CITATION

Cite all material in the Washington State Register by its issue number and sequence within that issue, preceded by the acronym WSR. Example: the 37th item in the August 5, 1981, Register would be cited as WSR 81-15-037.

PUBLIC INSPECTION OF DOCUMENTS

A copy of each document filed with the code reviser's office, pursuant to chapter 34.05 RCW, is available for public inspection during normal office hours. The code reviser's office is located on the ground floor of the Legislative Building in Olympia. Office hours are from 8 a.m. to 5 p.m., Monday through Friday, except legal holidays. Telephone inquiries concerning material in the Register or the Washington Administrative Code (WAC) may be made by calling (360) 786-6697.

REPUBLICATION OF OFFICIAL DOCUMENTS

All documents appearing in the Washington State Register are prepared and printed at public expense. There are no restrictions on the republication of official documents appearing in the Washington State Register. All news services are especially encouraged to give wide publicity to all documents printed in the Washington State Register.

CERTIFICATE

Pursuant to RCW 34.08.040, the publication of rules or other information in this issue of the Washington State Register is hereby certified to be a true and correct copy of such rules or other information, except that headings of public meeting notices have been edited for uniformity of style.

DENNIS W. COOPER
Code Reviser

STATE MAXIMUM INTEREST RATE

(Computed and filed by the State Treasurer under RCW 19.52.025)

The maximum allowable interest rate applicable for the month of January 2002 pursuant to RCW 19.52.020 is twelve point zero percent (12.00%).

NOTICE: FEDERAL LAW PERMITS FEDERALLY INSURED FINANCIAL INSTITUTIONS IN THE STATE TO CHARGE THE HIGHEST RATE OF INTEREST THAT MAY BE CHARGED BY ANY FINANCIAL INSTITUTION IN THE STATE. THE MAXIMUM ALLOWABLE RATE OF INTEREST SET FORTH ABOVE MAY NOT APPLY TO A PARTICULAR TRANSACTION.

WASHINGTON STATE REGISTER

(ISSN 0164-6389) is published twice each month by the Statute Law Committee, Office of the Code Reviser, Olympia, WA 98504-0552, pursuant to RCW 34.08.020. Subscription rate is \$210.60 per year, sales tax included, postpaid to points in the United States. Periodical postage paid at Olympia, Washington.

Subscription Clerk

STYLE AND FORMAT OF THE WASHINGTON STATE REGISTER

1. ARRANGEMENT OF THE REGISTER

The Register is arranged in the following eight sections:

- (a) **PREPROPOSAL**-includes the Preproposal Statement of Inquiry that will be used to solicit public comments on a general area of proposed rule making before the agency files a formal notice.
- (b) **PROPOSED**-includes the full text of formal proposals, continuances, supplemental notices, and withdrawals.
- (c) **EXPEDITED RULE MAKING**-includes the full text of the rule being proposed using the expedited rule-making process. Expedited rule makings are not consistently filed and may not appear in every issue of the register.
- (d) **PERMANENT**-includes the full text of permanently adopted rules.
- (e) **EMERGENCY**-includes the full text of emergency rules and rescissions.
- (f) **MISCELLANEOUS**-includes notice of public meetings of state agencies, rules coordinator notifications, summaries of attorney general opinions, executive orders and emergency declarations of the governor, rules of the state Supreme Court, and other miscellaneous documents filed with the code reviser's office under RCW 34.08.020 and 42.30.075.
- (g) **TABLE**-includes a cumulative table of the WAC sections that are affected in the current year.
- (h) **INDEX**-includes a cumulative index of Register Issues 01 through 24.

Documents are arranged within each section of the Register according to the order in which they are filed in the code reviser's office during the pertinent filing period. Each filing is listed under the agency name and then describes the subject matter, type of filing and the WSR number. The three part number in the heading distinctively identifies each document, and the last part of the number indicates the filing sequence with a section's material.

2. PRINTING STYLE—INDICATION OF NEW OR DELETED MATERIAL

RCW 34.05.395 requires the use of certain marks to indicate amendments to existing agency rules. This style quickly and graphically portrays the current changes to existing rules as follows:

- (a) In amendatory sections—
 - (i) underlined material is new material;
 - (ii) ~~deleted material is ((lined out between double parentheses))~~;
- (b) Complete new sections are prefaced by the heading NEW SECTION;
- (c) The repeal of an entire section is shown by listing its WAC section number and caption under the heading REPEALER.

3. MISCELLANEOUS MATERIAL NOT FILED UNDER THE ADMINISTRATIVE PROCEDURE ACT

Material contained in the Register other than rule-making actions taken under the APA (chapter 34.05 RCW) does not necessarily conform to the style and format conventions described above. The headings of these other types of material have been edited for uniformity of style; otherwise the items are shown as nearly as possible in the form submitted to the code reviser's office.

4. EFFECTIVE DATE OF RULES

- (a) Permanently adopted agency rules normally take effect thirty-one days after the rules and the agency order adopting them are filed with the code reviser's office. This effective date may be delayed or advanced and such an effective date will be noted in the promulgation statement preceding the text of the rule.
- (b) Emergency rules take effect upon filing with the code reviser's office unless a later date is provided by the agency. They remain effective for a maximum of one hundred twenty days from the date of filing.
- (c) Rules of the state Supreme Court generally contain an effective date clause in the order adopting the rules.

5. EDITORIAL CORRECTIONS

Material inserted by the code reviser's office for purposes of clarification or correction or to show the source or history of a document is enclosed in [brackets].

¹ All documents are due at the code reviser's office by 12:00 noon on or before the applicable closing date for inclusion in a particular issue of the Register; see WAC 1-21-040.

² A filing of any length will be accepted on the closing dates of this column if it has been prepared and completed by the order typing service (OTS) of the code reviser's office; see WAC 1-21-040. Agency-typed material is subject to a ten page limit for these dates; longer agency-typed material is subject to the earlier non-OTS dates.

³ At least twenty days before the rule-making hearing, the agency shall cause notice of the hearing to be published in the Register; see RCW 34.05.320(1). These dates represent the twentieth day after the distribution date of the applicable Register.

⁴ A minimum of forty-five days is required between the distribution date of the Register giving notice of the expedited adoption and the agency adoption date. No hearing is required, but the public may file written objections. See RCW 1.12.040 and 34.05.353.

REGULATORY FAIRNESS ACT

The Regulatory Fairness Act, chapter 19.85 RCW, was enacted in 1982 to minimize the impact of state regulations on small business. Amended in 1994, the act requires a small business economic impact analysis of proposed rules that impose more than a minor cost on twenty percent of the businesses in all industries, or ten percent of the businesses in any one industry. The Regulatory Fairness Act defines industry as businesses within a four digit SIC classification, and for the purpose of this act, small business is defined by RCW 19.85.020 as "any business entity, including a sole proprietorship, corporation, partnership, or other legal entity, that is owned and operated independently from all other businesses, that has the purpose of making a profit, and that has fifty or fewer employees."

Small Business Economic Impact Statements (SBEIS)

A small business economic impact statement (SBEIS) must be prepared by state agencies when a proposed rule meets the above criteria. Chapter 19.85 RCW requires the Washington State Business Assistance Center (BAC) to develop guidelines for agencies to use in determining whether the impact of a rule is more than minor and to provide technical assistance to agencies in developing a SBEIS. All permanent rules adopted under the Administrative Procedure Act, chapter 34.05 RCW, must be reviewed to determine if the requirements of the Regulatory Fairness Act apply; if an SBEIS is required it must be completed before permanent rules are filed with the Office of the Code Reviser.

Mitigation

In addition to completing the economic impact analysis for proposed rules, state agencies must take reasonable, legal, and feasible steps to reduce or mitigate the impact of rules on small businesses when there is a disproportionate impact on small versus large business. State agencies are encouraged to reduce the economic impact of rules on small businesses when possible and when such steps are in keeping with the stated intent of the statute(s) being implemented by proposed rules. Since 1994, small business economic impact statements must contain a list of the mitigation steps taken, or reasonable justification for not taking steps to reduce the impact of rules on small businesses.

When is an SBEIS Required?

When:

The proposed rule has more than a minor (as defined by the BAC) economic impact on businesses in more than twenty percent of all industries or more than ten percent of any one industry.

When is an SBEIS Not Required?

When:

The rule is proposed only to comply or conform with a federal law or regulation, and the state has no discretion in how the rule is implemented;

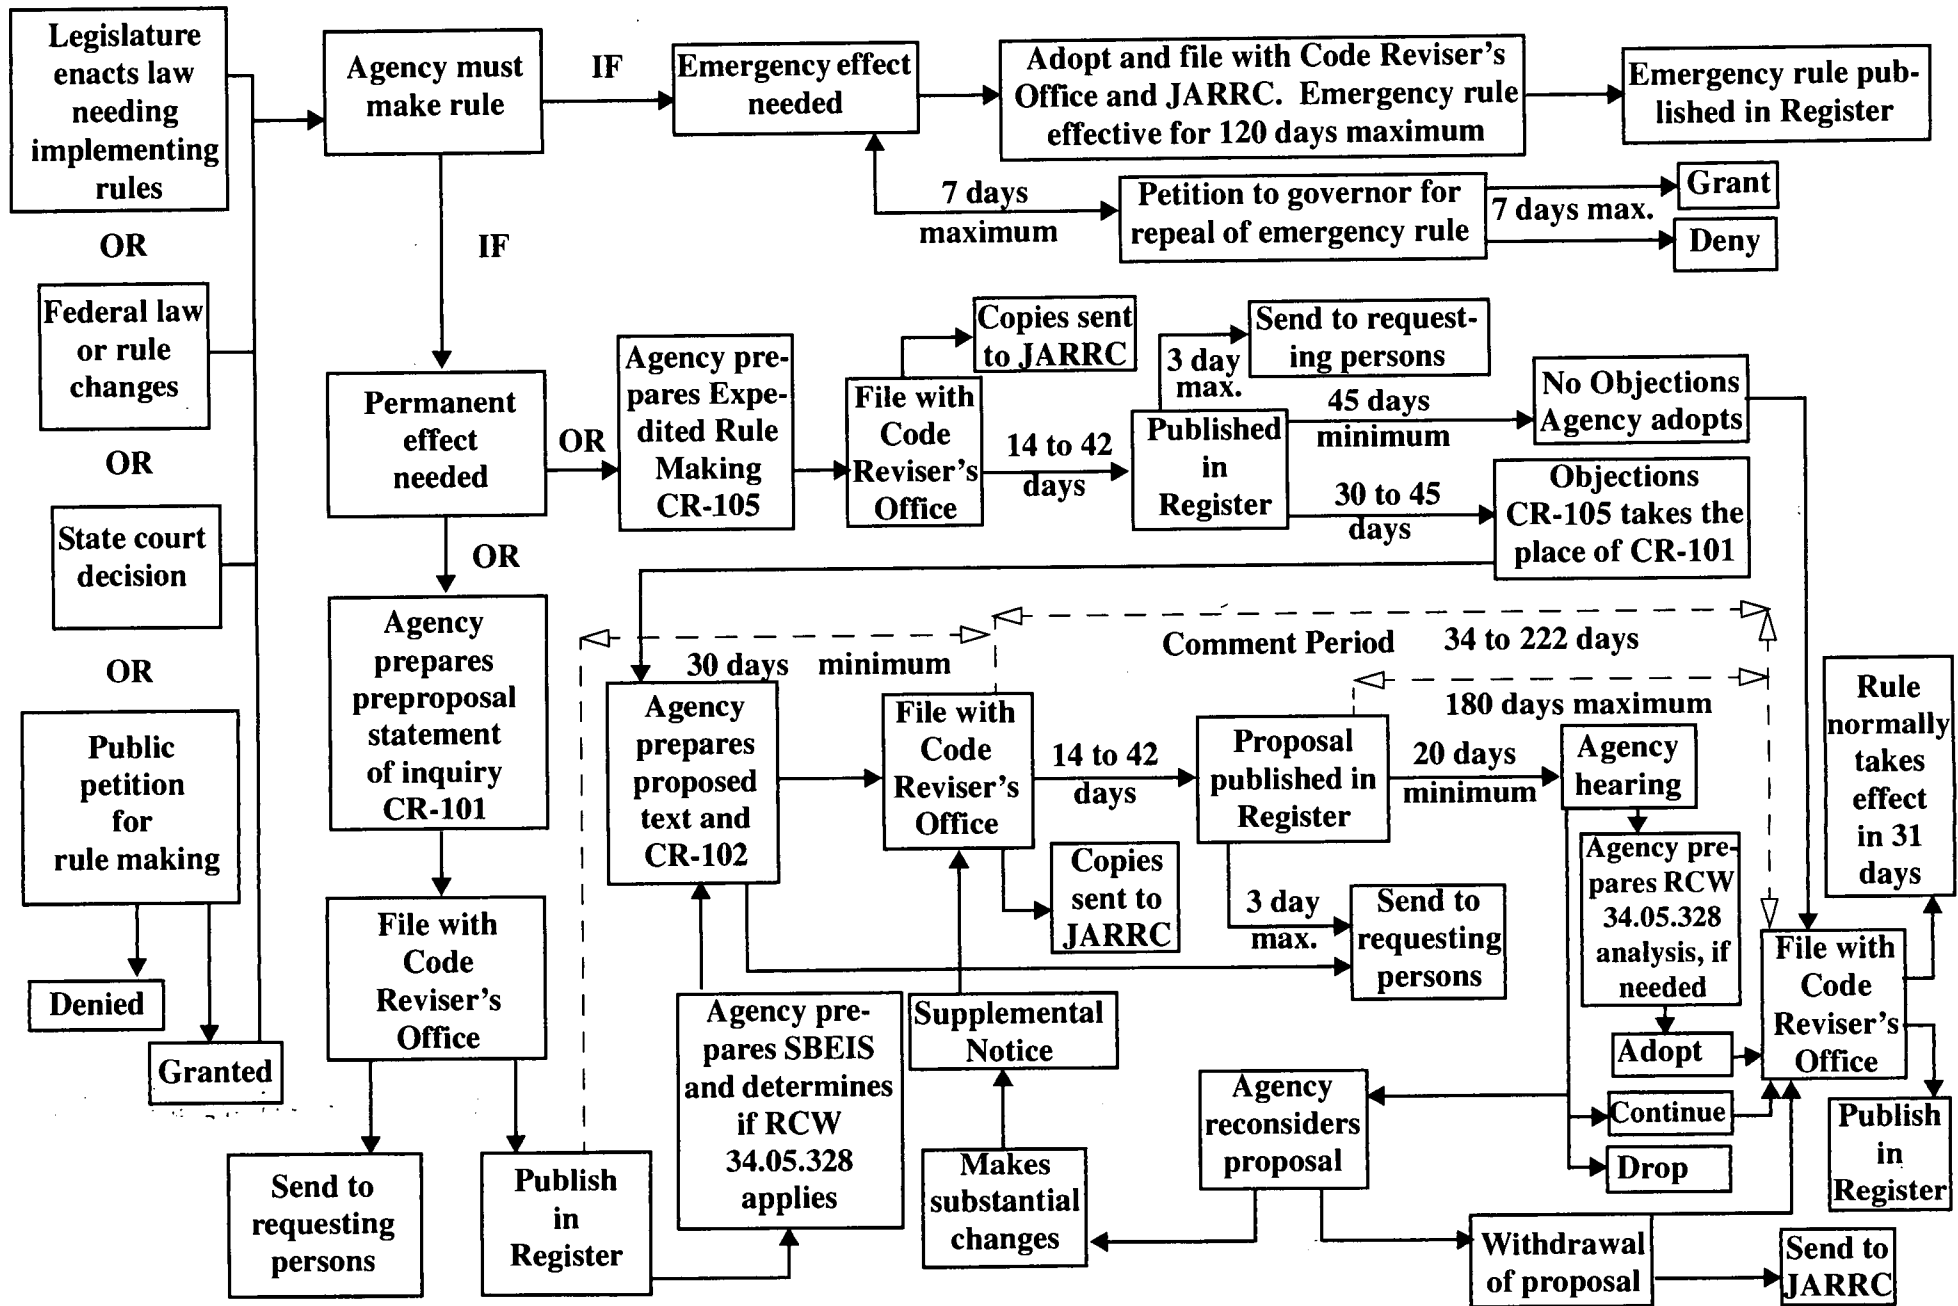

There is less than minor economic impact on business;

The rule REDUCES costs to business (although an SBEIS may be a useful tool for demonstrating this reduced impact);

The rule is adopted as an emergency rule, although an SBEIS may be required when an emergency rule is proposed for adoption as a permanent rule; or

The rule is pure restatement of state statute.

RULE-MAKING PROCESS

WSR 02-01-002
PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
RETIREMENT SYSTEMS

[Filed December 6, 2001, 9:46 a.m.]

Subject of Possible Rule Making: Rules related to dissolution orders, providing an interpretation of some or all of RCW 41.50.790.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 41.50.050(5), 41.50.790.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Rules are needed to provide clarification and interpretation of certain aspects of RCW 41.50.790.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: Department staff will work on the project, with the assistance of the Office of the Attorney General. The public is invited and encouraged to participate, as described below.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication. The Department of Retirement Systems (DRS) encourages your active participation in the rule-making process. Anyone interested in participating should contact the rules coordinator, below. After the rule(s) is drafted, DRS will file a copy with the Office of the Code Reviser with a notice of proposed rule making, and send a copy to everyone currently on the mailing list and anyone else who requests a copy. For more information on how to participate, please contact Merry A. Kogut, Rules Coordinator, Department of Retirement Systems, Mailstop 48380, P.O. Box 48380, Olympia, WA 98504-8380, voice (360) 664-7291, TTY (360) 586-5450, e-mail merryk@drs.wa.gov, fax (360) 753-3166.

 Rules Coordinator

WSR 02-01-007
PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES

(Office of the Secretary)

[Filed December 7, 2001, 7:56 a.m.]

Subject of Possible Rule Making: Amend chapter 388-01 WAC, DSHS organization/disclosure of public records.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 42.17.250 and 34.05.220 (1)(b).

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Need to update and clarify current rules to reflect changes and improvements in procedure for responding to requests for disclosure of public records.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agen-

cies: Each state agency has its own rules on public records disclosure.

Process for Developing New Rule: A workgroup representing various DSHS administrations will determine what sections of the chapter need to be amended and develop a draft that will be circulated to stakeholders for comment and review. Any interested persons who would like to participate and receive a copy are invited to contact the person indicated below.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Kristal Wiitala Knutson, Department of Social and Health Services, Public Disclosure Manager, Office of the Secretary, P.O. Box 45010, Olympia, WA 98504-5010, phone (360) 902-7649, fax (360) 902-7848, e-mail knutskw@dshs.wa.gov.

December 5, 2001
 Brian H. Lindgren, Manager
 Rules and Policies Assistance Unit

WSR 02-01-008
PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES

(Economic Services Administration)

[Filed December 7, 2001, 7:58 a.m.]

Subject of Possible Rule Making: Chapter 388-310 WAC, WorkFirst, and any or all related WACs.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 74.08A.340, 74.08.090, and 74.04.050.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: We will be proposing changes to the participation requirements for WorkFirst participants.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: The Department of Social and Health Services (DSHS) welcomes the public to take part in developing the rules. Anyone interested in participating should contact the staff person indicated below. After the rule is drafted, DSHS will file a copy with the Office of the Code Reviser with a notice of proposed rule making and send a copy to everyone currently on the mailing list and to anyone else who requests a copy. DSHS will consider all comments. The Economic Services Administration's Regulatory Improvement Team (RIT) will also review these rules before adoption.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Brent Low, Division of Employment and Assistance Programs, P.O. Box 45470, Olympia, WA 98504-5470, phone (360) 413-3015, fax (360) 413-3493, e-mail lowbd@dshs.wa.gov.

December 4, 2001
 Brian H. Lindgren, Manager
 Rules and Policies Assistance Unit

WSR 02-01-009

PREPROPOSAL STATEMENT OF INQUIRY

DEPARTMENT OF

SOCIAL AND HEALTH SERVICES

(Aging and Adult Services Administration)

[Filed December 7, 2001, 7:59 a.m.]

Subject of Possible Rule Making: Chapter 388-71 WAC, Social services for adults, and chapter 388-105 WAC, Medicaid rates for contracted home and community residential care service.

Statutes Authorizing the Agency to Adopt Rules on this Subject: Chapter 74.39A RCW.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: By repealing WAC 388-71-0475, would clarify that the department's home and community residential care rates are codified in chapter 388-105 WAC or published in accordance with WAC 388-71-0460. The codified rates in chapter 388-105 WAC and the published rates are the maximum amount that the department pays per month for an individual Medicaid resident's care. Also, the department will consider other changes or additions to chapters 388-71 and 388-105 WAC that would add or clarify home and community services (HCS) and/or HCS rates.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: By publishing in the Washington State Register: CR-101 Preproposal statement of inquiry; CR-102 Proposed rule making; and CR-103 Rule-making order including a concise explanatory statement. The Aging and Adult Services Administration (AASA) welcomes public participation in developing its rule(s). Anyone interested in participating should contact the staff person indicated below. After the rule(s) is drafted, AASA will file a copy with the Office of the Code Reviser with a notice of proposed rule making, and send a copy to everyone currently on the HCS mailing list and anyone else who requests a copy.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication. The department welcomes public participation in developing and reviewing its Medicaid home and community residential care facility payment regulations. If you would like to be personally notified when draft regulations are ready for review, please contact Patricia Hague by fax (360) 725-2641, e-mail HaguePE@dshs.wa.gov or write to same at Home and Community Services-Rates, P.O. Box 45600, Olympia, WA 98504-5600.

WSR 02-01-013

PREPROPOSAL STATEMENT OF INQUIRY

DEPARTMENT OF LICENSING

[Filed December 7, 2001, 11:30 a.m.]

Subject of Possible Rule Making: Chapter 308-96A WAC, Vehicle licenses, to include but not limited to WAC 308-96A-098, 308-96A-161, and 308-96A-275.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 46.01.119, 43.17.060, 46.16.060.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Rule making may be required as a result of this review in accordance with Executive Order 97-02.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: Negotiated rule making.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting by mail Katherine Iyall Vasquez, Rules Manager, Title and Registration Services, Vehicle Services, Mailstop 48001, P.O. Box 2957, Olympia, WA 98507-2957, or by phone (360) 902-3718, fax (360) 664-0831, TTY (360) 664-8885, e-mail kvasquez@dol.wa.gov.

December 7, 2001

D. McCurley, Administrator

WSR 02-01-030

PREPROPOSAL STATEMENT OF INQUIRY

OFFICE OF THE

INSURANCE COMMISSIONER

[Insurance Commissioner Matter No. R 2001-13—Filed December 10, 2001, 10:23 a.m.]

Subject of Possible Rule Making: The commissioner will consider rules relating to grievance, review, and dispute resolution standards. Amendments to existing rules may include changes to clarify terminology, time-frames, and transitions between processes.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 48.02.060, 48.18.120, 48.20.450, 48.20.460, 48.30.010, 48.43.055, 48.44.050, 48.46.100, 48.46.200, 48.43.520, 48.43.525, 48.43.530, 48.43.535.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The commissioner has been asked by interested parties to review the existing rules. He will consider amendments to provide clarity, increase the understanding and ease of use of the rules, address possible regulatory gaps, and provide additional certainty regarding how to comply with standards to the regulated community.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: The federal Department of Labor has grievance standards that will be reviewed in this rule making. State agencies that purchase health services and are subject to the

Health Care Patient Bill of Rights laws (chapter 5, Laws of 2000) will be asked to provide comments in the rule making.

Process for Developing New Rule: Agency study; and please send any comments regarding this rule to Kacy Scott, P.O. Box 40255, Olympia, WA 98504-0255, fax (360) 664-2782, e-mail Kacyb@oic.wa.gov, by **February 4, 2002**.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Kacy Scott, P.O. Box 40255, Olympia, WA 98504-0255, fax (360) 664-2782, e-mail Kacyb@oic.wa.gov.

December 6, 2001
Mike Kreidler
Insurance Commissioner

WSR 02-01-031
PREPROPOSAL STATEMENT OF INQUIRY
OFFICE OF THE
INSURANCE COMMISSIONER

[Insurance Commissioner Matter No. R 2001-14—Filed December 10, 2001, 10:25 a.m.]

Subject of Possible Rule Making: The commissioner will consider rule changes to ensure Washington state compliance with the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA). Subject areas may include the availability of private individual insurance coverage, the identification of "eligible individuals," provisions relating to a "creditable coverage" determination, portability of coverage, and other corrections and clarifications.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 48.02.060, 48.30.010, 48.41.040, 48.41.100, 48.41.110, 48.41.120, 48.41.200, 48.43.012, 48.43.015, 48.43.018, 48.43.025, 48.43.038, 48.43.041, 48.44.050, 48.46.200.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The federal Centers for Medicare and Medicaid services (CMS) requests rule changes in order to ensure Washington state's compliance with certain provisions of the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA). This rule making is undertaken in relation to a Technical Assistance Advisory (T01-01) published on September 6, 2001, that initially outlined the CMS requirements.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: The federal Centers for Medicare and Medicaid services (CMS) oversee HIPAA compliance. The Office of the Insurance Commissioner will coordinate with CMS to ensure compliance with federal standards.

Process for Developing New Rule: Agency study; and please send any comments regarding this rule to Kacy Scott, P.O. Box 40255, Olympia, WA 98504-0255, e-mail Kacyb@oic.wa.gov, fax (360) 664-2782, by **February 4, 2002**.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Kacy Scott, P.O. Box 40255, Olympia,

WA 98504-0255, e-mail Kacyb@oic.wa.gov, fax (360) 664-2782.

December 6, 2001
Mike Kreidler
Insurance Commissioner

WSR 02-01-032
PREPROPOSAL STATEMENT OF INQUIRY
OFFICE OF THE
INSURANCE COMMISSIONER

[Insurance Commissioner Matter No. R 2001-15—Filed December 10, 2001, 10:26 a.m.]

Subject of Possible Rule Making: The plan of operations of the Washington State Health Insurance Pool (WSHIP) will be considered. The commissioner will also review the other sections of chapter 284-91 WAC for inconsistencies with the recently adopted law and the new plan of operations.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 48.02.060, 48.41.040, 48.41.170, 48.44.050, and 48.46.200.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: E2SSB 6067, chapter 79, Laws of 2000, changed the composition of the board of the pool and many of the operating procedures. The new board of WSHIP recently revised their plan of operation to reflect the changes and submitted the plan to the commissioner. The plan of operation must be adopted by rule after a public hearing by the commissioner. The commissioner will also consider any new changes the board makes to their plan of operation. The previous plan of operation is codified at WAC 284-91-027. The commissioner will consider the new plan of operation and will review the rest of chapter 284-91 WAC for inconsistencies with the recent law and the new plan of operation.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: Agency study; and WSHIP request. Please send any comments regarding this rule to Kacy Scott, P.O. Box 40255, Olympia, WA 98504-0255, e-mail Kacyb@oic.wa.gov, fax (360) 664-2782, by **February 4, 2002**.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Kacy Scott, P.O. Box 40255, Olympia, WA 98504-0255, e-mail Kacyb@oic.wa.gov, fax (360) 664-2782.

December 6, 2001
Mike Kreidler
Insurance Commissioner

WSR 02-01-043

**PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES**
(Aging and Adult Services Administration)

[Filed December 11, 2001, 3:33 p.m.]

Subject of Possible Rule Making: Amendments to WAC 388-79-030, 388-79-040, and related sections in chapter 388-79 WAC, Guardianship fees for clients of the department.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 11.92.180, 43.20B.460.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: (1) To modify existing rules on guardianship fees charged to Medicaid recipients receiving long-term care services who are required to participate in the cost of their care. (2) To preclude allowance of retroactive guardianship fees and administrative costs prior to the Medicaid recipient's eligibility for long-term care services or after the recipient's death. The rule was established when the federal Health Care Financing Authority (HCFA), now referred to as the Center for Medicare and Medicaid Services (CMS), placed the state on the Title XIX noncompliance report for allowing unreasonable guardian fees paid from clients' Medicaid participation amounts. Being on the compliance list placed the state at risk of losing federal funds for the Medicaid program. (3) To change the Home and Community Services RA notice from ten to thirty days. This will allow more time for the local manager and the AAG to respond and negotiate with the guardian. Changing this time frame also will decrease the need for continuances and resetting matters. (4) To eliminate the fee adjustment from the 1-3 year accounting review process. This will reduce the amount of additional fees paid during the review process. It is also intended to regulate the fee process, allowing for a balanced budget, and for the closing of the accounting period in this area. This also should save time if bargaining for additional fees is eliminated.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: Center for Medicare and Medicaid (CMS), formerly the Health Care Financing Authority (HCFA). Include CMS in the review process.

Process for Developing New Rule: Through regular meetings and review drafts. DSHS welcomes the public to take part in developing its rules. Anyone interested in participating should contact the staff person indicated below. After the rule is drafted, DSHS will file a copy with the Office of the Code Reviser with a notice of proposed rule making, and send a copy to everyone currently on the mailing list and anyone else who requests a copy.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Kristi Olson, DSHS/Home and Community Services Division, P.O. Box 45600, Olympia, WA 98504-5600, phone (360) 725-2537, fax (360) 438-8633, e-mail olsonkl2@dshs.wa.gov.

**PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF LICENSING**

[Filed December 14, 2001, 11:59 a.m.]

Subject of Possible Rule Making: WAC 308-13-005 Definitions, 308-13-020 Qualifications for admittance to the examination, 308-13-024 Application for examination, 308-13-050 Registration by reciprocity, 308-13-100 Reinstatement of delinquent, suspended, or revoked licenses.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 18.96.060 Board—Rules—Quorum.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Clarify and simplify the language and requirements for the examination process.

Add a new section WAC 308-13-035 Supplemental application after successful completion of examination, that allows an applicant to take the examination after completion of the academic requirement.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: Agency study; and review of all rules pursuant to the Governor's Executive Order 97-02.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Margaret Epting, Department of Licensing, Business and Professions Division, Landscape Architect Registration Board, P.O. Box 9045, Olympia, WA 98507-9045, (360) 664-1386, fax (360) 664-2551.

PREPROPOSAL STATEMENT OF INQUIRY DEPARTMENT OF SOCIAL AND HEALTH SERVICES (Medical Assistance Administration)

[Filed December 14, 2001, 4:47 p.m.]

Subject of Possible Rule Making: Recently passed state legislation requires MAA to institute co-payments for clients who go to hospital emergency rooms for treatment of non-emergency medical conditions. WAC 388-502-0160 Billing a client, will be revised, and possibly other related WAC sections.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 74.08.090, 74.09.055, ESSB 6153 - Washington State Omnibus Operating Budget 2001-2003 (chapter 7, Laws of 2001, Part II).

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: To discourage clients from seeking treatment for nonemergency medical conditions at hospital emergency rooms.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: United States Department of Health and Human Services (DHHS). MAA has requested a federal waiver that allows Washington state to impose a nominal copayment for nonemergency services furnished in a hospital emergency room.

Process for Developing New Rule: The department invites the interested public to review and provide input on the draft language of this rule. Draft material and information about how to participate may be obtained from the department representative listed below.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Kevin Sullivan, MAA Rules Coordina-

tor, P.O. Box 45533, Olympia, WA 98504-5533, phone (360) 725-1344, e-mail sullikm@dshs.wa.gov, fax (360) 586-9727, TDD 1-800-848-5429.

PREPROPOSAL STATEMENT OF INQUIRY PARKS AND RECREATION COMMISSION

[Filed December 14, 2001, 4:52 p.m.]

Subject of Possible Rule Making: The Washington State Parks and Recreation Commission will conduct a review of all fees established under the provisions of chapter 352-32 WAC, Public use of state park areas, and may determine the need to establish new or amend existing administrative rules in this chapter.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 79A.05.030, 79A.05.035, 79A.05.055, and 79A.05.070.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Through the power granted by the legislature is [in] chapter 79A.05 RCW and specifically under RCW 79A.05.070, the commission is authorized to charge such fees for services, utilities, and use of facilities as the commission shall deem proper. The commission has established a fee structure under the provisions of chapter 352-32 WAC for use of lands, facilities, programs, services, and materials published by state parks. The commission intends to evaluate and where appropriate revise the structure and amount of fee charged at all Washington state park facilities.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: Agency study.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Rita Cooper, Assistant Director, Washington State Parks, P.O. Box 42650, 7150 Cleanwater Lane, Olympia, WA 98504-2650, phone (360) 586-6606, fax (360) 753-1594, e-mail Rita.cooper@parks.wa.gov.

PREPROPOSAL STATEMENT OF INQUIRY STATE BOARD OF HEALTH

[Filed December 17, 2001, 9:17 a.m.]

Subject of Possible Rule Making: Revision of chapter 246-360 WAC, Transient accommodations.

Statutes Authorizing the Agency to Adopt Rules on this Subject: Chapter 70.62 RCW.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The rules and regulations for transient accommodations were last revised in 1994. Proposed changes to chapter 246-360 WAC may include: Clarifying the regulations, addressing safety, security, toxics and hazardous materials (methamphetamine laboratories and mold growth) issues, requirements for homeless shelters and rustic resorts, and overall readability of the regulations.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: The State Board of Health has rule-making authority for transient accommodations. The Facilities and Services Licensing Division of the Department of Health implements the transient accommodations regulations. The Department of Health and the State Board of Health will work in partnership throughout the rule-making process. The State Fire Marshal will also be involved and consulted throughout the process.

Process for Developing New Rule: Collaborative rule making.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication. A number of meeting and other formats will be available for information and input. Interested parties can contact Marianne Seifert, Health Policy Advisor, 1102 S.E. Quince Street, P.O. PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES
(Economic Services Administration)

[Filed December 17, 2001, 3:20 p.m.]

Subject of Possible Rule Making: WAC 388-406-0055
Date of eligibility for approved applications, and related sections.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 74.04.510, 7 C.F.R. 273.14.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The current rule is in conflict

with federal rules that specify the eligibility date for food assistance households. This revision will bring Washington state rules into conformity with the federal rules. It will maximize the probability of payment accuracy in the recertification process.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: USDA - Food and Nutrition Service.

Process for Developing New Rule: DSHS welcomes the public to take part in developing the rule. Anyone interested in participating should contact the staff person indicated below. After the department drafts the rule, it will file a copy with the Office of the Code Reviser with a notice of proposed rule making, and send a copy to everyone currently on the mailing list and anyone else who requests a copy.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Steve Pargman, Program Manager, Division of Employment and Assistance Programs, P.O. Box 45470, Olympia, WA 98504-4570, (360) 413-3073, fax (360) 413-3493, e-mail pargmse@dshs.wa.gov.

December 17, 2001

WSR 02-01-099
PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES
(Medical Assistance Administration)

[Filed December 17, 2001, 3:23 p.m.]

Subject of Possible Rule Making: WAC 388-478-0070
Monthly income and countable resource standards for medically needy (MN) and medically indigent (MI) programs and 388-478-0080 SSI-related categorically needy income level (CNIL) and countable resource standards.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 74.04.050, 74.04.057, 74.08.090, and 74.09.500.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The proposed amendment is necessary to adopt new federal standards, effective January 1, 2002, regarding the one person medically needy income level (MNIL) and the categorically needy income levels (CNIL) for SSI-related persons.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: The department invites the interested public to review and provide input on the draft language of this rule. Draft material and information about how to participate may be obtained from the department representative listed below. The department will distribute draft material for an internal and external review process. All comments are taken into consideration before issuance of the final rule.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Joanie Scotson, Program Manager, P.O. Box 45534, Olympia, WA 98504-5534, phone (360) 725-1330, e-mail scotsjk@dshs.wa.gov, fax (360) 586-0910, TDD 1-800-848-5429.

December 17, 2001

Brian H. Lindgren, Manager
Rules and Policies Assistance Unit

WSR 02-01-100
PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES
(Economic Services Administration)

[Filed December 17, 2001, 3:25 p.m.]

Subject of Possible Rule Making: WAC 388-434-0005 The department reviews each client's eligibility for benefits on a regular basis, and related sections, 388-406-0010 Filing an application, and 388-416-0005 How long can my food assistance certification period be?

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 74.08.090, 42 U.S.C. 601(a), 7 C.F.R. 273.14.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: A provision in the FY 02-03 state budget (ESSB 6153) requires the department to simplify eligibility rules in order to alleviate some of the workload associated with the two hundred seventy-five FTE reduction. The current rule requires a review of eligibility for every cash assistance unit at least once every six months. The revised rule gives clients longer cash eligibility periods. The current food assistance rule limits certification periods to three months for six categories of assistance units. The proposed rule would reduce it to three categories. This results in a reduction of workload and an increased ability of financial workers to focus on case management.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: DSHS welcomes the public to take part in developing the rule. Anyone interested in participating should contact the staff person indicated below. After the department drafts the rule, it will file a copy with the Office of the Code Reviser with a notice of proposed rule making, and send a copy to everyone currently on the mailing list and anyone else who requests a copy.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Steve Pargman, Program Manager, Division of Employment and Assistance Programs, P.O. Subject of Possible Rule Making: WAC 388-438-0100 Medically indigent (MI) program and 388-519-0120 Spend down—Medically indigent program.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 74.04.050, 74.04.057, 74.08.090, and 74.09.575.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: To clarify wording of the rule so MI program policy is more easily understood.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: The department invites the interested public to review and provide input on the draft language of this rule. Draft material and information about how to participate may be obtained from the department representative listed below.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Mary Beth Ingram, Program Manager, P.O. Box 45534, Olympia, WA 98504-5534, phone (360) 725-1327, e-mail ingramb@dshs.wa.gov, fax (360) 664-0910, TDD 1-800-848-5429.

PREPROPOSAL STATEMENT OF INQUIRY
HEALTH CARE AUTHORITY
(Basic Health Plan)

[Order 01-07—Filed December 19, 2001, 8:06 a.m.]

Subject of Possible Rule Making: Revising rules to incorporate criteria for selection of basic health enrollees for recertification or for imposing penalties for subsidy overpayments that are the result of fraud or intentional misrepresentation of information.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 70.47.050.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: RCW 70.47.060(9) requires the agency to adopt rules to define the appropriate application of sanctions. Current rules do not include the criteria for selection of enrollees for recertification or for imposing penalties.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: No other federal or state agency regulates this subject.

Process for Developing New Rule: Stakeholder mailings and public hearing.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication. Information regarding this rule-making will be posted on the agency website, <http://www.wa.gov/hca/basichealth.htm>. Or you may contact Rosanne Reynolds, P.O. Box 42686, Olympia, WA 98504-2686, phone (360) 923-2948, fax (360) 412-4276, e-mail Rrey107@hca.wa.gov.

PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF AGRICULTURE

[Filed December 19, 2001, 8:30 a.m.]

Subject of Possible Rule Making: Scrapie disease control, chapter 16-89 WAC.

Statutes Authorizing the Agency to Adopt Rules on this Subject: Chapter 16.36 RCW.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: United States Department of Agriculture, Animal and Plant Health Inspection Service

recently (August 21, 2001) adopted as final rule amendments to 9 C.F.R. Parts 54 and 79 "Scrapie in Sheep and Goats"; Interstate Movement Restrictions and Indemnity Program. In order for Washington state to maintain its status as a complaint state the state scrapie rule chapter 16-89 WAC, Sheep and goat scrapie disease control, must be amended by January 1, 2003, to remain in compliance with the federal rules. Sheep and goats from noncompliant states will not be allowed to move interstate after January 1, 2003.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: USDA, APHIS, VS - Coordinated through our cooperative agreement for animal disease control with APHIS.

Process for Developing New Rule: Agency study.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Robert W. Mead, DVM, P.O. Box 42577, Olympia, WA 98504, (360) 902-1881, fax (360) 902-2087, or e-mail Rmead@agr.wa.gov.

December 7, 2001

Ms. Kathy Joyce Smith

Assistant Director

Food Safety, Animal Health
and Consumer Services Division

WSR 02-01-125
PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF AGRICULTURE

[Filed December 19, 2001, 9:14 a.m.]

Subject of Possible Rule Making: Increase certain grain inspection program fees by an amount not to exceed the Office of Financial Management (OFM) fiscal growth rate factor for Fiscal Year 2003. The department is considering increasing selected hourly fees and hourly-based unit fees. The department is also considering changing the format of the fee schedule to make it easier to read and understand.

Statutes Authorizing the Agency to Adopt Rules on this Subject: Chapters 22.09 and 34.05 RCW.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The grain inspection program is supported entirely by the fees it generates from the services it provides. Fee increases are necessary to offset inflationary increases in grain inspection program operating expenses. The proposed inspection fee increases will not exceed the OFM fiscal growth rate factor for Fiscal Year 2003 and, as much as possible, will be limited to those fees that most equitably distribute the increase among grain inspection customers.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: The Grain Inspection, Packers and Stockyards Administration, Federal Grain Inspection Service (GIPSA, FGIS) must approve changes in the WSDA grain inspection program's fee schedule.

Process for Developing New Rule: The fee increases will be developed by the grain inspection program staff based

upon program needs and recommendations from the Grain Inspection Program Advisory Committee.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting the Grain Inspection Program Manager and/or contact the Grain Inspection Program Advisory Committee, Randall R. Deike, Grain Inspection Program Manager, Commodity Inspection Division, 1111 Washington Street S.E., P.O. Box 42560, Olympia, WA 98504, phone (360) 902-1921, fax (360) 902-2085, TDD (360) 902-1996, e-mail rdeike@agr.wa.gov. Also, you can submit comments during the public comment period and participate in the public hearing process.

December 19, 2001
Robert W. Gore
Assistant Director

WSR 02-01-128

PREPROPOSAL STATEMENT OF INQUIRY DEPARTMENT OF AGRICULTURE

[Filed December 19, 2001, 9:56 a.m.]

Subject of Possible Rule Making: To amend chapter 16-484 WAC, Potato virus Y-N quarantine.

Statutes Authorizing the Agency to Adopt Rules on this Subject: Chapter 17.24 RCW.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Washington potato and seed potato growers have requested an evaluation of whether Washington state should amend existing rules to participate in the USA/Canada PVY^a management plan. Under this plan samples from lower-generation seed potato lots would be tested for PVY^a each year. WSDA would also prohibit importation of seed potatoes from nonparticipating states. Other modifications may be necessary to acknowledge changes in industry practices, environmental conditions, and legislative mandates.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: USDA-APHIS administers the management plan, under which state participation is voluntary.

Process for Developing New Rule: Washington State Department of Agriculture representatives discuss proposed change with affected stakeholders and then publish the rule proposal.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Mary A. Martin Toohey, Assistant Director, Washington State Department of Agriculture, Laboratory Services Division, P.O. Box 42560, Olympia, WA 98504-2560, phone (360) 902-1907, fax (360) 902-2094, e-mail mtoohey@agr.wa.gov; or Tom Wessels, Plant Services Program Manager, Washington State Department of Agriculture, Laboratory Services Division, P.O. Box 42560, Olym-

pia, WA 98504-2560, phone (360) 902-1984, fax (360) 902-2094, e-mail twessels@agr.wa.gov.

December 19, 2001
Mary A. Martin Toohey
Assistant Director

WSR 02-01-129

PREPROPOSAL STATEMENT OF INQUIRY DEPARTMENT OF ECOLOGY

[Order 01-13—Filed December 19, 2001, 10:11 a.m.]

Subject of Possible Rule Making: In the 2001 session, the legislature passed ESHB 1832, which significantly amended chapter 90.80 RCW. This proposed rule making would amend chapter 173-153 WAC to reflect the changes made by ESHB 1832, and to address other issues identified through the several years' experience gained by the existing water conservancy boards and ecology.

Statutes Authorizing the Agency to Adopt Rules on this Subject: The authority to adopt rules is provided in RCW 90.80.040, which authorizes the director of ecology to adopt rules that are necessary to carry out that chapter, in accordance with chapter 34.05 RCW. Existing statutory authority is sufficient for amending the rule.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Both chapter 90.80 RCW and chapter 173-153 WAC address the establishment of and support for water conservancy boards (WCBs) in the state of Washington. The WCBs' ability to successfully process water right changes contribute directly to meeting the water resources program's goal of reducing the water right change application backlog.

ESHB 1832 significantly changed certain wording and aspects of the substance of chapter 90.80 RCW; consequently ecology has determined that it is appropriate to amend the rule to incorporate these changes. The amendments to chapter 173-153 WAC are intended to make the rule consistent with the statute, and to provide clear guidance, in rule, regarding those changes.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: There is no federal rule requiring or regulating water conservancy boards in Washington state; nor does any other state agency have a role in regulating them.

Process for Developing New Rule: We plan to involve the WCBs tribes, environmental groups, and the public in discussions regarding the issues involved in this proposal through at least two public workshops prior to proposing the rule, at least two public hearings on the rule proposal, publications (focus sheets), Internet web pages, e-mail distribution lists, and standard mailings.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication. Interested parties can participate in the decision to adopt the amendments and formulation of the proposed rule before publication. For information regarding the administrative aspects of the rule, please contact Chris Anderson at (360) 407-6634, by e-mail at wcbrule@ecy.wa.gov, or by

mail at Water Resources Program, Department of Ecology,
P.O. Box 47600, Olympia, WA 98504-7600.

**PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES**

(Health and Rehabilitation Services Administration)

[Filed December 19, 2001, 10:52 a.m.]

Subject of Possible Rule Making: The Division of Vocational Rehabilitation (DVR) plans to:

- Repeal WAC 490-500-520 Purchase of services—Selection criteria—Community rehabilitation programs.
- Add new rules regarding community rehabilitation programs and assistive technology service providers.

Statutes Authorizing the Agency to Adopt Rules on this Subject: 34 Code of Federal Regulations, Part 361.51 Standards for facilities and providers of services. RCW 74.29-.020(8) Rehabilitation services for individuals with disabilities.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: DVR's quality assurance standards for community rehabilitation programs (CRPs) have not been updated in more than fifteen years. Many do not meet current nationally recognized professional standards for CRPs nor do they reflect present quality expectations of individuals receiving CRP services. Updating and establishing these rules will bring DVR's current rules into line with current national standards and assure that the quality expectations of individuals seeking and receiving vocational rehabilitation services through external DVR service providers are recognized and met.

DVR has no quality standards for providers of assistive technology (AT) services. DVR participants expect such assurances.

The revised DVR rules will conform to current state statutes requiring criminal background checks to be in place for providers of services to vulnerable adults.

Federal regulations require DVR to provide individuals with information on the effectiveness, efficiency and customer satisfaction results of AT and CRP service providers whom they may choose to receive services from. The new rules will enable DVR participants to make more informed decisions regarding their service delivery options.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: United States Department of Education, Rehabilitation Services Administration (RSA)/review and comment.

Process for Developing New Rule: DVR welcomes public participation in this rule-making process. Anyone interested in doing so may contact the DVR staff person indicated below for more information. A series of statewide forums is planned in the near future to provide the public an opportu-

nity to learn more specifics and provide input to the proposed rules. As the rules are developed, DVR will send drafts to all those interested in receiving a copy for their review and comment.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Lee Ruddy, Program Administrator, DSHS/DVR, P.O. Box 45340, Olympia, WA 98504-5340, e-mail ruddyl@dshs.wa.gov, voice/TTY (360) 438-8000.

**PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES**

(Health and Rehabilitation Services Administration)

[Filed December 19, 2001, 10:53 a.m.]

Subject of Possible Rule Making: Chapter 388-890 WAC, the Division of Vocational Rehabilitation (DVR) plans to amend, repeal and or add new rules regarding vocational rehabilitation services.

Statutes Authorizing the Agency to Adopt Rules on this Subject: 34 Code of Federal Regulations, Part 361; 34 Code of Federal Regulations Part 363; 34 Code of Federal Regulations, Part 365; RCW 74.29.020(8).

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: DVR needs to adopt and implement rules to comply with changes in the Code of Federal Regulations and to consider other policy changes as a result of rule review.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: United States Department of Education, Rehabilitation Services Administration, Washington State Department of Services for the Blind, Washington Rehabilitation Council. Consultation, review and comment will be used for coordinating the rule-making process.

Process for Developing New Rule: DVR welcomes the public to take part in developing the rules. Anyone interested in helping to draft the proposed rules should contact one of staff persons indicated below. After the rules are drafted, DVR will file a copy at the Office of the Code Reviser with a notice of the proposed rule. DVR will send a copy of the proposed rules for review and comment to everyone currently on the mailing list and anyone else requesting a copy.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Kelly Boston, Acting Chief of Special Programs, (360) 438-8026, e-mail bostok@dshs.wa.gov, Phyllis Hansen, Program Administrator, (360) 438-8047 (V/TTY), e-mail hansepa@dshs.wa.gov; at the Division of

Vocational Rehabilitation, P.O. Box 45340, Olympia, WA 98504-5340, 1-800-637-5627 (V/TTY), fax (360) 438-8007.

**PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
LABOR AND INDUSTRIES**

[Filed December 19, 2001, 11:05 a.m.]

Subject of Possible Rule Making: Chapter 296-19A WAC, Vocational rehabilitation, this chapter relates to vocational rehabilitation services provided to injured workers and victims of crime.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 51.04.020, 51.04.030, 51.32.095, 7.68.070(8).

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: To receive additional information on the issues raised during the original rule-making process and to make technical corrections to the rule based on experience with the rule since its adoption in September 2000.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: No other federal or state agencies regulate this subject.

Process for Developing New Rule: The department will solicit input from all parties affected by chapter 296-19A WAC, Vocational rehabilitation, in the development of the proposed rule. Parties interested in the formulation of these rules may contact the individuals listed below, as well as provide written comments or oral testimony during the public hearing process.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Roy Plaeger-Brockway, Department of Labor and Industries, Health Services Analysis, P.O. Box 44322, Olympia, WA 98504-4322, phone Patti Hamrick, (360) 902-6753, fax (360) 902-4249.

December 18, 2001

Gary Moore
Director

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 51.04.020 and 51.04.030.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The affected rules describe elements used in the process of updating the maximum allowable payments for most professional health care services. These elements are set in rule in order to follow the established methodologies of L&I and maintain consistency with the Health Care Authority and Medical Assistance Administration. Specifically, the proposed rule changes will do the following:

1. In WAC 296-20-135, update the conversion factors used by the department for calculating reimbursement rates for most professional health care and anesthesia services. The conversion factors will be updated to correspond to changes in the medical procedure codes, the relative value units, and anesthesia base units. These changes will enable the department to continue a reimbursement methodology consistent with other state agencies. Cost-of-living increases may be incorporated into the changes in the conversion factors.

2. In WAC 296-23-220 and 296-23-230, update the maximum daily reimbursement level for physical and occupational therapy services so the department may, if necessary, give cost-of-living increases to affected providers.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: The department is working with external stakeholders through its anesthesia and reimbursement technical advisory groups on updates to conversion factors and to the physical and occupational therapy maximum daily reimbursement level. The department coordinates these updates with the Health Care Authority, the Medical Assistance Administration and the Health Care Financing Administration to insure consistent health care purchasing policies when possible. The proposed changes will be presented to the advisory groups and publicized in a letter to interested persons.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Tom Davis, Department of Labor and Industries, Health Services Analysis, P.O. Box 44322, Olympia, WA 98504-4322, phone (360) 902-6687, fax (360) 902-4249.

EXPEDITED RULES
OFFICE OF THE
INSURANCE COMMISSIONER

[R 2001-12—Filed December 10, 2001, 10:28 a.m.]

Title of Rule: Amending WAC 284-04-120.

Purpose: Amend WAC 284-04-120 to allow an additional exemption for one licensee to rely upon the compliance of another licensee.

Statutory Authority for Adoption: RCW 48.02.060, 48.18.120, 48.20.450, 48.20.460, 48.30.010, 48.44.0505, 48.46.100, 48.46.200, 48.43.505, Gramm-Leach-Bliley Act, Public Law 102-106, sections 501 and 505.

Statute Being Implemented: RCW 48.43.505, Gramm-Leach-Bliley Act, Public Law 102-106, sections 501 and 505.

Summary: The proposed rule amends existing WAC 284-04-120(18) to expand the exemption for some licensees. The proposed exemption includes the provisions of WAC 284-04-500. The exemption allows a licensee to rely on the compliance of another licensee.

Reasons Supporting Proposal: The proposed rules will give some licensees the opportunity to avoid some administrative costs and possibly duplicative notices and efforts.

Name of Agency Personnel Responsible for Drafting, and Implementation: Jon Hedegard, Olympia, Washington, (360) 664-4629; and Enforcement: Carol Sureau, Lacey, Washington, (360) 407-0048.

Name of Proponent: Insurance Commissioner Mike Kreidler, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: WAC 284-04-500 establishes privacy policies and procedures. The proposed rule amends existing WAC 284-04-120(18) to expand the exemption for some licensees to include the provisions of WAC 284-04-500. This will give a licensee the opportunity to rely upon the compliance of another licensee. This will enable some licensees, particularly the agent community, to comply with the rules without incurring administrative and implementation costs.

The commissioner adopted this provision by emergency to allow this option for licensees. This is the permanent rule making to codify the emergency.

Proposal Changes the Following Existing Rules: The proposed rule will amend WAC 284-04-120 (18)(a). New language is underlined below:

"(a) A licensee is not subject to the notice and opt out requirements for nonpublic personal financial information set forth in WAC 284-04-100 through 284-04-400 or the notice and policy development and implementation procedures of WAC 284-04-500 if the licensee is an employee, agent or other representative of another licensee ("the principal") and:

(i) The principal otherwise complies with, and provides the notices required by, the provisions of this regulation; and

(ii) The licensee complies with the principal's privacy policies and does not disclose any nonpublic personal information to any person other than the principal or its affiliates in a manner permitted by this regulation."

NOTICE

THIS RULE IS BEING PROPOSED UNDER AN EXPEDITED RULE-MAKING PROCESS THAT WILL ELIMINATE THE NEED FOR THE AGENCY TO HOLD PUBLIC HEARINGS, PREPARE A SMALL BUSINESS ECONOMIC IMPACT STATEMENT, OR PROVIDE RESPONSES TO THE CRITERIA FOR A SIGNIFICANT LEGISLATIVE RULE. IF YOU OBJECT TO THE USE OF THE EXPEDITED RULE-MAKING PROCESS, YOU MUST EXPRESS YOUR OBJECTIONS IN WRITING AND THEY MUST BE SENT TO Kacy Scott, Office of the Insurance Commissioner, P.O. Box 40255, Olympia, WA 98504-0255, e-mail Kacyb@oic.wa.gov, AND RECEIVED BY February 20, 2002.

December 6, 2001

Mike Kreidler

Insurance Commissioner

AMENDATORY SECTION (Amending Matter No. R 2000-08, filed 1/9/01, effective 2/9/01)

WAC 284-04-120 Definitions. As used in this chapter, unless the context requires otherwise:

(1) "Affiliate" means any company that controls, is controlled by or is under common control with another company.

(2) "Clear and conspicuous" means that a notice is reasonably understandable and designed to call attention to the nature and significance of the information in the notice.

Examples.

(a) Reasonably understandable. A licensee makes its notice reasonably understandable if it:

(i) Presents the information in the notice in clear, concise sentences, paragraphs, and sections;

(ii) Uses short explanatory sentences or bullet lists whenever possible;

(iii) Uses definite, concrete, everyday words and active voice whenever possible;

(iv) Avoids multiple negatives;

(v) Avoids legal and highly technical business terminology whenever possible; and

(vi) Avoids explanations that are imprecise and readily subject to different interpretations.

(b) Designed to call attention. A licensee designs its notice to call attention to the nature and significance of the information in it if the licensee:

(i) Uses a plain-language heading to call attention to the notice;

(ii) Uses a typeface and type size that are easy to read;

(iii) Provides wide margins and ample line spacing;

(iv) Uses boldface or italics for key words; and

(v) In a form that combines the licensee's notice with other information, uses distinctive type size, style, and graphic devices, such as shading or sidebars.

(c) Notices on websites. If a licensee provides a notice on a web page, the licensee designs its notice to call attention to the nature and significance of the information in it if the licensee uses text or visual cues to encourage scrolling down the page if necessary to view the entire notice and ensure that other elements on the website (such as text, graphics, hyper-

EXPEDITED

links or sound) do not distract attention from the notice, and the licensee either:

(i) Places the notice on a screen that consumers frequently access, such as a page on which transactions are conducted; or

(ii) Places a link on a screen that consumers frequently access, such as a page on which transactions are conducted, that connects directly to the notice and is labeled appropriately to convey the importance, nature, and relevance of the notice.

(3) "Collect" means to obtain information that the licensee organizes or can retrieve by the name of an individual or by identifying number, symbol or other identifying particular assigned to the individual, irrespective of the source of the underlying information.

(4) "Commissioner" means the insurance commissioner of the state.

(5) "Company" means a corporation, limited liability company, business trust, general or limited partnership, association, sole proprietorship or similar organization.

(6) "Consumer" means an individual who seeks to obtain, obtains or has obtained an insurance product or service from a licensee that is to be used primarily for personal, family or household purposes and about whom the licensee has nonpublic personal information, or that individual's legal representative.

Examples.

(a) An individual who provides nonpublic personal information to a licensee in connection with obtaining or seeking to obtain financial, investment or economic advisory services relating to an insurance product or service is a consumer regardless of whether the licensee establishes an ongoing advisory relationship.

(b) An applicant for insurance prior to the inception of insurance coverage is a licensee's consumer.

(c) An individual who is a consumer of another financial institution is not a licensee's consumer solely because the licensee is acting as agent for, or provides processing or other services to, that financial institution.

(d) An individual is a licensee's consumer if:

(i) The individual is a beneficiary of a life insurance policy underwritten by the licensee;

(ii) The individual is a claimant under an insurance policy issued by the licensee;

(iii) The individual is an insured or an annuitant under an insurance policy or an annuity, respectively, issued by the licensee; or

(iv) The individual is a mortgagor of a mortgage covered under a mortgage insurance policy; and

(v) The licensee discloses nonpublic personal financial information about the individual to a nonaffiliated third party other than as permitted under WAC 284-04-400, 284-04-405, and 284-04-410.

(e) Provided that the licensee provides the initial, annual and revised notices under WAC 284-04-200, 284-04-205, and 284-04-220 to the plan sponsor, group or blanket insurance policy holder or group annuity contract holder, workers' compensation plan participant and further provided that the licensee does not disclose to a nonaffiliated third party nonpublic personal financial information about such an individ-

ual other than as permitted under WAC 284-04-400, 284-04-405, and 284-04-410, an individual is not the consumer of such licensee solely because he or she is:

(i) A participant or a beneficiary of an employee benefit plan that the licensee administers or sponsors or for which the licensee acts as a trustee, insurer or fiduciary;

(ii) Covered under a group or blanket insurance policy or annuity contract issued by the licensee; or

(iii) A beneficiary in a workers' compensation plan.

(f) The individuals described in (e)(i) through (iii) of this subsection are consumers of a licensee if the licensee does not meet all the conditions of (e) of this subsection.

(g) In no event shall such individuals, solely by virtue of the status described in (e)(i) through (iii) of this subsection, be deemed to be customers for purposes of this chapter.

(i) An individual is not a licensee's consumer solely because he or she is a beneficiary of a trust for which the licensee is a trustee.

(ii) An individual is not a licensee's consumer solely because he or she has designated the licensee as trustee for a trust.

(7) "Consumer reporting agency" has the same meaning as in section 603(f) of the Federal Fair Credit Reporting Act (15 U.S.C. 1681a(f)).

(8) "Control" means:

(a) Ownership, control or power to vote twenty-five percent or more of the outstanding shares of any class of voting security of the company, directly or indirectly, or acting through one or more other persons;

(b) Control in any manner over the election of a majority of the directors, trustees or general partners (or individuals exercising similar functions) of the company; or

(c) The power to exercise, directly or indirectly, a controlling influence over the management or policies of the company, as the commissioner determines.

(9) "Customer" means a consumer who has a customer relationship with a licensee.

(10) "Customer relationship" means continuing relationship between a consumer and a licensee under which the licensee provides one or more insurance products or services to the consumer that are to be used primarily for personal, family or household purposes.

Examples.

(a) A consumer has a continuing relationship with a licensee if:

(i) The consumer is a current policyholder of an insurance product issued by or through the licensee; or

(ii) The consumer obtains financial, investment or economic advisory services relating to an insurance product or service from the licensee for a fee.

(b) A consumer does not have a continuing relationship with a licensee if:

(i) The consumer applies for insurance but does not purchase the insurance;

(ii) The licensee sells the consumer airline travel insurance in an isolated transaction;

(iii) The individual no longer is a current policyholder of an insurance product or no longer obtains insurance services with or through the licensee;

(iv) The consumer is a beneficiary or claimant under a policy and has submitted a claim under a policy choosing a settlement option involving an ongoing relationship with the licensee;

(v) The consumer is a beneficiary or a claimant under a policy and has submitted a claim under that policy choosing a lump sum settlement option;

(vi) The customer's policy is lapsed, expired, paid up or otherwise inactive or dormant under the licensee's business practices, and the licensee has not communicated with the customer about the relationship for a period of twelve consecutive months, other than annual privacy notices, material required by law or regulation, communication at the direction of state or federal authority or promotional materials;

(vii) The individual is an insured or an annuitant under an insurance policy or annuity, respectively, but is not the policyholder or owner of the insurance policy or annuity; or

(viii) For the purposes of this chapter, if the individual's last known address according to the licensee's records is deemed invalid. An address of record is deemed invalid if mail sent to that address by the licensee has been returned by the postal authorities as undeliverable and if subsequent attempts by the licensee to obtain a current valid address for the individual have been unsuccessful.

(11) "Financial institution" means any institution the business of which is engaging in activities that are financial in nature or incidental to such financial activities as described in section 4(k) of the Bank Holding Company Act of 1956 (12 U.S.C. 1843(k)).

(a) Financial institution does not include:

(i) Any person or entity with respect to any financial activity that is subject to the jurisdiction of the Commodity Futures Trading Commission under the Commodity Exchange Act (7 U.S.C. 1 et seq.);

(ii) The Federal Agricultural Mortgage Corporation or any entity charged and operating under the Farm Credit Act of 1971 (12 U.S.C. 2001 et seq.); or

(iii) Institutions chartered by Congress specifically to engage in securitizations, secondary market sales (including sales of servicing rights) or similar transactions related to a transaction of a consumer, as long as such institutions do not sell or transfer nonpublic personal information to a nonaffiliated third party.

(12) "Financial product or service" means any product or service that a financial holding company could offer by engaging in an activity that is financial in nature or incidental to such a financial activity under section 4(k) of the Bank Holding Company Act of 1956 (12 U.S.C. 1843(k)).

Financial service includes a financial institution's evaluation or brokerage of information that the financial institution collects in connection with a request or an application from a consumer for a financial product or service.

(13) "Health care" means: Preventive, diagnostic, therapeutic, rehabilitative, maintenance or palliative care, services, procedures, tests or counseling that:

(a) Relates to the physical, mental or behavioral condition of an individual; or

(b) Affects the structure or function of the human body or any part of the human body, including the banking of blood, sperm, organs or any other tissue; or

(c) Prescribing, dispensing or furnishing to an individual drugs or biologicals, or medical devices or health care equipment and supplies.

(14) "Health care provider" means a physician or other health care practitioner licensed, accredited or certified to perform specified health services consistent with state law or a health care facility.

(15) "Health information" means any information or data, except age or gender, whether oral or recorded in any form or medium, created by or derived from a health care provider or the consumer that relates to:

(a) The past, present or future physical, mental or behavioral health or condition of an individual;

(b) The provision of health care to an individual; or

(c) Payment for the provision of health care to an individual.

(16) "Insurer" includes health care service contractor, HMO, and fraternal benefit society.

(17) "Insurance product or service" means any product or service that is offered by a licensee pursuant to the insurance laws of this state.

Insurance service includes a licensee's evaluation, brokerage or distribution of information that the licensee collects in connection with a request or an application from a consumer for an insurance product or service.

(18) "Licensee" means all licensed insurers, health care service contractors, HMO's, and fraternal benefit societies, producers and other persons licensed or required to be licensed, or authorized or required to be authorized, or registered or required to be registered pursuant to the insurance law of this state.

(a) A licensee is not subject to the notice and opt out requirements for nonpublic personal financial information set forth in WAC 284-04-100 through 284-04-400 or the notice and policy development and implementation procedures of WAC 284-04-500 if the licensee is an employee, agent or other representative of another licensee ("the principal") and:

(i) The principal otherwise complies with, and provides the notices required by, the provisions of this regulation; and

(ii) The licensee complies with the principal's privacy policies and does not disclose any nonpublic personal information to any person other than the principal or its affiliates in a manner permitted by this regulation.

(b)(i) Subject to (b)(ii) of this subsection, "licensee" shall also include an unauthorized insurer that accepts business placed through a licensed excess lines broker in this state, but only in regard to the excess lines placements placed pursuant to section [insert section] of this state's laws.

(ii) An excess lines broker or excess lines insurer shall be deemed to be in compliance with the notice and opt out requirements for nonpublic personal financial information set forth in WAC 284-04-100 through 284-04-400 provided:

(A) The broker or insurer does not disclose nonpublic personal information of a consumer or a customer to nonaffiliated third parties for any purpose, including joint servicing or marketing under WAC 284-04-405, except as permitted by WAC 284-04-410 and 284-04-415; and

(B) The broker or insurer delivers a notice to the consumer at the time a customer relationship is established on which the following is printed in 16-point type:

PRIVACY NOTICE

"NEITHER THE U.S. BROKERS THAT HANDLED THIS INSURANCE NOR THE INSURERS THAT HAVE UNDERWRITTEN THIS INSURANCE WILL DISCLOSE NONPUBLIC PERSONAL INFORMATION CONCERNING THE BUYER TO NONAFFILIATES OF THE BROKERS OR INSURERS EXCEPT AS PERMITTED BY LAW"

(19) "Licensee" shall also include an unauthorized insurer that places business through a licensed excess line broker in this state, but only in regard to the excess line placements placed pursuant to of this state's laws.

(20) "Nonaffiliated third party" means any person except:

(a) A licensee's affiliate; or

(b) A person employed jointly by a licensee and any company that is not the licensee's affiliate (but nonaffiliated third party includes the other company that jointly employs the person).

Nonaffiliated third party includes any company that is an affiliate solely by virtue of the direct or indirect ownership or control of the company by the licensee or its affiliate in conducting merchant banking or investment banking activities of the type described in section 4(k)(4)(H) or insurance company investment activities of the type described in section 4(k)(4)(I) of the Federal Bank Holding Company Act (12 U.S.C. 1843 (k)(4)(H) and (I.))

(21) "Nonpublic personal information" means nonpublic personal financial information and nonpublic personal health information.

(22)(a) "Nonpublic personal financial information" means:

(i) Personally identifiable financial information; and

(ii) Any list, description or other grouping of consumers (and publicly available information pertaining to them) that is derived using any personally identifiable financial information that is not publicly available.

(b) Nonpublic personal financial information does not include:

(i) Health information;

(ii) Publicly available information, except as included on a list described in (a)(i) of this subsection; or

(iii) Any list, description or other grouping of consumers (and publicly available information pertaining to them) that is derived without using any personally identifiable financial information that is not publicly available.

Examples of lists.

Nonpublic personal financial information includes any list of individuals' names and street addresses that is derived in whole or in part using personally identifiable financial information that is not publicly available, such as account numbers.

Nonpublic personal financial information does not include any list of individuals' names and addresses that contains only publicly available information, is not derived in whole or in part using personally identifiable financial information that is not publicly available, and is not disclosed in a manner that indicates that any of the individuals on the list is a consumer of a financial institution.

(23) "Nonpublic personal health information" means health information:

(a) That identifies an individual who is the subject of the information; or

(b) With respect to which there is a reasonable basis to believe that the information could be used to identify an individual.

(24) "Personally identifiable financial information" means any information:

(a) A consumer provides to a licensee to obtain an insurance product or service from the licensee;

(b) About a consumer resulting from any transaction involving an insurance product or service between a licensee and a consumer; or

(c) The licensee otherwise obtains about a consumer in connection with providing an insurance product or service to that consumer.

Examples.

(i) Information included. Personally identifiable financial information includes:

(A) Information a consumer provides to a licensee on an application to obtain an insurance product or service;

(B) Account balance information and payment history;

(C) The fact that an individual is or has been one of the licensee's customers or has obtained an insurance product or service from the licensee;

(D) Any information about the licensee's consumer if it is disclosed in a manner that indicates that the individual is or has been the licensee's consumer;

(E) Any information that a consumer provides to a licensee or that the licensee or its agent otherwise obtains in connection with collecting on a loan or servicing a loan;

(F) Any information the licensee collects through an Internet "cookie" (an information collecting device from a web server); and

(G) Information from a consumer report.

(ii) Information not included. Personally identifiable financial information does not include:

(A) Health information;

(B) A list of names and addresses of customers of an entity that is not a financial institution; and

(C) Information that does not identify a consumer, such as aggregate information or blind data that does not contain personal identifiers such as account numbers, names or addresses.

(25)(a) "Publicly available information" means any information that a licensee has a reasonable basis to believe is lawfully made available to the general public from:

(i) Federal, state or local government records;

(ii) Widely distributed media; or

(iii) Disclosures to the general public that are required to be made by federal, state or local law.

(b) Reasonable basis. A licensee has a reasonable basis to believe that information is lawfully made available to the general public if the licensee has taken steps to determine:

(i) That the information is of the type that is available to the general public; and

(ii) Whether an individual can direct that the information not be made available to the general public and, if so, that the licensee's consumer has not done so.

(c) Examples.

(i) Government records. Publicly available information in government records includes information in government real estate records and security interest filings.

(ii) Widely distributed media. Publicly available information from widely distributed media includes information from a telephone book, a television or radio program, a newspaper or a website that is available to the general public on an unrestricted basis. A website is not restricted merely because an Internet service provider or a site operator requires a fee or a password, so long as access is available to the general public.

(iii) Reasonable basis.

(A) A licensee has a reasonable basis to believe that mortgage information is lawfully made available to the general public if the licensee has determined that the information is of the type included on the public record in the jurisdiction where the mortgage would be recorded.

(B) A licensee has a reasonable basis to believe that an individual's telephone number is lawfully made available to the general public if the licensee has located the telephone number in the telephone book or the consumer has informed you that the telephone number is not unlisted.

WITHDRAWAL OF PROPOSED RULES
DEPARTMENT OF
FISH AND WILDLIFE
 [Filed December 10, 2001, 4:24 p.m.]

The Department of Fish and Wildlife requests that proposed changes to WAC 232-12-011 filed in WSR 01-21-130 be withdrawn.

Evan Jacoby
 Rules Coordinator

WSR 02-01-053
PROPOSED RULES
SPOKANE COUNTY AIR
POLLUTION CONTROL AUTHORITY
 [Filed December 12, 2001, 10:30 a.m.]

Continuance of WSR 01-20-072.

Exempt from preproposal statement of inquiry under RCW 70.94.141(1).

Title of Rule: Amendments to No Burn Area Boundary in Spokane County.

Name of Proponent: Spokane County Air Pollution Control Authority, governmental.

Rule is not necessitated by federal law, federal or state court decision.

No small business economic impact statement has been prepared under chapter 19.85 RCW. SCAPCA is not subject to the small business economic impact provision of the Administrative Procedure Act.

RCW 34.05.328 does not apply to this rule adoption.

Hearing Location: Spokane County Public Works Building, 1026 West Broadway, Hearing Room Lower Level, Spokane, WA 99201, on February 7, 2002, at 8:30 a.m.

Date of Intended Adoption: February 7, 2002.

 Air Quality Specialist

WSR 02-01-092
PROPOSED RULES
DEPARTMENT OF ECOLOGY
 [Order 98-26—Filed December 17, 2001, 11:33 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 99-03-097.

Title of Rule: Wetland mitigation banks.

Purpose: The purpose of the rule is to provide a predictable, efficient, regulatory framework for the review of bank proposals and the certification of environmentally responsible wetland mitigation banks consistent with existing federal guidance on compensatory wetland mitigation banks.

Other Identifying Information: The proposed rule applies to both public and private wetland mitigation banks.

Credits from certified wetland mitigation banks may be used to compensate for unavoidable wetland impacts authorized under state or local permits.

Statutory Authority for Adoption: Chapter 90.84 RCW, Wetlands mitigation banking.

Statute Being Implemented: Chapter 90.84 RCW, Wetlands mitigation banking.

Summary: The rule outlines procedures for the certification, operation, monitoring and implementation of compensatory wetland mitigation banks. The rule contains procedures for certification and technical requirements for the implementation of wetland mitigation banks. The rule outlines compliance procedures and the appeals process for wetland mitigation bank certifications.

Reasons Supporting Proposal: The legislature required the department, in chapter 90.84 RCW to adopt rules for the "certification, operation and monitoring of wetland mitigation banks." The statute also directed that the rule provide a "predictable, efficient, regulatory framework" for the certification of wetland mitigation banks.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Lauren C. Driscoll, SEA Program, Headquarters, Lacey, Washington, (360) 407-6861.

Name of Proponent: Washington State Department of Ecology, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: The rule sets out the procedures and requirements for certification of wetland mitigation banks. The legislature, in chapter 90.84 RCW directed the Department of Ecology to adopt rules for the certification of wetland mitigation banks. The rule is intended to provide an efficient and predictable regulatory framework for applicants voluntarily seeking state certification for a wetland mitigation bank. It is anticipated that the regulatory streamlining provide under the draft rule will reduce applicant costs for obtaining approvals on wetland mitigation banks as well as ensuring that wetland mitigation banks established will be environmentally sound. Additional streamlining and cost reductions should be realized by project applicants using certified bank credits in lieu of developing their own compensatory wetland mitigation.

Proposal does not change existing rules.

A small business economic impact statement has been prepared under chapter 19.85 RCW.

Small Business Economic Impact Statement

The Regulatory Fairness Act (chapter 19.85 RCW) requires that state agencies proposing a rule file a small business economic impact statement ("SBEIS" hereafter), "[i]f the proposed rule will impose more than minor costs on businesses in an industry." (RCW 19.85.030(1).) The proposed rule governing compensatory wetland mitigation banks involves more than minor costs, but because participation in the program described is voluntary, it does not *impose* those costs. Furthermore, these costs are necessary to provide reasonable assurance that the intended environmental benefits will be realized. Despite this, we have elected to prepare this SBEIS as a way to document the costs. This report summa-

rizes the costs and explains in more detail their voluntary nature.

Compliance requirements: The compliance requirements for a bank sponsor are considerable and are summarized in WAC 173-700-700. The major responsibilities are: Creation of the bank instrument; construction of the bank; provision of financial assurances; operation and maintenance of the bank; monitoring of the bank's progress and success; crafting of contingency plans; implementation of contingency plans if the department determines that to be necessary; tracking, accounting and reporting of credit transactions; and long-term protection and management of the bank site(s).

A complete list of responsibilities with references to relevant sections of the proposed rule can be found at the end of this document.

Areas of possible disproportionate effect on small businesses: There are three ways in which the proposed rule will likely affect small and large businesses differently. Two of them are negative impacts, but they are not imposed on any party and therefore are not covered by the Regulatory Fairness Act. The third is likely to be a disproportionate positive impact on small businesses.

(1) **Disproportionate costs of complex requirements:** As described above and documented more fully at the end of this analysis, the compliance requirements of the proposed rule are considerable. As with any complicated regulation, it may well be easier for a large entity to comply than for a small one. However, this possibility is not relevant because of the voluntary nature of the proposed rule. The Regulatory Fairness Act directs agencies to examine whether "the proposed rule will *impose* more than minor costs on businesses in an industry." (RCW 19.85.030 (1)(a)) (emphasis added). Furthermore, the SBEIS "shall analyze the costs of compliance for businesses *required* to comply with the proposed rule..." (RCW 19.85.040(1)) (emphasis added). While firms must comply with wetlands regulation in general, they are only subject to chapter 173-700 WAC if they *choose* to establish a wetlands mitigation bank. The new regulation does not require any entity to create a bank, but allows it as a way of complying with existing wetlands protections or profiting from others' need to comply with those protections. (Wetlands regulations are contained in Section 404 of the Clean Water Act, local regulations protecting critical areas and the state's Water Pollution Control Act, chapter 90.48 RCW.) It follows that no costs are imposed on any business as a result of the regulation. Businesses will choose to accept the costs of chapter 173-700 WAC if, in their private judgment, this is preferable to other ways of meeting the requirements of federal, state or local wetland regulations.

(2) **Loss of business to environmental firms:** Environmental firms contracted to carry out site-by-site mitigation may lose business as mitigation efforts are concentrated in banks, and a disproportionate number of these firms may be small. By changing the regulatory regime so that a firm receives less business is not the same as imposing costs on that business. The possible hardship to these firms is not the result of their own difficulty in complying with the new rule, but of other firms' *reduced* difficulty in complying with other rules because of the new one. The Regulatory Fairness Act is

concerned with the way a disproportionate impact of regulation "reduces competition, innovation, employment, and new employment opportunities, and threatens the very existence of some small businesses." (RCW 19.85.011.) While there is a chance that the existence of some small businesses may be threatened by others no longer being forced to use their services, the law's overall concern is clearly with rules that are a drag on the economy. The proposed rule, in creating new ways of complying with existing rules, at worst will have no effect, and at best will lessen the overall impact of regulation on firms.

(3) **Small firms' gain from mitigation banking:** The proposed rule is likely to have a disproportionate *benefit* for small firms that must comply with existing wetlands rules. If chapter 173-700 WAC is used, it can only be because it has reduced the overall cost of complying with controls on wetlands. This in turn is a disproportionate benefit for small businesses. Just as a small entity may have a harder time complying with the reporting requirements of the mitigation banking rules, they are even more likely to be disproportionately disadvantaged in complying with existing wetlands regulations. In buying credits from a mitigation bank, however, big firms and small will compete on a level playing field, so that a disproportionate share of the efficiency gains from mitigation banking are likely to fall to small businesses.

Necessity of costs: The costs entailed in the rule are necessary to meet the goal of no overall net loss of wetlands outlined in the "Federal Guidance."¹ Wetland mitigation banking is a form of trading, where one party in essence sells a wetland to a second party, in order to allow that second party to fill a different wetland or portion of one. If wetlands were homogeneous, having identical properties acre for acre, regardless of their type or location, there would be no chance of social benefits being harmed by such trades. But an acre of estuary in one place has a different value to society than an acre of hardwood wetlands elsewhere. Similarly, an acre of poorly constructed or poorly maintained wetland is an inadequate substitute for an acre of properly functioning natural wetland. Therefore, regulations allowing trading in wetlands must include extensive provisions to prevent trades that, while beneficial to the parties directly involved, would violate the goal of no net loss of wetlands. The responsibilities of a bank sponsor spelled out in the proposed rule are necessary and reasonable to meet that goal; exceptions to them entail a high risk of allowing net loss of wetlands.

Conclusion: In summary, the proposed rule does not impose costs on anyone, but specifies the requirements of engaging in wetlands banking which entities can choose to accept, should they consider that to be preferable to any existing alternative. Furthermore, the costs are necessary to fulfill the purpose of the rule.

Compliance responsibilities of a bank sponsor: Preapplication (submission of prospectus), WAC 173-700-202(2), 173-700-220, and 173-700-223.

Certification application, WAC 173-700-202(6) and 173-700-230.

The bank instrument and its components, WAC 173-700-240 and 173-700-241.

Assessment of wetland functions, WAC 173-700-330.

Description of what bank credits represent in the bank instrument, WAC 173-700-350.

Financial assurances, WAC 173-700-391.

Levels of financial assurances, WAC 173-700-392.

Financial assurances for construction, WAC 173-700-393.

Financial assurances for short-term management, WAC 173-700-394.

Financial assurances for long-term management, WAC 173-700-395.

Obtaining necessary permits, WAC 173-700-700(3).

Constructing the bank, WAC 173-700-700(5).

Securing adequate funds for operation and maintenance of the bank, WAC 173-700-700(6).

Provision for permanent protection of the site, WAC 173-700-700(7).

Monitoring, WAC 173-700-400, 173-700-401 and 173-700-403 (duration).

Contingency plan, WAC 173-700-402.

Monitoring reports, WAC 173-700-404.

As-built reporting, WAC 173-700-405.

Petition for credit release, WAC 173-700-410.

Recording credit transactions, WAC 173-700-411.

Accounting and tracking of credit transactions, WAC 173-700-412.

Credit-tracking ledger, WAC 173-700-413.

Annual account reporting, WAC 173-700-414.

Random audits, WAC 173-700-416.

Permanent protection, WAC 173-700-422.

¹ "Federal guidance for the establishment, use and operation of mitigation banks." *Federal Register*, Vol. 60, No. 228, November 28, 1995, pp 58605-58614, at B.6, p. 58607

A copy of the statement may be obtained by writing to Lauren Driscoll, Shorelands and Environmental Assistance Program, Department of Ecology, P.O. Box 47600, Olympia, WA 98504-7600, phone (360) 407-6861, fax (360) 407-6902.

RCW 34.05.328 applies to this rule adoption. While the establishment of a compensatory wetland mitigation bank is voluntary, certified wetland banks could be subject to compliance enforcement if they are not in compliance with the terms of their certification. This could include suspension of the use of the bank's credits and/or use of financial assurances posted by the bank's sponsor.

Hearing Location: Washington State Department of Ecology, 300 Desmond Drive, Lacey, WA, on January 23, 2002, at 7 p.m.; and at the Best Western Hallmark Inn, 3000 Marine Drive, Moses Lake, WA, on January 30, 2002, at 7 p.m.

Assistance for Persons with Disabilities: Contact Mary Lynam by January 16, 2002, TDD (360) 407-6006, or (360) 407-6206.

Submit Written Comments to: Lauren Driscoll, Shorelands and Environmental Assistance Program, Department of Ecology, P.O. Box 47600, Olympia, WA 98504-7600, fax (360) 407-6902 postmarked by February 15, 2002.

Date of Intended Adoption: April 17, 2002.

Deputy Director

Chapter 173-700 WAC

WETLAND MITIGATION BANKS

PART I OVERVIEW

NEW SECTION

WAC 173-700-010 Background. (1) The Wetlands Mitigation Banking Act, chapter 90.84 RCW, sets forth fundamental elements of a mitigation banking policy to ensure that a predictable, statewide process exists for certifying environmentally sound wetland mitigation banks.

(2) The act finds wetland mitigation banking an important regulatory tool for providing compensatory mitigation for unavoidable impacts to wetlands and declares it the policy of the state to support wetland mitigation banking. The act directs the department of ecology (the department) to adopt rules establishing a statewide process for certifying wetland mitigation banks.

(3) The department anticipates that wetland mitigation banks will provide some compensatory mitigation in advance of impacts to wetlands and will consolidate compensatory mitigation into larger contiguous areas for regionally significant ecological benefits.

(4) Wetland mitigation banks (banks) prioritize restoration of wetland functions and as such should be complementary to the restoration of ecosystems and ecosystem processes as identified in state or locally adopted science-based watershed management plans.

NEW SECTION

WAC 173-700-020 Purpose. (1) This rule is intended to facilitate wetland mitigation banking by providing an efficient, predictable statewide framework for the certification and operation of environmentally sound wetland mitigation banks. In addition, this rule sets out to accomplish the following:

- (a) Provide a systematic approach for reviewing and approving environmentally sound wetland mitigation banks;
- (b) Provide for the timely review of bank proposals;
- (c) Establish coordination among state and local agencies involved in the certification and approval of banks;
- (d) Avoid duplication with federal processes by encouraging early involvement with federal agencies; and
- (e) Provide incentives to encourage bank sponsors to locate and design banks that provide the greatest ecological benefits.

(2) The purpose of this rule is to support the establishment of wetland mitigation banks as an important tool for providing compensatory wetland mitigation by authorizing state agencies, local governments and private entities to achieve the goals of the authorizing statute, chapter 90.84 RCW.

NEW SECTION

WAC 173-700-030 Integrating banks with watershed planning. (1) This rule should facilitate the establishment

and operation of wetland mitigation banks that are integrated with local land-use plans and science-based watershed or subwatershed management plans.

(2) Local and state agencies are encouraged to use wetland mitigation banks as a useful tool for implementing watershed management plans. Wetland banks can restore habitats and functions that are priorities within the watershed.

(3) Wetland banks should experience an expedited review process when they are established as part of a science-based resource management program, which has been endorsed by state and federal resource agencies.

NEW SECTION

WAC 173-700-040 Applicability. This rule applies to private and public wetland mitigation banks established under chapter 90.84 RCW.

PART II DEFINITIONS

NEW SECTION

WAC 173-700-100 Definitions. "Aquatic resources" means those areas where the presence and movement of water is a dominant process affecting their development, structure, and functioning. Aquatic resources may include, but are not limited to, vegetated and nonvegetated wetlands or aquatic sites (e.g., mudflats, deepwater habitats, lakes and streams).

"As-built plans" means a document, that describes the physical, biological and, if required, the chemical condition of a compensatory bank site after complete implementation of each phase of an approved construction plan.

"Available credits" means those credits that have been released by the department and can be used. Available credits do not include credits that have been debited (used for a permit requirement) from the bank.

"Bank" or "wetland mitigation bank" means a site where wetlands are restored, created, enhanced, or in exceptional circumstances, preserved, expressly for the purpose of providing compensatory mitigation in advance of authorized impacts to aquatic resources.

"Bank instrument" means the documentation of agency and bank sponsor concurrence on the objectives and administration of the bank. The "bank instrument" describes in detail the physical and legal characteristics of the bank, including the service area, and how the bank will be established and operated.

"Bank sponsor" means any public or private entity responsible for establishing and, in most circumstances, operating a bank.

"Buffer" means those areas surrounding a bank site that enhance and protect a wetland's functions and values by maintaining adjacent habitat and reducing adverse impacts from adjacent land-uses.

"Compensatory mitigation" means the restoration, creation, enhancement or in exceptional circumstances, preservation of wetlands or other aquatic resources, or both, for the purpose of compensating for unavoidable adverse

impacts to wetlands or other aquatic resources which remain after all appropriate and practicable avoidance and minimization has been achieved.

"Consensus" means a process by which a group synthesizes its ideas and concerns to form a common collaborative agreement acceptable to all members. While the primary goal of consensus is to reach agreement on an issue by all parties, unanimity may not always be possible.

"Contingency actions" means actions taken during the operational life of a bank site to correct any deficiencies on the site in order for the site to attain the required performance standards.

"Cowardin class" means the classification of a wetland area as described in *Classification of Wetlands and Deepwater Habitats of the United States* USFWS publication FWS/OBS 79/31.

"Creation" means the establishment of wetland area, functions, and values in an area where none previously existed.

"Credit" means a unit of trade representing the increase in the ecological value of the site, as measured by acreage, functions, and values, or by some other assessment method.

"Debit project" means those projects that use credits from a wetland mitigation bank to fulfill regulatory requirements for compensation of impacts to aquatic resources. A debit project may require more than one regulatory approval under federal, state and local rules.

"Department" means the department of ecology.

"Ecoregions" means those areas that are considered to be regions of relative homogeneity in ecological systems or in relationships between organisms and their environments.

"Enhancement" means actions taken within an existing degraded wetland or other aquatic resource to increase or augment one or more functions or values. Enhancement can also include actions taken to improve the functions provided by a buffer or upland area.

"Financial assurance" means the money or other form of financial instrument (for example surety bonds, trust funds, escrow accounts, proof of stable revenue sources for public agencies) required of the sponsor to ensure that the functions of the subject bank are achieved and maintained over the long-term in accordance with the terms and conditions of the bank instrument.

"Function assessment" means an assessment of the degree to which a wetland is performing, or is capable of performing, specific wetland functions. Function assessments include the use of scientifically based quantitative and qualitative methods developed for assessing functions, as well as the use of best professional judgment for determining the degree to which a wetland or other habitat is performing, or is capable of performing, specific functions.

"Hydrogeomorphic (HGM) classification" means a wetland classification scheme that groups wetlands based on their geomorphic setting and water regime.

"Local jurisdiction" means any local government such as a town, city, or county.

"Mitigation" means sequentially avoiding impacts, minimizing impacts, and compensating for remaining unavoidable impacts to wetlands.

"Mitigation bank review team" or **"MBRT"** means an interagency group of federal, state, tribal and local regulatory and resource agency representatives that are invited to participate in negotiations with the bank sponsor on the terms and conditions of the bank instrument.

