. 239.90. If the issuer is not eligible to use Regulation A, the same kind of information as required in Part I of a registration statement filed under the Securities Act on the form that the issuer would be entitled to use.

(B) Financial statement information.

(I) Offerings up to \$2,000,000. The information required in Item 310 of Regulation S-B, 17 CFR Sec. 228.310, except that only the issuer's balance sheet, which shall be dated within 120 days of the start of the offering, must be audited.

(II) Offerings up to ~~((\$7,500,000))~~ \$5,000,000. The financial statement information required in Form SB-2, 17 CFR Sec. 239.10. If an issuer, other than a limited partnership, cannot obtain audited financial statements without unreasonable effort or expense, then only the issuer's balance sheet, which shall be dated within 120 days of the start of the offering, must be audited. If the issuer is a limited partnership and cannot obtain the required financial statements without unreasonable effort or expense, it may furnish financial statements that have been prepared on the basis of federal income tax requirements and examined and reported on in accordance with generally accepted auditing standards by an independent public or certified accountant.

~~((III) Offerings over \$7,500,000. The financial statement as would be required in a registration statement filed under the act on the form that the issuer would be entitled to use. If an issuer, other than a limited partnership, cannot obtain audited financial statements without unreasonable effort or expense, then only the issuer's balance sheet, which shall be dated within 120 days of the start of the offering, must be audited. If the issuer is a limited partnership and cannot obtain the required financial statements without unreasonable effort or expense, it may furnish financial statements that have been prepared on the basis of federal income tax requirements and examined and reported on in accordance with generally accepted auditing standards by an independent public or certified accountant.))~~

(C) If the issuer is a foreign private issuer eligible to use Form 20-F, the issuer shall disclose the same kind of information required to be included in a registration statement filed under the Securities Act of 1933 on the form that the issuer would be entitled to use. The financial statements need be certified only to the extent required by (2)(b)(i)(B)(I)(~~(C)~~) or (II) ~~((or (III)))~~ of this subsection, as appropriate.

(ii) If the issuer is subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934, at a reasonable time prior to the sale of securities the issuer shall furnish to the purchaser the information required by Securities and Exchange Commission Regulation D, Rule 502 (b)(2)(ii) as appropriate.

(iii) Exhibits required to be filed with the administrator of securities or the securities and exchange commission as part of a registration statement or report, other than an annual report to shareholders or parts of that report incorporated by reference in a Form 10-K and Form 10-KSB report, need not be furnished to each purchaser that is not an accredited investor if the contents of material exhibits are identified and such exhibits are made available to a purchaser, upon his written request, a reasonable time prior to his purchase.

(iv) At a reasonable time prior to the sale of securities to any purchaser that is not an accredited investor in a transaction under WAC 460-44A-505 ~~((or 460-44A-506))~~, the issuer shall furnish to the purchaser a brief description in writing of any material written information concerning the offering that has been provided by the issuer to any accredited investor but not previously delivered to such unaccredited purchaser. The issuer shall furnish any portion or all of this information to the purchaser, upon his written request a reasonable time prior to his purchase.

(v) The issuer shall also make available to each purchaser at a reasonable time prior to his purchase of securities in a transaction under WAC 460-44A-505 ~~((or 460-44A-506))~~ the opportunity to ask questions and receive answers concerning the terms and conditions of the offering and to obtain any additional information which the issuer possesses or can acquire without unreasonable effort or expense that is necessary to verify the accuracy of information furnished under WAC 460-44A-502 (2)(b)(i) or (ii).

(vi) For business combinations or exchange offers, in addition to information required by Form S-4, 17 CFR Sec. 239.25, the issuer shall provide to each purchaser at the time the plan is submitted to security holders, or, with an exchange, during the course of the transaction and prior to sale, written information about any terms or arrangements of the proposed transactions that are materially different from those for all other security holders. For purposes of this subsection, an issuer which is not subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934 may satisfy the requirements of Part I.B. or C. of Form S-4 by compliance with (b)(i) of this subsection.

(vii) At a reasonable time prior to the sale of securities to any purchaser that is not an accredited investor in a transaction under WAC 460-44A-505 ~~((or 460-44A-506))~~, the issuer shall advise the purchaser of the limitations on resale in the manner contained in subsection (4)(b) of this section. Such disclosure may be contained in other materials required to be provided by this paragraph.

(3) Limitation on manner of offering. Neither the issuer nor any person acting on its behalf shall offer or sell the securities by any form of general solicitation or general advertising, including, but not limited to, the following:

(a) Any advertisement, article, notice or other communication published in any newspaper, magazine, or similar media or broadcast over television or radio; and

(b) Any seminar or meeting whose attendees have been invited by any general solicitation or general advertising.

(4) Limitations on resale. Securities acquired in a transaction under WAC 460-44A-501 through ~~((460-44A-508))~~ 460-44A-505 shall have the status of restricted securities acquired in a nonpublic offering transaction under section 4(2) of the Securities Act of 1933 and RCW 21.20.320(1) and cannot be resold without registration under the Securities Act of Washington or an exemption therefrom. The issuer shall exercise reasonable care to assure that the securities are restricted and that the purchasers of the securities are not underwriters within the meaning of section 2(11) of the Securities Act of 1933, which reasonable care may be demonstrated by the following:

(a) Reasonable inquiry to determine if the purchaser is acquiring the securities for himself or for other persons;

(b) Written disclosure to each purchaser prior to sale that the securities have not been registered under the Securities Act of 1933, and the Washington administrator of securities has not reviewed or recommended the offering or offering circular and the securities have not been registered under the Securities Act of Washington, chapter 21.20 RCW, and, therefore, cannot be resold unless they are registered under the Securities Act of 1933 and the Securities Act of Washing-

ton chapter 21.20 RCW or unless an exemption from registration is available; and

(c) Placement of a legend on the certificate or other document that evidences the securities stating that the securities have not been registered under the Securities Act of 1933 and the Securities Act of Washington chapter 21.20 RCW and setting forth or referring to the restrictions on transferability and sale of the securities.

(d) A written disclosure or legend will be deemed to comply with the provisions of WAC 460-44A-502 (4)(b) or (c) if it complies with the North American Securities Administrators Association Uniform Disclosure Guidelines on Legends, NASAA Reports CCH Para. 1352 (1989).

While taking these actions will establish the requisite reasonable care, it is not the exclusive method to demonstrate such care. Other actions by the issuer may satisfy this provision. In addition, WAC 460-44A-502 (2)(b)(vii) requires the delivery of written disclosure of the limitations on resale to investors in certain instances.

AMENDATORY SECTION (Amending WSR 96-15-063, filed 7/17/96, effective 8/17/96)

WAC 460-44A-503 Filing of notice and payment of fee. (1) An issuer offering or selling securities in reliance on WAC 460-44A-504, 460-44A-505, or 460-44A-506 shall file with the administrator of securities of the department of financial institutions a notice and pay a filing fee as follows:

(a)(i)(A) For an offering of a security in reliance upon the Securities Act of 1933, Regulation D, Rule 230.506, the issuer shall file a notice on Securities and Exchange Commission Form D checking box 506 and pay a filing fee of three hundred dollars no later than fifteen days after the first sale of such securities in the state of Washington.

(B) For an offering in reliance on Securities and Exchange Commission Rule 505 ((or Rule 506, under)) and WAC 460-44A-505 ((or 460-44A-506, respectively)), the issuer shall file the initial notice on Securities and Exchange Commission Form D checking box 505 (and box ULOE) ((or box 506, as applicable,)) and pay a filing fee of three hundred dollars no later than fifteen days after the first sale of securities in the state of Washington which results from an offer being made in reliance ((on the exemption of)) upon WAC 460-44A-505 ((or 460-44A-506));

((B)) (C) For an offering in reliance on Securities and Exchange Commission Rule 504((-under)) and WAC 460-44A-504, the issuer shall file the initial notice on Securities and Exchange Commission Form D checking box 504 and pay a filing fee of fifty dollars no later than ten business days (or such lesser period as the administrator may allow) prior to receipt of consideration or the delivery of a signed subscription agreement by an investor in the state of Washington which results from an offer being made in reliance ((on the exemption of)) upon WAC 460-44A-504;

((C)) (D) For an offering in reliance on Securities and Exchange Commission Rule 147((-under)) and WAC 460-44A-504, the issuer shall file the initial notice on Washington Securities Division Form WAC 460-44A-504/Rule 147 and pay a filing fee of fifty dollars no later than ten business days (or such lesser period as the administrator may allow) prior to

receipt of consideration or the delivery of a signed subscription agreement by an investor in the state of Washington which results from an offer being made in reliance on the exemption of WAC 460-44A-504;

(ii) Unless previously filed, the issuer shall include with the initial notice an executed uniform consent to service of process on Form U-2.

(b) The issuer shall file with the administrator such other notices on Form D as are required to be filed with the Securities and Exchange Commission. For purposes of this section, "Form D" is defined as the document, as adopted by the Securities and Exchange Commission and in effect on September 1, 1996, entitled Form D: Notice of Sale of Securities Pursuant to Regulation D, Section 4(6), and/or Uniform Limited Offering Exemption, including Part E and the Appendix.

(c) Section E of the initial notice shall either be manually signed by a person duly authorized by the issuer or a photocopy of a manually signed copy.

(2) By filing for the exemption of WAC 460-44A-504((-;) or 460-44A-505 ((or 460-44A-506)), the issuer undertakes to furnish to the administrator, upon request, the information to be furnished or furnished by the issuer under WAC 460-44A-502 (2)(b) or otherwise to any purchaser that is not an accredited investor. Failure to submit the information in a timely manner will be a ground for denial or revocation of the exemption of WAC 460-44A-504((-;) or 460-44A-505 ((or 460-44A-506)).

AMENDATORY SECTION (Amending WSR 94-03-061, filed 1/14/94, effective 2/14/94)

WAC 460-44A-504 Exemption for limited offers and sales of securities not exceeding \$500,000 to not more than twenty purchasers. (1) Exemption. Offers and sales of securities by an issuer in compliance with the Securities Act of 1933, Regulation D, Rules 230.501 through 230.504 and 230.508 as made effective in Release No. 33-6389, and as amended in Release Nos. 33-6437, 33-6663, 33-6758, 33-6825, 33-6863, 33-6949, and 33-6996 or in compliance with the Securities Act of 1933, Rule 230.147 as made effective in Release No. 33-5450 that satisfy the conditions in subsections (2) and (3) of this section shall be exempt under RCW 21.20.320(9).

(2) General conditions to be met. To qualify for exemption under this section, offers and sales must satisfy all the terms and conditions of WAC 460-44A-501 through 460-44A-503 and 460-44A-508.

(3) Specific conditions to be met.

(a) Limitation on aggregate offering price. The aggregate offering price for an offering of securities under this section, as defined in WAC 460-44A-501(3), shall not exceed \$500,000, within or without this state, less the aggregate offering price for all securities sold within the twelve months before the start of and during the offering of securities under this section in reliance on any exemption under RCW 21.20.320(9) or sections 3(a) (11) or 3(b) of the Securities Act of 1933 or in violation of RCW 21.20.140 or section 5(a) of the Securities Act of 1933.

(b) No commissions. No commission, fee, or other remuneration shall be paid or given, directly or indirectly, to any

person for soliciting any prospective purchaser in the state of Washington.

(c) Limitation on number of purchasers. There are no more than or the issuer reasonably believes that there are no more than twenty purchasers of securities in this state from the issuer in any offering in reliance on this section.

(d) In all sales to nonaccredited investors in this state under this section the issuer and any person acting on its behalf shall have reasonable grounds to believe and after making reasonable inquiry shall believe that, as to each purchaser, one of the following conditions, (i) or (ii) of this subsection, is satisfied:

(i) The investment is suitable for the purchaser upon the basis of the facts, if any, disclosed by the purchaser as to his other security holdings and as to his financial situation and needs. For the purpose of this condition only, it may be presumed that if the investment does not exceed ten percent of the purchaser's net worth, it is suitable. This presumption is rebuttable; or

(ii) The purchaser either alone or with his purchaser representative(s) has such knowledge and experience in financial and business matters that he is or they are capable of evaluating the merits and risks of the prospective investment.

(e) Disqualifications. No exemption under this section shall be available for the securities of any issuer if any of the parties described in the Securities Act of 1933, Regulation A, Rule 230.262 is disqualified for any of the reasons listed in WAC 460-44A-505 (2)(d) unless inapplicable or waived as set forth in WAC 460-44A-505 (2)(d)(vi) and (vii).

(f) Notice filing. The issuer shall file a notice, with a consent to service of process, and pay a filing fee as set forth in WAC 460-44A-503.

(g) Advice about the limitations on resale.

The issuer, at a reasonable time prior to the sale of securities, shall advise each purchaser of the limitations on resale in the manner contained in WAC 460-44A-502 (4)(b).

(4) Transactions which are exempt under this section may not be combined with offers and sales exempt under any other rule or section of the Securities Act of Washington, however, nothing in this limitation shall act as an election. Should for any reason the offer and sale fail to comply with all of the conditions for the exemption of this section, the issuer may claim the availability of any other applicable exemption.

Note 1: WAC 460-44A-504 is not the exclusive method by which issuers may make offerings under Securities and Exchange Commission Rules 504 and 147. For example, offers and sales of an issuer in compliance with Securities and Exchange Commission Rule 504 or Rule 147 may also be registered by qualification under chapter 21.20 RCW. An issuer that qualifies may elect to register an offering pursuant to the Uniform Limited Offering Registration as set out in chapter 460-17A WAC. An issuer may also elect to claim the corporate limited offering exemption as set out in chapter 460-46A WAC.

