PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF
FINANCIAL INSTITUTIONS
 (Securities Division)

[Filed September 11, 2006, 10:51 a.m.]

Subject of Possible Rule Making: The securities division proposes to amend the rules contained in chapter 460-11A WAC. These rules provide for a streamlined registration process for securities offerings of Canadian issuers and were developed through the coordinated efforts of various states and the North American Securities Administrators Association (NASAA). The NASAA model rules on which they are based were updated in 2005. The securities division proposes to revise these rules to conform to the 2005 amendments to the NASAA model rules.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 21.20.450, [21.20].240.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The rules contained in chapter 460-11A WAC were adopted by the securities division in 1991. The NASAA model rules on which these rules are

based were updated in 2005 for a number of reasons, including to change the streamlined registration period to conform with the change previously made by Canadians, who reduced the minimum period from seven days to three days. The securities division adopted these rules in part to make its rules with respect to securities offerings by Canadian issuers uniform with other states and Canada in accordance with RCW 21.20.450. The securities division proposes to revise these rules to maintain their uniformity in light of the 2005 amendments to the NASAA model rules.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: The federal Securities and Exchange Commission (SEC), other state securities regulators and Canada also regulate offerings affected by these rules. The securities division proposes to revise these rules to maintain uniformity with these other regulators with respect to the regulation of securities offerings by Canadian issuers.

Process for Developing New Rule: Proposed NASAA statements of policy are published for internal and public comment prior to adoption. Comments received from the public and the SEC are considered and incorporated in the proposal as appropriate.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Faith L. Anderson, Department of Financial Institutions, Securities Division, P.O. Box 9033, Olympia, WA 98507-9033, voice (360) 725-7825, fax (360) 704-6480, e-mail fanderson@dfi.wa.gov.

[Filed September 11, 2006, 1:59 p.m.]

Subject of Possible Rule Making: Chapter 308-56A WAC, Certificates of title—Motor vehicles, etc., and chapter 308-93 WAC, Vessel registration and certificate of title, to include but not limited to WAC 308-56A-310 Personal property lien—Chattel and 308-93-445 Personal property lien—Chattel.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 88.02.070 and 88.02.100.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Subsection (3)(a) of these rules say a court order is required when the vehicle/vessel is no longer in the possession of the person claiming the lien. However, RCW 60.08.010 says the chattel lien is valid even if the chattel is returned to the owner. RCW 60.08.020 also says a person has ninety days from the date of delivery of the chattel to the owner to file the lien. A rule change is required to bring these rules into compliance with applicable laws.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: None.

Process for Developing New Rule: Committee with stakeholder review.

DEPARTMENT OF
SOCIAL AND HEALTH SERVICES

(Public Affairs)

[Filed September 19, 2006, 9:52 a.m.]

Subject of Possible Rule Making: The division of vocational rehabilitation (DVR) plans to:

(1) Repeal outdated WAC on independent living (WAC 388-890-0780 through 388-890-1095);

(2) Clarify the supported employment time-limit (WAC 388-891-870);

(4) Delete supported employment as criteria for Priority Category #1 in Order of Selection (WAC 388-891-0520);

(5) Delete receiving Title II or Title XVI Social Security benefits as criteria for Priority Category #2 in Order of Selection (WAC 388-891-0530);

(6) Increase the number of days an individual may request a fair hearing from twenty days to forty-five calendar days (WAC 388-891-0255);

(7) Add WAC that DVR cannot support an employment goal that is religious in nature; and

(8) Amend, repeal or add other related rules as appropriate.

Statutes Authorizing the Agency to Adopt Rules on this Subject: 34 Code of Federal Regulations, Part 361; 34 Code of Federal Regulations, Part 363; 34 Code of Federal Regulations, Part 365; RCW 74.29.020(8).

(5) Deleting reference to receiving Title II or Title XVI Social Security benefits for Priority Category #2 for Order of Selection addresses a finding by the RSA that Social Security benefits cannot be criteria for a priority category.

(6) Increasing the number of days an individual may file for a fair hearing from twenty days to forty-five calendar days will give individuals more time to request a fair hearing.

(7) Adding WAC to clarify that DVR is prohibited from supporting an employment goal that is religious in nature under Washington State Constitution, Article 1, Subsection 11.

(8) Amending, repealing or adding other related rules as appropriate.