"Mitigation bank review team process" or **"MBRT process"** means a process in which the department strives to reach consensus with the MBRT members on the terms, conditions, and procedural elements of the bank instrument.

"Operational life" or **"operational life of a bank"** means the period during which the terms and conditions of the bank instrument are in effect. With the exception of arrangements for the long-term management, permanent protection, and financial assurances, the operational life of a mitigation bank terminates at the point when:

- Compensatory mitigation credits have been exhausted and the debited bank is determined to be functionally mature and self-sustaining to the degree specified in the bank instrument; or

- The bank sponsor voluntarily terminates the banking activity with written notice to the department.

"Performance standards" are measurable benchmarks for a specific project objective. Performance standards are usually designed to allow evaluation of the development of ecological characteristics associated with specific wetland functions.

"Potential credits" mean the credits anticipated to be provided at a bank site, but which are not available for use. Once potential credits are released by the department, they convert to available credits.

"Practicable" means available and capable of being done after taking into consideration cost, existing technology, and logistics in light of overall project purposes.

"Preservation" means the permanent protection of ecologically important wetlands or other aquatic resources through the implementation of appropriate legal and physical mechanisms. Preservation may include protection of upland areas adjacent to wetlands as necessary to ensure protection or enhancement of the aquatic systems, or both.

"Prospectus" is the conceptual proposal for a mitigation bank project.

"Restoration" means actions taken to intentionally reestablish wetland area, function and values at a site where wetlands previously existed, but are no longer present because of the lack of water or hydric soils. Restoration can also include the reestablishment of historic wetland HGM classes on sites that have been altered due to human activities to a different HGM class, and which are significantly degraded with low levels of functions and values.

"Service area" means the designated geographic area in which a bank can reasonably be expected to provide appropriate compensation for unavoidable impacts to wetlands.

"Signatories" means those entities that have documented their approval of the terms and conditions of the bank instrument through their signature on the bank instrument.

"Sustainability" means the ability of the aquatic system to be self-maintaining and self-regulating. Sustainable bank sites must have sufficient buffer areas to protect the site from degradations due to activities on adjacent lands.

"Unavoidable" means adverse impacts that remain after all appropriate and practicable avoidance and minimization have been achieved.

"Water resource inventory areas" or **"WRIA"** refers to the sixty-two water resource divisions of the state as described in chapter 173-500 WAC, Water resources management program established pursuant to the Water Resources Act of 1971, as amended.

"Wetland" or **"wetlands"** means areas that are inundated or saturated by surface water or ground water at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas.

"Wetland mitigation bank" or **"bank"** means a site where wetlands are restored, created, enhanced, or in exceptional circumstances, preserved, expressly for the purpose of providing compensatory mitigation in advance of authorized impacts to aquatic resources.

PART III CERTIFICATION PROCESS

NEW SECTION

WAC 173-700-200 How does certification relate to other rules? (1) Many federal, state and local laws and rules and treaty rights relate to the establishment of a compensatory wetland mitigation bank.

(2) Mitigation banks certified under this rule must be consistent with existing federal, state and local laws and rules.

(3) Certification of a wetland bank does not serve as authorization for other federal, state or local permits or approvals.

(4) Mitigation bank review team (MBRT) members shall advise the bank sponsor of pertinent federal, state or local rules that may apply to a specific bank proposal and that may delay the certification process.

NEW SECTION

WAC 173-700-201 Why have a certification process? The department must certify banks to ensure that they are technically feasible, environmentally sound, and in compliance with this rule.

NEW SECTION

WAC 173-700-202 Overview of the wetland mitigation bank certification process. (1) The certification process for wetland mitigation banks contains two parts. The first part is a preapplication process followed by a formal application process.

(2) The *preapplication process* begins when a bank sponsor submits a prospectus to the department.

(3) The department convenes a mitigation bank review team (MBRT) after determining that the prospectus contains sufficient information.

(4) The MBRT reviews and evaluates the bank prospectus and provides comments to the bank sponsor on the proposed bank.

(5) The bank sponsor develops a bank instrument using the comments provided by the MBRT on the prospectus.

(6) The **formal application process** begins when the bank sponsor submits a certification application and bank instrument to the department.

(7) The department determines if the application is complete.

(8) The department reconvenes the MBRT to review the complete application.

(9) The department begins the public comment period under WAC 173-700-232.

(10) The department issues a certification decision and notifies the local jurisdiction(s) in which the bank is located of that decision.

(11) The local jurisdiction(s) reviews the certification decision and determines whether it concurs with the department's decision.

(12) **Certification is complete** when the department, the local jurisdiction(s), and the bank sponsor all sign the bank instrument.

NEW SECTION

WAC 173-700-203 Decision-making procedure. (1) All decisions rendered by the department must fully consider MBRT and public comments submitted as part of the certification evaluation process.

(2) The MBRT shall strive to achieve *consensus* on the terms and conditions of bank instruments.

(3) If the department determines that consensus cannot otherwise be reached on any term, condition, or procedural element of the bank instrument within a reasonable time frame, the department shall be responsible for making final decisions regarding the terms and conditions of the bank instrument.

(4) Advisory members of the mitigation bank review team may participate in MBRT discussions, however they may not participate in the decision making of the MBRT. See WAC 173-700-732.

NEW SECTION

WAC 173-700-204 Dispute resolution. (1) In the event that the MBRT is unable to reach consensus on any element of the bank certification, the department shall initiate the dispute resolution procedure under WAC 173-700-205.

(2) The department shall make every effort to resolve disputes within the MBRT forum before the conflict is elevated to the program manager of the department's shorelands and environmental assistance program.

NEW SECTION

WAC 173-700-205 Dispute resolution procedure. The department shall use the following dispute resolution procedure for resolving concerns from members of the MBRT.

(1) The MBRT member(s) who has concerns with a particular decision or element of a bank certification shall submit the concern and accompanying rationale in writing to the chair(s) of the MBRT.

(2) The chair(s) of the MBRT shall outline the majority position on the area of concern and shall work with the MBRT member(s) to develop potential solutions to the member's concerns.

(3) The chair(s) of the MBRT shall present potential solutions to the MBRT and the MBRT shall work to resolve the concern.

(4) In the event that the MBRT is unable to resolve the concern, the MBRT member with the concern shall secure and pay for a facilitator to assist the MBRT in resolving the conflict.

(5) In the event that the MBRT is still unable to reach consensus, the MBRT member with the concern may request, through written notification, that the department's program management reviews the issue. Such a notification must include:

- (a) A detailed description of the issue; and
- (b) Recommendations for resolution.

(6) The written notification must be directed to the program manager of the shorelands and environmental assistance program or the program manager's designee. Within twenty days of receipt of a notification, the program manager, or its designee, shall contact the MBRT member and shall make a final decision. The resolution shall be forwarded to the other MBRT members.

NEW SECTION

WAC 173-700-220 Preapplication process. (1) The bank sponsor must submit a prospectus, consistent with the requirements in WAC 173-700-223, to the department.

(2) The department must determine whether the prospectus contains enough information to form a mitigation bank review team (MBRT).

(a) If the department determines that the prospectus is not sufficient, the department shall notify the bank sponsor and identify any additional information necessary to complete the prospectus.

(b) If the department determines that the prospectus is sufficient, the department shall notify the local jurisdiction(s) and invite it to cochair the MBRT.

(c) If the prospectus is sufficient, the department must invite representatives from the appropriate federal, state and local regulatory and resource agencies, and tribes to participate on the MBRT. The department may invite advisory members to the MBRT under WAC 173-700-732.

(3) The bank sponsor must send the department enough copies of the prospectus for all of the members of the MBRT.

(4) At least two weeks before a MBRT meeting, the department must send the prospectus to all agencies and tribes participating on the MBRT.

NEW SECTION

WAC 173-700-221 MBRT review of the prospectus. (1) The MBRT shall strive to meet within sixty days of when the department notifies it of a new bank prospectus.

(2) The MBRT must meet to evaluate the technical and regulatory feasibility of a prospectus.

(3) The members of the MBRT shall provide comments to the department and the bank sponsor on the bank prospectus. Comments should include:

- (a) The technical feasibility of the bank proposal;
- (b) Its compliance with existing rules and ordinances;
- (c) Any applicable permits or authorizations necessary for bank construction; and
- (d) Any additional information necessary for the draft bank instrument, such as supporting studies and other documentation.

(4) The bank sponsor must use the comments received from the MBRT to develop a bank instrument, which is consistent with the requirements in WAC 173-700-240 and 173-700-241.

(5) After completing the bank instrument, the sponsor may formally apply for wetland bank certification under WAC 173-700-230.

NEW SECTION

WAC 173-700-222 Purpose of the prospectus. (1) The purpose of the prospectus is to provide a conceptual plan for a wetland mitigation bank proposal.

(2) The prospectus initiates dialogue with the department and MBRT members on a proposed bank.

(3) A prospectus must contain sufficient information to allow the department and the MBRT to provide feedback to the bank sponsor on whether the bank project is technically feasible and complies with existing state and local rules. Necessary information includes discussions of the proposed goals and objectives, the construction, and operation of the proposed bank.

NEW SECTION

WAC 173-700-223 Content of the prospectus. At a minimum, the prospectus must contain information on the following elements:

- (1) The goals and objectives of the project;
- (2) Site location information, including a detailed map with sufficient information to accurately identify site location, such as legal description and proximity to existing roads;
- (3) The rationale for site selection addressing the considerations listed in WAC 173-700-320;
- (4) A description of existing conditions of the proposed site(s) including, but not limited to:
 - (a) Land ownership;
 - (b) The landscape position of the site;
 - (c) Site size;
 - (d) Wetlands present on the site;
 - (e) Other habitat types present on the site;
 - (f) Available information on water sources, soils, and vegetation; and
- (5) A preliminary analysis of functions provided by on-site wetlands;
- (6) Conceptual site design, including, but not limited to:
 - (a) Proposed types and approximate sizes of wetlands;

(b) Other proposed habitat types to be provided on the site; and

(c) Proposed functions that the bank is anticipated to provide;

(6) Potential adverse impacts to aquatic resources or other habitats from bank construction;

(7) Proposed service area and accompanying rationale that demonstrates that the service area is ecologically appropriate;

(8) Anticipated potential credits to be generated by the bank;

(9) Discussion of whether water rights have been applied for or secured for the site, if needed;

(10) Demonstration of adequate financial resources for the construction, operation, and long-term management of the bank site; and

(11) Description of proposed permanent protection mechanism, such as a conservation easement.

NEW SECTION

WAC 173-700-224 Optional MBRT preapplication meetings. (1) If a bank sponsor wants assistance from the MBRT during the drafting of a bank instrument, the bank sponsor may request that the department schedule an additional meeting(s) with the MBRT.

(2) If additional meetings are requested, the bank sponsor must submit to the department a draft bank instrument, consistent with the requirements of WAC 173-700-241, and sufficient copies of the instrument for distribution to the MBRT members.

(3) The department must reconvene the MBRT if:

(a) The sponsor requests another meeting with the MBRT;

(b) The bank sponsor submits a complete draft bank instrument with sufficient copies for the MBRT members to the department; and

(c) The department determines that the new draft bank instrument warrants another meeting with the MBRT.

(4) The MBRT shall provide comments to the department and the bank sponsor regarding any terms and conditions required for the bank instrument.

NEW SECTION

WAC 173-700-230 Formal application phase. (1) The bank sponsor shall submit a complete certification application to the department.

(2) A complete application consists of the following:

(a) A completed wetland bank certification application form;

(b) A draft bank instrument consistent with the requirements of WAC 173-700-241;

(c) A completed checklist under chapter 43.21C RCW, the State Environmental Policy Act;

(d) A joint aquatic resources permit application (JARPA), if necessary; and

(e) Other supporting information as required by the department through the MBRT process. This supporting information may include, but is not limited to:

(i) Financial assurance documents;

- (ii) Legal mechanisms for the permanent protection of the bank site; and
- (iii) Hydrologic and other ecological studies.

NEW SECTION

WAC 173-700-231 What happens after an application is submitted? (1) After receiving the application, the department shall determine whether the application is complete.

(a) If the department determines that the application is not complete, the department shall notify the bank sponsor of its determination and identify any additional information that is necessary to complete the application.

(b) If the department determines that the application is complete, the department shall notify the bank sponsor of its determination and assign a bank application number to the application.

(2) After the department notifies the bank sponsor that the application is complete, the bank sponsor must submit to the department sufficient copies of the draft bank instrument for distribution to MBRT members.

NEW SECTION

WAC 173-700-232 Review of the application. (1) Upon determining the application is complete and after receiving sufficient copies of the bank instrument from the bank sponsor, the department must notify and reconvene the MBRT.

(2) After determining that the application is complete, the department must also initiate the public notification, review, and comment process under WAC 173-700-252 through WAC 173-700-255.

(3) The MBRT shall review the draft bank instrument and provide comments to the department and the bank sponsor on the technical requirements, terms, and conditions of the proposed certification.

NEW SECTION

WAC 173-700-233 Department's certification decision. (1) After the public comment period closes and the MBRT has concluded the review of the proposal, the department must:

(a) Notify the bank sponsor of all recommendations and comments received from the MBRT and the public;

(b) Identify any additional information that the sponsor must submit in order for the department to make a certification decision; and

(c) Identify additional terms and conditions required as part of the certification.

(2) If the department requests additional information:

(a) The certification process shall stop until the information is received and approved by the department; and

(b) The department may reconvene the MBRT or reopen the public comment period if the department determines that the bank instrument has changed substantially.

(3) After review of the application is complete, the department shall issue a certification decision.

(4) The department shall indicate its approval of certification by signing the bank instrument. After signing the bank instrument, the department must notify the local jurisdiction and request its concurrence on the certification.

(5) If the application is denied, the department must send a notification to the bank sponsor and to the local jurisdiction in which the proposed bank is located. The notification must state the reasons for denial.

NEW SECTION

WAC 173-700-234 Local jurisdiction's certification decision. (1) After receipt of the department's decision to approve certification, the local jurisdiction(s) in which the bank will be located shall review the certification decision.

(2) If the local jurisdiction(s) concurs with the bank certification, it must sign the bank instrument.

(3) If the local jurisdiction(s) does not concur with the certification, the local jurisdiction must send a notification to the bank sponsor and the department of its decision. The notification must state the reasons for the local jurisdiction's nonconcurrence.

(4) If the local jurisdiction(s) does not concur with the certification, the department may not certify the bank.

NEW SECTION

WAC 173-700-235 Signatories of the bank instrument. (1) A bank instrument must contain signatures from the department, the local jurisdiction(s) in which the bank will be located, and the bank sponsor for certification to be complete.

(2) No agency, except for the department and the local jurisdiction in which the bank is located, is required to sign a bank instrument in order for certification to be complete. However, MBRT member agencies and tribes are encouraged to sign a bank instrument to document their concurrence with the terms and conditions of the certification.

(3) If any other agency or tribe signs the bank instrument, it shall signify that entity's concurrence with the terms of the bank instrument.

NEW SECTION

WAC 173-700-240 The bank instrument. (1) A bank instrument details all of the physical characteristics, legal obligations, operational procedures, monitoring, and maintenance requirements for a wetland mitigation bank.

(2) Requirements for bank instruments vary based on the specific conditions of the bank site and should be developed in cooperation with the MBRT.

(3) The bank sponsor must develop the bank instrument using feedback from the MBRT on the prospectus and, if applicable, MBRT comments on a preliminary draft bank instrument.

NEW SECTION

WAC 173-700-241 Contents of the bank instrument. The minimum elements required in the bank instrument are:

(1) A statement of bank goals and objectives;

PROPOSED

(2) Documentation of the ownership of bank lands, including a legal description and map of the bank site and surrounding areas;

(3) A detailed description of bank sponsor responsibilities for construction implementation, monitoring and reporting, maintenance, and credit tracking and reporting;

(4) A description and map of the geographic service area;

(5) The potential number of credits to be generated by the bank and a credit description consistent with WAC 173-700-350;

(6) A description of the types of impacts to wetlands or other aquatic resources suitable for compensation and any restrictions on uses of credits;

(7) A detailed description of the proposed bank including, but not limited to:

(a) The bank size;

(b) The landscape position of the site;

(c) The Cowardin and HGM classes and sizes of wetlands and aquatic resources proposed for the bank;

(d) A description of the buffers for the site and any other habitats provided on the site;

(e) The functions and values to be provided by the bank;

(f) Detailed site design plans and specifications to include grading plans, planting plans, and specifications for any structures; and

(g) Construction timing and schedules;

(8) A description of existing ecological baseline conditions at the bank site, including supporting documentation requested by the department, through the MBRT process. The description must include, at a minimum:

(a) Technical data on water sources and soils;

(b) Wetlands present on the site;

(c) Other habitat types present on the site;

(d) Existing vegetation communities; and

(e) Analysis of functions provided by on-site wetlands;

(9) Documentation of water rights for the proposed bank, if required;

(10) Credit tracking and accounting procedures, including reporting requirements;

(11) Performance standards for determining credit release and bank success, including a schedule for the phased release of credits;

(12) Reporting protocols and monitoring plan, including a clear statement of responsibility for conducting monitoring and for reporting;

(13) A contingency plan and statement of responsibility for contingency actions;

(14) Appropriate financial assurances;

(15) Provisions for short-term and long-term management and maintenance, including a description of anticipated management and maintenance activities;

(16) Provisions for permanent protection of the property on which the bank will be located; and

(17) Force Majeure Clause (identification of sponsor responsibilities in the event of catastrophic events that are beyond the sponsor's control).

NEW SECTION

WAC 173-700-250 Public involvement. It is the department's goal to ensure that accurate certification information is made available to the public in a timely manner, and to avoid duplicative processes for public involvement.

NEW SECTION

WAC 173-700-251 Public outreach. Applicants are strongly encouraged to solicit public input during the pre-application phase of bank certification.

NEW SECTION

WAC 173-700-252 Joint public notices. (1) The department shall use existing public processes, whenever possible, to obtain public comment on a proposed bank certification. When an existing process is available to solicit public comment on a certification, the department shall strive to provide a joint public notice.

(2) The public notice for bank certification must include the information under WAC 173-700-253 and 173-700-254.

(3) When an existing public notification process for the proposal is not available, the department shall issue a public notice on the proposed bank certification under WAC 173-700-253 through 173-700-255.

NEW SECTION

WAC 173-700-253 Notifying the public of certification applications. The department must notify the public of an application for certification. Public notice for the wetland bank certification shall include:

(1) Name and address of the department staff contact for information on the certification application;

(2) Name and address of the bank sponsor;

(3) A description of the bank proposal including, but not limited to, the following information:

(a) The location of the proposed bank site;

(b) The types of wetlands to be restored, enhanced, created or preserved on the bank site;

(c) The number and types of credits proposed;

(d) The service area proposed for the bank; and

(e) The credit release schedule proposed for the bank;

(4) Name, address, and telephone number of a person from whom interested persons may obtain further information, such as copies of the application, the draft bank instrument and supporting materials; and

(5) A brief description of the comment procedures, including:

(a) The time and place of any hearings scheduled for the certification;

(b) Where comments should be sent;

(c) The closing date for receiving comments; and

(d) The procedures to request a hearing.

NEW SECTION**WAC 173-700-254 Who is notified of an application?**

At a minimum, the department shall notify the following members of the public of the application for certification:

(1) Local and tribal governments located within the proposed service area, other interested persons and organizations that have requested information on wetland bank certifications, and all others deemed appropriate by the department;

(2) The latest recorded real property owners located within three hundred feet of the boundaries of the property upon which the wetland bank site is proposed, as shown by the records of the county treasurer; and

(3) The general public within a bank's proposed service area through:

(a) A published notice in a newspaper of general circulation in the service area of the proposed bank and in other counties as deemed appropriate; and

(b) A notice posted in a conspicuous manner on the property upon which the proposed bank is to be located.

NEW SECTION**WAC 173-700-255 Length of comment period.** (1)

The department must provide at least thirty days for the public comment.

(2) Wetland banks that require an environmental impact statement may need longer comment periods.

(3) The comment period may be extended if the department holds a public hearing for a wetland bank proposal.

NEW SECTION**WAC 173-700-256 Requesting a public hearing.** (1)

The bank sponsor, any interested government entity, any group or any person may request, in writing, a public hearing on the bank certification.

(2) The request must be received by the department before the end of the comment period specified on the public notice.

(3) Any request for a public hearing shall indicate the interest of the party filing it and why a hearing is warranted.

NEW SECTION**WAC 173-700-257 When is a public hearing held?**

(1) The department shall determine, in its sole discretion, if significant public interest exists to hold a public hearing.

(2) The department shall provide at least fourteen calendar days prior notice of any hearing.

NEW SECTION

WAC 173-700-258 Public records. (1) The department must make available for public inspection the certification application, draft bank instrument and other supporting materials.

(2) The department shall keep a record of the comments received by the department and issues raised during the public participation process on the bank certification. Those records are available to the public.

(3) The department may not render a certification decision until the public comment period is complete.

PART IV**BANK ESTABLISHMENT - TECHNICAL REQUIREMENTS**NEW SECTION**WAC 173-700-300 Ecological design incentives.** (1)

One of the goals of the wetland banking certification program is to encourage banks that provide significant ecological benefits. In order to achieve this, incentives have been built into the certification and bank establishment process to encourage the siting and designing of banks that provide significant ecological benefits.

(2) The incentives include, but are not limited to, more favorable credit conversion rates, higher releases of credits, and larger service areas. For each of these elements, banks that satisfy more of the decision-making criteria or that satisfy those criteria to a higher degree generally receive more favorable conditions. The department, through the MBRT process, shall make decisions regarding the application of specific incentives on a case-by-case basis.

(3) Bank sponsors should consult the following sections of this rule for criteria that the department shall use for its decision making:

(a) Determining the amount of credit generated by a bank site under WAC 173-700-355 and 173-700-357;

(b) The designation of service areas under WAC 173-700-311; and

(c) The scheduling of credit releases under WAC 173-700-372 through 173-700-375.

(4) The department shall encourage, with better credit conversion rates, banks that include restoration of wetland systems and banks that provide significant habitat value because they provide connections or corridors to other natural areas.

NEW SECTION

WAC 173-700-310 Service area. (1) The department, through the MBRT process, must determine the appropriate service area for proposed banks.

(2) The bank sponsor must describe and include a map of the bank's proposed service area in the draft bank instrument.

(3) The extent of the service area must be based on the functions provided by the bank and the distance from the bank site that the ecological functions can reasonably be expected to compensate for impacts to wetlands. The department must consider the hydrologic and biotic criteria as identified in WAC 173-700-311 when designating a service area.

NEW SECTION

WAC 173-700-311 Criteria for determining service area size. The size of a service area must be determined based on the following elements:

(1) The functions provided by the bank;

(2) Whether and how far the ecological and hydrological benefits of the bank extend beyond the bank site location;

- (3) The landscape position of the bank site within the watershed;
- (4) The WRIA in which the bank is located;
- (5) The ecoregion in which the requested service area is located;
- (6) The ecological sustainability of the bank site;
- (7) The quality, diversity, and regional significance of the habitats provided;
- (8) Local needs and requirements, such as consistency with land-use or watershed management plans;
- (9) Consideration of the types of impacts to wetlands or other aquatic resources that may be compensated through the use of credits from the banks; and
- (10) Available information on baseline conditions in the requested service area such as that found in watershed management plans, function assessments, wetland mapping or inventories, storm water management plans, and comprehensive land use plans.

NEW SECTION

WAC 173-700-320 Site selection. (1) Mitigation banks must be planned and designed to be self-sustaining over time. The department and the MBRT shall carefully consider ecological sustainability and suitability when determining if a site is an appropriate location for a mitigation bank.

- (2) Considerations shall include, but are not limited to:
 - (a) Whether the site includes areas that can be restored to wetland conditions;
 - (b) Whether the site possesses the physical, chemical and biological characteristics to support the bank goals and objectives;
 - (c) Whether the size and location of the bank is appropriate relative to the ecological features found at the site, such as sources of water;
 - (d) If the bank sponsor has obtained any necessary water rights for the site, if necessary;
 - (e) The wetland functions and values that the site has the potential to provide;
 - (f) Whether the bank site can provide increased or improved wetland functions and restore ecological processes within the basin or the watershed;
 - (g) If the bank site has a high potential to connect or complement existing wetlands;
 - (h) The types of unavoidable impacts that are anticipated to use bank credits for compensatory mitigation;
 - (i) Whether the site and bank objectives are compatible with surrounding land uses lying both up and down gradient;
 - (j) Whether the bank site can be protected over time from direct, indirect, and cumulative impacts due to current and foreseeable future land uses;
 - (k) Whether the bank site is consistent with existing planning documents, such as watershed, zoning, or comprehensive land-use plans and critical areas rules;
 - (l) Whether the bank site contributes to the improvement of identified management problems within the drainage basin or watershed, such as sedimentation, water quality degradation, or flood control;
 - (m) What the historical land uses were at that site;

- (n) The presence and quantity of invasive species on the site;
- (o) The existence of a native seed bank on the site;
- (p) Whether the process of establishing the bank at the site will compromise ecologically significant aquatic or upland resources, cultural sites, or habitat for threatened, endangered, or candidate species; and
- (q) The degree of long-term maintenance necessary for the site.
- (3) The establishment and use of mitigation banks in or adjacent to areas of national, state, or regional ecological significance is encouraged if the establishment and operation of the mitigation bank does not compromise the protection or functioning of the ecologically significant areas.

NEW SECTION

WAC 173-700-330 Assessment of wetland functions.

- (1) The sponsor must assess the ecological functions provided by the bank site based on a method specified in the bank instrument.
- (2) The department may require a sponsor to use either a "best professional judgment" method for assessing wetland functions or a "specific regional function assessment" method.

NEW SECTION

WAC 173-700-340 Minimum buffers.

- (1) The department, through the MBRT process, must determine a minimum buffer necessary for each bank. The minimum buffer for a bank must be sufficient to protect and enhance the functions at the bank.
- (2) The department must consider the following criteria when it determines a minimum buffer for a bank:
 - (a) The quality of the wetlands in the bank and the level of sensitivity of the wetlands to off-site activities;
 - (b) The functions to be provided by the bank;
 - (c) The quality of the buffer (existing conditions and proposed conditions);
 - (d) The functions that the buffer needs to provide; and
 - (e) The intensity of adjacent land uses.
- (3) Minimum buffers shall generally range between fifty and three hundred feet in width.
- (4) The minimum buffer does not generate credit.
- (5) The bank sponsor must provide at least the minimum buffer required by the department.

NEW SECTION

WAC 173-700-350 Credit description. The bank sponsor must provide a description of what the bank credits represent in the bank instrument.

- (1) For credits determined using a conversion rate under WAC 173-700-353, the bank sponsor shall describe the credits in terms of acreage of: The wetland rating category; hydrogeomorphic (HGM) class, and Cowardin class of wetland. The credit description must list the ecological functions provided by the bank.
- (2) For credits determined using an alternative method under WAC 173-700-359, the bank sponsor shall describe, in

the bank instrument, the method used to determine the credits and what the credits represent.

NEW SECTION

WAC 173-700-351 Types of credits. (1) There are three stages in the life of a mitigation bank credit:

- (a) Potential credit;
- (b) Available credit; and
- (c) Debited credit.

(2) Credits are initially called potential credits because while they are anticipated to be generated by the bank, they do not actually exist until the bank meets specific performance standards. After a bank attains the performance standards specified in the bank instrument and the department releases a potential credit, then that credit becomes an available credit.

(3) Only available credits can be used to meet permit requirements.

NEW SECTION

WAC 173-700-352 Determination of credits. (1) Credits may be generated at a bank site through the restoration, creation, enhancement, or preservation of wetlands or a combination thereof.

(2) Preservation alone may generate credits under WAC 173-700-360.

(3) Buffer areas, beyond the minimum required under WAC 173-700-340, and upland habitats may generate credits to the extent that those areas contribute to the overall ecological functioning and sustainability of the bank.

(4) The department must give priority to the restoration of degraded or former wetlands when determining credits.

(5) The method for credit determination must be the same for the life of the bank.

(6) Debits and credits must be determined using the same method and be in the same unit of "currency."

NEW SECTION

WAC 173-700-353 Default method for determining credits. (1) The department shall use acreage of wetland as the default credit unit for calculating credits at a bank site.

(2) The department, through the MBRT process, shall determine the number of potential credits at a bank using a credit conversion rate.

(3) The credit conversion rate uses a ratio of acre-credits generated at the bank site to acres of activity such as restoration, creation, enhancement or preservation:

(Acre-credit: Acres of activity).

(4) Except as provided in WAC 173-700-358, the department must determine the credit conversion rates for individual banks from within the ranges specified in this subsection.

(5) This section and WAC 173-700-354 through 173-700-358 do not apply to banks using an alternative method to determine credits under WAC 173-700-359.

NEW SECTION

WAC 173-700-354 Wetland credit conversion rates. The ranges for establishing conversion rates for wetland areas are as follows:

If the mitigation activity is:	The conversion rate can range from: Acre-credit : Acre mit. activity
Restoration	1:1 to 1:2
Creation	1:1 to 1:5
Enhancement	1:2 to 1:6
Preservation: In combination with restoration or creation of wetlands	1:2 to 1:10
Preservation alone	1:5 to 1:20

NEW SECTION

WAC 173-700-355 Criteria for determining conversion rates for wetlands. Unless an alternate credit determination method is used under WAC 173-700-359, the department, through the MBRT process, shall use the following criteria to determine specific conversion rates for wetlands on a bank site:

- (1) The anticipated net gains in wetland functions at the bank site;
- (2) The quality of the wetlands and habitats at the bank site;
- (3) The rarity of the wetlands and habitats at the bank site;
- (4) The degree to which the bank provides functions that are degraded or limited in a watershed;
- (5) The habitat value of the bank site;
- (6) The site's contribution to the protection or recovery, or both, of state or federally listed threatened or endangered species, protection of state priority species and habitats, and locally significant habitats;
- (7) The size, quality, and functioning of the buffers for the site;
- (8) The degree of connectivity to other habitats and open space areas;
- (9) The likelihood of the successful implementation of the site design and successful performance of the targeted wetland functions;
- (10) The quality of supporting information provided; and
- (11) Public education and access, if ecologically appropriate.

NEW SECTION

WAC 173-700-356 Conversion rates for uplands and buffer areas. (1) Buffers provided above and beyond the minimum buffer required under WAC 173-700-340 are eligible to generate credit. Such buffer areas are called eligible buffers.

(2) Eligible buffers and other upland habitats may generate credits at a conversion rate from 1:5 to 1:20.

PROPOSED

NEW SECTION

WAC 173-700-357 Criteria for determining conversion rates for uplands and eligible buffer areas. Unless an alternate credit determination method is used under WAC 173-700-359, the department, through the MBRT process, shall use the following criteria to determine specific conversion rates for uplands and eligible buffers on a bank site:

- (1) Degree of contribution to the ecological functioning of the bank;
- (2) The adequacy of the area to perform the desired function(s);
- (3) Adjacent land uses including foreseeable future land uses; and
- (4) Connectivity to other habitats and open space areas.

NEW SECTION

WAC 173-700-358 Exceptions to credit conversion ranges. (1) The department, through the MBRT process, may allow a conversion rate for wetlands or nonwetland areas that are outside of the ranges specified in WAC 173-700-354 and 173-700-356.

- (2) All exceptions for credit conversion rates authorized by the department must be:
 - (a) Made on a case-by-case basis, considering the specific circumstances of a bank; and
 - (b) Based on ecological considerations.

NEW SECTION

WAC 173-700-359 Using an alternative method to calculate credits. The department may allow the use of an alternative method to determine credits so long as:

- (1) The department, through the MBRT process, approves of the method;
- (2) The method is applicable and appropriate for the Pacific Northwest;
- (3) The method is applicable for use on projects debiting from the bank; and
- (4) The same method is applied to the bank throughout the operational life of the bank.

NEW SECTION

WAC 173-700-360 Credits for preservation. (1) Preserving wetlands or associated uplands may generate credit when the preservation occurs in conjunction with the restoration, enhancement, or creation of a wetland.

(2) Preservation of wetlands as the sole means of generating credits may be approved in exceptional circumstances by the department, through the MBRT process if:

- (a) The area proposed for preservation is a high quality system; and
- (b) The area proposed for preservation is at risk because the wetland is under demonstrable threat of loss, or substantial degradation, due to human activities that might not otherwise be expected to be restricted.

NEW SECTION

WAC 173-700-361 Determining high quality wetland systems. (1) The department shall determine whether a site is a high quality system for preservation when the preservation is the only credit-generating activity in a bank.

(2) The factors that the department must consider in making this determination include whether the wetland:

- (a) Has a Category I or II wetland rating (Category III only in exceptional cases);
- (b) Is a rare wetland type;
- (c) Provides habitat for threatened or endangered species;
- (d) Is located in a floodway, or in a portion of a floodplain that is documented as a frequently flooded area, or is providing flood retention and storage;
- (e) Provides biological or hydrological connectivity or both;
- (f) Is of high regional or watershed importance, such as listed as a priority site in a watershed plan; or
- (g) Contains high native species diversity.

NEW SECTION

WAC 173-700-370 Schedule for the release of credits. (1) Releases of credits must be tied to the attainment of performance standards (see WAC 173-700-380) specified in the bank instrument.

(2) The department, through the MBRT process, shall determine a schedule for the release of credits at individual banks.

(3) The department must determine the number of credits to be released when the bank attains specific performance standards.

(4) The department shall base the number of credits to be released on, but not limited to, the following criteria:

- (a) The amount of ecological gain at the time of the release;
- (b) The bank sponsor's experience and success with similar types of wetland projects;
- (c) The expected length of time necessary to achieve project goals for wetland function performance and wetland types; and
- (d) The possibility of design failure.

(5) The bank sponsor shall include in the bank instrument the schedule for release of credits at the attainment of specific performance standards, and the amount of credit available for each release.

NEW SECTION

WAC 173-700-371 Limits on credit releases. (1) The credit-release schedule and amount of credits eligible for release may not exceed the maximum amounts under WAC 173-700-372 through 173-700-375.

(2) The department must release credits when it concurs that the bank has attained all of the performance standards required for a specific release.

(3) The maximum percentages of credits able to be released under WAC 173-700-372 through 173-700-374 do not include credits generated by preservation of wetlands.

(4) The department, through the MBRT process, may release potential credits generated by the preservation of existing wetlands or aquatic resources after the minimum requirements specified in WAC 173-700-372 have been met.

NEW SECTION

WAC 173-700-372 Credit release—Preconstruction.

(1) The department, through the MBRT process, must determine if it is appropriate to allow credits to be released from a wetland mitigation bank before a bank is constructed. The department must determine whether to allow preconstruction releases of credits on a case-by-case basis, which considers the particular ecological and economic circumstances of each bank.

(2) Initial physical and biological improvements must be completed within one year following the initial release of credits.

(3) The following criteria must be met prior to any release of credits:

- (a) The bank instrument is signed and approved;
- (b) The permanent protection mechanism and financial assurances are established; and
- (c) Ownership of the bank site is secured.

NEW SECTION

WAC 173-700-373 Credit release—After construction. (1) Up to forty percent of the total potential credits may be released when the department, in consultation with signatory agencies, approves:

(a) The complete implementation of construction plans; and

(b) The as-built condition of the bank.

(2) Approval of the as-built condition of a bank includes the following steps:

(a) The bank sponsor must submit, to the department, the final as-built plans that reflect the final grading and planting of the bank site, and sufficient copies of the final as-built plans for the bank's signatories;

(b) The department must review the final as-built plans;

(c) The department, or its designee, must inspect the as-built condition of the bank. The department shall invite the bank's signatories and other interested members of the MBRT to inspect the as-built condition of the bank; and

(d) If the department approves of the as-built plans and the constructed condition of the site, then the department must release the amount of credit specified in the bank instrument.

NEW SECTION

WAC 173-700-374 Credit release—Attainment of hydrologic performance standards. (1) Up to fifty percent of total potential credits may be released when the department, in consultation with signatory agencies, determines that the hydrologic performance standard(s), at a minimum, has been attained.

(2) The department, through the MBRT process, may require that additional performance standards be met prior to releasing up to fifty percent of the total potential credits.

NEW SECTION

WAC 173-700-375 Credit release—Final release. (1) The department may not release all of the potential credits until the bank has fully attained all of the performance standards specified in the bank instrument.

(2) After a bank site has successfully attained all of its performance standards and the department concurs that all performance standards have been attained, the department must release all remaining potential credits.

NEW SECTION

WAC 173-700-376 Additional credit releases. (1) Releases of credits earlier than those specified in the bank instrument may be approved by the department, in consultation with the signatories, as long as the maximum percentages for the release of potential credits specified in WAC 173-700-372 through 173-700-375 are not exceeded.

(2) Earlier releases of credits may be warranted if the department, in consultation with the signatories, requests the sponsor to perform actions beyond those identified in the bank instrument in order to increase the projected functions of the site. Implementation of management activities that are necessary to attain the performance standards required in the bank instrument are not included.

(3) An addendum to the bank instrument shall document any deviation from the credit release schedule.

NEW SECTION

WAC 173-700-380 Performance standards. (1) The bank sponsor must specify the bank's performance standards in the bank instrument.

(2) Performance standards must be based on the objectives and goals of the bank identified in the bank instrument and linked to a specific objective.

(3) Performance standards must identify measurable values for variables linked to specific objectives.

(4) The department, through the MBRT process, may require multiple years of monitoring data to document the sustainable attainment of specific performance standards, particularly hydrologic performance standards.

(5) A bank is considered fully successful when all of the performance standards specified in the bank instrument have been attained.

NEW SECTION

WAC 173-700-390 Financial responsibility. (1) Certification of a wetland mitigation bank under this rule does not imply or guarantee the financial viability of the wetland mitigation bank.

(2) Bank sponsors are responsible for conducting any financial studies prior to implementation of a bank instrument to determine the financial risks and potential economic viability of the bank.

(3) The department may not consider the economic standing or condition of a bank when implementing mitigation sequencing, determining unavoidable impacts, or evaluating compensation alternatives for debit projects.

NEW SECTION

WAC 173-700-391 Financial assurances. (1) The department, through the MBRT process, must require that financial assurances be posted to ensure that the potential risks to the environment from unsuccessful mitigation banks are minimized.

(2) The department must determine the amount of financial assurances required on a bank-specific basis.

(3) The amount of financial assurances required by the department must be commensurate with the degree of risk of bank failure and the nature and extent of site alteration and development.

(4) The department may reduce the amounts of posted financial assurances over the operational life of the bank as the bank matures and the risk of failure is reduced.

(5) The bank instrument and the financial assurance mechanisms must specify the financial requirements and conditions, and the entity responsible for the release or cashing of the financial assurances.

(6) The department must determine the adequacy of the proposed financial assurances prior to certification.

NEW SECTION

WAC 173-700-392 Levels of financial assurances. The department may require all of the following levels of financial assurances for mitigation banks:

- (1) Financial assurances for construction of the bank site;
- (2) Financial assurances for short-term management of the bank (see WAC 173-700-420); and
- (3) Financial assurances for long-term management of the bank (see WAC 173-700-421).

NEW SECTION

WAC 173-700-393 Financial assurances for construction. (1) When credits are released prior to the construction of a wetland mitigation bank, a financial assurance sufficient to cover the anticipated costs of construction shall be required prior to any release of credits.

(2) The amount of the financial assurance must be sufficient to cover the estimated costs for construction plus the costs for contract administration and overhead.

(3) Construction cost estimates must be based on the costs of having an independent contractor perform the construction of the bank. The sponsor must provide the department with two written estimates from qualified contractors.

(4) The department shall authorize the release of the financial assurance mechanism for bank construction after the department has approved the as-built condition of the bank.

(5) Banks may be developed in phases as specified in the bank instrument. If any credits are released prior to the construction of the bank or a phase of the bank, the department must require a financial assurance sufficient to cover the costs of construction of that phase plus administrative costs incurred by the department.

(6) The department may not require a financial assurance for construction if the first release of credits for a bank after

the bank has been constructed and the department has approved the as-builts.

NEW SECTION

WAC 173-700-394 Financial assurances for short-term management. (1) The department must require a financial assurance for short-term management (see WAC 173-700-420) for all banks that have credit releases prior to full attainment of all performance standards.

(2) The amount of the financial assurance must be sufficient to cover all short-term maintenance activities under WAC 173-700-420 for the operational life of the bank.

(3) The cost estimates for short-term management must be based on the costs to have the applicable work in subsection (5) of this section performed by an independent contractor.

(4) The sponsor shall provide the department with two written estimates from qualified contractors.

(5) Monitoring and maintenance expenses used to determine the amount of the short-term management financial assurance may include, but are not limited to:

- (a) Estimated costs for a contractor to implement the contingency actions identified in the bank instrument;
- (b) Estimated costs of all monitoring activities required in the monitoring plan for the bank as specified in the bank instrument;
- (c) Costs to implement the site plan, such as irrigation, control of invasive species, or phased planting; and
- (d) Estimated costs for management activities required during the operational life of the bank as specified in the bank instrument (e.g., control of invasive vegetation or phased plantings), plus department costs for contract administration and overhead.

NEW SECTION

WAC 173-700-395 Financial assurances for long-term management. (1) The department must require a financial assurance for the long-term management (see WAC 173-700-421) of a wetland bank site.

(2) The bank sponsor must secure sufficient funds for the anticipated long-term management costs as required by the department.

(3) The purpose of the long-term financial assurance is to ensure that the long-term manager or owner of a bank site has the financial resources available to perform the minimum responsibilities of any real property owner and ensure that the bank site remains in its natural condition.

(4) These responsibilities may include, but are not limited to:

- (a) Payment of property taxes;
- (b) Control of noxious weeds;
- (c) Maintenance of structures such as water control structures, fences, trails or signs; and
- (d) Other long-term management activities required in the bank instrument.

(5) The bank sponsor must provide the department with two estimates for the costs of annual maintenance of the bank site.

(6) If the ownership of the site is transferred in the future, the financial mechanism for long-term management must remain with the entity responsible for the long-term management of the bank.

PART V OPERATION OF BANKS

NEW SECTION

WAC 173-700-400 Monitoring. The goals of monitoring bank sites are to:

- (1) Document the postconstruction baseline conditions at the bank site;
- (2) Document the condition of the bank site as it develops over time;
- (3) Document the attainment of performance standards; and
- (4) Provide early identification of problems in the site's development to trigger potential contingency actions.

NEW SECTION

WAC 173-700-401 Monitoring plan. (1) The bank sponsor must develop a monitoring plan for each bank site and include it in the bank instrument.

- (2) The monitoring plan must include:
 - (a) A list of the bank's performance standards;
 - (b) A description of the variables that will be monitored and how they will be evaluated;
 - (c) A description of the methods or protocols used to monitor the identified variables;
 - (d) A schedule of monitoring including details regarding the time of year, frequency, and duration;
 - (e) A description of proposed photo documentation of the site; and
 - (f) A detailed contingency plan as outlined in WAC 173-700-402.

NEW SECTION

WAC 173-700-402 Contingency plan. (1) Each bank instrument must include a contingency plan in case the bank fails to attain any performance standards.

- (2) The contingency plan for a bank site must include the following elements:
 - (a) Identification of potential causes for site failure;
 - (b) Alternatives for contingency actions that may be required if the monitoring indicates that the site will not achieve specific performance standards; and
 - (c) The bank sponsor's responsibilities in reporting and implementing contingency actions.

NEW SECTION

WAC 173-700-403 Duration of monitoring. (1) The bank sponsor must monitor the wetland bank for at least five years.

- (2) The department, through the MBRT process, shall determine a monitoring schedule for the bank that is of sufficient duration to show that the bank is progressing toward

ecological success and sustainability. For example, longer monitoring periods may be required for banks that contain wetland systems that require more time to reach a stable condition (e.g., forested wetlands and estuarine restoration).

- (3) The department may require additional monitoring at bank sites where contingency actions have been undertaken.

NEW SECTION

WAC 173-700-404 Monitoring reports. (1) The bank sponsor must submit to the department monitoring reports that document the conditions and progress of the bank's development. Those reports must be submitted according to the schedule documented in the bank instrument.

- (2) The monitoring report must identify by name and qualification the persons and organizations conducting the monitoring and must contain all data necessary to document compliance with performance standards and the bank instrument.

- (3) The report must include, but is not limited to:

- (a) Photo points or referenced locations where photographs of the site are taken periodically to document site progress;
- (b) Data collected during the monitoring;
- (c) A narrative summary of the results of the monitoring;
- (d) Discussion of whether applicable performance standards were attained;
- (e) Discussion of recommended management activities to improve attainment of performance standards or performance of functions at the site;
- (f) Identification of any probable causes for failure of the bank to attain any performance standards; and
- (g) Recommendations for contingency actions, if applicable.

NEW SECTION

WAC 173-700-405 As-built reporting. (1) Within sixty days after the completion of grading or planting, or both, the bank sponsor must submit to the department a post-construction report documenting the as-built conditions of the site.

- (2) The bank sponsor must identify in the as-built report any variations from the site design plan approved in the bank instrument.

NEW SECTION

WAC 173-700-410 Obtaining credit releases. (1) In order to obtain a release of credits, a bank sponsor must petition the department in writing for a credit release once the bank has met the required performance standards.

- (2) The bank sponsor must send the department the petition and must include supporting documentation that the required performance standards have been met.

(3) The department must respond to the petition within thirty days of receipt of the written petition and supporting documents.

- (4) The department, or its designee, may conduct an on-site inspection to verify that performance standards have

been met. Bank signatories and members of the MBRT are encouraged to participate in the on-site visits.

(5) The bank sponsor must allow the department access to the site and to all documentation relevant to the requested credit release.

(6) The department must grant the release of credits upon its approval of the attainment of the required performance standards.

NEW SECTION

WAC 173-700-411 Recording credit transactions. (1) When an available credit is debited from a bank, the bank sponsor must record each credit withdrawal transaction at the auditor's office of the county in which the bank is located.

(2) Any recording fees or other costs are the responsibility of the sponsor.

(3) Each credit withdrawal transaction must include the following:

- (a) The wetland mitigation bank application number assigned by the department;
- (b) Name of the person or entity purchasing credits;
- (c) Location of the debit project that is approved to use bank credits as compensation;
- (d) Debit project permit numbers and types;
- (e) Debit project impact acreage and wetland types; and
- (f) Date and number of credits sold or used.

(4) The bank sponsor must submit a copy of the recorded transaction to the department within thirty days of the auditor's office recording of each withdrawal transaction.

NEW SECTION

WAC 173-700-412 Accounting and tracking of credit transactions. (1) The bank sponsor must maintain a separate credit-tracking ledger for each wetland mitigation bank that the sponsor develops.

(2) The bank sponsor must document all credit transactions in the credit-tracking ledger and maintain copies of all credit withdrawal transactions.

NEW SECTION

WAC 173-700-413 Credit-tracking ledger. The credit-tracking ledger must include the following information:

- (1) Bank sponsor or owner name and contact information;
- (2) Wetland mitigation bank application number assigned by the department;
- (3) Legal description of the bank location;
- (4) Construction date of the bank;
- (5) Wetland types and target functions of the bank;
- (6) Dates and amounts of all petitions for release of credits;
- (7) A balance of all potential credits;
- (8) A balance of all available credits; and
- (9) Dates, amounts, and supporting information as listed in WAC 173-700-411 for all withdrawal transactions.

NEW SECTION

WAC 173-700-414 Annual account reporting. (1) By the end of February of each year, the bank sponsor must submit to the department an annual transaction report.

(2) The annual transaction report must include a complete copy of the credit-tracking ledger and, if requested by the department, copies of all credit transactions from the previous calendar year.

NEW SECTION

WAC 173-700-415 Master ledger. (1) The department shall maintain a master ledger for each bank and must cross check the bank sponsor's annual transaction report against the master ledger.

(2) The department must notify the bank sponsor within sixty days of receipt of the sponsor's annual report if that report conflicts with the master ledger.

(3) The bank sponsor is responsible for reconciling any discrepancies between the bank sponsor's credit-tracking ledger and the department's master ledger. If the bank sponsor fails to resolve any discrepancies, the department may suspend the further use of available credits under WAC 173-700-630.

NEW SECTION

WAC 173-700-416 Random audits. (1) The department may conduct random audits during the operational life of a bank.

(2) The audit may include the department contacting the local jurisdiction(s) and the county auditor's office to verify all transactions listed in a bank's credit-tracking ledger.

(3) In the event of an audit, the bank sponsor must provide all supporting documentation requested by the department in order to verify transactions listed in the bank's credit-tracking ledger.

(4) Unexplainable discrepancies between the public records and the bank's credit-tracking ledger may result in the department initiating compliance actions under WAC 173-700-600 through 173-700-630.

NEW SECTION

WAC 173-700-420 Short-term management. (1) Short-term management includes all activities and actions necessary to ensure the successful development of a wetland bank.

(2) The period of short-term maintenance includes the entire operational life of the bank.

(3) Short-term management includes, but is not limited to, the following activities:

(a) Actions necessary to implement the site plan such as, but not limited to, irrigation, control of invasive species, and phased plantings;

(b) Regular monitoring of the site as described in the monitoring plan for the bank under WAC 173-700-401;

(c) Ongoing maintenance activities required during the operational life of the bank as specified in the bank instrument. For example, a bank may require regular control of

invasive species or maintenance of a water control structure; and

- (d) Implementation of contingency actions, if required.

NEW SECTION

WAC 173-700-421 Long-term management. (1) The bank sponsor must provide long-term management of the bank in order to maintain the wetland bank in its natural state.

(2) The bank sponsor must describe in the bank instrument any anticipated management and maintenance activities.

(3) The long-term maintenance and management activities may include, but are not limited to:

(a) Noxious weed control and removal of invasive species as needed;

(b) Repair and maintenance of any structures on the site;

(c) Repair due to vandalism; and

(d) Tax assessments, utility fees, or other costs for the property on which the wetland bank is located.

(4) The sponsor must identify the long-term manager of the wetland bank either in the bank instrument or the conservation easement, or both.

(5) The department shall require a signed contract or agreement between the department and the long-term manager for the bank. That contract must specify the role and responsibilities of the long-term manager of the site(s).

(6) The owner of a wetland bank may not complete any conveyance of title, easement, lease, or other interest directly related to the wetland bank without adequate and complete provision for the continued management of the wetland bank in a natural state.

NEW SECTION

WAC 173-700-422 Permanent protection. (1) Wetland bank sites must be permanently protected and preserved in their natural state. The department shall require that the bank sponsor use institutional controls to ensure the long-term protection and preservation of the bank site.

(2) Institution controls include:

(a) Legal and administrative mechanisms to limit site activities that are incompatible with the goals and purposes of the site. Examples include, but are not limited to, placing a conservation easement on the bank site and designating a long-term manager or steward for the bank;

(b) Physical measures to minimize adverse impacts to the wetland and its biotic community such as erecting signs, fencing, vehicle barriers, and designated trails; and

(c) Establishment of an endowment or trust for the long-term management of the site.

(3) Real estate arrangements must be approved by the department and secured prior to any release of credits. The real estate arrangements must transfer with the property.

NEW SECTION

WAC 173-700-423 Conservation easements for wetland banks. The conservation easement for a wetland bank must:

(1) Prohibit alterations to the wetland bank that may interfere with the ecological functioning of the bank;

(2) Require the long-term manager of the wetland bank to notify the department if the owner conveys any interest in the wetland bank;

(3) Require the long-term manager of the wetland bank to notify the department and receive approval from the department for any proposal to use the wetland bank in a manner that is inconsistent with the conservation easement;

(4) Grant the department and its designated representatives the right to enter the wetland bank at reasonable times for the purpose of evaluating compliance with the terms of the bank instrument and the conservation easement; and

(5) Require the owner to include in any instrument conveying any interest in any portion of the wetland bank, notice of the conservation easement under this section.

PART VI

USE OF WETLAND BANK CREDITS

NEW SECTION

WAC 173-700-500 Available credits. (1) Potential credits at a bank site that have been released by the department are referred to as "available credits."

(2) An available credit may be used to provide compensation for unavoidable wetland impacts authorized under a federal, state, or local permit in accordance with the conditions of the bank certification and approved bank instrument.

(3) Permitting agencies for debit projects are responsible for determining if the use of available credits from a bank provides appropriate compensation for the debit project's unavoidable impacts.

NEW SECTION

WAC 173-700-501 Projects eligible to use a bank. Projects located within the bank's service area are eligible to apply to use credits from that bank for compensation.

NEW SECTION

WAC 173-700-502 Replacement ratios for debit projects. (1) Replacement ratios used to determine compensation requirements for debit projects that use bank credits should generally be lower than those required for project-specific concurrent mitigation.

(2) The replacement ratios for debit projects should take into consideration that credit conversion rates for wetland banks include adjustments for the site's overall ecological benefit. Therefore, one acre-credit at a bank is not necessarily equal to one acre on the ground. In many cases one acre-credit from a bank represents more than one acre at the bank site.

(3) Replacement ratios for debit projects should reflect:

(a) The existing risk of failure at the time credits are debited;

(b) Any temporal losses;

(c) Out-of-kind considerations; and

(d) Compensation for the distance from the affected wetland to the bank site.

(4) Recommended replacement ratios for debit projects may be specified in a bank instrument.

NEW SECTION

WAC 173-700-503 Use of credits for fish habitat and hydrologic functions. (1) Impacts to hydrologic functions and fish habitat may not be mitigated with credits from a bank that is located in a different WRIA from the impact site, unless the permitting agency(ies) determines that the use of credits from a bank is appropriate, and consistent with all other applicable laws, including, but not limited to, the Endangered Species Act and local recovery plans.

(2) Generally, impacts to salmonid fish habitat and hydrologic functions should be mitigated in the same stream reach or subbasin, respectively, as the impact site.

NEW SECTION

WAC 173-700-504 Use of credits outside of the service area. (1) The department, in consultation with the bank's signatories, may authorize the use of mitigation bank credits to compensate for impacts outside of the bank's designated service area if the department deems that use to be practicable and environmentally desirable.

(2) When a debit project located outside of the bank's designated service area requests to use bank credits as compensation for an authorized wetland impact, the bank sponsor must:

(a) Provide written notice of the proposed use of credits and a request for comments to the department and the bank's signatories;

(b) Convene a meeting of the signatory agencies, if necessary;

(c) Obtain written approval from the department and the bank's signatories on the proposed use of credits;

(d) Send copies of the approvals to the department; and

(e) Include the approval documents as an addendum to the bank instrument.

(3) Linear projects, such as roadways, transmission lines, distribution lines, pipelines, or railways, may be eligible to use a bank even though all of the projects' impacts are not located within the bank's service area. However, the following conditions must be met:

(a) At least one impact from the project must lie within the bank's service area;

(b) The bank must provide appropriate compensation for the impacts; and

(c) The determination to allow use of bank credits for impacts lying outside of a bank's service area must take into consideration the elements used in determining the bank's service area as listed in WAC 173-700-311.

NEW SECTION

WAC 173-700-505 Use of credits for more than one permit. (1) A credit must only be used to compensate for one authorized impact to wetlands or aquatic resources. Once a credit has been used (debited), it may not be used as compensation for a different wetland impact authorized under another regulatory program.

(2) Some debit projects may require authorization under more than one regulatory program (e.g., section 404 authorization, local grading permit and a hydraulic project approval). A credit can be used to compensate for one impact that requires multiple authorizations for the same impact.

PART VII COMPLIANCE WITH CERTIFICATION

NEW SECTION

WAC 173-700-600 Compliance with the terms of certification. It is the department's goal to ensure that the establishment and operation of a mitigation bank is consistent with the terms and conditions of the certification as specified in the bank instrument. The department may use one or more of the methods provided for in WAC 173-700-610 through 173-700-630 to gain compliance of certified banks.

NEW SECTION

WAC 173-700-610 Contingency actions. (1) If a bank is unable to attain the required performance standards specified in the bank instrument, the department may require that the sponsor implement contingency actions necessary to correct any site deficiencies.

(2) Upon the bank sponsor's determination that the bank is not or will not attain performance standards, the bank sponsor shall notify the department and the bank's signatories that the bank site will not attain the required performance standards.

(3) Any agency, entity, or person may also notify the department if it has supporting documentation that a bank site is not successfully meeting the required performance standards.

(4) The notification must include:

(a) A clear statement of the problem;

(b) Supporting documentation of the problem, such as photographic evidence, documentation from field reviews, the submitted monitoring report or the credit release petition; and

(c) Recommendations for contingency actions or other alternatives to address the problem.

(5) The department, with recommendations from the bank's signatories, shall evaluate and determine the appropriate contingency actions required for the site. The department's determination for contingency action(s) must include:

(a) A description of the contingency action(s) that must be undertaken;

(b) A schedule for the sponsor to implement the required contingency action(s);

(c) Any additional monitoring and reporting requirements for the bank, if applicable; and

(d) Any adjustments to the credits in the wetland bank and the credit release schedule.

(6) Interested signatories of the bank shall notify the department if they have comments on the proposed contingency actions as specified in WAC 173-700-740.

NEW SECTION

WAC 173-700-611 Notice of required contingency actions. (1) The department must submit, in writing, its determination on required contingency actions to the bank sponsor and the bank's signatories.

(2) This determination must be attached as an addendum to the bank instrument.

NEW SECTION

WAC 173-700-612 Compliance with required contingency actions. (1) If the bank sponsor does not complete the required contingency actions within the schedule specified in the department's determination for contingency actions, the department must notify the bank sponsor that it is out of compliance with the contingency requirements.

(2) The department must send the notification of non-compliance by certified mail with return receipt requested and must require a written response from the sponsor.

(3) The sponsor must respond in writing to the department within fifteen days of receipt of the noncompliance notification. The response shall include an explanation of why the sponsor has not implemented the required contingency actions and a schedule for when the sponsor will complete the required contingency actions.

(4) The department, in consultation with interested signatories of the bank, shall determine whether the reasons provided by the sponsor constitute extenuating circumstances and shall determine whether to extend the schedule for instituting contingency actions.

(5) If the department determines that the schedule should not be extended, the department must notify the sponsor by certified mail with return receipt requested that it intends to either:

(a) Use the posted financial assurances to have the required contingency actions completed; or

(b) Adjust the total number of potential credits at the bank under WAC 173-700-620.

(6) The department shall send a copy of the noncompliance notification to the bank's signatories.

(7) Thirty days after the date of the bank sponsor's receipt of the department's notification in subsection (5) of this section, the department may initiate the actions specified in the notification.

NEW SECTION

WAC 173-700-620 Adjustments in total credits. (1) The department may adjust the final number of credits available at a bank based on actual conditions of the bank site at the time of the final release of credits.

(2) The department shall consult with a bank's signatories to determine whether the number of credits at a bank should be adjusted at the time of the final release of credits.

(3) The department may adjust the number of credits at a bank in the following ways:

(a) The department, in consultation with the bank signatories, may reduce total number of credits at a bank site if all of the required performance standards cannot be attained;

(b) The department, in consultation with the bank signatories, may increase the number of credits available at a bank site if:

(i) All of the required performance standards are met; and

(ii) The department determines that the site provides higher levels of function than was originally projected; or

(c) After the department concurs that all of the required performance standards have been met, the department may recalculate the remaining available restoration and creation credits to achieve a conversion rate of one to one.' The revised conversion rates for restoration or creation credits should be based on the criteria listed in WAC 173-700-355.

NEW SECTION

WAC 173-700-630 Suspension of credit use. (1) The department may suspend a bank's use of credits to bring a bank into compliance. If the department suspends the use of credits, credits may not be debited until the department lifts the suspension.

(2) The suspension shall include all available credits at a bank.

(3) The department may suspend the use of available credits for the following reasons:

(a) If the department determines that a bank is out of compliance with the terms of its certification and the sponsor has not implemented the contingency actions required by the department;

(b) If the department determines that a bank is not in compliance with the terms of its certification and that the sponsor has not made reasonable efforts to bring the bank into compliance; or

(c) If the department determines that there is documented fraudulent use of the bank.

(4) If credit use is suspended by the department, the department must notify the bank sponsor by certified mail with return receipt requested that further use of credits has been suspended.

(5) The department shall maintain the suspension until compliance is achieved.

(6) The use of credits shall remain suspended until the department notifies the bank sponsor in writing that credit use may be resumed.

PART VIII ROLES AND RESPONSIBILITIES

NEW SECTION

WAC 173-700-700 Responsibilities of the bank sponsor. (1) The bank sponsor must meet the requirements of these rules.

(2) It is the responsibility of the bank sponsor to provide the wetland mitigation prospectus and bank instrument consistent with WAC 173-700-223 and 173-700-241, respectively.

(3) It is the bank sponsor's responsibility to incorporate specific elements required by the department and the MBRT into the final bank instrument.

(4) The bank sponsor is responsible for obtaining all required federal, state, and local permits and approvals for the construction and establishment of the wetland mitigation bank.

(5) The bank sponsor is responsible for assuring the success of the restoration, creation, enhancement, or preservation activities, or a combination of these activities, at the mitigation bank.

(6) The bank sponsor is responsible for the construction, operation, maintenance, permanent protection, and all costs including contingency actions, if required, and financial assurances for the mitigation bank in accordance with the bank instrument and this rule.

(7) The bank sponsor must secure adequate funds for the operation and maintenance of the bank during its operational life and the long-term management and permanent protection of the bank sites.

(8) The bank sponsor must secure real estate arrangements that will permanently protect the property on which the bank is located.

(9) The bank sponsor is responsible for the evaluation and protection of historic, cultural, and archeological resources of the bank site.

(10) The bank sponsor must monitor the development of the bank site and report findings to the department under WAC 173-700-404.

(11) The bank sponsor is responsible for submitting written petitions for releases of credits under WAC 173-700-410.

(12) The bank sponsor is responsible for the accounting and maintenance of ledgers regarding the deposit and withdrawal of credits from the mitigation bank under WAC 173-700-412 and 173-700-413.

(13) The bank sponsor is responsible for obtaining all approvals for the bank's signatories when proposing to use credits in a manner that is inconsistent with the terms and conditions of the bank instrument.

(14) The bank sponsor may request the program manager of the shorelands and environmental assistance program to review actions taken to develop the bank instrument if the sponsor believes that a particular decision raises concern regarding the application of this rule, or that inadequate progress has been made by the MBRT on the bank instrument.

NEW SECTION

WAC 173-700-710 Role of the department. (1) The department is responsible for making the final decision on bank certifications.

(2) The department must fully consider recommendations from the MBRT and public comments submitted as part of the certification process.

(3) The department is responsible for inviting members to and convening the MBRT. The department must serve as chair of the MBRT and shall invite the local jurisdiction to serve as cochair.¹

(4) The department is responsible for maintaining master ledgers on certified banks and authorizing the release of credits as specified in bank instruments under WAC 173-700-415 and 173-700-410, respectively.

(5) The department shall be responsible for approving financial assurances, and releasing financial assurances or cashing posted financial assurances to ensure compliance with the terms of a bank instrument.

(6) The department shall implement the compliance procedures as described in WAC 173-700-600 through 173-700-630 if a bank is determined to be out of compliance with the terms of its certification.

(7) The department must determine the requirements for implementation of contingency actions when a bank is unable to attain its performance standards.

(8) If the sponsor does not achieve compliance with the terms of the bank instrument within the time frame specified by the department, the department may suspend the use of credits as described in WAC 173-700-630.

NEW SECTION

WAC 173-700-720 Role of local jurisdiction(s). (1) For the purposes of this section, local jurisdiction(s) means the local jurisdiction(s) where the wetland bank site is located.

(2) The local jurisdiction(s) shall be invited by the department to participate on the MBRT.

(3) The local jurisdiction(s) may participate as cochair of the MBRT with the department.

(4) After receipt of the department's decision to approve certification, the local jurisdiction(s) must review the certification and if it concurs with the decision, the local jurisdiction(s) must sign the bank instrument to indicate its concurrence with the bank certification.

NEW SECTION

WAC 173-700-730 Role of the mitigation bank review team. (1) The purposes of a mitigation bank review team (MBRT) are to:

(a) Assist in the development of bank instruments;

(b) Facilitate the review of wetland mitigation bank proposals; and

(c) Avoid duplicative processes for bank certification and approval.

(2) It is the role of the MBRT to help ensure that certified wetland banks are technically feasible and ecologically desirable.

NEW SECTION

WAC 173-700-731 Mitigation bank review team responsibilities. (1) The MBRT shall participate in negotiations with a bank sponsor on the terms of a bank instrument.

(2) The MBRT shall review certification applications, and propose recommendations to the department, and the local jurisdiction(s) where the bank is located, on the certification of individual mitigation banks.

(3) MBRT representatives are responsible for notifying the department if they have comments for the department to consider on the requirements for contingency actions or on the release of credits.

NEW SECTION

WAC 173-700-732 Mitigation bank review team membership. (1) The MBRT is composed of a maximum of fifteen members representing agencies with an interest in the bank, including the department, the local jurisdiction(s), and appropriate representatives from federal, state, and local regulatory and resource agencies and tribes.

(2) Entities typically invited include, but are not limited to, the U.S. Army Corps of Engineers, the Environmental Protection Agency, U.S. Fish and Wildlife Service, National Marine Fisheries Service, Natural Resource Conservation Service, Washington department of fish and wildlife, Washington department of natural resources, tribes, and local jurisdictions within the proposed bank's service area.

(3) The department may invite interested members of the public or nongovernmental organizations to participate on the MBRT as advisory members.

(4) The department shall serve as chair of the MBRT and shall invite the local jurisdiction(s) where the bank is located to serve as cochair. For bank proposals seeking federal approvals in addition to state certification, the U.S. Army Corps of Engineers representative may also cochair the MBRT.

NEW SECTION

WAC 173-700-740 Role of the banks' signatories. (1) Signatory agencies for a bank are responsible for providing assistance to the department in overseeing the establishment and operations of that bank.

(2) Signatory agencies must notify the department if they determine that the bank is out of compliance with the terms of its certification and recommend whether compliance actions are warranted to bring the bank into compliance.

(3) Signatory agencies are encouraged to participate in field reviews of the bank site for determining:

- (a) Whether the as-built condition of the bank is correct;
- (b) Whether contingency actions need to be initiated on a bank site and what those actions should include; and
- (c) Whether a credit release petition should be granted.

(4) Signatory agencies shall notify the department if they have any comments regarding the department's proposed contingency actions required under WAC 173-700-610.

(5) Signatory agencies should review and provide comments to the department on any proposed uses of bank credits that are inconsistent with the terms of the certification.

NEW SECTION

WAC 173-700-750 Role of permitting agencies authorizing use of credits. (1) Permitting agencies should document that mitigation sequencing has occurred before approving the use of banking credits to compensate for unavoidable impacts.

(2) The purpose of the documentation is to ensure that the intent of the authorizing statute is met. The authorizing statute states that bank credits should only be used for remaining "unavoidable" impacts after all practicable avoidance and minimization has been implemented.

(3) The rationale used to conclude that the actions are unavoidable should be included in the permit file for the debit project using bank credits for compensation.

PART IX APPEALS

NEW SECTION

WAC 173-700-800 Appeals process. A decision to issue, deny, or modify a final certification may be appealed to the pollution control hearings board under chapter 43.21B RCW.

WSR 02-01-094

PROPOSED RULES

GAMBLING COMMISSION

[Filed December 17, 2001, 12:59 p.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 01-21-068.

Title of Rule: Card rooms, WAC 230-02-205 Gambling service supplier defined.

Purpose: Mr. Kirtland is owner of Player's Edge, a store that sells gambling related books, videos and accessories. Mr. Kirtland has submitted a petition for rule change requesting the definition of a gambling service supplier be amended to include persons providing educational seminars to the public. Mr. Kirtland would like to place a craps table in his store for the purpose of teaching the public how to play the game of craps. Not gambling would be involved. The table would be for instructional purposes only.

Statutory Authority for Adoption: RCW 9.46.070.

Summary: See Purpose above.

Reasons Supporting Proposal: See Purpose above.

Name of Agency Personnel Responsible for Drafting: Susan Arland, Lacey, (360) 486-3466; Implementation: Rick Day, Lacey, (360) 486-3446; and Enforcement: Bob Berg, Lacey, (360) 486-3452.

Name of Proponent: Staff, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: See Purpose above.

Proposal Changes the Following Existing Rules: See Purpose above.

No small business economic impact statement has been prepared under chapter 19.85 RCW. Proposal is exempt under RCW 19.85.025(2), therefore a small business economic impact statement is not required.

RCW 34.05.328 does not apply to this rule adoption. This agency does not choose to make section 201, chapter 403, Laws of 1995 apply to this rule adoption.

Hearing Location: WestCoast Hotel Olympia, 2300 Evergreen Park Drive S.W., Olympia, WA 98502, (360) 943-4000, on February 15, 2002, at 9:30 a.m.

Assistance for Persons with Disabilities: Contact Shirley Corbett by February 1, 2002, TDD (360) 486-3637, or (360) 486-3447.

Submit Written Comments to: Susan Arland, Rules Coordinator, P.O. Box 42400, Olympia, WA 98504-2400, (360) 486-3466, fax (360) 486-3625, by February 1, 2002.

Date of Intended Adoption: February 15, 2002.

December 14, 2001

Susan Arland

Rules Coordinator

AMENDATORY SECTION [(Amending Order 380, filed 2/16/00)]

WAC 230-02-205 Gambling service supplier defined.

A "gambling service supplier" is any person who provides gambling related services for compensation, whether directly or indirectly.

(1) Gambling related services include at least the following:

(a) Providing consulting or advisory services regarding gambling activities;

(b) Providing gambling related management services;

(c) Providing financing for purchases or leases of gambling equipment or for providing infrastructure that supports gambling operations for more than one licensee. For purposes of this section, financing by any bank, mutual savings bank, or credit union regulated by the department of financial institutions or any federally regulated commercial lending institution shall not be deemed as providing gambling related services;

(d) Providing any other service or activity where influence may be exerted over any gambling activity licensed by the commission;

(e) Providing assembly of components for gambling equipment under a contract with a licensed manufacturer; or

(f) Training individuals to conduct authorized gambling activities(-);

(g) Providing educational and instructional classes or seminars pertaining to authorized gambling activities, to the public.

(2) The term "gambling services supplier" does not include the following:

(a) Universities and colleges that are regulated by the Washington state board of community and technical colleges and the higher education coordinating board which train individuals to conduct authorized gambling activities;

(b) Licensed manufacturers or distributors who service and repair pull-tab dispensing devices, bingo equipment or any other authorized gambling equipment;

(c) Attorneys, accountants, and governmental affairs consultants whose primary business is providing professional services that are unrelated to the management or operation of gambling activities; and

(d) Persons that only provide nonmanagement related recordkeeping services for punch board and pull-tab operators, when the combined total gross billings from such services does not exceed twenty thousand dollars during any calendar year.

Reviser's note: The bracketed material preceding the section above was supplied by the code reviser's office.

WSR 02-01-095

PROPOSED RULES

GAMBLING COMMISSION

[Filed December 17, 2001, 1:01 p.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 01-19-052.

Title of Rule: Card rooms, WAC 230-40-120 Limits on wagers in card games.

Purpose: Bob Tull, attorney for the Recreational Gaming Association, has submitted a petition for rule change. Mr. Tull is requesting that betting limits in house-banked card rooms be raised. He has submitted four different alternatives to raise betting limits, which are shown below. The commission filed Mr. Tull's petition at the November commission meeting. At the meeting, the commission clarified that because the petition was filed, that did not mean they would necessarily adopt any of the proposals. The filing was made so the petition could be further discussed at the January 2002 commission meeting.

Statutory Authority for Adoption: RCW 9.46.070.

Summary: See Purpose above.

Reasons Supporting Proposal: See Purpose above.

Name of Agency Personnel Responsible for Drafting: Susan Arland, Lacey, (360) 486-3466; Implementation: Rick Day, Lacey, (360) 486-3446; and Enforcement: Bob Berg, Lacey, (360) 486-3452.

Name of Proponent: Staff, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: See Purpose above.

Proposal Changes the Following Existing Rules: See Purpose above.

No small business economic impact statement has been prepared under chapter 19.85 RCW. Proposal is exempt under RCW 19.85.025(2), therefore a small business economic impact statement is not required.

RCW 34.05.328 does not apply to this rule adoption. This agency does not choose to make section 201, chapter 403, Laws of 1995 apply to this rule adoption.

Hearing Location: WestCoast Hotel Olympia, 2300 Evergreen Park Drive S.W., Olympia, WA 98502, (360) 943-4000, on February 15, 2002, at 9:30 a.m.

Assistance for Persons with Disabilities: Contact Shirley Corbett by February 1, 2002, TDD (360) 486-3637, or (360) 486-3447.

Submit Written Comments to: Susan Arland, Rules Coordinator, P.O. Box 42400, Olympia, WA 98504-2400, (360) 486-3466, fax (360) 486-3625, by February 1, 2002.

Date of Intended Adoption: February 15, 2002.

December 14, 2001

Susan Arland

Rules Coordinator

AMENDATORY SECTION (Amending Order 403, filed 6/19/01, effective 7/20/01)

WAC 230-40-120 Limits on wagers in card games. Social and public card room licensees shall not allow wager-

ing limits set by the commission to be exceeded in any card game. The number and value of wagers in card games are limited as follows:

Nonhouse-banked card games.

(1) Poker:

(a) There shall be no more than five betting rounds in any one game;

(b) The maximum number of wagers in any betting round shall be four, comprised of an initial wager plus three raises; and

(c) The maximum amount of a single wager shall not exceed twenty-five dollars.

(2) Games based on achieving a specific number of points - each point shall not exceed five cents in value.

(3) An ante, except for panguingue (pan), shall not be more than the maximum wager allowed for the first betting round for any game. The ante may, by house rule, be made by one or more players, but the total ante may not exceed the maximum wager allowed for the first betting round. An ante, by house rule, may be used as part of a player's wager.

(4) Panguingue (pan) - the maximum value of a chip for a payoff shall not exceed ten dollars. An ante will not exceed one chip. Doubling of conditions is prohibited. Players going out may collect not more than two chips from each participating player.

House-banked card games.

(5) Licensees authorized to conduct house-banked card games shall not allow a single wager to exceed twenty-five dollars;

(6) Licensees authorized to conduct Phase II house-banked card games shall not allow a single wager to exceed ~~(one)~~ five hundred dollars;

(7) A single wager may be made on each separate element of chance. In addition, for blackjack, an additional wager may be placed for doubling down or splitting pairs; and

(8) Bonus wagers for house-banked progressive jackpots shall not exceed one dollar. Bonus wagers with a predetermined prize amount based upon a separate element of chance within the same game shall not exceed the authorized maximum table limits as described in subsections (5) and (6) of this section.

ALTERNATIVE #1

AMENDATORY SECTION (Amending Order 403, filed 6/19/01, effective 7/20/01)

WAC 230-40-120 Limits on wagers in card games. Social and public card room licensees shall not allow wagering limits set by the commission to be exceeded in any card game. The number and value of wagers in card games are limited as follows:

Nonhouse-banked card games.

(1) Poker:

(a) There shall be no more than five betting rounds in any one game;

(b) The maximum number of wagers in any betting round shall be four, comprised of an initial wager plus three raises; and

(c) The maximum amount of a single wager shall not exceed twenty-five dollars.

(2) Games based on achieving a specific number of points - each point shall not exceed five cents in value.

(3) An ante, except for panguingue (pan), shall not be more than the maximum wager allowed for the first betting round for any game. The ante may, by house rule, be made by one or more players, but the total ante may not exceed the maximum wager allowed for the first betting round. An ante, by house rule, may be used as part of a player's wager.

(4) Panguingue (pan) - the maximum value of a chip for a payoff shall not exceed ten dollars. An ante will not exceed one chip. Doubling of conditions is prohibited. Players going out may collect not more than two chips from each participating player.

House-banked card games.

(5) Licensees authorized to conduct house-banked card games shall not allow a single wager to exceed twenty-five dollars;

(6) Licensees authorized to conduct Phase II house-banked card games ~~((shall not allow a single wager to exceed one))~~ may set single wager limits as follows:

(a) Up to five of the tables operating Phase II house-banked card games may utilize single wager limits that do not exceed five hundred dollars;

(b) The remaining tables operating Phase II house-banked card games may utilize single wager limits that do not exceed three hundred dollars;

(7) A single wager may be made on each separate element of chance. In addition, for blackjack, an additional wager may be placed for doubling down or splitting pairs; and

(8) Bonus wagers for house-banked progressive jackpots shall not exceed one dollar. Bonus wagers with a predetermined prize amount based upon a separate element of chance within the same game shall not exceed the authorized maximum table limits as described in subsections (5) and (6) of this section.

ALTERNATIVE #2

AMENDATORY SECTION (Amending Order 403, filed 6/19/01, effective 7/20/01)

WAC 230-40-120 Limits on wagers in card games. Social and public card room licensees shall not allow wagering limits set by the commission to be exceeded in any card game. The number and value of wagers in card games are limited as follows:

Nonhouse-banked card games.

(1) Poker:

(a) There shall be no more than five betting rounds in any one game;

(b) The maximum number of wagers in any betting round shall be four, comprised of an initial wager plus three raises; and

(c) The maximum amount of a single wager shall not exceed twenty-five dollars.

(2) Games based on achieving a specific number of points - each point shall not exceed five cents in value.

(3) An ante, except for panguingue (pan), shall not be more than the maximum wager allowed for the first betting round for any game. The ante may, by house rule, be made by one or more players, but the total ante may not exceed the maximum wager allowed for the first betting round. An ante, by house rule, may be used as part of a player's wager.

(4) Panguingue (pan) - the maximum value of a chip for a payoff shall not exceed ten dollars. An ante will not exceed one chip. Doubling of conditions is prohibited. Players going out may collect not more than two chips from each participating player.

House-banked card games.

(5) Licensees authorized to conduct house-banked card games shall not allow a single wager to exceed twenty-five dollars;

(6) Licensees authorized to conduct Phase II house-banked card games shall not allow a single wager to exceed ~~((one))~~ two hundred fifty dollars except as follows: After six months of operation using single wager limits of two hundred fifty dollars, the single wager limit may be raised to five hundred dollars;

(7) A single wager may be made on each separate element of chance: In addition, for blackjack, an additional wager may be placed for doubling down or splitting pairs; and

(8) Bonus wagers for house-banked progressive jackpots shall not exceed one dollar. Bonus wagers with a predetermined prize amount based upon a separate element of chance within the same game shall not exceed the authorized maximum table limits as described in subsections (5) and (6) of this section.

ALTERNATIVE #3

AMENDATORY SECTION (Amending Order 403, filed 6/19/01, effective 7/20/01)

WAC 230-40-120 Limits on wagers in card games. Social and public card room licensees shall not allow wagering limits set by the commission to be exceeded in any card game. The number and value of wagers in card games are limited as follows:

Nonhouse-banked card games.

(1) Poker:

(a) There shall be no more than five betting rounds in any one game;

(b) The maximum number of wagers in any betting round shall be four, comprised of an initial wager plus three raises; and

(c) The maximum amount of a single wager shall not exceed twenty-five dollars.

(2) Games based on achieving a specific number of points - each point shall not exceed five cents in value.

(3) An ante, except for panguingue (pan), shall not be more than the maximum wager allowed for the first betting round for any game. The ante may, by house rule, be made by one or more players, but the total ante may not exceed the maximum wager allowed for the first betting round. An ante, by house rule, may be used as part of a player's wager.

(4) Panguingue (pan) - the maximum value of a chip for a payoff shall not exceed ten dollars. An ante will not exceed one chip. Doubling of conditions is prohibited. Players going out may collect not more than two chips from each participating player.

House-banked card games.

(5) Licensees authorized to conduct house-banked card games shall not allow a single wager to exceed twenty-five dollars;

(6) Licensees authorized to conduct Phase II house-banked card games ~~((shall not allow a single wager to exceed one))~~ may set single wager limits as follows:

(a) Two of the tables operating Phase II house-banked card games may utilize single wager limits that do not exceed five hundred dollars;

(b) The remaining tables operating Phase II house-banked card games may utilize single wager limits that do not exceed three hundred dollars;

(7) A single wager may be made on each separate element of chance. In addition, for blackjack, an additional wager may be placed for doubling down or splitting pairs; and

(8) Bonus wagers for house-banked progressive jackpots shall not exceed one dollar. Bonus wagers with a predetermined prize amount based upon a separate element of chance within the same game shall not exceed the authorized maximum table limits as described in subsections (5) and (6) of this section.

WSR 02-01-096

PROPOSED RULES

GAMBLING COMMISSION

[Filed December 17, 2001, 1:03 p.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 01-21-064.

Title of Rule: Pull-tabs, amending WAC 230-30-033 Event pull-tab series—Definitions—Restrictions, 230-30-045 Pull-tab series with carry-over jackpots—Definitions—Requirements, and 230-30-072 Punchboard and pull-tab inventory control—Retention requirements—Audit adjustments.

Purpose: To clarify requirements related to pull-tab games and allow alternative methods of selling event pull-tabs.

Statutory Authority for Adoption: RCW 9.46.070.

Summary: Language was added to allow bingo floor workers to sell event pull-tab tickets while they are working

the floor of the bingo hall, for example, from an apron. The proposed amendment is to clarify how a carry-over jackpot will be handled in the event a licensee sells or closes their business. This ensures the advertised prize is awarded and enables staff to track carry-over jackpot funds. Currently, commercial pull-tab licensees are required to retain pull-tab games for at least ninety days after the game is pulled if any prize won in that game was over the amount of \$20. Language was added to clarify that in addition to the winning punches or pull-tabs, the flare must also be retained for the ninety-day period. This procedure ensures that all aspects of pull-tab games are available when audited by staff.

Reasons Supporting Proposal: See Purpose and Summary above.

Name of Agency Personnel Responsible for Drafting: Susan Arland, Lacey, (360) 486-3466; Implementation: Rick Day, Lacey, (360) 486-3446; and Enforcement: Bob Berg, Lacey, (360) 486-3452.

Name of Proponent: Staff, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: See Purpose and Summary above.

Proposal Changes the Following Existing Rules: See Purpose and Summary above.

No small business economic impact statement has been prepared under chapter 19.85 RCW. Proposal is exempt under RCW 19.85.025(2), therefore a small business economic impact statement is not required.

RCW 34.05.328 does not apply to this rule adoption. This agency does not choose to make section 201, chapter 403, Laws of 1995 apply to this rule adoption.

Hearing Location: WestCoast Hotel Olympia, 2300 Evergreen Park Drive S.W., Olympia, WA 98502, (360) 943-4000, on February 15, 2002, at 9:30 a.m.

Assistance for Persons with Disabilities: Contact Shirley Corbett by February 1, 2002, TDD (360) 486-3637, or (360) 486-3447.

Submit Written Comments to: Susan Arland, Rules Coordinator, P.O. Box 42400, Olympia, WA 98504-2400, (360) 486-3466, fax (360) 486-3625, by February 1, 2002.

Date of Intended Adoption: February 15, 2002.

December 14, 2001

Susan Arland
Rules Coordinator

AMENDATORY SECTION (Amending Order 398, filed 2/9/01, effective 3/12/01)

WAC 230-30-033 Event pull-tab series—Definitions—Restrictions. Charitable or nonprofit bingo operators may use event pull-tab series under the following definitions and restrictions.

Definitions.

(1) The following definitions apply to this section:

(a) "Event pull-tab series" means a pull-tab series that includes a predetermined number of pull-tabs which allow a player to advance to an event round;

(b) "Event round" means a secondary element of chance where the prizes are determined based on pull-tabs which match specific winning numbers drawn in a bingo game. The winning numbers must fall within numbers 1 through 75.

Manufacturing restrictions.

(2) The following manufacturing restrictions apply to this section:

(a) An event pull-tab series shall be manufactured meeting all standards of construction included in WAC 230-30-103;

(b) An event pull-tab series may include instant winning prizes in addition to event round prizes;

(c) The flare shall clearly set out the following:

(i) All prizes available, in accordance with WAC 230-30-106;

(ii) The number of chances available to advance to the event round;

(iii) How the event round winner is to be determined; and

(iv) The number of winning pull-tabs at the instant winner level, and the number of winning pull-tabs at the event round level.

Operational restrictions.

(3)(a) The event pull-tab series must be played in a charitable or nonprofit bingo hall and must be played and completed within one bingo session;

(b) Prior to putting an event pull-tab series into play, the operator must fully disclose, in plain view, when the event round (which involves the second element of chance) will take place;

(c) Event pull-tab series must be available for purchase until immediately prior to the event round, unless the game has been completely sold out;

(d) A licensed manager must be present at all times an event pull-tab series is in play, including sales of tickets and selection of winners;

(e) Event pull-tab tickets may be sold by floor workers (for example, from aprons). This method of selling pull-tabs only applies to an event pull-tab series. Detailed accounting records shall be maintained as prescribed by commission staff to track the event pull-tab tickets issued to each floor worker.

(f) The following are prohibited for use with event pull-tab series:

(i) Substitute flares;

(ii) Bonus pull-tab series; and

(iii) Carry-over jackpots.

AMENDATORY SECTION (Amending Order 368, filed 12/1/98, effective 1/1/99)

WAC 230-30-045 ((Pull-tab series with)) Carry-over jackpot(s) pull-tab series—Definitions—Requirements. Operators may utilize pull-tab series that are specifically designed to include carry-over jackpots. The following definitions and requirements shall apply to these series:

Definitions.

(1) ~~The following definitions ((which))~~ apply to pull-tab series with carry-over jackpots:

(a) "Carry-over jackpot" means a prize pool that is composed of accumulated contribution amounts from pull-tab series which, if not won, are carried over to other pull-tab series;

(b) "Contribution amount" means the amount from each series which is added to the carry-over jackpot; and

(c) "Guaranteed prizes" means all prizes available to be won, excluding the contribution amount or carry-over jackpot;

Prize payout requirements.

(2) The following requirements apply to prizes and prize payout calculations for carry-over jackpots ~~((prizes and prize payout calculations))~~:

(a) Guaranteed prizes must be 60% or more of gross receipts available from the pull-tab series;

(b) The contribution amount for each series may not be more than five hundred dollars;

(c) The contribution amount and the method of play shall be determined by the manufacturer and disclosed on the flare;

Maximum jackpot amount.

(d) At no time shall an accumulated carry-over jackpot exceed two thousand dollars. ~~((Once it reaches this amount, the two thousand dollars))~~

Jackpot must be carried over until won.

(e) Accumulated carry-over jackpot shall be carried over to subsequent series until won; ~~((and))~~

Jackpot must be paid out.

~~((e))~~ (f) The carry-over jackpot must be awarded. Failure to have sufficient funds available, or any attempt by an operator to utilize carry-over jackpots for personal or organizational purposes, shall be *prima facie* evidence of defrauding the players in violation of RCW 9.46.190;

Maximum advance-level and consolation prize amount.

~~((f) If the jackpot is awarded, the sum of the advance-level prize and the jackpot prize shall not exceed two thousand dollars;)~~ (g) If the jackpot is not awarded during a specific series and is carried over to a new series, the sum of the advance-level prize and the consolation prize for such series shall not exceed five hundred dollars;

Distribution of jackpots when a licensee ceases to operate.

(3) If a licensee ceases to operate gambling activities due to a sale, closure, or failure to maintain a valid gambling license, the carry-over jackpot shall be:

(a) Transferred to the new licensee, which has a valid gambling license. The new licensee shall operate the carry-over jackpot game until the prize is awarded;

(b) Awarded to a player by playing out the game prior to closure;

(c) Distributed to the Washington state council on problem gambling; or

(d) Distributed to a charitable or nonprofit organization licensed by the Washington state gambling commission;

Bonus pull-tab series.

(4) The following additional requirements apply to bonus pull-tab series with carry-over jackpots:

~~((a) If ((bonus pull-tab series are used:~~

~~((i))~~ the odds of winning the carry-over jackpot shall not exceed one winner out of ten chances, or the probability of winning the carry-over jackpot shall be .10 or higher, at the jackpot level;

~~((ii))~~ (b) There may only be one advance level on the flare;

~~((iii))~~ (c) There shall be at least one guaranteed chance to win the carry-over jackpot;

~~((iv))~~ (d) All chances that are included on the flare shall be covered in a manner that prevents determination of the concealed numbers or symbols prior to being opened by the player. If perforated windows are used, the numbers or symbols must be covered by latex, foil, or other approved means; and

~~((v))~~ (e) Standards for bonus pull-tab flares, as set forth in WAC 230-30-106, shall apply;

Maximum number of tickets.