Note 2: Issuers are reminded that nothing in these rules alters their obligation under RCW 21.20.010. RCW 21.20.010(2) renders it unlawful "to make any untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they are made, not misleading . . ." In addition, issuers must otherwise comply with the anti-fraud provisions of the federal and state securities laws. No format for disclosure is prescribed. However, issuers may wish to consider the question and answer disclosure

format of the SCOR Form ((~~ULOR-C~~)) of chapter 460-17A WAC, or the corporate limited offering exemption of chapter 460-46A WAC, in determining the disclosure they make. If either form is used, the issuer should indicate that the disclosure form is being used for an exempt offering under this section rather than in an offering under the chapters under which the form was adopted.

AMENDATORY SECTION (Amending WSR 94-03-061, filed 1/14/94, effective 2/14/94)

WAC 460-44A-506 (~~(Exemption for nonpublic offers and sales without regard to dollar amount of offering.)~~) **Conditions pertaining to the offer and sale of securities pursuant to Rule 506 of the Securities Act of 1933.** (1) (~~(Exemption-)~~) Offers and sales of securities by an issuer in compliance with the Securities Act of 1933, Regulation D, Rules 230.501 through 230.503; 230.506; and 230.508 as made effective in Release No. 33-6389, and as amended in Release Nos. 33-6437, 33-6663, 33-6758, 33-6825, 33-6863, 33-6949, and 33-6996 ((that)) shall satisfy the conditions in subsections (2) and (3) of this section (~~(shall be deemed to be exempt transactions within the meaning of RCW 21.20.320(1))~~).

(2) (~~(Conditions to be met.~~

(a) ~~(General conditions:)~~ To qualify for ((~~exemption~~)) preemption under this section, offers and sales must satisfy all the terms and conditions of WAC ((460-44A-501 through)) 460-44A-503.

Note: In order to comply with this section the issuer must comply with the provisions of Rule 506 (17 CFR Sec. 230.506) of the Federal Securities and Exchange Commission.

((~~(b) Specific conditions.~~

(i) ~~No selling commission unless registered as a broker-dealer or salesperson.~~

(A) ~~No commission, fee, or other remuneration shall be paid or given directly or indirectly, to any person for soliciting any prospective purchaser that is not an accredited investor in the state of Washington unless such person is registered in this state as a broker-dealer or salesperson.~~

(B) ~~It is a defense to a violation of (b)(i)(A) of this subsection if the issuer sustains the burden of proof to establish that he did not know and in the exercise of reasonable care could not have known that the person who received a commission, fee or other remuneration was not appropriately registered in this state.~~

(ii) ~~Limitation on selling expenses.~~

(A) ~~Selling expenses in any offering under this section shall not exceed fifteen percent of the aggregate offering price. For the purposes of this section, "selling expenses" means the total underwriting and brokerage discounts and commissions (including fees of the underwriters' attorneys paid by the issuer) paid in connection with the offering plus all other expenses actually incurred by the issuer relating to printing, engraving, mailing, salaries of employees while engaged in sales activity, charges of transfer agents, registrars, trustees, escrow holders, depositaries, and engineers and other experts, expenses of qualification of the sale of the securities under federal and state laws, including taxes and fees, and any other expenses actually incurred by the issuer and directly related to the offering and sale of the securities,~~

~~but excluding accountants' and the issuer's attorneys' fees and options to underwriters.~~

~~(B) The number of shares or units called for by options issuable to underwriters or other persons as compensation, in whole or in part, for the offer or sale of securities in reliance on this section shall not exceed ten percent of the number of shares or units actually sold in the offering.)~~

(3) Offers or sales which are exempted under this section may not be combined in the same offering with offers or sales exempted under any other rule or section of chapter 21.20 RCW; however, nothing in this limitation shall act as an election. Should for any reason an offering fail to comply with all of the conditions for this section, the issuer may claim the availability of any other applicable exemption.

~~((4) The issuer shall file a notice, with a consent to service of process, and pay a filing fee as set forth in WAC 460-44A-503.)~~

AMENDATORY SECTION (Amending WSR 90-09-059, filed 4/17/90, effective 5/18/90)

WAC 460-44A-508 Insignificant deviations from a term, condition, or requirement of WAC 460-44A-501 through ~~((460-44A-506)) 460-44A-505.~~ (1) A failure to comply with a term, condition, or requirement of WAC 460-44A-504(~~(;)~~) or 460-44A-505(~~(; or 460-44A-506))~~) will not result in the loss of the exemption from the registration requirements of RCW 21.20.140 for any offer or sale to a particular individual or entity, if the person relying on the exemption shows:

(a) The failure to comply did not pertain to a term, condition, or requirement directly intended to protect that particular individual or entity; and

(b) The failure to comply was insignificant with respect to the offering as a whole: *Provided*, That any failure to comply with WAC 460-44A-502(3), 460-44A-503, 460-44A-504(3)(a), (c), and (e), 460-44A-505(2)(d) and (e) and (3), ~~((460-44A-506 (3) and (4);))~~ paragraph (c) of Securities and Exchange Commission Rule 502, and paragraphs (b)(2)(i) and (ii) of Securities and Exchange Commission Rule 505 ~~((and paragraph (b)(2)(i) of Securities and Exchange Commission Rule 506))~~ shall be deemed to be significant to the offering as a whole; and

(c) A good faith and reasonable attempt was made to comply with all applicable terms, conditions, and requirements of WAC 460-44A-504(~~(;)~~) or 460-44A-505(~~(; or 460-44A-506))~~).

(2) A transaction made in reliance on WAC 460-44A-504(~~(;)~~) or 460-44A-505(~~(; or 460-44A-506))~~ shall comply with all applicable terms, conditions, and requirements of WAC 460-44A-501 through ~~((460-44A-506)) 460-44A-505.~~ Where an exemption is established only through reliance upon subsection (1) of this section, the failure to comply shall nonetheless be actionable by the securities administrator under chapter 21.20 RCW.

PERMANENT RULES
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES
(Medical Assistance Administration)

[Filed May 14, 1998, 2:45 p.m.]

Date of Adoption: May 13, 1998.

Purpose: These rules implement an annual increase for the one-person income level for the medically needy program, and the resource standard for an institutionalized person's spouse, as required by federal standards. These rules have also been rewritten to meet the intent of the Governor's Executive Order 97-02.

Citation of Existing Rules Affected by this Order: Amending WAC 388-507-0710 and 388-513-1350.

Statutory Authority for Adoption: RCW 74.04.050, 74.04.057, 74.08.090, 74.09.530, 74.09.575.

Other Authority: Section 1924 (42 USC 1396r-5).

Adopted under notice filed as WSR 98-08-082 on April 1, 1998.

Changes Other than Editing from Proposed to Adopted Version: Based on public comment that the definition of "continuously institutionalized" in WAC 388-513-1350(3) was incorrect, the language was corrected to reflect the original intent of the agency.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 2, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

AMENDATORY SECTION (Amending Order 42, filed 12/17/79)

WAC 468-85-110 Application for advanced financial support payment. (1) Eligible applicants: Any county transportation authority established pursuant to chapter 36.57 RCW and any public transportation benefit area established pursuant to chapter 36.57A RCW ~~((is eligible to))~~ may receive a one-time advanced financial support payment from the department ~~((upon submission to the department of))~~ after submitting an application containing the information specified in subsection (2) of this section to the department.

(2) Contents of application: ~~There is no~~ particular form ~~((is hereby))~~ specified for ~~((an application))~~ applying for an advanced financial support payment. The application for such payment ~~((, however,))~~ must be addressed to the department, signed by the chief executive officer of the applicant, and include the following information and related materials:

(a) A copy of a minute entry or resolution of the applicant authorizing or directing that body, or a designated individual acting for that body, to apply for such payment;

(b) In the event the applicant is a public transportation benefit area, and unless it is county-wide, a map indicating the precise boundaries of any unincorporated areas within the public transportation benefit area;

(c) ~~((An estimate of the population of the applicant;~~

~~((A proposed budget indicating proposed expenditures by the following objects: Salaries and wages, personal services contracts, goods and services, travel, equipment, employee benefits, and capital outlays; and~~

~~((A description of the methods anticipated to be used to secure citizen participation in the comprehensive transit planning process; such methods must ensure a reasonable opportunity is provided for input to be made by racial and ethnic minorities, low-income, elderly ~~((and handicapped))~~ individuals, and persons with disabilities.~~

AMENDATORY SECTION (Amending Order 42, filed 12/17/79)

WAC 468-85-120 Department response to application. The department shall respond to applications on a "first-come, first-served" basis. Therefore, upon receipt of an application for an advanced financial support payment, the department shall:

(1) Determination of completeness: Determine whether or not the application contains or includes all of the information or material required by WAC 468-85-110(2). In the event an application is incomplete, the department shall notify the applicant ~~((shall be notified))~~ within seven days of receipt of such application by the department, of the application's deficiencies and that further ~~((department))~~ processing of the application is being suspended until the ~~((department receives a properly completed application))~~ applicant corrects the deficiencies;

(2) Determination of population: Request the office of financial management to determine the population of the applicant. Where the sum of the populations of the incorporated areas within the applicant's jurisdiction exceeds fifty thousand people, or if the applicant's jurisdiction is county-wide according to the most recently published estimate of the office of financial management, the department will not make such request ~~((will not be made; the department shall, instead, proceed to allocate the maximum amount allowable to said applicant));~~ and

(3) Allocation of funds: Allocate for distribution to the applicant as an advanced financial support payment the product of one dollar times the applicant's population as determined by the office of financial management or the department. Under no circumstances will the amount allocated exceed the sum of fifty thousand dollars per applicant.

AMENDATORY SECTION (Amending Order 42, filed 12/17/79)

WAC 468-85-130 Conditions of advanced financial support payments. (1) Payment constitutes a loan: Funds received by county transportation authorities or public transportation benefit areas as advanced financial support payments constitute loans. The recipient shall repay the department such ~~((a))~~ loan ~~((shall be repaid to the department by the recipient thereof))~~ not later than two years after the date such recipient received the advanced financial support payment. The department shall waive such repayment ~~((shall be waived in the event))~~ if the voters in the ~~((appropriate county or public transportation benefit))~~ recipient's area fail to ~~((elect to levy and collect))~~ authorize taxes ~~((authorized))~~ permitted under chapters 35.95 or 82.14 RCW within two years after the date such advanced financial support payment was received.

(2) Obligation to develop a comprehensive transit plan: Following receipt of the advanced financial support payment, the county transportation authority or public transportation benefit area shall undertake and complete the development of a comprehensive transit plan that meets the specifications contained in WAC 468-85-200 through 468-85-290 ~~((, as well as specifications adopted by the department subsequent to~~

receipt of such payment by a recipient)). In the development of such plan, ~~((a county transportation authority and public transportation benefit area))~~ the recipient shall ensure a reasonable opportunity for the receipt of citizens input and participation in the planning process is provided to racial and ethnic minorities; low-income, elderly ~~((, and handicapped))~~ individuals and persons with disabilities.

(3) Payment may constitute matching contribution: Any payment received pursuant to this chapter may be used as all or any portion of a matching contribution required for the receipt of federal funds, provided federal law and applicable regulations allow such payment as a matching contribution, and provided, further, such federal funds are used to assist the recipient in the development of a comprehensive transit plan.

(4) Notice of election: The chief executive officer of a recipient of an advanced financial support payment or his/her designee shall inform the department of the date ~~((of))~~ chosen for a popular election ~~((of))~~ on taxation authorized by chapter 35.95 or 82.14 RCW to finance public transportation in the recipient's jurisdiction, in advance of such election(s).

(5) Required election: An election to determine ~~((whether or not))~~ the taxes authorized by chapter 35.95 or 82.14 RCW ~~((will))~~ proposed to be levied and collected in the county or public transportation benefit area must be held within two years of the receipt of an advanced financial support payment.

(6) Notice of election results: The chief executive officer of a recipient of an advanced financial support payment or his/her designee shall inform the department of the election ~~((of))~~ results within ten days of ~~((the))~~ its official certification.

AMENDATORY SECTION (Amending Order 42, filed 12/17/79)

WAC 468-85-210 ((Capital improvements element.))
Community context. ~~((The capital improvements element of the comprehensive transit plan shall identify anticipated capital improvements including the number, types, and passenger seating capacities of in-revenue service vehicles, non-revenue equipment, and the number and types of any proposed terminals, stations, shelters, parking facilities for potential system users, and garage and related vehicle maintenance facilities. AMENDATORY SECTION (Amending Order 599, filed 6/30/92, effective 7/31/92)

WAC 332-24-205 General rules—Minimum requirements for all burning. The following rules apply to all burning regulated by the department:

(1) The department reserves the right to restrict, regulate, refuse, revoke or postpone outdoor fires under RCW 76.04.205 and 76.04.315, and chapter 70.94 RCW due to adverse fire weather or to prevent restriction of visibility, excessive air pollution or a nuisance.

(2) Burning shall not be allowed within nonattainment areas of the state as established by Washington department of ecology for particulate matter ten microns or less or carbon monoxide, except for:

(a) Fires for improving and maintaining fire dependent ecosystems; or

(b) Fires for training wildland fire fighters; or

(c) Fires set for a defined research project; or

(d) Military training exercises; or

(e) The exclusive purpose of managing storm or flood-related debris; or

(f) Where exempted by local or state air pollution control agencies.

