THE GOVERNOR**

[Filed September 13, 2006, 9:22 a.m.]

**NOTICE OF APPEAL
RCW 34.05.330(3)**

Pursuant to RCW 34.05.330(3), you are hereby notified for publication in the Washington State Register that:

On August 4, 2006, the Governor received an appeal from Adam P. Karp relating to the Department of Health's denial of a petition to add a new Rule. The Governor's Office denied Mr. Karp's Petition on September 11, 2006.

DATE: September 11, 2006

Richard E. Mitchell
General Counsel to the Governor

September 11, 2006

Adam P. Karp
114 W. Magnolia Street, Suite 425
Bellingham, WA 99225

Dear Mr. Karp:

This letter is in response to your August 2, 2006 petition requesting an appeal of a denied rulemaking petition filed with the Veterinary Board of Governors (Board). Specifically, your petition appeals the Board's denial to adopt a new rule addressing veterinary practices and patient-client expectations through informed consent.

According to the Administrative Procedures Act, the Governor does not have jurisdiction to consider a petition regarding an agency's denial to adopt a new rule. RCW 34.05.330(3).

Notwithstanding the lack of jurisdiction, the Governor recognizes that the Board is authorized to establish rules that are in the interest of good veterinary health care delivery to the consuming public. However, the Board does not have statutory authority to develop informed consent rules in the veterinary context. Per Chapter 7.70 RCW, the Legislature codified the duty of informed consent in health care treatment for cases pertaining to human injury. An extension of this duty to veterinary practice would require legislative action.

The Governor appreciates your commitment to ensuring the safe and humane practice of veterinary medicine. She asks that you contact me at (360) 902-0484 if you have further questions.

Sincerely,

Richard E. Mitchell
General Counsel

Reviser's note: The typographical error in the above section occurred in the copy filed by the agency and appears in the Register pursuant to the requirements of RCW 34.08.040.

WSR 06-19-033
STATE BOARD OF EDUCATION

[Filed September 13, 2006, 2:19 p.m.]

During the 2006 legislative session, E2SHB 3098 was adopted and signed into law transferring powers, duties, and functions in several areas from the state board of education (SBE) to the office of the superintendent of public instruction (OSPI). This included the responsibility for the election of educational service district (ESD) boards of directors. However, the SBE retained the authority to determine ESD boundaries as set forth in RCW 28A.310.020.

Pursuant to E2SHB 3096, OSPI requested that chapter 180-22 WAC, Educational service districts, be recodified in

its entirety to a new chapter in Title 392 WAC, Office of Superintendent of Public Instruction. This was accomplished by a filing published in the state register on June 22, 2006. However, this request resulted in a transfer of authority to OSPI of all matters governing educational school districts including the authority to set ESD boundaries. The result was the inadvertent recodification of the following rules in former chapter 180-22 WAC into chapter 392-107 WAC.

1. WAC 180-22-100 Purpose and authority, recodified to WAC 392-107-100.

2. WAC 180-22-140 Territorial organization of educational school districts, recodified to WAC 392-107-140.

3. WAC 180-22-150 Educational service districts criteria for organization, recodified to WAC 392-107-150.

Since this was in error, we are at this time requesting that WAC 392-107-100, 392-107-140, and 392-107-150 be recodified in chapter 180-22 WAC as previously listed.

Edie Harding, Executive Director
State Board of Education
Dr. Terry Bergeson
Superintendent of Public Instruction