~~((b))~~ (5) The maximum ticket count for pull-tab series with carry-over jackpots shall be six thousand tickets; ~~((and))~~

Secondary win codes.

~~((e))~~ (6) The secondary win codes on pull-tab series with carry-over jackpots must not repeat within a three-year period;

~~((4) The following operating and recordkeeping requirements apply to pull-tab series with carry-over jackpots:~~

~~((a) If the chances of winning the carry-over jackpot are obtained and the carry-over jackpot is not won, the series shall be removed from play within seven operating days;~~

~~((b))~~

Replacing series.

(7) Once it has been determined that no chances to win the carry-over jackpot remain in a series and the jackpot has not been won, the series shall be removed from play and replaced with a new series within seven operating days;

Transferring a jackpot to another game.

(8) If a carry-over jackpot is not won prior to removing a series from play, it shall be carried over to a new series within one operating day from when the series was removed from play. The accrued contribution amounts from all previous series shall be added to the contribution amount from the new series, up to two thousand dollars;

~~((e) The following additional records must be maintained for pull-tab series with carry-over jackpots:))~~

Record names of winners.

~~((i))~~ (9) For carry-over jackpots in the amount of six hundred dollars and over, the winner's full name, address, and

Social Security number shall be recorded on a separate form for income tax purposes;

Retention requirements.

((+)) (10) Each pull-tab series contributing to a specific carry-over jackpot must be retained as one series. The retention period for these series shall be as required by WAC 230-30-072(3): Provided, That the retention period shall start on the last day of the month in which the carry-over jackpot was awarded rather than when the series was removed from play; and

((+)) Operators are required to maintain a separate record documenting the flow of carry-over jackpots from one game to another in a format prescribed by the commission;

Recordkeeping on cash basis only - exception.

((+)) (11) For the purposes of monthly records set forth in WAC 230-08-010, all operators shall record carry-over jackpots on a cash basis. This means that carry-over jackpot contribution amounts shall not be recorded on monthly records until the prize is awarded: Provided, That punch board/pull-tab licensees who also hold a Class F or above bingo license may accrue carry-over jackpot contribution amounts on their monthly records if the following conditions are met:

((+)) (a) Prior approval is received from the director;

((+)) (b) The contribution amounts, up to the point where the jackpot reaches the maximum, shall be recorded as prizes paid on the monthly records;

((+)) (c) When the jackpot is awarded, only amounts not previously accrued, if any, shall be recorded as a prize paid;

((+)) (d) No more than five carry-over jackpot series shall be in play at once; and

((+)) (e) If the contribution amount is not deposited with the net receipts (required by WAC 230-12-020), a proper audit trail and adequate security over the funds must be maintained; and

Director approval required.

((+)) (12) The director shall approve the following aspects of all pull-tab games with carry-over jackpots prior to sale in Washington state:

(a) The design, payout, method of play, and flare for each pull-tab series;

(b) The manufacturing process for the pull-tab series and flares; and

(c) The secondary win code system for the pull-tab series.

AMENDATORY SECTION (Amending WSR 97-14-012, filed 6/20/97, effective 7/21/97)

WAC 230-30-072 ((Punch board and pull-tab) Inventory control for punch boards and pull-tabs—Retention requirements—Audit adjustments. Each punch board and pull-tab series purchased or otherwise obtained by an operator shall be controlled and accounted for. Each operator shall closely monitor punch board and pull-tab series purchased to assure that Washington state identification and

inspection service stamp numbers are correctly entered in all records and each device purchased is properly recorded. The following control procedures apply:

Delivery of new games.

(1) The delivery/receipt of punch boards and pull-tab series shall be recorded as follows:

Invoice record.

(a) All purchases of punch boards or pull-tab series shall be recorded on a standard distributor's invoice, which will be used by the operator as a record to account for the punch board or pull-tab series between the time it is purchased and removed from play. Each invoice shall include space for the operator to attach the records entry label from the device and the date the device was placed out for play: Provided, That in lieu of the distributor's invoice recording system, licensees utilizing a computerized recordkeeping system may use a separate inventory record to account for purchases and uses of punch boards and pull-tabs as long as all necessary information is recorded. For these records, a computer generated facsimile of the stamp number may be imprinted on the inventory record in lieu of a records entry label.

Operator to review data and check ID stamps.

(b) At the time a punch board or pull-tab series is delivered, each operator will assure that all required data is correctly recorded by the distributor by comparing the actual Washington state identification and inspection services stamp number attached to each punch board and pull-tab series to the number recorded on the purchase invoice;

Invoice/inventory record - placing new games into play.

(2) At the time a punch board or pull-tab series is placed into play, each operator shall record in the allotted space on the distributor's invoice or the inventory record the following:

(a) Date placed into play; and

(b) Washington state identification and inspection services stamp number by attaching a records entry label.

Retention requirements.

(3) Each punch board or pull-tab series which is removed from play, together with the prize flare, all unplayed tabs, and all winning punches or tabs, shall be retained by the operator and made available for inspection, on the licensed premises, by commission agents and/or local law enforcement and taxing agencies. If devices are stored off premises, they must be produced for inspection upon demand. The minimum retention time for devices removed from play shall be:

Charitable.

(a) **Charitable or nonprofit licensees** - at least four months following the last day of the month in which the device was removed from play;

Commercial.

(b) **Commercial stimulant licensees** - at least two months following the last day of the month in which the device was removed from play: Provided, That the flare and all winning punches or pull-tabs in excess of twenty dollars

shall be retained for at least ninety days following the day the device was removed from play: Provided further, That any commercial stimulant licensee who fails to comply with all recordkeeping requirements of this title or who misstates gross gambling receipts by more than one percent during any calendar quarter shall be required, after written notification by the director, to retain all devices for at least four months following the last day of the month in which it was removed from play. Any licensee so restricted may petition the director to remove the increased retention requirement imposed after a minimum of one year. Any such petition shall include documentation of the steps taken to correct recordkeeping deficiencies. For purposes of computing gross gambling receipts for determining compliance with the recording accuracy requirement, the procedures in subsection (6) of this section apply; and

Specially authorized games.

(c) **Specially authorized pull-tab games may have retention requirements in addition to those set forth in subsections (a) and (b) of this ((subsection, additional retention requirements may apply to specially authorized pull tab series;)) section.**

Storage requirements.

(4) Each punch board or pull-tab series which is not placed out for play ~~((or returned to the distributor or manufacturer from whom it was originally purchased;))~~ must be retained on the licensed premises and made available for inspection by the commission and/or local law enforcement and taxing agencies: Provided, That devices may be stored off premises if they are produced for inspection upon demand;

Returning a game to the distributor or manufacturer.

(5) Each punch board or pull-tab series which has been placed out for play and is subsequently returned to a distributor or manufacturer is exempt from the retention requirements in subsection (3) of this section. The operator must retain a copy of the quality control report for the retention period normally applicable and must record each game on its monthly record required by WAC 230-08-010. If a device is returned to a distributor for any reason, including commission required recall, the operator shall record the date, invoice or credit memo number, and "returned" on the original purchase invoice or inventory record on the corresponding entry for the device;

Adjusting gross gambling receipts.

(6) For purposes of compliance with the requirements of this section and license class compliance, gross gambling receipts from the operation of punch boards and pull-tabs shall be adjusted for commission staff audit findings by using the following procedures:

(a) **Unrecorded devices** - gross gambling receipts shall be increased to account for any unrecorded devices purchased by an operator by adding the maximum amount that could be generated from the device, as determined by multiplying the total number of chances available by the price of a

single chance. The adjustment shall be made to the records for the month in which the device was purchased; and

(b) **Recording errors** - gross gambling receipts shall be increased or decreased by an adjustment factor that is based upon the results of an audit of a sample of at least five devices randomly selected by the commission staff. The adjustment factor shall be determined by dividing the audited amount for the sample group of devices by the recorded amount for the same devices. The resulting product of this equation shall be applied to the total recorded gross gambling receipts for the calendar quarter from which the sample was taken and to the immediately preceding three quarters.

WSR 02-01-097

PROPOSED RULES

GAMBLING COMMISSION

[Filed December 17, 2001, 1:06 p.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 01-21-063.

Title of Rule: Bingo, amending WAC 230-20-244 Electronic bingo card daubers—Definition—Operating restrictions—Standards, 230-20-246 Manner of conducting bingo, and 230-20-249 Three number speed bingo—Operational procedures—Restrictions.

Purpose: The proposed amendment clarifies that bingo players may only use one electronic bingo card dauber at a time to prevent a player from utilizing numerous electronic bingo card daubers at one time and possibly having a winning advantage over other players. Currently, winning bingo cards must be verified by a bingo employee and at least one neutral player. The proposed amendment would allow an alternative method to determine winning players for electronic daubers. This amendment would allow a bingo employee to verify the winning card, without verification by a neutral player. However, after verification, the employee must then broadcast the winning card on a video screen for all players to view. Furthermore, any player can request to view the card. Finally, a proposed amendment would increase the maximum price to purchase a three number speed bingo card from \$2 to \$7. Furthermore, the proposed amendment would allow three number speed bingo games to accrue progressive jackpots.

Statutory Authority for Adoption: RCW 9.46.070.

Summary: See Purpose above.

Reasons Supporting Proposal: See Purpose above.

Name of Agency Personnel Responsible for Drafting: Susan Arland, Lacey, (360) 486-3466; Implementation: Rick Day, Lacey, (360) 486-3446; and Enforcement: Bob Berg, Lacey, (360) 486-3452.

Name of Proponent: Staff, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: See Purpose above.

Proposal Changes the Following Existing Rules: See Purpose above.

No small business economic impact statement has been prepared under chapter 19.85 RCW. Proposal is exempt under RCW 19.85.025(2), therefore a small business economic impact statement is not required.

RCW 34.05.328 does not apply to this rule adoption. This agency does not choose to make section 201, chapter 403, Laws of 1995 apply to this rule adoption.

Hearing Location: WestCoast Hotel Olympia, 2300 Evergreen Park Drive S.W., Olympia, WA 98502, (360) 943-4000, on February 15, 2002, at 9:30 a.m.

Assistance for Persons with Disabilities: Contact Shirley Corbett by February 1, 2002, TDD (360) 486-3637, or (360) 486-3447.

Submit Written Comments to: Susan Arland, Rules Coordinator, P.O. Box 42400, Olympia, WA 98504-2400, (360) 486-3466, fax (360) 486-3625, by February 1, 2002.

Date of Intended Adoption: February 15, 2002.

December 14, 2001

Rules Coordinator

AMENDATORY SECTION (Amending Order 381, filed 3/22/00, effective 7/1/00)

WAC 230-20-244 Electronic bingo card daubers—Definition—Operating restrictions—Standards. The commission deems that any device, apparatus, or scheme that allows a player in any gambling activity a material advantage over other players is against public policy and restriction of such is in the public's interest. Electronic bingo card marking devices or daubers are deemed to provide a player a material advantage unless operated in accordance with subsection (2) of this section. For purposes of this title, the following definitions, restrictions, and standards apply to such devices:

Definition.

(1) Electronic bingo card daubers are defined as electronic appliances used by players to identify bingo cards that contain numbers or symbols input by a player. These devices electronically store preprinted bingo cards purchased by a player, provide a means for players to input numbers or symbols called by the operator, compare the numbers or symbols input by the player to bingo cards previously stored in an electronic data base, and identify to the player those stored bingo cards that contain the numbers or symbols input by the player: Provided, That player-owned devices, which are not directly interfaced with or connected to equipment used to conduct bingo games or the electronic data base in which electronically generated bingo cards are stored in any manner, are not "electronic bingo card daubers" for purposes of this title;

Operating restrictions.

(2) Electronic bingo card daubers will not be deemed to provide players a material advantage and may be used by players in bingo games when operated in the following manner:

Player responsibilities.

(a) The player must perform at least the following functions:

(i) Input each number or symbol called by the operator into the memory of the dauber unit by use of a separate input function for each number symbol. Automatic or global marking of numbers or symbols is prohibited;

(ii) Notify the operator when a winning pattern or "bingo" occurs by means that do not utilize the dauber unit or the associated system; and

(iii) Identify the winning card and display the card to the operator;

Maximum number of cards to be played during each game.

(b) ~~((Each player using an electronic dauber is limited to playing a maximum of sixty-six cards with the assistance of an electronic dauber during any game;))~~ Each electronic dauber unit shall not allow a player to play more than sixty-six cards at one time.

(c) Each player shall not use more than one electronic dauber at any point in time. Provided, That a player can play an unlimited amount of disposable or hard bingo cards in addition to using one electronic dauber unit.

Reserving electronic bingo card daubers.

~~((e))~~ (d) Operators shall not reserve electronic daubers for any player. An operator must devise and disclose to players a scheme for assignment of dauber units to players during each session. Such schemes shall allow all players an equal opportunity to utilize the available dauber units. If a drawing is used to assign dauber units to players, the operator shall ensure that each player participating in the drawing has an equal chance to win: Provided, That operators that offer electronic dauber units shall reserve at least one device for players with disabilities that would restrict their ability to mark cards and such disabilities are consistent with definitions set forth in the Americans with Disabilities Act (ADA). If there are no requests for use of this unit prior to fifteen minutes before the scheduled start of the session, it may be made available for use by any players;

Fees.

~~((d))~~ (e) If operators charge players a fee for use of the electronic daubers, such fees must be a flat fee and shall not be based on the number or dollar value of cards purchased. Fees charged shall be treated as rental income and may be used to reduce any expenses of operating these devices for compliance with net income requirements. Rental fees shall be considered bingo receipts for purposes of WAC 230-12-020: Provided, That players with disabilities that would restrict their ability to mark cards and such disabilities are consistent with the ADA shall not be required to pay a rental fee or to comply with minimum purchase requirements imposed on all players utilizing electronic daubers. Such players are required to comply with any minimum purchase requirement imposed on all players by an operator;

Card requirements.

~~((e))~~ (f) Each player utilizing an electronic dauber must have in their possession cards that meet all requirements of WAC 230-20-240 and ~~((230-20-101(3)))~~ 230-20-106. Electronic images of cards or faces stored in such devices are for player convenience only and are not bingo cards for purposes of this title;

Leasing by an operator.

~~((f))~~ (g) If the electronic daubers are leased to an operator, the lease cannot be based in whole or part on the amount of bingo card sales or rental income derived from such devices; and

Discounts and marketing schemes.

~~((g))~~ (h) The use of electronic daubers is prohibited when a licensee utilizes any marketing scheme for cards that results in a decrease in the per unit price of each card as the number of cards purchased increases: Provided, That a single discount level is authorized for each type of card sold if:

- (i) The licensee has a minimum purchase requirement;
- (ii) The discount applies to all additional cards purchased; and
- (iii) "All you can play" schemes are prohibited;

Standards.

(3) Electronic bingo card daubers must meet the following standards:

- (a) Be manufactured by licensed manufacturers;
- (b) Be sold, leased, and serviced by licensed distributors or manufacturers: Provided, That operators may perform routine maintenance on devices under their control;
- (c) Not be capable of accessing the electronic computer system in any manner that would allow modification of the program which operates and controls the dauber units or the cards stored in the electronic data base; and
- (d) Be capable of complying with applicable requirements of WAC ~~((230-20-101(3)))~~ 230-20-106.

AMENDATORY SECTION (Amending Order 369, filed 12/1/98, effective 1/1/99)

WAC 230-20-246 Manner of conducting bingo. In addition to all other requirements set forth in this Title, the following limitations and procedures shall be utilized for conducting bingo games:

Location of game.

(1) For purposes of this Title, a bingo game shall be deemed conducted at the premises at which cards are sold and winners are determined;

Cards to be sold on premises only.

(2) All sales of bingo cards shall take place upon the licensed premises during or immediately preceding the session for which the card is being sold;

Payment for bingo cards.

(3) Bingo cards shall be sold and paid for prior to selection of the first symbol or number for a specified game or specified number of games: Provided, That cards may be sold after the start of a game, or number of games, if the late sale does not allow any player an advantage over any other player. Hard cards purchased or exchanged after the first symbol or number is selected may only be used during subsequent games. Any sales method that allows a player to select a specific disposable or throwaway card shall be deemed to allow the player an advantage;

Reserving cards not allowed - exception for braille.

(4) No operator shall reserve, or allow to be reserved, any bingo card for use by players: Provided, That braille cards or other cards for use by visually impaired or disabled players may be reserved. Visually impaired players may use their personal braille cards when a licensee does not provide such cards. The licensee shall have the right to inspect, and to reject, any personal braille card. A visually impaired or disabled person may use a braille card or reserved hard card in place of a purchased throwaway;

Price and appearance of cards.

(5) All cards sold to participate for a specific prize or set of prizes shall be sold for the same price and be distinct and readily distinguished from all other cards in play: Provided, That similar cards used to participate for the same prize or set of prizes may be sold at a discount which is based solely on volume if each separate discount price is recorded using a separate sales identification code and records provide for an audit trail;

Number/symbols to be selected on premises.

(6) All symbols or numbers shall be selected on the premises and in the presence of players paying to participate in the game. Immediately following the drawing of each ball in a bingo game, the caller shall display the symbol or number on the ball to the participants: Provided, That this subsection does not apply to games being played for a linked bingo prize, as long as the drawing of the balls can be viewed by all participants;

Calling the number/symbol.

(7) The symbol or number on the ball shall be called out prior to the drawing of any other ball;

Posting number/symbol on flashboard.

(8) After the symbol or number is called, the corresponding symbol or number on the licensee's flashboard, if any, shall be lit for participant viewing. In a game where a symbol or number on the ball is not applicable to the game being played, it is not necessary to call that symbol or number to the participants before placing it for viewing on the flashboard;

Determining winners.

(9) A game ends when a specific pattern has been achieved by a player or a specific number of symbols or numbers has been called. Each game shall be played using a sep-

PROPOSED

arate selection process: Provided, That the same or a continuing selection process may be used to play the following games:

(a) Interim or "on-the-way" games, including "instant winner" games in which winners are determined by matching a predetermined number of symbols or numbers to balls called, or by matching a predetermined pattern within an established number of calls;

(b) Games for which cards are sold for different prices and players win a different prize depending on the price they pay to play; and

(c) Bonus games which are games played concurrently with other bingo games and the winner is determined by a player calling a valid bingo which includes a predetermined or preselected number or symbol;

Prizes available.

(10) No bingo game shall be conducted to include a prize determined other than by the matching of symbols or numbers on a bingo card with symbols or numbers called by the licensee, except as authorized by WAC 230-20-242. All persons who have paid to participate in the game are competing for a specific prize or a portion of a prize pool.

Multiple winners.

(11) If a prize pool has been designated and more than one player achieves a winning pattern at the same time, all such players shall be considered the winner and a portion of the prize pool shall be equally divided among all players achieving the same winning pattern;

Establishing prizes.

(12) The minimum amount of an individual prize, prize pool, or portion of a prize pool available for each bingo game shall be established and disclosed to bingo game players prior to their purchase of a chance to participate in a bingo game. The minimum prize may be increased by the gambling manager before the start of a game or through the following schemes during the game:

(a) Schemes using standard bingo equipment and cards such as:

- (i) Number of symbols or numbers called before a player achieving a winning combination;
- (ii) The specific symbol or number called;
- (iii) The specific letter called;
- (iv) Position of winning combinations on the card;
- (v) Position of the card on the sheet of cards;
- (vi) Odd or even symbol or numbers; and
- (vii) The number of symbols or numbers matched within a specific number of calls;

(b) Schemes preprinted on disposable cards that rely on a number or symbol called during a game; or

(c) Second element of chance schemes authorized by WAC 230-20-242(4).

Winner verification.

(13) Immediately upon a bingo player declaring a winning combination of symbols or numbers, the winning card shall be verified using one of the three methods listed below:

(a) The card or electronic dauber card image is inspected by ~~an employee of the bingo operation~~ and at least one neutral player~~(s)~~;

~~(Provided, That)~~ (b) The card or electronic dauber card image is verified by an employee of the bingo licensee. The bingo licensee's employee must immediately enter the bingo card number into an electronic verifier and broadcast the winning card on video screen(s) for all players to view. If this method is used, any player can request to see the actual winning card and must be given the opportunity to do so;

(c) Games played as "instant winners" and awarding fifty dollars or less do not need to be verified by a neutral player if an audit trail is maintained including a method which identifies the winning combination of numbers, symbols, or patterns and the numbers, symbols, or patterns called~~(s)~~.

Additional ball to be called.

~~(13))~~ (14) Upon a bingo player declaring a winning bingo, the next ball out of the machine shall be removed from the machine prior to shutting the machine off and shall be the next ball to be called in the event the declared winning bingo is not valid;

Awarding prizes.

~~(14))~~ (15) After a winning bingo is validated, the prize shall be awarded using the following procedures:

(a) Each winner shall be required to provide proof that they have purchased the winning bingo card. The licensee shall review the prize winner's income receipt and determine that the player has properly purchased all cards played during the games, including the winning card;

(b) Each prize winner shall be positively identified. The licensee shall require such proof of identification as is necessary to establish the prize winner's identity prior to paying any prize. The winner is responsible for furnishing proof to the licensee that all information required by this rule is true and accurate. Prizes may be withheld until the winner has provided adequate identification;

(c) The prize shall be awarded and a record made by completing a prize receipt as required by WAC 230-08-080 and 230-20-102. A complete address and tax payer identification number should be recorded for each prize valued at \$1,200 or more;

(d) All prizes for a particular game must be available prior to starting the game and shall be awarded by the end of the related session: Provided, That linked main and bonus prizes must be paid within forty-eight hours;

(e) All merchandise offered as prizes to bingo players shall have been paid in full, without lien or interest of others, prior to the merchandise being offered as a prize: Provided, That the licensee may enter into a contract to immediately purchase the merchandise when it is awarded as a prize, with the contract revocable if prize winners are allowed to exercise an option to receive a cash prize or the prize is no longer offered; and

Games shall be run fairly.

~~(15))~~ (16) No operator shall engage in any act, practice, or course of operation as would operate as a fraud to affect the outcome of any bingo game.

AMENDATORY SECTION (Amending Order 364, filed 9/23/98, effective 1/1/99)

WAC 230-20-249 Three number speed bingo—Operational procedures—Restrictions. Licensees may play "speed bingo" if the conditions set forth in this section are followed:

Definition.

(1) For purposes of this section, "three number speed bingo" is defined as a bingo game that:

(a) Is played using a reduced number of balls and special cards with less than twenty-five spaces;

(b) The rate of calling numbers is faster than normal;

(c) The price to play includes an "ante," which is retained by the licensee, and a wager that begins at three units and decreases by one for each number covered on a player's card; ~~((and))~~

(d) Players compete against all other players for a pool of prizes that varies according to the numbers covered by players during the game;

(e) An "ante" is the fee retained by the licensee which allows a patron to play speed bingo; and

(f) A wager is the total dollar value of chips used to cover the numbers on a player's card;

Restrictions.

(2) The following restrictions apply to speed bingo:

(a) The price to play speed bingo, including wagers, shall not exceed ~~((two))~~ seven dollars per card, per game;

(b) The price to play shall be the same for each card;

(c) The licensee shall not retain any part of players' wagers and all wagers not covering a called number on a player's card shall be paid to winners. If there is more than one winner, wagers shall be equally split among all winners: Provided, That licensees may develop a scheme for splitting odd numbers of chips between winners; ~~((and))~~

(d) Gross gambling receipts for speed bingo shall be only the amount of fees collected from players for tickets to participate and excludes wagers and prizes paid to players~~((:))~~;

(e) A progressive jackpot or accrued prize fund is authorized if:

(i) Requirements of WAC 230-20-102(7) are followed;

(ii) The prize fund or jackpot is funded solely from the "ante" collected by the licensee;

Rules of play.

(3) Speed bingo shall be played as follows:

(a) The game shall be played using thirty numbered balls, with numbers one through seventy-five available for use;

(b) Special cards that have three spaces imprinted with numbers that correspond to the numbers on the balls utilized for play;

(c) The licensee may elect to collect fees by charging a set amount for each card for the entire session or an amount per card for each game;

Additional ticket receipting requirements.

(d) The ticket receipting method set forth in WAC 230-20-105 shall be used to receipt for income received to play games. In addition, the following requirements shall be met:

(i) All tickets sold and collected must be canceled by stamping the calendar date on the ticket at the time of sale or permanently defacing the tickets when collected;

(ii) All tickets sold for per session fees shall be accounted for using the combination receipting method set forth in WAC 230-20-108;

(iii) Tickets sold and collected from players shall be reconciled to cash for each session;

Wager limits.

(e) Wagers shall be made and prizes paid using wagering chips. Wagers may be valued at any price as long as the total value of wagers and fees does not exceed ~~((two))~~ seven dollars per card, per game. ~~((The requirements of WAC 230-40-070 shall be followed for wagering chips and banking services.))~~ For licensees charging a flat fee per session to participate, the fee per game shall be determined by dividing the fee per session by the minimum number of games to be played;

Standards for chips.

(f) The bingo licensee shall furnish all chips in connection with the bingo game conducted on its premises. All chips shall be of generally conventional size and design, and include safeguards that maximize the integrity of the bingo games. The licensee shall furnish chips that meet the following standards:

(i) The bingo licensee's logo or name;

(ii) The chip value clearly denoted;

(iii) Be produced by a licensed manufacturer; and

(iv) Be purchased from a licensed manufacturer or distributor;

Bank services.

(g) The licensee shall sell its chips to all players desiring to buy them and redeem all chips for the value for which they were sold. The licensee shall collect the money taken in on chips sold and fees collected and shall keep these funds separate and apart from all other money received by the licensee;

Player to pay with ticket.

~~((f))~~ (h) Each player pays the licensee one ticket for each bingo card played for each game: Provided, That when the licensee charges a per session fee, the player's ticket and cash register receipt must remain visible and on the table at all times during the game;

Player's beginning wager.

~~((g))~~ (i) Each player's beginning wager is three chips for each bingo card played during any single game. A player must have three chips for each card being played prior to the beginning of the game;

PROPOSED

Wagering during the game and winner verification.

((+)) (j) During play of the game, players place a wagering chip on each number on their cards that is matched with called numbers. Once a wagering chip is used to cover a valid number, it is retained by the player and no longer available to be won by the game winner(s). Wagering chips must remain on the number on the card until all losing wagers are collected from players by the licensee. The bingo worker collecting wagers must verify that covered numbers are valid;

((+)) (k) The first player to cover all three numbers on any card is the winner;

((+)) (l) After the winning card is verified, all unprotected chips are collected from all players and paid to the winner((-);

Rules not applicable to speed bingo.

(4) The following WAC sections are not applicable to speed bingo:

(a) WAC 230-20-010 (1)(b) requiring all prizes available to be disclosed to players prior to their paying to participate: Provided, That licensees shall disclose the per-card cost to play and the amount of wagers required to play a single card;

(b) WAC 230-20-240(2) requiring that seventy-five balls, numbered one through seventy-five, be used to conduct games;

(c) WAC 230-20-240 (4)(a) requiring bingo cards to have twenty-five spaces;

(d) WAC 230-20-240(5) requiring Class F and above licensees to use disposable or electronically-generated bingo cards;

(e) WAC 230-20-101 regarding the ticket receipting method;

(f) WAC 230-20-246(6) requiring the symbol or number to be displayed to players: Provided, That the symbol or number must be displayed by use of a flashboard required by WAC 230-20-240(3) and the flashboard and audio system shall be fully functional; and

(g) WAC 230-08-080(2) and 230-20-102 regarding records for prizes awarded.

**WSR 02-01-102
PROPOSED RULES
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES**

(Economic Services Administration)

[Filed December 17, 2001, 3:28 p.m.]

Original Notice.

Exempt from preproposal statement of inquiry under RCW 34.05.310(4).

Title of Rule: New WAC 388-466-0120 Refugee cash assistance and 388-466-0140 Income and resources for refugee assistance eligibility; and repealing WAC 388-466-0010 Treatment of income and resources for refugee assistance.

Purpose: To comply with federal law in order to continue to meet federal refugee funding requirements.

Statutory Authority for Adoption: RCW 74.08.090.

Statute Being Implemented: RCW 74.08.090; C.F.R. Title 45 § 400.65, § 400.66, § 400.67, § 400.68, § 400.69.

Summary: The ESA Office of Refugee and Immigrant Assistance (ORIA) believes that the new rules will be more efficient and easier to understand and will result in better customer service.

Reasons Supporting Proposal: Efficiency, customer service.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Olga Walker, ORIA Program Manager, P.O. Box 45420, Olympia, WA 98504-5420, (360) 413-4285.

Name of Proponent: Department of Social and Health Services, governmental.

Rule is necessary because of federal law, C.F.R. Title 45 § 400.65, § 400.66, § 400.67, § 400.68, § 400.69.

Explanation of Rule, its Purpose, and Anticipated Effects: New rules have been proposed due to the change in federal law. ORIA believes that new rules will be more efficient and easier to understand and will result in better customer services.

Proposal Changes the Following Existing Rules: Repealing WAC 388-466-0010; and adds two new sections to chapter 388-466 WAC, Refugee assistance. These new sections will treat refugee eligibility, income and resources according to the provisions of the TANF program.

No small business economic impact statement has been prepared under chapter 19.85 RCW. This change does not meet the requirements for a small business economic impact statement.

RCW 34.05.328 does not apply to this rule adoption. This filing is exempt under RCW 34.05.328 (5)(b)(vii).

Hearing Location: Blake Office Park (behind Goodyear Courtesy Tire), 4500 10th Avenue S.E., Rose Room, Lacey, WA 98503, on January 22, 2002, at 10:00 a.m.

Assistance for Persons with Disabilities: Contact Andy Fernando, DSHS Rules Coordinator, by January 18, 2002, phone (360) 664-6094, TTY (360) 664-6178, e-mail fernaax@dshs.wa.gov.

Submit Written Comments to: Identify WAC Numbers, DSHS Rules Coordinator, Rules and Policies Assistance Unit, P.O. Box 45850, Olympia, WA 98504-5850, fax (360) 664-6185, by 5:00 p.m., January 22, 2002.

Date of Intended Adoption: No earlier than January 23, 2002.

December 14, 2001

Brian H. Lindgren, Manager

Rules and Policies Assistance Unit

NEW SECTION

WAC 388-466-0120 Refugee cash assistance (RCA).

(1) Who can apply for refuge cash assistance (RCA)?

Any individual can apply to the department of social and health services (DSHS) for refugee cash assistance and have their eligibility determined in no longer than thirty days.

(2) How do I know if I qualify for RCA?

You may be eligible for RCA if you meet all of the following conditions:

- (a) You have resided in the United States for less than eight months;
- (b) You meet the immigration status requirements of WAC 388-466-0005;
- (c) You meet the income and resource requirements under chapters 388-450 and 388-470 WAC;
- (d) You meet the work and training requirements of WAC 388-466-0150; and
- (e) You provide the name of the voluntary agency (VOLAG) which helped bring you to this country.
- (3) What are the other reasons for not being eligible for RCA?**

Even if you meet the eligibility requirements named in subsection (2) above you may be not eligible if you:

- (a) Are eligible for temporary assistance for needy families (TANF) or Supplemental Security Income (SSI);
- (b) Have been denied TANF due to your refusal to meet TANF eligibility requirements;
- (c) Are employable and have voluntarily quit or refused to accept a bona fide offer of employment within thirty consecutive days immediately prior to your application for RCA; or
- (d) Are a full time student in a college or university.
- (4) If I am an asylee, what date will be used as an entry date?**

If you are an asylee, your entry date will be the date that your asylum status is granted. For example: you entered the United States on December 1, 1999 as a tourist, then applied for asylum on April 1, 2000, interviewed with the asylum office on July 1, 2000 and were granted asylum on September 1, 2000. Your entry date is September 1, 2000. On September 1, 2000, you may be eligible for refugee cash assistance.

(5) If I am a victim of human trafficking, can I be eligible for RCA?

(a) If you are an adult victim you are eligible for RCA to the same extent as a refugee, if you provide the original certification letter from the U.S. Department of Health and Human Services (DHHS) and meet eligibility requirements in subsection (2)(c) and (d) of this section. You do not have to provide any other documentation of your immigration status. Your entry date will be the date on your certification letter.

(b) If you are a child victim under eighteen years old you are eligible for benefits to the same extent as a refugees and do not need to be certified. DHHS issues a special letter for children. Children also have to meet income eligibility requirement.

(6) Does getting a onetime cash grant from a voluntary agency (VOLAG) affect my eligibility for RCA?

No. In determining your eligibility for RCA DSHS does not count onetime resettlement cash grant provided to you by your VOLAG.

(7) What is the effective date of my eligibility for RCA?

The date DSHS has sufficient information to make eligibility decision is the date your RCA begins.

(8) When does my RCA end?

(a) If you don't have a job or any other income, your RCA ends on the last day of the eighth month starting from the month of your arrival to the U.S. Count the eight months

from the first day of the month of your entry into the U.S. For example, if you entered the U.S. on May 28, 2000, May is your first month and December 2000 is your last month of RCA.

(b) If you get a job, your RCA eligibility is re-determined based on the TANF rules (see chapter 388-450 WAC). If you earn more than is allowed by WAC 388-478-0035, you are no longer eligible for RCA. Your medical coverage may continue for up to eight months from your month of arrival in the U.S. See WAC 388-466-0130.

(9) Are there other reasons why RCA may end?

Your RCA also ends if:

- (a) You move out of Washington state;
- (b) Your unearned income and/or resources go over the maximum limit (see WAC 388-466-0140); or
- (c) You, without good cause, refuse to meet refugee employment and training requirements (see WAC 388-466-0150).

(10) Will my spouse be eligible for RCA, if he/she arrives in the U.S. after me?

When your spouse arrives in the U.S., DSHS determines his/her eligibility for RCA and/or other income assistance programs. If you live together you and your spouse are part of the same assistance unit and your spouse's eligibility for RCA is determined based on your and your spouse's combined income and resources (see WAC 388-466-0140).

(a) If you do not have any countable income, your spouse may be eligible for up to eight months of RCA based on his/her date of arrival into the USA.

(b) If you have countable income, in determining eligibility for RCA we consider it available to both you and your spouse.

(11) Can I get additional money in an emergency?

If you have an emergency and need a cash payment to get or keep your housing or utilities, you may apply for the DSHS program called additional requirements for emergent needs (AREN). To receive AREN, you must meet the requirements in WAC 388-436-0002.

(12) What can I do if I disagree with a decision or action that has been taken by DSHS on my case?

If you disagree with a decision or action taken on your case by the department, you have the right to request a review of your case or a fair hearing (see WAC 388-02-0090). Your request must be made within ninety days of the decision or action.

NEW SECTION

WAC 388-466-0140 Income and resources for refugee assistance eligibility. (1) How does DSHS count my income and resources when determining my eligibility for refugee cash assistance?

We determine your eligibility for RCA using the TANF rules about income and resources in chapters 388-450 and 388-470 WAC, except we do not count onetime resettlement cash payment provided to you by your voluntary agency (VOLAG).

(2) How does DSHS count my income and resources when determining my eligibility for refugee medical assistance?

PROPOSED

We determine your eligibility for RMA using the TANF rules about income and resources in chapters 388-450 and 388-470 WAC, except as it stated below:

- (a) Your monthly income can be up to two hundred percent of the Federal Poverty Level (FPL);
- (b) Onetime resettlement cash payment provided to you by your VOLAG is not counted in determining your eligibility for RMA;
- (c) Your RMA eligibility is determined on the basis of your income and resources on the date of your application (WAC 388-466-0130).

REPEALER

The following section of the Washington Administrative Code is repealed:

WAC 388-466-0010	Treatment of income and resources for refugee assistance.
------------------	---

**WSR 02-01-103
PROPOSED RULES
DEPARTMENT OF
FINANCIAL INSTITUTIONS**
[Filed December 17, 2001, 3:44 p.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 01-02-057.

Title of Rule: Credit unions' field of membership.

Purpose: To update and streamline the division's rules on the addition of groups to a credit union's field of membership.

Statutory Authority for Adoption: RCW 31.12.382, 31.12.516 (2), (4), 43.320.040.

Statute Being Implemented: RCW 31.12.382, [31.12].384.

Summary: The proposed rule updates and streamlines the division's rules on the addition of groups to a credit union's field of membership.

Reasons Supporting Proposal: To alleviate some of the unnecessary regulatory burden on credit unions in adding groups to their field of membership, thereby reducing credit unions' costs and improving their overall efficiency.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Parker Cann, 210 11th Street S.W., Room 300, Olympia, WA 98504, (360) 902-8778.

Name of Proponent: Division of Credit Unions, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: **Background:** A credit union may serve only those persons that are within its field of membership (FOM), as set forth in its FOM bylaws. A credit union may amend its FOM bylaws to add one or more occupational groups, associational groups and communities. RCW 31.12.382. A typical occu-

pational group is the employees of a company. A typical associational group is the members of a nonprofit organization. A typical community is a school district. The FOM groups may be located inside or outside of Washington state.

Currently, credit unions must apply to the Division of Credit Unions (division or DCU) for approval to add occupational and associational groups and communities (FOM groups) to their FOM bylaws. However, credit unions may apply to the division for approval of an enabling amendment that, once approved by the division, allows them to add individual small occupational groups - each with no more than five hundred people - without division approval.

The division's FOM rules are set forth in chapter 208-472 WAC. The division also has internal guidelines on FOM applications.

The division approves virtually all of the FOM applications submitted by credit unions rated a composite CAMEL 1 or 2 by the division, typically within thirty to forty days. In the division's experience, the approval of these applications has not led to excessive growth or fixed asset investment that has created safety and soundness problems. Moreover, credit unions' fixed asset investments are limited by RCW 31.12.-438. In one instance, a credit union's FOM communities now cover virtually the entire state. The FOM expansion of this credit union has not adversely affected its financial condition.

A credit union may not add an occupational or associational group to its FOM bylaws if the group is included in the FOM bylaws of another credit union, except if the overlapped credit union provides a letter of nonobjection, or if the specified number of persons in the group sign a petition that they desire service by the second credit union. However, a credit union with a community in its FOM may admit persons from occupational and association groups in the community that are included in the FOM of other credit unions. The community credit union cannot direct market to these persons, though, except in certain circumstances.

The division believes that competition among credit unions, as well as competition among the different types of financial institution charters, enhances consumer choice in the marketplace and is healthy for credit unions.

The NCUA now allows a federal credit union to have a community with a population of well over one million as its field of membership. In addition, the NCUA allows occupational-based federal credit unions to add occupational groups, each with no more than five hundred persons, without any overlap analysis. (In Washington, less than 1% of all employers, public and private, have more than five hundred employees.) The application may be filed through an on-line application process, with almost instantaneous approval. In these respects, the division's FOM policies have fallen behind the NCUA's.

Considering these various factors, the division has prepared the proposed rule to alleviate some of the unnecessary regulatory burden on credit unions in adding groups to their FOM bylaws. This will reduce their costs and improve their overall efficiency.

Current Rules: The main points of the division's current FOM rules and guidelines are:

- A credit union must submit a detailed application to request approval for the addition of groups to its FOM

bylaws. However, a credit union may apply for approval of an enabling amendment to its FOM bylaws to allow it to add individual small occupational groups (SOGs) without division approval. Each SOG may have no more than five hundred persons. The credit union must keep a list of its SOGs as part of its FOM bylaws.

- The division will not approve an application for a community with more than 75,000 residents, with the exception of rural areas with less than seventy-five people per square mile, and with certain other limited exceptions. However, credit unions can add multiple communities.
- A credit union may not add an occupational or associational group to its FOM bylaws if it is included in the FOM bylaws of another credit union, except if the overlapped credit union provides a letter of nonobjection, or if the specified number of persons in the group sign a petition that they desire service by the second credit union.
- A credit union with a community in its FOM bylaws may not market directly to occupational or associational groups in the community that belong to the FOM of another credit union, except in certain circumstances.
- A credit union applying for a community must provide notice to credit unions with an office within five miles of the boundaries of the community. Credit unions receiving notice have twenty days to submit comments to the division.
- The division will consider nine specified factors in deciding whether to approve an FOM application.

Significant Changes in Proposed Rule: The significant changes in the proposal are:

- The definition of the common bonds of occupation and association are simplified and broadened. The definition of community is simplified and broadened.
- A credit union rated composite CAMEL 1 and 2 by the division may add one or more qualified occupational and associational groups and communities to its FOM bylaws upon approval of its board of directors, without division approval.
An occupational or associational group is qualified for this purpose if it has less than 6,300 persons and is located wholly or partly in Washington. An occupational or associational group in excess of this limit may be considered qualified if it is already included in the FOM bylaws of another credit union. A community is qualified if it is a Washington school district, city, or county with no more than seventy-five people per square mile.
- A CAMEL 1 or 2 credit union may not add nonqualified groups to its FOM bylaws without the prior written approval of the division.
- A CAMEL 3, 4 or 5 credit union may not add groups to its FOM bylaws without the prior written approval of the division, except for SOGs added pursuant to a SOG enabling amendment approved by the division before the final rule takes effect. The division's decision on an FOM application will be based on the safety and sound-

ness of the applicant and the applicant's compliance with the division's FOM rules.

- The 75,000 population limit on communities is eliminated.
- A credit union adding an FOM group, whether by application or otherwise, must provide notice of the addition to all state and federal credit unions headquartered in the county in which the group is primarily located. The twenty day comment period has been eliminated. However, credit unions are always free to provide comment to the division.
Overlap protection for occupational and associational groups is eliminated. A credit union may add these groups, whether by application or otherwise, whether or not they are included in the FOM bylaws of another credit union. However, a variation of the direct marketing restriction has been maintained and expanded to all occupational and associational groups, whether or not within a community.

A credit union may not conduct direct marketing targeted primarily at persons in an occupational or associational group unless (a) the group was included in the FOM bylaws of the credit union before the final rule takes effect, or (b) the credit union has received a written statement from a management official of the underlying enterprise or association to the effect that the group wants service from the credit union. **This provision applies to every state credit union, whether or not it has added an occupational or associational group, and whether or not the addition of a new group overlaps another credit union.**

- The division's requirements for the contents of applications are significantly reduced.
- Credit unions may, upon board approval (and without division approval):
 - (a) Delete exclusionary clauses, SOG enabling amendments, and nonexistent groups from their FOM bylaws.
 - (b) Revise their SOG enabling amendments to delete the five SOG requirements except for the limit on the number of employees, which is now five hundred per group.
 - (c) Aggregate communities into a larger community.
 - (d) Make nonsubstantive changes to their FOM bylaws.
- The proposal applies to Washington credit unions as well as out-of-state and foreign credit unions operating in Washington pursuant to RCW 31.12.471.
- The proposal does not restrict FOM groups added to a credit union's FOM bylaws before the final rule takes effect.

We expect that credit unions interested in expanding their FOM will continue to add communities rather than occupational or associational groups. We are not aware of any credit union, other than the one mentioned above, that desires to aggregate FOM communities that cover the entire state.

We currently have an examiner who devotes about 75% of her time to processing FOM applications. In addition, the division's program manager and director spend time reviewing and approving applications. We expect that the proposal will substantially reduce the number of FOM applications, perhaps by up to 95%. We expect to redirect most of the

PROPOSED

PROPOSED

freed-up staff time to examination-related matters, our core function.

Comments Sought: We are interested in your comments on all aspects of the proposed rule. In particular, though, we are interested in your views on the direct/targeted marketing restriction:

- Will the restriction make a difference to the viability of small credit unions?
- Is the restriction understandable? Do we need a more detailed explanation or definition of the restriction?
- Will the restriction be a significant burden for credit unions that are adding FOM groups? For smaller credit unions that are not adding groups?
- If the restriction is adopted in the final rule, should it be phased out, say, in three to five years?

Proposal Changes the Following Existing Rules: WAC 208-472-010, revised extensively, to provide a more detailed statement of credit unions' authority to add FOM groups.

WAC 208-472-015, revised extensively, to revise existing definitions and add many new definitions.

WAC 208-472-020, revised extensively, to describe the general process for the addition of FOM groups, and related matters.

WAC 208-472-025, revised extensively, to streamline the application process to add FOM groups.

WAC 208-472-041, 208-472-045, 208-472-050, 208-472-060, 208-472-065, 208-472-070, 208-472-075, and 208-472-080, repealed.

No small business economic impact statement has been prepared under chapter 19.85 RCW. The proposed rule would not impose more than minor costs on credit unions, and therefore no small business economic impact statement is necessary pursuant to RCW 19.85.030(1).

RCW 34.05.328 does not apply to this rule adoption. RCW 34.05.328 does not include the Department of Financial Institutions as a covered agency.

Hearing Location: WestCoast Olympia Hotel (Pine Room), 2300 Evergreen Park Drive S.W., Olympia, WA 98501, on January 23, 2002, at 11:30 a.m.

Assistance for Persons with Disabilities: Contact Tina Philippsen by January 14, 2002, TDD (360) 664-8126.

Submit Written Comments to: Parker Cann, Director of Credit Unions, P.O. Box 41200, 210 11th Street S.W., Olympia, WA 98504-1200.

Date of Intended Adoption: January 23, 2002.

December 17, 2001

John L. Bley
Director

Chapter 208-472 WAC

CREDIT UNION FIELD OF MEMBERSHIP ((EXPANSION))

AMENDATORY SECTION (Amending WSR 96-06-011, filed 2/23/96, effective 6/1/96)

WAC 208-472-010 ((Purpose:)) Authority. ((This chapter is adopted by the director for the purpose of establish-

ing the application process for a credit union to include in its field of membership a separate group:

- (1) With a common bond of occupation or association; or
- (2) That constitutes a community.)

A credit union may admit to membership those persons qualified for membership who are within its field of membership as stated in its bylaws. RCW 31.12.382. A credit union may amend its field of membership bylaws to add one or more occupational groups, associational groups and communities to its field of membership, as approved by the director pursuant to this chapter. The FOM groups may be located inside or outside the state.

Once a person becomes a member of a credit union, the person may continue to be a member even though the person is no longer within the field of membership of the credit union, subject to the credit union's right to terminate the person's membership in accordance with law.

In addition to the field of membership powers or authorities reflected in this chapter, a credit union has the field of membership powers and authorities granted pursuant to RCW 31.12.404.

AMENDATORY SECTION (Amending WSR 96-17-070, filed 8/20/96, effective 9/20/96)

WAC 208-472-015 Definitions. Unless the context clearly requires otherwise, as used in this chapter:

(1) "Affiliate" of an enterprise or organization means a person that controls, is controlled by, or is under common control with, the enterprise or organization. "Control" means twenty-five percent or greater stock ownership.

(2) ~~((("Common bond of association" means a current, unifying factor among a group of natural persons, that is based on membership in a bona fide organization whose primary purpose is other than providing eligibility for credit union services. Such an organization must be primarily composed of natural persons who are eligible to participate in the organization's activities. Such an organization also must have clearly defined membership eligibility and must hold regular meetings at least once each year.~~

~~Matriculating students of an accredited college or university, who are members of an identified organization, other than general members of the applicant's credit union, are deemed to have a common bond of association. The organization need not satisfy the requirements set forth in the prior paragraph.~~

(3) ~~"Common bond of occupation" means a current, unifying factor among a group of natural persons that is based on employment by or a work-related relationship with an enterprise. The group may include only the following categories of persons:~~

~~(a) Employees of the enterprise, and their family members;~~

~~(b) Employees of any subsidiaries of the enterprise, and their family members;~~

~~(c) Employees of the affiliates of the enterprise, and their family members;~~

~~(d) Nonemployee officials of the enterprise, and their family members; and~~

~~(e) Natural persons under contract to work regularly for the enterprise, and their family members.~~

Each of these categories may be included if they are separately identified in the credit union's bylaws.

(4) "Community" means a current unifying factor among a group of natural persons, that is based on residence or employment within a well defined and relatively limited geographic area, with a relatively limited population, that is recognized by those who live or work there as a neighborhood, community, or rural district.

For example, the city of Seattle and King County do not constitute a community for this purpose, because they do not have a relatively limited population. On the other hand, the city of Chelan and Chelan school district are within a well defined and relatively limited geographic area, with a relatively limited population, and may constitute a community if they are recognized by those who live or work there as a neighborhood, community or rural district. (These examples are based on circumstances existing on December 1, 1994.)

(5) "Associational group" is a group with a common bond of association related to membership in an organization. The organization must satisfy each of the following criteria:

(a) The organization's primary purpose must be other than providing eligibility for credit union services;

(b) The organization's membership must be primarily composed of natural persons; and

(c) The organization's organizational documents must clearly define membership eligibility.

In regard to an associational group within a credit union's FOM, the credit union may admit to membership:

(i) Members of the organization;

(ii) Directors, employees, volunteers and retirees of the organization, and its subsidiaries and affiliates;

(iii) Natural persons under contract to work for the organization and its subsidiaries and affiliates;

(iv) Family members (as determined by the credit union) of any of the above-described natural persons;

(v) The spouse of any of the above-described natural persons who qualified for membership at the time of his or her death;

(vi) The organization and its subsidiaries and affiliates;

(vii) Organizations or enterprises more than half of whose owners, members or employees are eligible to be members of the credit union; and

(viii) Other persons approved by the director.

Students of a school, college or university are deemed to be members of an organization that constitutes an associational group. In regard to such an associational group within a credit union's FOM, the credit union may admit to membership the students of the school, college or university as well as the family members (as determined by the credit union) of the students.

(3) "CAMEL" means the CAMEL rating system used by the division, or a successor rating system used by the division.

(4) "Community" is a well-defined geographic area that is recognized by those who live or work there as a neighborhood, community, or rural district.

In regard to a community within a credit union's FOM, the credit union may admit to membership:

(a) Natural persons who live, work, worship or go to school in the community;

(b) Enterprises or organizations that have offices within the community;

(c) Directors, employees, volunteers and retirees of the above-described enterprises or organizations;

(d) Family members (as determined by the credit union) of any of the above-described natural persons;

(e) The spouse of any of the above-described natural persons who qualified for membership at the time of his or her death;

(f) Enterprises or organizations more than half of whose owners, members or employees are eligible to be members of the credit union; and

(g) Other persons approved by the director.

(5) "Credit union" means a credit union organized (or chartered) and operating under chapter 31.12 RCW, and an out-of-state or foreign credit union operating in this state in accordance with RCW 31.12.471.

(6) "Director" means the director of ((the Washington state department of)) financial institutions.

(7) ("Number of potential members" means the sum of:

(a) The number of actual members of the applicant credit union; and

(b) The number of employees or members (as appropriate) of the group applied for.

(8) "Required number" means:

(a) If the number of employees or members (as appropriate) of the specified group is two thousand one or more, the required number is at least five percent of the number of these individuals (rounded up to the nearest whole number).

(b) If the number of employees or members (as appropriate) of the specified group is from three hundred thirty to two thousand, the required number is at least one hundred of these individuals.

(c) If the number of employees or members (as appropriate) of the specified group is three hundred twenty nine or less, the required number is at least thirty percent of the number of these individuals (rounded up to the nearest whole number);) "Division" means the division of credit unions of the Washington state department of financial institutions.

(8) "FOM" means field of membership.

(9) "FOM groups" includes occupational groups, associational groups and communities.

(10) A group is "included in the FOM bylaws" of a credit union if the underlying enterprise or organization is named expressly in the credit union's FOM bylaws.

(11) "Occupational group" is a group with a common bond of occupation related to employment by, or work for, an enterprise. The group must be primarily composed of natural persons.

In regard to an occupational group within a credit union's FOM, the credit union may admit to membership:

(a) Employees of the enterprise;

(b) Directors, employees, volunteers and retirees of the enterprise, and its subsidiaries and affiliates;

(c) Natural persons under contract to work for the enterprise and its subsidiaries and affiliates;

(d) Family members (as determined by the credit union) of any of the above-described natural persons;

(e) The spouse of any of the above-described natural persons who qualified for membership at the time of his or her death;

(f) The enterprise and its subsidiaries and affiliates;

(g) Enterprises and organizations more than half of whose owners, members or employees are eligible to be members of the credit union; and

(h) Other persons approved by the director.

(12) "Primarily" or "primary" means more than one-half.

(13) "Qualified associational group" means an associational group located wholly or partly within Washington state. However, if the members of the organization exceed 6,299, the group will not be considered qualified unless the group is included in the FOM bylaws of another credit union or federal credit union.

An associational group that does not satisfy this definition is considered to be a nonqualified associational group.

(14) "Qualified community" means a geographic area within Washington state that constitutes a:

(a) School district;

(b) City; or

(c) County with a population of no more than 75 people per square mile.

A community that does not satisfy this definition is considered to be a nonqualified community.

(15) "Qualified occupational group" means an occupational group located wholly or partly within Washington state. However, if the members of the enterprise exceed 6,299, the group will not be considered qualified unless it is included in the FOM bylaws of another credit union or federal credit union.

An occupational group that does not satisfy this definition is considered to be a nonqualified occupational group.

(16) "SOG" means a small occupational group added pursuant to a SOG enabling amendment.

(17) "SOG enabling amendment" means a SOG enabling amendment approved by the director pursuant to former WAC 208-472-041.

AMENDATORY SECTION (Amending WSR 96-17-071, filed 8/20/96, effective 9/20/96)

WAC 208-472-020 (~~Inclusion of a group with a common bond of occupation.~~) **Addition of FOM groups.** (~~Except as permitted by WAC 208-472-041, if a credit union wants to include a separate group with a common bond of occupation in its field of membership, it must make application to the director to amend its bylaws in accordance with RCW 31.12.115. The application must be submitted to the director in duplicate and must include the information as required by WAC 208-472-025.~~) (1) General. Each credit union will keep its FOM bylaws substantially in the form of the model FOM bylaws prescribed by the division. Credit unions that have not converted to the model FOM bylaws prior to (the effective date of the 2002 revisions to this chapter) will do so by June 30, 2002. Each credit union must maintain accurate, up-to-date FOM bylaws and must restate its entire FOM bylaws after each FOM group is added, and indicate the date of restatement on each set of restated bylaws.

(2) CAMEL 1s and 2s.

A credit union rated a composite CAMEL 1 or 2 by the division:

(a) May add qualified occupational groups, qualified associational groups and qualified communities to its field of membership bylaws upon approval of its board of directors. Before the board approves the amendment, the credit union must mail or otherwise provide notice of the addition to each credit union and federal credit union headquartered in the county in which the FOM group is primarily located. The credit union must include in its bylaws the name of the specific enterprise, organization or community, and the date that the board approved the amendment. Additions made in accordance with this subsection (2)(a) are deemed approved by the director; and

(b) May not add nonqualified occupational and associational groups and nonqualified communities to its field of membership bylaws without the prior approval of its board of directors and the prior written approval of the director under WAC 208-472-025.

(3) CAMEL 3s, 4s and 5s. A credit union rated a composite CAMEL 3, 4 or 5 by the division may not add the following FOM groups to its field of membership bylaws without the prior approval of its board of directors and the prior written approval of the director under WAC 208-472-025:

(a) Occupational groups, except for SOGs;

(b) Associational groups; and

(c) Communities.

In general, the director will not approve:

(i) The addition of a community to a credit union's bylaws if the credit union is rated a composite CAMEL 3 by the division; or

(ii) The addition of an occupational or associational group or a community to a credit union's bylaws if the credit union is rated a composite CAMEL 4 or 5 by the division.

(4) Other changes. A credit union may, upon approval of its board of directors, amend its FOM bylaws to:

(a) Delete exclusionary clauses;

(b) Delete FOM groups that no longer exist;

(c) Delete its SOG enabling amendment;

(d) Revise its SOG enabling amendment to delete the five SOG requirements other than the limitation on the number of employees, which is now 500;

(e) Aggregate communities into a larger community. For example, if a credit union has added each of the school districts within a county as communities, it may amend its FOM bylaws to designate the county as a community rather than listing each of the school districts as a community; and

(f) Make nonsubstantive changes.

The board may delegate the authority to delete FOM groups that no longer exist.

In amending its FOM bylaws under this subsection (4), other than deletions, the credit union must indicate in its bylaws the date that the board approved the amendment.

AMENDATORY SECTION (Amending WSR 96-17-071, filed 8/20/96, effective 9/20/96)

WAC 208-472-025 (~~Application to include a separate occupational group.~~) **Addition of FOM groups—**

Approval of director. (1) ~~((The application to include a separate group with a common bond of occupation must include at least the following information:~~

~~(a) The name of the applicant credit union;~~
~~(b) Evidence that the applicant's board of directors has complied with the notice and voting requirements of RCW 31.12.115;~~

~~(c) A description of the enterprise including its name, number of employees, and the geographic location of those employees. The categories of persons specified in WAC 208-472-015(2) that are included in the group must be separately identified;~~

~~(d) A statement from an officer of the enterprise:~~
~~(i) That the enterprise desires membership for its employees in the applicant; and~~

~~(ii) Whether its employees are currently eligible for membership, based upon such employment, in another state or federally chartered credit union. If the employees of the enterprise are eligible for membership in another credit union based upon such employment, the applicant must make best efforts to provide a statement of nonobjection from the other credit union.~~

~~(2) In addition, the application must also include the following information if applicable:~~

~~(a) If the number of potential members of the applicant exceeds one hundred twenty percent of the number of its actual members, then the following information must also be submitted:~~

~~(i) A copy of the applicant's most recent monthly financial statement;~~

~~(ii) A copy of the applicant's plan or other document demonstrating its ability and intent to provide service to the new group and specific plans relating anticipated growth to capital levels.~~

~~(b) If the number of employees of the enterprise exceeds five hundred, then the following must also be submitted:~~

~~(i) An analysis whether the group has sufficient size and resources to form a credit union of its own;~~

~~(ii) Documentation concerning compliance with plans on penetration and service submitted with previously approved applications for inclusion of a group in the applicant's field of membership;~~

~~(iii) Documentation that the applicant has given written notice to all other credit unions headquartered in this state, both state and federally chartered, that have a staffed office in any county in which the offices of the enterprise are located. Credit unions entitled to receive the notice will be given twenty days following receipt of the notice to submit to the department any comments on the application.~~

~~(3) If the applicant cannot obtain the letter of nonobjection described in subsection (1)(d) of this section, after having made a best efforts attempt to do so, it must submit documentation that:~~

~~(a) The required number of employees of the enterprise desire membership in the applicant; or~~

~~(b) The other credit union has failed to adequately serve the group after a reasonable period of time, and how the applicant plans to improve this service.~~

~~The applicant must supply a copy of the information required in (a) and (b) of this subsection to the other credit~~

~~union, which will be given sixty days following receipt of such information to submit to the department any comments on the overlap.~~

~~This subsection (3) does not apply to overlaps arising out of merger type transactions between enterprises.) In order to request the approval of the director to add an FOM group to its bylaws under WAC 208-472-020 (2)(b) or (3), a credit union must submit a written application in duplicate to the director. The application must include the following items, and other information and materials requested by the director:~~

~~(a) The name of the FOM group that the applicant desires to add to its bylaws;~~

~~(b) A copy of the resolution of its board of directors approving the bylaws amendment, certified by the board chairperson or secretary;~~

~~(c) A detailed description of the FOM group, including location and number of employees, members or residents, as appropriate, with supporting documentation;~~

~~(d) An explanation how the FOM group satisfies the definition of such a group in WAC 208-472-015;~~

~~(e) If the applicant is applying to add an associational group, an explanation of the qualifications for membership in the organization, and a copy of the organization's organizational documents;~~

~~(f) An explanation how the addition of the FOM group will affect the financial condition of the applicant. In addition, if the applicant is applying for a community, three year pro forma income statements and balance sheets and key ratios (including ROAA, net worth, asset growth and share growth);~~

~~(g) If the applicant is applying to add a nonqualified occupational or associational group in excess of 6,299 employees or members, as applicable, a reasoned justification why the group does not have sufficient size or resources, including individual and sponsor support, and financial, physical and human resources, to support a viable credit union of its own; and~~

~~(h) A statement that the applicant has provided notice of the application by mail or otherwise to each credit union and federal credit union headquartered in the county in which the FOM group is primarily located.~~

~~The director may waive any of the items in this subsection as the director deems appropriate, such as in the case of the addition of FOM groups located wholly out-of-state.~~

~~(2) An application filed pursuant to subsection (1) of this section is deemed complete when the director has received all of the information required by subsection (1) of this section. If an incomplete application is received, the director will give written notice to the applicant no more than thirty days from the date the original application was received that additional information is necessary. The applicant will be allowed thirty days after receipt of the notice to provide the requested information, or the director will return the application and it will be deemed withdrawn.~~

~~(3) The director shall give the applicant written notice of approval or denial within thirty days after the application is deemed complete. The director's determination whether to approve an application will be based on consideration of the~~

safety and soundness of the applicant and the applicant's compliance with this chapter.

(4) To add a separate FOM group located wholly out-of-state to its field of membership bylaws, a credit union should first contact the director to determine how to proceed with the application to the director and whether the credit union is required to file an application or notice with the credit union supervisory authority in the other state.

NEW SECTION

WAC 208-472-030 Direct marketing. A credit union may not conduct direct marketing targeted primarily at the persons in an occupational or associational group unless:

(1) The group was included in the FOM bylaws of the credit union prior to (the effective date of the 2002 revisions to this chapter); or

(2) A management official of the underlying enterprise or organization has provided the credit union with a written statement, signed by the official, that the group desires service by the credit union.

NEW SECTION

WAC 208-472-035 Application. (1) This chapter also applies to the conversion of an out-of-state, foreign or federal credit union to a credit union chartered and operating under chapter 31.12 RCW.

(2) This chapter does not apply to mergers where the continuing credit union is organized (or chartered) and operating under chapter 31.12 RCW. The continuing credit union may amend its FOM bylaws to add the FOM groups of the merging credit union.

(3) This chapter does not restrict FOM groups added to a credit union's bylaws prior to (the effective date of the 2002 revisions to this chapter).

REPEALER

The following sections of the Washington Administrative Code are repealed:

- WAC 208-472-012 General requirement.
- WAC 208-472-041 Streamlined procedure for small occupational groups.
- WAC 208-472-045 Inclusion of a group with a common bond of association.
- WAC 208-472-050 Application to include a separate associational group.
- WAC 208-472-060 Inclusion of a community group.
- WAC 208-472-065 Application to include a separate community group.
- WAC 208-472-070 Application deemed complete.
- WAC 208-472-075 Approval of application.
- WAC 208-472-080 Special circumstances.

Original Notice.

Preproposal statement of inquiry was filed as WSR 01-20-069.

Title of Rule: Chapter 478-136 WAC, Use of University of Washington facilities.

Purpose: To incorporate an emergency rule into chapter 478-136 WAC concerning visual inspection of bags and backpacks at Husky Stadium and other University of Washington facilities accommodating large numbers of people, and to make housekeeping changes to phone numbers and reference citations.

Statutory Authority for Adoption: RCW 28B.20.130.

Statute Being Implemented: RCW 28B.20.130.

Summary: WAC 478-136-012 includes several reference citation revisions; WAC 478-136-015 adds an area code to a phone number; and WAC 478-136-030 incorporates an emergency rule on visual inspection of bags and backpacks and adds an area code to a phone number.

Reasons Supporting Proposal: The university implemented a series of enhanced security measures for public events in large capacity venues following the events of September 11, 2001. These include visual inspection of items in people's possession at point of entry to these venues. The university has a responsibility to ensure public safety in its facilities, and it was deemed necessary and appropriate to take these additional public safety measures.

Name of Agency Personnel Responsible for Drafting and Implementation: Norman G. Arkans, Chair, Committee on the use of University Facilities, 400 Gerberding Hall, University of Washington, Seattle, WA, (206) 543-2560, and Enforcement: Vicky Peltzer, University of Washington Police Chief, 1117 N.E. Boat Street, Seattle, WA, (206) 543-0521.

Name of Proponent: University of Washington, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: The proposed rule permits visual inspection of various items people have in their possession when attending events in the university's large capacity venues. The purpose is to increase security measures and enhance public safety at large gatherings. The effect is a slight time delay at entry points to venues to conduct visual inspections.

Proposal Changes the Following Existing Rules: The following sections of the Washington Administrative Code would be amended: WAC 478-136-012, 478-136-015, and 478-136-030.

No small business economic impact statement has been prepared under chapter 19.85 RCW. Chapter 478-136 WAC does not impose a disproportionate impact on small businesses.

RCW 34.05.328 does not apply to this rule adoption. Chapter 478-136 WAC is not considered a significant legislative rule by the University of Washington.

PROPOSED

Hearing Location: Room 309, Husky Union Building (HUB), University of Washington, Seattle, Washington, on January 25, 2002, at 12:00 noon.

Assistance for Persons with Disabilities: Contact UW Disability Services Office by January 15, 2002, TDD (206) 543-6452, or (206) 543-6450.

Submit Written Comments to: Rebecca Goodwin Deardorff, Director, Administrative Procedures Office via one of the following routes: United States mail University of Washington, 4014 University Way N.E., Seattle, WA 98105-6203; Campus Mail Box 355509; e-mail adminpro@u.washington.edu; or fax (206) 616-6294, by January 25, 2002.

Date of Intended Adoption: February 15, 2002.

December 14, 2001

Director, Administrative Procedures

AMENDATORY SECTION (Amending WSR 97-24-047, filed 11/26/97, effective 12/27/97)

WAC 478-136-012 Definitions. (1) "Facilities" includes all structures, grounds, parking lots, waterfront, and airspace owned or operated by the University of Washington. Specific rules also apply to parking lots, bicycle and skateboard use (chapter 478-116 WAC), boat moorage facilities (chapter 478-138 WAC and *University Handbook*, Volume ((IV)) 4, Part VII, Chapter 3, Section 2), residence halls (chapter 478-156 WAC ((and *University Handbook*, Volume IV, Part VI, Chapter 1, Section 2))), airspace use (*University Handbook*, Volume ((IV)) 4, Part VII, Chapter 3, Section 5), ((scoreboard postings (*University Handbook*, Volume IV, Part VI, Chapter 1, Section 4)), solicitation and commercial sales (*University Handbook*, Volume IV, Part VI, Chapter 4)), nonuniversity speakers on campus (*University Handbook*, Volume ((IV)) 4, Part VII, Chapter 3, Section 4), smoking (*University Handbook*, Volume ((IV)) 4, Part VII, Chapter 6), and use of facilities by the Associated Students University of Washington (ASUW), Graduate and Professional Student Senate (GPSS), and other affected organizations (*University Handbook*, Volume ((III)) 3, Part III, Chapter 5).

(2) "Use of facilities" includes, but is not limited to: The holding of events, the posting and removal of signs, all forms of advertising, commercial activities, and charitable solicitation.

(3) "Approved event" means a use of university facilities which has received preliminary approval from an academic or administrative unit and which has received final approval from the committee on the use of university facilities.

AMENDATORY SECTION (Amending WSR 97-24-047, filed 11/26/97, effective 12/27/97)

WAC 478-136-015 Administrative responsibilities.

(1) The board of regents has delegated to the president of the university the authority to regulate the use of university facilities.

(2) Under this authority, the president has appointed the committee on the use of university facilities: To provide for proper review of the use of university facilities; to establish within the framework of this policy guidelines and proce-

dures governing such use; to approve or disapprove requested uses; and to establish policies regarding fees and rental schedules where appropriate. Inquiries concerning the use of university facilities may be directed to:

University of Washington
Secretary of the Committee on the
Use of University Facilities
400 Gerberding Hall
Box 351210
Seattle, WA 98195-1210
(or phone: 206-543-2560).

(3) Preliminary approval of an event by an academic or administrative unit of the university implies that a responsible official has applied his or her professional judgment to the content of the program, the qualifications of the individuals conducting the event, the manner of presentation, and has concluded that the event is consistent with the teaching, research, and/or public service mission of the university.

(4) Final approval of a facilities use request by the committee on the use of university facilities implies that the committee has reviewed the proposed event with regard to: The general facilities policy; the direct and indirect costs to the institution; environmental, health and safety concerns; wear and tear on the facilities; appropriateness of the event to the specific facility; and the impact of the event on the campus community, surrounding neighborhoods and the general public.

(5) The university will not make its facilities or services available to organizations which do not assure the university that they will comply with the terms of the Americans with Disabilities Act (ADA, 42 U.S.C. 12132, 12182) and the Rehabilitation Act of 1973 (RA, 29 U.S.C. 794). Uses must not impose restrictions nor alter facilities in a manner which would violate the ADA or RA.

(6) The university will not make its facilities or services available to organizations which do not assure the university that they do not discriminate against any person because of race, color, religion, national origin, sex, sexual orientation, age, handicap, or status as a Vietnam era or disabled veteran, except where such organizations have been exempted from provisions of applicable state or federal laws or regulations.

(7) Individuals who violate the university's use of facilities regulations and approved users who violate university contract terms for use of facilities may be advised of the specific nature of the violation and, if continued, individuals may be requested to leave university property or be refused future use of university facilities. Failure to comply with a request to leave university property could subject such individuals to arrest and criminal prosecution under provisions of applicable state, county, and city laws.

AMENDATORY SECTION (Amending WSR 01-11-135, filed 5/23/01, effective 6/23/01)

WAC 478-136-030 Limitations on use. (1) Freedom of expression is a highly valued and indispensable quality of university life. However, university facilities may not be used in ways which obstruct or disrupt university operations, the freedom of movement, or any other lawful activities. Addi-

tionally, use of university facilities may be subject to reasonable time, place and manner restrictions.

(2) University facilities may be used for events and forums regarding ballot propositions and/or candidates who have filed for public office so long as the event has received preliminary approval by an administrative or academic unit and final approval by the committee on the use of university facilities. There are, however, certain limitations on the use of university facilities for these political activities.

(a) First priority for the use of campus facilities shall be given to regularly scheduled university activities.

(b) University facilities may be used for political purposes such as events and forums regarding ballot propositions and/or candidates who have filed for public office only when the full rental cost of the facility is paid. However, use of state funds for payment of facility rental costs is prohibited.

(c) Forums or debates may be scheduled at full facility rental rates if all parties to a ballot proposition election or all candidates who have filed for office for a given position, regardless of party affiliation, are given equal access to the use of facilities within a reasonable time.

(d) No person shall solicit contributions on university property for political uses, except in instances where this limitation conflicts with applicable federal law regarding interference with the mails.

(e) Public areas outside university buildings may be used for political purposes such as events and forums regarding ballot propositions and/or candidates who have filed for public office, excluding solicitation of funds, provided the other normal business of the university is not disrupted and entrances to and exits from buildings are not blocked.

(f) University facilities or services may not be used to establish or maintain offices or headquarters for political candidates or partisan political causes.

(3) University facilities may not be used for private or commercial purposes such as sales, advertising, or promotional activities unless such activities serve an educational purpose, as determined by the committee on the use of university facilities.

(4) Nothing in these rules is intended to alter or affect the regular advertising, promotional, or underwriting activities carried on, by, or in the regular university media or publications. Policies concerning advertising, promotional or underwriting activities included in these media or publications are under the jurisdiction of and must be approved by their respective management or, where applicable, advisory committees, in accordance with applicable state and federal laws.

(5) In accordance with WAC 478-136-010, the university will make its facilities available only for purposes related to the educational mission of the university, as determined by the committee on the use of university facilities, including but not limited to instruction, research, public assembly, and student activities. When permission is granted to use university facilities for approved instructional or related purposes, as a condition of approval, the user of university facilities agrees to include in all materials nonendorsement statements in the form approved by the committee on the use of university facilities. "Materials" includes all communications, advertisement, and any other printed, electronic, or broad-

cast/telecass information related to the user's activities offered in university facilities. The committee will determine the content, size of print and placement of the nonendorsement language. The university will not make its facilities available for instructional or related purposes that compete with courses or programs offered by the university.

(6) Solicitation, or distribution of handbills, pamphlets and similar materials by anyone, whether a member of the university community or of the general public, is not permitted in those areas of campus to which access by the public is restricted or where such solicitation or distribution would significantly impinge upon the primary business being conducted.

(7) Solicitation and distribution of materials in university residence halls are governed by residence hall policies. No solicitation of a commercial nature is permitted in university residence halls. Commercial advertising may be allowed, and is restricted to certain designated areas of each residence hall, when it is related to the university's mission and approved by the department of housing and food services.

(8) Electronic amplification on the grounds of the campus is prohibited with the following exceptions:

(a) The lawn area immediately west of the Husky Union Building will be available for open-air speaking events using directional and volume-controlled speech amplification equipment provided by the university. Use of the Husky Union Building lawn site will be available to registered or official student organizations and faculty or staff groups on a first-come, first-served basis. The amplification system will be issued upon presentation of a currently valid student, faculty or staff identification card at the Husky Union Building Reservation Office.

(b) The committee on the use of university facilities may grant permission, under special circumstances, for the use of other amplification equipment on the lawn site west of the Husky Union Building or in other outdoor locations. Permission should be requested through:

University of Washington
Secretary to the Committee on the
Use of University Facilities
400 Gerberding Hall
Box 351210
Seattle, WA 98195-1210

(or phone: 206-543-2560), sufficiently in advance of the program to allow timely consideration.

(9)(a) No person may use university facilities to camp, except if permission to do so has been granted in accordance with the provisions of chapters 478-116 and 478-136 WAC or except as provided in (b) of this subsection. "Camp" means to remain overnight, to erect a tent or other shelter, or to use sleeping equipment, a vehicle, or a trailer camper, for the purpose of or in such ways as will permit remaining overnight. Violators are subject to arrest and criminal prosecution under applicable state, county and city laws.

(b) This provision does not prohibit use of the university residence facilities in accordance with chapter 478-156 WAC or the use of facilities where the employee remains overnight to fulfill the responsibilities of his or her position or where a

student remains overnight to fulfill the requirements of his or her course of study.

(10) Within the limits of applicable laws, the University of Washington is committed to establishing and maintaining safe conditions for persons attending football games in Husky Stadium or other athletic events or concerts in campus facilities. Accordingly, the rules enumerated below will apply to all such events and be strictly enforced.

(a) The possession or consumption of alcoholic beverages or illegal drugs is prohibited. In addition to having the beverages or drugs confiscated, violators may be subject to university disciplinary action and/or legal proceedings, and removal from the events.

(b) Air horns, glass bottles, cans, picnic baskets, bota bags, ice chests, and thermoses (in excess of two-quart capacity) are prohibited. Individuals possessing such will not be admitted to, or will be removed from, Husky Stadium or other athletic or concert facilities until the items have been stored temporarily at locations provided for that purpose or disposed of in some other manner.

(c) Smoking is prohibited in the seating areas of all athletic stadia. Smoking is permitted on pedestrian concourses.

(d) All persons entering events in Husky Stadium or other athletic venues or events in other campus auditoria or facilities shall be subject to having all containers, bags, backpacks, coolers, or similar items visually inspected. Security personnel shall first ask permission to visually inspect the item and advise the person that he/she may refuse. Persons who refuse to allow inspection shall be allowed to return the item to a vehicle or otherwise dispose of it, after which admission shall be allowed. Persons who refuse the visual inspection and refuse to dispose of the item shall be denied entry.

(11) Only public service announcements and acknowledgment of sponsors will be allowed on scoreboards at athletic venues.

(a) For purposes of this section, a public service announcement is defined as an announcement which promotes the activities or services of federal, state or local governments, including the University of Washington, or non-profit organizations, or generally contributes to the community's welfare and interests.

(b) In acknowledgment of their sponsorship of the scoreboards or sponsorship of events and programs, sponsors may propose public service announcements for display on the scoreboard during athletic events. The public service announcement may be accompanied by a sponsor's name or logo, but in keeping with university policy may not directly promote the products or services of the company. The text and graphics of public service announcements must be submitted at least three days in advance to the department of intercollegiate athletics for approval by the university.

(c) In addition to these public service announcements, sponsors also may be acknowledged by the display of corporate logos, trademarks, or other approved messages upon panels located on the scoreboard.

(12) The University of Washington is committed to maintaining a safe and healthful work and educational environment for all faculty, staff, students, and visitors. Accordingly, the University of Washington establishes the following

smoking policy to protect nonsmokers from exposure to smoke in their university-associated environments and to protect life and property against fire hazards:

(a) Except as provided in subsections (10)(c) and (12)(b) of this section, smoking is prohibited in all university vehicles, inside all buildings owned or occupied by the university and/or used by the university's faculty, staff or students and at any outside areas or locations that may directly or indirectly affect the air supply of buildings or carry smoke into buildings.

(b) Smoking may be permitted in student rooms in university residence halls and apartments in university student housing in accordance with smoking regulations established for those facilities by the vice-president for student affairs.

(c) The director of environmental health and safety may designate specific outdoor locations as no smoking areas.

(d) Any student, staff, or faculty member who violates the university smoking policy may be subject to disciplinary action. In addition, violations of the university smoking policy may be subject to enforcement by the University of Washington police department.

WSR 02-01-105

PROPOSED RULES

UNIVERSITY OF WASHINGTON

[Filed December 18, 2001, 8:46 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 01-21-040.

Title of Rule: Chapter 478-160 WAC, Admission and registration procedures for the University of Washington.

Purpose: To implement policies governing the distribution of waivers of tuition and fees at the University of Washington and to make housekeeping changes to the chapter.

Statutory Authority for Adoption: Chapter 28B.15 RCW and RCW 28B.20.130.

Statute Being Implemented: Chapter 28B.15 RCW and RCW 28B.20.130.

Summary: The proposed amendments to chapter 478-160 WAC include the addition of WAC 478-160-163 Waivers of tuition and fees, to set forth the policies for the distribution of waivers of tuition and fees at the University of Washington. Additionally, address and phone number changes are proposed for WAC 478-160-125, 478-160-130, 478-160-140, 478-160-160, and 478-160-175.

Reasons Supporting Proposal: The University of Washington board of regents is authorized by state law to waive all or a portion of tuition and fees to a variety of students under a variety of programs. The addition of WAC 478-160-163 sets forth policies for the distribution of those waivers that the university will grant.

Name of Agency Personnel Responsible for Drafting and Implementation: Ernest R. Morris, Vice-President for Student Affairs, 476 Schmitz Hall, University of Washington, Seattle, WA, (206) 543-4024; and Enforcement: W. W. (Tim) Washburn, Executive Director for Admissions and Records, 328 Schmitz Hall, University of Washington, Seattle, WA, (206) 543-3511.

PROPOSED

Name of Proponent: University of Washington, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: The rule sets forth policies affecting the distribution of waivers of tuition and fees that are authorized by statute and addresses those policies unique to the University of Washington in those cases where they may be more restrictive given financial or other considerations, resulting in the efficacious administration of the waiver program. Additionally, housekeeping changes update campus office locations and phone numbers.

Proposal Changes the Following Existing Rules: The following sections of the Washington Administrative Code are amended, WAC 478-160-125, 478-160-130, 478-160-140, 478-160-160, and 478-160-175.

No small business economic impact statement has been prepared under chapter 19.85 RCW. Chapter 478-160 WAC does not impose a disproportionate impact on small businesses.

RCW 34.05.328 does not apply to this rule adoption. Chapter 478-160 WAC is not considered a significant legislative rule by the University of Washington.

Hearing Location: Room 309, Husky Union Building (HUB), University of Washington, Seattle, Washington, on January 22, 2001, at 12:00 noon.

Assistance for Persons with Disabilities: Contact UW Disability Services Office by January 11, 2002, TDD (206) 543-6452, or (206) 543-6450.

Submit Written Comments to: Rebecca Goodwin Deardorff, Director, Administrative Procedures Office via one of the following routes: United States mail University of Washington, 4014 University Way N.E., Seattle, WA 98105-6203; campus mail Box 355509; e-mail adminpro@u.washington.edu; or fax (206) 616-6294, by January 22, 2002.

Date of Intended Adoption: February 15, 2002.

December 17, 2001

Rebecca Goodwin Deardorff

Director, Administrative Procedures

AMENDATORY SECTION (Amending WSR 97-14-004, filed 6/19/97, effective 7/20/97)

WAC 478-160-125 Admission to the school of medicine. The University of Washington school of medicine publishes complete information regarding its policies, procedures, and programs which may be obtained by contacting the following office:

University of Washington School of Medicine
Committee on Admissions
Office of the Dean
((A-320)) A-300 Health Sciences ((Building)) Center
Box 356340
Seattle, WA 98195-6340

(or phone: ((206)) 206-543-7212).

AMENDATORY SECTION (Amending WSR 97-14-004, filed 6/19/97, effective 7/20/97)

WAC 478-160-130 First-year admission to the school of medicine—Application forms. The school of medicine is a participant in the American Medical College Application Service Program (AMCAS). ((Application forms may be obtained by writing to the following address:

American Medical College Application Service
Suite 301

1776 Massachusetts N.W.

Washington, D.C. 20036)) Applications can be found at:

www.aamc.org/students/amcas/start/htm. For those without access to the Web, write to:

Association of American Medical Colleges

Section for Student Services

2501 M Street, NW Lbby-26

Washington, DC 20037-1300

The deadline for filing an application is determined by the University of Washington school of medicine and can be obtained by contacting the following office:

University of Washington School of Medicine

Committee on Admissions

Office of the Dean

((A-320)) A-300 Health Sciences ((Building)) Center

Box 356340

Seattle, WA 98195-6340

(or phone: ((206)) 206-543-7212). Applicants are encouraged to file applications twelve months prior to desired date of entry.

AMENDATORY SECTION (Amending WSR 97-14-004, filed 6/19/97, effective 7/20/97)

WAC 478-160-140 Application for transfer to the school of medicine. Application for transfer to the school of medicine may be obtained by writing to the following address:

University of Washington School of Medicine

Committee on Admissions

Office of the Dean

((A-320)) A-300 Health Sciences ((Building)) Center

Box 356340

Seattle, WA 98195-6340

The deadline for filing an application is determined by the University of Washington school of medicine and can be obtained from the address above, or phone: ((206)) 206-543-7212.

NEW SECTION

WAC 478-160-163 Waivers of tuition and fees. (1) The board of regents is authorized to grant tuition and fee waivers to students pursuant to RCW 28B.15.910 and the laws identified therein. Each of these laws, with the exception of RCW 28B.15.543 and 28B.15.545, authorizes, but does not require, the board of regents to grant waivers for dif-

ferent categories of students and provides for waivers of different fees. The board of regents must affirmatively act to implement the legislature's grant of authority under each individual law. A list of waivers that the board has implemented can be found in the *University of Washington General Catalog*, which is published biennially. The most recent list may be found in the online version of the *General Catalog* at www.washington.edu/students/reg/tuition_exempt_reductions.html.

(2) Even when it has decided to implement a waiver listed in RCW 28B.15.910, the university, for specific reasons and a general need for flexibility in the management of its resources, may choose not to award waivers to all students who may be eligible under the terms of the laws. Where the university has chosen to impose specific limitations on a waiver listed in RCW 28B.15.910, those limitations are delineated in subsection (5) of this section. If the university has not imposed specific limitations on a waiver listed in RCW 28B.15.910, the waiver is not mentioned in subsection (5) of this section. The university's description of how it may adjust a waiver program to meet emergent or changing needs is found in subsection (6) of this section. All waivers are subject to this subsection.

(3) The board of regents also has the authority under RCW 28B.15.915 to grant waivers of all or a portion of operating fees as defined in RCW 28B.15.031. Waiver programs adopted under RCW 28B.15.915 are described in the *General Catalog*. The most recent list may be found in the online version of the *General Catalog* at www.washington.edu/students/reg/tuition_exempt_reductions.html. Waivers granted under RCW 28B.15.915 are subject to subsection (6) of this section.

(4) Waivers will not be awarded to students participating in self-sustaining courses or programs because they do not pay "tuition," "operating fees," "services and activities fees," or "technology fees" as defined in RCW 28B.15.020, 28B.15.031, 28B.15.041, or 28B.15.051, respectively.

(5) Specific limitations on waivers are as follows:

(a) Waivers authorized by RCW 28B.10.265 for children of Washington domiciles who are prisoners of war or missing in action in Southeast Asia or Korea shall be awarded only to undergraduate students pursuing their first bachelor's degree to a maximum of 225 college-level credits, including credits transferred from other institutions of higher education.

(b) Waivers of nonresident tuition authorized by RCW 28B.15.014 for university faculty and classified or professional staff shall be restricted to four consecutive quarters from their date of employment with the University of Washington. The recipient of the waiver must be employed by the first day of the quarter for which the waiver is awarded. Waivers awarded to immigrant refugees, or the spouses or dependent children of such refugees, shall be restricted to persons who reside in Washington state and to four consecutive quarters from their arrival in Washington state.

(c) Waivers authorized by RCW 28B.15.380 for children of deceased or permanently disabled police officers or fire fighters shall be awarded only to undergraduate students pursuing their first bachelor's degree to a maximum of 225 college-level credits, including credits transferred from other institutions of higher education.

(d) Waivers authorized by RCW 28B.15.558 shall be awarded only to:

(i) University of Washington employees who are employed half-time or more, hold qualifying appointments as of the first day of the quarter for which the waivers are requested, are paid monthly, and, for classified staff new to the university, have completed their probationary periods prior to the first day of the quarter; and

(ii) State of Washington permanent employees who are employed half-time or more, are not University of Washington permanent classified employees, are permanent classified or exempt technical college paraprofessional employees, or are permanent faculty members, counselors, librarians or exempt employees at other state of Washington public higher education institutions; and

(iii) Members of the Washington National Guard.

(e) Waivers authorized by RCW 28B.15.620 shall be awarded only to Vietnam veterans pursuing their first bachelor's degree to a maximum of 225 college-level credits, including credits transferred from other institutions of higher education.

(f) Waivers authorized by RCW 28B.15.628 shall be awarded only to veterans of the Persian Gulf combat zone pursuing a first bachelor's degree to a maximum of 225 college-level credits, including credits transferred from other institutions of higher education.

(6) The university may modify its restrictions or requirements pursuant to changes in state or federal law, changes in programmatic requirements, or in response to financial or other considerations, which may include, but are not limited to, the need to adopt fiscally responsible budgets, the management of the overall levels and mix of enrollments, management initiatives to modify enrollment demand for specific programs and management decisions to eliminate or modify academic programs. The university may choose not to exercise the full funding authority granted under RCW 28B.15.910 and may limit the total funding available under RCW 28B.15.915.

AMENDATORY SECTION (Amending WSR 97-14-004, filed 6/19/97, effective 7/20/97)

WAC 478-160-175 Credit definitions. Credit courses are offered either for resident credit or for extension credit.

(1) Most courses offered through University of Washington extension are offered for resident credit, and grades earned in such courses are transcribed as resident credit and are included in the student's resident cumulative grade-point average.

(2) Courses offered through correspondence study, and some other courses, are offered for extension credit. These credits and grades are not included in the resident grade-point average, and students may apply only ninety such university credits toward an undergraduate degree. Extension credit courses are identified by an "X" prefix when listed in catalog material.

Additional information concerning credit courses may be obtained by contacting the following office:

University of Washington Extension
5001 25th Ave. N.E.

Seattle, WA 98105-4190

(for internal campus mail use: Box 354221, or phone:
((206)) 206-543-2300).

WSR 02-01-126
PROPOSED RULES
DEPARTMENT OF AGRICULTURE

[Filed December 19, 2001, 9:16 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 01-21-124.

Title of Rule: WAC 16-319-041 Application for certification of forest reproductive material.

Purpose: The Washington State Department of Agriculture (WSDA), upon the recommendation of the Washington State Crop Association, is responding to an industry request to increase forest reproductive material certification fees.

Statutory Authority for Adoption: RCW 15.49.005, 15.49.310, 15.49.370(3).

Statute Being Implemented: Chapter 15.49 RCW.

Summary: WSDA proposes increasing the certification fees for forest reproductive materials by the Office of Financial Management (OFM) fiscal growth rate factor of 2.79%.

Reasons Supporting Proposal: The proposed fee increases are necessary to help offset inflationary increases in the cost of operating that portion of the forest reproductive material certification program delegated to the Washington State Crop Improvement Association by the WSDA director.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Graydon Robinson, Washington State Department of Agriculture, Seed Program, 21 North 1st Avenue, Yakima, (509) 225-2630.

Name of Proponent: Washington State Department of Agriculture, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: This proposal is in response to an industry request to increase certification fees for forest reproductive material. The proposed increases, which are based upon the OFM fiscal growth rate factor of 2.79%, help offset inflationary increases in cost of operating the forest reproductive material certification program.

Proposal Changes the Following Existing Rules: The proposal increases current forest reproductive material certification fees by 2.79%.