(3) Burning shall not be allowed inside urban growth areas as designated under growth management plans, or in cities of greater than ten thousand population as follows:

(a) In urban growth areas where reasonable alternatives exist.

(b) In cities with a population of ten thousand or more as established by the office of financial management:

(i) That exceed or threaten to exceed federal or state ambient air quality standards; and

(ii) Where reasonable alternatives to outdoor burning exist, in accordance with WAC 173-425-090.

(c) After December 31, 2000, burning shall not be allowed in urban growth areas or cities with a population of ten thousand or more.

(4) No fires shall be ignited when:

(a) The department of ecology has declared an air pollution episode for the geographic area pursuant to chapter 173-435 WAC; or

(b) The department of ecology or a local air pollution control authority has declared impaired air quality for the geographic area in which the burning is to be done.

(5) A person responsible for a burn at the time an episode or impaired air quality is called pursuant to chapter 173-425 WAC, shall extinguish the fire by:

(a) Withholding fuel from the burn;

(b) Allowing the fire to burn down; and

(c) Aggressively putting out the fire until there is no visible smoke, unless otherwise allowed by the department.

(6) Prior to lighting, the person doing the burning must telephone the department, and obtain any special instructions for the day and location of the proposed burn. Those instructions thereupon become part of the conditions of burning.

(7) The fire must not include rubber products, plastic products, asphalt, garbage, dead animals, petroleum products, paints, or any similar prohibited materials that emit dense smoke or create offensive odors when burned, pursuant to RCW 70.94.775(1).

(8) If the fire creates a nuisance from smoke or flying ash, it must be extinguished. For purposes of this section, a nuisance exists when emissions from any open fire cause physical discomfort or health problems to people residing in the vicinity of the burning or physical damage to property.

(9) Burning within the department's fire protection areas shall not:

(a) Cause visibility to be obscured on public roads and highways by the smoke from such fires; or

(b) Endanger life or property through negligent spread of fire or pollutants.

(10) A person capable of extinguishing the fire must attend the fire at all times and the fire must be completely extinguished before being left unattended.

(11) No fires are to be within fifty feet of structures, or within five hundred feet of forest slash without a written burning permit.

(12) The landowner or landowner's designated representative's written permission must be obtained before kindling a fire on the land of another.

(13) The department reserves the authority to provide waivers, exceptions, and/or to impose additional requirements through the use of written burning permits and the smoke management plan.

NEW SECTION

WAC 16-344-020 Garlic seed-general (1) Issuance of a state of Washington certified plant tag, stamp or other document means only that the tagged, stamped, or otherwise documented plant materials have been subjected to procedures and requirements described in this chapter and determined to be in compliance with its standards and requirements. The department disclaims all expressed or implied warranties, including without limitation, implied warranties of merchantability and fitness for particular purpose, regarding all plants, plant parts, and plant materials.

(2) The department is not responsible for disease, genetic disorder, off-type, failure of performance, mislabeling, or otherwise, in connection with this chapter.

(3) No grower, nursery dealer, government official, or other person is authorized to give any expressed or implied warranty, or to accept financial responsibility on behalf of the department regarding certification.

(4) Participation in the seed garlic certification program is voluntary.

Reviser's note: The above new section was filed by the agency as WAC 16-344-020. This section is placed among sections forming new chapter 16-334 WAC, and therefore should be numbered WAC 16-334-020. Pursuant to the requirements of RCW 34.08.040, the section is published in the same form as filed by the agency.

NEW SECTION

WAC 16-334-030 Requirements for participation in the seed garlic certification program. (1) Participants in the seed garlic certification program must submit an annual two-hundred dollar application fee and all applications for plant propagation and certification by July 1 prior to planting. A separate application form must be used for each variety to be certified.

(2) As a condition of participation in the seed garlic certification program, the applicant grower must furnish the department all requested information pertinent to the operation of the program and must give consent to the department to take material for examination and testing.

(3) Garlic seed to be planted into registered or certified blocks must be inspected and tested in compliance with WAC 16-334-030 during the prior growing season by the department or by another certifying agency approved by the department. All such garlic seed must be found to be free of stem and bulb nematode and white rot fungus.

(4) Foundation blocks must be planted with garlic seed that has been through an approved disease elimination process.

(5) Registered blocks must be planted with garlic seed that originates from an approved program as foundation or registered stock.

(6) Certified blocks must be planted with garlic seed that originates from an approved program as foundation stock, registered stock or certified stock. The department may accept other garlic seed as certified stock, if the garlic seed has been inspected, tested, and found free of stem and bulb nematode and white rot fungi, as specified in subsection (3) above, for the previous two growing seasons.

(7) Planting sites for foundation, registered and certified blocks must be inspected and approved by the department at least 30 days prior to planting. At a minimum, planting sites must comply with all of the following criteria:

(a) The site has been out of *Allium spp.* production for at least five years;

(b) The site is found free of stem and bulb nematode based on an official laboratory test;

(c) The site is not infested with white rot fungus;

(d) The site is not likely to become infested with stem and bulb nematode or white rot fungus by drainage, flooding or irrigation;

(e) The site is separated from all other certified, registered, or foundation blocks by a minimum of six feet, unless the department approves alternative precautions to preserve identity;

(f) The site is a minimum of five hundred feet from any planting of non-certified *Allium spp.*

NEW SECTION

WAC 16-334-040 Inspection and testing requirements for certification. (1) The department shall conduct the following inspections for white rot fungus:

(a) One growing season inspection for all field plantings;

(b) One inspection at harvest or during storage;

(2) The department shall collect samples and conduct laboratory analysis for stem and bulb nematode on the following:

(a) Soil from all sites prior to planting;

(b) Plants from foundation and registered blocks, collected at approximately 20 foot intervals and composited on a one acre basis;

(c) Plants from certified blocks equal to or greater than one quarter acre intended to be planted back for recertification, collected at approximately 20 foot intervals and composited on a one acre basis;

(d) Plants from certified blocks of less than a quarter acre intended for recertification, comprising a reasonable sample of not more than five percent of the total plants.

(3) The department may require additional inspections or tests as needed.

(4) Inspection fees as established in WAC 16-401-025 and laboratory analysis fees as established in WAC 16-470-910 are applicable to this program.

(5) Payment is due upon completion of each inspection or test. Billing may be arranged subject to department policies and processes.

NEW SECTION

WAC 16-334-050 Conditions under which certification may be refused. Any plant that appears to be growing abnormally or with abnormal appearing bulbs will be collected and examined for the presence of pests or disease. The department may refuse to certify a planting or the harvested bulbs of garlic if:

(1) The garlic is found to be infested with stem and bulb nematode or infected with white rot fungi; or

(2) The garlic is infected with any other pest that the department determines cannot be eliminated by treatment or roguing; or

(3) A plant or plants are off-type, unless the block is rogued to the satisfaction of the department; or

(4) The participant has failed to pay in a timely manner any fees applicable to this program; or

(5) The participant has failed to comply with any requirements in this chapter.

NEW SECTION

WAC 16-334-060 Responsibilities of the grower. In addition to other requirements specified in this chapter, a grower participating in this program must perform all of the following:

(1) Conduct an active program of garlic pest control;

(2) Use precautions when cultivating, irrigating and moving equipment to prevent the spread of soil-borne pests or diseases;

- (3) Comply with the white rot quarantine regulations in WAC 16-470-300;
- (4) Maintain the identity of each lot.

NEW SECTION

WAC 16-334-070 Storage requirements for registered and certified garlic seed. (1) Harvested seed garlic shall be stored in:

- (a) Clean bins or containers that have not been used to store non-certified *Allium spp.*; and
 - (b) Clean storage areas approved by the department where onions are not stored.
- (2) Harvested planting stock must be held in one of the following:
- (a) New bags;
 - (b) Bags that have been only used to store certified garlic seed; or
 - (c) Bags that have been used to store crops other than onions and have been sanitized prior to use for garlic.

NEW SECTION

WAC 16-344-080 Movement of garlic planting stock—Permit required. In order to move planting stock out of Washington for cracking or other treatment, the participant must comply with all of the following requirements:

- (1) The identity of each lot must be maintained at all times;
- (2) The participant must obtain a permit from the department prior to movement of the planting stock out of Washington;
- (3) The number specified on its permit shall be used to identify each lot;
- (4) The permit must accompany the shipping container at all times; and
- (5) The permit must accompany certified seed garlic re-entering the state.

Reviser's note: The above new section was filed by the agency as WAC 16-344-080. This section is placed among sections forming new chapter 16-334 WAC, and therefore should be numbered WAC 16-334-080. Pursuant to the requirements of RCW 34.08.040, the section is published in the same form as filed by the agency.

PERMANENT RULES
DEPARTMENT OF HEALTH

[Filed May 19, 1998, 11:01 a.m., effective July 1, 1998]

Date of Adoption: May 1, 1998.

Purpose: This rule is a revision of the fee schedule for x-ray machine facility registration. The purpose of the fee increase is to ensure that revenue will meet program costs. There is also clarifying language that facilitates understanding of the fee schedule, as well as the collection of fees from unregistered radiation machine facilities. The fee increase will maintain current levels of service and public health protection.

Citation of Existing Rules Affected by this Order: Amending WAC 246-254-053.

Statutory Authority for Adoption: RCW 43.70.110.

Adopted under notice filed as WSR 98-07-081 on March 17, 1998.

AMENDATORY SECTION (Amending WSR 96-11-043, filed 5/8/96, effective 6/28/96)

WAC 246-254-070 Fees for specialized radioactive material licenses. (1) Persons licensed or authorized to possess or use radioactive material in the following special categories shall forward annual fees to the department as follows:

(a) Four thousand ~~((three hundred seventy))~~ five hundred forty-five dollars for operation of a single nuclear pharmacy.

(b) Seven thousand ~~((four hundred sixty))~~ seven hundred fifty-five dollars for operation of a single nuclear laundry.

(c) Seven thousand ~~((four hundred sixty))~~ seven hundred fifty-five dollars for a license authorizing a single facility to use more than one curie of unsealed radioactive material in the manufacture and distribution of radioactive products or devices containing radioactive material.

(d) Two thousand ~~((six hundred twenty))~~ seven hundred twenty-five dollars for a license authorizing a single facility to use less than or equal to one curie of unsealed radioactive material or any quantity of previously sealed sources in the manufacture and distribution of products or devices containing radioactive material.

(e) ~~((Six hundred eighty))~~ Seven hundred five dollars for a license authorizing the receipt and redistribution from a single facility of manufactured products or devices containing radioactive material.

(f) Five thousand two hundred dollars for a license authorizing decontamination services operating from a single facility.

(g) Two thousand ~~((three hundred seventy))~~ four hundred sixty-five dollars for a license authorizing waste brokerage including the possession, temporary storage at a single facility, and over-packing only of radioactive waste.

(h) One thousand ~~((sixty))~~ one hundred dollars for a license authorizing equipment servicing involving:

(i) Incidental use of calibration sources;

(ii) Maintenance of equipment containing radioactive material; or

(iii) Possession of sealed sources for purpose of sales demonstration only.

(i) ~~((One thousand nine hundred eighty))~~ Two thousand fifty-five dollars for a license authorizing health physics services, leak testing, or calibration services.

(j) One thousand two hundred ~~((forty))~~ ninety dollars for a civil defense license.

(k) Three hundred ~~((seventy))~~ eighty-five dollars for a license authorizing possession of special nuclear material as pacemakers or depleted uranium as shielding.

(2) Persons licensed or authorized to possess and use radioactive material in the following broad scope categories shall forward annual fees to the department as follows:

(a) (~~Fourteen thousand eight hundred~~) Fifteen thousand three hundred ninety dollars for a license authorizing possession of atomic numbers three through eighty-three with maximum authorized possession of any single isotope greater than one curie.

(b) (~~Six thousand eight hundred forty~~) Seven thousand one hundred ten dollars for a license authorizing possession of atomic numbers three through eighty-three with maximum authorized possession of any single isotope greater than 0.1 curie but less than or equal to one curie.

(c) Five thousand (~~five hundred~~) seven hundred twenty dollars for a license authorizing possession of atomic numbers three through eighty-three with maximum authorized possession less than or equal to 0.1 curie.

(3) Persons licensed or authorized to possess or use radioactive material which are not covered by any of the annual license fees described in WAC 246-254-070 through 246-254-100, shall pay fees as follows:

(a) An initial application fee of one thousand dollars;

(b) Billing at the rate of ninety dollars for each hour of direct staff time associated with issuing and maintaining the license and for the inspection of the license; and

(c) Any fees for additional services as described in WAC 246-254-120.

(d) The initial application fee will be considered a credit against billings for direct staff charges but is otherwise non-refundable.

(4) Persons licensed or authorized to possess or use radioactive material in a facility for radioactive waste processing, including resource recovery, volume reduction, decontamination activities, or other waste treatment, but not permitting commercial on-site disposal, shall pay fees as follows:

(a) A nonrefundable initial application fee for a new license of sixteen thousand dollars which shall be credited to the applicant's quarterly billing described in (b) of this subsection; and

(b) Quarterly billings for actual direct and indirect costs incurred by the department including, but not limited to, license renewal, license amendments, compliance inspections, a resident inspector for time spent on the licensee's premises as deemed necessary by the department, laboratory and other support services, and travel costs associated with staff involved in the foregoing.

AMENDATORY SECTION (Amending WSR 96-11-043, filed 5/8/96, effective 6/28/96)

WAC 246-254-080 Fees for medical and veterinary radioactive material licenses. (1) Persons licensed or authorized to possess or use radioactive material in the following medical or veterinary categories shall forward annual fees to the department as follows:

(a) Three thousand (~~seven hundred~~) eight hundred forty-five dollars for operation of a mobile nuclear medicine program from a single base of operation.

(b) Two thousand (~~seven hundred~~) eight hundred five dollars for a license authorizing groups II and III of WAC 246-235-120 for diagnostic nuclear medicine at a single facility.

(c) Two thousand (~~three hundred forty~~) four hundred thirty dollars for a license authorizing groups IV and V of WAC 246-235-120 for medical therapy at a single facility.

(d) Three thousand (~~seven hundred twenty~~) eight hundred sixty-five dollars for a license authorizing groups II or III and groups IV or V of WAC 246-235-120 for full diagnostic and therapy services at a single facility.

(e) Two thousand eighty dollars for a license authorizing group VI of WAC 246-235-120 for brachytherapy at a single facility.

(f) One thousand two hundred (~~forty~~) ninety dollars for a license authorizing brachytherapy or gamma stereotactic therapy or teletherapy at a single facility.

(g) One thousand (~~eight hundred eighty~~) nine hundred fifty-five dollars for a license authorizing medical or veterinary possession of greater than two hundred millicuries total possession of radioactive material at a single facility.

(h) One thousand five hundred sixty dollars for a license authorizing medical or veterinary possession of greater than thirty millicuries but less than or equal to two hundred millicuries total possession of radioactive material at a single facility.

(i) One thousand one hundred (~~ten~~) fifty dollars for a license authorizing medical or veterinary possession of less than or equal to thirty millicuries total possession of radioactive material at a single facility.

(j) (~~Nine hundred eighty~~) One thousand fifteen dollars for a license authorizing group I as defined in WAC 246-235-120 or in vitro uses of radioactive material at a single facility.

(k) Six hundred (~~ten~~) thirty dollars for a license authorizing medical or veterinary possession of a sealed source for diagnostic use at a single facility.

(2) Persons with licenses authorizing multiple locations of use shall increase the annual fee by fifty percent for each additional location or base of operation.

AMENDATORY SECTION (Amending WSR 96-11-043, filed 5/8/96, effective 6/28/96)

WAC 246-254-090 Fees for industrial radioactive material licenses. (1) Persons licensed or authorized to possess or use radioactive material in the following industrial categories shall forward annual fees to the department as follows:

(a) Four thousand (~~three hundred sixty~~) five hundred thirty dollars for a license authorizing the use of radiographic exposure devices in one or more permanent radiographic vaults in a single facility.

(b) (~~Five thousand eight hundred forty~~) Six thousand seventy dollars for a license authorizing the use of radiographic exposure devices at temporary job sites but operating from a single storage facility.

(c) Two thousand (~~eight hundred sixty~~) nine hundred seventy-five dollars for a license authorizing well-logging activities including the use of radioactive tracers operating from a single storage facility.

(d) Six hundred (~~twenty~~) forty-five dollars for a license authorizing possession of portable sealed sources including moisture/density gauges and excluding radiographic exposure devices operating from a single storage facility.

(e) (~~Six hundred eighty~~) Seven hundred five dollars for a license authorizing possession of any nonportable sealed source, including special nuclear material and excluding radioactive material used in a gas chromatograph at a single facility.

(f) Four hundred (~~thirty~~) forty-five dollars for a license authorizing possession of gas chromatograph units containing radioactive material at a single facility.

(g) One thousand (~~one hundred eighty~~) two hundred twenty-five dollars for a license authorizing possession of any self-shielded or pool type irradiator with sealed source total quantity greater than one hundred curies at a single facility.

(h) Six thousand (~~two hundred forty~~) four hundred ninety dollars for a license authorizing possession of sealed sources for a walk-in type irradiator at a single facility.

(i) Five thousand (~~four hundred forty~~) six hundred fifty-five dollars for a license authorizing possession of greater than one gram of unsealed special nuclear material or greater than five hundred kilograms of source material at a single facility.

(j) One thousand (~~seven hundred forty~~) eight hundred ten dollars for a license authorizing possession of less than or equal to one gram of unsealed special nuclear material or five hundred kilograms of source material at a single facility.

(k) Two hundred (~~eighty~~) ninety dollars for a license authorizing possession of static elimination devices not covered by a general license.

(2) Persons with licenses authorizing multiple locations of permanent storage shall increase the annual fee by fifty percent for each additional location.

(3) Depleted uranium registrants required to file Form RHF-20 shall forward an annual fee of sixty dollars to the department.

AMENDATORY SECTION (Amending WSR 96-11-043, filed 5/8/96, effective 6/28/96)

WAC 246-254-100 Fees for laboratory radioactive material licenses. (1) Persons licensed or authorized to possess or use unsealed radioactive material in the following laboratory categories shall forward annual fees to the department as follows:

(a) (~~Two thousand nine hundred eighty~~) Three thousand ninety-five dollars for a license authorizing possession at a single facility of unsealed sources in amounts greater than:

- (i) One millicurie of I-125 or I-131; or
- (ii) One hundred millicuries of H-3 or C-14; or
- (iii) Ten millicuries of any single isotope.

(b) One thousand (~~four hundred eighty~~) five hundred thirty-five dollars for a license authorizing possession at a single facility of unsealed sources in amounts:

- (i) Greater than 0.1 millicurie and less than or equal to one millicurie of I-125 or I-131; or

- (ii) Greater than ten millicuries and less than or equal to one hundred millicuries of H-3 or C-14; or

- (iii) Greater than one millicurie and less than or equal to ten millicuries of any single isotope.

(c) One thousand two hundred (~~forty~~) ninety dollars for a license authorizing possession at a single facility of unsealed sources in amounts:

- (i) Greater than 0.01 millicurie and less than or equal to 0.1 millicurie of I-125 or I-131; or

- (ii) Greater than one millicurie and less than or equal to ten millicuries of H-3 or C-14; or

- (iii) Greater than 0.1 millicurie and less than or equal to one millicurie of any other single isotope.

(d) Four hundred (~~thirty~~) forty-five dollars for a license authorizing possession at a single facility of unsealed or sealed sources in amounts:

- (i) Less than or equal to 0.01 millicurie of I-125 or I-131;

or

- (ii) Less than or equal to one millicurie of H-3 or C-14;

or

- (iii) Less than or equal to 0.1 millicurie of any other single isotope.

(e) Five hundred (~~seventy~~) ninety-five dollars for a license authorizing possession at a single facility of large quantities of naturally occurring radioactive material in total concentration not exceeding 0.002 microcurie per gram.

(2) Persons with licenses authorizing multiple locations of use shall increase the annual fee by fifty percent for each additional location.

(3) Persons registered to perform in vitro testing pursuant to Form RHF-15 shall forward an annual fee of sixty dollars to the department.

PERMANENT RULES
DEPARTMENT OF HEALTH
[Filed May 19, 1998, 11:03 a.m.]

Date of Adoption: May 1, 1998.

Purpose: The purpose of the fee increases contained in WAC 246-290-990 is to provide revenue that will assist the Division of Drinking Water in meeting its operating costs. The total revenue that the program obtains from the current fees is less than its expenditures from providing the services. In addition, revenue is needed to support the preparation and implementation activities associated with undertaking the operator certification requirements mandated in the reauthorized federal Safe Drinking Water Act.

Citation of Existing Rules Affected by this Order: Amending WAC 246-290-990.

Statutory Authority for Adoption: RCW 43.20B.020.

(2) To determine the appropriate fee for a noncommunity system, calculate the service equivalent by taking the average population served each day of operation and dividing by twenty-five for a transient noncommunity (TNC) system and two and one-half for nontransient noncommunity (NTNC) system. Use the number of service equivalents to find out what Group A size category to look under and submit the appropriate fee. (All noncommunity systems are Group A systems as described in WAC 246-290-020.)

(3) Additional review and approval fees may be assessed as follows:

(a) The basic fee covers an evaluation, or the review of an initial submittal and one resubmittal if required. If additional resubmittals are required, an additional twenty-five percent of the original fee will be assessed for each additional resubmittal. For water system plan and SMA plan preparation the basic fee also covers a preplanning conference. When the department is asked to participate in other meetings involving the plan such as community meetings, public hearings, or meetings with elected officials, the department is authorized to charge additional fees at the rate of ~~((eighty-one))~~ eighty-four dollars per hour;

(b) Fees for department project approval based on local technical review will be determined on a case-by-case basis as outlined in the applicable memorandum of understanding between the department and the respective local agency;

(c) Fees for services which the department determines are not described under subsection (1) of this section, will be calculated based on a rate of ~~((eighty-one))~~ eighty-four dollars per hour.

Examples of these services include, but are not limited to:

- (i) Review and inspection of water reuse projects;
- (ii) Collection of water quality samples requested by purveyor; ~~((or))~~

(iii) Review of alternate technologies requested by purveyor, manufacturer or authorized representative; or

(iv) Sanitary surveys, including the annual on-site inspections required for systems under WAC 246-290-690(3) to assess watershed control and disinfection treatment.

(d) Additional fees assessed by the department shall be billed to the purveyor using an itemized invoice.

(4) If the legislature revises the water system operating permit fee under RCW 70.119A.110 to incorporate into it one or more fees for service currently assessed separately under this section, and the purveyor has paid that consolidated fee, the department shall not assess or collect a separate fee under this section for any such service.

(5) All fees required under this section except as noted in subsection (3) of this section, shall be submitted prior to the department's approval. Payment of fees shall be in the form of a check or money order made payable to: The Department of Health. Payment of a fee shall not guarantee approval of the submitted document or evaluation request.

(6) Purveyors unable to determine the appropriate fee payment to submit should contact the department.

AMENDATORY SECTION (Amending Order R-72-1, filed 2/8/72, effective 7/1/72)

WAC 284-05-040 Restriction on signing as actuary.

No report, statement, or document shall be filed with the insurance commissioner or issued to the public in relation to the business of insurance if it is signed by a person who ~~((represents himself))~~ is represented in ((such)) the instrument to be an actuary unless ~~((such))~~ the person signing as an actuary is a qualified actuary.

AMENDATORY SECTION (Amending Order R-76-1, filed 2/25/76)

WAC 284-05-060 Qualified actuary defined. ~~((+))~~

For the purpose of this regulation, a "qualified actuary" is an individual who in each particular case or assignment is acting within the scope of his or her training, experience and qualifications~~(;)~~ and:

~~((a))~~ (1) Is a member of the American Academy of Actuaries~~(;)~~; or

~~((b))~~ (2) Has otherwise demonstrated his or her actuarial competence to the satisfaction of the insurance commissioner, or to the satisfaction of the insurance regulatory official of the domiciliary state of an insurer in the case of any actuarial certification required in connection with an annual statement filed by such insurer.

~~((2) Insofar as activities or conduct under the Employee Retirement Income Security Act of 1974 (P.L. 93-406) may be considered to relate to the business of insurance, an "enrolled actuary" pursuant to federal regulations issued under that act shall be deemed a "qualified actuary" with respect to such activities or conduct.))~~

The following section of the Washington Administrative Code is repealed:

WAC 284-05-070 Effective date.

AMENDATORY SECTION (Amending Order R-97-2, filed 1/23/98, effective 3/1/98)

WAC 284-43-930 Contents of individual and small group filings. Under RCW 48.44.022(3) and 48.46.064(3) the experience of all individual plans shall be pooled; and under RCW 48.44.023 (3)(i) and 48.46.066 (3)(i) the experi-

PERMANENT

ence of all small group plans shall be pooled. Filings for individual plans shall include base rates for all individual plans and filings for small group plans shall include base rates for all small group plans. Each individual and small group filing shall include all of the following information and documents:

(1) An actuarially sound estimate of incurred claims. Experience data, assumptions, and justifications of the carrier's projected incurred claims shall be provided in a manner consistent with the carrier's rate-making methodology and incorporate the following elements:

(a) A brief description of the carrier's rate-making methodology, including identification of the data used and the kinds of assumptions and projections made.

(b) The number of subscribers by family size, or covered persons for the plans included in the filing. These figures shall be shown for each month or quarter of the experience period and the prior two periods if not included in previous filings. This data shall be presented in aggregate for the plans included in the filing and in aggregate for all of the carrier's plans.

(c) Earned premium for each month or quarter of the experience period and the prior two periods if not included in previous filings, for the plans included in the filing.

(d) An estimate of the adjusted earned premium for each month or quarter of the experience period and prior two periods for the plans included in the filing.

(e) Claims data for each month or quarter of the experience period and the prior two periods. Examples of claims data are, incurred claims, capitation payments, utilization data, unit cost data, and staffing data. The specific data elements included in the filing shall be consistent with the carrier's rate-making methodology.

(f) Documentation and justification of any adjustments made to the experience data.

(g) Documentation and justification of the factors and methods used to forecast incurred claims.

(2) An actuarially sound estimate of prudently incurred expenses. Experience data, assumptions, and justifications shall be provided by the carrier as follows:

(a) A breakdown of the carrier's expenses allocated or assigned to the plans included in the filing for the experience period or for the period corresponding to the most recent "annual statement";

(i) Health care service contractors shall provide an expense breakdown at least as detailed as the annual statement schedule "Underwriting and Investment Exhibit, Part 3, Analysis of Expenses" as revised from time to time;

(ii) Health maintenance organizations shall provide an expense breakdown at least as detailed as the "Annual Statement, Report #2: Statement of Revenues, Expenses and Net Worth," for administrative expenses as revised from time to time;

(iii) The allocation and assignment methodology used in (a)(i) or (ii) of this subsection may be based on readily available data and easily applied calculations;

(b) Identification of any experience period expenses that are extraordinary; and

(c) Documentation and justification of the assignment or allocation of expenses to the plans included in the filing; and

(d) Documentation and justification of forecasted changes in expenses.