No small business economic impact statement has been prepared under chapter 19.85 RCW. The WSDA concludes that the proposed increases in current seed certification fees, based upon the OFM Fiscal growth rate factor of 2.79%, does not impose a "more than minor cost" on the seed industry and, therefore, a small business economic impact statement is not required according to RCW 19.85.030 (1)(a).

In addition, all businesses affected by this proposal employ more than fifty employees and, therefore, do not meet the definition of a "small business" in RCW 19.85.020(1).

RCW 34.05.328 does not apply to this rule adoption. Washington State Department of Agriculture is not a listed agency in RCW 34.05.328 (5)(a)(i).

Hearing Location: Washington State Department of Agriculture, 21 North 1st Avenue, Yakima, WA 98902, on January 22, 2002, at 10:30 a.m.

Assistance for Persons with Disabilities: Contact Jodi Jones by January 18, 2002, TDD (360) 902-1996.

Submit Written Comments to: Graydon Robinson, Program Manager, Washington State Department of Agriculture, Seed Program, 21 North 1st Avenue, Yakima, WA 98902, fax (509) 454-4395, by January 22, 2002, 5:00 p.m.

Date of Intended Adoption: February 20, 2002.

December 13, 2001

Robert W. Gore

Assistant Director

AMENDATORY SECTION (Amending WSR 99-24-043, filed 11/24/99, effective 12/25/99)

WAC 16-319-041 Application for certification of forest reproductive material. (1) The conditions of applicant's submittal and of certifying agency's acceptance of application are:

(a) The application should show all classes for which certification services are requested.

(b) All reproductive material acquired or distributed by applicant of a type for which certification is requested is subject to audit.

(c) Applicant shall be responsible for payment of fees for certification services.

(d) Applicant is responsible for developing a record keeping system and labels available and satisfactory to the certifying agency.

(e) Certifying agency reserves the right to refuse certification service to applicant.

(f) Application for audit certification reproductive material shall be filed with certifying agency of the state in which warehouse, nursery, etc., is located with a copy to the certifying agency in the state where the reproductive material is collected.

(2) Timing of application requests for certification services:

(a) Application requests for source identified subclass B and lower classes for the current year's production of reproductive material shall be received by certifying agency from applicant not later than three days prior to initiation of collection, production, or propagation of forest reproductive material.

(b) For source identified subclass A and higher certification class, the applicant shall make application for service, and present a written plan to the certifying agency two weeks prior to the beginning of the collection season. The written plan will include the following:

(i) For subzone collection, areas shall be defined by legal description.

(ii) Details of the collection organization including names of buyers and field supervisors, estimated harvest volume, receiving station location(s), and other pertinent information.

(c) Application requests for all other services shall be received by certifying agency from applicant not later than seven days before need.

(3) The certifying agency establishes the fee schedule for certification services. These may be adjusted at the beginning of a crop year if certifying agency determines that costs are significantly more or less than anticipated: Provided, That increases shall not exceed twenty-five percent.

(a) Cones and seed:

(i) Tested and selected - the service includes review of test plans, audit of pertinent records and field inspection at the hourly job time rate shown in current fee schedule.

(ii) Source identified classes - the fee includes field inspection at the per bushel rate shown in the current fee schedule and audit of conditioning at the hourly rate also shown in the current fee schedule.

The fee for each lot containing less than sixty bushels shall be a maximum of thirty-six dollars: Provided, That the certifying agency, due to specific circumstances, may waive this maximum fee or a part thereof.

(iii) Audit class - the fee includes audit of applicant's field and conditioning records at the hourly rate shown in the current fee schedule.

(b) Trees: The fee includes the verification of the source of the trees from the seed source, stratification, sowing, bed identification, lifting, sorting, package identification, storing and/or transplanting.

(c) Not entered for certification: The fee for audit of reproductive material not entered for certification service is performed as required by and satisfactory to certifying agency to exercise said audit simultaneously with audit of reproductive material which applicant has requested certification service.

(d) The fee for certification classes applied for shall be charged whether or not offered material qualifies.

(e) The certifying agency may provide other services, such as training to comply with these standards, advising on the development of recordkeeping systems directly connected with certification needs if requested by the applicant.

(4) Fee schedule:

(a) Tree cones and seed -

Certification Classes	Field Inspection	Audit	Fee Due
Tested and Selected	(\$24-12) \$24.79/hr.	(\$24-12) \$24.79/hr.	When billed
Source Identified Classes:			
Lots 11 bu. and more	(\$0-80) \$0.82/bu.	(\$24-12) \$24.79/hr.	
Lots 6-10 bu.	(\$19-41) \$19.95/lot	(\$24-12) \$24.79/hr.	
Lots 0-5 bu.	(\$11-75) \$12.07/lot	(\$24-12) \$24.79/hr.	
Audit	None	(\$24-12) \$24.79/hr.	When billed

(b) Tree certification - ~~(\$24-12)~~ \$24.79/hr.

Seedling certification - experience has shown that seedling certification normally requires a minimum of five nursery visits totalling approximately thirty-two hours. Plantation certification procedures shall be billed at the hourly rate.

(c) Other services including education to comply with the standards, development of record system, verification of source of pollen, cuttings, audit of forest reproductive material not offered for certification by applicant or other services requested, etc. at ~~(\$24-12)~~ \$24.79/hr. payable when billed.

(d) OECD certification (certificates of provenance) - ~~(\$0-57)~~ \$0.58 per certificate plus the hourly audit rate. (Auditors shall issue certificates.)

WSR 02-01-127
PROPOSED RULES
DEPARTMENT OF AGRICULTURE

[Filed December 19, 2001, 9:19 a.m.]

Original Notice.

Preproposal statement of inquiry was filed as WSR 01-21-125.

Title of Rule: WAC 16-303-340 Seed certification fees for buckwheat, chickpea, field pea, lentil, millet, soybean, sorghum, and small grains.

Purpose: The Washington State Department of Agriculture (WSDA), upon the recommendation of the Washington State Crop Association, is responding to a seed industry request to increase seed certification fees for buckwheat, chickpea, field pea, lentil, millet, soybean, sorghum, and small grains.

Statutory Authority for Adoption: RCW 15.49.310 and 15.49.370(3).

Statute Being Implemented: Chapter 15.49 RCW.

Summary: WSDA proposes increasing the seed certification fees for buckwheat, chickpea, field pea, lentil, millet, soybean, sorghum, and small grains by the Office of Financial Management (OFM) fiscal growth rate factor of 2.79%.

Reasons Supporting Proposal: The proposed fee increases are necessary to help offset inflationary increases in the cost of operating that portion of the seed certification program delegated to the Washington State Crop Improvement Association by the WSDA director.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Graydon Robinson, Washington State Department of Agriculture, Seed Program, 21 North 1st Avenue, Yakima, (509) 225-2630.

Name of Proponent: Washington State Department of Agriculture, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: This proposal is in response to an industry request to increase seed certification fees for buckwheat, chickpea, field pea, lentil, millet, soybean, sorghum, and small grains. The proposed increases, which are based upon the OFM fiscal growth rate factor of 2.79%, help offset inflationary increases in operating costs for that portion of the seed certification program delegated to the Washington State Crop Improvement Association by the WSDA director.

Proposal Changes the Following Existing Rules: Increases current seed certification fees by 2.79%.

No small business economic impact statement has been prepared under chapter 19.85 RCW. The WSDA concludes

PROPOSED

PROPOSED

that the proposed increases in current seed certification fees, based upon the OFM fiscal growth rate factor of 2.79%, does not impose a "more than minor cost" on the seed industry and, therefore, a small business economic impact statement is not required according to RCW 19.95.030 (1)(a). In addition, participation in the seed certification program in Washington is voluntary. Neither the State Seed Act nor any other state regulation requires participation in the program. It is possible to grow, condition, and market quality seeds without participating in the seed certification program. Finally, the fees in this proposal are for inspection services that are entirely voluntary.

RCW 34.05.328 does not apply to this rule adoption. WSDA is not a listed agency in RCW 34.05.328 (5)(a)(i).

Hearing Location: Washington State Department of Agriculture, 21 North 1st Avenue, Yakima, WA 98902, on January 22, 2002, at 10:00 a.m.

Assistance for Persons with Disabilities: Contact Jodi Jones by January 18, 2002, TDD (360) 902-1996.

Submit Written Comments to: Graydon Robinson, Program Manager, Washington State Department of Agriculture, Seed Program, 21 North 1st Avenue, Yakima, WA 98902, fax (509) 454-4395, by January 22, 2002, 5:00 p.m.

Date of Intended Adoption: February 20, 2002.

December 13, 2001

Robert W. Gore

Assistant Director

AMENDATORY SECTION (Amending WSR 01-01-015, filed 12/6/00, effective 1/6/01)

WAC 16-303-340 Seed certification fees for buckwheat, chickpea, field pea, lentil, millet, soybean, sorghum and small grains. (1) Seed certification fees for buckwheat, chickpea, field pea, lentil, millet, soybean, sorghum and small grains are as follows:

(a) Application fee per variety per grower	(\$18.87) <u>\$19.39</u>
(b) Field inspection fee per acre except millet and hybrid sorghum	(\$ 2.63) <u>\$ 2.70</u>
(c) Millet - first acre	(\$28.06) <u>\$28.84</u>
..... - each additional acre	(\$ 5.61) <u>\$ 5.76</u>
(d) Hybrid sorghum - first acre	(\$28.06) <u>\$28.84</u>
..... - each additional acre	(\$11.22) <u>\$11.53</u>
(e) Special field inspection fee per acre	(\$ 2.24) <u>\$ 2.30</u>
(f) Late application fee	(\$17.68) <u>\$18.17</u>
(g) Reinspection fee	(\$35.39) <u>\$36.37</u>

minimum for each field which did not pass field inspection plus \$ 0.40 for each acre over twenty-five. The reinspection fee for isolation requirements only for a field of any size is ~~(\$35.39)~~ \$36.37.

(h) Final certification fee ~~(\$0.225)~~
\$ 0.23

per cwt. of clean seed sampled, which is charged to conditioning plant, or production fee \$0.105

per cwt. of production from fields inspected which is utilized for seed, which is charged to the grower or the final seller prior to brokerage, retail sale, sale to plant not approved for conditioning certified seed, or transshipment out-of-state.

(i) Sampling fee \$0.105

per cwt. of clean seed sampled, with minimum charge of ten dollars per sample, which is charged to conditioning plant in lieu of mechanical sampling.

(2) A field may be withdrawn upon notification by the applicant to the certifying agency's office before field inspection. In such case, the field inspection fee is refunded upon request until June 30 of the year following harvest.

(3) Harvest before field inspection causes forfeitures of both the application and field inspection fees, and completion of certification.

WSR 02-01-132
PROPOSED RULES
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES
(Medical Assistance Administration)
[Filed December 19, 2001, 10:55 a.m.]

Original Notice.

Exempt from preproposal statement of inquiry under RCW 34.05.310(4).

Title of Rule: WAC 388-478-0026 Excluded resources for family medical programs.

Purpose: Repeal the above rule. It duplicates WAC 388-470-0026.

Statutory Authority for Adoption: RCW 74.08.090.

Summary: See Purpose above.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Joanie Scotson, MAA, P.O. Box 45534, Olympia, WA 98504-5534, (360) 725-1330.

Name of Proponent: Department of Social and Health Services, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: Repeal of duplicative rule.

Proposal does not change existing rules.

No small business economic impact statement has been prepared under chapter 19.85 RCW. Repealing this rule has no economic impact on small businesses.

RCW 34.05.328 applies to this rule adoption. Although it meets the definition of a significant rule, RCW 34.05.328 (5)(b)(vii) exempts DSHS client eligibility rules.

Hearing Location: Blake Office Park (behind Goodyear Courtesy Tire), 4500 10th Avenue S.E., Rose Room, Lacey, WA 98503, on January 22, 2002, at 10:00 a.m.

Assistance for Persons with Disabilities: Contact Andy Fernando, DSHS Rules Coordinator, by January 18, 2002, phone (360) 664-6094, TTY (360) 664-6178, e-mail fernaax@dshs.wa.gov.

Submit Written Comments to: Identify WAC Numbers, DSHS Rules Coordinator, Rules and Policies Assistance Unit, P.O. Box 45850, Olympia, WA 98504-5850, fax (360) 664-6185, by 5:00 p.m., January 22, 2002.

Date of Intended Adoption: Not sooner than January 23, 2002.

December 14, 2001

Brian H. Lindgren, Manager
Rules and Policies Assistance Unit

REPEALER

The following section of the Washington Administrative Code is repealed:

WAC 388-478-0026 Excluded resources for family medical programs.

WSR 02-01-133

PROPOSED RULES

DEPARTMENT OF

SOCIAL AND HEALTH SERVICES

(Economic Services Administration)

[Filed December 19, 2001, 10:58 a.m.]

Original Notice.

Exempt from preproposal statement of inquiry under RCW 34.05.310(4).

Title of Rule: Amending WAC 388-310-0600 WorkFirst—Job search.

Purpose: DSHS seeks to expand WorkFirst job search requirements to include longer term full-time training that will lead to high-wage, high-demand employment.

Statutory Authority for Adoption: RCW 74.08.090, 74.04.050.

Statute Being Implemented: RCW 74.08.090, 74.04.050.

Summary: This will allow full-time training and degree completion in a high-wage, high-demand field as an acceptable WorkFirst activity.

This proposes two types of high-wage, high-demand full-time training options for TANF recipients to complete a certificate or degree in a high-wage, high-demand field.

(1) Information technology and health care: This option allows participants to start and finish a one year community or technical college training in the information technology or health care fields.

(2) Certificate/degree completion: This option allows participants to finish up the last year of a two- or four-year certificate or degree in a high-wage, high-demand field on an exception basis.

Name of Agency Personnel Responsible for Drafting, Implementation and Enforcement: Brent D. Low, DEAP Headquarters, P.O. Box 45445, Olympia, WA 98504, (360) 413-3015.

Name of Proponent: Department of Social and Health Services, governmental.

Rule is not necessitated by federal law, federal or state court decision.

Explanation of Rule, its Purpose, and Anticipated Effects: DSHS seeks to expand WorkFirst job search requirements to include longer-term full-time training that will lead to high-wage, high-demand employment. This will allow full-time training and degree completion in a high-wage, high-demand occupation as an acceptable WorkFirst activity.

It is anticipated that those who pursue this as a viable WorkFirst option will enter the work force in an occupation that traditionally pays higher wages and is more stable. This would assist clients in becoming independent of TANF and decrease the numbers of those who return to TANF due to job loss or inadequate wages.

Proposal Changes the Following Existing Rules: Amends WAC 388-310-0600, this proposes two types of high-wage, high-demand full-time training options for TANF recipients to complete a certificate or degree in a high-wage, high-demand field.

(1) Information technology and health care: This option allows participants to start and finish a one year community or technical college training in the information technology or health care fields.

(2) Certificate/degree completion: This option allows participants to finish up the last year of a two- or four-year certificate or degree in a high-wage, high-demand field on an exception basis.

No small business economic impact statement has been prepared under chapter 19.85 RCW. This rule does not have an economic impact on small business.

RCW 34.05.328 does not apply to this rule adoption. This is not a significant legislative rule pursuant to RCW 34.05.328 (5)(b)(ii).

Hearing Location: Blake Office Park (behind Goodyear Courtesy Tire), 4500 10th Avenue S.E., Rose Room, Lacey, WA 98503, on January 22, 2002, at 10:00 a.m.

Assistance for Persons with Disabilities: Contact Andy Fernando, DSHS Rules Coordinator, by January 18, 2002, phone (360) 664-6094, TTY (360) 664-6178, e-mail fernaax@dshs.wa.gov.

Submit Written Comments to: Identify WAC Numbers, DSHS Rules Coordinator, Rules and Policies Assistance

PROPOSED

Unit, P.O. Box 45850, Olympia, WA 98504-5850, fax (360) 664-6185, by 5:00 p.m., January 22, 2002.

Date of Intended Adoption: No earlier than January 23, 2002.

December 7, 2001

Brian H. Lindgren, Manager
Rules and Policies Assistance Unit

AMENDATORY SECTION (Amending WSR 00-16-055, filed 7/26/00, effective 8/1/00)

WAC 388-310-0600 WorkFirst—Job search. (1) What is job search?

Job search is an opportunity to learn and use skills you need to find and keep a job. Job search may include:

- (a) Classroom instruction; and/or
- (b) Structured job search that helps you find job openings, complete applications, practice interviews and apply other skills and abilities with a job search specialist or a group of fellow job-seekers; and/or
- (c) Pre-employment training; and/or
- (d) High wage, high demand training.

(2) What is pre-employment training?

Pre-employment training helps you learn skills you need for an identified entry level job that pays more than average entry level wages.

(a) Pre-employment training is an acceptable job search activity when an employer or industry commits to hiring or giving hiring preference to WorkFirst participants who successfully complete pre-employment training.

(b) You can find out about current pre-employment training opportunities by asking your job service specialist, your case manager or staff at your local community and technical college.

(3) What is high wage, high demand training?

There are two types of high-wage/high-demand (HWHD) full-time training options for TANF recipients to complete a certificate or degree that will lead to employment in a high-wage, high-demand occupation.

(a) Information technology & health care: This option allows participants to start and finish a one-year community or technical college training program in the information technology or health care fields; and/or

(b) Certificate/degree completion: This option allows participants to finish up the last year of a two- or four-year certificate or degree in a high-wage, high-demand field on an exception basis. The high-wage/high-demand criteria for this option is based on median income and high-demand occupations within the local labor market as determined by employment security department.

For both types of HWHD training, the training can be approved one-time only (barring an approved exception to policy) There is no work requirement with either option for the twelve months of training time.

To qualify for HWHD training, a participant must also:

- (i) Meet all of the pre-requisites for the course;
- (ii) Obtain the certificate or degree within twelve calendar months;
- (iii) Participate full-time in the training program and make satisfactory progress;

(iv) Work with co-located ESD staff during the last quarter of training for job placement; and

(v) Return to job search once s/he completes the educational program if still unemployed.

(4) Who provides me with job search?

You get job search from the employment security department or another organization under contract with WorkFirst to provide these services.

~~((4))~~ **(5) How long do I stay in job search?**

Periods of job search may last up to twelve continuous weeks. Job search specialists will monitor your progress. By the end of the first four weeks, a job search specialist will determine whether you should continue in job search. Job search will end when:

- (a) You find a job; or
- (b) You become exempt from WorkFirst requirements (see WAC 388-310-0300); or
- (c) Your situation changes and you are temporarily deferred from continuing with job search (see WAC 388-310-0400); or
- (d) Job search specialists have determined that you need additional skills and/or experience to find a job; or
- (e) You have not found a job at the end of the job search period.

~~((5))~~ **(6) What happens at the end of job search if I have not found a job?**

At the end of each job search period, you will be referred back to your case manager for an employability evaluation if you have not found a job. You and your case manager will also modify your individual responsibility plan.

Effective Date of Rule: Thirty-one days after filing.

November 28, 2001

Brian H. Lindgren, Manager
Rules and Policies Assistance Unit

NEW SECTION

WAC 388-454-0006 The department makes background checks on adults who are acting in place of a parent without court-ordered custody. (1) We check your background when you ask for TANF or SFA benefits for a child who:

- (a) Is not related to you; and
- (b) Lives with you but you do not have a court order that gives you legal custody of the child.

(2) A child who is not related to you cannot receive TANF/SFA benefits while living with you until we have completed a background check and the results of the background check meet the criteria in subsection (3) through (5).

(3) A child who is not related to you cannot receive benefits while living with you if:

- (a) You have been convicted of a crime listed in WAC 388-06-0170; or

(b) You have been convicted of a crime listed in WAC 388-06-0180 within the last five years.

(4) We review your background when you have been convicted of a crime listed in WAC 388-06-0180 more than five years ago to determine your character, suitability, and competence to receive benefits for a child not related to you. We consider the following factors:

(a) The amount of time that has passed since you were convicted;

(b) The seriousness of the crime that led to the conviction;

(c) The number and types of convictions in your background; and

(d) Your age at the time of the conviction.

(5) When you have a conviction for a crime other than those listed in WAC 388-06-0170 or 388-06-0180 we review your background as described in subsection (4) above.

(6) Expunged or sealed conviction records do not count against you.

AMENDATORY SECTION (Amending WSR 98-16-044, filed 7/31/98, effective 9/1/98)

WAC 388-454-0025 (~~Notice to~~) The department notifies a child's parent when we approve assistance and the child (~~lives~~) is living with (~~nonparental relative~~) someone other than their parent. (1) (~~When TANF/SFA has been approved for a child who is living with a nonparental caretaker relative;~~) The department (~~will make~~) makes a reasonable effort(~~s~~) to (~~notify~~) contact the parent with whom the child (~~most recently~~) last lived (~~that~~) when we find out that a child applying for assistance lives with someone other than the child's parent. We tell the parent:

(a) Within seven days of the date we approve assistance (~~has been authorized~~) for the child;

(b) How to ask for family reconciliation services (~~may be requested~~) from the department; and

(c) (~~The parent has the right~~) How to request the child's address and location as allowed under WAC 388-428-0010.

(2) (~~The parent will be notified within seven calendar days of assistance authorization.~~

(3) The parent will not be notified if there is a substantiated.) We do not notify the parent when there is evidence to support a claim that the parent has abused or neglected the child.

(~~(4) Release of the child's address and location will be subject to the requirements of chapter 388-428 WAC.~~)

PDC FORM C3 (11/83)	CASH RECEIPTS AND MONETARY CONTRIBUTIONS
----------------------------------	---

Reporting requirements are contained in and governed by chapters 42.17 RCW and 390-16 WAC. Consult PDC instruction manuals when completing this report.

CONTRIBUTIONS OF \$100 OR MORE

When an individual gives the campaign a total of \$100 or more in the aggregate, that person's employer must be identified by name, city, state and the person's occupation must also be disclosed. Once an individual gives at least \$100, occupation and employer information will appear on every report showing additional contributions from the individual.

For all candidates – when an individual gives \$100 or more since the beginning of the campaign, show occupation and employer information.

For Single Election Political Committees (e.g., ballot issue committees) – when an individual gives \$100 or more since the beginning of the campaign, show occupation and employer.

For Continuing Political Committees (e.g., party committees & PACs) – when an individual gives \$100 or more since the beginning of the calendar year, show occupation and employer.

PRIMARY/GENERAL ELECTION

Candidates for legislative or state executive office must specify in Part 2 of the C-3 form whether a contribution is designated for the primary or the general election. If a contribution is for the primary election, put an "X" in the PRR box; if it counts toward the contributor's general election limit, put an "X" in the GEN box. If one check is used to make both a primary and a general election contribution, use two separate contributor blocks - one each for the primary and general donations. See instruction manual for example.

Local and judicial office candidates, political committees and continuing political committees - primary and general election designations not required; disregard these boxes.

AGGREGATE TOTAL

The total put in the Aggregate Total column for each contributor will depend on who is filing the report. See below.

Legislative or State Executive Candidates: Show the total given for each election. If the contributor is giving a primary election contribution, the Aggregate Total figure is the total of that person's primary election contributions. If the GEN box is checked, the Aggregate Total is the contributor's general election total. (Only your campaign records and PDC's computer records will keep track of the grand total for both elections.)

Local and Judicial Candidates: Show the total given since the beginning of the campaign.

Political Committees Organized for One Election Only: Show the total given since the beginning of the campaign.

Continuing Political Committees: Show the total given since the beginning of the calendar year.

Reporting requirements are contained in and governed by chapters 42.17 RCW and 390-16 WAC.
Consult PDC instruction manuals when completing this report.

CONTRIBUTIONS OF MORE THAN \$100

When an individual gives the campaign more than \$100 in the aggregate, that person's employer must be identified by name, city, state and the person's occupation must also be disclosed. Once an individual gives more than \$100, occupation and employer information will appear on every report showing additional contributions from the individual.

For all candidates – when an individual gives more than \$100 in the aggregate from the beginning of the campaign, show occupation and employer information.

For Single Election Political Committees (e.g., ballot issue committees) – when an individual gives more than \$100 in the aggregate from the beginning of the campaign, show occupation and employer.

For Continuing Political Committees (e.g., party committees & PACs) – when an individual gives more than \$100 in the aggregate from the beginning of the calendar year, show occupation and employer.

PRIMARY/GENERAL ELECTION

Candidates for legislative or state executive office must specify in Part 2 of the C-3 form whether a contribution is designated for the primary or the general election. If a contribution is for the primary election, put a "X" in the PRI box; if it counts toward the contributor's general election limit, put an "X" in the GEN box. If one check is used to make both a primary and a general election contribution, use two separate contributor blocks – one each for the primary and general donations. See instruction manual for example.

Local and judicial office candidates, political committees and continuing political committees – primary and general election designations not required; disregard these boxes.

AGGREGATE TOTAL

The total put in the Aggregate Total column for each contributor will depend on who is filing the report. See below.

Legislative or State Executive Candidates: Show the total given for each election. If the contributor is giving a primary election contribution, the Aggregate Total figure is the total of that person's primary election contributions. If the GEN box is checked, the Aggregate Total is the contributor's general election total. (Only your campaign records and PDC's computer records will keep track of the grand total for both elections.)

Local and Judicial Candidates: Show the total given since the beginning of the campaign.

Political Committees Organized for One Election Only: Show the total given since the beginning of the campaign.

Continuing Political Committees: Show the total given since the beginning of the calendar year.

C4
(3/97)

**SUMMARY OF RECEIPTS
AND EXPENDITURES**

**Please consult PDC instruction manuals when completing this report.
Reporting requirements are contained in and governed by RCW 42.17 and WAC 390.**

WHO MUST FILE

Each candidate and political committee using Full Reporting.

FILING DATES

- 1) File with C-1 or C-1pc (Registration form) if you received contributions or made expenditures before registering.
- 2) File on the 10th of each month if contributions or expenditures are over \$200 since last C-4 was filed. (These 10th-of-the-month reports are not required if another C-4 must be filed during that month. See #3 below.)
- 3) For each primary, general and special election in which the candidate or political committee makes an expenditure, file
 - 21 days prior to the election
 - 7 days prior to the election
 - 10th of the first month after the election -- see note below

(Note: Not required after primary election from candidates who will be in the general election or from continuing political committees.)

- 4) File final report when campaign is finished or committee closes operation. Often, this coincides with the primary or general post-election, 10th-of-the-month report.

All reports are considered filed as of the postmark date or the date hand-delivered to PDC.

**WHERE TO SEND
REPORTS**

Send original C-4 reports, along with all schedules and attachments, to PDC. Candidates send a duplicate copy to their County Auditor (County Elections Department). Political committees send a copy to County Auditor of the county in which their headquarters is located or, if no headquarters, the county in which their treasurer resides.

Candidates for city offices, city ballot issue committees and other political committees who give to city candidates or ballot issue committees should check with city clerk regarding any local filing requirements.

***FOR ALL PACS,
POLITICAL PARTIES
& CAUCUS POLITI-
CAL COMMITTEES**

The question posted near the top of the first page of this form regarding independent expenditures applies to **ALL POLITICAL COMMITTEES** required to file C-4 reports, **except ballot issue committees** that neither contribute to candidates nor make independent expenditures regarding them **and candidate committees** (because they are prohibited from making expenditures that are not directly related to their own campaigns).

All other Political Committees and PACs must indicate whether they made any independent expenditures supporting or opposing one or more candidates for state or local office.

If the response is "yes," the independent expenditure(s) **MUST** be itemized on the appropriate schedule (either Schedule A, or Part 3 of Schedule B), showing:

- the date of the expense;
- the name and address of the vendor or recipient of the funds;
- if using Schedule A, an "I" in the Code column;
- the name and office sought of the candidate supported or opposed;
- an indication of support or opposition; and
- a brief description of the expense (e.g., brochure mailed to absentee voters).

EXPENDITURE CODE DEFINITIONS AND USES

(for use on Schedule A and Schedule B, Item 3)

- C MONETARY, IN-KIND AND EARMARKED CONTRIBUTIONS** your campaign legally makes to other campaigns. Put a "C" in the Code column, in the Description column specify who was benefited and, if in-kind, what was purchased.
- I INDEPENDENT EXPENDITURES** (those expenditures that benefit other candidates or committees but are made independently of them). Put an "I" in the Code column and fully describe purpose.
- L LITERATURE.** Use "L" for expenditures made for the preparation and production of campaign literature and printed solicitations, including expenditures for mailing lists, design, photography, copy, layout, printing and reproduction. Use "P" for literature mailing costs.
- B BROADCAST ADVERTISING.** Use "B" for expenditures associated with the production and purchase of radio and television advertising.
- N NEWSPAPER & PERIODICAL ADVERTISING.** Use "N" for expenditures associated with the production and purchase of advertising in newspapers, periodicals and other publications.
- O OTHER ADVERTISING.** Use "O" for expenditures associated with the production and purchase of advertising on billboards, yard signs and campaign paraphernalia such as buttons, bumper stickers, T-shirts, etc.
- V VOTER SIGNATURE GATHERING.** Use "V" for expenditures made directly or indirectly to compensate a person or entity for soliciting or procuring signatures on a statewide initiative or referendum petition. Attach itemization of each such payment.
- P POSTAGE.** Use "P" for expenditures for stamps, postage, United Parcel Service, Federal Express and direct mail services (postage only). Use "L" for design and other production costs associated with producing campaign literature.
- F FUNDRAISING EVENTS.** Use "F" for expenditures associated with holding a fundraiser, including payments to restaurants, hotels, caterers, other food and refreshment vendors, entertainers and speakers. Use "L" for expenditures for printed matter produced in connection with fundraising events.
- S SURVEYS AND POLLS.** Use "S" for expenditures associated with designing or producing polls, reports on election trends, voter surveys, telemarketing, telephone banks, GOTV drives, etc.
- T TRAVEL, ACCOMMODATIONS, MEALS.** Use "T" for expenditures associated with travel. If vendor has been paid directly, identify the traveller in Description column. If travel payment was made to credit card company or traveller (for out-of-pocket expenses), itemize expenses on separate sheet and attach to Schedule A.
- M MANAGEMENT AND CONSULTING SERVICES.** Use "M" for salaries, fees and commissions paid to campaign management companies and contract consultants, including law firms, whether the person is retained or formally employed by the campaign (for tax withholding purposes).
- W WAGES, SALARIES, BENEFITS.** Use "W" for expenditures associated with hiring campaign employees and other freelance workers who provide miscellaneous services other than campaign management or consulting.
- G GENERAL OPERATION AND OVERHEAD.** Use "G" for general campaign operating expenses and overhead, including filing fees, miscellaneous campaign expenses, headquarters rental, utilities, and purchase or rental of office equipment and furniture for the campaign.

- B BROADCAST ADVERTISING**. Use "B" for expenditures associated with the production and purchase of radio and television advertising.
- N NEWSPAPER & PERIODICAL ADVERTISING**. Use "N" for expenditures associated with the production and purchase of advertising in newspapers, periodicals and other publications.
- O OTHER ADVERTISING**. Use "O" for expenditures associated with the production and purchase of advertising on billboards, yard signs and campaign paraphernalia such as buttons, bumper stickers, T-shirts, etc.
- V VOTER SIGNATURE GATHERING**. Use "V" for expenditures made directly or indirectly to compensate a person or entity for soliciting or pro-curing signatures on a statewide initiative or referendum petition. Attach itemization of each such payment.
- P POSTAGE**. Use "P" for expenditures for stamps, postage, United Parcel Service, Federal Express and direct mail services (postage only). Use "L" for design and other production costs associated with producing campaign literature.
- F FUNDRAISING EVENTS**. Use "F" for expenditures associated with holding a fundraiser, including payments to restaurants, hotels, caterers, other food and refreshment vendors, entertainers and speakers. Use "L" for expenditures for printed matter produced in connection with fundraising events.
- S SURVEYS AND POLLS**. Use "S" for expenditures associated with designing or producing polls, reports on election trends, voter surveys, telemarketing, telephone banks, GOTV drives, etc.
- T TRAVEL, ACCOMMODATIONS, MEALS**. Use "T" for expenditures associated with travel. If vendor has been paid directly, identify the traveler in Description column. If travel payment was made to credit card company or traveler (for out-of-pocket expenses), itemize expenses on separate sheet and attach to Schedule A.
- M MANAGEMENT AND CONSULTING SERVICES**. Use "M" for salaries, fees and commissions paid to campaign management companies and contract consultants, including law firms, whether the person is retained or formally employed by the campaign (for tax withholding purposes).
- W WAGES, SALARIES, BENEFITS**. Use "W" for expenditures associated with hiring campaign employees and other freelance workers who provide miscellaneous services other than campaign management or consulting.
- G GENERAL OPERATION AND OVERHEAD**. Use "G" for general campaign operating expenses and overhead, including filing fees, miscellaneous campaign expenses, headquarters rental, utilities, and purchase or rental of office equipment and furniture for the campaign.

SCHEDULE TO C3 OR C4 **L** (12/99)

Please consult PDC instruction manuals when completing this schedule. Reporting requirements are contained in and governed by RCW 42.17 and WAC 390.

WHO MUST FILE Each candidate and political committee using full reporting that receives one or more campaign loans.

FILING DATES When a monetary loan is received by the campaign, complete Part 1 and file the Schedule L with the C-3 report that corresponds with the loan's deposit into the account. Use a separate schedule for each loan received.

When an in-kind loan is received, complete Part 1 and file Schedule L along with the Schedule B (to the C-4) that itemizes the in-kind contribution.

When a loan is paid or forgiven, in whole or in part, complete Part 2 and/or Part 3 and file the Schedule L with the C-4 covering the period when the payment or forgiveness occurred.

When one or more loans remain unpaid, complete Part 4 and file the schedule with each C-4 report until all loans are repaid in full or forgiven. (The same schedule may be used to show loan payments, forgiveness information and to show which loans remain unpaid.)

PERMANENT

PDC FORM ABB C4 <small>(11/83)</small>	ABBREVIATED RECEIPTS & EXPENDITURES REPORT
---	---

Please consult PDC instruction manuals when completing this report.

Reporting requirements are contained in and governed by chapters 42.17 RCW and 390-16 WAC.

WHO MUST FILE

Each candidate and political committee using Abbreviated Reporting.

FILING DATES

- 1) Special election candidates and political committees supporting or opposing special election candidates or ballot issues file on the 10th of the month following the election.
- 2) Candidates who lose in the primary and political committees supporting or opposing primary election ballot issues file on October 10.
- 3) Candidates who are in the general election and political committees making expenditures supporting or opposing general election candidates or ballot measures file on December 10.
- 4) Continuing political committees not taking part in elections during a year file annual reports on January 10 cover the preceding calendar year.
- 5) A final report is filed whenever a candidate's committee or a political committee ceases operation, disposes of any surplus campaign funds and has a zero account balance. Final reports may be filed at any time and may coincide with one of the due dates listed above.

All reports are considered filed as of the postmark date or the date hand-delivered to PDC.

WHERE TO FILE

Send original C-4 ABB report to PDC at the above address. Candidates send a duplicate copy to their County Auditor (County Elections Department). Political committees send a copy to County Auditor of the county in which their headquarters is located or, if no headquarters, the county in which their treasurer resides.

(Candidates for city offices, city ballot issue committees and other political committees who give to city candidates or ballot issue committees check with city clerk regarding any local filing requirement.)

PERMANENT RULES
COMMISSION ON
JUDICIAL CONDUCT

[Order 01-01—Filed December 11, 2001, 11:56 a.m., effective January 15, 2002]

Date of Adoption: December 7, 2001.

Purpose: To amend existing rules of procedure, chapter 292-09 WAC.

Citation of Existing Rules Affected by this Order:
 Amending WAC 292-09-040, 292-09-050, and 292-09-060.

Statutory Authority for Adoption: Article IV, Section 31, Washington State Constitution, RCW 42.52.370.

Other Authority: Chapter 2.64 RCW.

Adopted under notice filed as WSR 01-14-025 on June 28, 2001.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal

Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 3, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 3, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 3, Repealed 0.

Effective Date of Rule: January 15, 2002.

December 11, 2001

David Akana

Executive Director

AMENDATORY SECTION (Amending Order 95-01, filed 2/8/95, effective 3/11/95)

WAC 292-09-040 Definitions. In these rules:

"Adjudicative proceeding" means a proceeding before the commission in which the person involved is given notice and an opportunity to be heard after a determination of reasonable cause that a violation of chapter 42.52 RCW or rules adopted under it has been or is being committed.

"Administrative law judge" means a person assigned by the office of administrative hearings in accordance with chapter 34.12 RCW and appointed by the commission to hear and take evidence with respect to charges against a state employee of the judicial branch.

"Commission" means the commission on judicial conduct.

"Complainant" means the organization, association, or person who makes a complaint alleging violation of chapter 42.52 RCW or rules adopted under it.

"Complaint" means a written statement on a form provided by the commission alleging facts which may upon investigation lead to a finding of a violation of chapter 42.52 RCW or rules adopted under it.

"Determination" means a written statement finding that there is or that there is not reasonable cause to believe that a violation of chapter 42.52 RCW or rules adopted under it has been or is being committed.

"Employee" means a state employee or state officer (as defined in RCW 42.52.010) of the judicial branch of state government, except "judges" (as defined in RCW 2.64.010 and the Code of Judicial Conduct), or the employee's attorney, as the context suggests.

"Enforcement action" means the imposition of sanctions, which may include one or more of the following:

- A reprimand;
 - A recommendation that the employing agency commence disciplinary action against an employee; and/or
 - An order for payment of any damages, civil penalties, and/or costs as permitted by chapter 42.52 RCW.
- Any order for payment shall also include a reprimand.

PERMANENT

"Fact-finder" means the commission or an administrative law judge appointed by the commission.

"Hearing" means a public hearing conducted in an adjudicative proceeding.

~~("Investigative panel" means a four member subcommittee of the commission consisting of two public members, a judge, and a lawyer. The investigative panel shall make all determinations concerning reasonable cause. The panel shall perform oversight functions for commission investigative and prosecutorial functions. Members who serve on the investigative panel shall not serve as the presiding officer at any hearing in the same proceeding.)~~

"Meeting" means a business meeting of the commission for any purpose other than a public hearing or executive session involving the investigation or consideration of a complaint.

"Member" means a member of the commission and includes alternates acting as members.

"Public member" means a member of the commission who is neither a lawyer nor a judge.

"Reprimand" means an enforcement action of the commission that finds that the conduct of the respondent violates chapter 42.52 RCW or rules adopted under it. A reprimand may include a requirement that the respondent follow a specified corrective course of action. The commission shall issue a written reprimand and may require the respondent to appear personally before the commission for a public reading of the reprimand. The commission shall provide a copy of the reprimand to the respondent's employing agency.

"Respondent" means a state employee of the judicial branch who is the subject of a complaint, or the employee's attorney, as the context suggests.

"Staff" means the employees, or others under personal service contract or agreement, engaged to perform commission duties and to exercise commission powers.

AMENDATORY SECTION (Amending Order 95-01, filed 2/8/95, effective 3/11/95)

WAC 292-09-050 Complaints and investigations. (1)

Any organization, association, or person, including a member of the commission, may make a complaint to the commission alleging violation of chapter 42.52 RCW or rules adopted under it. A complaint shall be made in writing on a form provided by the commission. A complaint may be made personally or by the complainant's attorney.

(2) Upon receipt of a complaint, the commission staff shall investigate and evaluate the allegations. The investigation shall be limited to the facts alleged in the complaint. On every complaint received, the commission staff shall make a written recommendation that there is or that there is not reasonable cause to believe that a violation of chapter 42.52 RCW or rules adopted under it has been or is being committed. The ~~((investigative panel))~~ commission shall make a written determination whether there is reasonable cause based upon the complaint and the recommendation. A copy of the determination shall be provided to the complainant and to the respondent. If the determination concludes that there is no reasonable cause, a copy shall also be provided to the attorney general.

(3) Complaints pursuant to RCW 42.52.450 shall be investigated by the attorney general. As appropriate, pursuant to RCW 42.52.470, the ~~((investigative panel or the))~~ commission may refer a complaint to the employing agency, the attorney general, or the prosecutor.

AMENDATORY SECTION (Amending Order 95-01, filed 2/8/95, effective 3/11/95)

WAC 292-09-060 Determination of reasonable cause. If the ~~((investigative panel))~~ commission determines that reasonable cause exists that the respondent has violated chapter 42.52 RCW or rules adopted under it, the commission shall schedule a public hearing on the merits of the complaint.

WSR 02-01-050

PERMANENT RULES

DEPARTMENT OF

SOCIAL AND HEALTH SERVICES

(Medical Assistance Administration)

[Filed December 11, 2001, 3:42 p.m.]

Date of Adoption: December 5, 2001.

Purpose: The department originally intended to amend WAC 388-535-1250 Orthodontic coverage for DSHS children, in order to clarify and update the policy. As amendments to this section were being developed, the department decided to establish a separate chapter for this program (chapter 388-535A WAC) so the distinction between the dental and orthodontic programs will be clear. The new chapter accurately reflects current program policy.

Citation of Existing Rules Affected by this Order: Repealing WAC 388-535-1250 Orthodontic coverage for DSHS children.

Statutory Authority for Adoption: RCW 74.08.090, 74.09.035, 74.09.520, 74.09.500, 42 U.S.C. 1396d(a), C.F.R. 440.100 and 225.

Adopted under notice filed as WSR 01-20-110 on October 3, 2001.

Changes Other than Editing from Proposed to Adopted Version: Changes follow; additions are indicated by underlining and deletions are indicated by strikethrough:

WAC 388-535A-0040 (1)(v) Medical conditions as indicated on the Washington Modified Handicapping Labiolingual Deviation (HLD) Index that result in a score of twenty-five or higher. MAA reviews all requests for treatment for conditions that result in a score of less than twenty-five based on medical necessity on a case-by-case basis.

WAC 388-535A-0040(2) MAA may cover requests for medically necessary orthodontic treatment for dental malocclusions, other than those listed in subsection (1) of this section, when MAA determines that the treatment is medically necessary, that result in severe dental functional impairment. ~~MAA covers these cases: (a) On a case-by-case basis; (b) Based on medical necessity; and (c) Based on a score of twenty-five or higher on the Washington Modified Handicapping Labiolingual Deviation (HLD) Index.~~

PERMANENT

WAC 388-535A-0040(6) MAA covers panoramic radiographs (x-rays) once in a three-year period.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 6, Amended 0, Repealed 1.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 6, Amended 0, Repealed 1.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 6, Amended 0, Repealed 1.

Effective Date of Rule: Thirty-one days after filing.

December 5, 2001

Brian H. Lindgren, Manager
Rules and Policies Assistance Unit

Chapter 388-535A WAC

ORTHODONTIC SERVICES

NEW SECTION

WAC 388-535A-0010 Definitions for orthodontic services. The following definitions and those found in WAC 388-500-0005 apply to this chapter. Defined words and phrases are bolded the first time they are used in the text.

"Appliance placement" means the application of orthodontic attachments to the teeth for the purpose of correcting dentofacial abnormalities.

"Cleft" means an opening or fissure involving the dentition and supporting structures especially one occurring in utero. These can be:

- (1) Cleft lip;
- (2) Cleft palate (involving the roof of the mouth); or
- (3) Facial clefts (e.g., macrostomia).

"Comprehensive full orthodontic treatment" means utilizing fixed orthodontic appliances for treatment of the permanent dentition leading to the improvement of a patient's severe handicapping craniofacial dysfunction and/or dentofacial deformity, including anatomical and functional relationships.

"Craniofacial anomalies" means abnormalities of the head and face, either congenital or acquired, involving disruption of the dentition and supporting structures.

"Craniofacial team" means a department of health- and medical assistance administration-recognized cleft palate/maxillofacial team or an American Cleft Palate Association-certified craniofacial team. These teams are responsible for management (review, evaluation, and approval) of patients with cleft palate craniofacial anomalies to provide integrated case management, to promote parent-professional partnership, and make appropriate referrals to implement and coordinate treatment plans.

"Dental dysplasia" means an abnormality in the development of the teeth.

"EPSDT" means the department's early and periodic screening, diagnosis, and treatment program for clients twenty years of age and younger as described in chapter 388-534 WAC.

"Hemifacial microsomia" means a developmental condition involving the first and second brachial arch. This creates an abnormality of the upper and lower jaw, ear, and associated structures (half or part of the face appears smaller sized).

"Interceptive orthodontic treatment" means procedures to lessen the severity or future effects of a malformation and to affect or eliminate the cause. It is an extension of preventive orthodontics that may include localized tooth movement. Such treatment may occur in the primary or transitional dentition and may include such procedures as the redirection of ectopically erupting teeth, correction of isolated dental cross-bite, or recovery of recent minor space loss where overall space is adequate.

"Limited transitional orthodontic treatment" means orthodontic treatment with a limited objective, not involving the entire dentition. It may be directed only at the existing problem, or at only one aspect of a larger problem in which a decision is made to defer or forego more comprehensive therapy.

"Malocclusion" means the abnormal contact between the upper and lower teeth that interferes with the highest efficiency during the movements of the jaw that are essential to chewing.

"Maxillofacial" means relating to the jaws and face.

"Occlusion" means the relation of the upper and lower teeth when in functional contact during jaw movement.

"Orthodontics" means treatment involving the use of any appliance, in or out of the mouth, removable or fixed, or any surgical procedure designed to redirect teeth and surrounding tissues.

"Orthodontist" means a dentist who specializes in orthodontics, who is a graduate of a postgraduate program in orthodontics that is accredited by the American Dental Association, and who meets the licensure requirements of the department of health.

NEW SECTION

WAC 388-535A-0020 Eligibility for orthodontic services. (1) Subject to the limits of this chapter, the **medical assistance administration (MAA)** covers **medically necessary** orthodontic treatment for severe handicapping malocclusions, craniofacial anomalies, or cleft lip or palate for children only, as follows:

- (a) Clients in the **categorically needy** program (CN) receive orthodontic services through age twenty;
 - (b) Clients in the **children's health program** receive orthodontic services through age eighteen; and
 - (c) Clients in the **EPSDT** program receive orthodontic services through age twenty.
- (2) MAA does not cover orthodontic services for adults.

(3) Eligible clients in department-designated border areas may receive the same orthodontic services as if provided in-state.

NEW SECTION

WAC 388-535A-0030 Providers of orthodontic services. With prior approval from MAA, except as indicated under WAC 388-535A-0050, the following providers may furnish and be reimbursed for covered **comprehensive full orthodontic treatment, interceptive orthodontic treatment** (see WAC 388-535A-0060(7)), or **limited orthodontic treatment** (see WAC 388-535A-0060(8)), furnished to MAA clients:

- (1) Dentists who specialize in orthodontics;
- (2) Pediatric dentists who provide MAA-approved orthodontic services;
- (3) General dentists who provide MAA-approved orthodontic services; and
- (4) Oral surgeons who provide MAA-approved orthodontic services.

NEW SECTION

WAC 388-535A-0040 Orthodontic coverage. (1) MAA covers medically necessary orthodontic treatment for severe handicapping malocclusions, craniofacial anomalies, or cleft lip or palate when the client meets the eligibility requirements in WAC 388-535A-0020 and the medical conditions in this section. The client must have one of the following:

- (a) Cleft (lip or palate), or craniofacial anomaly when the client is treated by and receives follow-up care by a department-recognized cleft palate or craniofacial team for:
 - (i) Cleft lip and palate, cleft palate, or cleft lip with alveolar process involvement;
 - (ii) Craniofacial anomalies, including but not limited to:
 - (A) Hemifacial microsomia;
 - (B) Craniosynostosis syndromes;
 - (C) Cleidocranial dental dysplasia;
 - (D) Arthrogyposis; or
 - (E) Marfan syndrome.
 - (iii) Other medical conditions with significant facial growth impact (e.g., juvenile rheumatoid arthritis (JRA)); or
 - (iv) Post traumatic, post radiation, or post burn jaw deformity.
- (b) Other severe handicapping malocclusions, including one or more of the following:
 - (i) Deep impinging overbite when lower incisors are destroying the soft tissues of the palate;
 - (ii) Crossbite of individual anterior teeth when destruction of the soft tissue is present;
 - (iii) Severe traumatic malocclusion (e.g., loss of a premaxilla segment by burns or by accident, the result of osteomyelitis, or other gross pathology);
 - (iv) Overjet greater than 9mm with incompetent lips or reverse overjet greater than 3.5mm with reported masticatory and speech difficulties; or
 - (v) Medical conditions as indicated on the Washington Modified Handicapping Labiolingual Deviation (HLD) Index Score that result in a score of twenty-five or higher.

MAA reviews all requests for treatment for conditions that result in a score of less than twenty-five, based on medical necessity on a case-by-case basis.

(2) MAA may cover requests for orthodontic treatment for dental malocclusions, other than those listed in subsection (1) of this section when MAA determines that the treatment is medically necessary.

(3) MAA reviews requests for orthodontic treatment for children who are eligible for services under the EPSDT program according to the provisions of WAC 388-534-0100.

(4) MAA covers orthodontic appliance removal for a client whose appliance was placed by a provider not participating with MAA, or whose payment MAA did not cover.

(5) MAA does not cover lost or broken orthodontic appliances.

(6) MAA covers panoramic radiographs (x-rays) once in a three-year period.

NEW SECTION

WAC 388-535A-0050 Authorization, prior authorization, and expedited prior authorization for orthodontic services. (1) When MAA authorizes a service, that authorization indicates only that the specific service is medically necessary; it is not a guarantee of payment. The client must be eligible for the covered service at the time the service is provided.

(2) MAA does not require prior authorization for orthodontic treatment of a client with cleft lip, cleft palate, or craniofacial anomaly when the client is:

- (a) Eligible under WAC 388-535A-0020; and
- (b) Being treated by a department-recognized cleft palate or craniofacial team.

(3) MAA requires prior authorization for orthodontic treatment of:

- (a) Severe handicapping malocclusions;
- (b) Dental malocclusions that result in severe dental functional impairment;
- (c) Those cases that result in a score less than thirty on the Washington Modified HLD Index Scale; and
- (d) Services provided per WAC 388-535A-0030.

(4) MAA allows orthodontists to use expedited prior authorization (EPA) for those cases that score thirty or more on the Washington Modified HLD Index Scale. The EPA process is designed to eliminate the need for telephone prior authorization for selected procedures. The orthodontist must create an authorization number using the process explained in MAA's orthodontic billing instructions. When MAA finds that a provider is using EPA inappropriately, MAA may:

- (a) Require the provider to obtain prior authorization from MAA before providing services to any client; or
- (b) Take one or more of the actions in WAC 388-502-0230(3).

NEW SECTION

WAC 388-535A-0060 Reimbursement for orthodontic services. (1) MAA considers that a provider who furnishes covered orthodontic services to an eligible client has accepted MAA's rates and fees.

(2) Payment for orthodontic services is based on MAA's schedule of maximum allowances; fees listed in the fee schedule are the maximum allowable fees.

(3) MAA uses state-assigned procedure codes to identify covered orthodontic services.

(4) MAA does not cover out-of-state orthodontic treatment.

(5) Orthodontic providers who are in department-designated border areas must:

(a) Meet the licensure requirements of their state; and

(b) Meet the same criteria for payment as in-state providers, including the requirements to contract with MAA.

(6) MAA reimburses for interceptive orthodontic treatment for cleft palate or craniofacial anomaly per WAC 388-535A-0050.

(7) With the exception of the conditions listed in subsection (6) of this section, MAA reimburses for interceptive orthodontic treatment once per client's lifetime for clients with severe handicapping malocclusions.

(8) MAA reimburses for limited transitional orthodontic treatment for a maximum of one year from original appliance placement. Follow up treatment is allowed in three-month increments, beginning three months after the initial placement.

(9) MAA reimburses for comprehensive full orthodontic treatment up to a maximum of two years from original appliance placement. Six follow up treatments are allowed in three-month increments, beginning six months after the initial placement.

(10) If the client's eligibility for orthodontic treatment under WAC 388-535A-0020 ends before the conclusion of the orthodontic treatment, payment for any remaining treatment is the individual's responsibility; MAA does not reimburse for these services.

(11) The client is responsible for payment of any orthodontic service or treatment received during any period of ineligibility, even if the treatment was started when the client was eligible; MAA does not reimburse for these services.

(12) The client is responsible for paying for services when the client has not disclosed coverage to the provider, per WAC 388-502-0160 and 388-501-0200; MAA does not reimburse in these situations.

REPEALER

The following section of the Washington Administrative Code is repealed:

WAC 388-535-1250 Orthodontic coverage for DSHS children.

Richard Stedman

Executive Director

ARTICLE 9 EMISSION PROHIBITED

AMENDATORY SECTION SECTION 9.01 OPEN FIRES

It is the policy of the Olympic Air Pollution Control Authority (OAPCA) to achieve and maintain high levels of air quality, and, to this end, minimize to the greatest extent reasonably possible the burning of open fires. Consistent with this policy, the Board does hereby declare that such fires should be allowed only on a limited basis under strict regulation and close control, such program to be implemented by a one permit system. It is the further policy of the Board to encourage the fostering and development of an alternate technology or method of disposing of wastes which is reasonably economical and less harmful to the environment.

(a) It shall be unlawful for any person to cause or allow any open fire:

(1) Containing prohibited materials which include, but are not limited to, garbage, dead animals, petroleum products, paints, rubber products, plastics, paper (other than what is necessary to start a fire), cardboard, treated wood, processed wood, construction debris, metal or any substance which when burned releases toxic emissions, dense smoke or obnoxious odors.

(2) During an air pollution episode or period of Impaired Air Quality as defined in RCW 70.94.

(3) In a no burn/nonattainment area or in any area which has been designated by the Board or Control Officer as an area exceeding or threatening to exceed State or Federal ambient air quality standards.

(i) It shall be unlawful for any person to cause or allow any open fire described in Section 9.01 (b)(2) and (6) in any area where the Board has prohibited burning.

(ii) Fires described in Section 9.01 are prohibited in the following areas:

All areas within the city limits of Lacey, Olympia, and Tumwater, and unincorporated areas of Thurston county lying within or between the municipal boundaries.

(4) In any area in which the applicable fire district, fire protection agency, city, town, county, or conservation district has determined not to issue burning permits or has determined that selected types of open burning fires are prohibited under a valid burning permit program established pursuant to RCW 70.94.745, RCW 70.94.750, RCW 70.94.775, and/or RCW 70.94.780.

(5) Within fifty (50) feet of a structure or within five hundred (500) feet of forest slash debris.

(6) In any area within the jurisdiction of this authority all burning requires a permit as covered in WAC 173-425-070.

(7) Urban growth areas and cities with a population of ten thousand or more will ban open burning when alternatives are available, no later than the end of the year 2000.

(8) If open burning creates a nuisance the fire must be extinguished immediately.

(b) Other than the following types:

(1) Recreational fires no larger than four feet in diameter and three feet in height for campfires at designated federal, state, county or city parks and recreation areas, provided a written permit has been issued by a fire protection agency, county, or conservation district.

(2) Residential fires set for the disposal of yard and garden refuse (except cut grass) originating on lands immediately adjacent and in close proximity to a human dwelling subject however, to the following restrictions:

(i) There shall be one (1) fire only and it shall not exceed four (4) feet in diameter and three (3) feet in height.

(ii) The material may be burned only if it is of a location, nature and condition to burn without emitting dense smoke or offensive odors or creating a nuisance.

(iii) The fire is to consist only of dry leaves and prunings (except grass cuttings which produce dense smoke), and be burned on such lands by the property owner or their designee under strict conditions such as hours, dates, smoke management, etc., provided a written permit has been issued by a fire protection agency, county, or conservation district (thirty (30) days are the maximum allowed).

(iv) There shall be compliance with all laws and regulations of other governmental agencies regarding such fires.

(v) The fire is not contrary to Section 9.01(a).

(3) Where open burning is allowed a minimum permit (general rule burn) is allowed provided that all restrictions (i through viii) are met.

(i) The fire must be attended at all times by someone with the means and capability of extinguishing the fire.

(ii) Maximum pile size is four (4) feet by four (4) feet by three (3) feet in height.

(iii) Only one pile shall be burned at a time, and each pile must be extinguished before igniting another.

(iv) No material containing garbage, asphalt, dead animals, petroleum products, paints, rubber products, plastic, paper (other than what is necessary to start a fire), cardboard, treated wood, processed wood, construction debris, metal or any substance which when burned releases toxic emissions, dense smoke or obnoxious odors.

(v) The designated permitting authority must be called to confirm burning conditions for each day or current information on burning conditions must be obtained from another designated source.

(vi) If the fire creates a nuisance, it must be extinguished.

(vii) Permission from a landowner, or owner's designated representative, must be obtained before starting an open fire.

(viii) General rule burn permits under this section may be used for the following number of days per year:

1992-1994	21 days
1995-1998	14 days
1998-1999	7 days
after 2000	7 days

The exact dates to implemented will be determined by the Control Officer.

(4) Fire associated with agricultural operations for controlling diseases, insects, weed abatement or development of physiological conditions conducive to increased crop yield, provided written confirmation has been furnished by a designated county extension agent or agricultural specialist designated by the Cooperative Extension Service that burning is the best management practice, a one time application fee of twenty dollars is collected, and prior written approval has been issued by the Control Officer.

(5) Fires for abating a forest fire hazard, to prevent a hazard, for instruction of public officials in methods of forest fire fighting, any silvicultural operation to improve forest lands, and silvicultural burning used to improve or maintain fire dependent ecosystems for rare plants or animals within state, federal, and private natural area preserves, natural resource conservation area, parks, and other wildlife areas, provided prior written approval has been issued by the Washington Department of Natural Resources.

(6) Land clearing fires consisting of residue of a natural character such as trees, stumps, shrubbery or other natural vegetation arising from land clearing projects, (natural vegetation can not be transported from this site to be burned at another location) under strict conditions, such as hours, dates, smoke management, etc., and provided a written permit has been issued by ~~((a fire protection))~~ an approved permitting agency~~((, county, or conservation district))~~ (thirty (30) days are the maximum allowed for permit). Land clearing burning permits issued by OAPCA will be charged a fee in the amount of one hundred dollars (\$100.00).

(7) Cooking fires consisting solely of charcoal, propane, natural gas or wood (provided that wood is not used in a no burn/nonattainment area) and used solely for the preparation of food.

(8) Fires for Native American ceremonies or for the sending of smoke signals if part of a religious ritual, (provided that proof of tribal affiliation is certified and a permit has been issued by the Control Officer in a no burn area).

(c) Any permit issued may be limited by the imposition of conditions to prevent air pollution as defined in Article 1 of this Regulation. If it becomes apparent at any time to the authorized permitting agent that limitations need to be imposed, the authorized permitting agent shall notify the permittee; and any limitations so imposed shall be treated as conditions under which the permit is issued.

(d) Fires started in violation of this Regulation shall be extinguished by the persons responsible for the same upon notice of the authorized permitting agent.

(e) It shall be prima facie evidence that the person who owns or controls property on which an open fire occurs, has caused or allowed said open fire.

(f) Firemen Training: The Control Officer, or a duly authorized agent may allow, by permit, an open fire necessary for firemen training (other than forest fire training) by a

legally authorized fire control agency and may authorize the burning of petroleum products by such permit. Conditions of this permit will agree with guidelines established by the Washington Department of Ecology.

(g) Nothing contained in Article 9 shall be construed to allow open fires in those areas in which open burning is prohibited by laws, ordinances, or regulations of the state or any city, county, or fire district.

(h) Nothing contained in Article 9 shall relieve the applicant from obtaining permits required by any state or local fire protection agency or from compliance with Section 11.101 of the Uniform Fire Code.

Reviser's note: The typographical error in the above material occurred in the copy filed by the Olympic Air Pollution Control Authority and appears in the Register pursuant to the requirements of RCW 34.08.040.

WSR 02-01-056
PERMANENT RULES
OLYMPIC AIR POLLUTION
CONTROL AUTHORITY

[Filed December 12, 2001, 3:58 p.m.]

Date of Adoption: December 12, 2001.

Purpose: This change will allow the executive director, or a designee, to act as a hearing officer in the event that a public hearing is held during a time that the board of directors is not available.

Citation of Existing Rules Affected by this Order: Amending OAPCA's Regulation 1 Article 3.

Statutory Authority for Adoption: Chapter 70.94 RCW.

Adopted under notice filed as WSR 01-22-014 on October 26, 2001.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: Thirty-one days after filing.

December 12, 2001

Richard Stedman

Executive Director

AMENDATORY SECTION
SECTION 3.15 APPOINTMENT OF HEARING OFFICER

(a) In all instances where the Board is permitted or required to hold hearings under the provisions of Chapter

70.94 RCW, such hearings shall be held before the Board; or the Board may appoint a hearing officer, who shall be ~~((an attorney admitted to practice in the state))~~ the Executive Director of the Authority or his/her designee to hold such hearings.

(b) A duly appointed hearing officer shall have all the powers, rights and duties of the Board relating to the ~~((conduct of))~~ hearings.

~~((c) At the conclusion of a hearing at which the hearing officer has presided, the hearing officer shall prepare written findings of fact and conclusions of law and a recommended decision. Parties to the proceeding shall be notified of the proposed decision as provided in RCW 34.04.110 through 34.04.120, as now or hereafter amended.))~~

WSR 02-01-064
PERMANENT RULES
DEPARTMENT OF
LABOR AND INDUSTRIES

[Filed December 14, 2001, 9:31 a.m., effective January 1, 2002]

Date of Adoption: December 14, 2001.

Purpose: Chapter 296-27 WAC, Recordkeeping and reporting.

The federal Occupational Safety and Health Administration (OSHA) announced in Federal Register, Volume 66, No. 13, dated January 19, 2001, adopted final rule amendments to 29 C.F.R. 1904 and 1952 in regard to occupational injury and illness recording and reporting requirements, to be effective January 1, 2002.

OSHA subsequently revised the final rule in Federal Register, Volume 66, No. 198, dated October 12, 2001, with no change to the January 1, 2002, effective date for most requirements.

By federal mandate, WISHA (Washington Industrial Safety and Health Act) regulations must be "at-least-as-effective-as" OSHA requirements. To meet that mandate, WISHA is adopting revisions to be effective January 1, 2002, or later, as stipulated by OSHA.

Citation of Existing Rules Affected by this Order: Repealing WAC 296-27-010 Purpose and scope, 296-27-020 Definitions, 296-27-030 Log and summary of occupational injuries and illnesses, 296-27-040 Period covered by logs, 296-27-050 Supplementary record, 296-27-060 Annual summary, 296-27-070 Retention of records, 296-27-075 Employees not in fixed establishments, 296-27-077 Small employers, 296-27-078 Private employers classified in standard industrial classification codes (SIC) 52 through 89 (except 52 through 54, 70, 75, 76, 79 and 80), 296-27-080 Access to records, 296-27-100 Falsification, failure to keep records or reports, 296-27-110 Change of ownership, 296-27-120 Petitions for recordkeeping exceptions, 296-27-121 Additional recordkeeping requirements, 296-27-130 Description of statistical program, and 296-27-140 Duties of employers—Statistical program.

Statutory Authority for Adoption: RCW 49.17.010, [49.17].040, and [49.17].050.

Adopted under notice filed as WSR 01-19-066 on September 19, 2001.

Changes Other than Editing from Proposed to Adopted Version: **WAC 296-27-00105** Partial exemption for private employer establishments in certain industries.

- Revised WAC 296-27-00105 section title to add the words "private employer" and deleted the word "establishments" to clarify that exemptions applied to private not public employers.
- Revised WAC 296-27-00105 (1)(a) to add the word "private" to clarify intent.
- Revised WAC 296-27-00105 (1)(a) to delete reference to "Appendix A to this Subpart A" and add reference to "Table 1."
- Revised Table 1 in WAC 296-27-00105 to add the title "Private Employer Exemptions" to clarify its applicability.
- Revised Table 1 in WAC 296-27-00105 to retain our current WISHA requirements and continue to require the following SIC codes to report injury and illness information: 801 (Offices and Clinics of Medical Doctors), 802 (Offices and Clinics of Dentists), 803 (Offices of Osteopathic), 804 (Offices of other Health Practitioners), 807 (Medical and Dental Laboratories), and 809 (Health and Allied Services not elsewhere classified).
- Added Table 2 to WAC 296-27-00105. Table 2, titled "Public Employer Exemptions" lists SIC 821 (Public elementary and secondary schools) and 823 (Public libraries).
- Revised the second sentence of WAC 296-27-00105 (1)(a) add the words/acronym "to WISHA" to clarify to whom employers were to report fatalities or the hospitalization of two or more employees.
- Added the final sentence to WAC 296-27-00105 (1)(a) "Public employers are not included in this exemption, except as indicated in (b) below" to clarify the extent of the exemption between public and private employers.
- Revised WAC 296-27-00105 (1)(b) to add the following: "If you are a public employer in SIC 821 (Elementary and Secondary Schools) and 823 (Libraries) you do not need to keep injury and illness records unless WISHA, OSHA or the BLS asks you to keep the records under WAC 296-27-03105 or 296-27-03107. However, all employers must report to WISHA any workplace incident that results in a fatality or the hospitalization of two or more employees (see WAC 296-800-32005)." to clarify which public employers were exempt from reporting requirements.
- Changed WAC 296-27-00105 (1)(b) to (c) to allow the introduction of clarified information in the appropriate sequencing.
- Revised WAC 296-27-00105 (2)(c) to add a specific reference to the Department of Revenue website which may be helpful to employers.

WAC 296-27-00109 Nonmandatory appendix—Partially exempt industries.

- Added a hyphen in the section title, between the words appendix and Partially" for clarity.

WAC 296-27-01101 Recording criteria.

- Removed the editorial comments "Insert illustration from page 6124 of Federal Register, Vol. 66, No. 13, dated January 19, 2001" and inserted the illustration.

WAC 296-27-01103 Determination of work-relatedness.

- Revised positioning of the note in 4th and 8th bullet WAC 296-27-01103 (2)(b) for uniformity and clarity.

WAC 296-27-01107 General recording criteria.

- Replaced the acronym OSHA with WISHA in WAC 296-27-01107 (2)(b) to clarify to whom a fatality must be reported.
- Added the number "180" in parentheses, following the words "one hundred eighty" in WAC 296-27-01107 (2)(c)(vii) for clarity.
- Replaced the word "part" with "section" in WAC 296-27-01107 (2)(e)(ii) for clarity.
- Revised wording in WAC 296-27-01107 (2)(e)(iii) from "this section's purposes" to "the purpose of this section" for clarity.

WAC 296-27-01109 Recording criteria for needlestick and sharps injuries.

- Replaced the first two bullets of WAC 296-27-01109 (2)(a) and the corresponding verbiage and replaced them with the following for clarity and uniform reference between various WAC:
 - The following human body fluids: Semen, vaginal secretions, cerebrospinal fluid, synovial fluid, pleural fluid, pericardial fluid, peritoneal fluid, amniotic fluid, saliva in dental procedures, any body fluid that is visibly contaminated with blood, and all body fluids where it is difficult or impossible to differentiate between body fluids;
 - Any unfixed tissue or organ (other than intact skin) from a human (living or dead); and
 - HIV-containing cell or tissue cultures, organ cultures, and HIV- or HBV-containing culture medium or other solutions; and blood, organs, or other tissue from experimental animals infected with HIV or HBV.

WAC 296-27-01113 Recording criteria for cases involving occupational hearing loss.

- Deleted the last six words ("by checking the "hearing loss" column") from WAC 296-27-01113(1), because OSHA has removed the column from the form.
- Added to WAC 296-27-01113 (2)(a) the following verbiage to comply with rule revisions mandated by OSHA after the CR-102 was filed: For the period January 1, 2002, through December 31, 2002, a recordable threshold shift, or RTS, is a change in hearing threshold, relative to the most recent audiogram for that employee of an average of 25 decibels (dB) or more at 2000, 3000, and 4000 hertz in one or both ears. Effective January 1, 2003,...."
- Added the words "for determination of an RTS" to the answer of WAC 296-27-01113 (2)(c) for clarity.
- Deleted the words "or to a total noise dose of fifty percent, as defined in 29 C.F.R. 1910.95" from WAC 296-27-01113 (2)(e) to standardize the calculation method with other WAC.

WAC 296-27-01117 Recording criteria for cases involving work-related musculoskeletal disorders.

- Added the following note between the section title of WAC 296-27-01117 and subsection (1) to introduce rule revisions mandated by OSHA during the time between the filing of the CR-102 and the CR-103: Note: This section is effective January 1, 2003. During the period January 1, 2002, through December 31, 2002, you are required to record work-related injuries and illnesses involving muscle, nerves, tendons, ligaments, joints, cartilage and spinal discs in the same manner that you would any injury or illness required by this chapter. For entry (M) on the OSHA 300 Log, you must check either the entry or "injury" or "all other illnesses."
- Deleted the word "or" and corrected punctuation in the second bullet of WAC 296-27-01117 (2)(b)(iii) for clarity.

WAC 296-27-01119 Forms.

- Revised the last bullet of WAC 296-27-01119 [(2)(g)] to read: "Other illnesses, effective January 1, 2002, if the employee independently and voluntarily requests that his or her name not be entered on the log. Effective January 1, 2003, include, musculoskeletal disorders (MSDs) are not considered privacy concern cases." These revisions were required as a result of mandated rule revisions by OSHA that were announced after the filing of the CR-102.
- Revised, for clarity, wording in WAC 296-27-01119 (2)(h) from "this section's purposes" to "the purposes of this section."
- Revised, for clarity, WAC 296-27-01119 (3)(b) to delete reference to RCW 49.17.120, 49.17.140, 49.-317.180 [49.17.180], or 49.17.190 and replace them with WAC 296-800-35002 through 296-800-35052.

WAC 296-27-02109 Change in business ownership.

- Deleted the words "the Part 1904" and replaced them with the word "these" for clarity.

WAC 296-27-02117 Variances from the recordkeeping rule.

- Added WAC 296-27-02117 (2)(f) ("The Department of Labor and Industries must recognize any variance issued by Federal OSHA") to clarify the departments' obligation.

WAC 296-27-03101 Providing records to government representatives.

- Added the number four in parentheses, following the word "four," in both the title and text of WAC 296-27-03101 [(2)(b)], for clarity.

WAC 296-27-03103 Annual OSHA injury and illness survey of ten or more employees.

- Revised WAC 296-27-03103 section title from "Annual OSHA injury and illness survey of ten or more employees."
- Revised WAC 296-27-03103 [(2)(e)] subdivision title to "Does this section affect WISHA/OSHA's authority to inspect my workplace" to clarify that the question applies to WISHA as well as OSHA authority. The

acronym WISHA was also added within the answer to enhance clarity.

WAC 296-27-03105 Requests from the Bureau of Labor Statistics for data.

- Deleted C.F.R. reference (1904.1 to 1904.3) and added the appropriate WAC reference (WAC 296-27-00103 through 296-27-00107).

WAC 296-27-04101 Summary and posting of the 2001 data.

- Corrected the calendar year reference from 2000 to 2001 for the annual summary.

WAC 296-27-05101 Definitions.

- In the definition of employer, the word "or" was changed to "of."
- In the definition of physician or other licensed health care professional, deleted the words "is an individual."

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 35, Amended 0, Repealed 17; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 35, Amended 0, Repealed 17.

Other Findings Required by Other Provisions of Law as Precondition to Adoption or Effectiveness of Rule: By federal mandate, WISHA must have the recordkeeping and recording rules in effect by January 1, 2002, to be at-least-as-effective-as OSHA. Therefore the effective date of this standard will be less than thirty-one days after the filing per RCW 34.05.380 (3)(a).

Effective Date of Rule: January 1, 2002.

December 14, 2001

Gary Moore

Director

NEW SECTION

WAC 296-27-00101 Purpose and scope. (1) Purpose.

The purpose of this standard is to require employers to record and report work-related fatalities, injuries and illnesses.

Note 1: Recording or reporting a work-related injury, illness, or fatality does not mean that the employer or employee was at fault, that a rule has been violated, or that the employee is eligible for workers' compensation or other benefits.

(2) Scope. All employers covered by the Washington Industrial Safety and Health Act (WISHA) are covered by this standard. However, most employers do not have to keep injury and illness records unless WISHA, OSHA, or the Bureau of Labor Statistics (BLS) informs them in writing that they must keep records. For example, employers with ten or fewer employees and business establishments in certain

industry classifications are partially exempt from keeping injury and illness records.

Note: The recordkeeping and reporting requirements of this chapter are separate and distinct from the recordkeeping and reporting requirements under Title 51 RCW (the Industrial Insurance Act) unless otherwise noted in this chapter.

NEW SECTION

WAC 296-27-00103 Partial exemption for employers with ten or fewer employees. (1) Basic requirement.

(a) If your company had ten or fewer employees at all times during the last calendar year, you do not need to keep injury and illness records unless WISHA, OSHA, or the BLS informs you in writing that you must keep records under this section. However, as required by WAC 296-27-03101, all employers covered by the WISH Act must report any workplace incident that results in a fatality or the hospitalization of two or more employees.

(b) If your company had more than ten employees at any time during the last calendar year, you must keep injury and illness records unless your establishment is classified as a partially exempt industry under WAC 296-27-00105.

(2) Implementation.

(a) **Is the partial exemption for size based on the size of my entire company or on the size of an individual business establishment?** The partial exemption for size is based on the number of employees in the entire company.

(b) **How do I determine the size of my company to find out if I qualify for the partial exemption for size?** To determine if you are exempt because of size, you need to determine your company's peak employment during the last calendar year. If you had no more than ten employees at any time in the last calendar year, your company qualifies for the partial exemption for size.

NEW SECTION

WAC 296-27-00105 Partial exemption for private employers in certain industries. (1) Basic requirement.

(a) If your private business establishment is classified in a specific low hazard retail, service, finance, insurance or real estate industry listed in Table 1 you do not need to keep injury and illness records unless WISHA, OSHA, or the BLS asks you to keep the records under WAC 296-27-03105 or 296-27-03107. (Public employers are not included in this exemption, except as indicated in (b) of this subsection.) However, all employers must report to WISHA any workplace incident that results in a fatality or the hospitalization of two or more employees (see WAC 296-800-32005).

(b) If you are a public employer in SIC 821 (elementary and secondary schools) and 823 (libraries), you do not need to keep injury and illness records unless WISHA, OSHA or the BLS asks you to keep the records under WAC 296-27-03105 or 296-27-03107. However, all employers must report to WISHA any workplace incident that results in a fatality or the hospitalization of two or more employees (see WAC 296-800-32005).

(c) If one or more of your company's establishments are classified in a nonexempt industry, you must keep injury and illness records for all of such establishments unless your

company is partially exempted because of size under WAC 296-27-00103.

(2) Implementation.

(a) **Does the partial industry classification exemption apply only to business establishments in the retail, services, finance, insurance or real estate industries (SICs 52-89)?** Yes, business establishments classified in agriculture; mining; construction; manufacturing; transportation; communication, electric, gas and sanitary services; or wholesale trade are not eligible for the partial industry classification exemption.

(b) **Is the partial industry classification exemption based on the industry classification of my entire company or on the classification of individual business establishments operated by my company?** The partial industry classification exemption applies to individual business establishments. If a company has several business establishments engaged in different classes of business activities, some of the company's establishments may be required to keep records, while others may be exempt.

(c) **How do I determine the Standard Industrial Classification code for my company or for individual establishments?** You determine your Standard Industrial Classification (SIC) code by using the Standard Industrial Classification manual, *Executive Office of the President, Office of Management and Budget*. You may contact your local L&I office for help in determining your SIC or visit Department of Revenue's website, http://dor.wa.gov/reports/Qbrsearch/sic_list.htm.

NEW SECTION

WAC 296-27-00107 Keeping records for more than one agency. If you create records to comply with another government agency's injury and illness recordkeeping requirements, OSHA will consider those records as meeting federal recordkeeping requirements if OSHA accepts the other agency's records under a memorandum of understanding with that agency, or if the other agency's records contain the same information as required by 29 CFR, Part 1904 requires you to record. You may contact WISHA or your local L&I office for help in determining whether your records meet OSHA's requirements.

NEW SECTION

WAC 296-27-00109 Nonmandatory appendix to this section—Partially exempt industries. Employers are not required to keep OSHA injury and illness records for any establishment classified in the following Standard Industrial Classification (SIC) codes, unless they are asked in writing to do so by WISHA, OSHA, or the Bureau of Labor Statistics (BLS). All employers, including those partially exempted by reason of company size or industry classification, must report to WISHA any workplace incident that results in a fatality or the hospitalization of two or more employees (see WAC 296-800-32005).

See Table "1" at the end of this document.

NEW SECTION

WAC 296-27-011 Recordkeeping forms and recording criteria. This section describes the work-related injuries and illnesses that an employer must enter into the OSHA records and explains the OSHA forms that employers must use to record work-related fatalities, injuries, and illnesses.

NEW SECTION

WAC 296-27-01101 Recording criteria. (1) Basic requirement. Each employer required by this chapter to keep records of fatalities, injuries, and illnesses must record each fatality, injury and illness that:

- Is work-related;
- Is a new case; and
- Meets one or more of the general recording criteria of WAC 296-27-01107 or the application to specific cases of WAC 296-27-01109 through 296-27-01117.

(2) Implementation.

(a) **What sections of this rule describe recording criteria for recording work-related injuries and illnesses?** The table below indicates which sections of the rule address each topic.

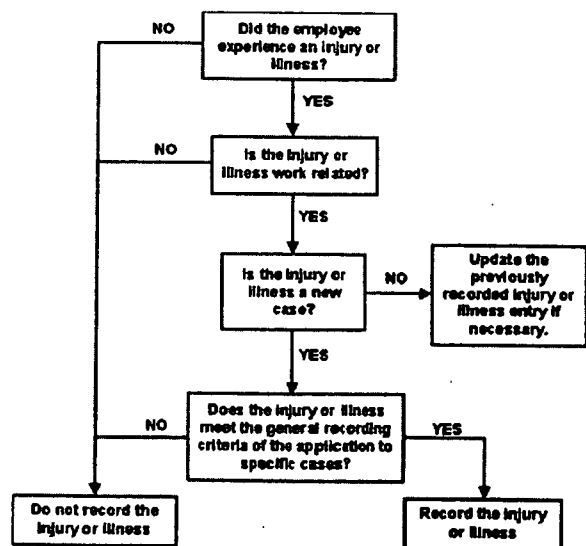

(i) Determination of work-relatedness. See WAC 296-27-01103.

(ii) Determination of a new case. See WAC 296-27-01105.

(iii) General recording criteria. See WAC 296-27-01107.

(iv) Additional criteria. (Needlestick and sharps injury cases, tuberculosis cases, hearing loss cases, medical removal cases, and musculoskeletal disorder cases). See WAC 296-27-01109 through 296-27-01117.

(b) **How do I decide whether a particular injury or illness is recordable?** The decision tree for recording work-related injuries and illnesses below shows the steps involved in making this determination.

PERMANENT

(c) **May I be required to keep other records or report additional information?** Yes, the director may require that additional records be kept or additional information reported to achieve the purpose of the WISH Act.

NEW SECTION

WAC 296-27-01103 Determination of work-relatedness. (1) Basic requirement. You must consider an injury or illness to be work-related if an event or exposure in the work environment either caused or contributed to the resulting condition or significantly aggravated a preexisting injury or illness. Work-relatedness is presumed for injuries and illnesses resulting from events or exposures occurring in the work environment, unless an exception in WAC 296-27-01103 (2)(b) specifically applies.

(2) Implementation.

(a) **What is the "work environment"?** Work environment is defined as "the establishment and other locations where one or more employees are working or are present as a condition of their employment. The work environment includes not only physical locations, but also the equipment or materials used by the employee during the course of his or her work."

(b) **Are there situations where an injury or illness occurs in the work environment and is not considered work-related?** Yes, an injury or illness occurring in the work environment that falls under one of the following exceptions is not work-related, and therefore is not recordable.

You are **not** required to record injuries and illnesses if:

- At the time of the injury or illness, the employee was present in the work environment as a member of the general public rather than as an employee.
- The injury or illness involves signs or symptoms that surface at work but result solely from a nonwork-related event or exposure that occurs outside the work environment.
- The injury or illness results solely from voluntary participation in a wellness program or in a medical, fitness, or recreational activity such as blood donation, physical examination, flu shot, exercise class, racquetball, or baseball.
- The injury or illness is solely the result of an employee eating, drinking, or preparing food or drink for personal consumption (whether bought on the employer's premises or brought in). For example, if the employee is injured by choking on a sandwich while in the employer's establishment, the case would not be considered work-related.

Note: If the employee is made ill by ingesting food contaminated by workplace contaminants (such as lead), or gets food poisoning from food supplied by the employer, the case would be considered work-related.

- The injury or illness is solely the result of an employee doing personal tasks (unrelated to their employment) at the establishment outside of the employee's assigned working hours.
- The injury or illness is solely the result of personal grooming, self medication for a nonwork-related condition, or is intentionally self-inflicted.
- The injury or illness is caused by a motor vehicle accident and occurs on a company parking lot or company access road while the employee is commuting to or from work.

- The illness is the common cold or flu.

Note: Contagious diseases such as tuberculosis, brucellosis, hepatitis A, or plague are considered work-related if the employee is infected at work.

• The illness is a mental illness. Mental illness will not be considered work-related unless the employee voluntarily provides the employer with an opinion from a physician or other licensed health care professional with appropriate training and experience (psychiatrist, psychologist, psychiatric nurse practitioner, etc.) stating that the employee has a mental illness that is work-related.

(c) **How do I handle a case if it is not obvious whether the precipitating event or exposure occurred in the work environment or occurred away from work?** In these situations, you must evaluate the employee's work duties and environment to decide whether or not one or more events or exposures in the work environment either caused or contributed to the resulting condition or significantly aggravated a preexisting condition.

(d) **How do I know if an event or exposure in the work environment "significantly aggravated" a preexisting injury or illness?** A preexisting injury or illness has been significantly aggravated, for purposes of injury and illness recordkeeping, when an event or exposure in the work environment results in any of the following:

- Death, provided that the preexisting injury or illness would likely not have resulted in death but for the occupational event or exposure.
- Loss of consciousness, provided that the preexisting injury or illness would likely not have resulted in loss of consciousness but for the occupational event or exposure.
- One or more days away from work, or days of restricted work, or days of job transfer that otherwise would not have occurred but for the occupational event or exposure.
- Medical treatment in a case where no medical treatment was needed for the injury or illness before the workplace event or exposure, or a change in medical treatment was necessitated by the workplace event or exposure.

(e) **Which injuries and illnesses are considered preexisting conditions?** An injury or illness is a preexisting condition if it resulted solely from a nonwork-related event or exposure that occurred outside the work environment.

(f) **How do I decide whether an injury or illness is work-related if the employee is on travel status at the time the injury or illness occurs?** Injuries and illnesses that occur while an employee is on travel status are work-related if, at the time of the injury or illness, the employee was engaged in work activities "in the interest of the employer." Examples of such activities include travel to and from customer contacts, conducting job tasks, and entertaining or being entertained to transact, discuss, or promote business (work-related entertainment includes only entertainment activities being engaged in at the direction of the employer).

Injuries or illnesses that occur when the employee is on travel status do not have to be recorded if they meet one of the exceptions listed below.

If the employee has:

- Checked into a hotel or motel for one or more days

- Taken a detour for personal reasons

(g) How do I decide if a case is work-related when the employee is working at home? Injuries and illnesses that occur while an employee is working at home, including work in a home office, will be considered work-related if the injury or illness occurs while the employee is performing work for pay or compensation in the home, and the injury or illness is directly related to the performance of work rather than to the general home environment or setting. For example, if an employee drops a box of work documents and injures his or her foot, the case is considered work-related. If an employee's fingernail is punctured by a needle from a sewing machine used to perform garment work at home, becomes infected and requires medical treatment, the injury is considered work-related. If an employee is injured because he or she trips on the family dog while rushing to answer a work phone call, the case is not considered work-related. If an employee working at home is electrocuted because of faulty home wiring, the injury is not considered work-related.

NEW SECTION

WAC 296-27-01105 Determination of new cases. (1) Basic requirement. You must consider an injury or illness to be a "new case" if:

(a) The employee has not previously experienced a recorded injury or illness of the same type that affects the same part of the body; or

(b) The employee previously experienced a recorded injury or illness of the same type that affected the same part of the body but had recovered completely (all signs and symptoms had disappeared) from the previous injury or illness and an event or exposure in the work environment caused the signs or symptoms to reappear.

(2) Implementation.

(a) When an employee experiences the signs or symptoms of a chronic work-related illness, do I need to consider each recurrence of signs or symptoms to be a new case? No, for occupational illnesses where the signs or

You may use the following to determine if an injury or illness is work-related.

When a traveling employee checks in to a hotel, motel, or into another temporary residence, he or she establishes a "home away from home." You must evaluate the employee's activities after he or she checks into the hotel, motel, or other temporary residence for their work-relatedness in the same manner as you evaluate the activities of a nontraveling employee. When the employee checks into the temporary residence, he or she is considered to have left the work environment. When the employee begins work each day, he or she reenters the work environment. If the employee has established a "home away from home" and is reporting to a fixed worksite each day, you also do not consider injuries or illnesses work-related if they occur while the employee is commuting between the temporary residence and the job location.

Injuries or illnesses are not considered work-related if they occur while the employee is on a personal detour from a reasonably direct route of travel (e.g., has taken a side trip for personal reasons).

symptoms may recur or continue in the absence of an exposure in the workplace, the case must only be recorded once. Examples may include occupational cancer, asbestosis, byssinosis and silicosis.

(b) When an employee experiences the signs or symptoms of an injury or illness as a result of an event or exposure in the workplace, such as an episode of occupational asthma, must I treat the episode as a new case? Yes, because the episode or recurrence was caused by an event or exposure in the workplace, the incident must be treated as a new case.

(c) May I rely on a physician or other licensed health care professional to determine whether a case is a new case or a recurrence of an old case? You are not required to seek the advice of a physician or other licensed health care professional. However, if you do seek such advice, you must follow the physician or other licensed health care professional's recommendation about whether the case is a new case or a recurrence. If you receive recommendations from two or more physicians or other licensed health care professionals, you must make a decision as to which recommendation is the most authoritative (best documented, best reasoned, or most authoritative), and record the case based upon that recommendation.

NEW SECTION

WAC 296-27-01107 General recording criteria. (1) Basic requirement. You must consider an injury or illness to meet the general recording criteria, and therefore to be recordable, if it results in any of the following: Death, days away from work, restricted work or transfer to another job, medical treatment beyond first aid, or loss of consciousness. You must also consider a case to meet the general recording criteria if it involves a significant injury or illness diagnosed by a physician or other licensed health care professional, even if it does not result in death, days away from work,

restricted work or job transfer, medical treatment beyond first aid, or loss of consciousness.

(2) Implementation.

(a) **How do I decide if a case meets one or more of the general recording criteria?** A work-related injury or illness must be recorded if it results in one or more of the following:

(i) Death. See (b) of this subsection.

(ii) Days away from work. See (c) of this subsection.

(iii) Restricted work or transfer to another job. See (d) of this subsection.

(iv) Medical treatment beyond first aid. See (e) of this subsection.

(v) Loss of consciousness. See (f) of this subsection.

(vi) A significant injury or illness diagnosed by a physician or other licensed health care professional. See (g) of this subsection.

(b) **How do I record a work-related injury or illness that results in the employee's death?** You must record an injury or illness that results in death by entering a check mark on the OSHA 300 Log in the space for cases resulting in death. You must also report any work-related fatality to WISHA within eight hours, as required by WAC 296-27-03101.

(c) **How do I record a work-related injury or illness that results in days away from work?** When an injury or illness involves one or more days away from work, you must record the injury or illness on the OSHA 300 Log with a check mark in the space for cases involving days away and an entry of the number of calendar days away from work in the number of days column. If the employee is out for an extended period of time, you must enter an estimate of the days that the employee will be away, and update the day count when the actual number of days is known.

(i) **Do I count the day on which the injury occurred or the illness began?** No, you begin counting days away on the day after the injury occurred or the illness began.

(ii) **How do I record an injury or illness when a physician or other licensed health care professional recommends that the worker stay at home but the employee comes to work anyway?** You must record these injuries and illnesses on the OSHA 300 Log using the check box for cases with days away from work and enter the number of calendar days away recommended by the physician or other licensed health care professional. If a physician or other licensed health care professional recommends days away, you should encourage your employee to follow that recommendation. However, the days away must be recorded whether the injured or ill employee follows the physician or licensed health care professional's recommendation or not. If you receive recommendations from two or more physicians or other licensed health care professionals, you may make a decision as to which recommendation is the most authoritative, and record the case based upon that recommendation.