(3) An actuarially sound provision for contribution to surplus, contingency charges, or risk charges. Assumptions and justifications shall be provided by a carrier as follows:

(a) The methodology, justification, and calculations used to determine the contribution to surplus, contingency charges, or risk charges included in the proposed base rates; and

(b) The carrier's net worth or reserves and unassigned surplus at the beginning of the experience period and at the end of the experience period.

(4) An actuarially sound estimate of forecasted investment earnings on assets related to claim reserves or other similar liabilities. The carrier shall include documentation and justification of forecasted investment earnings identified in dollars, and as a percentage of total premiums and the amount credited to the plans included in the filing.

(5) Adjustment of the base rate. Experience data, assumptions, justifications, and methodology descriptions shall be provided that include:

(a) Justifications for adjustments to the base rate, supported by data if appropriate, attributable to geographic region, age, family size, use of wellness activities, and tenure discounts;

(b) Justifications, supported by data if appropriate, of any other factors or circumstances used to adjust the base rates; and

(c) Description of the methodology used to adjust the base rate to obtain the premium rate for a specific individual or group, which is detailed enough to allow the commissioner to replicate the calculation of premium rates if given the necessary data.

(6) Actuarial certification. Certification by an actuary, as defined by WAC 284-05-060(((+))), that the benefits and services to be provided are reasonable in relation to the amount charged.

(7) The requirements of subsections (1) through (6) of this section may be waived or modified upon the finding by the commissioner that a plan contains or involves unique provisions or circumstances and that the requirements represent an extraordinary administrative burden on the carrier. An example of such a situation could include a plan offered by a relatively small carrier, where such plan has limited benefits and is designed to generate an unusually small premium.

(B) The issuer has only accepted applications from resident and nonresident licensees in compliance with the provisions of (b)(i) of this subsection.

The certification shall be filed with the commissioner on or before March 31 of each year.

(c) Each course credit applied toward satisfaction of the continuing education requirement must have been completed within the twenty-four month period immediately preceding the licensee's assigned license renewal date and the credit may not have been used previously to comply with the continuing education requirement.

(3) The course participated in and for which credit is received shall be reported to the commissioner as part of the application for license renewal and shall be subject to verification by audit.

(4) ~~((Repeating))~~ An approved course for which the licensee has previously claimed credit ((will not satisfy the continuing education requirement)) may be repeated for credit after a period of three years from the previous completion date.

(5) The licensee must retain the certificate of completion for three years from the date on the certificate and must present the original of such certificate upon request of or audit by the commissioner.

AMENDATORY SECTION (Amending WSR 97-19-007, filed 9/4/97, effective 10/5/97)

WAC 284-17-220 Continuing education requirement. (1) Twenty-four credit hours of approved continuing education must be presented as a prerequisite to each license renewal or reinstatement.

(2)(a) Effective July 1, 1996, the number of required continuing education credit hours will be increased from twenty-four to thirty-two hours for each two-year licensing period.

(b)(i) Resident and nonresident licensees engaged in the transaction of long-term care insurance, long-term care partnership insurance, or both, are required to take an approved six-hour course on long-term care, long-term care partnership, or both, every two years. The commissioner shall prescribe the content of the course. Each course shall be approved by the commissioner in advance.

(ii) Effective January 1, 1998, a resident or nonresident licensee shall not submit an application for a long-term care or long-term care partnership policy to an issuer unless he or she has completed the approved course.

(iii) The approved six-hour course may count towards the thirty-two required continuing education credit hours set forth in (a) of this subsection.

AMENDATORY SECTION (Amending WSR 94-11-027, filed 5/6/94, effective 6/6/94)

WAC 315-04-180 Obligations of lottery retailers.

(1)(a) The method of accounting for a retailer's payment to the director for instant ticket packs received prior to the lottery's instant ticket accounting system (ITAS) being fully operational shall be governed by Title 315 WAC and other applicable law as it was in effect prior to March 2, 1994.

(b) The method of accounting for a retailer's payment to the director for instant ticket packs received on or after the day ITAS becomes fully operational shall be governed by Title 315 WAC and other applicable law as it was in effect on the day of ITAS' becoming fully operational.

(c) It is the intent of the Washington state lottery commission that those repeals and amendments filed with the state of Washington office of the code reviser to take effect no earlier than February 9, 1994, shall take effect when ITAS is fully operational.

(d) The instant ticket accounting system referred to above became fully operational on March 2, 1994.

(2)(a) Upon acceptance of a pack of instant tickets from the director, the retailer shall be responsible for the condition and security of the pack. The retailer shall hold the pack in its own safekeeping until it is ready to begin sale of the pack. Immediately prior to beginning sale, the retailer shall place the pack in "activated" status in the lottery's instant ticket accounting system (ITAS). Placement in activated status designates that the tickets in the pack may be sold, and prizes in the pack may be paid.

(b) In the event that instant tickets accepted by the retailer are lost, stolen or in any way unaccounted for prior to their being placed in activated status on ITAS, the retailer shall, upon discovery of their disappearance, immediately notify the director of each pack or portion of a pack so unaccounted for, lost or stolen. The retailer may be required to provide the director a police report or other evidence of the pack's disappearance. The retailer ~~((shall))~~ may be charged twenty-five dollars for each pack or portion of a pack unaccounted for, lost or stolen.

(c) A retailer may return an unopened pack, at no charge, to the director at any time prior to the pack having been placed in activated status. Within thirty days of the official end of an instant game, a retailer shall return to the director all packs never activated in that game. Retailers shall be charged twenty-five dollars for each pack or portion thereof which was not returned to the director and not activated in accordance with this section.

(d) Upon placement of a pack in activated status, the retailer shall be liable to the director for payment for the pack, in the amount calculated under WAC 315-06-035. Payment for a pack shall be due to the director no later than twenty calendar days after the pack has been placed in activated status. The director shall not reimburse the retailer for any ticket losses which occur after activation of the pack from which the tickets came, except as allowed by WAC 315-04-210(2) or 315-06-190.

(e) Each lottery retailer and lottery license applicant shall sign and comply with a lottery instant retailer agreement.

Failure to sign or to comply shall result in revocation or denial of a retailer's lottery license.

(3) Each lottery retailer shall abide by the law, these rules and all other directives or instructions issued by the director.

(4) Each lottery retailer grants to the director an irrevocable license to enter upon the premises of the lottery retailer in which tickets may be sold or any other location under the control of the lottery retailer where the director may have good cause to believe lottery materials and/or tickets are stored or kept in order to inspect said lottery materials and/or tickets and the licensed premises.

(5) All property given, except tickets, to a lottery retailer remains the property of the director, and, upon demand, the lottery retailer agrees to deliver forthwith the same to the director.

(6) All books and records pertaining to the lottery retailer's lottery activities shall be made available for inspection and copying, during the normal business hours of the lottery retailer and between 8:00 a.m. and 5:00 p.m., Monday through Friday, upon demand by the director.

(7) All books and records pertaining to the lottery retailer's lottery activities shall be subject to seizure by the director without prior notice.

(8) No lottery retailer shall advertise or otherwise display advertising in any part of the lottery retailer's premises as a licensed location which may be considered derogatory or adverse to the operations or dignity of the lottery and the lottery retailer shall remove any advertising forthwith if requested by the director.

PERMANENT RULES

DEPARTMENT OF

SOCIAL AND HEALTH SERVICES

(Aging and Adult Services Administration)

[Filed May 20, 1998, 10:20 a.m., effective July 1, 1998]

Date of Adoption: May 20, 1998.

Purpose: To make the adult family home regulations clearer, more easily understood, and more reflective of practices and expectations that are currently in place.

Citation of Existing Rules Affected by this Order: Amending WAC 388-76-540, 388-76-550, 388-76-560, 388-76-570, 388-76-595, 388-76-605, 388-76-620, 388-76-635, 388-76-655, 388-76-660, 388-76-665, 388-76-670, 388-76-675, 388-76-680, 388-76-685, 388-76-690, 388-76-695, and 388-76-705.

Statutory Authority for Adoption: RCW 70.128.040.

Other Authority: Chapters 70.128 and 70.129 RCW.

Adopted under notice filed as WSR 98-02-077 on January 7, 1998.

Changes Other than Editing from Proposed to Adopted Version:

REASONS FOR ADOPTING THE RULES

Due to laws passed in the 1995 legislative session, rules governing adult family homes were completely revised and

became effective in July 1996. Since that time, internal and external stakeholders have provided input and feedback concerning their experience implementing these rules. This feedback made it evident that changes to the regulations were needed to: Eliminate faulty and/or confusing language; make the regulations clearer and more easily understood; and make the regulations more reflective of current practices and laws. In addition, some changes are necessary to ensure department expectations are clearly defined and easily understood.

VARIANCE BETWEEN PROPOSED AND FINAL RULES ADULT FAMILY HOME MINIMUM LICENSING REQUIREMENTS WAC 388-76-540 THROUGH 388-76-705

The following is a description of differences between the proposed rules and the adopted version, and the principal reasons.

WAC 388-76-540 Definitions.

Caregiver - within this definition "entity responsible individual" was changed to "entity representative." This change was made throughout the rules.

Entity representative - we changed the name from "entity responsible individual" to "entity representative" as was suggested to us; we found the latter term less awkward. Other minor editorial changes were made to make this definition clearer. Throughout the rules, "entity responsible individual" has been replaced with "entity representative."

Individual provider - clarifying changes were made to make this definition clearer.

WAC 388-76-550 License application.

Section title revised to reflect recent statutory changes (eliminating renewal applications and implementing a nonexpiring license).

(1) Deleted "renewal" to reflect recent statutory changes (eliminating renewal applications and implementing a nonexpiring license).

(3) Minor editorial changes made to make this subsection easier to read.

(4) This subsection was revised to reflect recent statutory changes (eliminating renewal applications and implementing a nonexpiring license).

(6) Deleted "or renew" from this subsection to reflect recent statutory changes (eliminating renewal applications and implementing a nonexpiring license).

(8) Added "provider" after applicant for clarity, and deleted "or renewal" from this subsection to reflect recent statutory changes (eliminating renewal applications and implementing a nonexpiring license).

(9) Made numerous editorial and clarifying changes to make this subsection easier to read and understand.

(10-11) Deleted "or renewal" from these subsections to reflect recent statutory changes (eliminating renewal applications and implementing a nonexpiring license).

(12) This subsection deleted as it is no longer relevant due to the recent statutory change (eliminating renewal applications and implementing a nonexpiring license).

WAC 388-76-560 License eligibility. Section title revised to reflect recent statutory changes (eliminating renewal applications and implementing a nonexpiring license).

(5) Added a clarifying sentence to remind adult family homes that their Department of Health (DOH) registration must be renewed annually.

(6) Added a clarifying sentence to remind adult family homes that resident manager's DOH registration must be renewed annually. Deleted "within sixty days of being designated as an adult family home resident manager" because our assistant attorney general advised the department that we do not have statutory authority to make this change.

(9) Reorganized this section and made minor editorial changes to try and make it clearer and easier to read. Deleted reference to renewal of licenses to reflect recent statutory changes. Due to comments received, clarified in (c) and (d) that the action must be taken by an agency.

(10-13) Reorganized these subsections and made minor editorial changes to try and make it clearer and easier to read. Deleted reference to renewal of licenses to reflect recent statutory changes.

(14) Deleted reference to renewal of licenses to reflect recent statutory changes.

(15) This subsection deleted as it is no longer relevant (due to the recent statutory change eliminating renewal applications and implementing a nonexpiring license).

WAC 388-76-570 Additional license requirements — Multiple-facility providers.

(5) Inserted "prior to" in new subsection (5) in order to eliminate old subsections (5-6).

WAC 388-76-595 Inspections and ombudsman visits.

(2) Added examples of willful interference and failure to cooperate in this subsection in response to comments received. (4-5) Changed "shall" to "will" for clarity.

(6-10) Reorganized this section and made minor editorial changes to try and make it clearer and easier to read. Revised some of the requirements of this section because they conflicted with public disclosure laws and confidentiality requirements. (11) Added in "state regulations for the long-term care ombudsman program" for clarity.

WAC 388-76-605 Restraints.

(4)(b) Deleted "who has assessed the resident" for accuracy, as health care professionals with prescriptive authority follow standards of practice under their respective licenses.

(4)(c) Revised language to be clearer. Prior language was not entirely accurate.

WAC 388-76-620 Provision of services and care.

(3) Changed "service" to "care." This change has been made throughout the rules, and this "service" was accidentally missed. (4)(b) Changed "ensures" to "promotes" in response to comments received about the use of the word ensure.

WAC 388-76-635 Nurse delegation—Penalties.

The department has changed "shall" to "may" to reflect recent statutory changes.

WAC 388-76-655 General management and administration.

(2)(d) "For example" was replaced with "including but not limited to" in order to be clear that the being on vacation was only one example, not the only example.

(3)(a) This entire subsection had been incorrectly deleted; what was needed was additional language to specify

that damage or loss of the resident's property is covered if due to negligence of the insured. The correct language has been added.

(7)(a) The specific WAC citation has changed, so this subsection was revised.

(7)(b) Language was added to clarify that the maximum time a resident can be left alone must be documented in a resident's negotiated care plan.