(iii) **How do I handle a case when a physician or other licensed health care professional recommends that the worker return to work but the employee stays at home anyway?** In this situation, you must end the count of days away from work on the date the physician or other licensed health care professional recommends that the employee return to work.

(iv) **How do I count weekends, holidays, or other days the employee would not have worked anyway?** You must count the number of calendar days the employee was unable to work as a result of the injury or illness, regardless of whether or not the employee was scheduled to work on those day(s). Weekend days, holidays, vacation days or other days off are included in the total number of days recorded if the employee would not have been able to work on those days because of a work-related injury or illness.

(v) **How do I record a case in which a worker is injured or becomes ill on a Friday and reports to work on a Monday, and was not scheduled to work on the weekend?** You need to record this case only if you receive information from a physician or other licensed health care professional indicating that the employee should not have worked, or should have performed only restricted work, during the weekend. If so, you must record the injury or illness as a case with days away from work or restricted work, and enter the day counts, as appropriate.

(vi) **How do I record a case in which a worker is injured or becomes ill on the day before scheduled time off such as a holiday, a planned vacation, or a temporary plant closing?** You need to record a case of this type only if you receive information from a physician or other licensed health care professional indicating that the employee should not have worked, or should have performed only restricted work, during the scheduled time off. If so, you must record the injury or illness as a case with days away from work or restricted work, and enter the day counts, as appropriate.

(vii) **Is there a limit to the number of days away from work I must count?** Yes, you may "cap" the total days away at one hundred eighty calendar days. You are not required to keep track of the number of calendar days away from work if the injury or illness resulted in more than one hundred eighty calendar days away from work and/or days of job transfer or restriction. In such a case, entering one hundred eighty in the total days away column will be considered adequate.

(viii) **May I stop counting days if an employee who is away from work because of an injury or illness retires or leaves my company?** Yes, if the employee leaves your company for some reason unrelated to the injury or illness, such as retirement, a plant closing, or to take another job, you may stop counting days away from work or days of restriction/job transfer. If the employee leaves your company because of the injury or illness, you must estimate the total number of days away or days of restriction/job transfer and enter the day count on the 300 Log.

(ix) **If a case occurs in one year but results in days away during the next calendar year, do I record the case in both years?** No, you only record the injury or illness once. You must enter the number of calendar days away for the injury or illness on the OSHA 300 Log for the year in which the injury or illness occurred. If the employee is still away from work because of the injury or illness when you prepare the annual summary, estimate the total number of calendar days you expect the employee to be away from work, use this number to calculate the total for the annual summary, and then update the initial log entry later when the day count is known or reaches the one hundred eighty day cap.

(d) **How do I record a work-related injury or illness that results in restricted work or job transfer?** When an injury or illness involves restricted work or job transfer but does not involve death or days away from work, you must record the injury or illness on the OSHA 300 Log by placing a check mark in the space for job transfer or restriction and an entry of the number of restricted or transferred days in the restricted workdays column.

(i) **How do I decide if the injury or illness resulted in restricted work?** Restricted work occurs when, as the result of a work-related injury or illness:

- You keep the employee from performing one or more of the routine functions of his or her job, or from working the full workday that he or she would otherwise have been scheduled to work; or

- A physician or other licensed health care professional recommends that the employee not perform one or more of the routine functions of his or her job, or not work the full workday that he or she would otherwise have been scheduled to work.

(ii) **What is meant by "routine functions"?** For recordkeeping purposes, an employee's routine functions are those work activities the employee regularly performs at least once per week.

(iii) **Do I have to record restricted work or job transfer if it applies only to the day on which the injury occurred or the illness began?** No, you do not have to record restricted work or job transfers if you, or the physician or other licensed health care professional, impose the restriction or transfer only for the day on which the injury occurred or the illness began.

(iv) **If you or a physician or other licensed health care professional recommends a work restriction, is the injury or illness automatically recordable as a "restricted work" case?** No, a recommended work restriction is recordable only if it affects one or more of the employee's routine job functions. To determine whether this is the case, you must evaluate the restriction in light of the routine functions of the injured or ill employee's job. If the restriction from you or the physician or other licensed health care professional keeps the employee from performing one or more of his or her routine job functions, or from working the full workday the injured or ill employee would otherwise have worked, the employee's work has been restricted and you must record the case.

(v) **How do I record a case where the worker works only for a partial work shift because of a work-related injury or illness?** A partial day of work is recorded as a day of job transfer or restriction for recordkeeping purposes, except for the day on which the injury occurred or the illness began.

(vi) **If the injured or ill worker produces fewer goods or services than he or she would have produced prior to the injury or illness but otherwise performs all of the routine functions of his or her work, is the case considered a restricted work case?** No, the case is considered restricted work only if the worker does not perform all of the routine functions of his or her job or does not work the full shift that he or she would otherwise have worked.

(vii) **How do I handle vague restrictions from a physician or other licensed health care professional, such as "that the employee engage only in "light duty" or "take it easy for a week"?** If you are not clear about the physician or other licensed health care professional's recommendation, you may ask that person whether the employee can do all of his or her routine job functions and work all of his or her normally assigned work shift. If the answer to both of these questions is "Yes," then the case does not involve a work restriction and does not have to be recorded as such. If the answer to one or both of these questions is "No," the case involves restricted work and must be recorded as a restricted work case. If you are unable to obtain this additional information from the physician or other licensed health care professional who recommended the restriction, record the injury or illness as a case involving restricted work.

(viii) **What do I do if a physician or other licensed health care professional recommends a job restriction meeting the definition, but the employee does all of his or her routine job functions anyway?** You must record the injury or illness on the OSHA 300 Log as a restricted work case. If a physician or other licensed health care professional recommends a job restriction, you should ensure that the employee complies with that restriction. If you receive recommendations from two or more physicians or other licensed health care professionals, you may make a decision as to which recommendation is the most authoritative, and record the case based upon that recommendation.

(ix) **How do I decide if an injury or illness involved a transfer to another job?** If you assign an injured or ill employee to a job other than his or her regular job for part of the day, the case involves transfer to another job.

Note: This does not include the day on which the injury or illness occurred.

(x) **Are transfers to another job recorded in the same way as restricted work cases?** Yes, both job transfer and restricted work cases are recorded in the same box on the OSHA 300 Log. For example, if you assign, or a physician or other licensed health care professional recommends that you assign, an injured or ill worker to his or her routine job duties for part of the day and to another job for the rest of the day, the injury or illness involves a job transfer. You must record an injury or illness that involves a job transfer by placing a check in the box for job transfer.

(xi) **How do I count days of job transfer or restriction?** You count days of job transfer or restriction in the same way you count days away from work, using (c)(i) through (viii) of this subsection. The only difference is that, if you permanently assign the injured or ill employee to a job that has been modified or permanently changed in a manner that eliminates the routine functions the employee was restricted from performing, you may stop the day count when the modification or change is made permanent. You must count at least one day of restricted work or job transfer for such cases.

(e) **How do I record an injury or illness that involves medical treatment beyond first aid?** If a work-related injury or illness results in medical treatment beyond first aid, you must record it on the OSHA 300 Log. If the injury or illness did not involve death, one or more days away from

work, one or more days of restricted work, or one or more days of job transfer, you enter a check mark in the box for cases where the employee received medical treatment but remained at work and was not transferred or restricted.

(i) **What is the definition of medical treatment?** "Medical treatment" means the management and care of a patient to combat disease or disorder. For the purposes of this section, medical treatment does not include:

- Visits to a physician or other licensed health care professional solely for observation or counseling;
- The conduct of diagnostic procedures, such as x-rays and blood tests, including the administration of prescription medications used solely for diagnostic purposes (e.g., eye drops to dilate pupils); or

- "First aid" as defined in (e) of this subsection.

(ii) **What is "first aid"?** For the purposes of this section, "first aid" means the following:

- Using a nonprescription medication at nonprescription strength (for medications available in both prescription and nonprescription form, a recommendation by a physician or other licensed health care professional to use a nonprescription medication at prescription strength is considered medical treatment for recordkeeping purposes);

- Administering tetanus immunizations (other immunizations, such as Hepatitis B vaccine or rabies vaccine, are considered medical treatment);

- Cleaning, flushing or soaking wounds on the surface of the skin;

- Using wound coverings such as bandages, Band-Aids™, gauze pads, etc.; or using butterfly bandages or Steri-Strips™ (other wound closing devices such as sutures, staples, etc., are considered medical treatment);

- Using hot or cold therapy;

- Using any nonrigid means of support, such as elastic bandages, wraps, nonrigid back belts, etc. (devices with rigid stays or other systems designed to immobilize parts of the body are considered medical treatment for recordkeeping purposes);

- Using temporary immobilization devices while transporting an accident victim (e.g., splints, slings, neck collars, back boards, etc.);

- Drilling of a fingernail or toenail to relieve pressure, or draining fluid from a blister;

- Using eye patches;

- Removing foreign bodies from the eye using only irrigation or a cotton swab;

- Removing splinters or foreign material from areas other than the eye by irrigation, tweezers, cotton swabs or other simple means;

- Using finger guards;

- Using massages (physical therapy or chiropractic treatment are considered medical treatment for recordkeeping purposes); or

- Drinking fluids for relief of heat stress.

(iii) **Are any other procedures included in first aid?** No, this is a complete list of all treatments considered first aid for the purpose of this section.

(iv) **Does the professional status of the person providing the treatment have any effect on what is considered first aid or medical treatment?** No, the treatments listed in

(e)(ii) of this subsection are considered to be first aid regardless of the professional status of the person providing the treatment. Even when these treatments are provided by a physician or other licensed health care professional, they are considered first aid for the purposes of this section. Similarly, treatment beyond first aid is considered to be medical treatment even when it is provided by someone other than a physician or other licensed health care professional.

(v) **What if a physician or other licensed health care professional recommends medical treatment but the employee does not follow the recommendation?** If a physician or other licensed health care professional recommends medical treatment, you should encourage the injured or ill employee to follow that recommendation. However, you must record the case even if the injured or ill employee does not follow the physician or other licensed health care professional's recommendation.

(f) **Is every work-related injury or illness case involving a loss of consciousness recordable?** Yes, you must record a work-related injury or illness if the worker becomes unconscious, regardless of the length of time the employee remains unconscious.

(g) **What is a "significant" diagnosed injury or illness that is recordable under the general criteria even if it does not result in death, days away from work, restricted work or job transfer, medical treatment beyond first aid, or loss of consciousness?** Work-related cases involving cancer, chronic irreversible disease, a fractured or cracked bone, or a punctured eardrum must always be recorded under the general criteria at the time of diagnosis by a physician or other licensed health care professional.

Note: OSHA believes that most significant injuries and illnesses will result in one of the criteria listed in WAC 296-27-01107(1): Death, days away from work, restricted work or job transfer, medical treatment beyond first aid, or loss of consciousness. However, there are some significant injuries, such as a punctured eardrum or a fractured toe or rib, for which neither medical treatment nor work restrictions may be recommended. In addition, there are some significant progressive diseases, such as byssinosis, silicosis, and some types of cancer, for which medical treatment or work restrictions may not be recommended at the time of diagnosis but are likely to be recommended as the disease progresses. Cancer, chronic irreversible diseases, fractured or cracked bones, and punctured eardrums are generally considered significant injuries and illnesses, and must be recorded at the initial diagnosis, even if medical treatment or work restrictions are not recommended, or are postponed, in a particular case.

NEW SECTION

WAC 296-27-01109 Recording criteria for needlestick and sharps injuries. (1) Basic requirement. You must record all work-related needlestick injuries and cuts from sharp objects that are contaminated with another person's blood or other potentially infectious material (as defined by WAC 296-62-08001). You must enter the case on the OSHA 300 Log as an injury. To protect the employee's privacy, you may not enter the employee's name on the OSHA 300 Log (see the requirements for privacy cases in WAC 296-27-01119).

(2) Implementation.

(a) **What does "other potentially infectious materials" mean?** The term "other potentially infectious materials" is defined in the bloodborne pathogens portion of Part J (Biological Agents) of chapter 296-62 WAC, General occupational health standards. These materials include:

- The following human body fluids: Semen, vaginal secretions, cerebrospinal fluid, synovial fluid, pleural fluid, pericardial fluid, peritoneal fluid, amniotic fluid, saliva in dental procedures, any body fluid that is visibly contaminated with blood, and all body fluids in situations where it is difficult or impossible to differentiate between body fluids;

- Any unfixed tissue or organ (other than intact skin) from a human (living or dead); and

- HIV-containing cell or tissue cultures, organ cultures, and HIV- or HBV-containing culture medium or other solutions; and blood, organs, or other tissues from experimental animals infected with HIV or HBV.

(b) **Does this mean that I must record all cuts, lacerations, punctures, and scratches?** No, you need to record cuts, lacerations, punctures, and scratches only if they are work-related and involve contamination with another person's blood or other potentially infectious material. If the cut, laceration, or scratch involves a clean object, or a contaminant other than blood or other potentially infectious material, you need to record the case only if it meets one or more of the recording criteria in WAC 296-27-01107.

(c) **If I record an injury and the employee is later diagnosed with an infectious bloodborne disease, do I need to update the OSHA 300 Log?** Yes, you must update the classification of the case on the OSHA 300 Log if the case results in death, days away from work, restricted work, or job transfer. You must also update the description to identify the infectious disease and change the classification of the case from an injury to an illness.

(d) **What if one of my employees is splashed or exposed to blood or other potentially infectious material without being cut or scratched? Do I need to record this incident?** You need to record such an incident on the OSHA 300 Log as an illness if:

(i) It results in the diagnosis of a bloodborne illness, such as HIV, hepatitis B, or hepatitis C; or

(ii) It meets one or more of the recording criteria in WAC 296-27-01107.

NEW SECTION

WAC 296-27-01111 Recording criteria for cases involving medical removal under OSHA standards. (1) Basic requirement. If an employee is medically removed under the medical surveillance requirements, you must record the case on the OSHA 300 Log.

(2) Implementation.

(a) **How do I classify medical removal cases on the OSHA 300 Log?** You must enter each medical removal case on the OSHA 300 Log as either a case involving days away from work or a case involving restricted work activity, depending on how you decide to comply with the medical removal requirement. If the medical removal is the result of a chemical exposure, you must enter the case on the OSHA 300 Log by checking the "poisoning" column.

(b) **Do all standards have medical removal provisions?** No, some OSHA standards, such as the standards covering bloodborne pathogens and noise, do not have medical removal provisions. Many standards that cover specific chemical substances have medical removal provisions. These standards include, but are not limited to, lead, cadmium, methylene chloride, formaldehyde, and benzene.

(c) **Do I have to record a case where I voluntarily removed the employee from exposure before the medical removal criteria are met?** No, if the case involves voluntary medical removal before the medical removal levels required by this standard, you do not need to record the case on the OSHA 300 Log.

NEW SECTION

WAC 296-27-01113 Recording criteria for cases involving occupational hearing loss. (1) Basic requirement. If an employee's hearing test (audiogram) reveals that a recordable threshold shift (RTS) has occurred, you must record the case on the OSHA 300 Log.

(2) Implementation.

(a) **What is a recordable threshold shift?** For the period January 1, 2002, through December 31, 2002, a recordable threshold shift, or RTS, is a change in hearing threshold, relative to the most recent audiogram for that employee of an average of 25 decibels (dB) or more at 2000, 3000, and 4000 hertz in one or both ears. Effective January 1, 2003, a recordable threshold shift, or RTS, is a change in hearing threshold, relative to the most recent audiogram for that employee, of an average of 10 decibels (dB) or more at 2000, 3000, and 4000 hertz in one or both ears.

(b) **How do I determine whether an RTS has occurred?** If the employee has never previously experienced a recordable hearing loss, you must compare the employee's current audiogram with that employee's baseline audiogram. If the employee has previously experienced a recordable hearing loss, you must compare the employee's current audiogram with the employee's revised baseline audiogram (the audiogram reflecting the employee's previous recordable hearing loss case).

(c) **May I adjust the audiogram results to reflect the effects of aging on hearing?** Yes, when comparing audiogram results for determination of an RTS, you may adjust the results for the employee's age when the audiogram was taken using the following tables:

TABLE F-1 - AGE CORRECTION VALUES IN DECIBELS FOR MALES.

PERMANENT

(d) **Do I have to record the hearing loss if I am going to retest the employee's hearing?** No, if you retest the employee's hearing within thirty days of the first test, and the retest does not confirm the RTS, you are not required to record the hearing loss case on the OSHA 300 Log. If the retest confirms the RTS, you must record the hearing loss illness within seven calendar days of the retest.

(e) **Are there any special rules for determining whether a hearing loss case is work-related?** Yes, hearing loss is presumed to be work-related if the employee is exposed to noise in the workplace at an 8-hour time-weighted average of 85 dBA or greater. For hearing loss cases where the employee is not exposed to this level of noise, you must use the rules in WAC 296-27-01103 to determine if the hearing loss is work-related.

(f) **If a physician or other licensed health care professional determines the hearing loss is not work-related, do I still need to record the case?** If a physician or other licensed health care professional determines that the hearing loss is not work-related or has not been significantly aggravated by occupational noise exposure, you are not required to consider the case work-related or to record the case on the OSHA 300 Log.

NEW SECTION

WAC 296-27-01115 Recording criteria for work-related tuberculosis cases. (1) Basic requirement. If any of your employees has been occupationally exposed to anyone with a known case of active tuberculosis (TB), and that employee subsequently develops a tuberculosis infection, as evidenced by a positive skin test or diagnosis by a physician or other licensed health care professional, you must record the case on the OSHA 300 Log by checking the "respiratory condition" column.

(2) Implementation.

(a) **Do I have to record, on the Log, a positive TB skin test result obtained at a preemployment physical?** No, you do not have to record it because the employee was not occupationally exposed to a known case of active tuberculosis in your workplace.

(b) **May I line-out or erase a recorded TB case if I obtain evidence that the case was not caused by occupational exposure?** Yes, you may line-out or erase the case from the Log under the following circumstances:

- The worker is living in a household with a person who has been diagnosed with active TB;
- The public health department has identified the worker as a contact of an individual with a case of active TB unrelated to the workplace; or
- A medical investigation shows that the employee's infection was caused by exposure to TB away from work, or proves that the case was not related to the workplace TB exposure.

NEW SECTION

WAC 296-27-01117 Recording criteria for cases involving work-related musculoskeletal disorders.

Note: This section is effective January 1, 2003. During the period January 1, 2002, through December 31, 2002, you are

required to record work-related injuries and illnesses involving muscles, nerves, tendons, ligaments, joints, cartilage and spinal discs in the same manner that you would any injury or illness required by this chapter. For entry (M) on the OSHA 300 Log, you must check either the entry for "injury" or "all other illnesses."

(1) Basic requirement. If any of your employees experiences a recordable work-related musculoskeletal disorder (MSD), you must record it on the OSHA 300 Log by checking the "musculoskeletal disorder" column.

(2) Implementation.

(a) **What is a "musculoskeletal disorder" or MSD?** Musculoskeletal disorders (MSDs) are disorders of the muscles, nerves, tendons, ligaments, joints, cartilage and spinal discs. MSDs do not include disorders caused by slips, trips, falls, motor vehicle accidents, or other similar accidents. Examples of MSDs include: Carpal tunnel syndrome, Rotator cuff syndrome, De Quervain's disease, Trigger finger, Tarsal tunnel syndrome, Sciatica, Epicondylitis, Tendinitis, Raynaud's phenomenon, Carpet layer's knee, Herniated spinal disc, and Low back pain.

(b) **How do I decide which musculoskeletal disorders to record?** There are no special criteria for determining which musculoskeletal disorders to record. An MSD case is recorded using the same process you would use for any other injury or illness. If a musculoskeletal disorder is work-related, and is a new case, and meets one or more of the general recording criteria, you must record the musculoskeletal disorder. The following table will guide you to the appropriate section of the rule for guidance on recording MSD cases.

(i) Determining if the MSD is work-related. See WAC 296-27-01103.

(ii) Determining if the MSD is a new case. See WAC 296-27-01105.

(iii) Determining if the MSD meets one or more of the general recording criteria:

- Days away from work, see WAC 296-27-01107 (2)(c).
- Restricted work or transfer to another job. See WAC 296-27-01107 (2)(d).
- Medical treatment beyond first aid. See WAC 296-27-01107 (2)(e).

(c) **If a work-related MSD case involves only subjective symptoms like pain or tingling, do I have to record it as a musculoskeletal disorder?** The symptoms of an MSD are treated the same as symptoms for any other injury or illness. If an employee has pain, tingling, burning, numbness or any other subjective symptom of an MSD, and the symptoms are work-related, and the case is a new case that meets the recording criteria, you must record the case on the OSHA 300 Log as a musculoskeletal disorder.

NEW SECTION

WAC 296-27-01119 Forms. (1) Basic requirement. You must use OSHA 300, 300-A, and 301 forms, or equivalent forms, for recordable injuries and illnesses. The OSHA 300 form is called the Log of Work-Related Injuries and Illnesses, the 300-A is the Summary of Work-Related Injuries and Illnesses, and the OSHA 301 form is called the Injury and Illness Incident Report.

(2) Implementation.

(a) **What do I need to do to complete the OSHA 300 Log?** You must enter information about your business at the top of the OSHA 300 Log, enter a one or two line description for each recordable injury or illness, and summarize this information on the OSHA 300-A at the end of the year.

(b) **What do I need to do to complete the OSHA 301 Incident Report?** You must complete an OSHA 301 Incident Report form, or an equivalent form, for each recordable injury or illness entered on the OSHA 300 Log.

(c) **How quickly must each injury or illness be recorded?** You must enter each recordable injury or illness on the OSHA 300 Log and 301 Incident Report within seven calendar days of receiving information that a recordable injury or illness has occurred.

(d) **What is an equivalent form?** An equivalent form is one that has the same information, is as readable and understandable, and is completed using the same instructions as the OSHA form it replaces. Many employers use an insurance form instead of the OSHA 301 Incident Report, or supplement an insurance form by adding any additional information listed on the OSHA form.

(e) **May I keep my records on a computer?** Yes, if the computer can produce equivalent forms when they are needed, as described under WAC 296-27-02111 and 296-27-03103, you may keep your records using the computer system.

(f) **Are there situations where I do not put the employee's name on the forms for privacy reasons?** Yes, if you have a "privacy concern case," you may not enter the employee's name on the OSHA 300 Log. Instead, enter "privacy case" in the space normally used for the employee's name. This will protect the privacy of the injured or ill employee when another employee, a former employee, or an authorized employee representative is provided access to the OSHA 300 Log under WAC 296-27-02111. You must keep a separate, confidential list of the case numbers and employee names for your privacy concern cases so you can update the cases and provide the information to the government if asked to do so.

(g) **How do I determine if an injury or illness is a privacy concern case?** You must consider the following injuries or illnesses to be privacy concern cases:

- An injury or illness to an intimate body part or the reproductive system;
- An injury or illness resulting from a sexual assault;
- Mental illnesses;
- HIV infection, hepatitis, or tuberculosis;
- Needlestick injuries and cuts from sharp objects that are contaminated with another person's blood or other potentially infectious material (WAC 296-27-01109 for definitions); **and**
- Other illnesses, effective January 1, 2002, if the employee independently and voluntarily requests that his or her name not be entered on the log. Effective January 1, 2003, musculoskeletal disorders (MSDs) are not considered privacy concern cases.

(h) **May I classify any other types of injuries and illnesses as privacy concern cases?** No, this is a complete list

of all injuries and illnesses considered privacy concern cases for the purposes of this section.

(i) **If I have removed the employee's name, but still believe that the employee may be identified from the information on the forms, is there anything else that I can do to further protect the employee's privacy?** Yes, if you have a reasonable basis to believe that information describing the privacy concern case may be personally identifiable even though the employee's name has been omitted, you may use discretion in describing the injury or illness on both the OSHA 300 and 301 forms. You must enter enough information to identify the cause of the incident and the general severity of the injury or illness, but you do not need to include details of an intimate or private nature. For example, a sexual assault case could be described as "injury from assault," or an injury to a reproductive organ could be described as "lower abdominal injury."

(j) **What must I do to protect employee privacy if I wish to provide access to the OSHA Forms 300 and 301 to persons other than government representatives, employees, former employees or authorized representatives?** If you decide to voluntarily disclose the forms to persons other than government representatives, employees, former employees or authorized representatives (as required by WAC 296-27-02111 and 296-27-03103), you must remove or hide the employees' names and other personally identifying information, except for the following cases. You may disclose the forms with personally identifying information only:

(i) To an auditor or consultant hired by the employer to evaluate the safety and health program;

(ii) To the extent necessary for processing a claim for workers' compensation or other insurance benefits; or

(iii) To a public health authority or law enforcement agency for uses and disclosures for which consent, an authorization, or opportunity to agree or object is not required under Department of Health and Human Services Standards for Privacy of Individually Identifiable Health Information, 45 CFR 164.512.

(3) **Falsification, failure to keep records or reports.**

(a) RCW 49.17.190(2) of the act provides that "whoever knowingly makes any false statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained pursuant to this chapter shall, upon conviction be guilty of a gross misdemeanor and be punished by a fine of not more than ten thousand dollars, or by imprisonment for not more than six months or by both."

(b) Failure to maintain records or file reports required by this chapter, or in the detail required by the forms and instructions issued under this chapter, may result in the issuance of citations and assessment of penalties as provided for in WAC 296-800-35002 through 296-800-35052.

NEW SECTION

WAC 296-27-021 Other injury and illness record-keeping requirements.

NEW SECTION

WAC 296-27-02101 Multiple business establishments. (1) Basic requirement. You must keep a separate OSHA 300 Log for each establishment that is expected to be in operation for one year or longer.

(2) Implementation.

(a) **Do I need to keep injury and illness records for short-term establishments (i.e., establishments that will exist for less than a year)?** Yes, however, you do not have to keep a separate OSHA 300 Log for each such establishment. You may keep one OSHA 300 Log that covers all of your short-term establishments. You may also include the short-term establishments' recordable injuries and illnesses on an OSHA 300 Log that covers short-term establishments for individual company divisions or geographic regions.

(b) **May I keep the records for all of my establishments at my headquarters location or at some other central location?** Yes, you may keep the records for an establishment at your headquarters or other central location if you can:

- Transmit information about the injuries and illnesses from the establishment to the central location within seven calendar days of receiving information that a recordable injury or illness has occurred; **and**

- Produce and send the records from the central location to the establishment within the time frames required by WAC 296-27-02111 and 296-27-03103 when you are required to provide records to a government representative, employees, former employees or employee representatives.

(c) **Some of my employees work at several different locations or do not work at any of my establishments at all. How do I record cases for these employees?** You must link each of your employees with one of your establishments, for recordkeeping purposes. You must record the injury and illness on the OSHA 300 Log of the injured or ill employee's establishment, or on an OSHA 300 Log that covers that employee's short-term establishment.

(d) **How do I record an injury or illness when an employee of one of my establishments is injured or becomes ill while visiting or working at another of my establishments, or while working away from any of my establishments?** If the injury or illness occurs at one of your establishments, you must record the injury or illness on the OSHA 300 Log of the establishment at which the injury or illness occurred. If the employee is injured or becomes ill and is not at one of your establishments, you must record the case on the OSHA 300 Log at the establishment at which the employee normally works.

NEW SECTION

WAC 296-27-02103 Covered employees. (1) Basic requirement. You must record on the OSHA 300 Log the recordable injuries and illnesses of all employees on your payroll, whether they are labor, executive, hourly, salary,

part-time, seasonal, or migrant workers. You also must record the recordable injuries and illnesses that occur to employees who are not on your payroll if you supervise these employees on a day-to-day basis. If your business is organized as a sole proprietorship or partnership, the owner or partners are not considered employees for recordkeeping purposes.

(2) Implementation.

(a) **If a self-employed person is injured or becomes ill while doing work at my business, do I need to record the injury or illness?** No, self-employed individuals are not covered by the WISH Act or this standard.

(b) **If I obtain employees from a temporary help service, employee leasing service, or personnel supply service, do I have to record an injury or illness occurring to one of those employees?** You must record these injuries and illnesses if you supervise these employees on a day-to-day basis.

(c) **If an employee in my establishment is a contractor's employee, must I record an injury or illness occurring to that employee?** If the contractor's employee is under the day-to-day supervision of the contractor, the contractor is responsible for recording the injury or illness. If you supervise the contractor employee's work on a day-to-day basis, you must record the injury or illness.

(d) **Must the personnel supply service, temporary help service, employee leasing service, or contractor also record the injuries or illnesses occurring to temporary, leased or contract employees that I supervise on a day-to-day basis?** No, you and the temporary help service, employee leasing service, personnel supply service, or contractor should coordinate your efforts to make sure that each injury and illness is recorded only once: Either on your OSHA 300 Log (if you provide day-to-day supervision) or on the other employer's OSHA 300 Log (if that company provides day-to-day supervision).

NEW SECTION

WAC 296-27-02105 Annual summary. (1) Basic requirement. At the end of each calendar year, you must:

- Review the OSHA 300 Log to verify that the entries are complete and accurate, and correct any deficiencies identified;

- Create an annual summary of injuries and illnesses recorded on the OSHA 300 Log;

- Certify the summary; and

- Post the annual summary.

(2) Implementation.

(a) **How extensively do I have to review the OSHA 300 Log entries at the end of the year?** You must review the entries as extensively as necessary to make sure that they are complete and correct.

(b) **How do I complete the annual summary?** You must:

- Total the columns on the OSHA 300 Log (if you had no recordable cases, enter zeros for each column total); and

- Enter the calendar year covered, the company's name, establishment name, establishment address, annual average number of employees covered by the OSHA 300 Log, and the

total hours worked by all employees covered by the OSHA 300 Log.

- If you are using an equivalent form other than the OSHA 300-A summary form, as permitted under WAC 296-27-01105, the summary you use must also include the employee access and employer penalty statements found on the OSHA 300-A summary form.

(c) **How do I certify the annual summary?** A company executive must certify that he or she has examined the OSHA 300 Log and that he or she reasonably believes, based on his or her knowledge of the process by which the information was recorded, that the annual summary is correct and complete.

(d) **Who is considered a company executive?** The company executive who certifies the log must be one of the following persons:

- An owner of the company (only if the company is a sole proprietorship or partnership);
- An officer of the corporation;
- The highest ranking company official working at the establishment; or
- The immediate supervisor of the highest ranking company official working at the establishment.

(e) **How do I post the annual summary?** You must post a copy of the annual summary in each establishment in a conspicuous place or places where notices to employees are customarily posted. You must ensure that the posted annual summary is not altered, defaced or covered by other material.

(f) **When do I have to post the annual summary?** You must post the summary no later than February 1 of the year following the year covered by the records and keep the posting in place until April 30.

NEW SECTION

WAC 296-27-02107 Retention and updating. (1) Basic requirement. You must save the OSHA 300 Log, the privacy case list (if one exists), the annual summary, and the OSHA 301 Incident Report forms for five years following the end of the calendar year that these records cover.

(2) Implementation.

(a) **Do I have to update the OSHA 300 Log during the five-year storage period?** Yes, during the storage period, you must update your stored OSHA 300 Logs to include newly discovered recordable injuries or illnesses and to show any changes that have occurred in the classification of previously recorded injuries and illnesses. If the description or outcome of a case changes, you must remove or line-out the original entry and enter the new information.

(b) **Do I have to update the annual summary?** No, you are not required to update the annual summary, but you may do so if you wish.

(c) **Do I have to update the OSHA 301 Incident Reports?** No, you are not required to update the OSHA 301 Incident Reports, but you may do so if you wish.

NEW SECTION

WAC 296-27-02109 Change in business ownership. If your business changes ownership, you are responsible for recording and reporting work-related injuries and illnesses

only for that period of the year during which you owned the establishment. You must transfer these records to the new owner. The new owner must save all records of the establishment kept by the prior owner, as required by WAC 296-27-02107, but need not update or correct the records of the prior owner.

NEW SECTION

WAC 296-27-02111 Employee involvement. (1) Basic requirement. Your employees and their representatives must be involved in the recordkeeping system in several ways.

(a) You must inform each employee of how he or she is to report an injury or illness to you.

(b) You must provide limited access to your injury and illness records for your employees and their representatives.

(2) Implementation.

(a) **What must I do to make sure that employees report work-related injuries and illnesses to me?**

- You must set up a way for employees to report work-related injuries and illnesses promptly; and

- You must tell each employee how to report work-related injuries and illnesses to you.

(b) **Do I have to give my employees and their representatives access to the OSHA injury and illness records?** Yes, your employees, former employees, their personal representatives, and their authorized employee representatives have the right to access the OSHA injury and illness records, with some limitations, as discussed below.

- **Who is an authorized employee representative?** An authorized employee representative is an authorized collective bargaining agent of employees.

- **Who is a "personal representative" of an employee or former employee?** A personal representative is:

- Any person that the employee or former employee designates as such, in writing; or

- The legal representative of a deceased or legally incapacitated employee or former employee.

- **If an employee or representative asks for access to the OSHA 300 Log, when do I have to provide it?**

- When an employee, former employee, personal representative, or authorized employee representative asks for copies of your current or stored OSHA 300 Log(s) for an establishment the employee or former employee has worked in, you must give the requester a copy of the relevant OSHA 300 Log(s) by the end of the next business day.

- **May I remove the names of the employees or any other information from the OSHA 300 Log before I give copies to an employee, former employee, or employee representative?** No, you must leave the names on the OSHA 300 Log. However, to protect the privacy of injured and ill employees, you may not record the employee's name on the OSHA 300 Log for certain "privacy concern cases," as specified in WAC 296-27-01119 (2)(f) through (i).

- **If an employee or representative asks for access to the OSHA 301 Incident Report, when do I have to provide it?**

- When an employee, former employee, or personal representative asks for a copy of the OSHA 301 Incident Report describing an injury or illness to that employee or former

employee, you must give the requester a copy of the OSHA 301 Incident Report containing that information by the end of the next business day.

- When an authorized employee representative asks for copies of the OSHA 301 Incident Reports for an establishment where the agent represents employees under a collective bargaining agreement, you must give copies of those forms to the authorized employee representative within seven calendar days. You are only required to give the authorized employee representative information from the OSHA 301 Incident Report section titled "Tell us about the case." You must remove all other information from the copy of the OSHA 301 Incident Report or the equivalent substitute form that you give to the authorized employee representative.

- **May I charge for the copies?** No, you may not charge for these copies the first time they are provided. However, if one of the designated persons asks for additional copies, you may assess a reasonable charge for retrieving and copying the records.

NEW SECTION

WAC 296-27-02113 Prohibition against discrimination. Employers are prohibited from discriminating against an employee for reporting a work-related fatality, injury or illness. Employees are also protected when they file a safety and health complaint, or ask for records which are required to be maintained by this section or exercise rights extended by the WISH Act.

(1) WISHA may not issue a variance to a private sector employer and must recognize all variances issued by Federal OSHA.

(2) WISHA may only grant an injury and illness recording and reporting variance to a state or local government employer within the state after obtaining approval to grant the variance from Federal OSHA.

NEW SECTION

WAC 296-27-02117 Variances from the recordkeeping rule. (1) Basic requirement. If you wish to keep records in a different manner from that prescribed in this section, you may submit a variance petition to the Assistant Secretary of Labor for Occupational Safety and Health, U.S. Department of Labor, Washington, DC 20210. You can obtain a variance only if you can show that your alternative recordkeeping system:

- Collects the same information as this section requires;
- Meets the purposes of the act; and
- Does not interfere with the administration of the act.

(2) Implementation.

(a) **What do I need to include in my variance petition?**

You must include the following items in your petition:

- Your name and address;
- A list of the state(s) where the variance would be used;
- The address(es) of the business establishment(s) involved;
- A description of why you are seeking a variance;
- A description of the different recordkeeping procedures you propose to use;

- A description of how your proposed procedures will collect the same information as would be collected by this section and achieve the purpose of the act; and

- A statement that you have informed your employees of the petition by giving them or their authorized representative a copy of the petition and by posting a statement summarizing the petition in the same way as notices are posted under 29 CFR 1903.2(a).

(b) **How will the Assistant Secretary handle my variance petition?** The Assistant Secretary will take the following steps to process your variance petition.

- The Assistant Secretary will offer your employees and their authorized representatives an opportunity to submit written data, views, and arguments about your variance petition.

- The Assistant Secretary may allow the public to comment on your variance petition by publishing the petition in the *Federal Register*. If the petition is published, the notice will establish a public comment period and may include a schedule for a public meeting on the petition.

- After reviewing your variance petition and any comments from your employees and the public, the Assistant Secretary will decide whether or not your proposed recordkeeping procedures will meet the purposes of the act, will not otherwise interfere with the act, and will provide the same information as required by this section. If your procedures meet these criteria, the Assistant Secretary may grant the variance subject to such conditions as he or she finds appropriate.

- If the Assistant Secretary grants your variance petition, OSHA will publish a notice in the *Federal Register* to announce the variance. The notice will include the practices the variance allows you to use, any conditions that apply, and the reasons for allowing the variance.

(c) **If I apply for a variance, may I use my proposed recordkeeping procedures while the Assistant Secretary is processing the variance petition?** No, alternative recordkeeping practices are only allowed after the variance is approved. You must comply with this section's requirements while the Assistant Secretary is reviewing your variance petition.

(d) **If I have already been cited for not following the requirements of this section, will my variance petition have any effect on the citation and penalty?** No, in addition, the Assistant Secretary may elect not to review your variance petition if it includes an element for which you have been cited and the citation is still under review by a court, an administrative law judge (ALJ), or the OSH review commission.

(e) **If I receive a variance, may it be revoked at a later date?** Yes, a variance may be revoked for good cause. The variance revocation procedures are the same as those followed to request the exception. In cases of willfulness or where necessary for public safety, the Assistant Secretary will:

- Notify you in writing of the facts or conduct that may warrant revocation of your variance; and
- Provide you, your employees, and authorized employee representatives with an opportunity to participate in the revocation procedures.

(f) The department of labor and industries must recognize any variance issued by federal OSHA.

NEW SECTION

WAC 296-27-031 Reporting fatality, injury, and illness information. (1) Basic requirement. You must report fatalities, injuries and illnesses information as required by WAC 296-800-32005.

(2) Implementation.

(a) **If the local L&I office is closed, how do I report the incident?** If the local office is closed, you must report a fatality or multiple hospitalization incident by calling either the department at 1-800-4BE-SAFE (1-800-423-7233) or by contacting the Occupational Safety and Health Administration (OSHA) by calling its central number at 1-800-321-6742.

(b) **What information do I need to give about the incident?** You must give the following information for each fatality or multiple hospitalization incident:

- Name of the work place;
- Location of the incident;
- Time and date of the incident;
- Number of fatalities or hospitalized employees;
- Names of injured employees;
- Contact person and phone number; and
- Brief description of the incident.

NEW SECTION

WAC 296-27-03101 Providing records to government representatives. (1) Basic requirement. When an authorized government representative asks for the records you keep under this section, you must provide copies of the records within four business hours.

(2) Implementation.

(a) **What government representatives have the right to get copies of records required by this section?** The government representatives authorized to receive the records are:

- A representative of the Secretary of Labor conducting an inspection or investigation under the act;
- A representative of the Secretary of Health and Human Services (including the National Institute for Occupational Safety and Health-NIOSH) conducting an investigation under section 20(b) of the act; or
- A representative of the state department of labor and industries.

(b) **Do I have to produce the records within four hours if my records are kept at a location in a different time zone?** Your response will be considered timely if you give the records to the government representative within four business hours of the request. If you maintain the records at a location in a different time zone, you may use the business hours of the establishment at which the records are located when calculating the deadline.

NEW SECTION

WAC 296-27-03103 Annual OSHA injury and illness survey. (1) Basic requirement. If you receive OSHA's annual survey form, you must fill it out and send it to OSHA

or OSHA's designee, as stated on the survey form. You must report the following information for the year described on the form:

- The number of workers you employed;
- The number of hours worked by your employees; and
- The requested information from the records that you keep under this section.

(2) Implementation.

(a) **Does every employer have to send data to OSHA?** No, each year, OSHA sends injury and illness survey forms to employers in certain industries. In any year, some employers will receive an OSHA survey form and others will not. You do not have to send injury and illness data to OSHA unless you receive a survey form.

(b) **How quickly do I need to respond to an OSHA survey form?** You must send the survey reports to OSHA, or OSHA's designee, by mail or other means described in the survey form, within thirty calendar days, or by the date stated in the survey form, whichever is later.

(c) **Do I have to respond to an OSHA survey form if I am normally exempt from keeping OSHA injury and illness records?** Yes, even if you are exempt from keeping injury and illness records under WAC 296-27-001, OSHA may inform you in writing that it will be collecting injury and illness information from you in the following year. If you receive such a letter, you must keep the injury and illness records required by WAC 296-27-01103 to 296-27-01117 and make a survey report for the year covered by the survey.

(d) **Do employers in Washington have to answer the OSHA survey form?** Yes.

(e) **Does this section affect WISHA/OSHA's authority to inspect my workplace?** No, nothing in this section affects WISHA/OSHA's statutory authority to investigate conditions related to occupational safety and health.

NEW SECTION

WAC 296-27-03105 Requests from the Bureau of Labor Statistics for data. (1) Basic requirement. If you receive a Survey of Occupational Injuries and Illnesses form from the Bureau of Labor Statistics (BLS), or a BLS designee, you must promptly complete the form and return it following the instructions contained on the survey form.

(2) Implementation.

(a) **Does every employer have to send data to the BLS?** No, each year, the BLS sends injury and illness survey forms to randomly selected employers and uses the information to create the nation's occupational injury and illness statistics. In any year, some employers will receive a BLS survey form and others will not. You do not have to send injury and illness data to the BLS unless you receive a survey form.

(b) **If I get a survey form from the BLS, what do I have to do?** If you receive a Survey of Occupational Injuries and Illnesses form from the Bureau of Labor Statistics (BLS), or a BLS designee, you must promptly complete the form and return it, following the instructions contained on the survey form.

(c) **Do I have to respond to a BLS survey form if I am normally exempt from keeping OSHA injury and illness records?** Yes, even if you are exempt from keeping injury

and illness records under WAC 296-27-00103 through 296-27-00107, the BLS may inform you in writing that it will be collecting injury and illness information from you in the coming year. If you receive such a letter, you must keep the injury and illness records required by WAC 296-27-01103 to 296-27-01117 and make a survey report for the year covered by the survey.

(d) **Do I have to answer the BLS survey form if I am located in a state-plan state?** Yes, all employers who receive a survey form must respond to the survey, even those in state-plan states.

NEW SECTION

WAC 296-27-041 Transition from the former rule.

NEW SECTION

WAC 296-27-04101 Summary and posting of the 2001 data. (1) Basic requirement. If you were required to keep OSHA 200 Logs in 2001, you must post a 2001 annual summary from the OSHA 200 Log of occupational injuries and illnesses for each establishment.

(2) Implementation.

(a) **What do I have to include in the summary?**

(i) You must include a copy of the totals from the 2001 OSHA 200 Log and the following information from that form:

- The calendar year covered;
- Your company name;
- The name and address of the establishment; and
- The certification signature, title and date.

(ii) If no injuries or illnesses occurred at your establishment in 2001, you must enter zeros on the totals line and post the 2001 summary.

(b) **When am I required to summarize and post the 2001 information?**

• You must complete the summary by February 1, 2002; and

• You must post a copy of the summary in each establishment in a conspicuous place or places where notices to employees are customarily posted. You must ensure that the summary is not altered, defaced or covered by other material.

(c) **How long must I post the 2001 summary?** You must post the 2001 summary from February 1, 2002 to March 1, 2002.

NEW SECTION

WAC 296-27-04103 Retention and updating of old forms. You must save your copies of the OSHA 200 and 101 forms for five years following the year to which they relate and continue to provide access to the data as though these forms were the OSHA 300 and 301 forms. You are not required to update your old 200 and 101 forms.

NEW SECTION

WAC 296-27-051 Definitions.

NEW SECTION

WAC 296-27-05101 Definitions. Employer means a person, firm, corporation, partnership, business trust, legal representative, or other business entity which engages in any business, industry, profession, or activity in this state and employs one or more employees or who contracts with one or more persons, the essence of which is the personal labor of such person or persons and includes the state, counties, cities, and all municipal corporations, public corporations, political subdivisions of the state, and charitable organizations: Provided, That any persons, partnership, or business entity not having employees, and who is covered by the Industrial Insurance Act must be considered both an employer and employee.

Establishment means a single physical location where business is conducted or where services or industrial operations are performed. For activities where employees do not work at a single physical location, such as construction; transportation; communications, electric, gas and sanitary services; and similar operations, the establishment is represented by main or branch offices, terminals, stations, etc., that either supervise such activities or are the base from which personnel carry out these activities.

(1) **Can one business location include two or more establishments?** Normally, one business location has only one establishment. Under limited conditions, the employer may consider two or more separate businesses that share a single location to be separate establishments. An employer may divide one location into two or more establishments only when:

- Each of the establishments represents a distinctly separate business;
- Each business is engaged in a different economic activity;
- No one industry description in the *Standard Industrial Classification Manual* (1987) applies to the joint activities of the establishments; and
- Separate reports are routinely prepared for each establishment on the number of employees, their wages and salaries, sales or receipts, and other business information. For example, if an employer operates a construction company at the same location as a lumber yard, the employer may consider each business to be a separate establishment.

(2) **Can an establishment include more than one physical location?** Yes, but only under certain conditions. An employer may combine two or more physical locations into a single establishment only when:

- The employer operates the locations as a single business operation under common management;
- The locations are all located in close proximity to each other; and
- The employer keeps one set of business records for the locations, such as records on the number of employees, their wages and salaries, sales or receipts, and other kinds of business information. For example, one manufacturing establishment might include the main plant, a warehouse a few blocks away, and an administrative services building across the street.

(3) **If an employee telecommutes from home, is his or her home considered a separate establishment?** No, for

employees who telecommute from home, the employee's home is not a business establishment and a separate OSHA 300 Log is not required. Employees who telecommute must be linked to one of your establishments under WAC 296-27-02101 (2)(c).

Injury or illness means an abnormal condition or disorder. Injuries include cases such as, but not limited to, a cut, fracture, sprain, or amputation. Illnesses include both acute and chronic illnesses, such as, but not limited to, a skin disease, respiratory disorder, or poisoning.

Note: Injuries and illnesses are recordable only if they are new, work-related cases that meet one or more of this section's recording criteria.

"OSHA" means Occupational Safety and Health Administration.

Physician or other licensed health care professional means a physician or other licensed health care professional whose legally permitted scope of practice (i.e., license, registration, or certification) allows him or her to independently perform, or be delegated the responsibility to perform, the activities described by this regulation.

You means an employer.

REPEALER

The following sections of the Washington Administrative Code are repealed:

WAC 296-27-010	Purpose and scope.
WAC 296-27-020	Definitions.
WAC 296-27-030	Log and summary of occupational injuries and illnesses.
WAC 296-27-040	Period covered by logs.
WAC 296-27-050	Supplementary record.
WAC 296-27-060	Annual summary.
WAC 296-27-070	Retention of records.
WAC 296-27-075	Employees not in fixed establishments.
WAC 296-27-077	Small employers.

PERMANENT

WAC 296-27-078	Private employers classified in standard industrial classification codes (SIC) 52 through 89, (except 52 through 54, 70, 75, 76, 79 and 80).
WAC 296-27-080	Access to records.
WAC 296-27-100	Falsification, failure to keep records or reports.
WAC 296-27-110	Change of ownership.
WAC 296-27-120	Petitions for recordkeeping exceptions.
WAC 296-27-121	Additional recordkeeping requirements.
WAC 296-27-130	Description of statistical program.
WAC 296-27-140	Duties of employers—Statistical program.

Adopted under notice filed as WSR 01-20-120 on October 3, 2001.

Changes Other than Editing from Proposed to Adopted Version: The department's mailing address was added to WAC 246-290-990(5).

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

WSR 02-01-065
PERMANENT RULES
DEPARTMENT OF HEALTH
 [Filed December 14, 2001, 11:05 a.m.]

Date of Adoption: November 28, 2001.

Purpose: The purpose of this rule is to revise the fee schedule for the Division of Drinking Water to raise water system plan review fees and drinking water operator certification fees to a level authorized by section 220(1), chapter 7, Laws of 2001 2nd sp.s. The monitoring water fees are raised to the fiscal growth factor limit for FY 2002, 2.79%.

Citation of Existing Rules Affected by this Order: Amending WAC 246-290-990 and 246-292-160.

Statutory Authority for Adoption: RCW 43.70.250.

Other Authority: RCW 70.119.160.

AMENDATORY SECTION (Amending WSR 00-02-015, filed 12/27/99, effective 1/27/00)

WAC 246-290-990 Water system evaluation and project review and approval fees. (1) The fees for the review and approval of water system plans, project reports, construction documents, existing systems, and related evaluations required under chapters 246-290, 246-291, 246-293, ~~246-294~~, and 246-295 WAC shall be as follows:

(a) Water system plans required under WAC 246-290-100, 246-290-105, 246-291-140, 246-293-220, 246-293-230, and 246-294-060.

Project Type	Group A					
	Group B	<100 Services	100 to 500 Services	501 to 999 Services	1,000 to 9,999 Services	10,000 or more Services
Water system plan (New and Updated)	((-\$120) \$126	((-\$425) \$447	((-\$1,039) \$1,095	((-\$1,964) \$2,070	((-\$3,191) \$3,363	((-\$4,723) \$4,978
Minor water system plan alteration	((-\$29) \$30	((-\$104) \$106	((-\$255) \$268	((-\$489) \$515	((-\$793) \$835	((-\$1,163) \$1,225

(b) Satellite management agency (SMA) plans for Group A and Group B water systems required under WAC 246-295-040.

Project Type	Total Active or Approved Services				
	<100 Services	100 to 500 Services	501 to 999 Services	1,000 to 9,999 Services	10,000 or more Services
SMA plan for ownership (New and Updated)	((-\$425) \$447	((-\$1,039) \$1,095	((-\$1,964) \$2,070	((-\$3,191) \$3,363	((-\$4,723) \$4,978

PERMANENT

Project Type	Total Active or Approved Services				
	<100 Services	100 to 500 Services	501 to 999 Services	1,000 to 9,999 Services	10,000 or more Services
SMA approval amendment	((\$89) <u>\$93</u> per hour or appropriate fee from category above, whichever is less				
SMA plan for operation only (New and Updated)	((\$1,039) <u>\$1,095</u>)	((\$1,039) <u>\$1,095</u>)	((\$1,039) <u>\$1,095</u>)	((\$1,039) <u>\$1,095</u>)	((\$1,039) <u>\$1,095</u>)

Note: SMAs owning water systems and submitting planning documents to the department for review shall be charged only the SMA fee.

(c) New plan elements required under WAC 246-290-100, 246-290-105, 246-290-125, 246-290-132, 246-290-135, 246-290-691, and 246-291-140 including:

(i) Conservation; and

(ii) Wellhead protection, shall be reviewed separately by the department and the fee assessed shall reflect the time spent for this review and shall be calculated based on ((~~eighty-nine~~) ninety-three) dollars per hour. After the initial submittal, updated information shall be reviewed as part of the updated water system plan and the review fee shall be included in the applicable updated plan review fee listed under (a) or (b) of this subsection.

(d) Project reports required under WAC 246-290-110 and design reports required under WAC 246-291-120.

Project Type	Group B	Group A				
		<100 Services	100 to 500 Services	501 to 999 Services	1,000 to 9,999 Services	10,000 or more Services
All types of filtration or other complex treatment processes	((\$301) <u>\$317</u>)	((\$612) <u>\$645</u>)	((\$951) <u>\$1,002</u>)	((\$1,378) <u>\$1,452</u>)	((\$1,899) <u>\$2,001</u>)	((\$2,518) <u>\$2,653</u>)
Chemical addition only, such as ion exchange, hypochlorination, or fluoridation	((\$89) <u>\$93</u>)	((\$178) <u>\$187</u>)	((\$301) <u>\$317</u>)	((\$454) <u>\$478</u>)	((\$641) <u>\$675</u>)	((\$858) <u>\$904</u>)
Complete water system (an additional fee shall be assessed for review of treatment facility, if any)	((\$178) <u>\$187</u>)	((\$425) <u>\$447</u>)	((\$671) <u>\$707</u>)	((\$981) <u>\$1,033</u>)	((\$1,349) <u>\$1,421</u>)	((\$1,777) <u>\$1,872</u>)
System modifications requiring a detailed evaluation to determine whether the system, as modified, will comply with regulations (an additional fee shall be assessed for review of treatment facility, if any)	((\$120) <u>\$126</u>)	((\$301) <u>\$317</u>)	((\$489) <u>\$515</u>)	((\$735) <u>\$774</u>)	((\$1,039) <u>\$1,095</u>)	((\$1,402) <u>\$1,477</u>)

Note: In accordance with WAC 246-290-125, project reports are not required for minor projects that are described in sufficient detail in an approved water system plan, and have been reviewed as part of the process for approving the water system plan.

(e) Special reports or plans required under WAC 246-290-230, 246-290-235, 246-290-250, 246-290-470, 246-290-636, 246-290-640, 246-290-654, 246-290-676, 246-291-230 including:

- (i) Corrosion control recommendation report;
- (ii) Corrosion control study;
- (iii) Plan to cover uncovered reservoirs;
- (iv) Predesign study;
- (v) Uncovered reservoir plan of operation;
- (vi) Tracer study plan;
- (vii) Surface water or GWI treatment facility operations plan;
- (viii) Filtration pilot study; or

(ix) GWI determination reports, shall be reviewed by the department and the fee assessed shall reflect the time spent for this review and shall be calculated based on ((~~eighty-nine~~) ninety-three) dollars per hour.

(f) Construction documents required under WAC 246-290-120 and design reports required under WAC 246-291-120.

Project Type	Group A					
	Group B	<100 Services	100 to 500 Services	501 to 999 Services	1,000 to 9,999 Services	10,000 or more Services
All types of filtration or other complex treatment processes	(\$304) \$317	(\$612) \$645	(\$954) \$1,002	(\$1,378) \$1,452	(\$1,899) \$2,001	(\$2,518) \$2,653
Chemical addition only, such as ion exchange, hypochlorination, or fluoridation	(\$89) \$93	(\$178) \$187	(\$304) \$317	(\$454) \$478	(\$644) \$675	(\$858) \$904
Complete new water system except treatment (an additional fee shall be assessed for review of treatment facility, if any)	(\$243) \$256	(\$547) \$576	(\$793) \$835	(\$1,103) \$1,162	(\$1,473) \$1,552	(\$1,899) \$2,001

Water system compliance report	(\$101) \$106	(\$101) \$106	(\$101) \$106	(\$101) \$106	(\$101) \$106	(\$101) \$106

(2) To determine the appropriate fee for a noncommunity system, calculate the service equivalent by taking the average population served each day of operation and dividing by twenty-five for a transient noncommunity (TNC) system and two and one-half for nontransient noncommunity (NTNC) system. Use the number of service equivalents to find out what Group A size category to look under and submit the appropriate fee. (All noncommunity systems are Group A systems as described in WAC 246-290-020.)

(3) Additional review and approval fees may be assessed as follows:

(a) The basic fee covers an evaluation, or the review of an initial submittal and one resubmittal if required. If additional resubmittals are required, an additional twenty-five percent of the original fee will be assessed for each additional resubmittal. For water system plan and SMA plan preparation the basic fee also covers a preplanning conference. When the department is asked to participate in other meetings involving the plan such as community meetings, public hearings, or meetings with elected officials, the department is authorized to charge additional fees at the rate of ~~((eighty-nine))~~ ninety-three dollars per hour;

(b) Fees for department project approval based on local technical review will be determined on a case-by-case basis as outlined in the applicable memorandum of understanding between the department and the respective local agency;

(c) Fees for services which the department determines are not described under subsection (1) of this section, will be calculated based on a rate of ~~((eighty-nine))~~ ninety-three dollars per hour.

Examples of these services include, but are not limited to:

- (i) Review and inspection of water reuse projects;
- (ii) Collection of water quality samples requested by purveyor;
- (iii) Review of alternate technologies requested by purveyor, manufacturer or authorized representative;

(iv) Sanitary surveys, including the time spent as part of the annual on-site inspections for systems under WAC 246-290-690(3) that is in addition to the time necessary to assess watershed control and disinfection treatment;

(v) Well field designations; or
(vi) Transfers of ownership under WAC 246-290-035 or 246-294-060.

(d) Additional fees assessed by the department shall be billed to the purveyor using an itemized invoice.

(4) If the legislature revises the water system operating permit fee under RCW 70.119A.110 to incorporate into it one or more fees for service currently assessed separately under this section, and the purveyor has paid that consolidated fee,

the department shall not assess or collect a separate fee under this section for any such service.

(5) All fees required under this section except as noted in subsection (3) of this section, shall be submitted prior to the department's approval. Payment of fees shall be in the form of a check or money order made payable to: The Department of Health, P.O. Box 1099, Olympia, Washington 98507-1099, or such successor organization or address as designated by the department. Payment of a fee shall not guarantee approval of the submitted document or evaluation request.

(6) Purveyors unable to determine the appropriate fee payment to submit should contact the department.

AMENDATORY SECTION (Amending WSR 01-02-070, filed 12/29/00, effective 1/29/01)

WAC 246-292-160 Water works certification fees. (1) Operator fees:

(a) Applicable fees are listed in Table 2 of this section;

Table 2
WATER WORKS OPERATOR FEES

OPERATOR CLASSIFICATION	APPLICATION FEE	REAPPLICATION FEE	ANNUAL RENEWAL FEE	LATE FEE
WTPO	\$(55.00) 64.00	\$(27.00) 31.00	\$(27.00) 31.00*	\$27.00**
WDM	\$(55.00) 64.00	\$(27.00) 31.00	\$(27.00) 31.00*	\$27.00**
WDS	\$(55.00) 64.00	\$(27.00) 31.00	\$(27.00) 31.00*	\$27.00**
CCS	\$(33.00) 38.00	\$(27.00) 31.00	\$(27.00) 31.00*	\$27.00**
BAT	\$(33.00) 38.00	\$(27.00) 31.00	\$(27.00) 31.00	\$27.00
BTO	\$(33.00) 38.00	\$(27.00) 31.00	\$(27.00) 31.00	\$27.00

* The annual renewal fee ~~((and late fee))~~ for a WTPO, WDM, WDS and CCS certification shall be ~~((twenty-seven))~~ thirty-one dollars regardless of the number of classifications held.

** The annual late fee for a WTPO, WDM, WDS, and CCS certification shall be twenty-seven dollars regardless of the number of classifications held.

(b) A late fee shall be assessed to operators failing to submit the required fee within the time period specified on the renewal form; and

(c) The fee for application for reciprocity is one hundred ~~((eleven))~~ thirty dollars per classification.

(2) Group A system fees:

(a) Applicable fees are listed as indicated in Table 3 of this section.

PERMANENT

Table 3
ANNUAL SYSTEM CERTIFICATION FEES

SYSTEM SIZE* (Number of Equivalent Services)	SYSTEM FEE
Less than 601 Services	\$ ((83.00)) 97.00
601 through 6,000 Services	\$ ((251.00)) 295.00
6,001 through 20,000 Services	\$ ((335.00)) 393.00
More than 20,000 Services	\$ ((503.00)) 591.00

* Systems designated by the department as approved satellite management agencies (SMAs) shall pay a fee based on total services in all systems owned by the SMA.

(b) Group A system fees shall be paid in conjunction with the system's annual operating permit fee required in chapter 246-294 WAC.

(c) A late fee shall be assessed against any system for failing to submit the applicable fee to the department within the designated time period. The late fee shall be based on the water system's classification and shall be an additional ten percent of the applicable system fee or twenty-seven dollars, whichever is greater.

(d) The system fee for issuance of a temporary certification shall be ~~((fifty-five))~~ sixty-four dollars for each temporary position.

(3) Fees are nonrefundable and transfers of fees are not allowable.

(4) Payment of fees required under this chapter shall be in the form of a check or money order made payable to the department of health and shall be mailed to Department of Health, P.O. Box 1099, Olympia, Washington 98507-1099, or such successor organization or address as designated by the department.

WSR 02-01-068
PERMANENT RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Filed December 14, 2001, 2:26 p.m.]

Date of Adoption: December 8, 2001.

Purpose: Amend commercial fishing rules.

Citation of Existing Rules Affected by this Order:
Amending WAC 220-52-051.

Statutory Authority for Adoption: RCW 77.12.047.

Adopted under notice filed as WSR 01-21-114 on October 23, 2001.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 1, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 1, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: Thirty-one days after filing.

December 13, 2001

Debbie Nelson

for Russ Cahill, Chair

Fish and Wildlife Commission

AMENDATORY SECTION (Amending Order 00-271, filed 1/5/01, effective 2/5/01)

WAC 220-52-051 Shrimp fishery—Puget Sound. (1)

A Puget Sound shrimp pot license or a Puget Sound shrimp trawl license will only be issued to an individual who is a natural person, and this person shall be the primary operator. ~~((The primary operator is required to operate the gear more than one-half of the season and make at least one-half of the landings, as established by valid fish receiving tickets.))~~ Holders of Puget Sound shrimp pot licenses and Puget Sound shrimp trawl licenses may designate a single alternate operator per license. ~~((The alternate operator may operate the gear up to but not equaling one-half of the fishing effort of the vessel per season, and may make up to but not equaling one-half of the landings, as established by valid fish receiving tickets, except that the director may allow operation of the gear and sale of the shrimp by an alternate operator in excess of one-half of the fishing effort in the case of a bona fide medical emergency for which the primary operator has presented a physician's statement which includes the medical condition and expected date of recovery of the primary operator. Notification of the medical emergency, presentation of the physician's statement, and obtaining a waiver from the director must be accomplished prior to the end of the season for which the license holder is seeking exception from the seasonal requirement that the primary operator perform more than one-half of the fishing effort.))~~

(2) It is unlawful to fish for shrimp for commercial purposes in Puget Sound using shellfish pot gear except during seasons opened by emergency rule:

(a) Gear restrictions -

(i) In all areas, maximum 100 pots per fisher except for dual licensees as provided for in RCW 77.70.410.

(ii) In all areas:

(A) Buoys must be orange in color and consist of durable material that will remain floating on the surface with five pounds attached; bleach or antifreeze bottles or other containers may not be used as floats.

(B) The line attaching the pot to the buoy must be weighted sufficiently to prevent the line from floating on the surface.

(C) The maximum perimeter of shrimp pots must not exceed ten feet and the maximum height must not exceed two feet.

(b) Spot shrimp size restriction: It is unlawful to retain spot shrimp taken by shellfish pot gear that have a carapace

PERMANENT

length less than 1 and 3/16 inches. Carapace length is defined as the length between the posterior mid-dorsal margin to the posterior-most part of the eye-stalk orbit.

(c) Area restrictions:

(i) Pot gear closed in all Puget Sound Shrimp Districts.

(ii) Pot gear closed in Lopez Sound south of a line projected true east-west from the northern tip of Trump Island from the season opening through July 9th.

(3) It is unlawful to fish for shrimp for commercial purposes in Puget Sound using trawl gear except during seasons opened by emergency rule:

(a) Gear restrictions - Beam trawl gear only. Otter trawl gear may not be used.

(i) Maximum beam width in Marine Fish-Shellfish Management and Catch Reporting Areas 20A, 20B, 21A, and 22A is 25 feet.

(ii) Maximum beam width in Marine Fish-Shellfish Management and Catch Reporting Areas 23A, 23B, 23C, 25A, 25B, and 29 is 60 feet.

(b) It is unlawful to retain spot shrimp.

(c) Area restrictions:

(i) Shrimp trawl fishing closed in all Puget Sound Shrimp Districts.

(ii) Shrimp trawl fishing closed in Lopez Sound south of a line projected true east-west from the northern tip of Trump Island from the season opening through July 9th.

(d) It is unlawful to fish for shrimp in Puget Sound with beam trawl gear in waters shallower than 100 feet.

(e) It is lawful to fish for shrimp in Puget Sound with beam trawl gear in Marine Fish-Shellfish Management and Catch Reporting Area 21A only in those waters north and west of a line from the southern tip of Sinclair Island to Carter Point on Lummi Island.

(f) The following restrictions apply to shrimp beam trawl harvest in Marine Fish-Shellfish Management and Catch Reporting Area 20A:

(i) Closed in waters east of a line from the southwest corner of Point Roberts to Sandy Point.

(ii) Closed in waters shallower than 20 fathoms.

(iii) Closed in waters shallower than 50 fathoms from March 16 through July 31.

(4) All shrimp taken in the Puget Sound commercial shrimp fishery must be landed and recorded on Washington state fish receiving tickets within 24 hours of harvest. No fisher may land shrimp without immediate delivery to a licensed wholesale dealer, or if transferred at sea, without transfer to a licensed wholesale dealer. A fisher who is a licensed wholesale dealer may complete and return a fish receiving ticket to satisfy the requirements of this subsection.

WSR 02-01-069

PERMANENT RULES

DEPARTMENT OF FISH AND WILDLIFE

[Order 01-274—Filed December 14, 2001, 2:29 p.m.]

Date of Adoption: December 8, 2001.

Purpose: Amend commercial fishing rules.

Statutory Authority for Adoption: RCW 77.12.047.

Adopted under notice filed as WSR 01-21-128 on October 24, 2001.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 2, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 2, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 2, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: Thirty-one days after filing.

December 13, 2001

Debbie Nelson

for Russ Cahill, Chair
Fish and Wildlife Commission

NEW SECTION

WAC 220-95-100 Sea urchin license reduction program. In order to provide for economic stability in the commercial sea urchin fishery, and in accordance with RCW 77.70.150, the department establishes the sea urchin license reduction program (program).

(1) Eligibility: All persons who currently hold a sea urchin commercial fishery license are eligible to offer their license(s) for purchase under the program.

(2) Method of purchase: The department will rank offers to sell sea urchin licenses from the lowest offer to the highest offer. The department will purchase licenses each year from the funds made available under RCW 77.70.150, with a maximum purchase price of \$6,000 per license.

(3) Offer process: For the winter 2001-2002 selection, the department will accept offers to sell during the thirty-day period after these rules go into effect, and will purchase licenses from the funds that were available on December 31, 2001. Thereafter the department will accept offers to sell beginning August 1st of each year and will purchase licenses based on the funds that are available on the following September 30th.

(4) Selection process: The department will select licenses to be purchased beginning with the lowest offer to sell, and continuing until there are insufficient funds to purchase a complete offer. If two or more licenses are offered at the same price, selection will be by random draw.

(5) License reduction process: Upon selection, the department will issue a warrant to the license holder in the amount of the offer. On the date the warrant is mailed to the mailing address of the license holder as shown in their department licensing file, the department will void the license. Upon receipt of the warrant, the license holder is to return the license cards to the department.

(6) No prohibition on reentry: License holders who sell a license under the program may reenter the sea urchin commercial fishery.

(7) Program termination: This program terminates when the number of sea urchin commercial fishery licensees is reduced to twenty-five.

NEW SECTION

WAC 220-95-110 Sea cucumber license reduction program. In order to provide for economic stability in the commercial sea cucumber fishery, and in accordance with RCW 77.70.190, the department establishes the sea cucumber license reduction program (program).

(1) Eligibility: All persons who currently hold a sea cucumber commercial fishery license are eligible to offer their license(s) for purchase under the program.

(2) Method of purchase: The department will rank offers to sell sea cucumber licenses from the lowest offer to the highest offer. The department will purchase licenses each year from the funds made available under RCW 77.70.190, with a maximum purchase price of \$5,000 per license.

(3) Offer process: For the winter 2001-2002 selection, the department will accept offers to sell during the thirty-day period after these rules go into effect, and will purchase licenses from the funds that were available on December 31, 2001. Thereafter the department will accept offers to sell beginning August 1st of each year and will purchase licenses based on the funds that are available on the following September 30th.

(4) Selection process: The department will select licenses to be purchased beginning with the lowest offer to sell, and continuing until there are insufficient funds to purchase a complete offer. If two or more licenses are offered at the same price, selection will be by random draw.

(5) License reduction process: Upon selection, the department will issue a warrant to the license holder in the amount of the offer. On the date the warrant is mailed to the mailing address of the license holder as shown in their department licensing file, the department will void the license. Upon receipt of the warrant, the license holder is to return the license cards to the department.

(6) No prohibition on reentry: License holders who sell a license under the program may reenter the sea cucumber commercial fishery.

(7) Program termination: This program terminates when the number of sea cucumber commercial fishery licensees is reduced to twenty-five.

and 196-12-030 were amended to make their language consistent with the changes made to RCW 18.43.040 by the 2000 legislature regarding the licensing of structural engineers.

Citation of Existing Rules Affected by this Order: Amending WAC 196-12-020 and 196-12-030.

Statutory Authority for Adoption: RCW 18.43.035.

Adopted under notice filed as WSR 01-20-013 on September 21, 2001.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 2, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 2, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: January 30, 2002.

December 13, 2001

George A. Twiss

Executive Director

AMENDATORY SECTION (Amending WSR 98-12-052, filed 5/29/98, effective 7/1/98)

WAC 196-12-020 Experience records. The law requires eight years of experience in engineering work of a character satisfactory to the board and passing the fundamentals-of-engineering examination to be eligible for the second stage (PE) engineer examination. These eight years must be of broad based, progressive experience to include gaining knowledge and comprehension of engineering subjects and applying engineering principles. The eight years of experience must be completed sixty days prior to the date of the examination.

The board shall evaluate all experience, which includes education, on a case-by-case basis and approve such experience as appropriate. The board will use the following criteria in evaluating an applicant's experience record:

(1) Education experience will be based on transcripts. Therefore, any transcripts not previously sent to the board's office should be submitted for maximum experience credit. Education may be approved as experience based on the following:

(a) Graduation with a baccalaureate degree in engineering approved by the engineer accreditation commission (EAC) of the accreditation board for engineering and technology (ABET) shall be equivalent to four years of required experience. Satisfactory completion of each year of such an approved engineering curriculum is equivalent to one year of experience.

(b) Graduation with a baccalaureate degree in a program in engineering technology approved by the technology

WSR 02-01-071

PERMANENT RULES

DEPARTMENT OF LICENSING

[Filed December 14, 2001, 3:50 p.m., effective January 30, 2002]

Date of Adoption: November 15, 2001.

Purpose: To implement amendments to WAC 196-12-020 and 196-12-030 which will notify the public and the engineering profession of changes in the requirements to become licensed as a structural engineer. WAC 196-12-020

accreditation commission (TAC) of the accreditation board for engineering and technology (ABET) is equivalent to three years of required experience. Satisfactory completion of each year of such an approved program is equivalent to three-fourths of one year of experience.

(c) Graduation in an approved four year non-ABET accredited engineering curriculum will be given a maximum of three years of experience.

(d) A maximum of one year may be granted for post-graduate engineering courses approved by the board for those applicants having earned degrees in accordance with (a), (b) or (c) of this subsection.

(e) A nonengineering bachelor of science program can be given a maximum of two years of experience. If the degree is followed by a master of science in engineering from a school that has an ABET accredited undergraduate program in the same discipline as the master's degree, a maximum of four years of experience may be granted for this combination of education.

(f) Graduation with an associate degree in engineering from an approved curriculum may be equivalent of up to two years of required experience.

(g) Education gained in a piecemeal fashion over time where no degree is conferred will be granted up to a maximum of two years of experience. For the purpose of this subsection, education in a "piecemeal fashion" means: One or two classes taken at a time, often at different schools; seminars; workshops; and classes taken through industry and the military. In order to determine the appropriate amount of experience, this type of education will be compared to college coursework in a baccalaureate of engineering technology degree program.

(h) The board may approve engineering degree programs from other countries.

(i) A number of foreign degree programs are included in mutual recognition agreements entered into by ABET with other accrediting authorities. Applicants with a degree from one of these programs will be evaluated in accordance with (a) and (b) of this subsection. A list of those approved mutual recognition degree programs is maintained in the board office.

(ii) Applicants having engineering degrees from programs in countries that are not on the mutual recognition list will be required to have their transcripts evaluated by a transcript evaluation service approved by the board. This evaluation will be performed at the applicant's expense, and the applicant will be responsible for submitting all necessary information to the evaluation service. If the evaluation service says that the foreign degree is equivalent to an ABET accredited degree, experience will be granted in accordance with (a) or (b) of this subsection. If the evaluation says that the foreign degree is not equivalent to an ABET accredited degree, then a maximum of three years of experience may be granted in accordance with (c) of this subsection.

(iii) An applicant with an undergraduate foreign degree from a program that is not on the mutual recognition list, can waive the requirement for a degree evaluation if they have a master of science in engineering from a school that has an ABET accredited undergraduate engineering degree program in the same discipline as the master's degree. A maximum of

four years of experience can be granted for this combination of education.

(i) Any other education will be taken into account and evaluated on its merits.

(j) Work experience gained between semesters or quarters or during summers while enrolled in an approved curriculum will be considered as part of the educational process. The board grants one year of experience for a year of approved education including any associated work experience within that year.

(2) Work experience will be approved based on a demonstration of competency and progressive responsibility in the analysis, synthesis and evaluation of engineering concepts and data, under the direct supervision of a person authorized by chapter 18.43 RCW or other applicable statute to practice engineering. Under the general guidance and direct supervision of an authorized professional, the applicant must be in a position of making independent judgments and decisions in the following experience areas:

(a) Formulating conclusions and recommendations;

(b) Identifying design and/or project objectives;

(c) Identifying possible alternative methods and concepts;

(d) Defining performance specifications and functional requirements;

(e) Solving engineering problems;

(f) Interacting with professionals from other areas of practice;

(g) Effectively communicating recommendations and conclusions;

(h) Demonstrating an understanding and concern for energy/environmental considerations, and sustainability of resources.

(3) The branch of structural engineering requires specialized work experience to protect the public safety. To be eligible to take the structural (~~(principle and practice)~~) license examination, an applicant must have ~~((eight))~~ at least two years of progressive responsibility in structural engineering experience. These two years of structural experience are in addition to the eight years of engineering experience required to be registered as a professional engineer and must be documented in the application in accordance with subsection (2) of this section. ((This)) The structural engineering experience must be supervised by a licensed professional engineer in the branch of structural engineering or a licensed professional engineer with significant structural engineering work experience. ~~((Up to five years of this experience may be gained through education in accordance with subsection (1) of this section. In order to be granted the fifth year, a postgraduate degree in engineering with a concentration of structural courses must be obtained from a school that has an ABET accredited undergraduate program in engineering.))~~

(4) Engineering teaching character may be considered satisfactory experience up to a maximum of two years.

(5) Applied research is considered satisfactory experience when it meets the following conditions:

(a) The research must be conducted under the guidance or supervision of a licensed engineer. For the purposes of this subsection, guidance or supervision means being cognizant

of all applicable aspects of the work and a reviewer of all applicable reporting documentation.

(b) The principle result(s) of the research are in a published report or a recognized engineering journal article in which the applicant is the first author or the work is adequately documented and available to the board upon request.

(6) For military engineering experience to be considered acceptable, it should be similar to engineering experience that would be gained in a nonmilitary environment as defined in subsection (2) of this section, and such experience must be verified.

(7) Any work experience gained without the supervision of a professional engineer authorized to practice under chapter 18.43 RCW or an individual authorized by another statute to practice engineering, or any work experience gained in any other situation which violates the provisions of chapter 18.43 RCW or Title 196 WAC will not be counted toward the statutory experience requirement.

AMENDATORY SECTION (Amending WSR 01-09-016, filed 4/6/01, effective 5/7/01)

WAC 196-12-030 Examinations. (1) Except as provided in WAC 196-12-050, to become licensed as a professional engineer the candidate must pass two stages of examination. The first stage is the fundamentals-of-engineering examination. The second stage examination consists of multiple parts including the principles and practice (branch) examination and law and ethics examination. The law and ethics exam is a take-home examination covering chapter 18.43 RCW and Title 196 WAC. The fundamentals-of-engineering examination must be passed, or waived in accordance with WAC 196-12-050, before taking the second stage examination.

Examinations are given at times and places designated by the board. The schedule of future examinations and examination syllabi may be obtained from the board office. Examinees will not be allowed to view any examination material prior to taking the examination other than syllabi available to the public or sample examination booklets published by the National Council of Examiners for Engineering and Surveying. If one examination part is failed, only that examination part must be retaken.

(2) If a professional engineer holding a current registration in the state of Washington wants to become licensed in multiple branches of engineering, an additional principle and practice examination must be taken in each branch.

(3) The branch of structural engineering requires a ~~((more exhaustive principle and practice))~~ series of examinations, as determined by the board, to protect the public safety. ~~((In addition to the stage 1 fundamentals-of-engineering examination,))~~ To become licensed as a professional engineer in the branch of structural engineering, the candidate must pass: The stage 1 fundamentals-of-engineering examination; the stage 2 principles and practice of engineering (PE) and the take-home law and ethics examinations; and the stage 3 examination comprised of ~~((all parts of))~~ examinations in the principles and practice of structural engineering ~~((examination, including a demonstration of competency in))~~ and

structural engineering issues important to Washington state ~~((and the law and ethics examination))~~.

PERMANENT RULES
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES
(Medical Assistance Administration)

[Filed December 14, 2001, 4:38 p.m.]

Date of Adoption: December 10, 2001.

Purpose: New WAC 388-475-1000, 388-475-1050, 388-475-1100, 388-475-1150, 388-475-1200, and 388-475-1250 are adopted to implement the Medicaid buy-in program, to be called healthcare for workers with disabilities (HWD). The HWD program recognizes the employment potential of people with disabilities and represents Washington state's response to the landmark "Ticket to Work" legislation passed by congress in 1999.

Statutory Authority for Adoption: RCW 74.08.090, Section 1902 (a)(10)(A)(ii) of the Social Security Act.

Other Authority: Section 209(5), chapter 7, Laws of 2001, Part II.

Adopted under notice filed as WSR 01-21-118 on October 23, 2001.

Number of Sections Adopted in Order to Comply with Federal Statute: New 6, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 6, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 6, Amended 0, Repealed 0.

Effective Date of Rule: Thirty-one days after filing.

December 10, 2001

Brian H. Lindgren, Manager
Rules and Policies Assistance Unit

Chapter 388-475 WAC

HEALTHCARE FOR WORKERS WITH DISABILITIES (HWD) PROGRAM

NEW SECTION

WAC 388-475-1000 Healthcare for workers with disabilities (HWD)—Program description. This section describes the healthcare for workers with disabilities (HWD) program.

(1) The HWD program provides categorically needy (CN) Medicaid services as described in WAC 388-529-0200.

(2) The department approves HWD coverage for twelve months effective the first of the month in which a person applies and meets program requirements. See WAC 388-475-1100 for "retroactive" coverage for months before the month of application.

(3) A person who is eligible for another Medicaid program may choose not to participate in the HWD program.

(4) A person is not eligible for HWD coverage for a month in which the person received Medicaid benefits under the medically needy (MN) program.

(5) The HWD program does not provide long-term care (LTC) services described in chapter 388-513 and 388-515 WAC. LTC services include institutional, waived, and hospice services. To receive LTC services, a person must qualify and participate in the cost of care according to the rules of those programs.

NEW SECTION

WAC 388-475-1050 Healthcare for workers with disabilities (HWD)—Program requirements. This section describes requirements a person must meet to be eligible for the healthcare for workers with disabilities (HWD) program.

(1) To qualify for the HWD program, a person must:

(a) Meet the general requirements for a medical program described in WAC 388-503-0505 (3)(a) through (f);

(b) Be age sixteen through sixty-four;

(c) Meet the federal disability requirements described in WAC 388-475-1150;

(d) Have net income at or below two hundred twenty percent of the federal poverty level (FPL) (see WAC 388-478-0075 for FPL amounts for medical programs); and

(e) Be employed full or part time (including self-employment) as described in WAC 388-475-1200.

(2) To determine net income, the department applies the following rules to total gross household income in this order:

(a) Deduct income exclusions described in WAC 388-450-0020; and

(b) Follow the CN income rules described in:

(i) WAC 388-450-0005 (3) and (4), Income—Ownership and availability;

(ii) WAC 388-450-0085, Self-employment income—Allowable Expenses;

(iii) WAC 388-450-0150 (1), (2), (3), and (5), SSI-related income allocation;

(iv) WAC 388-450-0210 (4)(b), (e), and (h), Countable income for medical programs;

(v) WAC 388-506-0620, SSI-related medical clients; and

(vi) WAC 388-511-1130, SSI-related income availability.

(3) The HWD program does not require an asset test.

(4) Once approved for HWD coverage, a person must pay his/her monthly premium in the following manner to continue to qualify for the program:

(a) The department calculates the premium for HWD coverage according to WAC 388-475-1250;

(b) If a person does not pay four consecutive monthly premiums, the person is not eligible for HWD coverage for the next four months and must pay all premium amounts owed before HWD coverage can be approved again; and

(c) Once approved for HWD coverage, a person who experiences a job loss can choose to continue HWD coverage through the original twelve months of eligibility, if the following requirements are met:

(i) The job loss results from an involuntary dismissal or health crisis; and

(ii) The person continues to pay the monthly premium.

NEW SECTION

WAC 388-475-1100 Healthcare for workers with disabilities (HWD)—Retroactive coverage. This section describes requirements for retroactive coverage provided under the healthcare for workers with disabilities (HWD) program.

(1) Retroactive coverage refers to the period of up to three months before the month in which a person applies for the HWD program. The department cannot approve HWD coverage for a month that precedes January 1, 2002.

(2) To qualify for retroactive coverage under the HWD program, a person must first:

(a) Meet all program requirements described in WAC 388-475-1050 for each month of the retroactive period; and

(b) Pay the premium amount for each month requested within one hundred twenty days of being billed for such coverage.

(3) If a person does not pay premiums in full as described in subsection (2)(b) for all months requested in the retroactive period, the department denies retroactive coverage and refunds any payment received for those months.

NEW SECTION

WAC 388-475-1150 Healthcare for workers with disabilities (HWD)—Disability requirements. This section describes the disability requirements for the two groups of individuals that may qualify for the healthcare for workers with disabilities (HWD) program.

(1) To qualify for the HWD program, a person must meet the requirements of the Social Security Act in section 1902

(a) (10) (A) (ii):

(a) (XV) for the basic coverage group (BCG); or

(b) (XVI) for the medical improvement group (MIG).

(2) The BCG consists of individuals who:

(a) Meet federal disability requirements for the Supplemental Security Income (SSI) or Social Security Disability Insurance (SSDI) program; or

(b) Are determined by the division of disability determination services (DDDS) to meet federal disability requirements for the HWD program.

(3) The MIG consists of individuals who:

(a) Were previously eligible and approved for the HWD program as a member of the BCG; and

(b) Are determined by DDDS to have a medically improved disability. The term "medically improved disability" refers to the particular status granted to persons described in subsection (1)(b).

(4) When completing a disability determination for the HWD program, DDDS will not deny disability status because of employment.

NEW SECTION

WAC 388-475-1200 Health care for workers with disabilities (HWD)—Employment requirements. This section describes the employment requirements for the basic coverage group (BCG) and the medical improvement group (MIG) for the healthcare for workers with disabilities (HWD) program.

(1) For the purpose of the HWD program, employment means a person:

- (a) Gets paid for working;
- (b) Has earnings that are subject to federal income tax;

and

(c) Has payroll taxes taken out of earnings received, unless self-employed.

(2) To qualify for HWD coverage as a member of the BCG, a person must be employed full or part time.

(3) To qualify for HWD coverage as a member of the MIG, a person must be:

- (a) Working at least forty hours per month; and
- (b) Earning at least the local minimum wage as described under section 6 of the Fair Labor Standards Act (29 U.S.C. 206).

NEW SECTION

WAC 388-475-1250 Healthcare for workers with disabilities (HWD)—Premium payments. This section describes how the department calculates the premium amount a person must pay for healthcare for workers with disabilities (HWD) coverage. This section also describes program requirements regarding the billing and payment of HWD premiums.

(1) When determining the HWD premium amount, the department counts only the income of the person approved for the program. It does not count the income of another household member.

(2) When determining countable income used to calculate the HWD premium, the department applies the following rules:

- (a) Income is considered available and owned when it is:
 - (i) Received; and
 - (ii) Can be used to meet the person's needs for food, clothing, and shelter, except as described in WAC 388-511-1130.

(b) Loans and certain other receipts are not considered to be income as described in 20 C.F.R. Sec. 416.1103, e.g., direct payment by anyone of a person's medical insurance premium or a tax refund on income taxes already paid.

(3) The HWD premium amount equals a total of the following (rounded down to the nearest whole dollar):

(a) Fifty percent of unearned income above the medically needy income level (MNIL) described in WAC 388-478-0070; plus

- (b) Five percent of total unearned income; plus
- (c) Two point five percent of earned income after first deducting sixty-five dollars.

(4) When determining the premium amount, the department will use the current income amount until a change in income is reported and processed.

(5) A change in the premium amount is effective the month after the change in income is reported and processed.

(6) For current and ongoing coverage, the department will bill for HWD premiums during the month following the month in which coverage is approved.

(7) For retroactive coverage, the department will bill the HWD premiums during the month following the month in which coverage is requested and necessary information is received. (8) If initial coverage for the HWD program is approved in a month that follows the month of application, the first monthly premium includes the costs for both the month of application and any following month(s).

(9) As described in WAC 388-475-1050 (4)(b), the department will close HWD coverage after four consecutive months for which premiums are not paid in full.

(10) If a person makes only a partial payment toward the cost of HWD coverage for any one month, the person remains one full month behind in the payment schedule.

(11) The department first applies payment for current and ongoing coverage to any amount owed for such coverage in an earlier month. Then it applies payment to the current month and then to any unpaid amount for retroactive coverage.

WSR 02-01-074

PERMANENT RULES

DEPARTMENT OF

SOCIAL AND HEALTH SERVICES

(Health and Rehabilitative Services Administration)

[Filed December 14, 2001, 4:40 p.m.]

Date of Adoption: December 10, 2001.

Purpose: The purpose of this rule is to increase the rates in the Division of Developmental Disabilities' family support program, to reflect vendor rate increases passed in the last state budget.

Citation of Existing Rules Affected by this Order: Amending WAC 388-825-226, 388-825-228, 388-825-238, and 388-825-254.

Statutory Authority for Adoption: RCW 71A.12.030 and 71A.12.040.

Other Authority: ESSB 6153.

Adopted under notice filed as WSR 01-21-011 on October 5, 2001.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 4, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 4, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: Thirty-one days after filing.

December 10, 2001

Brian H. Lindgren, Manager
Rules and Policies Assistance Unit

AMENDATORY SECTION (Amending WSR 00-23-106, filed 11/21/00, effective 12/22/00)

WAC 388-825-226 Can the family support opportunity program help my family obtain financial assistance for community guide services? The program will authorize up to two hundred ~~((eight))~~ twelve dollars per year for community guide services for your family.

AMENDATORY SECTION (Amending WSR 00-23-106, filed 11/21/00, effective 12/22/00)

WAC 388-825-228 How can short-term intervention services help my family? If your family is eligible, you may receive up to one thousand three hundred fifty dollars per year in short-term intervention funds to pay for necessary services not otherwise available. Short-term intervention funding cannot be used for basic subsistence such as food or shelter but is available for those specialized costs directly related to and resulting from your child's disability. Short-term intervention funds can be authorized for a one-time only need or for an episodic service need that occurs over a one-year period.

AMENDATORY SECTION (Amending WSR 00-23-106, filed 11/21/00, effective 12/22/00)

WAC 388-825-238 What amount of serious need funding is available to my family? (1) The maximum amount of funding available is four hundred ~~((twenty-two))~~ fifty-two dollars per month or two thousand ~~((five))~~ seven hundred ~~((thirty-two))~~ twelve dollars in a six-month period, unless the department determines your family member requires licensed nursing care and the funding is used to pay for nursing care. If licensed care is required, the maximum funding level is two thousand four hundred fifty dollars per month.

(2) REMEMBER:

(a) Funding must be available in order to receive serious need services.

(b) Services paid for by serious needs funds will be reviewed by DDD every six months.

AMENDATORY SECTION (Amending WSR 00-23-106, filed 11/21/00, effective 12/22/00)

WAC 388-825-254 Service need level rates. (1) The department shall base periodic service authorizations on:

(a) Requests for family support services described in WAC 388-825-252(2) of this section;

(b) Service need levels as described in WAC 388-825-252(3) of this chapter. Service need level lid amounts are as follows:

(i) Clients designated for service need level one (WAC 388-825-256) may receive up to one thousand ~~((eighty))~~ one hundred fifty-six dollars per month or two thousand four hundred ~~((eleven))~~ sixty-two dollars per month if the client requires licensed nursing care in the home:

(A) If a client is receiving funding through Medicaid Personal Care or other DSHS in-home residential support, the maximum payable through family support shall be ~~((four))~~ five hundred ~~((seventy-nine))~~ twelve dollars per month;

(B) If the combined total of family support services at this maximum plus in-home support is less than one thousand ~~((eighty))~~ one hundred fifty-six dollars additional family support can be authorized to bring the total to one thousand ~~((eighty))~~ one hundred fifty-six dollars.

(ii) Clients designated for service need level two may receive up to four hundred ~~((twenty-six))~~ fifty-six dollars per month if not receiving funding through Medicaid personal care:

(A) If a client is receiving funds through Medicaid personal care or other DSHS in-home residential support service, the maximum receivable through family support shall be two hundred ~~((thirty-nine))~~ fifty-six dollars per month;

(B) If the combined total of family support services at this maximum plus in-home support is less than ~~((four))~~ fifty-six hundred four dollars, additional family support can be authorized to bring the total to four hundred ~~((twenty-six))~~ fifty-six dollars.

(iii) Clients designated for service need level three may receive up to two hundred ~~((thirty-nine))~~ fifty-six dollars per month provided the client is not receiving Medicaid personal care. If the client is receiving Medicaid personal care or other DSHS in-home residential support service, the maximum receivable through family support shall be one hundred twenty-eight dollars per month; and

(iv) Clients designated for service level four may receive up to one hundred twenty-eight dollars per month family support services.

(c) Availability of family support funding;

(d) Authorization by a review committee, in each regional office, which reviews each request for service;

(e) The amounts designated in subsection (1)(b)(i) through (iv) of this section are subject to periodic increase if vendor rate increases are mandated by the legislature.

(2) The department shall authorize family support services contingent upon the applicant providing accurate and complete information on disability-related requests.

(3) The department shall ensure service authorizations do not exceed maximum amounts for each service need level based on the availability of funds.

(4) The department shall not authorize a birth parent, adoptive parent, or stepparent living in the same household as the client as the direct care provider for respite, attendant, nursing, therapy, or counseling services for a child seventeen years of age or younger.

PERMANENT

WSR 02-01-075
PERMANENT RULES
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES
(Medical Assistance Administration)
[Filed December 14, 2001, 4:45 p.m.]

Date of Adoption: December 10, 2001.

Purpose: The department is adopting rules to reflect program changes in MAA's managed care programs. Rules regarding exemptions and disenrollments have been clarified and the CHIP program has been made more consistent and compatible with the healthy options program. Primary care case management has been expanded to allow greater access to managed care for MAA's clients.

Citation of Existing Rules Affected by this Order: Repealing WAC 388-538-066 Children's health insurance program (CHIP) enrollees; amending WAC 388-538-050 Definitions, 388-538-060 Managed care and choice, 388-538-065 Medicaid eligible basic health plan enrollees, 388-538-070 Managed care payment, 388-538-080 Healthy options exemptions, 388-538-095 Scope of care for managed care enrollees, 388-538-100 Managed care emergency services, 388-538-110 Managed care complaints, appeals and fair hearings, 388-538-120 Enrollee request for a second medical opinion, 388-538-130 Ending enrollment in healthy options, 388-538-140 Quality of care, 388-542-0050 Definitions for children's health insurance program (CHIP) terms, 388-542-0100 CHIP scope of care, 388-542-0125 Access to care, 388-540-0150 Client eligibility requirements for CHIP, 388-542-0200 CHIP managed care enrollment, 388-542-0250 CHIP client costs, 388-542-0275 Reimbursement, 388-542-0300 Waiting period for CHIP coverage following employer coverage and 388-542-0500 Managed care rules that apply to CHIP; and New WAC 388-538-067 Managed care provided through managed care organizations (MCOs), 388-538-068 Managed care provided through primary care case management (PCCM), and 388-542-0220 Ending CHIP client eligibility.

Statutory Authority for Adoption: RCW 74.09.080.

Other Authority: RCW 74.08.510, [74.08.]522, 74.09-450, 1115 Waiver, 42 U.S.C. 1396.

Adopted under notice filed as WSR 01-20-113 on October 3, 2001.

Changes Other than Editing from Proposed to Adopted Version: As a result of testimony received, the following changes have been made to the text of the proposed rule (added language is underlined; deleted language is struck-through):

WAC 388-538-068(1) A provider may contract with DSHS as a primary care case management (PCCM) provider to provide health care services to eligible medical assistance administration (MAA) clients under MAA's managed care program. The PCCM provider or the individual providers in a PCCM group or clinic must:...

WAC 388-542-0220 (3)(b) Serve a waiting period of four consecutive months ~~as described in WAC 388-542-0300.~~ The waiting period begins the day after termination of CHIP coverage for nonpayment of premiums as described in this section. The waiting period ends once four full consecu-

tive months of CHIP noncoverage has elapsed. The client does not have CHIP coverage during the waiting period.

WAC 388-542-0300 (1)(b) Fails to exercise an optional coverage extension (e.g., COBRA) that meets the following conditions. The waiting period begins on the day there is a documented refusal of the coverage extension when the extended coverage is:

(i) ~~(a)~~ Subsidized in part or in whole by the employer or union;

(ii) ~~(b)~~ Available and accessible to the applicant or family; and

(iii) ~~(c)~~ At a monthly cost to the family meeting the limitations of subsection (32)(b)(iv).

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 1, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 3, Amended 20, Repealed 1.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 3, Amended 20, Repealed 1.

Effective Date of Rule: Thirty-one days after filing.

December 10, 2001

Brian H. Lindgren, Manager
Rules and Policies Assistance Unit

Reviser's note: The material contained in this filing exceeded the page-count limitations of WAC 1-21-040 for appearance in this issue of the Register. It will appear in the 02-02 issue of the Register.

WSR 02-01-112
PERMANENT RULES
BUILDING CODE COUNCIL

[Filed December 18, 2001, 3:46 p.m., effective July 1, 2002]

Date of Adoption: November 9, 2001.

Purpose: To make changes to the Washington State Energy Code, chapter 51-11 WAC.

Citation of Existing Rules Affected by this Order: Amending chapter 51-11 WAC, Sections 502, 503, 530, 533, 534, 535, 536, 537, 601, 602, 603, 625, 626, 627, 628, 629, 630, 900, 1006, 1401, 1411, 1412, 1413, 1423, 1433, 1437, 1452, and 1454.

Statutory Authority for Adoption: RCW 19.27A.025, 19.27A.045.

Adopted under notice filed as WSR 01-16-120 on July 31, 2001.

Changes Other than Editing from Proposed to Adopted Version: 1. Section 530 (Table 5-1) was altered to provide a more permissive wall target component value for "Other Fuels."

2. Section 602.2 was altered to reflect equivalent wall constructions to meet the R-21 requirement.

3. Section 625 Option 1 was adopted for Tables 6-1 and 6-2.

4. Section 1413.4 an exception was added to provide consistency with DOH rules for health care facilities.

5. Sections 1423 and 1433 proposed change to further restrict units without economizers total capacity was not adopted.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 28, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 28, Repealed 0.

Effective Date of Rule: July 1, 2002.

December 18, 2001

Tim Nogler
for Jim Lewis
Council Chair

AMENDATORY SECTION (Amending WSR 01-03-010, filed 1/5/01, effective 7/1/01)

WAC 51-11-0502 Building envelope requirements.

502.1 General:

502.1.1: The stated U- or F-factor of any component assembly, listed in Table 5-1 or 5-2, such as roof/ceiling, opaque wall or opaque floor may be increased and the U-factor for other components decreased, provided that the total heat gain or loss for the entire building envelope does not exceed the total resulting from compliance to the U-factors specified in this Section.

The U-factors for typical construction assemblies are included in Chapter 10. These values shall be used for all calculations. Where proposed construction assemblies are not represented in Chapter 10, values shall be calculated in accordance with Chapters 21-29 in Standard RS-1 listed in Chapter 7, using the framing factors listed in Chapter 10 where applicable.

For envelope assemblies containing metal framing, the U-factor shall be determined by one of the following methods:

1. Results of laboratory or field measurements.

2. Standard RS-25, listed in Chapter 7, where the metal framing is bonded on one or both sides to a metal skin or covering.

3. The zone method as provided in Chapter 24 of Standard RS-1, listed in Chapter 7.

4. Results of parallel path correction factors effective framing/cavity R-values as provided in Table 10-5A - EFFECTIVE R-VALUES FOR METAL FRAMING AND CAVITY ONLY for metal stud walls and roof/ceilings.

502.1.2: For consideration of thermal mass effects, see section 402.4.

502.1.3: When return air ceiling plenums are employed, the roof/ceiling assembly shall:

a. For thermal transmittance purposes, not include the ceiling proper nor the plenum space as part of the assembly; and

b. For gross area purposes, be based upon the interior face of the upper plenum surface.

502.1.4 Insulation:

502.1.4.1 General: All insulating materials shall comply with sections 2602 and/or 707 of the Uniform Building Code. Substantial contact of the insulation with the surface being insulated is required. All insulation materials shall be installed according to the manufacturer's instructions to achieve proper densities and maintain uniform R-values and shall be installed in a manner which will permit inspection of the manufacturer's R-value identification mark. To the maximum extent possible, insulation shall extend over the full component area to the intended R-value.

Alternatively, the thickness of roof/ceiling and wall insulation that is either blown in or spray-applied shall be identified by inches of thickness, density and R-value markers installed at least one for every 300 square feet (28 m²) through the attic, ceiling and/or wall space. In attics, the markers shall be affixed to the trusses or joists and marked with the minimum initial installed thickness and minimum settled thickness with numbers a minimum 1.0 inch (25 mm) in height. Each marker shall face the attic access. The thickness of installed attic insulation shall meet or exceed the minimum initial installed thickness shown by the marker. In cathedral ceilings and walls, the markers shall be affixed to the rafter and wall frame at alternating high and low intervals and marked with the minimum installed density and R-value with numbers a minimum 1.0 inch (25 mm) in height. Each marker shall face the conditioned room area.

502.1.4.2 Insulation Materials: All insulation materials including facings such as vapor barriers or breather papers installed within floor/ceiling assemblies, roof/ceiling assemblies, walls, crawl spaces, or attics shall have a flame spread rating of less than 25 and a smoke density not to exceed 450 when tested in accordance with UBC Standard 8-1.

EXCEPTIONS:

1. Foam plastic insulation shall comply with section 2602 of the Uniform Building Code.

2. When such materials are installed in concealed spaces of Types III, IV and V construction, the flame spread and smoke developed limitations do not apply to facing, provided that the facing is installed in substantial contact with the unexposed surface of the ceiling, floor or wall finish.

3. Cellulose insulation shall comply with section 707 of the Uniform Building Code.

30° from horizontal, to divert air flow below the lower surface of the floor insulation.

502.1.4.3 Clearances: Where required, insulation shall be installed with clearances according to manufacturer's specifications. Insulation shall be installed so that required ventilation is unobstructed. For blown or poured loose fill insulation, clearances shall be maintained through installation of a permanent retainer.

502.1.4.4 Access Hatches and Doors: Access doors from conditioned spaces to unconditioned spaces (e.g., attics and crawl spaces) shall be weatherstripped and insulated to a level equivalent to the insulation on the surrounding surfaces. Access shall be provided to all equipment which prevents damaging or compressing the insulation. A wood framed or equivalent baffle or retainer must be provided when loose fill insulation is installed, the purpose of which is to prevent the loose fill insulation from spilling into the living space when the attic access is opened, and to provide a permanent means of maintaining the installed R-value of the loose fill insulation.

502.1.4.5 Roof/Ceiling Insulation: Open-blown or poured loose fill insulation may be used in attic spaces where the slope of the ceiling is not more than 3 feet in 12 and there is at least 30 inches of clear distance from the top of the bottom chord of the truss or ceiling joist to the underside of the sheathing at the roof ridge. When eave vents are installed, baffling of the vent openings shall be provided so as to deflect the incoming air above the surface of the insulation. Baffles shall be, rigid material, resistant to wind driven moisture. Requirements for baffles for ceiling insulation shall meet the Uniform Building Code section 1505.3 for minimum ventilation requirements. When feasible, the baffles shall be installed from the top of the outside of the exterior wall, extending inward, to a point 6 inches vertically above the height of noncompressed insulation, and 12 inches vertically above loose fill insulation.

502.1.4.6 Wall Insulation: Insulation installed in exterior walls shall comply with the provisions of this section. All wall insulation shall fill the entire framed cavity. Exterior wall cavities isolated during framing shall be fully insulated to the levels of the surrounding walls. All faced insulation shall be face stapled to avoid compression.

502.1.4.7 Floor Insulation: Floor insulation shall be installed in a permanent manner in substantial contact with the surface being insulated. Insulation supports shall be installed so spacing is no more than 24 inches on center. Foundation vents shall be placed so that the top of the vent is below the lower surface of the floor insulation.

EXCEPTION: Insulation may be omitted from floor areas over heated basements, heated garages or underfloor areas used as HVAC supply plenums. See Uniform Mechanical Code section 607 for underfloor supply plenum requirements. When foundation walls are insulated, the insulation shall be attached in a permanent manner. The insulation shall not block the airflow through foundation vents when installed. When foundation vents are not placed so that the top of the vent is below the lower surface of the floor insulation, a permanently attached baffle shall be installed at an angle of

502.1.4.8 Slab-On-Grade: Slab-on-grade insulation, installed inside the foundation wall, shall extend downward from the top of the slab for a minimum distance of 24 inches or downward and then horizontally beneath the slab for a minimum combined distance of 24 inches. Insulation installed outside the foundation shall extend downward to a minimum of 24 inches or to the frostline. Above grade insulation shall be protected.

EXCEPTION: For monolithic slabs, the insulation shall extend downward from the top of the slab to the bottom of the footing.

502.1.4.9 Radiant Slabs: The entire area of a radiant slab shall be thermally isolated from the soil, with a minimum of R-10 insulation. The insulation shall be an approved product for its intended use. If a soil gas control system is present below the radiant slab, which results in increased convective flow below the radiant slab, the radiant slab shall be thermally isolated from the sub-slab gravel layer.

502.1.4.10 Below Grade Walls: Below grade exterior wall insulation used on the exterior (cold) side of the wall shall extend from the top of the below grade wall to the top of the footing and shall be approved for below grade use. Above grade insulation shall be protected.

Insulation used on the interior (warm) side of the wall shall extend from the top of the below grade wall to the below grade floor level.

502.1.5 Glazing and Door U-factors: Glazing and door U-factors shall be determined in accordance with sections 502.1.5.1 and 502.1.5.2. All products shall be labeled with the NFRC certified or default U-factor. The labeled U-factor shall be used in all calculations to determine compliance with this Code. Sealed insulating glass shall conform to, or be in test for, ASTM E-774-81 class A.

EXCEPTIONS:

1. For glazed wall systems, assemblies with all of the following features are deemed to satisfy the vertical glazing U-factor requirement in ((Table 6-1 through 6-6) Table 6-1 or 6-2 options with vertical glazing U-0.40 and greater:
 - a. Double glazing with a minimum 1/2 inch gap width, having a low-emissivity coating with e=0.10 maximum, with 90% minimum argon gas fill, and a non-aluminum spacer (as defined in footnote 1 to Table 10-6B), and
 - b. Frame that is thermal break aluminum (as defined in footnote 9 to Table 10-6B), wood, aluminum clad wood, vinyl, aluminum clad vinyl, or reinforced vinyl. The only labeling requirement for products using this exception shall be a description of the product and a label stating: "This product is deemed to satisfy the ((Table 6-1 through 6-6) Table 6-1 or 6-2 vertical glazing U-factor requirement using the exception to Section 502.1.5 in the Washington State Energy Code."
2. For overhead glazing, assemblies with all of the following features are deemed to satisfy the overhead glazing U-factor requirement in ((all Table 6-1 through 6-6) Table 6-1 or 6-2 options except the unlimited glazing area options ((Option VIII in Table 6-2, Option IX in Table 6-4, and Option VIII for Climate Zone 1 and Option IX for Climate Zone 2 in

Table 6-6)) (Option III in Table 6-1 and Option IV in Table 6-2):

a. Either, double glazing with a minimum 1/2 inch gap width, having a low-emissivity coating with $e=0.20$ maximum, with 90% minimum argon gas fill, or, triple glazed plastic domes, and

b. Frame that is thermal break aluminum (as defined in footnote 9 to Table 10-6B), wood, aluminum clad wood, vinyl, aluminum clad vinyl, or reinforced vinyl.

The only labeling requirement for products using this exception shall be a description of the product and a label stating: "This product is deemed to satisfy the ((Table 6-1 through 6-6)) Table 6-1 or 6-2 overhead glazing U-factor requirement using the exception to Section 502.1.5 in the Washington State Energy Code."

3. For solariums with a floor area which does not exceed 300 square feet, assemblies which comply with the features listed in exception 2 are deemed to satisfy the vertical glazing and overhead glazing U-factor requirement in ((Table 6-1 through 6-6)) Table 6-1 or 6-2 options with vertical glazing U-0.40 and greater.

The only labeling requirement for products using this exception shall be a description of the product and a label stating: "This product is deemed to satisfy the ((Table 6-1 through 6-6)) Table 6-1 or 6-2 vertical glazing and overhead glazing U-factor requirements using the exception to Section 502.1.5 in the Washington State Energy Code."

502.1.5.1 Standard Procedure for Determination of Glazing U-factors: U-factors for glazing shall be determined, certified and labeled in accordance with the National Fenestration Rating Council (NFRC) Product Certification Program (PCP), as authorized by an independent certification and inspection agency licensed by the NFRC. Compliance shall be based on the Residential Model Size. Product samples used for U-factor determinations shall be production line units or representative of units as purchased by the consumer or contractor. Products that are listed in the NFRC Certified Products Directory or certified to the NFRC standard shall not use default values.

EXCEPTIONS:

1. Glazing products without NFRC ratings may be assigned default U-factors from Table 10-6A for vertical glazing and from Table 10-6E for overhead glazing.
2. Units without NFRC ratings produced by a small business may be assigned default U-factors from Table 10-6A for garden windows, from Table 10-6B for other vertical glazing, and from Table 10-6E for overhead glazing.

502.1.5.2 Standard Procedure for Determination of Door U-factors: All doors, including fire doors, shall be assigned default U-factors from Table 10-6C.

EXCEPTIONS:

1. U-factors determined, certified and labeled in accordance with the National Fenestration Rating Council (NFRC) Product Certification Program (PCP), as authorized by an independent certification and inspection agency licensed by the NFRC.
2. The default values for the opaque portions of doors shall be those listed in Table 10-6C, provided that the U-factor listed for a door with a thermal break shall only be allowed if both the door and the frame have a thermal break.
3. One unlabeled or untested exterior swinging door with the maximum area of 24 square feet may be installed for ornamental, security or architectural purposes. Products using this exception shall not be

included in ((either)) the U-factor ((or glazing-area)) calculation requirements, however glazing area shall be included in glazing area calculations.

502.1.6 Moisture Control:

502.1.6.1 Vapor Retarders: Vapor retarders shall be installed on the warm side (in winter) of insulation as specified in the following cases.

EXCEPTION: Vapor retarder installed with not more than 1/3 of the nominal R-value between it and the conditioned space.

502.1.6.2 Floors: Floors separating conditioned space from unconditioned space shall have a vapor retarder installed. The vapor retarder shall have a one perm dry cup rating or less (i.e., four mil [0.004 inch thick] polyethylene or kraft faced material).

502.1.6.3 Roof/Ceilings: Roof/ceiling assemblies where the ventilation space above the insulation is less than an average of 12 inches shall be provided with a vapor retarder. Faced batt insulation where used as a vapor retarder shall be face stapled. Single rafter joist vaulted ceiling cavities shall be of sufficient depth to allow a minimum one inch vented air space above the insulation.

502.1.6.4: Vapor retarders shall not be required in roof/ceiling assemblies where the ventilation space above the insulation averages 12 inches or greater.

502.1.6.5: Vapor retarders shall not be required where all of the insulation is installed between the roof membrane and the structural roof deck.

502.1.6.6 Walls: Walls separating conditioned space from unconditioned space shall have a vapor retarder installed. Faced batt insulation shall be face stapled.

502.1.6.7 Ground Cover: A ground cover of six mil (0.006 inch thick) black polyethylene or approved equal shall be laid over the ground within crawl spaces. The ground cover shall be overlapped 12 inches minimum at the joints and shall extend to the foundation wall.

EXCEPTION: The ground cover may be omitted in crawl spaces if the crawl space has a concrete slab floor with a minimum thickness of 3-1/2 inches.

502.2 Thermal Criteria for Group R Occupancy:

502.2.1 UA Calculations: The proposed UA as calculated using Equations 2 and 3 shall not exceed the target UA as calculated using Equation 1. For the purpose of determining equivalent thermal performance, the glazing area for the target UA shall be calculated using values in Table 5-1. The opaque door area shall be the same in the target UA and the proposed UA.

EXCEPTION: Log and solid timber walls that have a minimum average thickness of 3.5" and with space heat type other than electric resistance, are exempt from wall target UA and proposed UA calculations.

502.2.2 Space Heat Type: The following two categories comprise all space heating types:

1. Electric Resistance: Space heating systems which include baseboard units, radiant units and forced air units as either the primary or secondary heating system.

EXCEPTION: Electric resistance systems for which the total electric heat capacity in each individual dwelling unit does not exceed the greater of: 1) One thousand watts (1000 w) per dwelling unit, or; 2) One watt per square foot (1 w/ft²) of the gross floor area.

2. Other: All gas, wood, oil and propane space heating systems, unless electric resistance is used as a secondary heating system, and all heat pump space heating systems. (See EXCEPTIONS, Electric Resistance, section 502.2.2 above.)

502.3 Reserved.

502.4 Air Leakage:

502.4.1 General: The requirements of this section shall apply to all buildings and structures, or portions thereof, and only to those locations separating outdoor ambient conditions from interior spaces that are heated or mechanically cooled.

502.4.2 Doors and Windows, General: Exterior doors and windows shall be designed to limit air leakage into or from the building envelope. Site-constructed doors and windows shall be sealed in accordance with Section 502.4.3.

502.4.3 Seals and Weatherstripping:

a. Exterior joints around windows and door frames, openings between walls and foundation, between walls and roof and wall panels; openings at penetrations of utility services through walls, floors and roofs; and all other openings in the building envelope for all occupancies and all other openings in between units in R-1 occupancy shall be sealed, caulked, gasketed or weatherstripped to limit air leakage. Other exterior joints and seams shall be similarly treated, or taped, or covered with moisture vapor permeable housewrap.

b. All exterior doors or doors serving as access to an enclosed unheated area shall be weatherstripped to limit leakage around their perimeter when in a closed position.

c. Site built windows are exempt from testing but shall be made tight fitting. Fixed lights shall have glass retained by stops with sealant or caulking all around. Operating sash shall have weatherstripping working against overlapping trim and a closer/latch which will hold the sash closed. The window frame to framing crack shall be made tight with caulking, overlapping membrane or other approved technique.

d. Openings that are required to be fire resistive are exempt from this section.

502.4.4 Recessed Lighting Fixtures: When installed in the building envelope, recessed lighting fixtures shall meet one of the following requirements:

1. Type IC rated, manufactured with no penetrations between the inside of the recessed fixture and ceiling cavity and sealed or gasketed to prevent air leakage into the unconditioned space.

2. Type IC rated, installed inside a sealed box constructed from a minimum 1/2 inch thick gypsum wall board,

or constructed from a preformed polymeric vapor barrier, or other air tight assembly manufactured for this purpose.

3. Type IC rated, certified under ASTM E283 to have no more than 2.0 cfm air movement from the conditioned space to the ceiling cavity. The lighting fixture shall be tested at 75 Pascals or 1.57 lbs/ft² pressure difference and have a label attached, showing compliance.

Reviser's note: The brackets and enclosed material in the text of the above section occurred in the copy filed by the agency and appear in the Register pursuant to the requirements of RCW 34.08.040.

AMENDATORY SECTION (Amending WSR 01-03-010, filed 1/5/01, effective 7/1/01)

WAC 51-11-0503 Building mechanical systems.

503.1 General: This section covers the determination of design requirements, system and component performance, control requirements, insulating systems and duct construction.

503.2 Calculations of Heating and Cooling Loads, and System Sizing Limits: The design parameters specified in Chapter 3 shall apply for all computations.

503.2.1 Calculation Procedures: Heating and cooling design loads for the purpose of sizing HVAC systems are required and shall be calculated in accordance with accepted engineering practice, including infiltration and ventilation.

503.2.2 Space Heating and Space Cooling System Sizing Limits: Building mechanical systems for all buildings which provide space heating and/or space cooling shall be sized no greater than two hundred percent (200%) of the heating and cooling design loads as calculated above.

EXCEPTIONS: The following limited exemptions from the sizing limit shall be allowed; however, in all cases heating and/or cooling design load calculations shall be submitted.

1. For equipment which provides both heating and cooling in one package unit, including heat pumps with electric heating and cooling and gas-pack units with gas heating and electric cooling, compliance need only be demonstrated for either the space heating or space cooling system size.

2. Natural gas- or oil-fired space heating equipment whose total rated space heating output in any one dwelling unit is

a. 40,000 Btu/h or less is exempt from the sizing limit,

b. larger than 40,000 Btu/h may exceed the two hundred (200%) percent sizing limit provided that the installed equipment has an annual fuel utilization efficiency (AFUE) of not less than ninety (90%) percent.

3. Stand-by equipment may be installed if controls and other devices are provided which allow redundant equipment to operate only when the primary equipment is not operating.

503.3 Simultaneous Heating and Cooling: Systems and equipment that provide simultaneous heating and cooling shall comply with the requirements in, as appropriate, Section 1422 or Section 1435.

503.4 HVAC Equipment Performance Requirements: All heating equipment shall meet the requirements of the 1987 National Appliance Energy Conservation Act

(NAECA) and be so labeled. Equipment shall also comply with Section 1411.

(503.4.1 Equipment Components:

503.4.1.1: ~~The requirements of this section apply to equipment and mechanical component performance for heating, ventilating and air conditioning systems. Equipment efficiency levels are specified. Data furnished by the equipment supplier or certified under a nationally recognized certification program or rating procedure shall be used to satisfy these requirements. Equipment efficiencies shall be based on the standard rating conditions in Tables 5-4, 5-5 or 5-6 as appropriate.~~

503.4.1.2: ~~Where components from more than one manufacturer are assembled into systems regulated under this section, compliance for each component shall be as specified in sections 503.4.2 through 503.4.6 of this Code.~~

503.4.2: ~~HVAC System Heating Equipment Heat Pump heating Mode. Heat pumps whose energy input is entirely electric shall have a coefficient of performance (COP) heating, not less than the values in Table 5-7. Heat Pumps with supplementary backup heat other than electricity shall meet the requirements of Table 5-7.~~

503.4.2.1: ~~These requirements apply to, but are not limited to, unitary (central) heat pumps (air source and water source) in the heating mode, water source (hydronic) heat pumps as used in multiple unit hydronic HVAC systems, and heat pumps in the packaged terminal air conditioner in the heating mode.~~

503.4.2.3 Supplementary Heater: ~~The heat pump shall be installed with a control to prevent supplementary backup heater operation when the operating load can be met by the heat pump compression cycle alone.~~

503.4.2.4 Heat Pump Controls: ~~Requirements for heat pump controls are listed in section 503.8.3.5 of this Code.~~

503.4.3 HVAC System Combustion Equipment: ~~For Group R Occupancy, all gas, oil, and propane central heating systems shall have a minimum AFUE of 0.78*. All other Group R Occupancy heating equipment fueled by gas, oil, or propane shall be equipped with an intermittent ignition device, or shall comply with the efficiencies as required in the 1987 National Appliances Energy Conservation Act (Public Law 100-12).~~

~~*HVAC Heating system efficiency trade offs shall be made using Chapters 4 or 6 of this Code.~~

503.4.4 Packaged and Unitary HVAC System Equipment, Electrically Operated, Cooling Mode: ~~HVAC system equipment as listed below, whose energy input in the cooling mode is entirely electric, shall have an energy efficiency ratio (EER) or a seasonal energy efficiency ratio (SEER) cooling not less than values in Table 5-8.~~

503.4.4.1: ~~These requirements apply to, but are not limited to, unitary (central) and packaged terminal heat pumps (air source and water source); packaged terminal air conditioners.~~

503.4.5 Other HVAC Equipment: ~~HVAC equipment, other than that addressed in Sections 503.4.2 through 503.4.4, shall have a minimum performance at the specified rating conditions not less than the values shown in Tables 14-1 through 14-3.)~~

503.5 Reserved.

503.6 Balancing: The HVAC system design shall provide a means for balancing air and water systems. Balancing the system shall include, but not be limited to, dampers, temperature and pressure test connections and balancing valves.

503.7 Cooling with Outdoor Air (Economizer Cycle): Systems and equipment that provide mechanical cooling shall comply with Section 1413 and, as appropriate, Section 1423 or 1433.

503.8 Controls:

503.8.1 Temperature Control: Each system shall be provided with at least one adjustable thermostat for the regulation of temperature. Each thermostat shall be capable of being set by adjustment or selection of sensors as follows:

503.8.1.1: When used to control heating only: Fifty-five degrees to seventy-five degrees F.

503.8.1.2: When used to control cooling only: Seventy degrees to eighty-five degrees F.

503.8.1.3: When used to control both heating and cooling, it shall be capable of being set from fifty-five degrees to eighty-five degrees F and shall be capable of operating the system heating and cooling in sequence. The thermostat and/or control system shall have an adjustable deadband of not less than ten degrees F.

503.8.2 Humidity Control: If a system is equipped with a means for adding moisture to maintain specific relative humidities in space or zones, a humidistat shall be provided. Humidistats shall be capable of being set to prevent new energy from being used to produce space-relative humidity above thirty percent.

EXCEPTION: Special uses requiring different relative humidities may be permitted when approved by the building official.

503.8.3 Zoning for Temperature Control:

503.8.3.1 One- and Two-Family Dwellings: At least one thermostat for regulation of space temperature shall be provided for each separate system. In addition, a readily accessible manual or automatic means shall be provided to partially restrict or shut off the heating and/or cooling input to each zone or floor.

503.8.3.2 Multifamily Dwellings: For multifamily dwellings, each individual dwelling unit shall have at least one thermostat for regulation of space temperature. A readily accessible manual or automatic means shall be provided to partially restrict or shut off the heating and/or cooling input to each room. Spaces other than living units shall meet the requirements of 503.8.3.3.

503.8.3.3 Reserved.

503.8.3.4 Control Setback and Shut-off:

Residential Occupancy Groups. One- and Two-Family and Multifamily dwellings—The thermostat required in section 503.8.3.1 or section 503.8.3.2, or an alternate means such as a switch or clock, shall provide a readily accessible, manual or automatic means for reducing the energy required for heating and cooling during the periods of non-use or reduced need, such as, but not limited to unoccupied periods and sleeping hours. Lowering thermostat set points to reduce energy consumption of heating systems shall not cause energy to be expended to reach the reduced setting.

503.8.3.5 Heat Pump Controls: Programmable thermostats are required for all heat pump systems. The cut-on temperature for the compression heating shall be higher than the cut-on temperature for the supplementary heat, and the cut-off temperature for the compression heating shall be higher than the cut-off temperature for the supplementary heat. Heat pump thermostats will be capable of providing at least two programmable setback periods per day. The automatic setback thermostat shall have the capability of limiting the use of supplemental heat during the warm-up period.

503.9 Air Handling Duct System Insulation: Ducts, plenums and enclosures installed in or on buildings shall be thermally insulated per Table 5-11.

- EXCEPTIONS: Duct insulation (except where required to prevent condensation) is not required in any of the following cases:
1. When the heat gain or loss of the ducts, without insulation, will not increase the energy requirements of the building.
 2. Within the HVAC equipment.
 3. Exhaust air ducts.
 4. Supply or return air ducts installed in unvented crawl spaces with insulated walls, basements, or cellars in one-and two-family dwellings.

503.10 Duct Construction: All duct work shall be constructed in accordance with Standards RS-15, RS-16, RS-17, RS-18, RS-19 or RS-20, as applicable, and the Uniform Mechanical Code.

503.10.1 Leakage Testing: High-pressure and medium-pressure ducts shall be leak tested in accordance with the applicable standards in Chapter 7 of this Code with the rate of air leakage not to exceed the maximum rate specified in that standard.

503.10.2 Seams and Joints: All low-pressure supply and return, including enclosed stud bays or joist cavities/space used to transport air, shall be securely fastened and sealed with welds, gaskets, mastics (adhesives), mastic-plus-embedded-fabric systems or tapes installed in accordance with the manufacturer's installation instructions. Tapes and mastics used with rigid fibrous glass ducts shall be listed and labeled in accordance with UL 181A. Tapes and mastics used with flexible air ducts shall be listed and labeled in accordance with UL 181B. Duct tape is not permitted as a sealant on any ducts.

EXCEPTION: Ducts or building cavities used for air distribution that are located entirely within the conditioned space of the building are exempt from this section.

503.10.3 Dampers: Requirements for Automatic or manual dampers are found in the Washington State Ventilation and Indoor Air Quality Code.

503.10.4 Duct Insulation: Ducts shall meet the insulation requirements specified in Table 5-11.

503.11 Pipe Insulation: All piping shall be thermally insulated in accordance with Table 5-12.

EXCEPTION: Piping installed within unitary HVAC equipment.

Cold water pipes outside the conditioned space shall be insulated in accordance with the Washington State Plumbing Code (chapter 51-46 WAC).

AMENDATORY SECTION (Amending WSR 01-03-010, filed 1/5/01, effective 7/1/01)

WAC 51-11-0601 Scope.

601.1 General: This chapter establishes design criteria in terms of prescribed requirements for building construction.

The provisions of this chapter are applicable to all Group R Occupancies. Occupancies shall comply with all the requirements of Chapter 5 except for the modifications herein specified.

For wood frame assemblies, the building envelope requirements of this chapter may be met by installing one of

the prescriptive packages in ((Tables 6-1 to 6-6)) Table 6-1 or 6-2. Installed components shall meet the requirements of section 602. Compliance with nominal R-Values shall be demonstrated for the thermal resistance of the added insulation in framing cavities and/or insulated sheathing only and shall not include the thermal transmittance of other building materials or air films, but shall permit interruption by occasional framing members. Other than wood frame assemblies with continuous insulation uninterrupted by framing shall also be allowed to comply with nominal R-values.

For metal frame assemblies, compliance shall be demonstrated in accordance with Chapter 4 or Chapter 5 based on the assemblies in Chapter 10. Compliance with nominal R-values is not allowed, unless the full nominal R-value of the insulation is installed either inside or outside of the framing and is uninterrupted by framing.

AMENDATORY SECTION (Amending WSR 98-03-003, filed 1/8/98, effective 7/1/98)

WAC 51-11-0602 Building envelope requirements for Group R Occupancy.

602.1 Roof/Ceiling: Ceilings below vented attics and single-rafter, joist-vaulted ceilings shall be insulated to not less than the nominal R-value specified for ceilings in ((Tables 6-1 to 6-6)) Table 6-1 or 6-2 as applicable.

602.2 Exterior Walls Both Above and Below Grade: Above grade exterior walls shall be insulated to not less than the nominal R-value specified in ((Tables 6-1 to 6-6)) Table 6-1 or 6-2 as applicable. The following walls should be considered to meet ((R-19)) R-21 without additional documentation:

1. 2 x 6 framed and insulated with ((R-19)) R-21 fiberglass batts.
2. 2 x 4 framed and insulated with ((R-13)) R-15 fiberglass batts plus ((R-3-2)) R-4.0 foam sheathing.
3. 2 x 4 framed and insulated with ((R-11)) R-13 fiberglass batts plus R-5.0 foam sheathing.

602.3 Exterior Walls (Below Grade): Below grade exterior walls surrounding conditioned space shall be insulated to not less than the nominal R-value specified for below grade walls in ((Tables 6-1 to 6-6)) Table 6-1 or 6-2 as applicable.

602.4 Slab-on-grade Floors: Slab-on-grade floors shall be insulated along their perimeter to not less than the nominal R-values specified for slab-on-grade floors in ((Tables 6-1 to 6-6)) Table 6-1 or 6-2 as applicable. Slab insulation shall be installed in compliance with section 502.1.4.8. See Chapter 5, section 502.1.4.9, for additional requirements for radiant slab heating.

602.5 Floors Over Unconditioned Space: Floors over unconditioned spaces, such as vented crawl spaces, unconditioned basements, and parking garages shall be insulated to not less than the nominal R-value shown for floors over unconditioned spaces, in ((Tables 6-1 to 6-6)) Table 6-1 or 6-2.

PERMANENT

602.6 Exterior Doors: Doors shall comply with Sections 602.6.1 and 602.6.2.

- EXCEPTIONS:
1. Doors whose area and U-factor are included in the calculations for compliance with the requirements for glazing in section 602.7 shall be exempt from the door U-factor requirements prescribed in ((Tables 6-1 to 6-6)) Table 6-1 or 6-2.
 2. One unlabeled or untested exterior swinging door with the maximum area of 24 square feet may be installed for ornamental, security or architectural purposes. Products using this exception shall not be included in either the U-factor or glazing area calculation requirements.

602.6.1 Exterior Door Area: For half-lite and full-lite doors, the glazing area shall be included in calculating the allowed total glazing area in Section 602.7.1. Single glazing used for ornamental, security or architectural purposes shall be calculated using the exception to Section 602.7.2.

602.6.2 Exterior Door U-Factor: Doors, including fire doors, shall have a maximum area weighted average U-factor not exceeding that prescribed in ((Tables 6-1 to 6-6)) Table 6-1 or 6-2.

602.7 Glazing:

602.7.1 Glazing Area: The total glazing area as defined in Chapter 2 shall not exceed the percentage of gross conditioned floor area specified in ((Tables 6-1 to 6-6)) Table 6-1 or 6-2. This area shall also include any glazing in doors.

602.7.2 Glazing U-Factor: The total glazing area as defined in Chapter 2 shall have an area weighted average U-factor not to exceed that specified in ((Tables 6-1 to 6-6)) Table 6-1 or 6-2. U-factors for glazing shall be determined in accordance with section 502.1.5. These areas and U-factors shall also include any doors using the exception of section 602.6.

If the U-factors for all vertical and overhead glazing products are below the appropriate U-factor specified, then no calculations are required. If compliance is to be achieved through an area weighted calculation, then the areas and U-factors shall be included in the plans submitted with a building permit application.

EXCEPTION: Single glazing for ornamental, security, or architectural purposes and double glazed garden windows with a wood or vinyl frame shall be exempt from the U-factor calculations but shall have its area ((double)) tripled and shall be included in the percentage of the total glazing area as allowed for in ((Tables 6-1 to 6-6)) Table 6-1 or 6-2. The maximum area (before ((doubling)) tripling) allowed for the total of all single glazing and garden windows is one percent of the floor area.

602.8 Air Leakage For Group R Occupancy: The minimum air leakage control measures shall be as specified in section 502.4 as applicable.

AMENDATORY SECTION (Amending WSR 94-05-059, filed 2/10/94, effective 4/1/94)

WAC 51-11-0603 Building mechanical systems for Group R Occupancy.

603.1: Group R Occupancies that are space heated by air-to-air, ground-to-air, or water-to-air heat pumps shall comply with ((Table 6-2 or 6-4 or 6-6 for other fuels)) Table 6-1 or 6-2. System sizing shall be determined by an analysis consistent with section 503.2 of this Code, or, when approved by the building official, Chapter 9. All mechanical equipment efficiencies and service water heating system efficiencies shall comply with standards as stated in sections 503 and 504 of this Code.

AMENDATORY SECTION (Amending WSR 01-03-010, filed 1/5/01, effective 7/1/01)

¹ Reference Case
^{2, 3} Nominal R-values are for wood frame assemblies only or assemblies built in accordance with Section 601.1.
⁴ Minimum requirements for each option listed. For example, if a proposed design has a glazing ratio to the conditioned floor area of 19%, it shall comply with all of the requirements of the 21% glazing option (or higher). Proposed designs which cannot meet the specific requirements of a listed option above may calculate compliance by Chapters 4 or 5 of this Code.
⁵ Requirement applies to all ceilings except single rafter or joist vaulted ceilings. 'Adv' denotes Advanced Framed Ceiling.

PERMANENT

- 3. Requirement applicable only to single rafter or joist vaulted ceilings.
- 4. Below grade walls shall be insulated either on the exterior to a minimum level of R-10, or on the interior to the same level as walls above grade. Exterior insulation installed on below grade walls shall be a water resistant material, manufactured for its intended use, and installed according to the manufacturer's specifications. See Section 602.2.
- 5. Floors over crawl spaces or exposed to ambient air conditions.
- 6. Required slab perimeter insulation shall be a water resistant material, manufactured for its intended use, and installed according to manufacturer's specifications. See Section 602.4.
- 7. The following options shall be applicable to buildings less than three stories: 0.35 maximum for glazing areas of 25% or less; 0.32 maximum for glazing areas of 30% or less.
- 8. This wall insulation requirement denotes R-19 wall cavity insulation plus R-5 foam sheathing.
- 9. Doors, including all fire doors, shall be assigned default U-factors from Table 10-6C.
- 10. Where a maximum glazing area is listed, the total glazing area (combined vertical plus overhead) as a percent of gross conditioned floor area shall be less than or equal to that value. Overhead glazing with U-factor of U=0.040 or less is not included in glazing area limitations.
- 11. Overhead glazing shall have U-factors determined in accordance with NFRC 100 or as specified in Section 502.1.5.)

0. Nominal R-values are for wood frame assemblies only or assemblies built in accordance with Section 601.1.

1. Minimum requirements for each option listed. For example, if a proposed design has a glazing ratio to the conditioned floor area of 13%, it shall comply with all of the requirements of the 15% glazing option (or higher). Proposed designs which cannot meet the specific requirements of a listed option above may calculate compliance by Chapters 4 or 5 of this Code.

2. Requirement applies to all ceilings except single rafter or joist vaulted ceilings. 'Adv' denotes Advanced Framed Ceiling.

3. Requirement applicable only to single rafter or joist vaulted ceilings.

4. Below grade walls shall be insulated either on the exterior to a minimum level of R-10, or on the interior to the same level as walls above grade. Exterior insulation installed on below grade walls shall be a water resistant material, manufactured for its intended use, and installed according to the manufacturer's specifications. See Section 602.2.

5. Floors over crawl spaces or exposed to ambient air conditions.

6. Required slab perimeter insulation shall be a water resistant material, manufactured for its intended use, and installed according to manufacturer's specifications. See Section 602.4.

7. Int. denotes standard framing 16 inches on center with headers insulated with a minimum of R-5 insulation.

8. This wall insulation requirement denotes R-19 wall cavity insulation plus R-5 foam sheathing.

9. Doors, including all fire doors, shall be assigned default U-factors from Table 10-6C.

10. Where a maximum glazing area is listed, the total glazing area (combined vertical plus overhead) as a percent of gross conditioned floor area shall be less than or equal to that value. Overhead glazing with U-factor of U=0.40 or less is not included in glazing area limitations.

11. Overhead glazing shall have U-factors determined in accordance with NFRC 100 or as specified in Section 502.1.5.

12. Log and solid timber walls with a minimum average thickness of 3.5" are exempt from this insulation requirement.

- * Reference Case
- 1 For Group R Occupancy use Table 6-5 for only the portion of floor area using log/solid timber walls. Use Tables 6-1 to 6-4 for all other portions of the floor area. Minimum requirements are for each option listed. Interpolations between options is not permitted. Proposed designs which cannot meet the specific requirements of a listed option above may calculate compliance by Chapters 4 or 5 of this Code.
- 2 Required minimum average log thickness.
- 3 'Adv' denotes Advanced Framing. Requirement applies to all ceilings except single rafter joist vaulted ceilings.
- 4 Requirement applicable only to single rafter joist vaulted ceilings.
- 5 Floors over crawl spaces or exposed to ambient air conditions.
- 6 Required slab perimeter insulation shall be water resistant material, manufactured for its intended use, and installed according to manufacturer's specifications.
- 7 These options shall be applicable to buildings less than three stories.
- 8 Doors, including all fire doors, shall be assigned default U factors from Table 10-6C or 10-6D.
- 9 Where a maximum glazing area is listed, the total glazing area (combined vertical plus overhead) as a percent of gross conditioned floor area shall be less than or equal to that value. Overhead glazing with U factor of U=0.040 or less is not included in glazing area limitations.
- 10. Overhead glazing shall have U factors determined in accordance with NFRC 100 or as specified in Section 502.1.5.)

- * Reference Case
- ** Nominal R-values are for wood frame assemblies only or assemblies built in accordance with Section 601.1.
- 1 Minimum requirements for each option listed. For example, if a proposed design has a glazing ratio to the conditioned floor area of 19%, it shall comply with all of the requirements of the 21% glazing option (or higher). Proposed designs which cannot meet the specific requirements of a listed option above may calculate compliance by Chapters 4 or 5 of this Code.
- 2 Requirement applies to all ceilings except single rafter or joist vaulted ceilings. 'Adv' denotes Advanced Framed Ceiling.
- 3 Requirement applicable only to single rafter or joist vaulted ceilings.
- 4 Below grade walls shall be insulated either on the exterior to a minimum level of R-10, or on the interior to the same level as walls above grade. Exterior insulation installed on below grade walls shall be a water-resistant material, manufactured for its intended use, and installed according to the manufacturer's specifications. See Section 602.2.
- 5 Floors over crawl spaces or exposed to ambient air conditions.
- 6 Required slab perimeter insulation shall be a water resistant material, manufactured for its intended use, and installed according to manufacturer's specifications. See Section 602.4.
- 7 The following options shall be applicable to buildings less than three stories: 0.50 maximum for glazing areas of 25% or less; 0.45 maximum for glazing areas of 30% or less.
- 8 The following options shall be applicable to buildings less than three stories: 0.45 maximum for glazing areas of 25% or less; 0.40 maximum for glazing areas of 30% or less.
- 9 Minimum HVAC Equipment efficiency requirement. 'Low' denotes an AFUE of 0.74. 'Med.' denotes an AFUE of 0.78. 'High' denotes an AFUE of 0.88. Minimum HVAC Equipment efficiency requirement for heat pumps. 'Low' denotes an HSPF of 6.35. 'Med' denotes an HSPF of 6.8. 'High' an HSPF of 7.7. Water and ground source heat pumps shall be considered as medium efficiency and have a minimum COP as required in Table S-7.
- 10 Doors, including all fire doors, shall be assigned default U-factors from Table 10-6C.
- 11 Log and solid timber walls with a minimum average thickness of 3.5" are exempt from this insulation requirement.
- 12. Where a maximum glazing area is listed, the total glazing area (combined vertical plus overhead) as a percent of gross conditioned floor area shall be less than or equal to that value. Overhead glazing with U-factor of U=0.040 or less is not included in glazing area limitations.
- 13. Overhead glazing shall have U-factors determined in accordance with NFRC 100 or as specified in Section 502.1.5.)

PERMANENT

AMENDATORY SECTION (Amending WSR 95-01-126, filed 12/21/94, effective 6/30/95)

WAC 51-11-0900 Section 0900—Prescriptive heating system sizing. When using the prescriptive approach in Chapter 6, if approved by the building official, design heat load calculations are not required to show compliance to this Code if the heating system installed is equal to or less than the following:

Climate Zone 1	<u>20 Btu/h•ft²</u>
((Electric Resistance	<u>21 Btu/h•ft²</u>
Electric Resistance (Forced Air)	<u>24 Btu/h•ft²</u>
Other Fuels (Forced Air)	<u>27 Btu/h•ft²</u>))
Climate Zone 2	<u>25 Btu/h•ft²</u>
((Electric Resistance	<u>29 Btu/h•ft²</u>
Electric Resistance (Forced Air)	<u>32 Btu/h•ft²</u>
Other Fuels (Forced Air)	<u>39 Btu/h•ft²</u>))

Example: A ((1500)) 2000 ft² house in Zone ((±)) 2, heated with gas, would not have to submit a design heat load if the proposed furnace is ((40,500)) 50,000 Btu or less.

((1500 x 27= 40,500)) 2000 x 25 = 50,000

Disclaimer: All heating systems shall be designed and installed in accordance with Uniform Building Code Section 310.11.

AMENDATORY SECTION (Amending WSR 01-03-010, filed 1/5/01, effective 7/1/01)

WAC 51-11-1006 Section 1006 Default U-factors for glazing and doors.

1006.1 Glazing and Doors without NFRC Certification: Glazing and doors that do not have NFRC certification shall be assigned the following U-factors:

TABLE 10-6
Other than Group R Occupancy: DEFAULT U-FACTORS FOR VERTICAL GLAZING, OVERHEAD GLAZING AND OPAQUE DOORS

Vertical Glazing	U-Factor	
	Any Frame	Vinyl/Wood Frame
Single	1.45	1.45
Double	0.90	0.75
1/2 Inch Air, Fixed	0.75	0.60
1/2 Inch Air, Low-e ^(0.40) , Fixed	0.60	0.50
1/2 Inch Argon, Low-e ^(0.10) , Fixed	0.50	0.40

Overhead Glazing	U-Factor	
	Any Frame	Vinyl/Wood Frame
Single	2.15	2.15
Double	1.45	1.00

Overhead Glazing		
	U-Factor	
	Any Frame	Vinyl/Wood Frame
Low-e ^(0.40) or Argon	1.40	0.95
Low-e ^(0.40) + Argon	1.30	0.85
Low-e ^(0.20) Air	1.30	0.90
Low-e ^(0.20) + Argon	1.25	0.80
Triple	1.25	0.80

Opaque Doors	
	U-Factor
Wood	0.50

Notes:

- Where a gap width is listed (i.e.: 1/2 inch), that is the minimum allowed.
- Where a low-emissivity emittance is listed (i.e.: 0.40, 0.20, 0.10), that is the maximum allowed.
- Where a gas other than air is listed (i.e.: Argon), the gas fill shall be a minimum of 90%.
- Where an operator type is listed (i.e.: Fixed), the default is only allowed for that operator type.
- Where a frame type is listed (i.e.: Wood/vinyl), the default is only allowed for that frame type. Wood/vinyl frame includes reinforced vinyl and aluminum-clad wood.

Opaque Doors	
	U-Factor
Uninsulated Metal	1.20
Insulated Metal (Including Fire Door and Smoke Vent)	0.60

- 1 <1/2"= a minimum dead air space of less than 0.5 inches between the panes of glass.
≥ 1/2"= a minimum dead air space of 0.5 inches or greater between the panes of glass.
Where no gap width is listed, the minimum gap width is 1/4".
- 2 Any low-e (emissivity) coating (0.1, 0.2 or 0.4).
- 3 U-factors listed for argon shall consist of sealed, gas-filled insulated units for argon, CO2, SF6, argon/SF6 mixtures and Krypton.
- 4 "Glass block" assemblies may use a U-factor of 0.51.
- 5 Insulated fiberglass framed products shall use wood/vinyl U-factors.
- 6 Aluminum clad wood windows shall use the U-factors listed for wood/vinyl windows.

PERMANENT

- 7 Aluminum Thermal Break= An aluminum thermal break framed window shall incorporate the following minimum design characteristics:
- a) The thermal conductivity of the thermal break material shall be not more than 3.6 Btu-in/h/ft²/°F;
 - b) The thermal break material must produce a gap in the frame material of not less than 0.210 inches; and,
 - c) All metal framing members of the products exposed to interior and exterior air shall incorporate a thermal break meeting the criteria in a) and b) above.

Triple, Low-e1 1/2"+ argon	0.51	0.37	0.29	0.31

Footnotes to Table 10-6B

- 1 Subtract 0.02 from the listed default U-factor for non-aluminum spacer. Acceptable spacer materials may include but is not limited to fiberglass, wood and butyl or other material with an equivalent thermal performance.
- 2 1/4"= a minimum dead air space of 0.25 inches between the panes of glass.
3/8"= a minimum dead air space of 0.375 inches between the panes of glass.
1/2"= a minimum dead air space of 0.5 inches between the panes of glass.
Product with air spaces different than those listed above shall use the value for the next smaller air space; i.e. 3/4 inch= 1/2 inch U-factors, 7/16 inch= 3/8 inch U-factors, 5/16 inch= 1/4 inch U-factors.
- 3 Low-e4 (emissivity) shall be 0.4 or less.
Low-e2 (emissivity) shall be 0.2 or less.
Low-e1 (emissivity) shall be 0.1 or less.
- 4 U-factors listed for argon shall consist of sealed, gas-filled insulated units for argon, CO2, SF6, and argon/SF6 mixtures. The following conversion factor shall apply to Krypton gas-filled units: 1/4" or greater with krypton is equivalent to 1/2" argon.
- 5 ~~((Dividers placed between glazing: The U-factor listed shall be used where the divider has a minimum gap of 1/8 inch between the divider and lite of each inside glass surface. Add 0.03 to the listed U-factor for True Divided Lite windows.))~~ Reserved.
- 6 "Glass block" assemblies may use a U-factor of 0.51.
- 7 Insulated fiberglass framed products shall use wood/vinyl U-factors.
- 8 Subtract 0.02 from the listed default values for solariums.
- 9 Aluminum Thermal Break= An aluminum thermal break framed window shall incorporate the following minimum design characteristics:
 - a) The thermal conductivity of the thermal break material shall be not more than 3.6 Btu-in/h/ft²/F°;
 - b) The thermal break material must produce a gap in the frame material of not less than 0.210 inches; and,
 - c) All metal framing members of the products exposed to interior and exterior air shall incorporate a thermal break meeting the criteria in a) and b) above.
- 10 Aluminum clad wood windows shall use the U-factors listed for Aluminum Clad Wood/Reinforced Vinyl windows. Vinyl clad wood window shall use the U-factors listed for Wood/Vinyl windows. Any vinyl frame window with metal reinforcement in more than one rail shall use the U-factors listed for Aluminum Clad Wood/Reinforced Vinyl window.

PERMANENT

1. U-factors are applicable to both glass and plastic, flat and domed units, all spacers and gaps.
2. Emissivities shall be less than or equal to the value specified.
3. Gap fill shall be assumed to be air unless there is a minimum of 90% argon or krypton.
4. Aluminum frame with thermal break is as defined in footnote 9 to Table 10-6B.

AMENDATORY SECTION (Amending WSR 93-21-052, filed 10/18/93, effective 4/1/94)

WAC 51-11-1401 Scope. This section covers the determination of requirements, system and component performance, control requirements and duct construction.

~~((EXCEPTION: Special applications, including but not limited to hospitals, laboratories, thermally sensitive equipment, and rooms designed to comply with the special construction and fire protection requirements of NFPA 75, "Standard for the Protection of Electronic Computer/Data Processing Equipment" may be exempt from the requirements of this section when approved by the building official. Exemptions shall be specific on a case by case basis and allowed only to the extent necessary to accommodate the special applications.))~~

AMENDATORY SECTION (Amending WSR 01-03-010, filed 1/5/01, effective 7/1/01)

WAC 51-11-1411 HVAC equipment performance requirements.

1411.1 General: Equipment shall have a minimum performance at the specified rating conditions not less than the values shown in Tables 14-1A through ~~((14-3))~~ 14-1G. If a nationally recognized certification program exists for a product covered in Tables 14-1A through ~~((14-3))~~ 14-1G, and it includes provisions for verification and challenge of equipment efficiency ratings, then the product shall be listed in the certification program.

Gas-fired and oil-fired forced air furnaces with input ratings \geq 225,000 Btu/h (65 kW) shall also have an intermittent ignition or interrupted device (IID), and have either mechanical draft (including power venting) or a flue damper. A vent damper is an acceptable alternative to a flue damper for furnaces where combustion air is drawn from the conditioned space. All furnaces with input ratings \geq 225,000 Btu/h (65 kW), including electric furnaces, that are not located within the conditioned space shall have jacket losses not exceeding 0.75% of the input rating.

1411.2 Rating Conditions: Cooling equipment shall be rated at ARI test conditions and procedures when available. Where no applicable procedures exist, data shall be furnished by the equipment manufacturer.

1411.3 Combination Space and Service Water Heating: For combination space and service water heaters with a principal function of providing space heat, the Combined Annual Efficiency (CAE) may be calculated by using ASHRAE Standard 124-1991. Storage water heaters used in combination space heat and water heat applications shall have either an Energy Factor (EF) or a Combined Annual Efficiency (CAE) of not less than the following:

	Energy Factor (EF)	Combined Annual Efficiency (CAE)
< 50 gallon storage	0.58	0.71
50 to 70 gallon storage	0.57	0.71
> 70 gallon storage	0.55	0.70

1411.4 Packaged Electric Heating and Cooling Equipment: Packaged electric equipment providing both heating and cooling with a total cooling capacity greater than 20,000 Btu/h shall be a heat pump.

EXCEPTION: Unstaffed equipment shelters or cabinets used solely for personal wireless service facilities.

AMENDATORY SECTION (Amending WSR 01-03-010, filed 1/5/01, effective 7/1/01)

WAC 51-11-1412 Controls.

1412.1 Temperature Controls: Each system shall be provided with at least one temperature control device. Each zone shall be controlled by individual thermostatic controls responding to temperature within the zone. At a minimum, each floor of a building shall be considered as a separate zone.

1412.2 Deadband Controls: When used to control both comfort heating and cooling, zone thermostatic controls shall be capable of a deadband of at least 5 degrees F within which the supply of heating and cooling energy to the zone is shut off or reduced to a minimum.

- EXCEPTIONS:
1. Special occupancy, special usage, or code requirements where deadband controls are not appropriate.
 2. Buildings complying with Section 1141.4, if in the proposed building energy analysis, heating and cooling thermostat setpoints are set to the same temperature between 70 degrees F and 75 degrees F inclusive, and assumed to be constant throughout the year.
 3. Thermostats that require manual changeover between heating and cooling modes.

1412.3 Humidity Controls: If a system is equipped with a means for adding moisture, a humidistat shall be provided.

1412.4 Setback and Shut-Off: HVAC systems shall be equipped with automatic controls capable of accomplishing a reduction of energy use through control setback or equipment shutdown during periods of non-use or alternate use of the spaces served by the system. The automatic controls shall have a minimum seven-day clock and be capable of being set for seven different day types per week.

- EXCEPTIONS:
1. Systems serving areas which require continuous operation at the same temperature setpoint.
 2. Equipment with full load demands of 2 Kw (6,826 Btu/h) or less may be controlled by readily accessible manual off-hour controls.

1412.4.1 Dampers: Outside air intakes, exhaust outlets and relief outlets serving conditioned spaces shall be equipped with motorized dampers which close automatically when the system is off or upon power failure.

- EXCEPTIONS:
1. Systems serving areas which require continuous operation.
 2. Combustion air intakes.
 3. Gravity (nonmotorized) dampers are acceptable in buildings less than 3 stories in height.
 4. Gravity (nonmotorized) dampers are acceptable in exhaust and relief outlets in the first story and levels below the first story of buildings three or more stories in height.

Dampers installed to comply with this section, including dampers integral to HVAC equipment, shall have a maxi-

PERMANENT

imum leakage rate when tested in accordance with AMCA Standard 500 of:

(a) Motorized dampers: 10 cfm/ft² of damper area at 1.0 in w.g.

(b) Nonmotorized dampers: 20 cfm/ft² of damper area at 1.0 in w.g., except that for nonmotorized dampers smaller than 24 inches in either dimension: 40 cfm/ft² of damper area at 1.0 in w.g.

Drawings shall indicate compliance with this section.

1412.4.2 **Optimum Start Controls:** Heating and cooling systems with design supply air capacities exceeding 10,000 cfm shall have optimum start controls. Optimum start controls shall be designed to automatically adjust the start time of an HVAC system each day to bring the space to desired occupied temperature levels immediately before scheduled occupancy. The control algorithm shall, as a minimum, be a function of the difference between space temperature and occupied setpoint and the amount of time prior to scheduled occupancy.

1412.5 **Heat Pump Controls:** Unitary air cooled heat pumps shall include microprocessor controls that minimize supplemental heat usage during start-up, set-up, and defrost conditions. These controls shall anticipate need for heat and use compression heating as the first stage of heat. Controls shall indicate when supplemental heating is being used through visual means (e.g., LED indicators).

1412.6 **Combustion Heating Equipment Controls:** Combustion heating equipment with a capacity over 225,000 Btu/h shall have modulating or staged combustion control.

EXCEPTIONS: Boilers.
Radiant heaters.

1412.7 **Balancing:** Each air supply outlet or air or water terminal device shall have a means for balancing, including but not limited to, dampers, temperature and pressure test connections and balancing valves.

AMENDATORY SECTION (Amending WSR 93-21-052, filed 10/18/93, effective 4/1/94)

WAC 51-11-1413 ((Air)) Economizers.

1413.1 **Operation:** Air economizers shall be capable of automatically modulating outside and return air dampers to provide 100 percent of the design supply air as outside air to reduce or eliminate the need for mechanical cooling. Air economizers shall be used for RS-29 analysis base case for all systems without exceptions in Sections 1413, 1423, or 1433. Water economizers shall be capable of providing the total concurrent cooling load served by the connected terminal equipment lacking airside economizer, at outside air temperatures of 45°F dry-bulb/40°F wet-bulb and below. For this calculation, all factors including solar and internal load shall be the same as those used for peak load calculations, except for the outside temperatures.

EXCEPTION: Water economizers using air-cooled heat rejection equipment may use a 35°F dry-bulb outside air temperature for this calculation. This exception is limited to a maximum of 20 tons per building.

1413.2 ~~((Control: Air economizers shall be controlled by a control system capable of determining if outside air can meet part or all of the building's cooling loads.))~~ **Documentation:** Water economizer plans submitted for approval shall include the following information:

1. Maximum outside air conditions for which economizer is sized to provide full cooling.

2. Design cooling load to be provided by economizer at this outside air condition.

3. Heat rejection and terminal equipment performance data including model number, flow rate, capacity, entering and leaving temperature in full economizer cooling mode.

1413.3 **Integrated Operation:** ~~((Building Heating Energy:))~~ The HVAC system and its controls shall allow economizer operation when mechanical cooling is required simultaneously. Air and water economizers shall be capable of providing partial cooling even when additional mechanical cooling is required to meet the remainder of the cooling load. ((Controls shall not preclude the economizer operation when mechanical cooling is required simultaneously.))

EXCEPTIONS: ~~((Economizers on individual, direct expansion, cooling systems with capacities not greater than 75,000 Btu/h may include controls that limit simultaneous operation of the economizer and mechanical cooling for the purpose of preventing ice formation on cooling coils.))~~

1. Individual, direct expansion units that have a rated capacity less than 65,000 Btu/h and use nonintegrated economizer controls that preclude simultaneous operation of the economizer and mechanical cooling.

2. Water-cooled water chillers.

1413.4 **Humidification:** If an air economizer is required on a cooling system for which humidification equipment is to be provided to maintain minimum indoor humidity levels, then the humidifier shall be of the adiabatic type (direct evaporative media or fog atomization type) that cools return air while humidifying outside air while in economizer. If a water economizer or no economizer is provided, the isothermal type of humidifier may be used (steam injection, gas, electric resistance or infrared generator type that uses new energy to boil moisture to be added).

EXCEPTION: Health care facilities where WAC 246-320-525 allows only steam injection humidifiers in ductwork downstream of final filters.

AMENDATORY SECTION (Amending WSR 01-03-010, filed 1/5/01, effective 7/1/01)

WAC 51-11-1423 Economizers. Economizers meeting the requirements of Section 1413 shall be installed on single package unitary fan-cooling units having a supply capacity of greater than 1,900 cfm or a total cooling capacity greater than 54,000 Btu/h including those serving computer server rooms, electronic equipment, radio equipment, telephone switchgear.

The total capacity of all units without economizers shall not exceed 240,000 Btu/h per building, or 10% of its aggregate cooling (economizer) capacity, whichever is greater. That portion of the equipment serving Group R occupancy is

not included in determining the total capacity of all units without economizers in a building.

AMENDATORY SECTION (Amending WSR 01-03-010, filed 1/5/01, effective 7/1/01)

WAC 51-11-1433 Economizers. Air economizers meeting the requirements of Section 1413 shall ~~((be installed on the following systems:))~~ be provided on all new systems including those serving computer server rooms, electronic equipment, radio equipment, telephone switchgear.

- ~~((a. Single package unitary fan-cooling units with a supply capacity of greater than 1,900 cfm or a total cooling capacity greater than 54,000 Btu/h.
b. Other individual fan-cooling units with a supply capacity of greater than 2,800 cfm or a total cooling capacity greater than 84,000 Btu/h.~~

The total capacity of all units without economizers shall not exceed 240,000 Btu/h per building, or 10% of its aggregate cooling (economizer) capacity, whichever is greater. That portion of the equipment serving Group R occupancy is not included in determining the total capacity of all units without economizers in a building.

EXCEPTIONS:

1. ~~Systems with air or evaporatively cooled condensers and that either one of the following can be demonstrated to the satisfaction of the enforcing agency:
a. Special outside air filtration and treatment, for the reduction and treatment of unusual outdoor contaminants, makes an air economizer infeasible.
b. The use of outdoor air cooling affects the operation of other systems (such as humidification, dehumidification, and supermarket refrigeration systems) so as to increase the overall building energy consumption.~~
2. ~~Systems for which at least 75 percent of the annual energy used for mechanical cooling is provided from site recovery or site solar energy source.~~
3. ~~A water economizer system, which is capable of cooling supply air by indirect evaporation. Such a system shall be designed and capable of being controlled to provide 100 percent of the expected system cooling load at outside air temperatures of 50 degrees F dry-bulb/45 degrees F wet-bulb and below. For this calculation, all factors including solar and internal load shall be the same as those used for peak load calculations, except for the outside air temperatures.)~~

EXCEPTIONS:

1. Single package unitary fan-cooling units installed outdoors or in a mechanical room adjacent to outdoors with a total cooling capacity less than 20,000 Btu/h. Other single package unitary fan-cooling units with a total cooling capacity less than 54,000 Btu/h. The total capacity of all such systems without economizers shall not exceed 240,000 Btu/h per building, or 10% of its air economizer capacity, whichever is greater. That portion of the equipment serving Group R occupancy is not included in determining the total capacity of all units without economizers in a building.
2. Water-cooled refrigeration equipment provided with a water economizer meeting the requirements of Section 1413. Water economizer capacity per building shall not exceed 500 tons. This exception shall not be used for RS-29 analysis.
3. Systems for which at least 75% of the annual energy used for mechanical cooling is provided from site-recovery or site-solar energy source.
4. Systems where special outside air filtration and treatment, for the reduction and treatment of unusual outdoor contaminants, makes an air economizer infeasible.

5. Systems that affect other systems (such as dehumidification and supermarket refrigeration systems) so as to increase the overall building energy consumption. New humidification equipment shall comply with Section 1413.4.

AMENDATORY SECTION (Amending WSR 93-21-052, filed 10/18/93, effective 4/1/94)

WAC 51-11-1437 Electric motor efficiency. Design A & B squirrel-cage, T-frame induction permanently wired polyphase motors of 1 hp or more having synchronous speeds of 3,600, 1,800 and 1,200 rpm shall have a nominal full-load motor efficiency no less than the corresponding values for energy efficient motors provided in Table 14-4.

EXCEPTIONS:

1. Motors used in systems designed to use more than one speed of a multi-speed motor.
2. Motors used as a component of the equipment meeting the minimum equipment efficiency requirements of Section 1411 and Tables 14-1A ~~((and 14-2))~~ through 14-1G provided that the motor input is included when determining the equipment efficiency.
3. Motors that are an integral part of specialized process equipment.
4. Where the motor is integral to a listed piece of equipment for which no complying motor has been approved.

AMENDATORY SECTION (Amending WSR 98-03-003, filed 1/8/98, effective 7/1/98)

WAC 51-11-1452 ~~((Reserved))~~ Pool water heaters. Heat pump pool heaters shall have a minimum COP of 4.0 determined in accordance with ASHRAE Standard 146, Method of Testing for Rating Pool Heaters. Other pool heating equipment shall comply with the applicable efficiencies in Tables 14-1A through 14-1G.

AMENDATORY SECTION (Amending WSR 01-03-010, filed 1/5/01, effective 7/1/01)

WAC 51-11-1454 Pool covers. Heated pools shall be equipped with a vapor retardant pool cover on or at the water surface. Pools heated to more than 90 degrees F shall have a pool cover with a minimum insulation value of R-12.

^b Cap means the rated cooling capacity of the product in Btu/h. If the unit's capacity is less than 7000 Btu/h, use 7000 Btu/h in the calculation. If the unit's capacity is greater than 15,000 Btu/h, use 15,000 Btu/h in the calculation.

^c Replacement units must be factory labeled as follows: "MANUFACTURED FOR REPLACEMENT APPLICATIONS ONLY; NOT TO BE INSTALLED IN NEW CONSTRUCTION PROJECTS." Replacement efficiencies apply only to units with existing sleeves less than 16-in. high and less than 42-in. wide.

^d Casement room air conditioners are not separate product classes under current minimum efficiency column.

^e New room air conditioner standards, covered by NAECA became effective October 1, 2000.

- Alternative Insulation Types. Insulation thicknesses in Table 14-6 are based on insulation with thermal conductivities within the range listed in Table 14-6 for each fluid operating temperature range, rated in accordance with ASTM C 335-84 at the mean temperature listed in the table. For insulation that has a conductivity outside the range shown in Table 14-6 for the applicable fluid operating temperature range at the mean rating temperature shown (when rounded to the nearest 0.01 Btu • in./ (h • ft² • °F)), the minimum thickness shall be determined in accordance with the following equation:

$$T = PR \left[\left(\left(1 + \frac{1}{PR} \right)^{K/k} - 1 \right) \right]$$

Where

T = Minimum insulation thickness for material with conductivity K, inches.
PR = Pipe actual outside radius, inches[.]

PERMANENT

- t = Insulation thickness from Table 14-6, inches
 - K = conductivity of alternate material at the mean rating temperature indicated in Table 14-6 for the applicable fluid temperature range, Btu • in. / (h • ft² • °F)
 - k = the lower value of the conductivity range listed in Table 14-6 for the applicable fluid temperature range, Btu • in. / (h • ft² • °F)
2. Runouts to individual terminal units not exceeding 12 ft. in length.

Reviser's note: The brackets and enclosed material in the text of the above section occurred in the copy filed by the agency and appear in the Register pursuant to the requirements of RCW 34.08.040.

**WSR 02-01-113
PERMANENT RULES
BUILDING CODE COUNCIL**

[Filed December 18, 2001, 3:47 p.m., effective July 1, 2002]

Date of Adoption: November 9, 2001.

Purpose: To clarify the State Building Code Council procedure for requesting a reconsideration of rules.

Citation of Existing Rules Affected by this Order: Amending WAC 51-04-040.

Statutory Authority for Adoption: RCW 19.27.035.

Other Authority: Chapters 19.27 and 34.05 RCW.

Adopted under notice filed as WSR 01-16-121 on July 31, 2001.

Changes Other than Editing from Proposed to Adopted Version: The amount of time elapsed before the petition is deemed denied was changed from twenty to sixty days.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 1, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 1, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 1, Repealed 0.

Effective Date of Rule: July 1, 2002.

December 18, 2001

Tim Nogler
for Jim Lewis
Council Chair

AMENDATORY SECTION (Amending WSR 90-02-108, filed 1/3/90, effective 2/3/90)

WAC 51-04-040 Reconsideration. Any party proposing a statewide or local government amendment to the building code may, upon denial of the amendment by the council, file a petition for reconsideration (~~in accordance with RCW 34.05.470~~).

Within ten days of a building code council vote to deny a statewide or local government amendment, any party may

file a petition for reconsideration, stating the specific justification for rule adoption or local amendment. The petition shall be filed with the State Building Code Council, P.O. Box 48300, Olympia, Washington 98504.

The council is deemed to have denied the petition for reconsideration if, within sixty days from the date the petition is filed, the council does not either:

(1) Dispose of the petition; or

(2) Serve the parties with a written notice specifying the date by which it will act on the petition.

Unless the petition is deemed denied, the petition shall be disposed of by the council with recommendations from the same committee or committees that considered the proposed rule or local amendment. The disposition shall be in the form of a written notice denying the petition, granting the petition and refiling the rule-making order or approving the local amendment, or granting the petition and setting the matter for further hearings.

**WSR 02-01-114
PERMANENT RULES
BUILDING CODE COUNCIL**

[Filed December 18, 2001, 3:48 p.m., effective July 1, 2002]

Date of Adoption: November 9, 2001.

Purpose: To adopt, with state amendments, the 2000 Edition of the Uniform Plumbing Code published by the International Association of Plumbing and Mechanical Officials.

Citation of Existing Rules Affected by this Order: Repealing chapters 51-46 and 51-47 WAC; and new chapters 51-56 and 51-57 WAC.

Statutory Authority for Adoption: RCW 19.27.031, 19.27.074.

Adopted under notice filed as WSR 01-16-122 on July 31, 2001.

Changes Other than Editing from Proposed to Adopted Version: 1. UPC Chapter 15, Firestop Protection for DWV and Stormwater Applications, filed as WAC 51-56-201300 (Appendix M), is not adopted.

2. UPC Chapter 11, Storm Drainage, filed as WAC 51-56-1500 (Chapter 15), is moved and adopted as an appendix chapter, WAC 51-56-201300 (Appendix M).

3. Reference to Underwriters Laboratories standards in Chapter 14 were updated as applicable.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 2, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 5, Amended 0, Repealed 0.

PERMANENT

Number of Sections Adopted on the Agency's Own Initiative: New 10, Amended 0, Repealed 90.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 24, Amended 0, Repealed 90.

Effective Date of Rule: July 1, 2002.

Chapter 51-56 WAC

STATE BUILDING CODE ADOPTION AND AMENDMENT OF THE 2000 EDITION OF THE UNIFORM PLUMBING CODE

NEW SECTION

WAC 51-56-001 Authority. These rules are adopted under the authority of chapter 19.27 RCW.

NEW SECTION

WAC 51-56-002 Purpose. The purpose of these rules is to implement the provisions of chapter 19.27 RCW, which provides that the state building code council shall maintain the State Building Code in a status which is consistent with the purpose as set forth in RCW 19.27.020. In maintaining the codes, the council shall regularly review updated versions of the codes adopted under the act, and other pertinent information, and shall amend the codes as deemed appropriate by the council.

NEW SECTION

WAC 51-56-003 Uniform plumbing code. The 2000 edition of the Uniform Plumbing Code, published by the International Association of Plumbing and Mechanical Officials, is hereby adopted by reference with the following additions, deletions and exceptions: Provided that Chapters 11, 12 and 15 of this code are not adopted. Provided further, that those requirements of the Uniform Plumbing Code relating to venting and combustion air of fuel fired appliances as found in Chapter 5 and those portions of the code addressing building sewers are not adopted.

NEW SECTION

WAC 51-56-007 Exceptions. The exceptions and amendments to the uniform codes contained in the provisions of chapter 19.27 RCW shall apply in cases of conflict with any of the provisions of these rules.

NEW SECTION

WAC 51-56-008 Implementation. The Uniform Plumbing Code adopted by chapter 51-56 WAC shall become effective in all counties and cities of this state on July 1, 2002, unless local government residential amendments have been approved by the state building code council.

NEW SECTION

WAC 51-56-0100 Chapter 1—Administration.

101.4.1.4 Conflict Between Codes. Delete paragraph.

102.4 Appeals. All persons shall have the right to appeal a decision of the administrative authority. The jurisdiction shall have a board of appeals to hear and rule on Plumbing Code appeals. Members of the board shall be appointed by the jurisdiction. Decisions by the board shall be reported to the jurisdiction and administered by the administrative authority.

103.1.3 Certification. State rules and regulations concerning certification shall apply.

NEW SECTION

WAC 51-56-0200 Chapter 2—Definitions.

205.0 Certified Backflow Assembly Tester - A person certified by the Washington state department of health under chapter 246-292 WAC to inspect (for correct installation and approval status) and test (for proper operation) approved backflow assemblies.

208.0 Flammable Vapor or Fumes is the concentration of flammable constituents in air that exceeds 10 percent of its lower flammability limit (LFL).

218.0 Plumbing System - Includes all potable water building supply and distribution pipes, all plumbing fixtures and traps, all drainage and vent pipe(s), and all building drains including their respective joints and connection, devices, receptors, and appurtenances within the property lines of the premises and shall include potable water piping, potable water treating or using equipment, medical gas and medical vacuum systems, and water heaters: Provided, That no certification shall be required for the installation of a plumbing system within the property lines and outside a building.

NEW SECTION

WAC 51-56-0300 Chapter 3—General regulations.

301.1.1 Approvals. Unless otherwise provided for in this code, all materials, fixtures or devices used or entering into the construction of plumbing systems, or parts thereof, shall be submitted to the administrative authority for approval and shall conform to approved nationally recognized standards, and shall be free from defects. All pipe, fittings, traps, fixtures, material and devices used in a plumbing system shall be listed or labeled by a listing agency or shall be approved by the administrative authority.

301.1.3 Standards. Standards listed or referred to in this chapter and Table 14-1 cover materials that conform to the requirements of this code, when used in accordance with the limitations imposed in this or other chapters thereof and their listing. Where a standard covers materials of various grades, weights, quality, or configurations, there may be only a portion of the listed standard which is applicable. Design and materials for special conditions or materials not provided for herein are allowed to be used only by special permission of the administrative authority after the administrative authority has been satisfied as to their adequacy in accordance with Section 301.2.

311.4 Except as hereinafter provided in Sections 908.0, 909.0, 910.0, and Appendix L, Section L 6.0, no vent pipe shall be used as a soil or waste pipe, nor shall any soil or waste pipe be used as a vent.

313.6 No water, soil, or waste pipe shall be installed or permitted outside of a building or in an exterior wall unless, where necessary, adequate provision is made to protect such pipe from freezing. All hot and cold water pipes installed outside the conditioned space shall be insulated to a minimum R-3.

313.7 All pipe penetrating floor/ceiling assemblies and fire-resistance rated walls or partitions shall be protected in accordance with the requirements of the building code.

316.1.6 Solvent Cement Plastic Pipe Joints. Plastic pipe and fittings designed to be joined by solvent cementing shall comply with this code and the manufacturer's installation instructions.

ABS pipe and fittings shall be cleaned and then joined with listed solvent cement(s).

CPVC and PVC pipe and fittings shall be cleaned and joined with listed primer(s) and solvent cement(s).

NEW SECTION

WAC 51-56-0400 Chapter 4—Plumbing fixtures and fixture fittings.

402.0 Water-Conserving Fixtures and Fittings.

402.1 The purpose of this section shall be to implement water conservation performance standards in accordance with RCW 19.27.170.

402.2 Application. This section shall apply to all new construction and all remodeling involving replacement of plumbing fixtures and fittings in all residential, hotel, motel, school, industrial, commercial use, or other occupancies determined by the council to use significant quantities of water. Plumbing fixtures, fittings and appurtenances shall conform to the standards specified in this section and shall be provided with an adequate supply of potable water to flush and keep the fixtures in a clean and sanitary condition without danger of backflow or cross-connection.

402.3 Water Efficiency Standards.

402.3.1 Standards for Vitreous China Plumbing Fixtures.

402.3.1.1 The following standards shall be adopted as plumbing materials, performance standards, and labeling standards for water closets and urinals. Water closets and urinals shall meet either the ANSI/ASME standards or the CSA standard.

ANSI/ASME A112.19.2M-1998	Vitreous China Plumbing Fixtures
ANSI/ASME A112.19.6-1995	Hydraulic Requirements for Water Closets and Urinals
CSA B45	CSA Standards on Plumbing Fixtures

402.3.1.2 The maximum water use allowed in gallons per flush (gpf) or liters per flush (lpf) for any of the following water closets shall be the following:

Tank-type toilets	1.6 gpf/6.0 lpf
Flushometer-valve toilets	1.6 gpf/6.0 lpf
Flushometer-tank toilets	1.6 gpf/6.0 lpf
Electromechanical hydraulic toilets	1.6 gpf/6.0 lpf

EXCEPTIONS:

1. Water closets located in day care centers, intended for use by young children may have a maximum water use of 3.5 gallons per flush or 13.25 liters per flush.
2. Water closets with bed pan washers may have a maximum water use of 3.5 gallons per flush or 13.25 liters per flush.
3. Blow out bowls, as defined in ANSI/ASME A112.19.2M, Section 5.1.2.3 may have a maximum water use of 3.5 gallons per flush or 13.25 liters per flush.

402.3.1.3 The maximum water use allowed for any urinal shall be 1.0 gallons per flush or 3.78 liters per flush.

402.3.1.4 No urinal or water closet that operates on a continuous flow or continuous flush basis shall be permitted.

402.3.1.5 This section does not apply to fixtures installed before the effective date of this Section, that are removed and relocated to another room or area of the same building after the effective date of this Section.

402.3.2 Standards for Plumbing Fixture Fittings.

402.3.2.1 The following standards are adopted as plumbing material, performance requirements, and labeling standards for plumbing fixture fittings. Faucets, aerators, and shower heads shall meet either the ANSI/ASME standard or the CSA standard.

ANSI/ASME A112.18.1M-1996	Plumbing Fixture Fittings
CSA B125	Plumbing Fittings

402.3.2.2 The maximum water use allowed for any shower head is 2.5 gallons per minute or 9.5 liters per minute.

EXCEPTION:

Emergency use showers shall be exempt from the maximum water usage rates.

402.3.2.3 The maximum water use allowed in gallons per minute (gpm) or liters per minute (lpm) for any of the following faucets and replacement aerators is the following:

PERMANENT

Lavatory faucets	2.5 gpm/9.5 lpm
Kitchen faucets	2.5 gpm/9.5 lpm
Replacement aerators	2.5 gpm/9.5 lpm
Public lavatory faucets other than metering	0.5 gpm/1.9 lpm

402.4 Metering Valves. Lavatory faucets located in restrooms intended for use by the general public shall be equipped with a metering valve designed to close by spring or water pressure when left unattended (self-closing).

- EXCEPTIONS:**
1. Where designed and installed for use by persons with a disability.
 2. Where installed in day care centers, for use primarily by children under 6 years of age.

402.5 Implementation.

402.5.1 The standards for water efficiency and labeling contained within Section 402.3 shall be in effect as of July 1, 1993, as provided in RCW 19.27.170 and amended July 1, 1998.

402.5.2 No individual, public or private corporation, firm, political subdivision, government agency, or other legal entity, may, for purposes of use in the state of Washington, distribute, sell, offer for sale, import, install, or approve for installation any plumbing fixtures or fittings unless the fixtures or fittings meet the standards as provided for in this Section.

Sections 402.6 through 402.9 are not adopted.

412.2 Location of Floor Drains. Floor drains shall be installed in the following areas:

412.2.1 Toilet rooms containing two (2) or more water closets or a combination of one (1) water closet and one (1) urinal, except in a dwelling unit. The floor shall slope toward the floor drains.

412.2.2 Laundry rooms in commercial buildings and common laundry facilities in multi-family dwelling buildings.

413.0 Minimum Number of Required Fixtures. For minimum number of plumbing fixtures required, see Building Code Chapter 29 and Table 29-A.

Sections 413.1 through 413.7 and Table 4-1 are not adopted.

NEW SECTION

WAC 51-56-0500 Chapter 5—Water heaters.

501.0 General. The regulations of this chapter shall govern the construction, location, and installation of fuel burning and other water heaters heating potable water. The minimum capacity for water heaters shall be in accordance with the first hour rating listed in Table 5-1. See the Mechanical Code for combustion air and installation of all vents and their connectors. All design, construction, and workmanship shall be in conformity with accepted engineering practices, manufacturer's installation instructions, and applicable standards and shall be of such character as to secure the results sought to be obtained by this Code. No water heater shall be hereinafter installed which does not comply in all respects with the type and model of each size thereof approved by the administrative authority. A list of accepted gas equipment standards is included in Table 14-1.

Water heaters used for space heating only are prohibited.

TABLE 5-1^{1,3}

Number of Bathrooms	1 to 1.5			2 to 2.5				3 to 3.5			
	1	2	3	2	3	4	5	3	4	5	6
Number of Bedrooms											
First Hour Rating ² , Gallons	42	54	54	54	67	67	80	67	80	80	80

- Notes: ¹The first hour rating is found on the "Energy Guide" label.
²Nonstorage and solar water heaters shall be sized to meet the appropriate first hour rating as shown in the table.
³For replacement water heaters, see Section 101.4.1.1.1.

- 502.1 Chimney** – Delete definition.
- 502.2 Chimney Connector** – Delete definition.
- 502.5 Direct Vent Appliance** – Delete definition.
- 502.7 Unusually Tight Construction** – Delete definition.
- 502.8 Vent** – Delete definition.
- 502.9 Vent Collar** – Delete definition.
- 502.10 Vent Connector** – Delete definition.
- 502.11 Venting System** – Delete definition.
- 502.12 Venting Systems-Types** – Delete definition.
- 504.1 Inspection of Chimneys or Vents.** Delete paragraph.
- 505.0 Gas-Fired Water Heater Approval Requirements.**

505.1 Gas fired water heaters shall conform to approved recognized applicable standards or to other standards acceptable to the administrative authority. Each such water heater shall bear the label of an approved testing agency, certifying and attesting that such equipment has been tested and inspected and meets the requirements of applicable standards.

505.2 Except when reconditioned by the manufacturer or the manufacturer's approved agent in accordance with its original approval requirements and reinstalled at its original location, each reconditioned water heater shall be tested for safety and conformity to approved standards, and shall bear the label of an approved testing agency certifying and attesting that such equipment has been tested and inspected and meets the requirements of applicable standards. Such label shall also state clearly that the water heater has been reconditioned, and shall give the name and address of the reconditioner. Every person applying for a permit to install a used or reconditioned water heater shall clearly state on the application for permit that such equipment is used or reconditioned.

PERMANENT

505.3 Gas storage-type water heaters shall be provided with, in addition to the primary temperature controls, an over-temperature safety protection device constructed, listed, and installed in accordance with nationally recognized applicable standards for such devices and a combination temperature and pressure relief valve.

506.2 All storage-type water heaters deriving heat from fuels or types of energy other than gas, shall be provided with, in addition to the primary temperature controls, an over-temperature safety protection device constructed, listed, and installed in accordance with nationally recognized applicable standards for such devices and a combination temperature and pressure relief valve.

507.0 Combustion Air. For issues relating to combustion air, see the Mechanical Code.

Sections 507.1 through 507.5 are not adopted.

509.0 Prohibited Locations. Water heaters which depend on the combustion of fuel for heat shall not be installed in a room used or designed to be used for sleeping purposes, bathroom, clothes closets or in a closet or other confined space opening into a bath or bedroom.

EXCEPTIONS:

1. Direct vent water heaters.
2. Water heaters installed in a closet that has a weather-stripped solid door with an approved door closing device, and designed exclusively for the water heater and where all air for combustion and ventilation is supplied from the outdoors.
3. Water heaters of the automatic storage type installed as a replacement in a bathroom, when specifically approved, properly vented and supplied with adequate combustion air.

Where not prohibited by other regulations, water heaters may be located under a stairway or landing.

512.0 Venting of Water Heaters Delete entire section.

513.0 Limitations. Delete entire section.

514.0 Vent Connectors. Delete entire section.

515.0 Location and Support of Venting System. Delete entire section.

516.0 Length Pitch and Clearance. Delete entire section.

517.0 Vent Termination. Delete entire section.

518.0 Area of Venting System. Delete entire section.

519.0 Multiple Appliance Venting. Delete entire section.

520.0 Existing Venting System. Delete entire section.

521.0 Draft Hoods. Delete entire section.

522.0 Gas Venting into Existing Masonry Chimneys. Delete entire section.

523.0 Chimney Connectors. Delete entire section.

524.0 Mechanical Draft Systems. Delete entire section.

525.0 Venting Through Ventilating Hoods and Exhaust Systems. Delete entire section.

NEW SECTION

WAC 51-56-0600 Chapter 6—Water supply and distribution.