WAC 388-76-660 Training.

(2)(a) Some minor language was revised to make this subsection clearer.

(4) Language was added to clarify that AFHs who take a special Division of Developmental Disabilities training are exempt from the fundamentals of caregiving training.

WAC 388-76-670 Disaster and emergency preparedness.

(4) Minor editorial changes were made to this subsection to make it clearer and more easily understood.

WAC 388-76-675 Reporting requirements.

(2) No changes will be made in this subsection. It was decided to leave this section as it currently is, and not make any changes.

WAC 388-76-680 Infection control and communicable disease. (2-4) Revisions were made in these subsections to make them clearer and more reflective of current standards in regard to tuberculosis (TB).

WAC 388-76-685 Criminal history disclosure and background inquiries.

(3) "Against persons" was deleted based on our assistant attorney general's advice. The statute this subsection refers to lists more than just crimes against persons, and so the prior language was not accurate.

WAC 388-76-690 Advance directives, guardianship, and decision making.

(4-5) The language in these subsections was completely revised to be simpler, clearer, and to comply with the appropriate statutes.

WAC 388-76-705 Remedies.

(3)(a)(iii)(A-B) In order to clarify that there are two circumstances when civil fines can exceed one hundred dollars per day, new language was added in (A) and (B) to specifically identify those two circumstances. The two circumstances are defined in statute, and those statutes are referenced in (A) and (B) of this subsection.

(3)(a)(iv) "Or refusal to renew" was deleted to reflect recent statutory changes (eliminating renewal applications and implementing a nonexpiring license).

Date of Adoption: April 8, 1998.

Purpose: Allow specific requirements for cherry harvest only for provision of temporary worker housing in eastern Washington during the 1998 cherry harvest.

Citation of Existing Rules Affected by this Order: New sections WAC 246-358-600, 246-358-610, 246-358-620, 246-358-630, 246-358-640, and 246-358-650.

Statutory Authority for Adoption: RCW 70.54.110.

Other Authority: RCW 34.05.350.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Migrant workers will soon be arriving in Washington state to harvest the cherry crop. Historically, migrant workers have lived in cherry camps established by growers for whom they pick. For various reasons, including the courts recent ruling in regard to the Department of Health's provisional licensing program, growers who have been provisionally licensed in the past, or who might otherwise have sought licensure of their camps have threatened not to seek licensure. This situation presents the potential of having far more migrant workers in cherry growing communities than there are places in licensed camps.

There is currently little alternative housing available for migrant workers in cherry growing communities outside of the cherry camps. Without camps available, workers often live "on the river bank," that is, in isolated rural areas without safe sources of drinking water or any sanitation facilities. The health risks both to workers and to the larger community associated with such conditions include the spread of infectious disease. Workers camping in isolated areas may also be the targets of violence, vandalism and theft.

A number of cherry growers have camps which could be equipped for licensure with respect to basic safety and health standards. State and local authorities believe some of the growers would seek licensure if emergency rules could be implemented in time for the 1998 cherry harvest season. Licensed camps would provide additional housing for migrant workers.

The above-described conditions constitute good cause to find threat to the public health, safety, or welfare. The amendment is narrowly tailored to alleviate these conditions on a temporary basis. Because the cherry harvest is imminent, observing requirements for notice and the opportunity for public comment would be contrary to the public interest.

NEW SECTION

WAC 246-358-600 Temporary worker housing for the 1998 cherry harvest. (1) WAC 246-358-600 through 246-358-650 applies only to operators of temporary worker housing of cherry harvest camps during the 1998 cherry harvest season.

(2) WAC 246-358-001 through 246-358-175, and WAC 246-358-990 apply to cherry harvest camps, unless a specific exemption is provided in WAC 246-358-600 through 246-358-650.

NEW SECTION

WAC 246-358-610 Location of housing area and housing management plan. Licensed operators are exempted from the requirements of WAC 246-358-045, 246-358-075 and 246-358-135 when meeting the requirements of this section. A licensed operator:

(1) Must locate the housing area:

(a) To prevent a health or safety hazard;

(b) On well-drained sites to prevent standing water from becoming a nuisance;

(c) Five hundred feet or more from a livestock operation unless the department or contracted health officer determines that no health risk exists;

(d) More than two hundred feet from swamps, pools, sink holes, or other surface collections of water unless provisions are taken to prevent the breeding of mosquitoes; and

(e) On sites sufficient in size to prevent overcrowding of necessary structures.

(2) Must ensure that the housing site is maintained at all times in a sanitary condition free from garbage and other refuse.

(3) Must develop and implement a temporary worker housing management plan and camp rules to assure that the camp is operated in a safe and secure manner and is kept within the approved capacity. Additionally, the licensed operator must:

(a) Inform camp residents of the camp rules, in a language the resident understands by providing individual copies of the rules to each camp resident or posting the rules in the camp area;

(b) Restrict the number of occupants in the camp to the camp capacity as determined by the department. The camp capacity will be determined by the number of tents and the number of persons per tent, area of the site and the ratio of occupants to the number of sinks, showers, and toilets;

(c) Only allow persons to stay in the camp if they have a store-purchased tent with a sewn-in floor;

(d) Provide a vapor barrier for all tents that are not on an asphalt, concrete, or wooden platform; and

(e) Limit the number of occupants who can sleep in the tent to the number for which it was designed. An employee may use his or her own trailer, recreational vehicle, camper, or van if designed for sleeping. Such vehicles are subject to the same occupancy limits as a tent.

(4) May provide a tent for employee use when the tent meets the tent requirements listed in subsection (3) of this section, and has screened flaps over windows and doors and a means of fastening the flaps shut.

NEW SECTION

WAC 246-358-620 Adequate lighting. Licensed operators are exempted from the lighting requirements of WAC 246-358-075, 246-358-090, 246-358-095, 246-358-100 and 246-358-125 when meeting the requirements of this section. A licensed operator must provide adequate lighting:

(1) To allow for safe passage of the camp residents from the tent area to the toilets and sinks twenty-four hours per day;

(2) In cooking and food handling areas as needed for safe food preparation; and

(3) In shower rooms during hours of operation.

NEW SECTION

WAC 246-358-630 Bathing, toilet and handwashing areas. Licensed providers are exempt from the requirements of WAC 246-358-095 and 246-358-100 when meeting the requirements of this section. To meet the bathing, toileting and handwashing needs of camp residents, a licensed operator must:

(1) Provide hot and cold running water under pressure adequate to meet the needs of occupants as determined by the department;

(2) Provide facilities which are kept in a clean and sanitary condition, cleaned at least daily;

(3) Provide sloped, coved floors of nonslip impervious materials;

(4) Provide floor drains;

(5) Provide smooth, water impervious walls and partitions to the height of splash;

(6) Provide cleanable, nonabsorbent waste containers in shower rooms and in or near toileting areas;

(7) Provide sinks and bathing facilities connected through properly trapped floor drains to an approved disposal system that comply with local ordinances;

(8) Provide water flush toilets unless privies or other methods are specifically approved by the department or local health officer according to requirements in chapter 246-272 WAC;

(9) Have a service contract for sewage pumping with a licensed waste disposal company at least weekly if vault privies or chemical toilets are approved for use. Vault privies or chemical toilets must be located at least fifty feet from any dwelling unit, space, or food handling facility;

(10) Provide an adequate supply of toilet paper in each toilet room, privy, and chemical toilet compartment;

(11) Provide clearly marked toilet rooms or chemical toilets for "men" and for "women" by signs printed in English and in the native language of the persons occupying the camp, or marked with easily-understood pictures or symbols;

(12) Ensure that toilet facilities are cleaned at least daily;

(13) Request occupants to maintain toilet facilities in a clean and sanitary condition;

(14) Provide adequate numbers of toilets, handwashing and showerheads. The department will determine the number of handwashing sinks and shower heads according to the following ratios:

HANDWASHING SINKS—One per each six to ten persons or fraction thereof.

SHOWER HEADS—One per each ten to fifteen persons or fraction thereof.

TOILETS—One per fifteen persons of each sex with a minimum of two toilets for any facility shared by men and women; and

(15) Receive approval from the department and the local health jurisdiction to determine use of off-camp showers. Off-camp showers must be within a reasonable distance of the camp, not to exceed five miles.

NEW SECTION

WAC 246-358-640 Cold food storage areas. Licensed operators are exempt from cold storage requirements of WAC 246-358-125 when meeting the requirements of this section.

(1) Licensed operators must provide:

(a) At least one refrigerator for storage of medicine and infant formula;

(b) Ice if there is not adequate mechanical refrigeration or an adequate method of making sufficient ice on-site; and

(c) Ice chests with sufficient storage space to adequately store perishable foods on an as needed basis for camp residents. The ice chest must be capable of maintaining a temperature of forty-five degrees Fahrenheit. A minimum of one ice chest, with a volume of sixty-four quarts, for every four adults or one family group must be made available.

(2) At their own option, occupants may provide their own ice chest meeting requirements in subsection (1)(c) of this section in lieu of having an ice chest provided by the licensed operator.

NEW SECTION

WAC 246-358-650 Food storage and preparation areas. Licensed operators are exempt from food storage and preparation requirements of WAC 246-358-125 when meeting the requirements of this section.

(1) The licensed operator must provide:

- (a) Food preparation and cooking areas must be provided cover to protect the food from the elements, including dust;
 - (b) Food storage areas adequate to protect food from attracting rodents and insects;
 - (c) Easily cleanable food preparation areas;
 - (d) Handwashing facilities near food preparation areas;
 - (e) Adequate tables and chairs or benches for the camp residents; and
 - (f) An operable hot plate or campstove with a minimum of one cooking surface for every four adult occupants or one family group. The department may determine that a metal or stone barbecue, with fuel provided, may be substituted for the hot plate or campstove.
- (2) At their own option, occupants may provide their own operable hot plate or campstove in lieu of having a hot plate or campstove provided by the licensed operator.

EMERGENCY RULES
DEPARTMENT OF REVENUE
 [Filed May 8, 1998, 11:00 a.m.]

Date of Adoption: May 8, 1998.

Purpose: To implement SHB 1261 (chapter 238, Laws of 1997). This legislation authorizes the department to prepare a step-ranged tax credit table to be used by businesses when determining the amount of small business credit available to them. No taxpayer will pay any greater amount of tax when using this step-ranged table.

Citation of Existing Rules Affected by this Order: Amending WAC 458-20-104 small business tax relief based on volume of business.

Statutory Authority for Adoption: RCW 82.32.300 and 82.04.4451.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: To implement SHB 1261 (chapter 238, Laws of 1997). The purpose of this legislation is to provide taxpayers determining the amount of their small business B&O tax credit with an alternative to the calculations necessary under the statutory formula. The complexity of the currently required computations has proven frustrating to the taxpayers, and has result[ed] in a high number of errors. The step-ranged table contained in the rule will be much simpler to use, and will reduce the number of errors currently being made. This rule is being adopted on an emergency basis until the rule can be permanently adopted.

AMENDATORY SECTION (Amending WSR 97-08-050, filed 3/31/97, effective 5/1/97)

WAC 458-20-104 Small business tax relief based on volume of business. ~~((1) Introduction. This section explains the small business B&O tax credit (RCW 82.04.4451), and the public utility tax income exemptions (RCW 82.16.040). Chapter 111, Laws of 1996, amended RCW 82.16.040 to increase the income exemptions for the public utility tax, effective July 1, 1996. (See also WAC 458-20-101 on tax registration and tax reporting requirements.)~~

~~(2) Business and occupation tax. Persons subject to B&O tax may be eligible to claim a small business tax credit against the amount of B&O tax otherwise due. The B&O tax credit operates completely independent of the volume exemption which applies to the public utility tax. This tax credit should be computed after claiming any other B&O tax credits available under chapter 82.04 RCW, but prior to any credits provided under other chapters of Title 82 RCW. The maximum amount of small business tax credit available to a person is thirty five dollars multiplied by the number of months in the reporting period assigned by the department of revenue under the provisions of RCW 82.32.045. The small business tax credit applies to the entire reporting period, even though the business may not have been operating during the entire period.~~

~~(a) If the amount of B&O tax from all activities engaged in by the taxpayer is equal to or less than the maximum credit, a small business tax credit equal to the amount of the B&O tax will be allowed. If the amount of B&O tax from all activities is greater than the maximum credit, a reduced credit may be available. This reduced credit will be equal to twice the maximum credit minus the B&O tax otherwise due. The credit cannot be less than zero. RCW 82.04.4451.~~

~~(b) Persons having multiple tax reporting accounts are eligible for only one small business tax credit per tax reporting period.~~

~~(c) Spouses who operate distinct and separate businesses that have different tax registrations are each eligible for the small business tax credit.~~

~~(3) Retail sales tax. Persons making retail sales must collect and remit all applicable retail sales taxes even if B&O tax is not due. There is no small business tax credit or volume of business exemption for retail sales tax.~~

EMERGENCY

(4) **Public utility tax.** Persons subject to public utility tax are exempt from payment of this tax for any reporting period in which the taxable amount reported under the combined total of all public utility tax classifications does not equal or exceed the maximum exemption for the assigned reporting period. RCW 82.16.040. The maximum exemptions for public utility tax are:

Monthly reporting basis	\$2,000 per month
Quarterly reporting basis	\$6,000 per quarter
Annual reporting basis	\$24,000 per annum

If the taxable amount for a reporting period equals or exceeds the maximum exemption, tax must be remitted on the full taxable amount. The public utility tax maximum exemptions apply to the entire reporting period, even though the business may not have operated during the entire period.