603.0 Cross-Connection Control. Cross-connection control shall be provided in accordance with the provisions of this chapter. Devices or assemblies for protection of the public water system must be models approved by the department of health under WAC 246-290-490. The administrative authority shall coordinate with the local water purveyor where applicable in all matters concerning cross-connection control within the property lines of the premises.

No person shall install any water operated equipment or mechanism, or use any water treating chemical or substance, if it is found that such equipment, mechanism, chemical or substance may cause pollution or contamination of the domestic water supply. Such equipment or mechanism may be permitted only when equipped with an approved backflow prevention device or assembly.

603.3.3 For devices and assemblies other than those regulated by the Washington department of health in conjunction with the local water purveyor for the protection of public water systems, the administrative authority shall ensure that the premise owner or responsible person shall have the backflow prevention assembly tested by a Washington state department of health certified backflow assembly tester:

- (1) At the time of installation, repair or relocation; and
- (2) At least on an annual schedule thereafter, unless more frequent testing is required by the administrative authority.

603.4.6.1 Potable water supplies to systems having no pumps or connections for pumping equipment, and no chemical injection or provisions for chemical injection, shall be protected from backflow by one of the following devices:

- (1) Atmospheric vacuum breaker.
- (2) Pressure vacuum breaker.
- (3) Reduced pressure backflow preventer.
- (4) A double check valve may be allowed when approved by the water purveyor and the administrative authority.
- (5) A spill proof pressure vacuum breaker may be allowed when approved by the water purveyor and the administrative authority.

603.4.13 Potable Water Supply to Carbonators shall be protected by a listed reduced pressure principle backflow preventer as approved by the administrative authority for the specific use.

603.4.18.1 Except as provided under Sections 603.4.18.2 and 603.4.18.3, potable water supplies to fire protection systems that are normally under pressure, including but not limited to standpipes and automatic sprinkler systems, except in one or two family residential flow-through or combination sprinkler systems piped in materials approved for potable water distribution systems, shall be protected from back-pressure and back-siphonage by one of the following testable devices:

1. Double check valve assembly.
2. Double check detector assembly.
3. Reduced pressure backflow preventer.

4. Reduced pressure detector assembly.

Potable water supplies to fire protection systems that are not normally under pressure shall be protected from backflow and shall meet the requirements of the appropriate standard(s) referenced in Table 14-1.

604.1 Water distribution pipe, building supply water pipe and fittings shall be of brass, copper, cast iron, galvanized malleable iron, galvanized wrought iron, galvanized steel or other approved materials. Except as provided in Section 604.13, asbestos-cement, CPVC, PE, PVC, or PEX water pipe materials manufactured to recognized standards may be used for cold water distribution systems outside a building. CPVC, PEX water pipe, tubing, and fittings, manufactured to recognized standards may be used for hot and cold water distribution systems within a building. Other products not listed in this section are acceptable for their intended use, provided that such materials or distribution systems are listed and approved in accordance with nationally recognized standards. All materials used in the water supply system, except valves and similar devices shall be of like material, except where otherwise approved by the administrative authority.

604.13 Plastic water service piping may terminate within a building, provided the connection to the potable water distribution system shall be made as near as is practical to the point of entry and shall be accessible. Barbed insert fittings with hose clamps are prohibited as a transition fitting within the building.

608.5 Relief valves located inside a building shall be provided with a drain, not smaller than the relief valve outlet, of galvanized steel, hard drawn copper piping and fittings, CPVC, or listed relief valve drain tube with fittings which will not reduce the internal bore of the pipe or tubing (straight lengths as opposed to coils) and shall extend from the valve to the outside of the building with the end of the pipe not more than two (2) feet (610 mm) nor less than six (6) inches (152 mm) above the ground or the flood level of the area receiving the discharge and pointing downward. Such drains may terminate at other approved locations. No part of such drain pipe shall be trapped or subject to freezing. The terminal end of the drain pipe shall not be threaded.

EXCEPTION: Replacement water heating equipment shall only be required to provide a drain pointing downward from the relief valve to extend between two feet (610 mm) and six inches (152 mm) from the floor. No additional floor drain need be provided.

610.4 Systems within the range of Table 6-5 may be sized from that table or by the method set forth in Section 610.5.

Listed parallel water distribution systems shall be installed in accordance with their listing.

NEW SECTION

WAC 51-56-0700 Chapter 7—Sanitary drainage.

701.1.2 ABS and PVC DWV piping installations shall be installed in accordance with IS 5, IS 9, and Appendix M "Firestop Protection for DWV and Stormwater Application." Except for individual single family dwelling units, materials exposed within ducts or plenums shall have a flame-spread

index of not more than 25 and a smoke developed index of not more than 50, when tested in accordance with the Test for Surface-Burning Characteristics of the Building Materials (See the Building Code standards based on ASTM E-84 and ANSI/UL 723).

704.3 Delete entire section.

710.3 The minimum size of any pump or any discharge pipe from a sump having a water closet connected thereto shall be not less than two (2) inches (52 mm).

Sections 710.3.1 through 710.3.3 are not adopted.

CHAPTER 7, PART II—BUILDING SEWERS

Part II Building Sewers. Delete all of Part II (Sections 713 through 723, and Tables 7-7 and 7-8).

NEW SECTION

WAC 51-56-0800 Chapter 8—Indirect wastes.

810.4 Strainers. Every indirect waste interceptor receiving discharge containing particles that would clog the receptor drain shall have a readily removable dome strainer.

NEW SECTION

WAC 51-56-0900 Chapter 9—Vents.

903.1.2 ABS and PVC DWV piping installations shall be installed in accordance with IS 5, IS 9, and Appendix M "Firestop Protection for DWV and Stormwater Application." Except for individual single family dwelling units, materials exposed within ducts or plenums shall have a flame-spread index of not more than 25 and a smoke developed index of not more than 50, when tested in accordance with the Test for Surface-Burning Characteristics of the Building Materials (see the Building Code standards based on ASTM E-84 and ANSI/UL 723).

NEW SECTION

WAC 51-56-1300 Chapter 13—Health care facilities and medical gas and vacuum systems.

1302 Medical Gas and Vacuum Piping Systems.

The installation of medical gas and vacuum piping systems shall be in accordance with the requirements of this chapter and/or the appropriate standards adopted by the administrative authority, for additional standards see Table 14-1. The administrative authority shall require evidence of the competency of the installers.

Part II Medical Gas and Vacuum Systems

1309.0 Scope.

1309.1 The provisions herein shall apply to the design, installation, testing, and verification of medical gas, medical vacuum systems, and related permanent equipment for safe use in patient care hospitals, clinics, and other health care facilities.

1309.2 The purpose of this chapter is to provide minimum requirements for the design, installation and verification of medical gas, medical vacuum systems, and related permanent equipment

1310.0 Definitions.

1310.1 Building Supply – The pipe from the source of supply to a building or structure.

1310.2 Critical Care Area – An area in a medical facility where special care is provided, including intensive care units, coronary care units, recovery rooms, and respiratory care units.

1310.3 Installer Performance Testing – Testing conducted by the installer or representative prior to system verification using oil-free, dry nitrogen as stated in Chapter 14.

1310.4 Manifold – A device for connecting outlets of one or more gas cylinders to the central piping system for that specific gas.

1310.5 Medical Air – Compressed air used in a medical facility.

1310.6 Medical Gas – Gases used in a medical facility, including oxygen, nitrous oxide, nitrogen, carbon dioxide, helium, medical air, and mixtures of these gases. Standards of purity apply.

1310.7 Medical Gas System – A system consisting of a central supply system (manifold, bulk, or compressors), including control equipment and piping extending to station outlets in the facility where medical gases may be required.

1310.8 Medical Vacuum System – A system consisting of central vacuum-producing equipment with vacuum switches and operating controls, shutoff valves, alarm warning systems, gauges, and a network of piping extending to and terminating with station inlets at locations where patient suction may be required. Includes surgical vacuum systems, waste anesthesia gas disposal (as scavenging systems), and bedside suction systems.

1310.9 Purge, Flow – The removal of oxygen from a system by oil-free dry nitrogen during brazing.

1310.10 Purge, System – The removal of nitrogen from a system with the medical gas required for that system.

1310.11 SCFM – Standard cubic feet per minute, the unit measure for a volume of gas at standard conditions (68 degrees F (20 degrees C) and 1 atmosphere of pressure).

1310.12 Special Hazard Area – An area, such as a kitchen or electrical switch gear room.

1310.13 Station Inlet – An inlet in a vacuum piping system at which the user makes connections and disconnections.

1310.14 Station Outlet – An outlet point in a medical gas piping system at which the user makes connections and disconnections.

1310.15 System Verification – Testing conducted by a qualified party other than the installer or material vendor after the

installer performance testing and prior to the medical gas system being put into service.

1310.16 Use Point – A room or area within a room, where medical gases are dispensed to a patient for medical purposes.

1310.17 User Outlet – See station outlet.

1310.18 Valve, Isolation – A valve which isolates one piece of equipment from another.

1310.19 Valve, Riser – A valve at the base of a vertical riser, which isolates that riser.

1310.20 Valve, Service – A valve serving horizontal piping extending from a riser to a station outlet or inlet.

1310.21 Valve, Source – A single valve at the source which controls a number of units that make up the total source.

1310.22 Valve, Zone – A valve which controls the gas or vacuum to a particular area.

1311.3 The administrative authority shall require evidence of the competency of the installers.

1311.4 Delete paragraph.

1313.0 System Installation and Installer Performance Testing.

1313.1 Medical gas and medical vacuum systems shall be designed and installed in accordance with the requirements of this chapter and the installation requirements of this code, specifically Chapter 14 of this code.

1313.2 A report of completion of the installer performance testing which includes the specific items in Chapter 14 shall be furnished to the administrative authority prior to system verification.

1314.0 System Verification.

1314.1 Prior to any medical gas system being placed in service, each and every system shall be verified as described in Chapter 14. This verification shall be accomplished by an independent third party verification agency which is approved by the administrative authority.

1314.2 A report which includes at least the specific items in Chapter 14 shall be furnished to the administrative authority prior to final acceptance of the system.

Sections 1315 through 1331 are not adopted.

NEW SECTION**WAC 51-56-1400 Chapter 14—Referenced standards.****TABLE 14-1****Standards for Materials, Equipment, Joints and Connections**

Where more than one standard has been listed for the same material or method, the relevant portions of all such standards shall apply.

Footnotes:

1. Although this standard is referenced in Table 14-1, some of the pipe, tubing, fittings, valves, or fixtures included in the standard are not acceptable for use under the provisions of the Uniform Plumbing Code.
2. PDI Standard G101 by reference.
3. Additional Requirements for Inner and Outer Layers.
4. See Section 316.1.3 for restriction.
5. Alloy C85200 for cleanout plugs.
6. Limited to domestic sewage.
7. Type II only.
8. Fixture fittings with hose connected singular moveable outlets shall have two check valves and an atmospheric vacuum breaker.

9. ASSE 1066 is not intended to limit the maximum outlet temperature at point of use.

10. See section 315.0 for Trenching, Excavation, and Back-filling requirements when installing building drains and sewers. Engineers may wish to consult ASTM D2321 when preparing plans and specifications for sewer mains or specific projects.

Reviser's note: The brackets and enclosed material in the text of the above section occurred in the copy filed by the agency and appear in the Register pursuant to the requirements of RCW 34.08.040.

NEW SECTION**WAC 51-56-201300 Appendix M—Storm drainage.****M 1.0 General.**

M 1.1 Where Required. All roofs, paved areas, yards, courts, and courtyards shall be drained into a separate storm sewer system, or into a combined sewer system where a separate storm sewer system is not available, or to some other place of disposal satisfactory to the administrative authority. In the case of one- and two-family dwellings, storm water may be discharged on flat areas such as streets or lawns so long as the storm water shall flow away from the building and away from adjoining property, and shall not create a nuisance.

M 1.2 Storm Water Drainage to Sanitary Sewer Prohibited. Storm water shall not be drained into sewers intended for sanitary drainage only.

M 1.3 Material Uses. Rainwater piping placed within the interior of a building or run within a vent or shaft shall be of cast iron, galvanized steel, wrought iron, brass, copper, lead, Schedule 40 ABS DWV, Schedule 40 PVC DWV, or other approved materials, and changes in direction shall conform to the requirements of Section 706.0.

M 1.4 Expansion Joints Required. Expansion joints or sleeves shall be provided where warranted by temperature variations or physical conditions.

M 1.5 Subsoil Drains.

M 1.5.1 Subsoil drains shall be provided around the perimeter of buildings having basements, cellars, or crawl spaces or floors below grade. Such subsoil drains may be positioned inside or outside of the footing, shall be of perforated, or open-jointed approved drain tile or pipe not less than three (3) inches (76 mm) in diameter, and shall be laid in gravel, slag, crushed rock, approved three-quarter (3/4) inch (19.1 mm) crushed recycled glass aggregate, or other approved porous material with a minimum of four (4) inches (102 mm) surrounding the pipe on all sides. Filter media shall be provided for exterior subsoil piping.

M 1.5.2 Subsoil drains shall be piped to a storm drain, to an approved water course, to the front street curb or gutter, or to an alley; or the discharge from the subsoil drains shall be conveyed to the alley by a concrete gutter. Where a continuously flowing spring or groundwater is encountered, subsoil drains shall be piped to a storm drain or an approved water course.

M 1.5.3 Where it is not possible to convey the drainage by gravity, subsoil drains shall discharge to an accessible sump pit provided with an approved automatic electric pump. A sump pit shall be at least fifteen (15) inches (381 mm) in diameter, eighteen (18) inches (457 mm) in depth, and provided with a fitted cover. The sump pump shall have an adequate capacity to discharge all water coming into the sump as it accumulates to the required discharge point, and the capacity of the pump shall not be less than fifteen (15) gpm (1.0 L/s). The discharge piping from the sump pump shall be a minimum of one and one-half (1-1/2) inches (38 mm) in

diameter and have a union to make the pump accessible for servicing.

M 1.5.4 For separate dwellings not serving continuously flowing springs or ground water, the sump discharge pipe may discharge onto a concrete splash block with a minimum length of twenty-four (24) inches (610 mm). This pipe shall be within four (4) inches (102 mm) of the splash block and positioned to direct the flow parallel to the recessed line of the splash block.

M 1.5.5 Subsoil drains subject to backflow when discharging into a storm drain shall be provided with a backwater valve in the drain line so located as to be accessible for inspection and maintenance.

M 1.5.6 Nothing in Section 1501.5 shall prevent drains that serve either subsoil drains or areaways of a detached building from discharging to a properly graded open area, provided that:

- (1) They do not serve continuously flowing springs or ground water;
- (2) The point of discharge is at least ten (10) feet (3048 mm) from any property line; and
- (3) It is impracticable to discharge such drains to a storm drain, to an approved water course, to the front street curb or gutter, or to an alley.

M 1.6 Building Subdrains. Building subdrains located below the public sewer level shall discharge into a sump or receiving tank, the contents of which shall be automatically lifted and discharged into the drainage system as required for building sumps.

M 1.7 Areaway Drains. All open subsurface space adjacent to a building, serving as an entrance to the basement or cellar of a building, shall be provided with a drain or drains. Such areaway drains shall be two (2) inches (51 mm) minimum diameter for areaways not exceeding one hundred (100) square feet (9.3 m²) in area, and shall be discharged in the manner provided for subsoil drains not serving continuously flowing springs or ground water (see Section 1501.5.2). Areaways in excess of one hundred (100) square feet (9.3 m²) shall not drain into subsoil. Areaway drains for areaways exceeding one hundred (100) square feet (9.3 m²) shall be sized according to Table M-2.

M 1.8 Window Areaway Drains. Window areaways not exceeding ten (10) square feet (0.9 m²) in area may discharge to the subsoil drains through a two (2) inch (51 mm) pipe. However, window areaways exceeding ten (10) square feet (0.9 m²) in area shall be handled in the manner provided for entrance areaways (see Section 1501.7).

M 1.9 Filling Stations and Motor Vehicle Washing Establishments. Public filling stations and motor vehicle washing establishments shall have the paved area sloped toward sumps or gratings within the property lines. Curbs not less than six (6) inches (152 mm) high shall be placed where required to direct water to gratings or sumps.

M 1.10 Paved Areas. Where the occupant creates surface water drainage, the sumps, gratings or floor drains shall be piped to a storm drain or an approved water course.

M 1.11 Roof Drainage.

M 1.11.1 Primary Roof Drainage. Roof areas of a building shall be drained by roof drains or gutters. The location and sizing of drains and gutters shall be coordinated with the structural design and pitch of the roof. Unless otherwise required by the administrative authority, roof drains, gutters, vertical conductors or leaders, and horizontal storm drains for primary drainage shall be sized based on a storm of sixty (60) minutes duration and 100-year return period (see Appendix D).

M 1.11.2 Secondary Roof Drainage.

M 1.11.2.1 Where parapet walls or other construction extend above the roof and create areas where storm water would become trapped if the primary roof drainage system failed to provide sufficient drainage, an independent secondary roof drainage system consisting of scuppers, standpipes, or roof drains shall be provided. Secondary roof drainage systems shall be sized in accordance with Section 1501.11.1 of this code. Overflow drains shall be the same size as the roof drains with the inlet flow line two (2) inches (51 mm) above the low point of the roof and shall be installed independent from the roof drains.

M 1.11.2.2 Where secondary roof drainage is provided by means of roof drains or standpipes, the secondary system shall be separate from the primary system and shall discharge independently at grade or other approved point of discharge.

M 1.11.2.3 Where secondary roof drainage is provided, the overflow level(s) into the secondary system shall be determined by the structural design of the roof, including roof deflection, at a level not less than two (2) inches (51 mm) above the level of the primary drain. An allowance shall be made to account for the required overflow head of water above the secondary inlets. The elevation of the secondary inlet plus the required overflow head shall not exceed the maximum allowable water level on the roof.

M 1.11.2.4 Scuppers shall be sized as rectangular weirs, using hydraulic principles to determine the required length and resulting overflow head (see Appendix D). Secondary roof drains and standpipes shall be sized according to Table M-1. Where standpipes are used, the head allowance required under Section 1501.11.2.3 shall be not less than one and one-half (1-1/2) inches (38 mm).

M 1.11.3 Equivalent Systems. When approved by the administrative authority, the requirements of Sections 1501.11.1 and 1501.11.2 shall not preclude the installation of an engineered roof drainage system that has sufficient capacity to prevent water from ponding on the roof in excess of that allowed in the roof structural design with a rainfall rate of at least twice that for a 100-year, 60-minute storm and with a blockage in any single point in the storm drainage system.

M 1.12 Cleanouts.

M 1.12.1 Cleanouts for building storm drains shall comply with the requirements of this section. Rain leaders and conductors connected to a building storm sewer shall have a cleanout installed at the base of the outside leader or outside

conductor before it connects to the horizontal drain. Cleanouts shall be placed inside the building near the connection between the building drain and the building sewer or installed outside the building at the lower end of the building drain and extended to grade.

M 1.12.2 Each cleanout shall be installed so that it opens to allow cleaning in the direction of flow of the soil or waste or at right angles thereto, and except in the case of wye branch and end-of-line cleanouts, shall be installed vertically above the flow line of the pipe.

M 1.12.3 Cleanouts installed under concrete or asphalt paving shall be made accessible by yard boxes, or extending flush with paving with approved materials and be adequately protected.

M 1.12.4 Approved manholes may be installed in lieu of cleanouts when first approved by the administrative authority. The maximum distance between manholes shall not exceed three hundred (300) feet (91.4 m).

The inlet and outlet connections shall be made by the use of a flexible compression joint no closer than twelve (12) inches (305 mm) to, and not farther than three (3) feet (914 mm) from the manhole. No flexible compression joints shall be embedded in the manhole base.

M 1.13 All rainwater sumps serving "public use" occupancy buildings shall be provided with dual pumps arranged to function alternately in case of overload of mechanical failure.

M 2.0 Materials.**M 2.1 Conductors.**

M 2.1.1 Conductors installed aboveground in buildings shall be constructed of materials specified in Table 14-1.

M 2.1.2 The inside of conductors installed above ground level shall be of seamless copper water tube, Type K, L or M; Schedule 40 copper pipe or Schedule 40 copper alloy pipe; Type DWV copper drainage tube; service weight cast iron soil pipe or hubless cast iron soil pipe; standard weight galvanized steel pipe; or Schedule 40 ABS or Schedule 40 PVC plastic pipe.

M 2.2 Leaders.

M 2.2.1 Leaders shall be constructed of materials specified in Table 14-1.

M 2.2.2 Leaders shall be of seamless copper water tube, Type K, L or M; Schedule 40 copper pipe; Schedule 40 copper alloy pipe; type DWV copper drainage tube; service weight cast iron soil pipe or hubless cast iron soil pipe; galvanized steel sheet metal or copper sheet metal; standard weight galvanized steel pipe; Class DL or XL lead pipe; or Schedule 40 ABS or Schedule 40 PVC plastic pipe.

M 2.3 Underground Building Storm Drains. All underground building storm drains shall be constructed of materials specified in Table 14-1.

M 2.4 Building Storm Sewers. Building storm sewers shall be constructed of materials specified in Table 14-1.

M 2.5 Subsoil Drains.

M 2.5.1 Subsoil drains shall be constructed of materials specified in Table 14-1.

M 2.5.2 Subsoil drains shall be open-jointed or of perforated pipe, vitrified clay, plastic, cast iron, or porous concrete.

M 3.0 Traps on Storm Drains and Leaders.

M 3.1 Where Required. Leaders and storm drains, when connected to a combined sewer, shall be trapped. Floor and area drains connected to a storm drain shall be trapped.

EXCEPTION: Traps shall not be required where roof drains, rain leaders and other inlets are at locations allowed under Section 906.0, Vent Terminals.

M 3.2 Where Not Required. No trap shall be required for a leader(s) or conductor(s) which is connected to a sewer carrying storm water exclusively.

M 3.3 Trap Size. Traps, when installed for individual conductors, shall be the same size as the horizontal drain to which they are connected.

M 3.4 Method of Installation of Combined Sewer. Individual storm-water traps shall be installed on the storm-water drain branch serving each storm-water inlet, or a single trap shall be installed in the main storm drain just before its connection with the combined building sewer. Such traps shall be provided with an accessible cleanout on the outlet side of the trap.

M 4.0 Leaders, Conductors, and Connections.

M 4.1 Improper Use. Leaders or conductors shall not be used as soil, waste, or vent pipes, nor shall soil, waste, or vent pipes be used as leaders or conductors.

M 4.2 Protection of Leaders. Leaders installed along alleyways, driveways, or other locations where they may be exposed to damage shall be protected by metal guards, recessed into the wall, or constructed from ferrous pipe.

M 4.3 Combining Storm with Sanitary Drainage. The sanitary and storm drainage system of a building shall be entirely separate, except where a combined sewer is used, in which case the building storm drain shall be connected in the same horizontal plane through single wye fittings to the combined building sewer at least ten (10) feet (3048 mm) downstream from any soil stack.

M 5.0 Roof Drains.

M 5.1 Material.

M 5.1.1 Roof drains shall be constructed of materials specified in Table 14-1.

M 5.1.2 Roof drains shall be of cast iron, copper or copper alloy, lead or plastic.

M 5.2 Dome or Strainer for General Use. All roof drains and overflow drains, except those draining to hanging gutters, shall be equipped with strainers extending not less than four (4) inches (102 mm) above the surface of the roof immediately adjacent to the drain. Strainers shall have a minimum inlet area above the roof level of not less than one and one-

half (1-1/2) times the area of the conductor or leader to which the drain is connected.

M 5.3 Strainers for Flat Decks. Roof drain strainers for use on sun decks, parking decks, and similar areas which are normally serviced and maintained may be of the flat surface-type. Such roof drain strainers shall be level with the deck and shall have an available inlet area of no less than two (2) times the area of the conductor or leader to which the drain is connected.

M 5.4 Roof Drain Flashings. Connection between the roof and roof drains which pass through the roof and into the interior of the building shall be made watertight by the use of proper flashing material.

M 5.4.1 Where lead flashing material is used, it shall be a minimum of four (4) pounds per square foot (19.5 kg/m²).

M 5.4.2 Where copper flashing material is used, it shall be a minimum of twelve (12) ounces per square foot (3.7 kg/m²).

M 6.0 Size of Leaders, Conductors, and Storm Drains.

M 6.1 Vertical Conductors and Leaders. Vertical conductors and leaders shall be sized on the basis of the maximum projected roof area and Table M-1.

M 6.2 Size of Horizontal Storm Drains and Sewers. The size of building storm drains or building storm sewers or any of their horizontal branches shall be based upon the maximum projected roof or paved area to be handled and Table M-2.

M 6.3 Size of Roof Gutters. The size of semicircular gutters shall be based on the maximum projected roof area and Table M-3.

M 6.4 Side Walls Draining onto a Roof. Where vertical walls project above a roof so as to permit storm water to drain to the roof area below the adjacent roof area may be computed from Table M-1 as follows:

1. For one (1) wall – add fifty (50) percent of the wall area to the roof area figures.
2. For two (2) adjacent walls – add thirty-five (35) percent of the total wall areas.
3. Two (2) walls opposite of same height – add no additional area.
4. Two (2) walls opposite of differing heights – add fifty (50) percent of wall area above top of lower wall.
5. Walls on three (3) sides – add fifty (50) percent of area of the inner wall below the top of the lowest wall, plus allowance for the area of wall above top of lowest wall, per (2) and (4) above.
6. Walls on four (4) sides – no allowance for wall areas below top of lowest wall – add for areas above the top of the lowest wall per (1), (2), (4) and (5) above.

M 7.0 Values for Continuous Flow.

Where there is a continuous or semi-continuous discharge into the building storm drain or building storm sewer, as from a pump, ejector, air-conditioning plant, or similar device, one (1) gpm (3.8 L/min.) of such discharge shall be computed as being equivalent to twenty-four (24) square feet (2.2 m²) of

roof area, based upon a rate of rainfall of four (4) inches (102 mm) per hour.

M 8.0 Testing.

M 8.1 Testing Required. New building storm drainage systems and parts of existing systems that have been altered, extended or repaired shall be tested as described in Section 1508.2.1 to disclose leaks and defects.

M 8.2 Methods of Testing Storm Drainage Systems.

Except for outside leaders and perforated or open jointed drain tile, the piping of storm drain systems shall be tested upon completion of the rough piping installation by water or air, and proved tight. The administrative authority may require the removal of any cleanout plugs to ascertain if the pressure has reached all parts of the system. Either of the following test methods shall be used:

M 8.2.1 Water Test. After piping has been installed, the water test shall be applied to the drainage system, either in its entirety or in sections. If applied to the entire system, all openings in the piping shall be tightly closed except for the highest opening, and the system shall be filled with water to the point of overflow. If the system is tested in sections, each opening shall be tightly plugged except for the highest opening of the section under test, and each section shall be filled with water, but no section shall be tested with less than a ten

(10) foot (3048 mm) head of water. In testing successive sections, at least the upper ten (10) foot (3048 mm) of the next preceding section shall be tested so that no joint of pipe in the building (except the uppermost ten (10) foot (3048 mm) of a roof drainage system, which shall be filled with water to the flood level of the uppermost roof drain) shall have been submitted to a test of less than a ten (10) foot (3048 mm) head of water. The water shall be kept in the system or in the portion under test for at least fifteen (15) minutes before inspection starts; the system shall then be tight at all points.

M 8.2.2 Air Test. The air test shall be made by attaching an air compressor testing apparatus to any suitable opening after closing all other inlets and outlets to the system, forcing air into the system until there is a uniform gage pressure of five (5) psi (34.5 kPa) or sufficient to balance a column of mercury ten (10) inches (254 mm) in height. This pressure shall be held without introduction of additional air for a period of at least fifteen (15) minutes.

M 8.2.3 Exceptions. When circumstances exist that make air and water tests, described in Sections 1508.2.1 and 1508.2.2 above, impractical, and for minor maintenance, repairs and installations, the administrative authority may perform the inspection as considered advisable by said authority to assure that the work has been in accordance with provisions of this code.

**TABLE M-1
Sizing Roof Drains, Leaders, and Vertical Rainwater Piping**

Size of Drain, Leader or Pipe, Inches	Flow, gpm	Maximum Allowable Horizontal Projected Roof Areas Square feet at Various Rainfall Rates					
		1"/Hr	2"/Hr	3"/Hr	4"/Hr	5"/Hr	6"/Hr

100	9.1	1286	643	429	321	257	214
125	16.5	2334	1117	778	583	467	389
150	26.8	3790	1895	1263	948	758	632
200	57.6	8175	4088	2725	2044	1635	1363

Notes: 1. The sizing data for vertical conductors, leaders, and drains is based on the pipes flowing 7/24 full.
2. For rainfall rates other than those listed, determine the allowable roof area by dividing the area given in the 1 inch/hour (25 mm/hr) column by the desired rainfall rate.

3. Vertical piping may be round, square, or rectangular. Square pipe shall be sized to enclose its equivalent round pipe. Rectangular pipe shall have at least the same cross-sectional area as its equivalent round pipe, except that the ratio of its side dimensions shall not exceed 3 to 1.

Chapter 51-57 WAC

STATE BUILDING CODE ADOPTION AND AMENDMENT OF APPENDIX A AND APPENDIX I OF THE 2000 EDITION OF THE UNIFORM PLUMBING CODE

NEW SECTION

WAC 51-57-001 Authority. These rules are adopted under the authority of chapter 19.27 RCW.

NEW SECTION

WAC 51-57-002 Purpose. The purpose of these rules is to implement the provisions of chapter 19.27 RCW, which provides that the state building code council shall maintain the State Building Code in a status which is consistent with the purpose as set forth in RCW 19.27.020. In maintaining the codes, the council shall regularly review updated versions of the codes adopted under the act, and other pertinent information, and shall amend the codes as deemed appropriate by the council.

NEW SECTION

WAC 51-57-003 Uniform Plumbing Code standards. The 2000 edition of the Uniform Plumbing Code Standards (Appendixes A and I), published by the International Association of Plumbing and Mechanical Officials are hereby adopted by reference.

NEW SECTION

WAC 51-57-007 Exceptions. The exceptions and amendments to the Uniform Codes contained in the provisions of chapter 19.27 RCW shall apply in cases of conflict with any of the provisions of these rules.

NEW SECTION

WAC 51-57-008 Implementation. The Uniform Plumbing Code Standards adopted by chapter 19.27 RCW shall become effective in all counties and cities of this state on July 1, 2002, unless local government residential amendments have been approved by the state building code council.

NEW SECTION

WAC 51-57-790000 Installation Standard 7-90—Polyethylene cold water building supply and yard piping.

604.1 Location. Polyethylene piping may terminate within a building or structure. The connection to the potable water distribution system shall be accessible, except that it may be buried underground outside of the building or structure in an accessible location. Barbed insert fittings with hose clamps are prohibited within a building.

PERMANENT

NEW SECTION

WAC 51-57-895000 Installation Standard 8-95—PVC cold water building supply and yard piping.

604.1 Location. PVC piping may terminate within a building or structure. The connection to the potable water distribution system shall be accessible, except that it may be buried underground outside of the building or structure in an accessible location.

WSR 02-01-120**PERMANENT RULES****DEPARTMENT OF
RETIREMENT SYSTEMS**

[Filed December 19, 2001, 8:34 a.m.]

Date of Adoption: December 13, 2001.

Purpose: The Department of Retirement Systems (DRS) is making enhancements to its definition section in WAC 415-02-030. Words and phrases commonly used in the retirement systems (such as "pop-up") are being added to the definition section, and the definition section itself in some cases will now serve as a small "director" for finding applicable RCWs/WACs. Existing definitions are being revised into language that is easier to understand.

Citation of Existing Rules Affected by this Order: Amending WAC 415-02-030.

Statutory Authority for Adoption: RCW 41.50.050(5).

Adopted under notice filed as WSR 01-22-102 on November 7, 2001.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 1, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 1, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: Thirty-one days after filing.

December 13, 2001

John Charles
Director

AMENDATORY SECTION (Amending WSR 00-10-016, filed 4/21/00, effective 5/22/00)

WAC 415-02-030 Definitions. ~~((Unless the context requires otherwise, the following terms shall have the meanings established below:))~~ This section contains a central location for definitions of words and phrases used in the department of retirement system's rules. It also serves as a directory for finding definitions within the RCWs and WACs.

(1) **Accumulated contributions** means the sum of all contributions paid into a member's defined benefit account, including interest.

(2) **Appeal** means the ~~((process))~~ proceeding through which a party obtains review of a department action in an adjudicative proceeding ~~((before the department's presiding officer or hearings examiner under chapter 415-08 WAC))~~ conducted under chapter 34.05 RCW (the Administrative Procedure Act) and chapter 415-08 WAC (the department's appeal rules).

~~((2))~~ (3) **Average final compensation** - is defined in RCW 41.32.010(30) (TRS); RCW 41.35.010(14) (SERS); RCW 41.40.010(17) (PERS); and RCW 43.42.120(15) (WSP).

(4) **Cafeteria plan** means a "qualified" employee benefit program under section 125 of the Internal Revenue Code, such as certain health and welfare plans.

(5) **Compensation earnable or earnable compensation** definitions can be found in RCW 41.32.010(10) and 41.32.345 (TRS); RCW 41.35.010(6) (SERS); and RCW 41.40.010(8) (PERS).

(6) **Contribution rate is:**

(a) For employees: The fraction (percent) of compensation a member contributes to a retirement system each month.

(b) For employers: The fraction (percent) of payroll a member's employer contributes to a retirement system each month. Contribution rates vary for the different systems and plans.

(7) **Deferred compensation** refers to the amount of the participant's compensation which the participant voluntarily defers from earnings before taxes.

(8) **Defined benefit plan** is a pension plan in which a lifetime retirement benefit is available, based on the member's service credit and compensation.

(9) **Defined contribution plan** is a plan in which part of members' or participants' earnings are deferred into an investment account in which tax is deferred until funds are withdrawn. The benefit is based on the contribution rate and the amount of return from the investment of the contributions. Members or participants receive the full market rate of return minus expenses. There is no guaranteed rate of return and the value of an account will increase or decrease based upon market fluctuations.

(10) **Department** means the department of retirement systems.

~~((3))~~ (11) **Dependent care assistance salary reduction plan (DCAP)** is a plan that allows an eligible employee of the state of Washington to set aside a "before tax" portion of his or her gross salary before federal income and Social Security taxes to be used for the reimbursement of dependent care expenses.

~~((2))~~ **Director** means the director of the department of retirement systems.

~~((4))~~ (13) **Employee** ~~((under this chapter,))~~ means a worker who performs labor or services for a retirement systems employer under the control and direction of the employer as determined under WAC 415-02-110(2). An employee may be eligible to participate as a member of one of the state-administered retirement systems according to eligibility requirements specified under the applicable retirement system.

~~((5))~~ (14) **Employer** is defined in RCW 41.26.030(2) (LEOFF), 41.32.010(11) (TRS), 41.34.010(5) (Plan 3), 41.35.010(4) (SERS), and 41.40.010(4) (PERS).

(15) **Final average salary** is defined in RCW 41.26.030(12) (LEOFF).

(16) **Gainsharing** is the process through which members of certain plans share in the extraordinary investment gains on earnings on retirement assets under chapters 41.31 and 41.31A RCW.

~~((6))~~ (17) **Independent contractor** ~~((under this chapter,))~~ means a contract worker ~~((providing services under contract to a retirement system employer for remuneration))~~ who is not under the direction or control of the employer as determined under WAC 415-02-110 (2) and (3).

~~((6))~~ (18) **Member** means a person who is ~~((entitled to))~~ included in the membership ~~((in))~~ of one of the retirement systems created by chapters 2.10, 2.12, 41.26, 41.32, 41.34, 41.35, 41.40, or 43.43 RCW.

~~((7))~~ (19) **Participant** means an eligible employee who participates in a deferred compensation or dependent care assistance plan.

(20) **Participation agreement** means an agreement that an eligible employee signs to become a participant in a deferred compensation or dependent care assistance plan.

(21) **Pension plan** is a plan that provides a lifelong post retirement payment of benefits to employees.

(22) **Petition** means the method by which a party ~~((seeks))~~ requests a review of an administrative determination prior to an appeal to the director. The department's petitions examiner performs the review under chapter ~~((415-04))~~ 415-04 WAC.

~~((8))~~ (23) **Plan 1** means the retirement plans in existence prior to the enactment of chapters 293, 294 and 295, Laws of 1977 ex. sess.

~~((9))~~ (24) **Plan 2** means the retirement plans established by chapters 293, 294 and 295, Laws of 1977 ex. sess., and chapter 341, Laws of 1998.

~~((10))~~ (25) **Plan 3** means the retirement plans established by chapter 239, Laws of 1995 ~~((and))~~, chapter 341 Laws of 1998, and chapter 247 Laws of 2000.

~~((11))~~ (26) **Pop-up** is a term that the department uses to refer to the benefit available to a retiree where the survivor of a retiree receiving a benefit reduced by a survivor option predeceases the retiree. Example: Linda is receiving a retirement benefit reduced by a survivor option for her husband, Joe. Joe dies before Linda. Linda's monthly retirement allowance increases. The department refers to the increase as a "pop-up."

(27) **Portability** is the ability to use membership in more than one Washington state retirement system in order to qual-

ify for retirement benefits. See chapters 41.54 RCW and 415-113 WAC.

(28) **Public record** is defined in RCW 42.17.020(36).

(29) **Restoration** is the process of restoring a member's service credit for prior periods.

(30) ~~((²))~~**Retirement system employer**(~~"~~—means "employer" as defined in RCW 41.26.030(2), 41.32.010(11), 41.34.010(5), 41.35.010(4), or 41.40.010(4), and a "city" or "cities" as defined in RCW 41.44.030(2)-.) - see **"employer."**

(31) **Rollover** means a distribution that is paid to or from an eligible retirement plan within the statutory time limit allowed.

(32) **Separation date** is the date a member ends employment in a position eligible for retirement or disability benefit coverage.

~~((12))~~ **"Worker"** means a person who performs services for a retirement system employer either as an employee or as an independent contractor.)) (33) **Survivor** means a person designated by the member to receive a monthly benefit allowance after the member dies.

(34) **The Uniform Services Employment and Reemployment Rights Act of 1994** is the federal law that requires employers to reemploy and preserve job security, pension and welfare benefits for qualified employees who engage in military service.

Number of Sections Adopted in Order to Comply with Federal Statute: New 6, Amended 13, Repealed 13; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 6, Amended 13, Repealed 13.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Other Findings Required by Other Provisions of Law as Precondition to Adoption or Effectiveness of Rule: These rules must go into effect on January 1, 2002, to comply with changes in federal tax law.

Effective Date of Rule: January 1, 2002.

Director

DEFERRED COMPENSATION PLAN ESTABLISHED

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-010 Deferred compensation plan established. In accordance with the provisions of RCW 41.50.030(2), 41.50.088(2), 41.50.770, and 41.50.780, and as provided in Section 457 of the Internal Revenue Code, the state of Washington hereby establishes the deferred compensation plan for employees of the state of Washington and approved political subdivisions of the state of Washington, hereinafter referred to as the "plan." Nothing contained in this plan shall be deemed to constitute an employment agreement between the participant and the employer and nothing contained herein shall be deemed to give a participant any right to be retained in the employ of the employer.

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-110 Definitions. (1) **Accumulated deferrals.** (~~"Accumulated deferrals"~~ means) Compensation deferred under the plan, adjusted by income received, increases or decreases in investment value, fees, and any prior distributions made.

(2) **Beneficiary.** A beneficiary of a participant, a participant's estate, or any other person whose interest in the plan is derived from the participant.

(3) **Compensation.** All payments made to a public employee by the employer as remuneration for services rendered.

(4) **Deferred compensation.** The amount of the participant's compensation which the participant and the employer

WSR 02-01-121

PERMANENT RULES

DEPARTMENT OF RETIREMENT SYSTEMS

[Filed December 19, 2001, 8:38 a.m., effective January 1, 2002]

Date of Adoption: December 18, 2001.

Purpose: Make changes to deferred compensation under the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA). Some housekeeping changes are also being made, such as putting all definitions into one WAC section.

Citation of Existing Rules Affected by this Order: Repealing WAC 415-501-120, 415-501-130, 415-501-140, 415-501-150, 415-501-160, 415-501-170, 415-501-180, 415-501-190, 415-501-200, 415-501-210, 415-501-300, 415-501-490 and 415-501-500; and amending WAC 415-501-010, 415-501-110, 415-501-380, 415-501-415, 415-501-420, 415-501-430, 415-501-470, 415-501-485, 415-501-486, 415-501-487, 415-501-495, 415-501-530, and 415-501-600.

Statutory Authority for Adoption: RCW 41.50.050(5).

Other Authority: RCW 41.50.030(2), 41.50.088(2), 41.50.770, and 41.50.780, 26 U.S.C. (Internal Revenue Code) and related tax regulations.

Adopted under notice filed as WSR 01-21-132 on October 24, 2001.

Changes Other than Editing from Proposed to Adopted Version: WAC 415-501-494 edited to default to guardianships, rather than custodianships; WAC 415-501-305 is NOT being repealed.

shall mutually agree (prior to the date on which such compensation is earned) will be deferred.

(5) Department. The department of retirement systems created by RCW 41.50.020.

(6) Eligible employee. Any person who is employed by and receives any type of compensation from the employer for whom services are provided, and who is a full-time, permanent part-time working half-time, or more, or career seasonal employee of the employer, whether or not covered by civil service; an elected or appointed official of the executive branch of the government, including any full-time member of a board, commission, or committee; a justice of the supreme court, or a judge of the court of appeals or of a superior court; or a member of the state legislature.

(7) Eligible rollover distribution. A distribution to a participant of any or all funds from an eligible retirement plan unless it is:

(a) One in a series of substantially equal annuity payments;

(b) One in a series of substantially equal installment payments payable over ten years or more;

(c) Required to meet minimum distribution requirements of the plan; or

(d) Distributed for hardship or unforeseeable emergency from a 457 plan.

(8) Employee retirement benefits board. The board created by RCW 41.50.086.

(9) Employer.

(a) The state of Washington; and

(b) Approved political subdivisions of the state of Washington.

(10) Normal retirement age. The range of ages between:

(a) The earliest age at which an eligible participant has the right to receive retirement benefits without actuarial adjustment under any employer-authorized plan; and

(b) Age seventy and one-half.

(11) Participant. An eligible employee who has submitted a participation agreement that is approved by DRS.

(12) Participation agreement. The agreement executed by an eligible employee pursuant to WAC 415-501-410, in which the eligible employee chooses to become a plan participant.

(13) Severance of employment. Termination of employment with an employer.

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-380 Department may require court order. The department or the employer, if in doubt concerning the correctness of their action in making a distribution of accumulated deferrals, may suspend distribution until satisfied as to the correctness of the distribution or the person to receive the distribution or to allow the filing in any state court of competent jurisdiction of a civil action seeking a determination of the amounts to be paid and the persons to receive them. The department and the employer shall comply with the final orders of the court in any such suit; and the participant, for the participant and the participant's beneficiary or

beneficiaries, consents to be bound thereby. Whenever distribution of accumulated deferrals is suspended pursuant to this section, the time for a participant or beneficiary making any ~~((election under WAC 415-501-490))~~ choice under WAC 415-501-485 or 415-501-491 through 415-501-494 shall not begin until amount(s) and person(s) entitled are determined either by a written agreement of all parties concerned or by a court judgment that has become final.

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-415 ((Plan to plan transfers.)) Transfers into plan from eligible retirement plans. ~~((The only transfers allowable under Section 457 of the Internal Revenue Code are from one eligible Section 457 plan to another eligible Section 457 plan.~~

(1) Transfers into the plan following a change in employment. If a participant was formerly a participant in an eligible deferred compensation plan (within the meaning of Section 457 of the Internal Revenue Code and its regulations), which permits the direct transfer of the participant's interest to another plan, then this plan shall accept assets representing the value of such interest. However, the department may require in its sole discretion that some or all of such interest be transferred in cash or its equivalent. Such amount shall be held, accounted for, administered, and otherwise treated in the same manner as compensation deferred by the participant under this plan. Only the amount, if any, transferred to the plan which was deferred under the transferor plan in the taxable year when transfer occurs shall be treated as compensation deferred under the plan in such year.

Transfer of the participant's interest will not be allowed if the participant has made any irrevocable distribution election, with respect to such interest, under the transferor plan.

(2) Transfers out of the plan following a change in employment.

If a participant, prior to making an irrevocable distribution election under WAC 415-501-409, accepts employment with an employer who offers an eligible Section 457 plan, and the participant becomes a participant in that plan, then accumulated deferrals may, at the election of the participant and after written notice to the department, be transferred to the other plan, provided that plan provides for the acceptance of such transfers.

(3) Transfers by employees of participating political subdivisions. Transfers of funds by an employee of a participating political subdivision are allowed to and from other Section 457 plans of the Internal Revenue Code maintained by the political subdivision, but only if the other plan also allows the proposed transfer and the participant has not made an irrevocable distribution election relating to either plan.

(4) Application for transfer. If the conditions in subsection (1), (2), or (3) of this section are met and the participant wishes to transfer his/her account, the participant shall complete the appropriate form and/or other documents as may be required by the department. **(1) Ability to transfer in.** A participant may transfer pretax contributions into the department's deferred compensation plan:

(a) Through a direct transfer of an eligible rollover distribution from an individual retirement account (IRA) or from a former employer's retirement plan; or

(b) Through a direct transfer from another 457 plan maintained by a participating political subdivision while the participant remains employed by the political subdivision.

(2) Distributions from the plan attributable to amounts transferred into the plan from non-457 plans may be subject to an additional 10% tax on early distributions. The department will keep a separate accounting of funds rolled into the plan from non-457 eligible retirement plans for this purpose.

(3) Rollover application. To transfer money into a deferred compensation account, a participant must complete the appropriate form. Forms are available through the department or on its website (<http://www.wa.gov/drs/dcp/>).

NEW SECTION

WAC 415-501-416 Transfers from plan into other eligible retirement plans. (1) Ability to transfer out. Subject to the rules of the receiving plan, a participant may transfer funds from the department's deferred compensation plan:

(a) Through a rollover of an eligible rollover distribution into an individual retirement account (IRA) or another employer-sponsored retirement plan after separation from service;

(b) Through a direct transfer into another IRC section 457 plan after the participant severs employment;

(c) Through a direct transfer into another 457 plan maintained by a participating political subdivision made while the participant remains employed by the political subdivision; or

(d) To purchase eligible service credit under WAC 415-501-417.

(2) **Ability of surviving spouse to transfer out.** As a beneficiary, the surviving spouse of a participant may transfer eligible rollover distributions from the participant's account into his or her own eligible retirement plan.

(3) Funds that are transferred into a non-457 plan will be governed by the rules of the receiving plan.

(4) **Rollover application.** To transfer money from a deferred compensation account, a participant or the surviving spouse of a participant must complete the appropriate form. Forms are available through the department or on its website (<http://www.wa.gov/drs/dcp/>).

NEW SECTION

WAC 415-501-417 Using deferred compensation funds to purchase service credit. (1) What is allowed. Subject to the requirements of the receiving retirement plan, a participant may make a direct transfer of funds from his or her deferred compensation account to purchase, restore, or reinstate eligible service credit in any government retirement plan.

(2) **Who is eligible.** Any plan participant may transfer funds, whether or not employed at the time of the transfer.

(3) **How to request a transfer.**

(a) A participant may request a transfer by submitting a completed form to the department.

(b) Forms are available through DRS or on its website (<http://www.wa.gov/drs/dcp/>).

(4) **Tax consequences.** Participants are advised to consult with a tax professional regarding the tax consequences of this transaction.

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-420 Annual deferral limits. ((1)) Except as provided in WAC 415-501-430, relating to catch-up, the maximum that may be deferred under the plan for any taxable year of a participant shall not exceed the lesser of eight thousand dollars, adjusted for the calendar year to reflect cost-of-living increases in accordance with Sections 457(e)(15) and 415(d) of the Internal Revenue Code (dollar deferral limit) or thirty-three and one-third percent of the participant's includible compensation, each reduced:

(a) ~~By any amount excludable from the participant's gross income for that taxable year under Section 403(b) of the Internal Revenue Code; and~~

(b) ~~By any amount:~~

(i) ~~Excluded from gross income under Section 402(e)(3) or 402(h)(1)(B) of the Internal Revenue Code (relating to a participant's elective deferrals to simplified employee pensions) for that taxable year;~~

(ii) ~~For which a deduction is allowable for that taxable year by reason of a contribution to an organization described in Section 501(c)(18) of the Internal Revenue Code (relating to pension trusts created before June 25, 1959, forming part of a plan for payment of benefits under a pension plan funded only by contributions of employees); or~~

(iii) ~~Which is deferred by a participant under Section 401(k) of the Internal Revenue Code (relating to qualified cash or deferred arrangement) during that taxable year; and~~

(e) ~~By any amount the participant contributes to any other Section 457 of the Internal Revenue Code plan (relating to deferred compensation plan(s)) during the taxable year.~~

(2) ~~"Includible compensation" for purposes of this section means includible compensation as defined in Section 457(e)(5) of the Internal Revenue Code and as further defined by Treasury Department Regulation 1.457-2(e)(2) interpreting that section, and is determined without regard to community property laws. Includible compensation for a taxable year includes only compensation from the employer that is attributable to services performed for the employer and that is includible in the participant's gross income for the taxable year for federal income tax purposes. Accordingly, a participant's includible compensation for a taxable year does not include an amount payable by the employer that is excludable from the employee's gross income under:~~

(a) ~~Section 457 of the Internal Revenue Code;~~

(b) ~~Section 403(b) of the Internal Revenue Code (relating to annuity contracts purchased by Section 501(c)(3) of the Internal Revenue Code organizations or public schools);~~

(c) ~~Section 105(d) of the Internal Revenue Code (relating to wage continuation plans);~~

(d) ~~Section 911 of the Internal Revenue Code (relating to citizens or residents of the United States living abroad);~~

(e) ~~Section 402(e)(3) or 402(h)(1)(B) or 402(k) of the Internal Revenue Code (relating to simplified employee pensions);~~

(f) Section 501 (c)(18) of the Internal Revenue Code (relating to certain pension trusts); or

(g) Section 401(k) of the Internal Revenue Code (relating to qualified cash or deferred arrangements);

(3) In computing includible compensation, total gross compensation as shown on earnings statements must be reduced by:

(a) Section 414(h) of the Internal Revenue Code, before tax contributions to retirement plans (including those described in RCW 41.04.440, 41.04.445, and 41.04.450); and

(b) Any Section 125 of the Internal Revenue Code contributions to cafeteria plans (including those which include such items as dependent care salary reduction plans) before excluding the items listed in subsection (2)(a) through (g) of this section.) (1) Except as provided in WAC 415-501-430 (catch-up provisions), the maximum that a participant may defer under the plan for any taxable year shall not exceed the lesser of:

(a) One hundred percent of the participant's includible compensation; or

(b) The annual deferral amount in the following table:

For taxable year beginning in calendar year:	Annual deferral amount:
2001	\$8,500
2002	\$11,000
2003	\$12,000
2004	\$13,000
2005	\$14,000
2006	\$15,000
Beginning January 1, 2007	\$15,000 plus cost-of-living adjustments, if any, established by the IRS under 26 USC 457

(2) "Includible compensation" for purposes of this section means includible compensation as defined in IRC Section 457 (e)(5), and as further defined by Treasury Department Regulation 1.457-2 (e)(2) interpreting that section, and is determined without regard to community property laws.

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-430 "Catch-up" provisions. ((For one or more of the participant's last three taxable years ending before attaining normal retirement age under the plan, the maximum deferral shall be the lesser of:

(1) Fifteen thousand dollars for the taxable year, reduced in the same manner as the dollar deferral limit is reduced in WAC 415-501-420; or

(2) The sum of:

(a) The limits established for purposes of WAC 415-501-420 of the plan for the taxable year (determined without regard to this section); plus

(b) So much of the limit established under WAC 415-501-420 for taxable years before the taxable year as has not

theretofore been used under WAC 415-501-420 or 415-501-430. A prior taxable year shall be taken into account only if:

(i) It begins after December 31, 1978;

(ii) The participant was eligible to participate in the plan during all or any portion of the taxable year, and;

(iii) Compensation deferred (if any) under the plan during the taxable year was subject to a maximum limit (as established under WAC 415-501-420).

A prior taxable year includes a taxable year in which the participant was eligible to participate in an eligible plan sponsored by another entity. In no event can the participant elect to have the catch-up provision apply more than once whether or not the full catch-up had been utilized.

"Normal retirement age," as used in chapter 415-501 WAC, means the range of ages:

Ending not later than age seventy and one half; and

Beginning not earlier than the earliest age at which the participant has the right to retire under an employer authorized pension for which the participant is eligible and under which the participant will receive immediate retirement benefits without actuarial adjustment due to retirement prior to some later specified age in an employer authorized pension plan.

This catch-up provision may not be used in the year in which the participant attains age seventy and one half, and may not be used in any year thereafter.) Two "catch-up" options allow a participant to defer more than the annual deferral limit set forth in WAC 415-501-420. A participant may not use both catch-up provisions during the same taxable year.

(1) **Age fifty and over:** A participant may defer a higher amount during any plan year in which the participant is age fifty or older. The maximum a participant may defer each year shall be the sum of:

(a) The annual deferral amount in WAC 415-501-420 for the current taxable year; and

(b) The lesser of:

(i) Compensation available for deferral; or

(ii) The amount in the following table:

For taxable year beginning in calendar year:	Annual deferral amount:
2002	\$1,000
2003	\$2,000
2004	\$3,000
2005	\$4,000
2006	\$5,000
Beginning January 1, 2007	\$5,000 plus cost-of-living adjustments, if any, established by the IRS under 26 USC 414

(2) **Three years before normal retirement age:** A participant may defer a higher amount during a period of three consecutive years immediately preceding any taxable year the participant reaches normal retirement age as defined in

PERMANENT

WAC 415-501-110(10). The maximum a participant may defer during each of the three years shall be the lesser of:

(a) Twice the annual deferral amount under WAC 415-501-420(1); or

(b) The sum of:

(i) The annual deferral amount in WAC 415-501-420(1); plus

(ii) The portion of the participant's annual deferral amount for any prior taxable year that the participant has not previously used under WAC 415-501-420 or this subsection.

(3) For purposes of subsection (2)(b)(ii) of this section, a prior taxable year shall be taken into account only if:

(a) It begins after December 31, 1978;

(b) The participant was eligible to participate in the plan during any portion of the taxable year, or eligible to participate in an eligible 457 plan sponsored by another entity; and

(c) Compensation deferred under the plan during the taxable year (if any) was subject to a deferral limit under WAC 415-501-420.

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-470 Suspension and reinstatement of deferrals. Suspension. A participant may at any time, through the methods established by the department, direct that his((/)) or her deferrals cease. The direction to cease deferrals must be provided to the department or its designee no later than the last day of the month prior to the month during which the deferrals are to cease; however, accumulated deferrals shall be paid only as provided in ((WAC 415-501-480 through 415-501-500)) this chapter.

Reinstatement. A participant may reinstate deferrals at any time, except after having ceased deferrals as part of an unforeseeable emergency distribution request. A participant who has directed the cessation of deferrals as part of an unforeseeable emergency distribution request cannot resume deferrals sooner than six months after his((/)) or her deferrals ceased. Deferrals will begin the month immediately following the month that the resumption of deferrals is requested.

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-485 Distribution to participant ((after separation from service)). ((After separation from service, the participant shall be paid his/her accumulated deferrals in one or more installments as elected by the participant pursuant to WAC 415-501-490.)) Distribution from the plan is governed by IRC Sections 401 (a)(9) and 457(d), and these rules to the extent they are not inconsistent with the Internal Revenue Code. The options for distribution are set forth in the DCP Distribution Booklet. The booklet will be mailed to the participant upon notification from the employer of severance from service.

(1) **Date of distribution.** A participant may choose the date on which to begin distribution from his or her deferred compensation account, subject to the requirements in (a) through (c) of this subsection. The department must receive the election form at least thirty days prior to the date distribution is to begin.

(a) **Earliest date.** Distribution to a participant may not begin prior to the participant's severance from employment with the following three exceptions:

(i) A distribution for an unforeseeable emergency under WAC 415-501-510;

(ii) A voluntary in-service distribution under subsection (4) of this section; or

(iii) A distribution from non-457 funds that were rolled into the deferred compensation account.

(b) **Latest date.** Distribution to a participant must begin on or before April 1st of the calendar year following the latter of:

(i) The calendar year in which the participant reaches age seventy and one-half; or

(ii) The calendar year in which the participant retires.

(c) If a participant does not make a timely choice of distribution date, the department will begin distribution in accordance with the minimum distribution requirements in IRC Section 401 (a)(9).

(2) **Method of distribution.** The participant may choose a distribution method (amount and frequency) from the payment options outlined in the DCP Distribution Booklet. Payment options include a lump sum payment, periodic payments, or an annuity purchase.

(a) Periodic payments must be at least fifty dollars per month (if paid monthly) or six hundred dollars per year.

(b) Beginning at age seventy and one-half, payment must be in an amount to satisfy minimum distribution requirements in IRC Section 401 (a)(9).

(3) If the participant is rehired and reenrolls in the department's deferred compensation plan, the department will stop distribution to the participant and/or void any choices of distribution date and method made prior to reenrollment.

(4) **Voluntary in-service distribution.** An active participant may choose to receive an in-service distribution of the total amount payable to the participant under the plan if the following requirements are met:

(a) The total amount payable to the participant does not exceed five thousand dollars;

(b) The participant has not previously received an in-service distribution; and

(c) The participant's deferrals have been suspended during the preceding two-year period ending on the date of the in-service distribution.

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-486 Distribution in the event of participant's death ((of participant)). ((Should the participant die at any time, whether before or after separation from service, accumulated deferrals shall be paid to the beneficiary or beneficiaries designated by the participant pursuant to WAC 415-501-480. The accumulated deferrals shall be paid out as provided in WAC 415-501-480 through 415-501-500. If no beneficiary is designated, or if the designated beneficiary does not survive the participant by a period of thirty days, then a lump sum or series of distributions shall be paid, in accordance with WAC 415-501-480 through 415-501-500, to

~~the surviving spouse, or if none, a lump sum shall be paid to the estate of the participant.) If the participant dies before the entire deferred compensation account has been distributed, accumulated deferrals shall be paid to the beneficiary or beneficiaries designated by the participant pursuant to WAC 415-501-480. If no beneficiary is designated or if the designated beneficiary does not survive the participant by a period of thirty days, then accumulated deferrals shall be paid to the participant's surviving spouse, if any. If the participant has no surviving spouse, accumulated deferrals shall be paid to the participant's estate. Provisions regarding distribution to various classes of beneficiaries are set forth in WAC 415-501-491 through 415-501-494.~~

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

~~WAC 415-501-487 Distribution in the event of beneficiary's death ((of beneficiary)). ((In the event a beneficiary survives the participant by thirty days and becomes entitled to receive accumulated deferrals, accumulated deferrals shall become payable to the beneficiary's estate in the second month following the beneficiary's death, unless benefits are being paid in the form of an annuity, in which case the disposition of the remaining amount shall be determined by the annuity contract. Such annuity contracts shall be issued pursuant to the rules set forth in WAC 415-501-500.)) If a beneficiary becomes entitled to receive accumulated contributions under WAC 415-501-486 but dies before the participant's account is fully distributed, accumulated deferrals shall become payable to the beneficiary's estate in the second month following the notification of the beneficiary's death, unless benefits are being paid under an annuity purchased by the participant. If benefits were being paid under an annuity, distribution shall be governed by the terms of the annuity contract.~~

NEW SECTION

WAC 415-501-491 Distribution to a beneficiary, if distribution to the participant has previously begun. If a participant dies after distribution has begun but before the entire account has been exhausted, the participant's beneficiary(ies) must receive distribution at least as rapidly as was being paid to the participant. The options for distribution are set forth in the department's *DCP Distribution Booklet*. The booklet will be mailed to beneficiaries upon the notification of the death of a participant.

(1) **Date of distribution.** A beneficiary must choose a distribution date that is not less than ninety days from the date the department receives notification of the participant's death.

(2) **Method of distribution.** Subject to the requirements of (a) through (d) of this subsection, the beneficiary may choose a distribution method (amount and frequency) from the payment options outlined in the *DCP Distribution Booklet*. Payment options include a lump sum payment or periodic payments.

(a) The beneficiary must choose an amount and frequency that allows for distribution of the entire DCP account during the beneficiary's projected life expectancy.

(b) Distribution must continue in an amount that is at least equivalent to the amount previously received by the participant.

(c) Periodic payments must be at least fifty dollars per month (if paid monthly) or six hundred dollars per year.

(d) Life expectancies will be computed by the Department of the Treasury and set forth in IRS Regulation 1.72-9.

NEW SECTION

WAC 415-501-492 Distribution to a beneficiary, if distribution to the participant has not begun. If a participant dies before distribution has begun, the participant's beneficiaries will receive payment of the account according to the provisions of this section. The options for distribution are set forth in the *DCP Distribution Booklet*. The booklet will be mailed to beneficiaries upon the notification of death of a participant.

(1) **Date of distribution.** Subject to the requirements of this subsection, a beneficiary may choose the date on which to begin distribution from the participant's DCP account. The department must receive the election form at least thirty days prior to the date distribution is to begin.

(a) Distribution to a beneficiary must begin on or before April 1st of the calendar year following the latter of:

(i) The calendar year in which the participant would have reached age seventy and one-half; or

(ii) The calendar year in which the participant dies.

(b) The choice of distribution date may be further limited as set forth in subsection (2)(c) of this section. If a beneficiary does not make a timely choice of distribution date, the department will begin distribution in accordance with the minimum distribution requirements in IRC 401 (a)(9).

(2) **Method of distribution.** Subject to the requirements in subsection (1) of this section, beneficiaries may choose the following methods to receive distribution.

(a) **Spouse as beneficiary.** A spouse-beneficiary may choose to receive distribution over his or her projected life expectancy. Distributions must begin not later than:

(i) December 31st of the year following the year of the participant's death; or

(ii) December 31st of the year following the year the participant would have reached age seventy and one-half.

(b) **Nonspouse as beneficiary.** A nonspouse-beneficiary may choose to receive distribution over his or her lifetime, if the distributions begin not later than December 31st of the year following the year of the participant's death.

(c) **Five-year rule.** If a beneficiary does not begin distribution within the requirements of (a) or (b) of this subsection, distribution of the **entire** account must be completed within five years of the participant's death.

(d) Regardless of the method of distribution chosen, periodic distributions made by the department must be at least fifty dollars per month (if paid monthly) or six hundred dollars per year.

NEW SECTION

WAC 415-501-493 Distribution to an organization, estate, or trust as beneficiary. If the participant's beneficiary is an organization, estate, or trust, the department will

make the distribution as a lump sum in the second month following the notification of the participant's death.

NEW SECTION

WAC 415-501-494 Distribution to minor beneficiaries. (1) The department will distribute deferred compensation funds on behalf of a minor beneficiary only if it receives proof that the minor has either a court-appointed guardian or a custodian designated in compliance with RCW 11.114.030.

(2) If the department does not receive the proof in subsection (1) of this section, or if the guardian or custodian is unable or unwilling to serve, the department will request a court of competent jurisdiction to establish a guardianship under chapters 11.88 and 11.92 RCW. The department will make this request no sooner than one hundred eighty days after notification of the participant's death, regardless of the amount at issue.

(3) After a guardianship or custodianship has been established, either by prior designation or by court order, the department will transfer the deferred compensation funds to the named guardian or custodian.

(4) If a participant has more than one minor beneficiary, a separate custodianship must be established for each minor. Each minor's interest must be determined in accordance with the governing instrument and applicable law. Only one person may be the custodian for each minor.

(5) Written confirmation from the guardian or custodian that the funds have been delivered discharges the department from further liability for the deferred compensation funds transferred to the guardian or custodian on behalf of the minor.

(6) The custodian may choose a deferred compensation distribution date and method on behalf of the minor, consistent with the requirements of this chapter.

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-495 Domestic relations orders. (~~Domestic relations orders establish a right of the (ex) spouse to a portion of a participant's account after the participant separates from service.~~

~~(1) Order requirements. The department may, at its discretion, honor a court ordered or court approved decree of dissolution, decree of legal separation, or property settlement agreement incident to a court decree of dissolution or legal separation. In order for the department to honor the court ordered or court approved document, it must:~~

~~(a) Direct disbursement to (ex) spouse as a specified portion of the proceeds expressed as a current dollar amount or as a percentage of the value of the participant's deferred compensation account as of a specific date; and~~

~~(b) Require the participant to begin receiving distribution of proceeds from the plan not later than the April 1st immediately following the close of the year in which the participant separates from service; and~~

~~(c) Specify whether or not the participant, if he/she goes to work for another employer who offers an eligible Section 457 plan, shall have the right to transfer funds to the employer's Section 457 plan; and~~

~~(d) Be from a court of competent jurisdiction, be certified, and be personally served upon the department in a manner provided by the civil rules of superior court or applicable statute; and~~

~~(e) Provide a limitation, expressed as a cumulative dollar amount, above which the participant may not request and receive hardship withdrawals.~~

~~(2) A separate account for the (ex) spouse will be established for an order that is in compliance with subsection (1) of this section and honored by the department. Such an account will be established with the amount specified in subsection (1)(a) of this section.~~

~~(3) Distribution. If a participant has separated from service and makes an irrevocable distribution date election, distribution to the (ex) spouse will be made when distribution begins to the participant. The (ex) spouse may choose the method of distribution as provided in WAC 415-501-500.~~

~~(4) The department cannot honor an order directing immediate distribution into court, or to the spouse of an employee participant.) (1) The department will honor certain domestic relations orders (DRO) entered by a court of competent jurisdiction.~~

~~(2) The department will honor a DRO only if it:~~

~~(a) Establishes a right of a spouse or former spouse to a portion of a participant's deferred compensation account pursuant to a division of property;~~

~~(b) Clearly states either the dollar amount or a percentage of the account on a specific date to be transferred to the account of the spouse or former spouse from the participant's account; and~~

~~(c) Provides the name, address, date of birth, and Social Security number of the participant and the spouse or former spouse.~~

~~(3) To implement a DRO, the department will establish a separate account for the spouse or former spouse in the amount specified in subsection (2)(b) of this section. The amount will initially be invested in the savings pool. Thereafter, the spouse or former spouse may provide investment instructions under WAC 415-501-450.~~

~~(4) The participant's spouse or former spouse may choose a method of distribution, including a direct rollover.~~

~~(5) If a DRO filed with the department prior to January 1, 2002, provides that distribution to the former spouse is not available until the participant separates from service, the department will comply with the express terms of the order unless it is subsequently amended.~~

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-530 Termination of plan. The employer or the department may at any time terminate this plan. Upon such termination, accumulated deferrals will be paid pursuant to ((WAC 415-501-410 through 415-501-500 of the plan)) this chapter. The participants' deferrals will cease.

PERMANENT

AMENDATORY SECTION (Amending WSR 00-11-104, filed 5/18/00, effective 6/18/00)

WAC 415-501-600 Employer contributions. The employer may, pursuant to WAC 415-501-450 or 415-501-470, add additional deferred compensation for services to be rendered by the employee to the employer during any calendar month, provided:

(1) The employee has elected to have such additional compensation deferred, invested, and distributed, pursuant to this plan, prior to the calendar month in which the compensation is earned; and

(2) Such additional deferred compensation, when added to all other deferred compensation under the plan, does not exceed the maximum deferral permitted by ~~((WAC 415-501-410 through 415-501-500))~~ this chapter.

REPEALER

The following sections of the Washington Administrative Code are repealed:

- WAC 415-501-120 Beneficiary.
- WAC 415-501-130 Compensation.
- WAC 415-501-140 Deferred compensation.
- WAC 415-501-150 Department.
- WAC 415-501-160 Eligible employee.
- WAC 415-501-170 Employee retirement benefits board.
- WAC 415-501-180 Employer.
- WAC 415-501-190 Participant.
- WAC 415-501-200 Participation agreement.
- WAC 415-501-210 Separation from service.
- WAC 415-501-300 Department to adopt rules and regulations.
- WAC 415-501-490 Elections regarding distribution.
- WAC 415-501-500 Distribution of deferrals.

AMENDATORY SECTION (Amending WSR 00-20-065, filed 10/3/00, effective 11/3/00)

WAC 308-56A-090 Disclosure of individual vehicle owner information. ~~(((1) What vehicle record information is protected under chapters 42.17 and 46.12 RCW? Information protected under chapters 42.17 and 46.12 RCW includes:~~

- ~~(a) Name and address information;~~
- ~~(b) Social Security numbers;~~
- ~~(c) Medical or disability information;~~
- ~~(d) Telephone numbers.~~

~~(2) Who may obtain vehicle owner information on individual vehicle records? The following may obtain vehicle owner information:~~

- ~~(a) Individuals that provide personal identification;~~
- ~~(i) For vehicles currently registered in their name; or~~
- ~~(ii) For vehicles they can provide a bill of sale or document indicating that they purchased the vehicle.~~
- ~~(b) Businesses;~~
- ~~(c) Private investigators;~~
- ~~(d) Attorneys; and~~
- ~~(e) Government agencies.~~

~~(3) What information may be disclosed about a vehicle? The following information may be disclosed:~~

- ~~(a) To individuals:~~
 - ~~(i) Odometer history;~~
 - ~~(ii) Total number of previous owners;~~
 - ~~(iii) Foreign titles issued; and~~
 - ~~(iv) Insurance destroyed in or reported to Washington.~~
- ~~(b) To businesses, private investigators, attorneys, and government agencies, information relating to their course of business.~~

~~(4) What needs to be provided to the department in order to obtain vehicle information? To obtain vehicle information:~~

(a) Individuals are required to submit their request to the department.

(b) Washington businesses must provide:

(i) A completed form provided by the department; and

(ii) A copy of their current Washington master business license for Washington licensed businesses; or

(iii) Their Federal Employer Identification Number on their official letterhead with a notarized signature of the owner or their authorized representative for businesses not required to be licensed in Washington.

(c) Out-of-state businesses must provide a completed form provided by the department; and

(i) A copy of their current business license issued by the foreign jurisdiction where the business is authorized to do business; or

(ii) Their Federal Employer Identification Number on official letterhead with a notarized signature of the owner or their authorized representative for the foreign business not licensed in the foreign jurisdiction.

(d) Private investigators must provide a completed form provided by the department and a copy of their private investigator's license.

(e) Attorneys must provide a completed form provided by the department and a copy of their bar card or business license.

~~(5) Does a business need to supply a new form and copy of the business license each time vehicle information is requested? Yes, each time a request is made for vehicle information a new form and copy of the business license is needed, unless a contract exists between the business and the department.~~

~~(6) Are businesses allowed individual owner information on vehicle records? Yes, if a business qualifies under RCW 46.12.380 and 18.U.S.C. 27.21, (commonly known as Driver Privacy Protection Act) they may receive individual vehicle owner information.)) (1) What vehicle record owner information is protected from disclosure? Vehicle information protected from disclosure is the same as under chapters 42.17 and 46.12 RCW which includes:~~

~~(a) Name and address information;~~

~~(b) Social Security numbers;~~

~~(c) Medical or disability information; and~~

~~(d) Telephone numbers.~~

~~(2) Who may receive disclosure of individual vehicle owner names and addresses?~~

~~(a) Government agencies that require use of name and address information in their normal course of business;~~

~~(b) Any business entity that requires use of name and address information in their normal course of business in accordance with these rules;~~

~~(c) Vehicle manufacturers who require vehicle ownership information for recall of their product;~~

~~(d) Individuals that provide proof of personal identification:~~

~~(i) For vehicles currently registered in their name; or~~

~~(ii) For vehicles they can provide a bill of sale or acceptable documents indicating that they purchased the vehicle.~~

Business and government entities requesting disclosure of individual vehicle owner names and addresses must enter into a disclosure agreement with the department.

(3) What documentation does the department require to disclose vehicle owner name(s) and address(es)? The department requires:

(a) A signed and notarized vehicle/vessel record disclosure request application form provided by the department and completed by the applicant indicating the specific purpose for which the information will be used; and

(b) A disclosure agreement with the department as required by RCW 46.12.380.

(c) Acceptable business entity verification; or

(d) A contract with the department.

(4) What is acceptable business verification? For purposes of this section acceptable business verification includes:

(a) If the requester is a licensed Washington business, a copy of its current master business license;

(b) If the requester is a business that is not required to be licensed in this state, its federal employer identification number/federal tax number (or Uniform Business Identifier) on official letterhead with a notarized signature of the owner or an authorized representative;

(c) If an attorney, a copy of the current bar card; or

(d) If a private investigator, a copy of the current private investigator's license.

(5) Does a business need to supply a new form and copy of the business license each time vehicle information is requested? Yes, each time a request is made for vehicle information a new form and copy of the business license is needed, unless a contract exists between the business and the department.

(6) If a business entity has entered into a contract or agreement with the department, is a separate request for each inquiry required? No. If a business entity has entered into a signed contract between the business and the department, a separate request for each inquiry is not required.

(7) Are businesses allowed individual owner information on vehicle records? Yes, if a business requires individual owner information to conduct its regular business and qualifies under RCW 46.12.380 and 18 U.S.C. 27.21 (commonly known as Driver Privacy Protection Act), it may receive individual vehicle owner information.

(8) Who may release the vehicle owner name and address information?

(a) The public disclosure unit of the vehicle services division of the department of licensing; or

(b) Agents and subagents, but only when disclosing information for purposes described in subsection (2)(d) of this section.

(9) When may the department disclose the individual name(s) and address(es) of vehicle owners? Notwithstanding the provisions of chapter 42.17 RCW, the department may disclose names and addresses of vehicle owners when:

(a) The requesting party is a business entity that requests the information for use in their normal course of business;

(b) The request is in writing, signed by the person requesting disclosure, contains the full legal name and address of the requesting party and/or their business, and specifies the purpose for which the information will be used; and

(c) The requesting party enters into a disclosure agreement with the department in which the party:

(i) Agrees they will use the information only for the purpose stated in the request for the information; and

(ii) Will not use, or facilitate the use of the information for the purpose of making any unsolicited business contact with a person named in the disclosed information.

(10) What does the term "unsolicited business contact" mean? The term "unsolicited business contact" means a contact that is intended to result in or promote the sale of any goods or services to a person named in the disclosure information. The term does not apply to situations where the requesting party and such person have been involved in a business transaction prior to the date of the disclosure request and where the request is made in connection with the transaction.

(11) Is the department required to notify the vehicle owner when ownership information is disclosed? When the department grants a request from an attorney or private investigator for information under this section, the department will provide notice to the vehicle owner that the request has been granted. The notice will provide the name and address of the requesting party. Additionally, if a contract holder releases owner information to a private investigator or attorney, they must notify the vehicle owner that a request has been granted, and include the name and address of the requesting party.

(12) How long will the department retain the request for disclosure of vehicle owner information? The department will retain the request for disclosure for three years.

(13) Who is responsible for assuring that the information is used appropriately? Any person, business, entity or association that receives vehicle owner information under this section is responsible for assuring that the information received is not used for a purpose contrary to the agreement between the person, business, entity or association and the department.

AMENDATORY SECTION (Amending WSR 99-08-065, filed 4/5/99, effective 5/6/99)

WAC 308-56A-270 Forms of signature. (1) **What signature format is acceptable to the department?** The department will accept:

(a) The signature of an individual in the same form as the name appears on the application or on the certificate of ownership.

(b) The signature containing initials corresponding to the first letter of the given name(s).

(c) The signature containing a given name(s) corresponding to the initials.

(d) Common nicknames such as Bob for Robert, Jim for James, Betty for Elizabeth, etc.

(e) The signature, any memorandum, name stamp, mark or sign made with the intent to authenticate and application for certificate of ownership or registration of any person provided in RCW 9A.04.110(23).

(2) **What form of signature is required for business owned vehicles?** Signatures for business owned vehicles must include:

(a) The name of the business or a commonly accepted abbreviation for the business;

(b) The signature of the person (~~who is signing~~) designated to sign on behalf of the business; and

(c) The title (~~of the~~) or position of (~~the~~) that person.

REPEALER

The following section of the Washington Administrative Code is repealed:

NEW SECTION

WAC 388-462-0020 Breast and cervical cancer treatment program (BCCTP) for women—Client eligibility.

(1) Effective July 1, 2001, a woman is eligible for categorically needy (CN) coverage under the BCCTP only when she:

(a) Has been screened for breast or cervical cancer under the center for disease control (CDC) breast and cervical cancer early detection program (BCCEDP);

(b) Is found to require treatment for either breast or cervical cancer or for a related precancerous condition;

(c) Is under sixty-five years of age;

(d) Is not eligible for another CN Medicaid program;

(e) Is uninsured or does not otherwise have creditable coverage;

(f) Meets residency requirements as described in WAC 388-468-0005;

(g) Meets Social Security Number requirements as described in WAC 388-476-0005; and

(h) Meets citizenship and alien status requirements as described in:

(i) WAC 388-424-0005 (1)(a) and (b); or

(ii) WAC 388-424-0010 (1) or (2)(a) and (b).

(2) The certification periods described in WAC 388-416-0015 (1), (4), and (6) apply to the BCCTP. Eligibility for Medicaid continues throughout the course of treatment as certified by the CDC-BCCEDP.

(3) Income and asset limits are set by the CDC-BCCEDP.

PERMANENT

WAC 388-290-0075 What are the steps the WCCC program takes to figure my family's WCCC eligibility and copayment amount?

(1) Determine your family size (under WAC 388-290-01050015)

Above 82% of the FPL up to 137.5% of the FPL	\$20
Above 137.50 of the FPL - 225% of the FPL	The dollar amount equal to subtracting 137.5% of FPL from countable income, multiplying by 44%, then adding \$20
Income above 225% of the FPL, you are not eligible for WCCC benefits.	

WAC 388-290-0085 When might my WCCC copayment change?

(d) ... exemption under WAC 388-290-0070(h) or

~~(32) If your copayment changes during your eligibility period, the change is effective the first of the month following the change.~~

~~(23) copayment ((until the end of) during your current eligibility period when your countable income remains eligible according to WAC 388-290-0075(3), at or below 225% of the FPL and:~~

~~(a) Your monthly countable income increases (to include lump sum payments); or~~

~~(3) If your copayment changes during your eligibility period, the change is effective the first of the month following the change.~~

WAC 388-290-0095 ~~How does the WCCC program decide when my WCCC benefits begin~~ If I receive temporary assistance for needy families (TANF) and I am determined eligible for WCCC, when do my benefits begin?

When you receive TANF, and are eligible for WCCC, your WCCC benefits begin when your eligible provider (under WAC 388-290-0125) begins is caring for your child and you have begun your approved activity under WAC 388-290-0040.:

~~(1) As described in WAC 388-290-0055(1); or~~

~~(2) When you have begun your approved activity under WAC 388-290-0040; and~~

~~(3) When your eligible provider begins caring for your child.~~

WAC 388-290-0100 When do WCCC benefits begin if I do not receive temporary assistance for needy families (TANF) and I am determined eligible for WCCC, when do my benefits begin?

(1) When you do not receive TANF and are eligible for WCCC your benefits begin as described in WAC 388-290-0055(1) or the date you apply for WCCC if you do not receive TANF and these following requirements are met:

(c) Your eligible provider (under WAC 388-290-0125) is eligible (under WAC 388-290-0125) and caring for your child.

(3) ... from your application date you ... process. Your ... (42) of this section.

WAC 388-290-0105 What is the process for my WCCC review for reauthorization of my WCCC benefits?

(1) You are asked required to complete a review of your WCCC benefits before the end date of your current child-care WCCC eligibility period. The WCCC program determines if you are still eligible by:

(a) Sending you a Requesting eligibility review notification thirty days information prior to the end date of your current WCCC authorization eligibility period; and

(b) Reviewing the requested information, when it is returned before the end of your current WCCC authorization.

(2) Your WCCC benefits may will resume continue without an interruption in benefits if:

(a) Your eligibility review information request is received no later than ten days after your previous authorization eligibility period ends;

(34) If you provide the requested review information to us more than ten days beyond your last eligibility period, you are determined eligible for WCCC and you: your request for WCCC is processed as a new application under WAC 388-290-0095 or 388-290-0100.

(a) Receive TANF, your benefit begin date is when:

(i) You begin your approved activity; and

(ii) Your eligible provider (under WAC 388-290-0125) is caring for your child.

(b) Do not receive TANF, your benefit begin date is the date:

(i) Your application is date stamped as received;

(ii) Your application is entered into our automated system as received or

(iii) Your eligible provider (under WAC 388-290-0125) is caring for your child, whichever is later.

WAC 388-290-0110 What circumstances might affect my on-going eligibility for the WCCC benefits and when might I be eligible again?

(a) ... acceptable copayment arrangements to pay the copayment are not made ...;

(c) ... requirements related to family size, income and approved activities.

WAC 388-290-0120 When doesn't advance and adequate notice of payment changes apply to me?

(5) ... not meet requirements under WAC 388-290-0130 (2) or (3);

WAC 388-290-0135 When I choose an in-home/relative provider, what information must I submit to receive WCCC benefits?

(3) A completed background inquiry form application; and

(e) ... provider that he/she their primary function while on duty is to provide child care. The in-home/relative child care provider will have the following responsibilities:

(i) ... child for whom the provider is responsible throughout the ...

EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 01-269—Filed December 6, 2001, 2:46 p.m.]

Date of Adoption: December 6, 2001.

Purpose: Amend commercial fishing rules.

Citation of Existing Rules Affected by this Order:
 Amending WAC 220-44-050.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this Finding: These rules were adopted by the Pacific Fisheries Management Council, and provide for harvest of available stocks of bottom fish, while reserving brood stock for future fisheries. There is insufficient time to promulgate permanent rules.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 1, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: Immediately.

December 6, 2001

J. P. Koenigs

Director

NEW SECTION

WAC 220-44-05000H Coastal bottom fish catch limits. Notwithstanding the provisions of WAC 220-44-050, effective immediately until further notice: (1) It is unlawful to possess, transport through the waters of the state, or land into any Washington port bottom fish taken from Marine Fish-Shellfish Management and Catch Reporting Areas 58B, 59A-1, 59A-2, 60A-1, 60A-2, 61, 62, or 63 in excess of the amounts or less than the minimum sizes, or in violation of any gear, handling or landing requirement, established by the Pacific Fisheries Management Council and published in the Federal Register, Volume 66, No. 234, published December 5, 2001. Therefore, persons must consult the federal regulations, which are incorporated by reference and made a part of Chapter 220-44 WAC. Where rules refer to the fishery management area, that area is extended to include Washington State waters coterminous with the Exclusive Economic Zone. A copy of the federal rules may be obtained by contacting Evan Jacoby at (360) 902-2930.

(2) At the time of landing of coastal bottom fish into Washington port, the fish buyer receiving the fish is required to clearly mark on the fish receiving ticket in the space reserved for dealer's use all legally defined trawl gear aboard the vessel at the time of delivery. The three trawl gear types are: midwater trawl, roller trawl and small foot rope trawl (foot rope less than eight inches in diameter). The notation of the gear type(s) aboard the vessel is required prior to the signing of the fish receiving ticket by the vessel representative.

(3) Vessels engaged in chartered research for National Marine Fisheries Service (NMFS) may land and sell bottomfish caught during that research without the catch being counted toward any trip or cumulative limit for the participating vessel. Vessels that have been compensated for research work by NMFS with an Exempted Fishing Permit (EFP) to land fish as payment for such research may land and sell fish authorized under the EFP without the catch being counted toward any trip or cumulative limit for the participating vessel. Any bottomfish landed during authorized NMFS research or under the authority of a compensating EFP for past chartered research work must be reported on a separate fish receiving ticket and not included on any fish receiving ticket reporting bottomfish landed as part of any trip or cumulative limit. Bottomfish landed under the authority of NMFS research work or an EFP compensating research with fish must be clearly marked "NMFS Compensation Trip" on the fish receiving ticket in the space reserved for dealer's use. The NMFS scientist in charge must sign the fish receiving ticket in the area reserved for dealer's use if any bottomfish are landed during authorized NMFS research. If the fish are landed under the authority of an EFP as payment for research work, the EFP number must be listed in the dealer's use space.

WSR 02-01-006
EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 01-270—Filed December 6, 2001, 2:48 p.m., effective December 11, 2001]

Date of Adoption: December 6, 2001.

Purpose: Amend commercial fishing rules.

Citation of Existing Rules Affected by this Order:
 Repealing WAC 220-52-07300L; and amending WAC 220-52-073.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Harvestable amounts of red and green sea urchins exist in the areas described. This provides for an expanded harvest schedule to take advantage of changing market conditions. Prohibition of all diving within two days of scheduled sea urchin openings discourages the practice of

fishing on closed days and hiding the unlawful catch underwater until the legal opening. The closures at Eagle Harbor and Sinclair Inlet protect public health and promote an orderly fishery. There is insufficient time to promulgate permanent rules.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 1, Amended 0, Repealed 1.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: December 11, 2001.

December 6, 2001

J. P. Koenings

Director

NEW SECTION

WAC 220-52-07300M Sea urchins. Notwithstanding the provisions of WAC 220-52-073, effective December 11, 2001 until further notice, it is unlawful to take or possess sea urchins taken for commercial purposes except as provided for in this section:

(1) Green sea urchins: Sea Urchin Districts 1 and 2 are open only on December 11, 12, 18, 19 and 20, 2001. Sea Urchin Districts 3 and 4 are open only on December 12, 19, 20 and 21, 2001. Marine Fish/Shellfish Management and Catch Reporting Areas 24A, 24B, 24C, 24D, 26B, 26C, 26D, and 28A are open only on December 11, 12, 18, 19, 20 and 21, 2001. The minimum size for green sea urchins is 2.25 inches (size in largest test diameter exclusive of the spines).

(2) Red sea urchins: Sea Urchin Districts 1, 2, 3, and 4 are open only on December 12, 19, 20, and 21, 2001. It is unlawful to harvest red sea urchins larger or smaller than the following size (size in largest test diameter exclusive of spines).

(a) Districts 1 and 2 - 4.0 minimum to 5.5 maximum inches.

(b) Districts 3 and 4 - 3.25 minimum to 5.0 maximum inches.

(3) It is unlawful to dive for any purpose from a commercially-licensed fishing vessel within Sea Urchin Districts 1 and 2 and Marine Fish/Shellfish Management and Catch Reporting Areas 24A, 24B, 24C, 24D, 26B, 26C, 26D, and 28A, except vessels actively fishing geoducks under contract with the Washington Department of Natural Resources on December 9, 10, 16, and 17, 2001. It is unlawful to dive for any purpose from a commercially-licensed fishing vessel within Sea Urchin Districts 3 and 4, except vessels actively fishing geoducks under contract with the Washington Depart-

ment of Natural Resources on December 10, 11, 17, and 18, 2001.

(4) The following areas are closed to the harvest of sea urchins at all times:

(a) Those waters of Eagle Harbor west of a line projected from Wing Point to Eagle Harbor Creosote Light Number 1, then due west to the shore on Bainbridge Island.

(b) The waters of Sinclair Inlet west of a line projected southerly from the easternmost point of Point Turner to landfall directly below the Veteran's Home in Annapolis.

REPEALER

The following section of the Washington Administrative Code is repealed effective December 11, 2001:

WAC 220-52-07300L Sea urchins. (01-263)

WSR 02-01-010

EMERGENCY RULES

DEPARTMENT OF

SOCIAL AND HEALTH SERVICES

(Economic Services Administration)

[Filed December 7, 2001, 8:01 a.m.]

Date of Adoption: December 3, 2001.

Purpose: Amend WAC 388-310-1300 to extend sponsorship of community jobs to private businesses.

Citation of Existing Rules Affected by this Order: Amending WAC 388-310-1300.