(5) **Tax reporting frequencies.** Persons interested in knowing the thresholds used by the department when assigning tax reporting frequencies should refer to WAC 458-20-22801 (Tax reporting frequency forms).

(6) **Examples.** The following examples illustrate how the small business B&O tax credit and public utility income exemption systems apply to typical situations. These examples should be used only as a general guide. The tax status of other situations must be determined after a review of all of the facts and circumstances.

(a) JD Inc. has been assigned a quarterly reporting period by the department of revenue. JD Inc.'s B&O tax liability from all business activities for the third quarter is ninety dollars. This B&O tax liability is less than the one hundred five dollar maximum small business B&O tax credit available for a quarterly reporting period (three times the monthly credit amount of thirty five dollars). JD Inc. may claim a small business B&O tax credit for the entire ninety dollar B&O tax liability.

Maximum Credit available for quarterly filers (3 x \$35)	\$105
B&O Tax	\$ 90
Credit Available	\$ 90
Net B&O Tax Due	0

(b) HM Corporation has been assigned a quarterly reporting period by the department of revenue. HM's B&O tax liability from all business activities for the fourth quarter is one hundred twenty dollars. This tax liability exceeds the one hundred five dollar maximum small business B&O tax credit available for a quarterly period (three times the monthly credit amount of thirty five dollars). However, a reduced small business tax credit is available. This credit is computed by subtracting HM's B&O tax liability of one hundred twenty dollars from the figure of two hundred ten dollars (twice the maximum credit available for a quarterly reporting period). HM Corporation may claim a small business tax credit of ninety dollars.

Twice the Maximum Credit available for quarterly filers (2 x \$105)	\$210
---	-------

Less: B&O Tax	\$120
Credit Available	\$ 90
Net B&O Tax Due	\$ 30

(c) XY Inc. has been assigned a quarterly reporting period by the department of revenue. XY's B&O tax liability for the first quarter is two hundred fifty dollars. As XY's B&O tax liability exceeds the two hundred ten dollar figure used to determine any reduced B&O tax credit (twice the maximum credit available for a quarterly reporting period), XY Inc. is not eligible for the small business B&O tax credit.

Twice the Maximum Credit available for quarterly filers (2 x \$105)	\$210
Less: B&O Tax	\$250
Credit Available	\$ 0
Net B&O Tax Due	\$250

(d) BG Manufacturing has been assigned a quarterly reporting period. BG has incurred a ninety dollar tax liability under the wholesaling B&O tax classification, and a seventy dollar tax liability under the manufacturing B&O tax classification, for a total B&O tax liability of one hundred sixty dollars during the first quarter. As BG manufactures much of what it sells at wholesale, BG qualifies for an internal multiple activities tax credit (MATC) of sixty dollars. (See WAC 458-20-19301 on multiple activities tax credits.) BG Manufacturing would claim its MATC prior to computing its small business B&O tax credit. BG's B&O tax liability net of the MATC is one hundred dollars, which is less than the one hundred five dollar maximum credit available for the reporting period. BG may claim a one hundred dollar small business B&O tax credit.

Wholesaling B&O Tax	\$ 90
Add: Manufacturing B&O Tax	\$ 70
Subtotal of B&O Tax	\$160
Less: MATC	\$ 60
Total B&O Tax Liability	\$100
Maximum Credit available for quarterly filers (3 x \$35)	\$105
B&O Tax	\$100
Credit Available	\$100
Net B&O Tax Due	0

(e) OK Inc. has two separate tax reporting accounts with the department, both of which have been assigned quarterly reporting periods. OK Inc. is only allowed one small business B&O tax credit for the activity of both accounts. The total B&O tax for both accounts for this quarter is one hundred fifty dollars (one hundred dollars from the first account and

EMERGENCY

fifty dollars from the second account). Its maximum small business tax credit is sixty dollars:

B&O tax account #1	\$100
B&O tax account #2	\$ 50
<hr/>	
Total B&O tax	\$150
<hr/>	
Twice the Maximum Credit available for quarterly filers (2 x \$105)	\$210
Less: B&O tax	(\$150)
<hr/>	
Credit Available	\$ 60
Net B&O Tax Due	\$ 90

The credit should be taken from the account that will allow for it to be deducted in full. If one account does not have enough B&O tax to absorb the full credit, it can be applied on the other account until the full credit is used. If the reporting frequency is different between the two accounts, the small business tax credit should not be taken until the filing of the less frequent tax reporting account (the credit computation for the two accounts must cover the same period of time).

(f) BB Corporation has been assigned a quarterly reporting period by the department of revenue. BB's total taxable public utility income for the third quarter is five thousand eight hundred dollars. BB Corporation is exempt for the payment of public utility tax because BB's taxable public utility income does not exceed the six thousand dollar maximum exemption for this reporting period.)) (1) **Introduction.** This rule explains the small business B&O tax credit (RCW 82.04.4451), and the public utility tax income exemption (RCW 82.16.040). The public utility tax exemption is a fixed amount, or threshold, based on the reporting frequency assigned to the account. The amount of small business B&O tax credit available on a return can increase or decrease, depending on the reporting frequency of the account and the net B&O tax liability for that return. Readers should refer to WAC 458-20-22801 (Tax reporting frequency—Forms) for an explanation of how the department assigns a particular reporting frequency to each account. Readers may also want to refer to WAC 458-20-101 for an explanation of Washington's tax registration and tax reporting requirements.

(2) **The small business B&O tax credit.** Persons subject to B&O tax may be eligible to claim a small business tax credit against the amount of B&O tax otherwise due. The

B&O tax credit operates completely independent of the volume exemption which applies to the public utility tax. RCW 82.04.4451 authorizes the department of revenue to create a tax credit table to be used by all taxpayers when determining the amount of their small business B&O tax credit. Taxpayers are required to use the tax credit table to determine the appropriate amount of their small business credit. A tax credit table for each of the monthly, quarterly and annual reporting frequencies is provided in this rule (see subsection (5) of this section). As required by statute, the table has been prepared in such a manner that no taxpayer owes a greater amount of tax by using the mandatory table than would have been owed by using the statutory credit formula.

(a) The small business tax credit applies to the entire reporting period, even though the business may not have been operating during the entire period.

(b) Taxpayers who are spouses that operate distinct and separate businesses are each eligible for the small business tax credit.

(c) Taxpayers who are eligible for the small business credit should follow the steps outlined in subsection (4) of this section to find the amount of credit available to them. Taxpayers who have other B&O credits to apply on a return, in addition to the small business credit, may need to refer to the multiple business and occupation tax credit worksheet in subsection (3) of this section before determining the amount of small business credit available to them. Subsection (5) of this section contains the tax credit tables for taxpayers with assigned reporting frequencies of either monthly, quarterly, or annual.

(3) **Multiple business and occupation tax credit worksheet.** The small business tax credit should be computed after claiming any other B&O tax credits available under chapter 82.04 RCW (Business and occupation tax), but prior to any B&O tax credits provided under other chapters of Title 82 RCW (Excise taxes). For example, the multiple activities tax credit, high technology credit and ride share credit should be taken before the small business credit is determined and applied, but the pollution control credit and cogeneration fee credit should be taken only after the small business credit has been applied. Proper application of the small business credit may never result in a B&O tax liability less than zero and cannot create a carryover amount for future periods. The following multiple B&O tax credit worksheet gives taxpayers an example of the process they should follow to ensure that credits are applied in the necessary order.

MULTIPLE B&O TAX CREDIT WORKSHEET

1. Determine the total Business and Occupation (B&O) tax due from the B&O section of your Combined Excise Tax Return. \$ _____
2. Add together the credit amounts taken for:
Multiple Activities Tax Credit
From Schedule C (if applicable) \$ _____

MULTIPLE B&O TAX CREDIT WORKSHEET

(Add any other B&O tax credits from chapter 82.04 RCW that will be applied to this return period) ± \$ _____
 Total (Enter 0 if none of these credits are being taken.) ⇒ \$ _____

3. Subtract line 2 from line 1. This is the total B&O tax allowable for the Small Business Credit. \$ _____
4. Find the tax credit table which matches the reporting frequency assigned to the account, then find the total B&O tax due amount which include your figure from item 3, above.
5. Read across to the next column. This is the amount of the Small Business Credit to be used on the Combined Excise Tax Return. \$ _____

(a) For example, ABC Manufacturing and Distributing has been assigned a quarterly reporting frequency. During one quarter, ABC owes one hundred ninety dollars in wholesaling B&O tax, plus another seventy dollars in manufacturing B&O tax, for a total B&O tax due of two hundred sixty dollars. ABC qualifies for a multiple activities tax credit (MATC) and completes a Schedule C which identifies a MATC of seventy dollars. The MATC is one of the credits from chapter 82.04 RCW and should be subtracted from the B&O tax due amount before referring to the small business tax credit table. Using the worksheet, line one for ABC is the two hundred sixty dollars of total B&O tax due. Line two is the total of B&O credits available, in this case the MATC, and equals seventy dollars. Line three directs that the seventy dollars of B&O credits should be subtracted from the original two hundred sixty dollars of B&O taxes due, which leaves one hundred ninety dollars of B&O taxes potentially available for application of the small business credit (subsections (4) and (5) of this section).

(4) Using the tax credit table to determine your small business credit. The following steps explain how to use the tax credit table:

(a) Determine the total B&O tax amount from the combined excise tax return. This amount will normally be the total of the tax amounts calculated for each classification in the B&O section of the combined excise tax return. However, if additional B&O credits will be taken on the return, refer to subsection (3) of this section and the multiple B&O tax credit worksheet before going to step (b).

(b) Find the small business tax credit table that matches the assigned reporting frequency (i.e., the monthly table shown in subsection (5)(a) of this section, the quarterly table in subsection (5)(b) of this section, or the annual table in subsection (5)(c) of this section).

(c) Find the "If Your Total Business and Occupation Tax is" column of the tax credit table and come down the column until you find the range of amounts which includes the total B&O tax due figure obtained from the combined excise tax return or multiple B&O tax credit worksheet.

(d) Read across to the "Your Small Business Credit is" column. The figure shown is the amount of the small business tax credit that can be claimed on the "Small Business

B&O Tax Credit" line in the "Credits" section of the combined excise tax return.

(e) For example, continue with ABC Manufacturing and Distribution which was introduced in subsection (3)(a) of this section. After completing the multiple B&O tax credit worksheet, ABC had one hundred and ninety dollars of B&O tax liability left for potential application of the small business credit. ABC refers to the quarterly small business tax credit table (subsection (5)(b) of this section) and finds the "If Your Total Business and Occupation Tax is" column. Following down that column, ABC finds the tax range of one hundred eighty-six to one hundred ninety-one dollars and comes over to the "Your Small Business Credit is" column which shows that a credit in the amount of twenty-five dollars is available. This credit amount should be entered in the "Credits" section of ABC's combined excise tax return before calculating the total tax due for that return.

(5) Tax credit tables. Taxpayers must use the tax credit table to determine the correct amount of small business credit available to them. The monthly, quarterly and annual reporting frequencies each have their own corresponding tax credit table. Taxpayers must be careful to use the table that matches their assigned reporting frequency.

(6) Retail sales tax must be reported. Persons making retail sales must collect and pay all applicable retail sales taxes even if B&O tax is not due. There is no small business tax credit or volume of business exemption for retail sales tax.

(7) The public utility tax income exemption. Persons subject to public utility tax are exempt from payment of this tax for any reporting period in which the gross taxable amount reported under the combined total of all public utility tax classifications does not equal or exceed the maximum exemption for the assigned reporting period. Effective July 1, 1996, the public utility tax exemption amounts stated in RCW 82.16.040 were increased to:

Monthly reporting basis	\$ 2,000 per month
Quarterly reporting basis	\$ 6,000 per quarter
Annual reporting basis	\$ 24,000 per annum

(a) If the taxable amount for a reporting period equals or exceeds the maximum exemption, tax must be remitted on the full taxable amount.

(b) The public utility tax maximum exemptions apply to the entire reporting period, even though the business may not have operated during the entire period.

(c) The public utility tax exemption or threshold is not affected by the amounts reported in the B&O tax section or any of the other tax sections of the combined excise tax return.

(d) For example, assume that the DEF corporation registers and starts business activities on February 1st. A quarterly reporting frequency is assigned to DEF by the department of revenue. During the two months of the first quarter that DEF is actively in business, DEF's public utility tax

gross is seven thousand dollars, but after deductions the total taxable amount is five thousand dollars. In this case, DEF does not owe any public utility tax because the taxable amount of five thousand dollars is less than the six thousand dollar threshold for quarterly taxpayers. The fact that DEF was in business during only two months out of the three months in the quarter has no effect on the threshold amount. However, if DEF had no deductions available, the taxable amount would be seven thousand dollars and public utility tax would be due on the full taxable amount.

DEPARTMENT OF
FISH AND WILDLIFE**

[Order 98-82—Filed May 8, 1998, 2:19 p.m., effective May 9, 1998, 10:00 a.m.]

Date of Adoption: May 8, 1998.

Purpose: Personal use rules.

Citation of Existing Rules Affected by this Order:
Repealing WAC 220-88A-07000U; and amending WAC 220-88A-070.

Statutory Authority for Adoption: RCW 75.08.080.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: These rules are necessary to implement the 1998 State/Tribal Puget Sound shrimp harvest management plan and meet all allocation requirements under Subproceeding 89-3 in *United States v. Washington*. These rules will allow for a sharing of catch between treaty and non-treaty shrimp fishers. There is insufficient time to promulgate permanent rules.