Statutory Authority for Adoption: RCW 74.08.090, 74.04.050, and 74.08A.340.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Approximately 20,000 adult recipients of temporary assistance for needy families (TANF) are at risk of using up all sixty months of TANF available to them without having developed the means to self-support. Many of these recipients may qualify for the community jobs program, which is a form of protected employment designed to get recipients ready to compete in the general job market. Community jobs placements are currently restricted to government (including tribal) and nonprofit agencies, and we are running out of placements. If we do not open community jobs to the private businesses as soon as possible, recipients may have to wait up to nine months for placement and lose several of the limited remaining TANF months.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 1, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 0, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 1, Repealed 0.

Effective Date of Rule: Immediately.

December 3, 2001

Brian H. Lindgren, Manager
Rules and Policies Assistance Unit

AMENDATORY SECTION (Amending WSR 99-08-051, filed 4/1/99, effective 5/2/99)

WAC 388-310-1300 Community jobs program. (1) What is the community jobs program?

The community jobs program (~~helps you gain work skills and experience by enrolling you in a temporary, subsidized job. You will also receive other services and support to help you move into unsubsidized employment as quickly as possible.~~

(a) ~~The state department of community, trade and economic development (DCTED) administers the community jobs program.~~

(b) ~~DCTED selects community jobs contractors (CJC) by using a competitive "requests for proposal" process. DCTED, based upon the successful proposals, develops contracts specific to each selected community jobs contractor.~~

(c) ~~The CJC's develop and manage the community jobs positions, pay the wages, provide support services and act as the "employer of record" while you are enrolled in a subsidized community job.~~

(d) ~~Employers at the community jobs work sites must take actions to help participants move into unsubsidized employment. If they do not meet this requirement, they will not be considered for additional community jobs employees.~~

(e) ~~The department of social and health services funds the community jobs program and reimburses your wages to the CJC's.~~

(2) How will I be affected if I am enrolled in the community jobs program?

If you are enrolled in the community jobs program:

(a) ~~Your case manager will assign you to a community job position for no more than nine months.~~

(b) ~~You may be assigned to a community job position when:~~

(i) ~~You have gone through job search without finding a job; and/or~~

(ii) ~~You and your case manager decide you need a supportive work environment to help you become more employable.~~

(e) ~~You may not be enrolled in any community jobs position that requires you to do work related to religious, electoral or partisan political activities.~~

(d) ~~You, your case manager and the CJC will review the appropriateness of your community jobs position every ninety days during your nine-month placement, looking at:~~

(i) ~~Your continued TANF/SFA eligibility;~~

(ii) ~~Any earned or unearned income received by you or another member of your assistance unit (that is, you and other people in your household who are included on your cash grant); and~~

(iii) ~~Whether the community jobs position is actually helping you become more employable.~~

(e) ~~You may work twenty or more hours per week in the community jobs position and will be paid the federal or state minimum wage, whichever is higher.~~

(f) ~~You will earn sick leave and annual leave at the rate agreed upon by DCTED and the CJC for community jobs participants.~~

(g) ~~The amount of your TANF/SFA monthly grant will be determined by following the rules in WAC 388-450-0050 and 388-450-0215 (1), (3), (4), (5) and (6). WAC 388-450-0215 (2), does not apply to your community jobs wages.~~

(3) What kind of employers provide community jobs work sites?

The CJC may ask the following categories of employers to provide you with a community job work site:

(a) ~~Federal, state or local governmental agencies and tribal governments; and~~

(b) ~~Private and tribal nonprofit businesses, organizations and educational institutions)) is a paid work experience that helps you gain work skills and experience by placing you in a temporary job where your wages are paid by the community jobs program. You will also receive other services and support to help your move into a job where your employer pays all your wages.~~

(2) Who runs the community jobs program?

The state department of community, trade, and economic development (DCTED) runs the community jobs program. They contract with the community jobs contractors (CJC) who develop and manage the community jobs positions, pay the wages, provide support services and act as the "employer of record" while you are enrolled in a community job.

(3) What types of work sites are used to provide community jobs?

The following work sites may be used to provide community jobs:

(a) Federal, state or local governmental agencies and tribal governments;

(b) Private and tribal nonprofit businesses, organizations and educational institutions;

(c) Private for profit businesses.

(4) What are the requirements for the work sites?

Work sites:

(a) Must help you move into a job where the employer pays all your wages. If they do not meet this requirement, they will not be considered for additional community jobs employees.

(b) Cannot require you to do work related to religious, electoral or partisan political activities.

(5) What are the benefits of community jobs?

You benefit from community jobs by:

(a) Learning work skills;

(b) Getting work experience;

(c) Working twenty or more hours per week, while being paid federal or state minimum wage, whichever is higher; and

(d) Earning sick leave and personal leave at the rate agreed upon by DCTED and the CJC.

(6) How do I get into community jobs?

You will be placed into community jobs after you and your case manager decide:

(a) You would benefit from CJ after you finished job search without finding a job; and/or

(b) You need a supportive work environment to help you become more employable.

(7) What happens after I am placed in the community jobs program?

When you are placed in the community jobs program:

(a) You will be assigned to a community job position for no more than nine months;

(b) Your placement in community jobs will be reviewed every ninety days during your nine-month placement for the following:

(i) Your continuing TANF/SFA eligibility;

(ii) Any earned or unearned income received by you or another member of your assistance unit (that is, you and other people in your household who are included on your cash grant); and

(iii) Whether the community jobs position is actually helping you become more employable.

(8) How does community jobs affect my TANF benefits?

The amount of your TANF/SFA monthly grant will be determined by following the rules in WAC 388-450-0050 and 388-450-0215 (1), (3), (4), (5) and (6). WAC 388-450-0215(2), does not apply to your community jobs wages.

compliance with the requirements of WAC 284-04-500 adopted in (R 2000-08). The initial rules caused some unintended consequences. A previous emergency was adopted on this subject (R 2001-04) to allow this expanded exemption prior to the effective date of the underlying rules. This emergency will continue to grant some licensees (particularly the agent community) an opportunity to avoid possible administrative costs and liability issues during the time of the expedited permanent rule making.

Effective Date of Rule: Immediately.

December 6, 2001

Mike Kreidler

Insurance Commissioner

AMENDATORY SECTION (Amending Matter No. R 2000-08, filed 1/9/01, effective 2/9/01)

WAC 284-04-120 Definitions. As used in this chapter, unless the context requires otherwise:

- (1) "Affiliate" means any company that controls, is controlled by or is under common control with another company.
- (2) "Clear and conspicuous" means that a notice is reasonably understandable and designed to call attention to the nature and significance of the information in the notice.

Examples.

- (a) Reasonably understandable. A licensee makes its notice reasonably understandable if it:
 - (i) Presents the information in the notice in clear, concise sentences, paragraphs, and sections;
 - (ii) Uses short explanatory sentences or bullet lists whenever possible;
 - (iii) Uses definite, concrete, everyday words and active voice whenever possible;
 - (iv) Avoids multiple negatives;
 - (v) Avoids legal and highly technical business terminology whenever possible; and
 - (vi) Avoids explanations that are imprecise and readily subject to different interpretations.
- (b) Designed to call attention. A licensee designs its notice to call attention to the nature and significance of the information in it if the licensee:
 - (i) Uses a plain-language heading to call attention to the notice;
 - (ii) Uses a typeface and type size that are easy to read;

EMERGENCY

**WSR 02-01-034
EMERGENCY RULES
OFFICE OF THE
INSURANCE COMMISSIONER**

[Insurance Commissioner Matter No. R 2001-16—Filed December 10, 2001, 10:29 a.m.]

Date of Adoption: December 6, 2001.

Purpose: Amend WAC 284-04-120 to create an exemption from WAC 284-04-500 for a licensee relying on another licensee's compliance.

Citation of Existing Rules Affected by this Order: Amending WAC 284-04-120.

Statutory Authority for Adoption: RCW 48.02.060, 48.18.120, 48.20.450, 48.20.460, 48.30.010, 48.44.050, 48.46.100, 48.46.200, 48.43.505, Gramm-Leach-Bliley Act (Public Law 102-106) section 501(b) and 505 (b)(2).

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: The commissioner has filed an expedited rule making to permanently amend privacy requirements adopted in R 2000-08 (the "GLB" or "Privacy" rules). WAC 284-04-120 is amended to create an additional exemption that allows a licensee to rely on another licensee's

- (iii) Provides wide margins and ample line spacing;
- (iv) Uses boldface or italics for key words; and
- (v) In a form that combines the licensee's notice with other information, uses distinctive type size, style, and graphic devices, such as shading or sidebars.

(c) Notices on websites. If a licensee provides a notice on a web page, the licensee designs its notice to call attention to the nature and significance of the information in it if the licensee uses text or visual cues to encourage scrolling down the page if necessary to view the entire notice and ensure that other elements on the website (such as text, graphics, hyperlinks or sound) do not distract attention from the notice, and the licensee either:

(i) Places the notice on a screen that consumers frequently access, such as a page on which transactions are conducted; or

(ii) Places a link on a screen that consumers frequently access, such as a page on which transactions are conducted, that connects directly to the notice and is labeled appropriately to convey the importance, nature, and relevance of the notice.

(3) "Collect" means to obtain information that the licensee organizes or can retrieve by the name of an individual or by identifying number, symbol or other identifying particular assigned to the individual, irrespective of the source of the underlying information.

(4) "Commissioner" means the insurance commissioner of the state.

(5) "Company" means a corporation, limited liability company, business trust, general or limited partnership, association, sole proprietorship or similar organization.

(6) "Consumer" means an individual who seeks to obtain, obtains or has obtained an insurance product or service from a licensee that is to be used primarily for personal, family or household purposes and about whom the licensee has nonpublic personal information, or that individual's legal representative.

Examples.

(a) An individual who provides nonpublic personal information to a licensee in connection with obtaining or seeking to obtain financial, investment or economic advisory services relating to an insurance product or service is a consumer regardless of whether the licensee establishes an ongoing advisory relationship.

(b) An applicant for insurance prior to the inception of insurance coverage is a licensee's consumer.

(c) An individual who is a consumer of another financial institution is not a licensee's consumer solely because the licensee is acting as agent for, or provides processing or other services to, that financial institution.

(d) An individual is a licensee's consumer if:

(i) The individual is a beneficiary of a life insurance policy underwritten by the licensee;

(ii) The individual is a claimant under an insurance policy issued by the licensee;

(iii) The individual is an insured or an annuitant under an insurance policy or an annuity, respectively, issued by the licensee; or

(iv) The individual is a mortgagor of a mortgage covered under a mortgage insurance policy; and

(v) The licensee discloses nonpublic personal financial information about the individual to a nonaffiliated third party other than as permitted under WAC 284-04-400, 284-04-405, and 284-04-410.

(e) Provided that the licensee provides the initial, annual and revised notices under WAC 284-04-200, 284-04-205, and 284-04-220 to the plan sponsor, group or blanket insurance policy holder or group annuity contract holder, workers' compensation plan participant and further provided that the licensee does not disclose to a nonaffiliated third party nonpublic personal financial information about such an individual other than as permitted under WAC 284-04-400, 284-04-405, and 284-04-410, an individual is not the consumer of such licensee solely because he or she is:

(i) A participant or a beneficiary of an employee benefit plan that the licensee administers or sponsors or for which the licensee acts as a trustee, insurer or fiduciary;

(ii) Covered under a group or blanket insurance policy or annuity contract issued by the licensee; or

(iii) A beneficiary in a workers' compensation plan.

(f) The individuals described in (e)(i) through (iii) of this subsection are consumers of a licensee if the licensee does not meet all the conditions of (e) of this subsection.

(g) In no event shall such individuals, solely by virtue of the status described in (e)(i) through (iii) of this subsection, be deemed to be customers for purposes of this chapter.

(i) An individual is not a licensee's consumer solely because he or she is a beneficiary of a trust for which the licensee is a trustee.

(ii) An individual is not a licensee's consumer solely because he or she has designated the licensee as trustee for a trust.

(7) "Consumer reporting agency" has the same meaning as in section 603(f) of the Federal Fair Credit Reporting Act (15 U.S.C. 1681a(f)).

(8) "Control" means:

(a) Ownership, control or power to vote twenty-five percent or more of the outstanding shares of any class of voting security of the company, directly or indirectly, or acting through one or more other persons;

(b) Control in any manner over the election of a majority of the directors, trustees or general partners (or individuals exercising similar functions) of the company; or

(c) The power to exercise, directly or indirectly, a controlling influence over the management or policies of the company, as the commissioner determines.

(9) "Customer" means a consumer who has a customer relationship with a licensee.

(10) "Customer relationship" means continuing relationship between a consumer and a licensee under which the licensee provides one or more insurance products or services to the consumer that are to be used primarily for personal, family or household purposes.

Examples.

(a) A consumer has a continuing relationship with a licensee if:

(i) The consumer is a current policyholder of an insurance product issued by or through the licensee; or

(ii) The consumer obtains financial, investment or economic advisory services relating to an insurance product or service from the licensee for a fee.

(b) A consumer does not have a continuing relationship with a licensee if:

(i) The consumer applies for insurance but does not purchase the insurance;

(ii) The licensee sells the consumer airline travel insurance in an isolated transaction;

(iii) The individual no longer is a current policyholder of an insurance product or no longer obtains insurance services with or through the licensee;

(iv) The consumer is a beneficiary or claimant under a policy and has submitted a claim under a policy choosing a settlement option involving an ongoing relationship with the licensee;

(v) The consumer is a beneficiary or a claimant under a policy and has submitted a claim under that policy choosing a lump sum settlement option;

(vi) The customer's policy is lapsed, expired, paid up or otherwise inactive or dormant under the licensee's business practices, and the licensee has not communicated with the customer about the relationship for a period of twelve consecutive months, other than annual privacy notices, material required by law or regulation, communication at the direction of state or federal authority or promotional materials;

(vii) The individual is an insured or an annuitant under an insurance policy or annuity, respectively, but is not the policyholder or owner of the insurance policy or annuity; or

(viii) For the purposes of this chapter, if the individual's last known address according to the licensee's records is deemed invalid. An address of record is deemed invalid if mail sent to that address by the licensee has been returned by the postal authorities as undeliverable and if subsequent attempts by the licensee to obtain a current valid address for the individual have been unsuccessful.

(11) "Financial institution" means any institution the business of which is engaging in activities that are financial in nature or incidental to such financial activities as described in section 4(k) of the Bank Holding Company Act of 1956 (12 U.S.C. 1843(k)).

(a) Financial institution does not include:

(i) Any person or entity with respect to any financial activity that is subject to the jurisdiction of the Commodity Futures Trading Commission under the Commodity Exchange Act (7 U.S.C. 1 et seq.);

(ii) The Federal Agricultural Mortgage Corporation or any entity charged and operating under the Farm Credit Act of 1971 (12 U.S.C. 2001 et seq.); or

(iii) Institutions chartered by Congress specifically to engage in securitizations, secondary market sales (including sales of servicing rights) or similar transactions related to a transaction of a consumer, as long as such institutions do not sell or transfer nonpublic personal information to a nonaffiliated third party.

(12) "Financial product or service" means any product or service that a financial holding company could offer by engaging in an activity that is financial in nature or incidental to such a financial activity under section 4(k) of the Bank Holding Company Act of 1956 (12 U.S.C. 1843(k)).

Financial service includes a financial institution's evaluation or brokerage of information that the financial institution collects in connection with a request or an application from a consumer for a financial product or service.

(13) "Health care" means: Preventive, diagnostic, therapeutic, rehabilitative, maintenance or palliative care, services, procedures, tests or counseling that:

(a) Relates to the physical, mental or behavioral condition of an individual; or

(b) Affects the structure or function of the human body or any part of the human body, including the banking of blood, sperm, organs or any other tissue; or

(c) Prescribing, dispensing or furnishing to an individual drugs or biologicals, or medical devices or health care equipment and supplies.

(14) "Health care provider" means a physician or other health care practitioner licensed, accredited or certified to perform specified health services consistent with state law or a health care facility.

(15) "Health information" means any information or data, except age or gender, whether oral or recorded in any form or medium, created by or derived from a health care provider or the consumer that relates to:

(a) The past, present or future physical, mental or behavioral health or condition of an individual;

(b) The provision of health care to an individual; or

(c) Payment for the provision of health care to an individual.

(16) "Insurer" includes health care service contractor, HMO, and fraternal benefit society.

(17) "Insurance product or service" means any product or service that is offered by a licensee pursuant to the insurance laws of this state.

Insurance service includes a licensee's evaluation, brokerage or distribution of information that the licensee collects in connection with a request or an application from a consumer for an insurance product or service.

(18) "Licensee" means all licensed insurers, health care service contractors, HMO's, and fraternal benefit societies, producers and other persons licensed or required to be licensed, or authorized or required to be authorized, or registered or required to be registered pursuant to the insurance law of this state.

(a) A licensee is not subject to the notice and opt out requirements for nonpublic personal financial information set forth in WAC 284-04-100 through 284-04-400 or the notice and policy development and implementation procedures of WAC 284-04-500 if the licensee is an employee, agent or other representative of another licensee ("the principal") and:

(i) The principal otherwise complies with, and provides the notices required by, the provisions of this regulation; and

(ii) The licensee complies with the principal's privacy policies and does not disclose any nonpublic personal information to any person other than the principal or its affiliates in a manner permitted by this regulation.

(b)(i) Subject to (b)(ii) of this subsection, "licensee" shall also include an unauthorized insurer that accepts business placed through a licensed excess lines broker in this state, but only in regard to the excess lines placements placed pursuant to section [insert section] of this state's laws.

(ii) An excess lines broker or excess lines insurer shall be deemed to be in compliance with the notice and opt out requirements for nonpublic personal financial information set forth in WAC 284-04-100 through 284-04-400 provided:

(A) The broker or insurer does not disclose nonpublic personal information of a consumer or a customer to nonaffiliated third parties for any purpose, including joint servicing or marketing under WAC 284-04-405, except as permitted by WAC 284-04-410 and 284-04-415; and

(B) The broker or insurer delivers a notice to the consumer at the time a customer relationship is established on which the following is printed in 16-point type:

PRIVACY NOTICE

"NEITHER THE U.S. BROKERS THAT HANDLED THIS INSURANCE NOR THE INSURERS THAT HAVE UNDERWRITTEN THIS INSURANCE WILL DISCLOSE NONPUBLIC PERSONAL INFORMATION CONCERNING THE BUYER TO NONAFFILIATES OF THE BROKERS OR INSURERS EXCEPT AS PERMITTED BY LAW"

(19) "Licensee" shall also include an unauthorized insurer that places business through a licensed excess line broker in this state, but only in regard to the excess line placements placed pursuant to of this state's laws.

(20) "Nonaffiliated third party" means any person except:

(a) A licensee's affiliate; or

(b) A person employed jointly by a licensee and any company that is not the licensee's affiliate (but nonaffiliated third party includes the other company that jointly employs the person).

Nonaffiliated third party includes any company that is an affiliate solely by virtue of the direct or indirect ownership or control of the company by the licensee or its affiliate in conducting merchant banking or investment banking activities of the type described in section 4(k)(4)(H) or insurance company investment activities of the type described in section 4(k)(4)(I) of the Federal Bank Holding Company Act (12 U.S.C. 1843 (k)(4)(H) and (I.))

(21) "Nonpublic personal information" means nonpublic personal financial information and nonpublic personal health information.

(22)(a) "Nonpublic personal financial information" means:

(i) Personally identifiable financial information; and

(ii) Any list, description or other grouping of consumers (and publicly available information pertaining to them) that is derived using any personally identifiable financial information that is not publicly available.

(b) Nonpublic personal financial information does not include:

(i) Health information;

(ii) Publicly available information, except as included on a list described in (a)(i) of this subsection; or

(iii) Any list, description or other grouping of consumers (and publicly available information pertaining to them) that is derived without using any personally identifiable financial information that is not publicly available.

Examples of lists.

Nonpublic personal financial information includes any list of individuals' names and street addresses that is derived in whole or in part using personally identifiable financial information that is not publicly available, such as account numbers.

Nonpublic personal financial information does not include any list of individuals' names and addresses that contains only publicly available information, is not derived in whole or in part using personally identifiable financial information that is not publicly available, and is not disclosed in a manner that indicates that any of the individuals on the list is a consumer of a financial institution.

(23) "Nonpublic personal health information" means health information:

(a) That identifies an individual who is the subject of the information; or

(b) With respect to which there is a reasonable basis to believe that the information could be used to identify an individual.

(24) "Personally identifiable financial information" means any information:

(a) A consumer provides to a licensee to obtain an insurance product or service from the licensee;

(b) About a consumer resulting from any transaction involving an insurance product or service between a licensee and a consumer; or

(c) The licensee otherwise obtains about a consumer in connection with providing an insurance product or service to that consumer.

Examples.

(i) Information included. Personally identifiable financial information includes:

(A) Information a consumer provides to a licensee on an application to obtain an insurance product or service;

(B) Account balance information and payment history;

(C) The fact that an individual is or has been one of the licensee's customers or has obtained an insurance product or service from the licensee;

(D) Any information about the licensee's consumer if it is disclosed in a manner that indicates that the individual is or has been the licensee's consumer;

(E) Any information that a consumer provides to a licensee or that the licensee or its agent otherwise obtains in connection with collecting on a loan or servicing a loan;

(F) Any information the licensee collects through an Internet "cookie" (an information collecting device from a web server); and

(G) Information from a consumer report.

(ii) Information not included. Personally identifiable financial information does not include:

(A) Health information;

(B) A list of names and addresses of customers of an entity that is not a financial institution; and

(C) Information that does not identify a consumer, such as aggregate information or blind data that does not contain personal identifiers such as account numbers, names or addresses.

(25)(a) "Publicly available information" means any information that a licensee has a reasonable basis to believe is lawfully made available to the general public from:

- (i) Federal, state or local government records;
- (ii) Widely distributed media; or
- (iii) Disclosures to the general public that are required to be made by federal, state or local law.

(b) Reasonable basis. A licensee has a reasonable basis to believe that information is lawfully made available to the general public if the licensee has taken steps to determine:

- (i) That the information is of the type that is available to the general public; and
- (ii) Whether an individual can direct that the information not be made available to the general public and, if so, that the licensee's consumer has not done so.

(c) Examples.

(i) Government records. Publicly available information in government records includes information in government real estate records and security interest filings.

(ii) Widely distributed media. Publicly available information from widely distributed media includes information from a telephone book, a television or radio program, a newspaper or a website that is available to the general public on an unrestricted basis. A website is not restricted merely because an Internet service provider or a site operator requires a fee or a password, so long as access is available to the general public.

(iii) Reasonable basis.

(A) A licensee has a reasonable basis to believe that mortgage information is lawfully made available to the general public if the licensee has determined that the information is of the type included on the public record in the jurisdiction where the mortgage would be recorded.

(B) A licensee has a reasonable basis to believe that an individual's telephone number is lawfully made available to the general public if the licensee has located the telephone number in the telephone book or the consumer has informed you that the telephone number is not unlisted.

**WSR 02-01-051
EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE**

[Order 01-271—Filed December 11, 2001, 4:40 p.m.]

Date of Adoption: December 11, 2001.

Purpose: Amend commercial fishing rules.

Citation of Existing Rules Affected by this Order:
Repealing WAC 220-52-04700G and 220-52-04700H.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: The coastal crab fishery opening was delayed by a work stoppage, and gear that should

have been set was not. This rule provides for safety in setting gear, and provides for the economic well being of the industry. There is insufficient time to adopt permanent rules.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 1, Amended 0, Repealed 2.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: Immediately.

December 11, 2001

J. P. Koenings

Director

by Larry Peck

NEW SECTION

WAC 220-52-04700H Barging of crab pots—Delayed opening. Notwithstanding the provisions of WAC 220-52-046, effective immediately until 11:59 p.m. December 14, 2001:

(1) It is lawful for a vessel not designated on a Dungeness-crab coastal fishery license to be used to deploy crab pot gear for the licensee, provided that the licensee is aboard when the gear is being deployed and the deploying vessel carries no more than 250 crab pots at any one time.

(2) Violation of this section shall be enforced under RCW 77.15.520

REPEALER

The following section of the Washington Administrative Code is repealed:

WAC 229-52-04700G	Barging of crab pots by undesignated vessels extended.
-------------------	--

The following section of the Washington Administrative Code is repealed effective 12:01 a.m., December 15, 2001:

WAC 220-52-04700H	Barging of crab pots—Delayed opening.
-------------------	---------------------------------------

Reviser's note: The section above appears as filed by the agency pursuant to RCW 34.08.040; however, the reference to WAC 229-52-04700G is probably intended to be WAC 220-52-04700G.

EMERGENCY

WSR 02-01-058
EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 01-273—Filed December 12, 2001, 4:50 p.m.]

Date of Adoption: December 12, 2001.

Purpose: Amend commercial fishing rules.

Citation of Existing Rules Affected by this Order: Repealing WAC 220-32-05700M and 220-32-05700N; and amending WAC 220-32-057.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Closes sturgeon set line fishery in Bonneville Pool. The set line season in John Day Pool remains open. Harvestable numbers of sturgeon are available on the guidelines in the John Day Pool. Consistent with compact action of December 12, 2001. Conforms state rules with tribal rules. There is insufficient time to promulgate permanent regulations.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 1, Amended 0, Repealed 2.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: Immediately.

December 12, 2001

Evan Jacoby

for Jeff Koenings

Director

NEW SECTION

WAC 220-32-05700N Columbia River sturgeon seasons above Bonneville Dam. Notwithstanding the provisions of WAC 220-32-057, effective immediately, it is unlawful to take, fish for or possess sturgeon taken for commercial purposes in Columbia River Salmon Management Catch Reporting Areas 1F, 1G, and 1H, except those individuals possessing treaty fishing rights under the Yakima, Warm Springs, Umatilla, and Nez Perce treaties may fish for sturgeon under the following provisions:

1) Dates: Immediately through 6:00 p.m. December 31, 2001.

a) Open area: 1H.

b) Gear: Set line gear.
 c) During the season specifies in Section 1, it is unlawful to use set line gear:

a) with more than 100 hooks per set line

b) with hooks less than the minimum size of 9/0

c) with treble hooks

d) without visible buoys attached and with buoys that do not specify operator and tribal identification.

2) During the seasons specified above, it is unlawful to:

a) retain for commercial purposes sturgeon less than 48 inches or greater than 60 inches in length.

b) sell, barter, or attempt to sell or barter sturgeon eggs that have been removed from the body cavity of a sturgeon prior to sale of the sturgeon to a wholesale dealer licensed under chapter RCW 77.65, or to sell or barter sturgeon eggs at retail.

c) deliver to a wholesale dealer licensed under chapter RCW 77.65 any sturgeon that are not in the round with the head and tail intact.

3) All standard dam and river mouth sanctuaries remain in effect.

REPEALER

The following section of the Washington Administrative Code is repealed:

WAC 220-32-05700M	Columbia River sturgeon seasons above Bonneville Dam. (01-267)
-------------------	--

The following section of the Washington Administrative Code is repealed effective 6:01 p.m. December 31, 2001:

WAC 220-32-05700N	Columbia River sturgeon seasons above Bonneville Dam.
-------------------	---

EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 01-277—Filed December 14, 2001, 4:11 p.m.]

Date of Adoption: December 14, 2001.

Purpose: Amend commercial rules.

Citation of Existing Rules Affected by this Order: Repealing WAC 220-52-04700H and 220-52-04700I; and amending WAC 220-52-047.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: The coastal crab fishery opening was delayed by a work stoppage, and gear that should have been set was not. Impacted by extremely bad ocean conditions creating safety and navigation problems. This rule

provides for safety in setting gear, and provides for the economic well being of the industry. There is insufficient time to adopt permanent rules.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 1, Amended 0, Repealed 2.

NEW SECTION

WAC 220-52-04700I Barging of crab pots—Delayed opening. Notwithstanding the provisions of WAC 220-52-046, effective immediately until 11:59 p.m. December 21, 2001:

(1) It is lawful for a vessel not designated on a Dungeness-crab coastal fishery license to be used to deploy crab pot gear for the licensee, provided that the licensee is aboard when the gear is being deployed and the deploying vessel carries no more than 250 crab pots at any one time.

(2) Violation of this section shall be enforced under RCW 77.15.520.

REPEALER

The following section of the Washington Administrative Code is repealed:

WAC 220-52-04700H Barging of crab pots by undesignated vessels extended. (01-271)

The following section of the Washington Administrative Code is repealed effective 12:01 a.m. December 22, 2001:

WAC 220-52-04700I Barging of crab pots—Delayed opening.

**WSR 02-01-083
EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE**

[Order 01-272—Filed December 17, 2001, 8:49 a.m.]

Date of Adoption: December 13, 2001.

Purpose: Amend personal use rules.

Citation of Existing Rules Affected by this Order: Repealing WAC 232-28-61900H; and amending WAC 232-28-619.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Early winter steelhead returns to the hatchery have been strong. Through December 5 a total of one hundred eleven fish had return. Brood stock needs are expected to be met. There is insufficient time to promulgate permanent rules.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 1, Amended 0, Repealed 1.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: Immediately.

December 13, 2001

Director

by Larry Peck

NEW SECTION

WAC 232-28-61900H Exceptions to statewide rules—Grays River. Notwithstanding the provisions of WAC 232-28-619, effective December 15, 2001 through March 15, 2002, it is lawful to fish for steelhead in those waters of the West Fork Grays River from the mouth to the hatchery intake/footbridge (located about one mile upstream from the hatchery). The hatchery fishway downstream to the posted signs and the West Fork from the hatchery intake/footbridge upstream remains closed to all angling. Daily limit is two hatchery steelhead, minimum length 20 inches. All wild steelhead must be released.

REPEALER

The following section of the Washington Administrative Code is repealed effective 12:01 a.m. April 1, 2001:

WAC 232-28-61900H Exceptions to statewide rules—Grays River.

**WSR 02-01-110
EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE**

[Order 01-276—Filed December 18, 2001, 1:28 p.m., effective January 1, 2002, 12:01 a.m.]

Date of Adoption: December 18, 2001.

Purpose: Amend personal use rules.

Citation of Existing Rules Affected by this Order: Amending WAC 220-56-350 and 220-56-380.

Statutory Authority for Adoption: RCW 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This regulation is needed to adjust seasons to accommodate changes in resource abundance and state/tribal allocations. There is insufficient time to promulgate permanent rules.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's Own Initiative: New 2, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted Using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 0, Repealed 0.

Effective Date of Rule: January 1, 2002, 12:01 a.m.

December 18, 2001

WSBA
WASHINGTON STATE BAR ASSOCIATION

Lawyers' Fund for Client Protection (APR 15)
Procedural Rules

(Adopted by the Washington Supreme Court July 18, 1995; amended February 11, 1997; May 6, 1999; September 14, 2001)

RULE 1. PURPOSE

A. The purpose of these rules is to establish procedures pursuant to Rule 15 of the Admission to Practice Rules, to maintain and administer a Lawyers' Fund for Client Protection established as a trust by the Washington State Bar Association (WSBA), in order to promote public confidence in the administration of justice and the integrity of the legal profession.

B. Funds accruing and appropriated to the Fund may be used for the purpose of relieving or mitigating a pecuniary loss sustained by any person by reason of the dishonesty of, or failure to account for money or property entrusted to, any member of the WSBA in connection with the member's practice of law, or while acting as a fiduciary in a matter related to the member's practice of law. Such funds may also, through the Fund, be used to relieve or mitigate like losses sustained by persons by reason of similar acts of an individual who was at one time a member of the WSBA but who was at the time of the act complained of under a court ordered suspension.

C. The Fund shall not be used for the purpose of relieving any pecuniary loss resulting from an attorney's negligent performance of services.

RULE 2. ESTABLISHMENT OF THE FUND.

A. Trustees. Pursuant to APR 15, the members of the Board of Governors of the WSBA will serve during their terms of office as Trustees (Trustees) for the Fund to hold funds assessed by the Supreme Court for the purposes of the Fund. The WSBA President will serve as President of the Trustees.

B. Funding. The Trustees may recommend to the Supreme Court that it order an annual assessment of all active members of the WSBA in an amount recommended by the Trustees to be held by them in trust for the purposes of the Fund.

C. Enforcement. Any active member failing to pay any annual assessment on or before the date set for payment by the Supreme Court shall, after 60 days written notice sent to his or her last known business address as shown in the

records of the WSBA, be ordered suspended from the practice of law until the assessment is paid.

RULE 3. LAWYERS' FUND FOR CLIENT PROTECTION COMMITTEE

A. Membership. The Lawyers Fund for Client Protection Committee shall consist of 11 lawyers and 2 nonlawyers appointed by the Trustees for terms not exceeding 3 years each.

B. Vacancies. Vacancies on the Committee shall be filled by appointment of the Trustees.

C. Officers. The Trustees shall appoint a chairperson of the Committee for a term of one-year or until a successor is appointed. The secretary of the Committee shall be a staff member of the WSBA assigned to the Committee by the Executive Director of the WSBA.

D. Meetings. The Committee shall meet not less than once per year upon call of the chairperson, or at the request of the staff member of the WSBA, who shall not be entitled to vote on Committee matters.

E. Quorum. A majority of the Committee members, excluding the secretary, shall constitute a quorum.

F. Record of Meetings. The secretary shall maintain minutes of the Committee deliberations and recommendations.

G. Authority and Duties of Committee. The Committee shall have the power and authority to:

(1) Consider claims for reimbursement of pecuniary loss and make a report and recommendation regarding payment or nonpayment on any claim to the Trustees.

(2) Provide a full report of its activities annually to the Supreme Court and the Trustees and to make other reports and to publicize its activities as the Court or Trustees may deem advisable.

H. Conflict of Interest.

(1) A Committee member who has or has had a lawyer/client relationship or financial relationship with an applicant or lawyer who is the subject of an application shall not participate in the investigation or deliberation of an application involving that applicant or lawyer.

(2) A Committee member with a past or present relationship, other than that as provided in section (1), with an applicant or lawyer who is the subject of an application, shall disclose such relationship to the Committee and, if the Committee deems it appropriate, that member shall not participate in any action relating to that application.

RULE 4. APPLICATIONS FOR PAYMENT

A. Application Form. All applications for payment through the Lawyers Fund for Client Protection shall be made by submitting an application on a form approved by the Committee, and shall include all information requested on the form.

B. Disciplinary Complaints. Any person who has filed a disciplinary complaint with the WSBA alleging a loss occasioned by the dishonest conduct of a lawyer should be pro-

vided with a Lawyers Fund for Client Protection application form and given information about the Fund.

RULE 5. ELIGIBLE CLAIMS

A. Eligibility. To be eligible for payment from the Fund, the loss must be caused by the dishonest conduct of a lawyer or the failure to account for money or property entrusted to a lawyer in connection with the lawyer's practice of law, or while acting as a fiduciary in a matter related to the lawyer's practice of law.

B. Time Limitations. Any application must be made within three years from the date on which discovery of the loss was made or reasonably should have been made by the applicant, and in no event more than three years from the date the lawyer dies, is disbarred, is disciplined for misappropriation of funds, or is criminally convicted for matters relating to the applicant's loss, provided that the Trustees in their discretion may waive any limitations period for excusable neglect or other good cause.

C. Dishonest Conduct. As used in these rules, "dishonest conduct" or "dishonesty" means wrongful acts committed by a lawyer in the nature of theft or embezzlement of money or the wrongful taking or conversion of money, property or other thing of value, including but not limited to refusal to refund unearned fees as required by Rule 1.15 of the Rules of Professional Conduct.

D. Excluded Losses. Except as provided by Section E of this Rule, the following losses shall not be reimbursable:

(1) Losses incurred by partners and associates of the lawyer causing the loss;

(2) Losses covered by any bond, surety agreement, or insurance contract to the extent covered thereby, including any loss to which any bonding agent, surety, or insurer is subrogated, to the extent of that subrogated interest;

(3) Losses incurred by any financial institution which are recoverable under a "banker's blanket bond" or similar commonly available insurance or surety contract;

(4) Losses incurred by any business entity controlled by the lawyer or any person or entity described in Rule 5 D (1), (2) or (3);

(5) Losses incurred by any governmental entity or agency;

E. Special and Unusual Circumstances. In cases of special and unusual circumstances, the Committee may, in its discretion, consider an application which would otherwise be excluded by reason of the procedural requirements of these rules.

F. Unjust Enrichment. In cases where it appears that there will be unjust enrichment, or that the applicant contributed to the loss, the Committee may, in its discretion, recommend the denial of the application.

RULE 6. PROCEDURES

A. Ineligibility. Whenever it appears that an application is not eligible for reimbursement pursuant to Rule 5, the appli-

cant shall be advised of the reasons why the application may not be eligible for reimbursement.

B. Investigation and Report. The WSBA staff member assigned to the Committee shall conduct an investigation regarding any application. The investigation may be coordinated with any disciplinary investigation regarding the lawyer. The staff member shall report to the Committee and make a recommendation to the Committee.

C. Notification of Lawyer. The lawyer, or his or her representative, regarding whom an application is made shall be notified of the application and provided a copy of it, and shall be requested to respond within 20 days. A copy of these Rules shall be provided to the lawyer or representative.

D. Testimony. The Committee may request that testimony be presented to complete the record. Upon request, the lawyer or applicant, or their representatives, may be given an opportunity to be heard at the discretion of the Committee.

E. Finding of Dishonest Conduct. The Committee may make a finding of dishonest conduct for purposes of considering an application. Such a determination is not a finding of dishonest conduct for purposes of professional discipline.

F. Evidence and Burden of Proof. Consideration of an application need not be conducted according to technical rules relating to evidence, procedure and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence commonly accepted by reasonably prudent persons in the conduct of their affairs. The applicant shall have the burden of establishing eligibility for reimbursement by a clear preponderance of the evidence.

G. Pending Disciplinary Proceedings. Unless the Trustees otherwise direct, no application shall be acted upon during the pendency of a disciplinary proceeding or investigation involving the same act or conduct that is alleged in the claim.

H. Exhaustion of Remedies. The Committee may direct an applicant to seek reimbursement of a loss before making a recommendation to the Trustees on an application. This may include, but is not limited to, the following:

- (1) File a claim with the lawyer's insurance carrier;
- (2) File a claim on a bond, when appropriate;
- (3) File a claim with any and all banks which honored a financial instrument with a forged endorsement;
- (4) Request payment in writing from any lawyer who was a partner of the dishonest lawyer at the time of the dishonest conduct; or any lawyer who was a principal of the professional corporation in which the dishonest lawyer was an employee or member; or against the employer of the dishonest lawyer; or
- (5) Commence appropriate legal action against the lawyer or against any third party or entity who may be liable for the applicant's loss.

I. Public Participation. Public participation at Committee meetings shall be permitted only by prior permission granted by the Committee chairperson.

J. Committee Action.

(1) Actions of the Committee Which Are Final Decisions. A decision by the Committee on an application for payment of \$10,000 or less — whether such decision be to make payment, to deny payment, to defer consideration, or for any action other than payment of more than \$10,000 — shall be final and without right of appeal to the Trustees. [amended 9/14/01; to be reviewed in 1 year].

(2) Actions of the Committee Which Are Recommendations to the Trustees. A decision by the Committee (a) on an application for more than \$10,000, or (b) involving a payment of more than \$10,000 (regardless of the amount stated in the application), is not final and is a recommendation to the Trustees which shall have sole authority for final decisions in such cases.

RULE 7. ADJUDICATION BY TRUSTEES

A. A recommendation by the Committee (a) concerning applications for more than \$10,000, or (b) that payments of more than \$10,000 be made to applicants regarding any one lawyer, shall be reported to the Trustees which may, in its discretion, adopt, modify, disapprove or take any other appropriate action on the Committee's recommendation.

B. A decision of the Trustees shall be final and there shall be no right of appeal from that decision.

RULE 8. NOTIFICATION OF APPLICANT AND LAWYER

Both the applicant and the lawyer who is the subject of an application shall be advised of any decision of the Committee or the Trustees.

RULE 9. LIMITATIONS ON AMOUNT OF REIMBURSEMENT

The Trustees may, at their discretion, set limitations on the amount of reimbursement.

RULE 10. NO LEGAL RIGHT TO PAYMENT

Any and all payments made to applicants in connection with the Lawyers' Fund for Client Protection are gratuitous and are at the sole discretion of the Trustees.

RULE 11. RESTITUTION AND SUBROGATION

A. Restitution. A lawyer whose conduct results in payment to an applicant shall be liable to the Fund for restitution, and the Trustees may bring such action as they deem advisable to enforce restitution.

B. Subrogation. As a condition of payment, an applicant shall be required to provide the Fund with a pro tanto transfer of the applicant's rights against the lawyer, the lawyer's legal representative, estate or assigns; and of the claimant's rights against any third party or entity who may be liable for the applicant's loss.

C. Action to Enforce Restitution. In the event the Trustees commence a judicial action to enforce restitution, they shall advise the applicant who may then join in the action to recover any unreimbursed losses. If the applicant commences such an action against the lawyer or another entity who may be liable for the loss, the applicant shall notify the Fund who may join in the action.

D. Duty to Cooperate. As a condition of payment, the applicant shall be required to cooperate in all efforts that the Fund undertakes to achieve restitution.

Smith, J.

Sanders, J.

Johnson, J.

Bridge, J.

Madsen, J.

Chambers, J.

Ireland, J.

Owens, J.

RULE 12. COMPENSATION FOR REPRESENTING APPLICANTS

No lawyer shall charge or accept any payment for prosecuting an application on behalf of an applicant, unless such charge or payment has been approved by the Trustees.

RULE 13. CONFIDENTIALITY

A. Matters Which Are Public. The facts and circumstances which generated the loss, the Committee's findings of fact and recommendations to the Trustees with respect to payment of a claim, the amount of claim, the amount of loss as determined by the Committee, and the amount of payment authorized and made, shall be public. After payment is authorized, the name of the lawyer causing the loss shall be public.

B. Matters Which Are Not Public. The Committee's investigation and deliberations of any application; the name of the applicant, unless the applicant consents; or the name of the lawyer unless the lawyer consents or unless the lawyer's name is made public pursuant to these rules, shall not be public.

RULE 14. AMENDMENTS

These Rules may be amended, altered or repealed on the recommendation of the Committee by a vote of the Trustees, with the approval of the Supreme Court.

Reviser's note: The typographical error in the above material occurred in the copy filed by the State Supreme Court and appears in the Register pursuant to the requirements of RCW 34.08.040.

Reviser's note: The brackets and enclosed material in the text of the above section occurred in the copy filed by the State Supreme Court and appear in the Register pursuant to the requirements of RCW 34.08.040.

Proposed New
Superior Court Administrative Rule 6

ELECTED JUDGES PRO TEMPORE

(a) **Generally.** Wa. const. art. IV, § 7 and RCW 2.08.180 authorize the appointment of judges pro tempore. RCW 2.08.180(2) provides for the appointment of any elected sitting judge as an elected judge pro tempore.

(b) **Assignment and Qualifications.** The presiding judge of any superior court may, in the interest of justice, assign an elected sitting judge from the Supreme Court, Court of Appeals, District or Municipal Court to serve as an elected judge pro tempore. The presiding judge will obtain the consent of an elected judge pro tempore before making the assignment. Consent of the parties or attorneys is not required. The presiding judge will make these assignments based on the experience and demonstrated ability of the elected judge pro tempore with the subject matter and the level of complexity of the case.

(c) **Number and Publication of Judges Pro Tempore.** Each superior court shall file with the Administrative Office of the Courts (AOC) by February 1st the list of elected judges pro tempore to which it shall be assigning cases during the year commencing on April 1st. Each court may appoint a minimum of three (3) elected judges pro tempore or one (1) elected judge pro tempore for every five (5) sitting judges but in no event may the list contain more than fifteen (15) elected judges pro tempore. The list shall identify the court on which the elected judge pro tempore serves and the number of years of judicial service. The list shall be disseminated in the same manner as required for local court rules by GR 7 and also be published on the AOC website.

(d) **Date of Filing of Action Controls Assignment of Elected Judges Pro Tempore.** The list of elected judges pro tempore which is on file on the date of the filing of an action is the list from which an elected judge pro tempore shall be appointed by the presiding judge to hear matters for the duration of that case.

(e) **Notice of Change of Elected Judge Pro Tempore.** In addition to RCW 4.12.050, any party to or any attorney appearing in any case which is assigned to an elected judge pro tempore shall be entitled to one (1) notice of change of judge when that judge has been assigned a matter over which to preside. Counsel shall file any "Notice of Change of Judge" before the noticed judge has made any discretionary ruling in the case, either on the motion of the party filing the

GR 9 COVER SHEET

Suggested New Section

GR 23 (m)

RULE FOR CERTIFYING PROFESSIONAL GUARDIANS

Purpose: To authorize the Certified Professional Guardian Board (Board) to issue written ethics advisory opinions for Certified Professional Guardians (Guardians) and Certified Professional Guardian Agencies (Agencies.) The Board's procedure for issuing the opinions would be similar

to the procedure used by the Ethics Advisory Committee pursuant to GR 10 to issue ethics advisory opinions for judges.

The reasons for the Board to issue such opinions are as follows:

(1) To respond to inquiries from Guardians and Agencies who seek to maintain the highest level of practice.

(2) To respond to Guardians and Agencies who have a question regarding whether a specific practice is permitted under the Standards of Practice adopted by the Board.

(3) To educate all Guardians and Agencies regarding acceptable ethical practices.

The profession of certified professional guardian is a new one in the state of Washington. In 1997, the legislature passed Engrossed Second House Bill 1771 addressing the certification of guardians under RCW Title 11. (C 312, L 97.) Section 3 of the new law required the Office of the Administrator for the Courts (OAC) to study and make recommendations on implementing a system of certification of professional guardians.

In response to the OAC's recommendations, the Supreme Court established the Professional Guardian Oversight Board in July, 1998. That Board developed the recommendations that led to the adoption of GR 23, effective January 25, 2000, implementing the professional guardian certification program.

The Supreme Court has certified over 200 Guardians and 35 Agencies. In 2001, the Board adopted Standards of Practice governing the ethical conduct of Guardians and Agencies and has adopted a disciplinary process to address complaints regarding the conduct of Guardians and Agencies.

The Board sees a need for ethical advisory opinions to provide guidance to Guardians and Agencies on issues involving the ethical Standards of Practice for Guardians and Agencies. The issuance of advisory opinions is the preferred means of announcing ethical guidelines of general application, and is in the interests of the public, Guardians, Agencies and courts that supervise guardians. Otherwise, the only means available to the Board to provide ethical guidelines is the litigation of specific issues in the context of individual disciplinary proceedings, which results would be far more limited in application, time-consuming and expensive to attain, and would not fulfill the purpose of assisting and educating Guardians, rather than punishing them.

The Board will respond to questions based on the stated facts in the inquiry. If the inquirer follows the opinion, it creates a rebuttable presumption that the inquirer acted ethically. The Board will not issue an opinion upon an issue in a pending case or controversy involving a Guardian or Agency.

Opinion requests must be in writing. Requests may come from a Guardian, an Agency, the Board's Standards of Practice Committee or a Board member.

Opinions will be based on existing case law, statutes, court rules, Board regulations and standards, Board decisions, previously-issued ethics opinions and other secondary sources typically used in legal decision-making. The Board as a whole must approve opinions.

Advisory opinions shall be public and copies in either paper or electronic format shall be distributed to all Guardians and Agencies. A request that the Board issue an opinion shall be confidential.

MISC.

The opinions are subject to being overruled, revised or withdrawn based upon any subsequent change or reinterpretation of the law, legal decisions, court rules, regulations and the Standards of Practice.

[Suggested New Section]

GR 23. RULE FOR CERTIFYING PROFESSIONAL GUARDIANS

(a) - (l) [Unchanged.]

(m) Ethics Advisory Opinions.

(1) The Board may issue written ethics advisory opinions to inform and advise Certified Professional Guardians and Certified Agencies of their ethical obligations.

(2) Any Certified Professional Guardian or Certified Agency may request in writing an ethical advisory opinion from the Board. Compliance with an opinion issued by the Board shall be considered as evidence of good faith in any subsequent disciplinary proceeding involving a Certified Professional Guardian or Certified Agency.

(3) The Board shall publish opinions issued pursuant to this rule in electronic or paper format. A request for an opinion is confidential and not public information.

Reviser's note: The brackets and enclosed material in the text of the above section occurred in the copy filed by the State Supreme Court and appear in the Register pursuant to the requirements of RCW 34.08.040.

GR 9 Cover Sheet

NEW GR 27
 FAMILY LAW COURTHOUSE FACILITATORS

Purpose: Judges, administrators, clerks and the Washington State Bar Association (WSBA) have since 1993 shared a concern that courthouse facilitators may be engaged in the unauthorized practice of law, giving rise to possible liability of the counties and departments that administer the courthouse facilitator program. Of equal concern is the challenge that self-represented litigants face in preparing and presenting family law cases, and the challenge presented to court and clerk staff in assisting self-represented users of the court.

In response to these dual concerns, a proposed court rule was drafted to define the role and duties of a courthouse facilitator. Practical considerations balancing the need for real assistance and the prohibition against giving legal advice without a license to do so led to the involvement of the Access to Justice Board (ATJ), which established a courthouse facilitator committee. The Board for Judicial Administration (BJA) Project 2001 also appointed a courthouse facilitator committee to make recommendations and propose rules and legislation. The BJA approved the concept of a court rule setting forth provisions for qualifications, training and scope of duties of a courthouse facilitator.

The ATJ Courthouse Facilitator Committee approved the BJA Project 2001 version of the court rule and has made further refinements in response to stakeholders' comments. Since the BJA adopted the recommendations of Project 2001, the Access to Justice Board has continued efforts to gain support for New GR 27, with the full support and cooperation of Judge Faye Kennedy, Chair of the BJA Domestic Relations Committee and the Project 2001 Courthouse Facilitator Committee. ATJ has asked BJA to jointly propose adoption of New GR 27.

GR 24, sponsored and strongly supported by the WSBA and which became effective September 1, 2001, provides that those serving as courthouse facilitators pursuant to court rule are exempt from the unauthorized practice of law (GR 24 (b)(2)). New GR 27 is the court rule pursuant to which courthouse facilitators would serve.

GR 27(a) provides that it applies only to courthouse facilitator programs created pursuant to RCW 26.12.240, which in turn provides that a county may create a courthouse facilitator program. This section was included to ensure that only county-sponsored programs, whether administered by court administration, clerk or independent contract, are eligible to receive the protection afforded by GR 24 and New GR 27, which exempt from the unauthorized practice of law, courthouse facilitators providing services pursuant to court rule (GR 24 (b)(2); GR 27(f)).

GR 27(b), as amended by the Board for Judicial Administration, provides that the Supreme Court create an advisory committee, supported by the Administrative Office of the Courts (AOC), to establish minimum qualifications and administer a curriculum of initial and ongoing training requirements for courthouse facilitators. The AOC is to assist the counties in administering family law courthouse facilitator programs. Basic services to be provided by facilitators are defined in the rule (GR 27 (c)(3)). The rule pro-

MISC.

vides that no attorney-client relationship is established between the facilitator and user of the facilitator's services (GR 27(e)). Written and signed disclaimer of the attorney-client relationship and confidentiality shall be obtained by the facilitator, on a form to be developed by the AOC (GR 27(d)).

New GR 27 (Proposed Court Rule)
FAMILY LAW COURTHOUSE FACILITATORS

(a) Generally. RCW 26.12.240 provides a county may create a courthouse facilitator program to provide basic services to pro se litigants in family law cases. This Rule applies only to courthouse facilitator programs created pursuant to RCW 26.12.240.

(b) The Washington State Supreme Court shall create a Family Courthouse Facilitator Advisory Committee supported by the Administrative Office of the Courts to establish minimum qualifications and administer a curriculum of initial and ongoing training requirements for family law courthouse facilitators. The Administrative Office of the Courts shall assist counties in administering family law courthouse facilitator programs.

(c) Definitions. For the purpose of this rule the following definitions apply:

(1) A Family Law Courthouse Facilitator is an individual or individuals who has or have met or exceeded the minimum qualifications and completed the curriculum developed by the Administrative Office of the Courts and who is or are providing basic services in family law cases in a Superior Court.

(2) Family Law Cases include dissolution of marriage, modification of dissolution matters such as child support, parenting plans, non-parental custody or visitation, and parentage by unmarried persons to establish paternity, child support, child custody and visitation.

(3) "Basic Service" includes but is not limited to:

a) referral to legal and social service resources, including lawyer referral and alternate dispute referral programs and resources on obtaining family law forms and instructions;

b) assistance in calculating child support using standardized computer based program based on financial information provided by the pro se litigant;

c) processing interpreter requests for facilitator assistance and court hearings;

d) assistance in selection as well as distribution of forms and standardized instructions that have been approved by the court, clerk's office, or the Administrative Office of the Courts;

e) assistance in completing forms that have been approved by the court, clerk's office, or the Administrative Office of the Courts;

f) explanation of legal terms;

g) information on basic court procedures and logistics including requirements for service, filing, scheduling hearings and complying with local procedures;

h) review of completed forms to determine whether forms have been completely filled out but not as to substantive content with respect to the parties' legal rights and obligations;

i) previewing pro se documents prior to hearings for matters such as dissolution of marriage and show cause and temporary relief motions calendars under the direction of the

Clerk or Court to determine whether procedural requirements have been complied with

j) attendance at *pro se* hearings to assist the Court with *pro se* matters.

k) assistance with preparation of court orders under the direction of the Court.

l) preparation of *pro se* instruction packets under the direction of the Administrative Office of the Courts.

(d) Family Law Courthouse Facilitators shall obtain a written and signed disclaimer of attorney-client relationship, attorney-client confidentiality and representation from each person utilizing the services of the Family Law Courthouse Facilitator. The prescribed disclaimer shall be in the format developed by the Administrative Office of the Courts.

(e) No attorney-client relationship or privilege is created, by implication or by inference, between a Family Law Courthouse Facilitator providing basic services under this rule and the users of Family Law Courthouse Facilitator Program services.

(f) Family law courthouse facilitators providing basic services under this rule are not engaged in the unauthorized practice of law. Upon a courthouse facilitator's voluntary or involuntary termination from a courthouse facilitator program, that person is no longer a courthouse facilitator providing services pursuant to RCW 26.12.240 or this Rule.

CHIEF JUSTICE

CrRLJ 6.13 EVIDENCE

(a) Rules of Evidence. The Rules of Evidence are applicable to criminal prosecutions.

(b) Test Reports by Experts.

(1) Generally. The official written report of an expert witness which contains the results of any test of a substance or object which are relevant to an issue in a trial shall be admitted in evidence without further proof or foundation as prima facie evidence of the facts stated in the report if the report bears the following certification:

TEST CERTIFICATION

The undersigned certifies under penalty of perjury that:

1. I performed the test on the (substance) (object) in question;

2. The person from whom I received the (substance) (object) in question is: _____;

3. The document on which this certificate appears or to which it is attached is a true and complete copy of my official report; and

4. Such document is a report of the results of a test which report and test were made by the undersigned who has the following qualifications and experience

Signature

Title

Business Address and Phone

(2) Exclusion of Test Reports. The court shall exclude test reports otherwise admissible under section (b) if:

(i) a copy of the certified report or certificate has not been delivered or mailed to the defendant or the defendant's lawyer at least 14 days prior to the trial date or, upon a showing of cause, such lesser time as the court deems proper, or

(ii) in the case of an unrepresented defendant, a copy of this rule in addition to a copy of the certified report or certificate has not been delivered or mailed to the defendant at least 14 days prior to the trial date or, upon a showing of cause, such lesser time as the court deems proper, or

(iii) at least 7 days prior to the trial date, or, upon a showing of cause, such lesser time as the court deems proper, the defendant has delivered or mailed a written demand upon the prosecuting authority to produce the expert witness at the trial.

(c) Breathalyzer Maintenance, Simulator Thermometer, BAC Verifier, and Simulator Solution Certificates.

(1) Admission of Certificate. In the absence of a request to produce a Breathalyzer maintenance technician, a BAC Verifier Data Master infrared instrument technician, or the person responsible for preparing or testing simulator solutions made at least 7 days prior to trial or such lesser time as the court deems proper, certificates substantially in the following forms are admissible in lieu of a state expert witness in any court proceeding held pursuant to RCW 46.61.506 for the purpose of determining whether a person was operating or in actual physical control of a motor vehicle while under the influence of intoxicating liquors:

BREATHALYZER MAINTENANCE AND CHEMICAL CERTIFICATION

I, _____, do certify under penalty of perjury as follows:

I am a Breathalyzer technician possessing a valid permit or certificate issued to me by the state toxicologist by virtue of his rules, WAC 448-12 and RCW 46.61.506.

MISC.

On _____(date) at _____(time) I examined, tested and calibrated a Breathalyzer machine with serial No. _____ using a sealed ampul of chemicals with control No. _____ according to the methods established and approved by the state toxicologist.

I further certify that said machine was, on that date, in proper working order, and that the chemicals in ampuls with the above control number are suitable for use in this machine.

Signature of Technician
Dated: _____

BAC VERIFIER DATA MASTER CERTIFICATION

I, _____, do certify under penalty of perjury as follows:

I am employed by _____ and am certified by the state toxicologist by virtue of applicable regulations and statutes.

On _____(date) at _____(time) I examined, tested and certified a BAC Verifier Data Master instrument with serial No. _____ according to the methods established and approved by the state toxicologist. I further certify that said instrument was, on that date, in proper working order.

Signature of Technician
Dated: _____

BAC VERIFIER DATA MASTER SIMULATOR SOLUTION CERTIFICATION

I, _____, do certify under penalty of perjury as follows:

I am employed by the Washington State Toxicology Laboratory, and a part of my responsibilities include preparing and testing the simulator solutions for the BAC Verifier Data Master breath test instrument. I possess the following qualifications:

The simulator solution, Lot Number _____ was prepared in the Washington State Toxicology Laboratory. I examined and tested this solution. It was found to conform to those standards established by the state toxicologist for the certification of simulator solution.

Dated: _____

Signature

BAC DATAMASTER SIMULATOR THERMOMETER CERTIFICATION

I, _____, do certify under penalty of perjury under the laws of the State of Washington that the following is true and correct:

I am employed by the Washington State Patrol and am certified as a Technician by the state toxicologist by virtue of applicable regulations and statutes.

On _____(date) at _____(time) I tested and certified simulator thermometer _____(serial number) which is installed in simulator _____(serial number) and which is attached to BAC Data Master _____(serial number). In performing the test I employed a protocol approved by the state toxicologist. I found the thermometer to comply with the standards for accuracy as required by the state toxicologist. The certification of this thermometer is valid for one year from the date of this certification.

Signature of Technician
Dated: _____

Location: _____ (city and state)

(2) Machine Not Working Properly—Certificate of Technician. If the technician determines that a Breathalyzer machine or a BAC Verifier Data Master instrument is not in proper working order at the time of examination, the technician shall delete the last paragraph from the appropriate certificate form set forth in section (c)(1) of this rule and shall certify substantially in the following form:

I further certify that said machine was not in proper working order on _____(date) at _____M.

I further certify that I repaired or corrected said machine as required on _____(date) and as of that date at _____M. said machine was again in proper working order (and that the chemicals in ampuls with the above control number are suitable for use in this machine.) (Cross out bracketed language if not applicable.)

Dated: _____

Technician

(3) Filing of Certificates by Clerk. The clerk of each court of limited jurisdiction shall maintain the certificates as a public record.

(d) Speed Measuring Device: Design and Construction Certification.

MISC.

(1) Admission of Certificate. In the absence of proof of a request to produce an electronic or laser speed measuring device (SMD) expert served on the prosecuting authority and filed with the clerk of the court at least 30 days prior to trial or such lesser time as the court deems proper, a certificate substantially in the following form is admissible in lieu of an expert witness in any court proceeding in which the design and construction of an electronic or laser speed measuring device (SMD) is an issue:

CERTIFICATION CONCERNING DESIGN AND CONSTRUCTION OF ELECTRONIC SPEED MEASURING DEVICES AND LASER SPEED MEASURING DEVICES

I, _____, do certify under penalty of perjury as follows:

I am employed with _____ as a _____ I have been employed in such a capacity for _____ years and hold the rank of _____. Part of my duties include supervising the purchase, maintenance, and repair of all electronic and laser speed measuring devices (SMDs) used by _____ (name of agency) my agency.

This agency currently uses the following SMDs: (List all SMDs used and their manufacturers and identify which SMDs use laser technology.)

I have the following qualifications with respect to the above stated SMDs:

(List all degrees held and any special schooling regarding the SMDs listed above.)

~~This~~ Our agency maintains manuals for all of the above stated SMDs. I am personally familiar with those manuals and how each of the SMDs are designed and operated. ~~All initial~~ On _____ (date), testing of the SMDs was performed under my direction. The units were evaluated to meet or exceed existing performance standards. ~~Our~~ This agency maintains a testing and certification program. This program requires:

(State the program in detail.)

Based upon my education, training, and experience and my knowledge of the SMDs listed above, it is my opinion that each of these electronic pieces of equipment is so designed and constructed as to accurately employ the Doppler effect in such a manner that it will give accurate measurements of the speed of motor vehicles when properly calibrated and operated by a trained operator or, in the case of the laser SMDs, each of these pieces of equipment is so designed and constructed as to accurately employ measurement techniques based on the velocity of light in such a manner that it will give accurate measurements of the speed of motor vehicles when properly calibrated and operated by a trained operator.

Signature

Dated: _____

(e) Continuance. The court at the time of trial shall hear testimony concerning the alleged offense and, if necessary, may continue the proceedings for the purpose of obtaining (1) the maintenance technicians presence for testimony concerning the working order of the Breathalyzer machine and the certification thereof, (2) evidence concerning the working order of the BAC Verifier Data Master instrument and the certification thereof, (3) evidence concerning the preparation of the BAC Verifier Data Master simulator solution and the certification thereof, or (4) evidence concerning an electronic speed measuring device or laser speed measuring device and the certification thereof. If, at the time it is supplied, the evidence is insufficient, a motion to suppress the results of such test or readings shall be granted.

IRLJ 6.6 SPEED MEASURING DEVICE: DESIGN AND CONSTRUCTION CERTIFICATION

(a) In General. This rule applies only to contested hearings in traffic infraction cases.

(b) Speed Measuring Device Certificate; Form. In the absence of proof of a request to produce an electronic or laser speed measuring device (SMD) expert served on the prosecuting authority and filed with the clerk of the court at least 30 days prior to trial or such lesser time as the court deems proper, a certificate in substantially the following form is admissible in lieu of an expert witness in any court proceeding in which the design and construction of an electronic or laser speed measuring device (SMD) is an issue:

CERTIFICATION CONCERNING DESIGN AND CONSTRUCTION OF ELECTRONIC SPEED MEASURING DEVICES OR LASER SPEED MEASURING DEVICES

I, _____ do certify under penalty of perjury as follows:

I am employed with _____ as a _____ I have been employed in such a capacity for _____ years and hold the rank of _____. Part of my duties include supervising the purchase, maintenance, and repair of all electronic and laser speed measuring devices (SMD's) used by _____ (name of agency) my agency.

This agency currently uses the following SMD's: (List all SMD's used and their manufacturers and identify which SMDs use laser technology.)

I have the following qualifications with respect to the above stated SMD's:

(List all degrees held and any special schooling regarding the SMD's listed above.)

~~Our~~ This agency maintains manuals for all of the above stated SMD's.

MISC.

I am personally familiar with those manuals and how each of the SMD's are designed and operated. All initial On _____ (date), testing of the SMD's was performed under my direction. The units were evaluated to meet or exceed existing performance standards. ~~This Our~~ agency maintains a testing and certification program. This program requires:

(State the program in detail.)

Based upon my education, training, and experience and my knowledge of the SMD's listed above, it is my opinion that each of these electronic pieces of equipment is so designed and constructed as to accurately employ the Doppler effect in such a manner that it will give accurate measurements of the speed of motor vehicles when properly calibrated and operated by a trained operator or, in the case of the laser SMDs, each of these pieces of equipment is so designed and constructed as to accurately employ measurement techniques based on the velocity of light in such a manner that it will give accurate measurements of the speed of motor vehicles when properly calibrated and operated by a trained operator.

(c) Continuance. The court at the time of the formal hearing shall hear testimony concerning the infraction and, if necessary, may continue the proceedings for the purpose of obtaining evidence concerning an electronic speed measuring device and the certification thereof. If, at the time it is supplied, the evidence is insufficient, a motion to suppress the readings of such device shall be granted.

(d) Maintaining Certificates as Public Records. Any certificate, affidavit or foundational evidentiary document allowed or required by this rule can be filed with the court and maintained by the court as a public record. The records will be available for inspection by the public. Copies will be provided on request. The court may charge any allowable copying fees. The records are available without a formal request for discovery. The court is entitled to take judicial notice of the fact that the document has been filed with the court. Evidence will not be suppressed merely because there is not a representative of the prosecuting authority present who actually offers the document. Evidence shall be suppressed pursuant to subsection (c) of this rule if the evidence in the certificate, affidavit or document is insufficient, or if it has not been filed as required.

Reviser's note: The typographical errors in the above material occurred in the copy filed by the State Supreme Court and appear in the Register pursuant to the requirements of RCW 34.08.040.

STATE SUPREME COURT
[December 6, 2001]

IN THE MATTER OF THE ADOPTION) ORDER
OF THE AMENDMENT TO RAP 15.2) NO. 25700-A-723
(DELETE FORM 13, NEW FORM 13))

The Office of Public Defense having recommended the adoption of the proposed amendment to RAP 15.2, and the Court having approved the proposed amendment for publication;

Now, therefore, it is hereby

ORDERED:

(a) That pursuant to the provisions of GR 9(f), the proposed amendment as attached hereto is to be published for comment in January 2002 in the Washington Reports, Washington Register, Washington State Bar Association and the Administrative Office of the Courts' websites.

(b) The purpose statement as required by GR 9(d), is published solely for the information of the Bench, Bar and other interested parties.

(c) Comments are to be submitted to the Clerk of the Supreme Court by either U.S. Mail or Internet E-Mail by no later than April 30, 2002. Comments may be sent to the following addresses: P.O. Box 40929, Olympia, Washington 98504-0929, or Lisa.Bausch@courts.wa.gov. Comments submitted by e-mail message must be limited to 1500 words.

DATED at Olympia, Washington this 6th day of December 2001.

Gerry L. Alexander
CHIEF JUSTICE

RAP 15.2

Purpose: Washington State OPD requests that RAP 15.2 be changed to prescribe a form Motion for Order of Indigency for appellate indigency determinations. RAP 15.2 establishes procedures for the entry of orders of indigency for appellate cases. Pursuant to Rule 15.2 and RCW 10.101, the superior courts determine indigency for all appealing defendants, respondents, or petitioners in habeas corpus actions who seek review partially or wholly at public expense. Rule 15.2 presently requires the party to file a motion setting forth information about the party's financial circumstances by affidavit. There is a statewide prescribed form for determinations of defendants' indigency status for all trial-level cases, but not for appellate-level cases.

In February 2001, the Washington State OPD released a report on indigency procedures entitled *Criteria and Standards for Determining and Verifying Indigency*. (The executive summary is enclosed as supporting information.) After a statewide survey of the trial courts, Washington State OPD concluded that when parties file motions for determinations of indigency pursuant to RAP 15.2, they often lack precise standards for determining whether an appellant is indigent and do not always receive enough information from counsel or the party to adequately determine indigency. The report's findings were that "(t)he appellate indigency court rule should be amended to prescribe a mandatory, standard

MISC.

Motion for Order of Indigency..." and that "(s)ome Washington courts inappropriately apply an ad hoc presumption of indigency to appellate defendants who were found indigent at the trial level. At a minimum, brief rescreening should be conducted for each defendant seeking counsel at public expense."

RCW 10.101.020(6), the Indigent Defense Services Act, which applies to indigent persons "at any stage of a court proceeding" directs the Washington State Office of Public Defense to prescribe a form for offices or individuals charged by the trial courts to use to provide a written report and opinion as to indigency, which "shall include information necessary to provide a basis for making a determination with respect to indigency as provided by this chapter."

The suggested rule change provides that parties seeking review at public expense shall use a new suggested form prescribed by the Washington State Office of Public Defense. RAP 15.2's present language listing information to be included in the party's affidavit supporting an indigency motion is deleted, as this information is included in the suggested prescribed form and will be certified.

Suggested Rule Change RAP 15.2

Determination of Indigency and Rights of Indigent Party

(a) **Motion for Order of Indigency.** A party seeking review in the Court of Appeals or the Supreme Court partially or wholly at public expense must move in the trial court for an order of indigency. ~~The motion must be supported by an affidavit setting forth the moving party's total assets, the expenses and liabilities of the party, a statement of the amount, if any, the party can contribute toward the expense of a review; a statement of expenses the party wants waived or provided at public expense; a brief statement of the nature of the case and the issues sought to be reviewed; and a designation of those parts of the record the party thinks are necessary for review. The party shall submit a Motion for Order of Indigency prescribed by the office of public defense to the trial court.~~ In any case of a type not listed in section (b)(2) of this rule, the party must also demonstrate in the motion or the supporting affidavit that the issues the party wants reviewed have probable merit and that the party has a constitutional right to review partially or wholly at public expense.

(b) **Action by the Trial Court.** The trial court shall decide the motion for an order of indigency, after a hearing if the circumstances warrant, as follows:

- (1) *Denial Generally.* The trial court shall deny the motion if a party has adequate means to pay all of the expenses of review. The order denying the motion for an order of indigency shall contain findings designating the funds or source of funds available to the party to pay all of the expenses of review.
- (2) *Review at Public Expense.* The trial court shall grant the motion and enter an order of indigency if the party seeking public funds is unable by reason of poverty to pay for all or some of the expenses for appellate review of:
 - (a) criminal prosecutions or juvenile offense proceedings,

- (b) dependency and termination cases under Ch. 13.34,
- (c) commitment proceedings under RCW 71.05 and 71.09
- (d) civil contempt cases directing incarceration of the contemnor,
- (e) petitions for writ of habeas corpus under RCW 7.36, including attorneys fees upon a showing of extraordinary circumstances, and
- (f) any other case in which the party has a constitutional or statutory right to counsel at all stages of the proceeding.

- (3) *Other Cases.* In any other case, the trial court shall consider the motion for order of indigency and, if the party is unable by reason of poverty to pay for all of the expenses of review, the trial court shall enter findings of indigency which shall be forwarded to the Supreme Court for consideration, pursuant to section (c) of this rule. The trial court shall determine in those findings the portion of the record necessary for review and the amount, if any, the party is able to contribute toward the expense of review. The findings shall conclude with an order to the clerk of the trial court to promptly transmit to the Supreme Court, without charge to the moving party, the findings of indigency, the motion for an order of indigency, the affidavit in support of the motion, and all other papers submitted in support of or in opposition to the motion. The trial court clerk shall promptly transmit to the Supreme Court the papers designated in the finding of indigency.

(c) **Action by Supreme Court.** If findings of indigency and other papers relating to the motion for an order of indigency are transmitted to the Supreme Court, the Supreme Court will determine whether an order of indigency in that case should be entered by the superior court. The determination will be made by a department of the Supreme Court on a regular motion day without oral argument and based only on the papers transmitted to the Supreme Court by the trial court clerk, unless the Supreme Court directs otherwise. If the Supreme Court determines that the party is seeking review in good faith, that an issue of probable merit is presented and that the party is entitled to review partially or wholly at public expense, the Supreme Court will enter an order directing the trial court to enter an order of indigency. In all other cases, the Supreme Court will enter an order denying the party's motion for an order of indigency. The clerk of the appellate court will transmit a copy of the order to the clerk of the trial court and notify all parties of the decision of the Supreme Court.

(d) **Order of Indigency.** An order of indigency shall designate the items of expense which are to be paid with public funds and where appropriate, the items of expense to be paid by a party or the amount which the party must contribute toward the expense of review. The order shall designate the extent to which public funds are to be used for payment of the expense of record on review, limited to those parts of the record reasonably necessary to review issues argued in good faith. The order of indigency shall appoint counsel if the

CERTIFICATE

I, _____, certify as follows:

- 1. That I am the (defendant) (respondent) (petitioner) and I wish to appeal the judgment that was entered in the above-entitled cause.
2. That I own:
a. No real property
b. Real property valued at \$_____
3. That I own:
a. No personal property other than my personal effects
b. Personal property (automobile, money, inmate account, motors, tools, etc.) valued at \$_____
4. That I have the following income:
a. No income from any source.
b. Income from employment, disability payments, SSI, insurance, annuities, stocks, bonds, interests, etc., in the amount of \$_____ on an average monthly basis. I received \$_____ after taxes over the past year.
5. That I have:
a. Undischarged debts in the amount of \$_____
b. No debts.
6. That I am without other means to prosecute said appeal and desire that public funds be expended for that purpose.
7. That I can contribute the following amount toward the expense of review: \$_____
8. The following is a brief statement of the nature of the case and the issues sought to be reviewed:
9. I ask the court to provide the following at public expense, the following: all filing fees, attorney fees, preparation, reproduction, and distribution of briefs, preparation of verbatim report of proceedings, and preparation of necessary clerk's papers.
10. I authorize the court to obtain verification information regarding my financial status from banks, employers, or other individuals or institutions, if appropriate.
11. I certify that I will immediately report any change in my financial status to the court.
12. I certify that review is being sought in good faith. I designate the following parts of the record which are necessary for review:
a. Pre-trial hearings Date(s): _____ Judge(s): _____ Court Reporter(s): _____
b. Trial, excluding _____ Date(s): _____ Judge(s): _____ Court Reporter(s): _____
c. Post-trial hearings Date(s): _____ Judge(s): _____ Court Reporter(s): _____
d. Sentencing hearing(s) Date(s): _____ Judge(s): _____ Court Reporter(s): _____
e. Probation revocation hearings Date(s): _____ Judge(s): _____ Court Reporter(s): _____

() Other: _____ Date(s): _____ Judge(s): _____ Court Reporter(s): _____

I, _____, certify under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

WSR 02-01-028
RULES OF COURT
STATE SUPREME COURT
[December 6, 2001]

IN THE MATTER OF THE ADOPTION) ORDER
OF THE AMENDMENTS TO CrRLJ 6.13) NO. 25700-A-724
AND IRLJ 6.6)

The Washington Association of Prosecuting Attorneys having recommended the adoption of the proposed amendments to CrRLJ 6.13 and IRLJ 6.6, and the Court having approved the proposed amendments for publication;

Now, therefore, it is hereby ORDERED:

(a) That pursuant to the provisions of GR 9(f), the proposed amendments as attached hereto are to be published for comment in January 2002 in the Washington Reports, Washington Register, Washington State Bar Association and the Administrative Office of the Courts' websites.

(b) Comments are to be submitted to the Clerk of the Supreme Court by either U.S. Mail or Internet E-Mail by no later than April 30, 2002. Comments may be sent to the following addresses: P.O. Box 40929, Olympia, Washington 98504-0929, or Lisa.Bausch@courts.wa.gov. Comments submitted by e-mail message must be limited to 1500 words.

DATED at Olympia, Washington this 6th day of December 2001.

Gerry L. Alexander
CHIEF JUSTICE

GR 9 COVER SHEET

Suggested New Rule

ARLJ 12

REGISTRATION OF COURTS OF LIMITED JURISDICTION

Purpose: This new rule is suggested to ensure that the Administrative Office of the Courts (AOC) is advised when new courts of limited jurisdiction are established by a gov-

MISC.

ernmental entity and to keep the AOC advised regarding contact information for every court of limited jurisdiction in the state. The new rule is for administrative purposes only and is not intended to have any effect on the power and authority of a court.

Since the state does not pay any part of the salary or benefits for the judges of the courts of limited jurisdiction, cities and counties do not necessarily realize they should establish a relationship with the AOC when a new local court is established. The AOC may only learn of these new local courts and violation bureaus after they have been in operation for awhile, particularly with the smaller cities and towns.

It is preferable that the AOC know of the existence of all courts in the state of Washington. If new courts register with the AOC, the AOC may be in a position to provide services, information, training and establish a connection to the electronic Judicial Information System.

Suggested New Rule

ARLJ 12

REGISTRATION BY COURTS OF LIMITED JURISDICTION

(1) All courts of limited jurisdiction shall register with the Administrative Office of the Courts. The registration shall include the name of the court, address, telephone number and the names of judicial officers and the court clerk or administrator. The official registration must be updated annually by each court on or before July 1 and also within 30 days from the date of any changes in the information previously supplied to the Administrative Office of the Courts.

(2) The failure of a court to register as required by this rule shall not affect in any way the power or authority of a court.

GR 9 COVER SHEET

Suggested Rule Changes

CrRLJ 3.2 (m)

RELEASE OF ACCUSED

Purpose: The suggested rule changes reduce the bail amounts to \$250 for two driving offenses: driving while license suspended or revoked (third degree) and no valid driver's license with no identification. At present, the bail for driving while license suspended in the third degree, a misdemeanor offense, is the same amount (\$500) as for the first and second degrees of this offense, which are gross misdemeanors. The bail for the offense of no valid driver's license with no identification, which is also a misdemeanor, is \$475.

A reduction in the bail amounts to \$250 for these two misdemeanor offenses is recommended because of the less-serious nature of these driving offenses, as compared to offenses for which a bail amount of \$500 would remain.

Suggested Changes

CrRLJ 3.2(m)
RELEASE OF ACCUSED

(a) - (l) [Unchanged.]

(m) Bail in Criminal Offense Cases—Mandatory Appearance.

(1) When required to reasonably assure appearance in court, bail for a person arrested for the following criminal offenses listed in this rule or comparable ordinances shall be the amount listed in this rule. In an individual case and after hearing the court for good cause recited in a written order may set a different bail amount.

(2) A court may adopt a local rule requiring that persons subjected to custodial arrest for a certain class of offenses be held until they have appeared before a judge.

(3) Forfeiture of bail shall not constitute a final disposition for a mandatory offense or comparable ordinance without a written order of the court showing the reasons. The order may be a simple docket entry. If the court allows forfeiture of bail for a mandatory offense, it may accept bail in an amount no less than that set forth in these rules as full payment including all statutory assessments.

		Bail
1.	Driving while under the influence; physical control (RCW 46.61.502; 46.52.100; 46.61.504)	\$500
2.	Driving while under the influence—nonhighway vehicle or snowmobile (RCW 46.09.120(2))	\$500
3.	Operating nonhighway vehicle or snowmobile so as to endanger human life, etc. (RCW 46.09.130; 46.10.130)	\$500
4.	No valid driver's license (without identification) (RCW 46.20.021)	\$475 <u>250</u>
5.	Unlawful possession or use of a driver's license (RCW 46.20.336 .0921)	\$100
6.	Driving while license suspended or revoked in the first, and second, and third degrees (RCW 46.20.342)	\$500
7.	<u>Driving while license suspended or revoked in the third degree (RCW 46.20.342)</u>	<u>\$250</u>
7 8.	Violating occupational license restrictions (RCW 46.20.410)	\$200
8 9.	Financial responsibility suspension (RCW 46.29.610, .620)	\$100
9 10.	Transporting dangerous articles (RCW 46.48.175)	\$500
10 11.	Unattended hit and run (RCW 46.52.010)	\$250
11 12.	Attended hit and run (RCW 46.52.020)	\$500

MISC.

~~12~~13. Reports of repairs, concealing evidence (RCW 46.52.090) \$500

~~13~~14. Confidentiality of driving records (RCW 46.52.130) \$500

~~14~~15. Failure to obey police officer, flagger, or fire fighter (RCW 46.61.015) \$250

~~15~~16. Failure to cooperate with or give information to police officer (RCW 46.61.020) \$100

~~16~~17. Failure to stop and give information (RCW 46.61.022) \$100

INTERPRETIVE OR POLICY STATEMENT
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES

[Filed December 11, 2001, 3:40 p.m.]

DESCRIPTION OF INTERPRETIVE OR POLICY STATEMENT

Document Title: Numbered Memorandum 01-67 MAA.
 Subject: New rates for hospice services.
 Effective Date: November 26, 2001.

Document Description: The Medical Assistance Administration (MAA) has updated the fee schedule section in MAA's *Hospice Billing Instructions*. The new maximum allowables are retroactive for claims with dates of service on and after October 1, 2001. Attached to this memo are replacement pages 25-28 for MAA's *Hospice Billing Instructions*, dated May 1999.

To receive a copy of the interpretive or policy statement, contact Kevin Sullivan, Regulatory Improvement Coordinator, Department of Social and Health Services, Medical Assistance Administration, Division of Program Support, P.O. Box 45533, Olympia, WA 98504-5533, phone (360) 725-1344 or go to website <http://maa.dshs.wa.gov> (click on Numbered Memorandum link), TDD 1-800-848-5429, fax (360) 586-9727, e-mail <mailto:sullikm@dshs.wa.gov>.

NOTICE OF PUBLIC MEETINGS
ECONOMIC DEVELOPMENT
FINANCE AUTHORITY
 [Memorandum—December 12, 2001]

The Washington Economic Development Finance Authority (WEDFA) is an independent agency within the executive branch of the state government. The authority has four regular board meetings each year, one per quarter. The authority's meetings are open to the public, and access for persons with disabilities is provided at all meetings of the authority. We would like to have the board meeting schedule for 2002 published in the next issue of the State Register.

The meeting dates are: Wednesday, March 6th, Wednesday, June 5th, Wednesday, September 11th, and Wednesday, December 4th. All meetings will begin at 10 a.m. All meetings, except the September 11th meeting, will be held in the Cascadia World Trade Club on the mezzanine level of the main terminal building, Sea-Tac International Airport,

SeaTac, WA. The September 11th meeting will be held in a location to be determined in Spokane.

Please call Jonathan A. Hayes at (206) 587-5634 if you have any questions.

NOTICE OF PUBLIC MEETINGS
PARKS AND RECREATION
COMMISSION

[Memorandum—December 14, 2001]

2002 Schedule of Regular Meetings of the
State Parks and Recreation Commission

As required by RCW 42.30.075, Open Public Meetings Act, the following schedule is submitted for publishing in the Washington State Register.

The Washington State Parks and Recreation Commission has adopted the following 2002 regular meeting schedule. The public meeting dates occur on Thursday, with an optional tour to occur on Friday.

January 24 and 25	Olympia
March 21 and 22	Spokane
May 9 and 10	Port Townsend
June 13 and 14	Vancouver
August 1 and 2	Long Beach
September 12 and 13	Ephrata
November 7 and 8	Yakima

December 12 and 13 Seattle

All commission meetings will begin at 9 a.m. A tour of nearby state parks or other recreational facilities may be held on the day following the meeting.

The locations of the meetings have not yet been determined and will be announced at the close of each regular meeting. The meeting locations may be obtained by writing to the Director, Washington State Parks and Recreation Commission, P.O. Box 42650, Olympia, WA 98504-2650, or by calling (360) 902-8505.

The public is welcome to attend all state Parks and Recreation Commission meetings. Meeting sites will be barrier free to the greatest extent feasible. The commission will provide Braille or taped agenda items for the visually impaired and interpreters for those with hearing impairments if a request is received at the appropriate address shown above at least ten working days in advance of the scheduled meeting date.

OFFICE OF THE
INSURANCE COMMISSIONER
 [Filed December 19, 2001, 8:22 a.m.]

In the Matter of the Merger of) No. G 2001-60
 INVESTORS LIFE INSURANCE) NOTICE OF HEARING
 COMPANY OF INDIANA)
 Into)
 INVESTORS LIFE INSURANCE OF)
 NORTH AMERICA)

TO: Theodore A. Fleron
 Senior Vice President and General Counsel
 Investors Life Insurance Company of North America
 6500 River Place Blvd., Building One
 Austin, TX 78730

Investors Life Insurance Company of North America is a Washington domestic insurance company. Investors Life Insurance Company of Indiana is an Indiana domiciled insurance Company.

Investor Life Insurance Company of Indiana proposes to merge with and into Investors Life Insurance Company of North America with Investors Life Insurance Company of North America being the surviving company.

The merger of a domestic Washington insurance company is controlled by RCW 48.31.010. Pursuant to RCW 48.31.010 a plan of merger has been submitted to the Insurance Commissioner on November 6, 2001. The Insurance Commissioner must hold a hearing and decide whether to approve the merger of the companies.

YOU ARE HEREBY NOTIFIED that a hearing will be held commencing **Thursday, January 10, 2002, at 9:00 a.m. Pacific Standard Time** in the 2nd Floor Conference Room of the Insurance Commissioner's Office at 420 Golf Club Road, Lacey, Washington 98503, to consider the proposed merger of the Investor Life Insurance Company of Indiana into the Investors Life Insurance Company of North America.

The hearing will be held under the authority granted the Commissioner by Chapter 48.04 RCW and RCW 48.31.010. RCW 48.31.010 lists the findings which must be made before approval can be given to any proposed merger of a Washington domestic insurer.

The basic facts relied upon are those set forth in the Plan and Agreement of Merger and proposed Articles of Merger filed with the Commissioner. The Plan and Agreement of Merger and proposed Articles of Merger will be made part of the record of the hearing. The Commissioner has not taken, and

will not take, any position on this matter prior to entry of the hearing order.

All parties may be represented at the hearing. They may examine witnesses and fully respond and present evidence and argument on all issues involved, as required by the Administrative Procedure Act. The hearing will be governed by the Administrative Procedure Act, Chapter 34.05 RCW, and the model rules of procedure contained in Chapter 10-08 WAC. A party who fails to attend or participate in any stage of the proceeding may be held in default in accordance with Chapter 34.05 RCW.

The Commissioner will be represented by Chase Davis, Senior Financial Analyst.

Assistant Deputy Commissioner James E. Tompkins has been designated to hear and determine this matter. His address is Office of the Insurance Commissioner, Post Office Box 40259, Olympia, Washington 98504-0259. His telephone number is (360) 407-0537.

ENTERED AT OLYMPIA, WASHINGTON, this 17th day of December, 2001.

Mike Kreidler
 Insurance Commissioner
 By:
 JAMES E. TOMPKINS
 Assistant Deputy Commissioner
 Company Supervision Division

Table of WAC Sections Affected

KEY TO TABLE

This table covers the current calendar year through this issue of the Register and should be used to locate rules amended, adopted, or repealed subsequent to the publication date of the latest WAC or Supplement.

Symbols:

- AMD = Amendment of existing section
- A/R = Amending and recodifying a section
- DECOD = Decodification of an existing section
- NEW = New section not previously codified
- OBJECT = Notice of objection by Joint Administrative Rules Review Committee
- PREP = Preproposal comments
- RE-AD = Readoption of existing section
- RECOD = Recodification of previously codified section
- REP = Repeal of existing section
- RESCIND = Rescind of existing section
- REVIEW = Review of previously adopted rule
- SUSP = Suspending an existing section

Suffixes:

- C = Continuance of previous proposal
 - E = Emergency action
 - P = Proposed action
 - S = Supplemental notice
 - W = Withdrawal of proposed action
 - X = Expedited rule making
 - XA = Expedited adoption
 - XR = Expedited repeal
 - No suffix means permanent action
- WAC #** Shows the section number under which an agency rule is or will be codified in the Washington Administrative Code.
- WSR #** Shows the issue of the Washington State Register where the document may be found; the last three digits identify the document within the issue.

Code Reviser's Office
PO Box 40552
Olympia, WA 98504-0552
(360) 786-6369

I would like to order _____ subscription(s) to the WASHINGTON STATE REGISTER, at an annual rate of \$210.60, sales tax included (\$195 for state agencies). Enclosed is my check or money order for \$_____. All subscriptions run from January through December. Please start my subscription with the January issue of 2002.

NAME _____

ADDRESS _____

THE WASHINGTON STATE REGISTER, published under RCW 34.08.020, is distributed on the first and third Wednesdays of each month. The Register contains the full text of proposed, emergency, and permanently adopted rules of state agencies, executive orders of the governor, notices of public meetings of state agencies, rules of the state supreme court, summaries of attorney general opinions, and juvenile disposition standards that have been filed in the code reviser's office before the closing date for that issue of the Register. A cumulative table of existing sections of the Washington Administrative Code (WAC) affected by a particular agency action guides the user to the proper issue of the Register.

The code reviser's office has established an annual subscription price of \$195 for a Register subscription, and single copies cost \$8.00. Sales tax of 8.0% applies to all sales other than to state agencies. State law requires payment in advance. To subscribe to the Register, please complete the order form above and forward it to the address indicated, accompanied by your check or money order in the amount of \$210.60 (\$195 for state agencies) payable to the code reviser's office.