EMERGENCY RULES
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES
(Aging and Adult Services Administration)
[Filed May 20, 1998, 10:12 a.m.]

Date of Adoption: May 19, 1998.

Purpose: To establish a public process for making changes to the nursing facility Medicaid payment rate methodology, as required by recent federal legislation (1997 Balanced Budget Act, Section 4711).

Statutory Authority for Adoption: RCW 74.08.090, 74.46.800.

Other Authority: 42 USC 1396 a(a)(13)(A).

Under RCW 34.05.350 the agency for good cause finds that state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this Finding: Immediate adoption of this rule is required because failure to follow a public process for amending the nursing facility Medicaid payment rate methodology could result in a loss of federal funding for the rate increases. Rule must be effective prior to commencement of public process to implement changes to be effective July 1, 1998, pursuant to new state legislation (E2SHB 2935).

NEW SECTION

WAC 388-96-718 Public process for determination of rates. (1) The purpose of this section is to describe the manner in which the department will comply with the federal Balanced Budget Act of 1997, Section 4711 (a)(1), codified at 42 U.S.C. 1396 a(a)(13)(A).

(2) For all material changes to the methodology for determining nursing facility Medicaid payment rates occurring after October 1, 1997, and requiring a Title XIX state plan amendment to be submitted to and approved by the Health Care Financing Administration under applicable federal laws, the department shall follow the following public process:

(a) The proposed estimated initial payment rates, the proposed new methodologies for determining the payment rates, and the underlying justifications shall be published. Publication shall be:

(i) In the Washington State Register; or

(ii) In the Seattle Times and Spokane Spokesman Review newspapers.

(b) The department shall maintain and update as needed a mailing list of all individuals and organizations wishing to receive notice of changes to the nursing facility Medicaid payment rate methodology, and all materials submitted for publication shall be sent postage prepaid by regular mail to such individuals and organizations. Individuals and organizations wishing to receive notice shall notify the department in writing.

(c) Nursing facility providers, their associations, nursing facility Medicaid beneficiaries, representatives of providers

or beneficiaries, and other concerned members of the public shall be given a reasonable opportunity to review and comment on the proposed estimated rates, methodologies and justifications. The period allowed for review and comment shall not be less than thirty calendar days after the date of the Washington State Register containing the published material or the date the published material has appeared in both the Seattle Times and the Spokane Spokesman Review.

(d) If, after receiving and considering all comments, the department decides to move ahead with any change to its nursing facility Medicaid payment rate methodology, it shall adopt needed further changes in response to comments, if any, and shall publish the final estimated initial rates, final rate determination methodologies and justifications. Publication shall be:

(i) In the Washington State Register; or

(ii) In the Seattle Times and Spokane Spokesman Review newspapers.

(e) Unless an earlier effective date is required by state or federal law, implementation of final changes in methodologies and commencement of the new rates shall not occur until final publication has occurred in the Register or in both designated newspapers. The department shall not be authorized to delay implementation of, or to alter, ignore or violate requirements of, state or federal laws in response to public process comments.

(f) Publication of proposed estimated initial payment rates and final estimated initial payment rates shall be deemed complete once the department has published:

(i) The statewide average proposed estimated initial payment rate weighted by adjusted Medicaid resident days for all Medicaid facilities from the most recent cost report year, including the change from the existing statewide average payment rate weighted by adjusted Medicaid resident days for all Medicaid facilities from the most recent cost report year; and

(ii) The statewide average final estimated initial payment rate weighted by adjusted Medicaid resident days for all Medicaid facilities from the most recent cost report year, including the change from the existing statewide average payment rate weighted by adjusted Medicaid resident days for all Medicaid facilities from the most recent cost report year.

(3) Nothing in this section shall be construed to prevent the department from commencing or completing the public process authorized by this section even though the proposed changes to the methodology for determining nursing facility Medicaid payment rates are awaiting federal approval, or are the subject of pending legislative, gubernatorial or rule-making action and are yet to be finalized in statute and/or regulation.

(4)(a) Neither a contractor nor any other interested person or organization shall challenge, in any administrative appeals or exception procedure established in rule by the department under the provisions of chapter 74.46 RCW, the adequacy or validity of the public process followed by the department in proposing or implementing a change to the payment rate methodology, regardless of whether the challenge is brought to obtain a ruling on the merits or simply to make a record for subsequent judicial or other review. Such

challenges shall be pursued only in courts of proper jurisdiction as may be provided by law.

(b) Any challenge to the public process followed by the department that is brought in the course of an administrative appeals or exception procedure shall be dismissed by the department or presiding officer, with prejudice to further administrative review and record-making, but without prejudice to judicial or other review as may be provided by law.

(5) The public process required and authorized by this section shall not apply to any change in the payment rate methodology that does not require a Title XIX state plan amendment under applicable federal laws, including but not limited to:

(a) Prospective or retrospective changes to nursing facility payment rates or to methodologies for establishing such rates ordered by a court or administrative tribunal, after exhaustion of all appeals by either party as may be authorized by law, or the expiration of time to appeal; or

(b) Changes to nursing facility payment rates for one or more facilities resulting from the application of authorized payment rate methodologies, principles or adjustments, including but not limited to: partial or phased-in termination or implementation of rate methodologies; scheduled cost rebasing; quarterly or other updates to reflect changes in case mix or other private or public source data used to establish rates; adjustments for inflation or economic trends and conditions; rate funding for capital improvements or new requirements imposed by the department; changes to resident-specific or exceptional care rates; and changes to correct errors or omissions by the contractor or the department.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 1, Amended 0, Repealed 1.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

NEW SECTION

WAC 220-88A-07000W Emerging commercial fishery--Puget Sound shrimp pot. Notwithstanding the provisions of WAC 220-88A-070:

(1) Effective 1:00 p.m. May 20, 1998, further notice, it is unlawful to fish for or possess spot shrimp taken for commercial purposes with shrimp pot gear from Marine Fish-Shellfish Management and Catch Reporting Areas 20B, 22A, 23A, 24A, 24B, 24C, 24D, 25A, 26A, 26B, and 26C.

(2) Effective immediately until further notice it is unlawful to retain shrimp other than spot shrimp taken for commercial purposes with shrimp pot gear from Marine Fish-Shellfish Management and Catch Reporting Area 23B.

REPEALER

The following section of the Washington Administrative Code is repealed effective 1:00 p.m. May 20, 1998:

EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE**

[Order 98-89—Filed May 20, 1998, 11:59 a.m., effective May 20, 1998, 1:00 p.m.]

Date of Adoption: May 20, 1998.

Purpose: Commercial fishing regulations.

Citation of Existing Rules Affected by this Order: Repealing WAC 220-88A-07000V; and amending WAC 220-88A-070.

Statutory Authority for Adoption: RCW 75.08.080.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: These rules are necessary to implement the 1998 State/Tribal Puget Sound shrimp harvest management plan and meet all allocation requirements under Subproceeding 89-3 in *United States v. Washington*. These rules will allow for a sharing of catch between treaty and non-treaty shrimp fishers. There is insufficient time to promulgate permanent rules.

PROPOSED AMENDMENT
ADMISSION TO PRACTICE RULES (APR)
Rule 6 Law Clerk Program

(a) [No change.]

(b) **Tutors.** A lawyer may act as tutor for only one law clerk at a time. To be eligible to act as a tutor in the law clerk program, a lawyer shall:

(1) Be an active member in good standing of the Bar Association, provided that if a disciplinary sanction has been imposed upon the lawyer within the 5 years immediately preceding approval of the law clerk's application for enrollment, the Board of Governors shall have the discretion to accept or reject the lawyer as tutor;

(2) Have been actively and continuously engaged in the practice of law or have held the required judicial position for at least 10 years immediately preceding the filing of the law clerk's application for enrollment; and

(3) Provide a tutor's statement certifying to the law clerk's employment and to the tutor's eligibility, and agreeing

to instruct and examine the law clerk in the curriculum prescribed by the Law Clerk Committee with the approval of the Board of Governors.

(c) **Length of Study.** A law clerk, whose application for enrollment has been accepted by the Board of Governors, shall study for 4 calendar years. Each calendar year shall consist of ~~at least 48 weeks~~ 12 months, with a minimum of 30 120 hours of study each ~~week~~ month, including the time spent in performing the duties of a law clerk. The tutor shall give personal supervision to the law clerk averaging at least 3 hours each week. "Personal supervision" is defined as time actually spent with the law clerk for the exposition and discussion of the law, the recitation of cases, and the critical analysis of the law clerk's written assignments.

(d) **Course of Study.** The subjects to be studied, the sequence in which they are to be studied, and any other matters pertaining thereto shall be as prescribed by the Law Clerk Committee with the approval of the Board of Governors.

(e) **Examinations.** All law clerks shall:

(1) Each month, complete a written examination prepared, administered, and graded by the tutor. The examination shall be answered without research, assistance, or reference to source materials during the examination;

(2) Annually, or at such other intervals as may be established by the Law Clerk Committee, appear with the tutor before the Law Clerk Committee for an oral evaluation of the law clerk's progress.

(f) **Certificates.** In addition to the tutor's statement required by section (b)(3) of this rule, the tutor shall submit, on forms provided by the Bar Association:

(1) A monthly certificate, accompanying the written examination, stating the number of hours the law clerk studied each week, the number of hours spent by the tutor in personal supervision each week, that the written examination was administered as required, and that, in the opinion of the tutor, the law clerk is progressing satisfactorily; and

(2) At the conclusion of the law clerk's course of study, a certificate stating that the law clerk has completed the prescribed length and course of study, and, in the tutor's opinion, is qualified to take the bar examination and is competent to practice law.

(g) **Termination.** The Board of Governors may direct a law clerk to change tutors, and may terminate the enrollment of law clerks or remove tutors from the program. The Law Clerk Committee may recommend to the Board of Governors that the enrollment of the law clerk in the program be terminated for:

(1) Failure to complete the prescribed length and course of study within 6 years from the date the law clerk's application for admission was accepted;

(2) Failure of the tutor to submit the monthly examinations and certificates at the end of each month in which they are due;

(3) Failure to comply with any of the requirements of the law clerk program; and

(4) Any other grounds deemed pertinent by the Law Clerk Committee.

(h) **Advanced Standing.** The Board of Governors may grant advanced standing to an enrolled law clerk who has attended either an approved or a non-approved law school.

(i) **Effective Date.** The revision of this rule shall not apply retroactively to any law clerk whose enrollment has been approved and accepted by the Board of Governors prior to the effective date of this revision. Each law clerk may complete the course of study under the version of the rule in effect on the date the application for enrollment to the law clerk program was accepted.

PROPOSED AMENDMENT
ADMISSION TO PRACTICE RULES (APR)
Rule 2 Board of Governors

(a) **Powers.** In addition to any other power or authority in other rules, the Board of Governors of the Bar Association (referred to in these rules as the Board of Governors) shall have the power and authority to:

(1) Appoint a Committee of Law Examiners (referred to in these rules as the Committee) from among the active members of the Bar Association for the purposes of assisting the Board of Governors in Conducting the bar examination ~~and in supervising the law clerk program;~~

(2) Appoint a Law Clerk Committee from among the active members of the Bar Association for the purposes of assisting the Board of Governors in supervising the Law Clerk Program

(23) Approve or deny applications for permission to take the bar examination, to enroll in the law clerk program, or to engage in the limited practice of law under pertinent provisions of rules 8 and 9;

(34) Investigate all aspects of an applicant's qualifications to take the bar examination, to be admitted to the practice of law, to engage in the limited practice of law under pertinent provisions of rules 8 and 9, or to enroll in the law clerk program;

(45) Recommend to the Supreme Court the admission or rejection of each applicant who has passed the bar examination or who is applying to engage in the limited practice of law under pertinent provisions of rules 8 and 9;

(56) Approve law schools for the purposes of these rules and maintain a list of such approved law schools on file with the Clerk of the Supreme Court;

(67) Prescribe, with the approval of the Supreme Court, the amount of any fees required by these rules;

(78) Prescribe the form and content of any application, certificate, or other document referred to in these rules; and

(89) Perform any other functions and take any other actions provided for in these rules, or as may be delegated by the Supreme Court, or as may be necessary and proper to carry out its duties.

(b) **Written Request.** [No change.]

PROPOSED AMENDMENT
ADMISSION TO PRACTICE RULES (APR)
Rule 9. Legal Interns

Technical Assistance Advisory

May 7, 1998

Attention: All Insurers

Subject: Adequate Response to Inquiry

WAC 284-30-650 and 284-30-360(2) require prompt and adequate response to any inquiry from the Office of the Insurance Commissioner relative to the business of insurance.

In general, we are receiving communication responding to the inquiry from the Office of the Insurance Commissioner within fifteen business days required. Our concern stems from the growing lack of adequacy of response to all the issues addressed in the inquiry and the lack of documentation in support of the company position.

From this date forward, this office will not accept any communication received in response to an inquiry as complying with WAC 284-30-650 and 284-30-360(2) unless the communication addresses every issue in the inquiry, including documentation in support of the company position. **Acknowledgment letters that say an answer is forthcoming**

ing will not satisfy the time response requirement of WAC 284-30-650 and 284-30-360.

Failure to comply will subject an insurer to disciplinary action pursuant to RCW 48.05.140 and 48.05.185. Exceptions will be granted only in rare circumstances and where companies have demonstrated good faith in cooperating with the inquiry.
